WHEREAS, on April 6, 1999, a majority of the citizens of the State of Missouri rejected Proposition B which would have allowed for the carrying of concealed weapons throughout the State; and

WHEREAS, the action of the Missouri Senate in regard to House Bill 349 is an affront to the majority of the citizens of this State and a contravention of the democratic process on which this country was founded; and

WHEREAS, the members of this Board continue to believe that the fear of crime, which is so prevalent in our community and in communities throughout this State, and which must be eliminated in order to improve the quality of life for our citizens, cannot be resolved by laws which introduce further violence into our society; and

WHEREAS, we must continue to use every legal means available to protect the residents of this city and state from violent behavior and vigorously promote the public safety;

NOW THEREFORE BE IT RESOLVED by the Board of Aldermen of the City of St. Louis, that we denounce the action of the members of the Missouri Senate who voted to override the Governor's veto of House Bill 349 and we direct the City Counselor for the City of St. Louis to closely examine House Bill 349 for any possible grounds by which it can be legally challenged.
