NOTE: It is the policy of the City of St. Louis that all firms desiring to do business with the City of St. Louis must comply with employment practices that are in accordance with the ordinances of the City of St. Louis and the Mayor's Executive Order promulgated there-under to the end that all Contractors and suppliers of materials and services will offer equal opportunity for employment and job advancement to blacks and other minority groups in the St. Louis Metropolitan area.

PUBLIC NOTICE NEW BIDS & CONTRACT POLICY EFFECTIVE DATE: SEPTEMBER 13, 1995

City of St. Louis/Supply Division
MINORITY/WOMEN BUSINESS
ENTERPRISES UTILIZATION
STATEMENT POLICY
(Revised 5/97)

As of September 13, 1995, the Supply Division implemented a new purchasing policy to increase Minority and Women Business Enterprises (MBE/WBE) participation with all Bids and Contracts \$4,000.00 or more, let by the Supply Division.

The goal of this new Supply Division policy is to enlarge the pool of bidders, by bringing more Women-owned and Minority-owned businesses into the bidding process. The result of this inclusion would expectedly yield an increase in City awards to these businesses.

The Supply Division expects to realize its goals, either through direct awards to these businesses or through their partnering. It is partnering with larger, established businesses that the Supply Division hopes can be the result of its policy, ultimately creating a more dynamic base of Minority and Women-owned businesses and invigorating the competitive market place.

We are urging all vendors to make every effort to obtain MBE/WBE participation on bids totalling \$4,000.00 or more. Bids will continue to be evaluated on the basis of most responsive bidder. It should be noted that MBE/WBE participation is not one of the selection criteria for any award of contracts or purchase orders.
