The Developer shall commence or cause the commencement of the construction of the Work within one hundred twenty (120) days of the date of this Agreement, which Work shall be constructed in a good and workmanlike manner in accordance with the terms of this Agreement and the Redevelopment Plan. The Developer shall substantially complete or cause the Work to be substantially complete not later than May 1, 2006 absent an event of Force Majeure. In the event of any delay caused by an event of Force Majeure as defined in **Section 7.5** of this Agreement, Developer shall be granted additional time to complete the Work up to and including May 1, 2007.

The Developer may enter into or cause to be entered into one or more construction contracts to complete the Work. Prior to the commencement of construction of any portion of the Work, the Developer shall obtain or shall require that any of its contractors obtain workers' compensation, comprehensive public liability and builder's risk insurance coverage in amounts customary in the industry for similar type projects. The Developer shall require that such insurance be maintained by any of its contractors for the duration of the construction of such portion of the Work. To the extent that laws pertaining to prevailing wage and hour apply

to any portion of the Work, the Developer agrees to take all actions necessary to apply for the wage and hour determinations and otherwise comply with such laws.

3.5 Governmental Approvals. The City and, at its direction, the St. Louis Development Corporation agree to employ reasonable and good faith efforts to cooperate with the Developer and to process and timely consider and respond to all applications for the Governmental Approvals as received, all in accordance with the applicable City ordinances and laws of the State of Missouri.

3.6 Construction Plans; Changes. The Construction Plans shall be prepared by a professional engineer or architect licensed to practice in the State of Missouri and the Construction Plans and all construction practices and procedures with respect to the Work shall be in conformity with all applicable state and local laws, ordinances and regulations. During the progress of the Work, the Developer may make such reasonable changes, including without limitation modification of the construction schedule, subject to the provisions of **Section 3.4**, including but not limited to, dates of commencement, modification of the areas in which the Work is to be performed, relocation, expansion or deletion of items, revisions to the areas and scope of Work, and any and all such other changes as site conditions or orderly development may dictate or as may be necessary or desirable, in the sole determination of the Developer, to enhance the economic viability of the Redevelopment Project and as may be in furtherance of the general objectives of the Redevelopment Plan; provided that (a) the Developer shall comply with all laws, regulations and ordinances of the City and (b) prior to any material changes, the Developer shall obtain the advance written consent of the St. Louis Development Corporation, which consent shall not be unreasonably withheld or delayed. For purposes of this **Section 3.6**, "material changes" shall mean any change that could reasonably be expected to result in a decrease in the aggregate amount of TIF Revenues generated within the Redevelopment Area to an amount less than 90% of the aggregate amount of TIF Revenues as projected in the Redevelopment Plan.

3.7 Certificate of Commencement of Construction. Promptly after commencement of construction of the Work, the Developer shall furnish to the St. Louis Development Corporation, with a copy to the Comptroller, a Certificate of Commencement of Construction, which certificate shall be in the form of **Exhibit C** attached hereto and incorporated herein by reference. The Certificate of Commencement of Construction shall be deemed accepted by the St. Louis Development Corporation upon receipt of the same.

3.8 Certificate of Substantial Completion. Promptly after substantial completion of the Work, the Developer shall furnish to the City and the St. Louis Development Corporation a Certificate of Substantial Completion. The Mayor or his designee and the St. Louis Development Corporation shall, within thirty (30) days following delivery of the Certificate of Substantial Completion, carry out such inspections as it deems necessary to verify to its reasonable satisfaction the accuracy of the certifications contained in the Certificate of Substantial Completion. The Certificate of Substantial Completion shall be deemed accepted by the City and the St. Louis Development Corporation unless, within thirty (30) days following delivery of the Certificate of Substantial Completion, the Mayor or his designee or St. Louis Development Corporation furnishes the Developer with specific written objections to the status of the Work, describing such objections and the measures required to correct such objections in reasonable detail. In the case where the Mayor or his designee or St. Louis Development Corporation, within thirty (30) days following delivery of the Certificate of Substantial Completion for the Developer with specific written objections to the status of the Work, the Developer shall have such amount of time as is reasonably necessary to address such objections and when addressed shall re-submit the Certificate of Substantial Completion to the Mayor or his designee or the St. Louis Development Corporation in accordance with this Section. Upon acceptance of the Certificate of Substantial Completion by the Mayor or his designee and the St. Louis Development Corporation or upon the lapse of thirty (30) days after delivery thereof to the Mayor or his designee and the St. Louis Development Corporation without any written objections thereto, the Developer may record the Certificate of Substantial Completion with the City's Recorder of Deeds, and the same shall constitute evidence of the satisfaction of the Developer's agreements and covenants to perform all Work. The Certificate of Substantial Completion shall be in substantially the form attached as **Exhibit E**, attached hereto and incorporated by referenced herein.

ARTICLE IV REIMBURSEMENT OF DEVELOPER COSTS

4.1 City's Obligation to Reimburse Developer. The City agrees to reimburse Developer for the verified Reimbursable Redevelopment Project Costs in an amount not to exceed Nine Hundred Twenty Five Thousand Dollars (\$925,000) plus Issuance Costs. Subject to the terms of the Note Ordinance and this Agreement, the City agrees to issue TIF Obligations to the Note Purchaser to evidence the City's obligation to reimburse Developer for verified Reimbursable Redevelopment Project Costs in an amount not to exceed Nine Hundred Twenty Five Thousand Dollars (\$925,000), plus Issuance Costs and interest as provided in **Section 5.2** of this Agreement, subject to the limitations of **Article IV** of this Agreement.

4.2 Reimbursements Limited to Reimbursable Redevelopment Project Costs; Developer's Right to Substitute. Nothing in this Agreement shall obligate the City to issue TIF Obligations or to reimburse the Developer for any cost that is not incurred pursuant to Section 99.820.1 of the TIF Act or that does not qualify as a "redevelopment project cost" under Section 99.805(14) of the TIF Act. The Developer shall provide to the City (a) itemized invoices, receipts or other information evidencing such costs; and (b) a Certificate of Reimbursable Redevelopment Project Costs constituting certification by the Developer that such cost is eligible for reimbursement under the TIF Act. Within thirty (30) days of the City's receipt from the Developer of a Certificate of Reimbursable Redevelopment Project Costs, the City shall review and act upon such Certificate of Reimbursable Redevelopment Project Costs. The parties agree that each of the categories of costs set forth in **Exhibit B**, attached hereto and incorporated herein by this reference, shall constitute Reimbursable Redevelopment Project Costs which are eligible for reimbursement in accordance with the TIF Act and this Agreement. The Developer shall be entitled to reimbursement for Redevelopment Project Costs from any

of the categories set forth in **Exhibit B** up to the maximum aggregate amount established in **Section 4.1** of this Agreement; provided that the Developer shall be obligated to advance to the City the full amounts identified in **Section 2.2, clauses (i)-(v)**, of this Agreement. If the City determines that any cost identified as a Reimbursable Redevelopment Project Cost is not a "redevelopment project cost" under Section 99.805(14) of the TIF Act, the City shall so notify the Developer in writing within the 30-day period referenced in this **Section 4.2**, identifying the ineligible cost and the basis for determining the cost to be ineligible, whereupon the Developer shall have the right to identify and substitute other Redevelopment Project Costs as Reimbursable Redevelopment Project Costs with a supplemental application for payment. If the City fails to approve or disapprove any Certificate of Reimbursable Redevelopment Project Costs within thirty (30) days after receipt thereof, the Certificate of Reimbursable Redevelopment Project Costs shall be deemed approved.

4.3 Cost Savings and Excess Profits. Within one hundred eighty (180) days after the submission of the Certificate of Substantial Completion by Developer as contemplated in Section 3.8 of this Agreement, Developer also shall furnish to the St. Louis Development Corporation ("SLDC") for the SLDC's review and approval, (a) a statement of Verified Total Project Costs, with evidence of billings and payments for each expenditure, including itemized invoices, receipts, and pay applications; and (b) a statement of each and every Post-Completion Funding Source for the Redevelopment Project, which shall include (i) documentation from accountants, tax credit authorities and tax credit purchasers evidencing the total amount of tax credits approved for the project and the amount of proceeds available to the Developer from the sale of such tax credits; (ii) Three Hundred Ten Thousand Dollars and no/100 (\$310,000.00) (the amount of Developer equity in the Redevelopment Project as identified in the Redevelopment Proposal); and (iii) statements from each and every lender for the project as to the amount of amortizing debt financing that will be available to the project upon commencement of operations. Developer shall not include developer fees or consultant fees for any service typically performed by the developer in the Verified Total Project Costs. With respect to any other costs for any services provided by the Developer or any entity related to Developer, the amount of such costs shall not exceed the amount set forth in the Redevelopment Plan for such services. Moreover, if any of the owners, officers, principals or members of the construction contractor for the Redevelopment Project are the same as any owner, officer, principal or member of Developer or general partner in the owner of the development, amounts allowed for aggregate contractor fees shall not exceed eighteen percent (18%) of construction costs as provided for in the Missouri Housing Development Commission's 2005 Qualified Allocation Plan for the Low Income Housing Tax Credit Program, and Developer shall include documentation, including detailed invoices and receipts for payment, for each and every item of costs traceable to third parties with no relationship to Developer, in addition to summary pay applications submitted to Developer by the construction contractor. Developer shall also submit a signed certification as to the accuracy and completeness of the statements with the statements. With respect to all statements of Verified Total Project Costs and Post-Completion Funding Sources submitted by the Developer, the SLDC shall, in writing communicate its approval or disapproval of the items contained in each statement within forty-five (45) days of the date when both such statements have been received by the SLDC; should the SLDC fail to communicate in writing any disapproval or approval within the forty-five (45) day period specified herein, such item(s) shall be deemed to have been approved by the SLDC. If the SLDC determines that any cost identified as a Verified Total Project Cost or the documentation of any Post-Completion Funding Source is incomplete and/or unacceptable under the terms of this Agreement, the SLDC shall so notify the Developer in writing within the 30-day period referenced in this Section 4.3, identifying the incomplete and/or unacceptable cost and the basis for determining the cost to be incomplete and/or unacceptable, whereupon the Developer shall have ten (10) working days to submit additional or supplemental information regarding such cost or funding source item. The SLDC shall review such information, if any, and render a final determination as to the SLDC-approved amount of the Verified Total Project Costs and Post-Completion Funding Sources within ten (10) working days following receipt.

To the extent that the sum of SLDC-approved Post-Completion Funding Sources exceeds the sum of (x) Verified Total Project Costs as approved by the City; and (y) four percent (4%) of the Acquisition Costs, as approved by the City; and (z) fifteen percent (15%) of all Verified Total Project Costs other than Acquisition Costs, Developer hereby agrees that the maximum amount of Reimbursable Redevelopment Project Costs for which the Developer shall be reimbursed by the City as provided for in Section 4.1 of this Agreement and the maximum amount of any TIF Note which shall be issued by the City in accordance with Section 5.2 of this Agreement shall be reduced by an amount equal to seventy-five percent (75%) of the total amount of such excess, as calculated by the City in accordance herewith. Developer agrees that the City may discharge any TIF Note already issued at the time of such calculation in an amount equal to seventy-five percent (75%) of the total excess, as calculated by the SLDC in accordance herewith. The City shall provide in writing to Developer a statement of any reduction of any TIF Note as provided for in accordance with this subsection within the time frames specified in this subsection, or, in the alternative, a written statement representing that no such reduction will be made to any TIF Note. Should the City fail to provide Developer with written notice of such reduction within the time frames provided for in this subsection, no further reduction in the amount of any TIF Note shall be made under this subsection.

4.4 City's Obligations Limited to Special Allocation Fund and Bond Proceeds. Notwithstanding any other term or provision of this Agreement, TIF Notes issued by the City to the Developer for Reimbursable Redevelopment Project Costs are payable only from the Special Allocation Fund and from Bond Proceeds, if any, and from no other source. The City has not pledged its full faith and credit relative to the City's obligation to issue the TIF Obligations or to pay any Reimbursable Redevelopment Project Costs. The TIF Obligations shall be special, limited obligations of the City, and shall not constitute debt to the City within any constitutional or statutory meaning of the word "debt."

ARTICLE V TIF OBLIGATIONS

5.1 Conditions Precedent to the Issuance of TIF Notes. No TIF Obligations shall be issued until such time as the City has received (i) a Certificate of Substantial Completion; and (ii) a Certificate of Reimbursable Redevelopment Project Costs in substantially the form of **Exhibit D**, attached hereto and incorporated herein by reference; (iii) a Notice to Issue TIF Notes in substantially the form of **Exhibit H**, attached hereto and incorporated herein by reference; (iv) an opinion of Bond Counsel regarding

the taxable nature of the TIF Notes; (v) the full payment of all advances required to be paid under **Section 2.2** of this Agreement; and (vi) such other documentation as the City shall reasonably require of Developer in order for the City to obtain an opinion of Bond Counsel as required by this **Section 5.1**

5.2 Issuance of TIF Notes. Within ten (10) business days of Developer's satisfaction of the conditions of **Section 5.1** of this Agreement, the City agrees to issue one or more TIF Notes as provided in the Note Ordinance to the Note Purchaser to reimburse the Developer for Reimbursable Redevelopment Project Costs up to the maximum amount established in **Section 4.1** of this Agreement, subject to the limitations of **Article IV** of this Agreement. The TIF Notes shall be in a form substantially similar to **Exhibit F**, attached hereto and incorporated herein by reference.

5.2.1 Terms. Each TIF Note shall bear simple interest at a fixed rate per annum equal to (i) seven percent (7%) if the interest on such TIF Note, in the opinion of Bond Counsel, is not exempt from Federal income taxation; or (ii) five and one-half percent (5½%) if the interest on such TIF Note, in the opinion of Bond Counsel, is exempt from Federal income taxation. All TIF Notes shall have a stated maturity of the Maturity Date

5.2.2 Procedures for Issuance of TIF Notes to Third Party Note Purchaser. In the event that the Notice to Issue TIF Notes directs the City to issue a TIF Note to an Approved Investor other than Developer, then, within ten (10) business days of Developer's satisfaction of the conditions of **Section 5.1** of this Agreement, the Comptroller shall:

- (i) forward the approved Certificate of Reimbursable Redevelopment Project Costs to the Note Purchaser with directions to the Note Purchaser to remit to the City the purchase price of the TIF Note to be issued by the City in the amount set forth in the approved Certificate of Reimbursable Redevelopment Project Costs; and
- (ii) disburse such purchase price of such TIF Note to Developer not later than two (2) business days after the City receives the purchase price for such TIF Note from the Note Purchaser.

Notwithstanding anything contained in this Agreement to the contrary, upon the acceptance by the City of a Certificate of Reimbursable Redevelopment Project Costs and the issuance by the City of a TIF Note as provided in this **Section 5.2.2**, to the extent the Note Purchaser is the Developer, the Developer shall be deemed to have advanced funds necessary to purchase such TIF Note and the City shall be deemed to have deposited such funds in the Project Fund and shall be deemed to have reimbursed the Developer in full for such costs from the amounts deemed to be on deposit in the Project Fund from time to time.

Upon the City's completion of the procedure outlined in this **Section 5.2.2**, the City shall have fully discharged its obligation to reimburse the Developer for Reimbursable Redevelopment Project Costs pursuant to **Section 4.1** of this Agreement.

5.2.3 Indemnification. In addition to, and not in lieu of, the respective indemnifications set forth in **Section 7.16** of this Agreement, the Developer does hereby agree that the City shall not be liable for, and the Developer agrees to release, indemnify, defend and save the City, Comptroller and their respective officials, directors, officers, agents and employees harmless against and from any and all liabilities, losses, damages, claims, causes of action, suits, costs and expense (including attorneys' fees), demands and judgments by or arising from the City's obligations outlined in **Section 5.2.2**.

5.2.4 Special Mandatory Redemption of TIF Notes. All TIF Notes are subject to special mandatory redemption by the City, in whole at any time or in part on each March 1 and September 1 occurring after the acceptance by the City of the Certificate of Substantial Completion at a redemption price equal to 100% of the principal amount being redeemed, together with the accrued interest thereon to the date fixed for redemption.

5.3 Issuance of TIF Bonds.

5.3.1 The City may, in its sole and absolute discretion, issue, or cause to be issued, TIF Bonds at any time in an amount sufficient to refund all or a portion of the outstanding TIF Notes.

5.3.2 Upon receipt of a written request by Developer and upon the City's underwriter's recommendation in favor of issuing TIF Bonds and recommendation of the principal amount thereof based on the criteria set forth below, the City shall immediately proceed to issue, or cause to be issued, TIF Bonds as described in this Section. The aggregate gross cash proceeds from the sale of the TIF Bonds before payment of Issuance Costs, together with any interest accrued thereon ("Bond Proceeds") of such TIF Bonds will be finally determined by the City after receiving the underwriter's recommendation based on the criteria set forth below. The City shall not be obligated to issue or cause to be issued such TIF Bonds unless the underwriter determines that all of the following criteria are satisfied as of the date of issuance of such bonds, unless such criteria are waived by the City's underwriter. Developer shall not have any liability for any costs associated with the issuance of TIF Bonds but shall bear its own costs and expenses, including any attorneys' fees and expenses, that Developer may incur in complying with this Section. Notwithstanding anything in this Section to the contrary, Developer shall be liable for all costs incurred by the City in the event the Developer has requested the issuance of bonds and the City's underwriter has determined that such bonds cannot be issued at such time.

5.3.2.1 Criteria for Issuance. The underwriter's recommendation for issuance of TIF Bonds and the principal amount thereof shall be based on the following criteria:

- (i) Acceptance by the City of the Certificate of Substantial Completion;
- (ii) Review of projections of TIF Revenues available for debt service as proposed by an independent qualified consultant. Such projections must show that (A) if all available TIF Revenues were to be applied to the immediate repayment of the TIF Bonds, the TIF Bonds would reasonably be anticipated to be retired within twenty-three years from the date of adoption of the Approving Ordinance, and (B) based on a maturity date twenty-three years from the date of adoption of the Approving Ordinance, the TIF Bonds are reasonably likely to achieve debt service coverage ratio reasonably acceptable to the City's underwriter; and
- (iii) Developer's documentation of stabilization of the Redevelopment Project for a minimum period of two years after substantial completion as evidenced in a report to the City prepared by a qualified independent consultant to be paid for by the City, which report also sets forth TIF revenue projections for the Redevelopment Project in connection with the issuance of the TIF Bonds; and
- (iv) The net average annual debt service on the TIF Bonds (taking into account the principal portion of the TIF Bonds that are issued to establish a reserve fund and to pay Issuance Costs, and including any reserve fund earnings) will be lower than the average annual debt service on the outstanding TIF Notes, unless the Developer voluntarily elects to defer or forgive principal of and/or interest on the TIF Notes in an amount necessary to make the net average annual debt service on the TIF Bonds lower than the net average annual debt service on the outstanding TIF Notes.

5.4 Application of TIF Bond Proceeds. Proceeds of any TIF Bonds shall be applied:

5.4.1 To the payment of costs relating to the issuance of the TIF Bonds;

5.4.2 To the payment of outstanding principal of and interest on the TIF Notes to be refunded;

5.4.3 To the payment of capitalized interest on the TIF Bonds; and

5.4.4 To the establishment of a debt service reserve fund for the TIF Bonds in a reasonable amount of the principal amount of TIF Bonds to be issued, as to be determined by the City's underwriter.

5.5 Cooperation in the Issuance of TIF Obligations. Developer covenants to cooperate and take all reasonable actions necessary to assist the City and its Bond Counsel, underwriters and financial advisors in the preparation of offering statements, private placement memorandum or other disclosure documents and all other documents necessary to market and sell the TIF Obligations, including disclosure of tenants of the Redevelopment Area and the non-financial terms of the leases between Developer and such tenants. Developer will not be required to disclose to the general public or any investor any proprietary or confidential information, including financial information, pertaining to Developer, but upon the execution of a confidentiality agreement acceptable to Developer, Developer will provide such information to the City's financial advisors, underwriters and their counsel to enable such parties to satisfy their due diligence obligations. Developer shall make such compliance obligation a covenant running with the land, enforceable as if any subsequent transferee thereof were originally a party to and bound by this Agreement.

5.6 City to Select Underwriter and Financial Advisor; Term and Interest Rate. The City shall have the right to select the designated underwriter (and such financial advisors and consultants as the underwriter and the City deem necessary for the issuance of the TIF Bonds) and underwriter's counsel. The final maturity of the TIF Bonds shall not exceed the maximum term permissible under the TIF Act. The TIF Bonds shall bear interest at such rates, shall be subject to redemption and shall have such terms as the City shall determine in its sole discretion.

ARTICLE VI SPECIAL ALLOCATION FUND; COLLECTION AND USE OF TIF REVENUES

6.1 Creation of Special Allocation Fund. The City agrees to cause its Comptroller or other financial officer to maintain the Special Allocation Fund, including a "PILOTs Account" and an "EATs Account," and such further accounts or sub-accounts as are required by this Agreement or as the Comptroller may deem appropriate in connection with the administration of the Special Allocation Fund pursuant to this Agreement. Subject to the requirements of the TIF Act and, with respect to Economic Activity Taxes, subject to annual appropriation by the Board of Aldermen, the City will promptly upon receipt thereof deposit all Payments in Lieu of Taxes into the PILOTs Account and all Economic Activity Taxes into the EATs Account.

6.2 Certification of Base for PILOTS and EATS.

6.2.1 Upon the reasonable written request of the City, Developer shall use its best efforts to provide or cause

to be provided to the Comptroller or its authorized representative any documents necessary for the City to calculate the base for PILOTs and EATs including, but not limited to: (i) the address and locator number of all parcels of real property located within the Redevelopment Area; and (ii) information related to payment of utility taxes by any businesses, owners or other occupants of the Redevelopment Area in the calendar year ending December 31, 2003.

6.2.2 Within ninety (90) days after execution of the Redevelopment Agreement, the City shall provide to the Developer a true, correct and complete copy of the City Assessor's calculation of the total initial equalized assessed valuation of the taxable real property within the Redevelopment Area based upon the most recently ascertained equalized assessed value of each taxable lot, block, tract, or parcel of real property within the Redevelopment Area; and (ii) a certification of the amount of revenue from taxes, penalties and interest which are imposed by the City and other taxing districts and which are generated by economic activities within the Redevelopment Area for the calendar year ending December 31, 2003, but excluding those personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to Section 70.500 of the Revised Statutes of Missouri, taxes levied for the purpose of public transportation, or licenses, fees or special assessments identified as excluded in Section 99.845.3 of the TIF Act.

6.3 Application of Available Revenues. The City hereby agrees for the term of this Agreement to apply the Available Revenues and any taxes, fees or assessments subsequently enacted and imposed in substitution therefor and allocable to the Special Allocation Fund under the TIF Act or this Agreement to the repayment of TIF Notes issued under **Article V** of this Agreement as provided in the Note Ordinance and this Agreement. As long as any TIF Notes are outstanding, Available Revenues shall be applied to such payment each March 1 and September 1 (each, a "Payment Date") occurring after acceptance by the City of the Certificate of Substantial Completion (either by the Comptroller or other financial officer or, at the option of the City, by the Trustee on behalf of the City), first from the EATS Sub-Account and then from the PILOTS Sub-Account of the Revenue Fund as established by the Note Ordinance as follows:

6.3.1 to the Comptroller of the City and the St. Louis Development Corporation, an amount equal to the lesser of i) One Thousand Eight Hundred Eighty Dollars and no/100 (\$1,880.00), or ii) 0.2% of the Notes outstanding on each Payment Date, plus any accumulated deficiency from previous years, plus an amount sufficient to pay all or any portion of the fees and expenses incurred by the City pursuant to **Section 7.15** of this Agreement that have not otherwise been reimbursed to the City through the issuance of TIF Notes purchased by the Note Purchaser;

6.3.2 an amount sufficient to pay all or any portion of the past due interest owing as a result of prior deficiencies of moneys to pay interest due on any TIF Notes on each Payment Date;

6.3.3 an amount sufficient to pay all or any portion of the accrued interest becoming due and payable on any TIF Notes on each Payment Date;

6.3.4 an amount sufficient to pay the principal of any TIF Notes that are subject to redemption pursuant to the Note Ordinance on each Payment Date;

6.3.5 all other remaining money in the Special Allocation Fund shall annually be declared as surplus and distributed in the manner provided in the TIF Act.

Upon the payment in full of the principal of and interest on all TIF Notes (or provision has been made for the payment thereof as specified in the Note Ordinance), payment in full of the fees and expenses of the Comptroller and the St. Louis Development Corporation, and payment in full of any other amounts required to be paid under the Note Ordinance, all amounts remaining on deposit in the Revenue Fund shall be declared as surplus and distributed in the manner provided in the Act.

If monies available in Special Allocation Fund are insufficient to reimburse the City or the Developer as provided above on any Payment Date, then the unpaid portion shall be carried forward to the next Payment Date, with interest thereon.

The City agrees that the officer of the City at any time charged with the responsibility of formulating budget proposals will be directed to include in the budget proposal submitted to the Board of Aldermen, for each fiscal year that TIF Obligations are outstanding, a request for an appropriation of all Available Revenues on deposit in the Special Allocation Fund for application to the payment of the principal of (including, but not limited to, payment of a premium, if any) and interest on the TIF Obligations.

6.4 Cooperation in Determining TIF Revenues. The City and the Developer agree to cooperate and take all reasonable actions necessary to cause the TIF Revenues to be paid into the Special Allocation Fund, including, but not limited to, the City's enforcement and collection of all such payments through all reasonable and ordinary legal means of enforcement. The Developer (or its successor(s) in interest as an owner or owner(s) of the affected portion(s) of the Property) shall require each "seller" (as that term is defined in Section 144.010(11) of the Missouri Revised Statutes, as amended) located in, or owner of any portion of, the Property to provide to the Comptroller of the City the following information:

6.4.1 Each "seller's" federal and state tax identification numbers.

6.4.2 Within thirty (30) days of the end of each calendar quarter, copies of a completed Tax Increment Financing District Quarterly Information Form for each "seller's" business located within the Redevelopment Area along with:

6.4.2.1 copies of all sales tax returns filed with the Missouri Department of Revenue (on Form 53-S.F. Missouri Department of Revenue or such successor form) with respect to the sales taxes originating from businesses located within the Redevelopment Area for such quarter. In the event that a “seller” has multiple business operations within the City, such “seller” shall file separate sales tax returns for the sales taxes originating from the business located within the Redevelopment Area.

6.4.2.2 copies of all earnings tax returns filed with the City (on Business Return Form 234 or such successor form) with respect to earnings taxes originating from the business located within the Redevelopment Area for such quarter. In the event that a business has multiple operations within the City, such business shall file separate earnings tax returns for the earnings taxes originating from the business located within the Redevelopment Area.

6.4.2.3 copies of all earnings tax withholding reports filed with the City (on Form W-10 or such successor form) with respect to earnings tax withholdings originating from the business located within the Redevelopment Area for such quarter. In the event that a business has multiple operations within the City, such business shall file separate earnings tax withholding reports for the earnings tax withholdings originating from the business located within the Redevelopment Area.

6.4.2.4 Within thirty (30) days of receipt, copies of monthly invoices received for utility services provided to the property on which the business within Redevelopment Area is located, including without limitation electric, water, natural gas, and telephone services, for such quarter.

The Developer (or its successor(s) in interest as an owner or owner(s) of any portion(s) of the Property) shall also request any purchaser or transferee of real property and any lessee or other user of real property located within the Redevelopment Area to designate sales subject to sales taxes pursuant to Chapter 144 of the Revised Statutes of Missouri, as amended, to be reported as originating from the Redevelopment Area to the fullest extent permitted by law (including reasonable efforts to negotiate for the inclusion of a clause so providing in the leases of the Property).

The Developer shall satisfy the requirements of this **Section 6.4** by including the obligations set forth in this Section within any deed conveying a portion of the Property to or any lease entered into with any “seller” or purchaser.

6.5 Obligation to Report TIF Revenues. The Developer shall cause any purchaser or transferee of real property located within the Property, and any lessee or other user of real property located within the Property required to pay TIF Revenues, shall use all reasonable efforts to timely fulfill such obligations as are required by **Section 6.4** of this Agreement. So long as any of the TIF Obligations are outstanding, the Developer shall cause such obligations to be covenants running with the land, which covenants shall be enforceable as if such purchaser, transferee, lessee or other user of such real property were originally a party to and bound by this Agreement.

6.6 Notice to City of Transfer. The Developer agrees to notify the City in writing of any sale, transfer or other disposition of the Property or any interest therein as permitted by Section 7.3.2 of this Agreement at least fifteen (15) days prior to such sale, transfer or other disposition. Said notice shall specify the name and address of the person so acquiring any or all of the Property or any interest therein and shall identify the Property to be sold, transferred or otherwise disposed, whether by voluntary transfer or otherwise. Notwithstanding the foregoing, Developer shall not be required to notify the City of the sale, lease or transfer of a residential unit in the ordinary course of business except as required by **Section 4.3**.

ARTICLE VII GENERAL PROVISIONS

7.1 Developer’s Right of Termination. At any time prior to the delivery of the Certificate of Substantial Completion, the Developer may, by giving written notice to the City, abandon the Redevelopment Project and terminate this Agreement and the Developer’s obligations hereunder if the Developer determines, in its sole discretion, that the Redevelopment Project is no longer economically feasible. Upon such termination, the City shall have no obligation to reimburse the Developer for any amounts advanced under this Agreement or costs otherwise incurred or paid by Developer.

7.2 City’s Right of Termination. The City may terminate this Agreement if the Developer fails to submit its Certificate of Substantial Completion, acceptable to the City, in accordance with **Section 3.8** of this Agreement and the schedule set forth in Section 3.4 of this Agreement. Upon termination of this Agreement for any reason, the City shall have no further obligation to reimburse the Developer for any amounts advanced under this Agreement or costs otherwise incurred or paid by Developer.

7.3 Successors and Assigns.

7.3.1 Binding Effect. This Agreement shall be binding on and shall inure to the benefit of the parties named herein and their respective heirs, administrators, executors, personal representatives, successors and assigns.

7.3.2 Assignment or Sale. Without limiting the generality of the foregoing, all or any part of the Property or any interest therein may be sold, transferred, encumbered, leased, or otherwise disposed of at any time, and the rights of the Developer named herein or any successors in interest under this Agreement or any part hereof may be assigned at any time before, during or after redevelopment of the Redevelopment Project, whereupon the party disposing of its interest

in the Property or assigning its interest under this Agreement shall be thereafter released from further obligation under this Agreement (although any such Property so disposed of or to which such interest pertains shall remain subject to the terms and conditions of this Agreement), *provided*, however, that until substantial completion of the Redevelopment Project, the fee title to the Property shall not be sold, transferred or otherwise disposed of and the rights, duties and obligations of the Developer under this Agreement shall not be assigned in whole or in part without the prior written approval of the City, which approval shall not be unreasonably withheld or delayed upon a reasonable demonstration by the Developer of the proposed transferee's or assignee's experience and financial capability to undertake and complete such portions of the Work and perform the Developer's obligations under this Agreement, all in accordance with this Agreement. Notwithstanding anything herein to the contrary, the City hereby approves, and no prior consent shall be required in connection with: (a) the right of the Developer to encumber or collaterally assign its interest in the Property or any portion thereof or its rights, duties and obligations under this Agreement to secure loans, advances or extensions of credit to finance or from time to time refinance all or any part of the Redevelopment Project Costs, or the right of the holder of any such encumbrance or transferee of any such collateral assignment (or trustee or agent on its behalf) to transfer such interest by foreclosure or transfer in lieu of foreclosure under such encumbrance or collateral assignment; (b) the right of Developer to assign the Developer's rights, duties and obligations under this Agreement to any party related to the Developer by one of the relationships described in Section 267(b) of the United States Internal Revenue Code of 1986, as amended; (c) the right of the Developer to sell or lease a residential unit in the ordinary course of business; provided that in each such event (i) the Developer named herein (Convention Plaza Apartments, LLC) shall remain liable hereunder for the substantial completion of the Redevelopment Project and shall be released from such liability hereunder only upon substantial completion of the Redevelopment Project and (ii) the Developer provides to the City fifteen (15) days' advance written notice of the proposed assignment or transfer other than of the sale or lease of a residential unit in the ordinary course of business which shall require no notice except as required by **Section 4.3**.

7.3.3 Assignment or Sale to Exempt Organization. Prior to any sale, transfer or other disposition of all or any portion of the Property or any interest therein to an organization exempt from payment of ad valorem property taxes, such organization shall be required to agree not to apply for an exemption from payment of such property taxes for a period ending on the earlier of the date that all TIF Obligations are paid in full or twenty-three (23) years from the date that the Approving Ordinance was adopted by the City. The Developer shall make this requirement a covenant running with the land, enforceable for such period as if such purchaser or other transferee or possessor thereof were originally a party to and bound by this Agreement.

7.4 Remedies. Except as otherwise provided in this Agreement and subject to the Developer's and the City's respective rights of termination, in the event of any default in or breach of any term or conditions of this Agreement by either party, or any successor, the defaulting or breaching party (or successor) shall, upon written notice from the other party specifying such default or breach, proceed immediately to cure or remedy such default or breach, and shall, in any event, within thirty (30) days after receipt of notice, cure or remedy such default or breach. In the event that the defaulting or breaching party (or successor) diligently and in good faith commences to cure or remedy such default or breach but is unable to cure or remedy such default or breach within thirty (30) days after receipt of notice, the defaulting or breaching party (or successor) shall, prior to the end of such thirty (30) days, provide notice to the other party that it has in good faith commenced to cure or remedy such default or breach, whereupon the defaulting or breaching party (or successor) shall have an additional thirty (30) days to cure or remedy such default or breach. In case such cure or remedy is not taken or not diligently pursued, or the default or breach shall not be cured or remedied prior to the end of the additional thirty (30) day period, the aggrieved party may institute such proceedings as may be necessary or desirable in its opinion to cure and remedy such default or breach, including without limitation proceedings to compel specific performance by the defaulting or breaching party.

7.5 Force Majeure. Neither the City nor the Developer nor any successor in interest shall be considered in breach or default of their respective obligations under this Agreement, and times for performance of obligations hereunder shall be extended (but with respect to the times for performance set out in **Section 3.4** of this Agreement, only to the extent provided therein and established thereunder) in the event of any delay caused by force majeure, including without limitation damage or destruction by fire or casualty; strike; lockout; civil disorder; war; restrictive government regulations; lack of issuance of any permits and/or legal authorization by the governmental entity necessary for the Developer to proceed with construction of the Work or any portion thereof; shortage or delay in shipment of material or fuel; acts of God; unusually adverse weather or wet soil conditions; or other like causes beyond the parties' reasonable control, including without limitation any litigation, court order or judgment resulting from any litigation affecting the validity of the Redevelopment Plan, the Redevelopment Project or the TIF Obligations or this Agreement; provided that such event of force majeure shall not be deemed to exist as to any matter initiated or sustained by the Developer in bad faith, and further provided that the Developer notifies the City in writing within thirty (30) days of the commencement of such claimed event of force majeure.

7.6 Notices. All notices, demands, consents, approvals and other communications required by this Agreement to be given by either party hereunder shall be in writing and shall be hand delivered or sent by United States first class mail, postage prepaid, addressed to the appropriate party at its address set forth below, or at such other address as such party shall have last designated by notice to the other. Notices, demands, consents, approvals, and other communications shall be deemed given when delivered or three days after mailing; provided, however, that if any such notice or other communication shall also be sent by telecopy or fax machine, such notice shall be deemed given at the time and on the date of machine transmittal if the sending party receives a written send verification on its machines and forwards a copy thereof with its mailed or courier delivered notice or communication.

7.7 Conflict of Interest. No member of the Board of Aldermen, the TIF Commission, or any branch of the City's government who has any power of review or approval of any of the Developer's undertakings, or of the City's contracting for goods or services for the Redevelopment Area, shall participate in any decisions relating thereto which affect that member's personal interests or the interests of any corporation or partnership in which that member is directly or indirectly interested. Any person having such interest shall immediately, upon knowledge of such possible conflict, disclose, in writing, to the Board of Aldermen the nature of such interest and seek a determination by the Board of Aldermen with respect to such interest and, in the meantime, shall not participate in any actions or discussions relating to the activities herein proscribed.

7.8 Damage or Destruction of Redevelopment Project. In the event of total destruction or damage to the

Redevelopment Project by fire or other casualty, during construction or thereafter during the term of this Agreement so long as any TIF Notes are outstanding and the Developer owns the Property, the Developer shall determine and advise the City in writing within one year of such destruction or damage whether to restore, reconstruct and repair any such destruction or damage so that the Redevelopment Project will be completed or rebuilt in accordance with the Redevelopment Plan and this Agreement. Should the Developer determine not to restore, reconstruct and repair, all unaccrued liability of the City for any payments of principal or interest on the TIF Notes shall immediately terminate and the Developer shall promptly surrender the TIF Notes to the City for cancellation. In the event of such total destruction or damage during the term of this Agreement and after any TIF Bonds are issued or the issuance of a TIF Note to a Note Purchaser other than the Developer or a Related Entity, the Developer shall, at the City's option after consultation with the Developer, tender to the City that portion of the insurance proceeds, if any, to which Developer is entitled, from any fire or casualty insurance policy in an amount equal to the outstanding principal amount of the TIF Bonds or TIF Notes, plus accrued interest thereon to be deposited into the Special Allocation Fund.

7.9 Inspection. The City may conduct such periodic inspections of the Work as may be generally provided in the building code of the City. In addition, the Developer shall allow other authorized representatives of the City reasonable access to the Work site from time to time upon advance notice prior to the completion of the Work for inspection thereof. The Developer shall not unreasonably deny the City and its officers, employees, agents and independent contractors the right to inspect, upon request, all architectural, engineering, demolition, construction and other contracts and documents pertaining to the construction of the Work as the City determines is reasonable and necessary to verify the Developer's compliance with the terms of this Agreement.

7.10 Choice of Law. This Agreement shall be taken and deemed to have been fully executed, made by the parties in, and governed by the laws of State of Missouri for all purposes and intents.

7.11 Entire Agreement; Amendment. The parties agree that this Agreement constitutes the entire agreement between the parties and that no other agreements or representations other than those contained in this Agreement have been made by the parties. This Agreement shall be amended only in writing and effective when signed by the authorized agents of the parties.

7.12 Counterparts. This Agreement may be executed in multiple counterparts, each of which shall constitute one and the same instrument.

7.13 Severability. In the event any term or provision of this Agreement is held to be unenforceable by a court of competent jurisdiction, the remainder shall continue in full force and effect, to the extent the remainder can be given effect without the invalid provision.

7.14 Representatives Not Personally Liable. No elected or appointed official, agent, employee or representative of the City shall be personally liable to the Developer in the event of any default or breach by any party under this Agreement, or for any amount which may become due to any party or on any obligations under the terms of this Agreement.

7.15 Actions Contesting the Validity and Enforceability of the Redevelopment Plan. During such time as the Developer is the registered owner of the TIF Notes, in the event a third party brings an action against the City or the City's officials, agents, attorneys, employees or representatives contesting the validity or legality of the Redevelopment Area, the Redevelopment Plan, the TIF Obligations, or the ordinance approving this Agreement, Developer may, at its option, join the City in defense of such claim or action. The parties expressly agree that, so long as no conflicts of interest exist between them with regard to the handling of such litigation, the same attorney or attorneys may simultaneously represent the City and the Developer in any such proceeding. The Developer shall be responsible for all reasonable and necessary costs and expenses incurred by the City and by the Developer in connection with the defense of such claim or action, provided that if the City does not approve a settlement or compromise which the Developer would agree to, the Developer shall not be responsible for any costs or expenses incurred thereafter in the defense of such claim or action. All cost of any such defense, whether incurred by the City or the Developer, shall be deemed to be Reimbursable Redevelopment Project Costs and reimbursable from any amounts in the Special Allocation Fund, subject to **Article IV** of this Agreement.

7.16 Release and Indemnification. The indemnifications and covenants contained in this Section shall survive termination or expiration of this Agreement.

7.16.1 The City and its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable to the Developer for damages or otherwise in the event that all or any part of the TIF Act, or any ordinance adopted in connection with either the TIF Act, this Agreement or the Redevelopment Plan, is declared invalid or unconstitutional in whole or in part by the final (as to which all rights of appeal have expired or have been exhausted) judgment of any court of competent jurisdiction, and by reason thereof either the City is prevented from performing any of the covenants and agreements herein or the Developer is prevented from enjoying the rights and privileges hereof.

7.16.2 The Developer releases from and covenants and agrees that the City and its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable for, and agrees to indemnify and hold harmless the City, its governing body members, officers, agents, attorneys, employees and independent contractors against any and all claims, demands, liabilities and costs, including reasonable attorneys' fees, costs and expenses, arising from damage or injury, actual or claimed (excluding consequential and punitive damages), to persons or property occurring or allegedly occurring as a result of any negligent or malicious acts or omissions of the Developer, its governing body members, officers, agents, attorneys, employees and independent contractors, in connection with its or their activities

conducted pursuant to this Agreement.

7.16.3 The City and its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable for any damage or injury to the persons or property of the Developer or its officers, agents, employees, independent contractors or any other persons who may be about the Property or the Work except for matters arising out of the gross negligence or willful misconduct of the City and its governing body members, officers, agents, attorneys, employees and independent contractors.

7.16.4 All covenants, stipulations, promises, agreements and obligations of the City contained herein shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the City and not of any of its governing body members, officers, agents, attorneys, employees or independent contractors in their individual capacities.

7.16.5 No governing body members, officers, agents, attorneys, employees or independent contractors of the City shall be personally liable to the Developer (i) in the event of a default or breach by any party under this Agreement or (ii) for any amount or any TIF Obligations which may become due to any party under the terms of this Agreement.

7.16.6 The Developer releases from and covenants and agrees that the City, its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable for, and agrees to indemnify and hold the City, its governing body members, officers, agents, attorneys, employees and independent contractors, harmless from and against any and all third party suits, interest, claims and cost of reasonable attorneys fees incurred by any of them, resulting from, arising out of, or in any way connected with: (i) the enforcement of this Agreement, the validity of the TIF Obligations or the enforcement or validity of any other agreement or obligation made in connection therewith and their approvals (excluding opinions of counsel and of the City's financial advisors whenever such claim is based on such party's own negligence); (ii) the negligence or willful misconduct of the Developer or its officers, agents, employees or independent contractors in connection with the design, management, development, redevelopment and construction of the Work, or (iii) the compliance by the Developer with all applicable state, federal and local environmental laws, regulations and ordinances as applicable to the Property, to the extent such condition existed prior to the acquisition thereof by the Developer. The foregoing release and indemnification shall not apply in the case of such liability arising directly out of the negligence or malicious acts or omissions of the City or its governing body members, officers, agents, attorneys, employees and independent contractors in connection with its or their activities conducted pursuant to this Agreement or which arises out of matters undertaken by the City following termination of this Agreement as to the Redevelopment Project or any particular portion thereof.

7.17 Survival. Notwithstanding the expiration or termination or breach of this Agreement by either party, the agreements contained in **Section 2.2, clauses (iii)-(v), Article VI, Sections 7.10, 7.11, 7.12, 7.13, 7.14, 7.15, 7.16, 7.17 and Article VIII** of this Agreement shall, except as otherwise expressly set forth herein, survive such early expiration or early termination of this Agreement by either party.

7.18 Maintenance of the Property. The Developer shall remain in compliance with all provisions of the City's ordinances relating to maintenance and appearance of the Property during the construction of the Redevelopment Project or any portion thereof. Upon substantial completion of the Redevelopment Project and so long as any TIF Obligations are outstanding, the Developer or its successor(s) in interest, as owner or owners of the affected portion(s) of the Property, shall, during the remainder of the term of this Agreement (but subject to any delay caused by an event of force majeure as provided in **Section 7.5** of this Agreement), maintain or cause to be maintained the buildings and improvements within the Redevelopment Area which it owns in a good state of repair and attractiveness and in conformity with applicable state and local laws, ordinances and regulations. If there are separately-owned or ground leased parcels of real estate on the Property during the term of this Agreement, each owner or lessee as a successor in interest to the Developer shall maintain or cause to be maintained the buildings and improvements on its parcel in a good state of repair and attractiveness and in conformity with applicable state and local laws, ordinances and regulations.

7.19 Non-Discrimination. The Developer agrees that, during the term of this Agreement and as an independent covenant running with the land, there shall be no discrimination upon the basis of race, creed, color, national origin, sex, age, marital status or physical handicap in the sale, lease, rental, occupancy or use of any of the facilities under its control within the Redevelopment Area or any portion thereof and said covenant may be enforced by the City or the United States of America or any of their respective agencies. The Developer further agrees that a provision containing the covenants of this paragraph shall be included in all agreements pertaining to the lease or conveyance or transfer (by any means) of all or a portion of the Redevelopment Project and any of the facilities under its control in the Redevelopment Area. Except as provided in this Section, the Developer shall have no obligation to enforce the covenants made by any transferee or lessee, tenant, occupant or user of any of the facilities within the Redevelopment Area.

7.20 Fair Employment. Without limiting any of the foregoing, the Developer voluntarily agrees to observe the Equal Opportunity and Nondiscrimination Guidelines set forth as **Exhibit G**, attached hereto and incorporated herein by reference. By execution of this Agreement, the Developer certifies and agrees that it is under no contractual or other disability that would materially impair its ability to observe the Guidelines set forth as **Exhibit G**, attached hereto and incorporated herein by reference.

ARTICLE VIII REPRESENTATIONS OF THE PARTIES

Except as otherwise provided in Section 208 of the Note Ordinance with respect to mutilated, destroyed, lost or stolen TIF Notes, no principal on the TIF Notes is payable unless the Owner thereof has surrendered such TIF Notes at the office of the Finance Officer.

This TIF Note is one of an authorized series of fully registered Notes of the City designated "City of St. Louis, Missouri, [Taxable][Tax-Exempt] Tax Increment Revenue Notes (1300 Convention Plaza Redevelopment Project), Series 200__," issued in an aggregate principal amount of not to exceed \$925,000 plus Issuance Costs (the "Notes"). The TIF Notes are being issued for the purpose of paying a portion of the Redevelopment Project Costs in connection with the Redevelopment Plan, under the authority of and in full compliance with the Constitution and laws of the State of Missouri, including particularly the Real Property Tax Increment Allocation Redevelopment Act, Sections 99.800 to 99.865, of the Revised Statutes of Missouri (2000) (the "Act"), and pursuant to the Note Ordinance.

The TIF Notes and the interest thereon shall be special, limited obligations of the City payable solely from and secured as to the payment of principal and interest, by the Available Revenues and other moneys pledged thereto and held by the Finance Officer as provided herein. "Available Revenues" means all monies on deposit from time to time (including investment earnings thereon) in (a) the PILOTS Account; and (b) subject to annual appropriation, the EATS Account that have been appropriated to the repayment of the TIF Notes, excluding (i) any amount paid under protest until the protest is withdrawn or resolved against the taxpayer or (ii) any sum received by the City which is the subject of a suit or other claim communicated to the City which suit or claim challenges the collection of such sum.

The monies on deposit in the PILOTS Account of the Special Allocation Fund are those payments in lieu of taxes (as defined in Sections 99.805(10) and 99.845 of the Act) attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract or parcel of real property in the Redevelopment Area (as described in Exhibit A to the Note Ordinance) and any applicable penalty and interest over and above the initial equalized assessed value (as provided for by Section 99.855 of the Act) of such unit of property in the Redevelopment Area, as allocated and paid to the City's Treasurer by the City's Collector of Revenue who shall deposit such PILOTS into the Special Allocation Fund while tax increment financing remains in effect.

The monies on deposit in the EATs Account of the Special Allocation Fund are those amounts equal to fifty percent (50%) of the total additional revenues from taxes, penalties and interest which are imposed by the City or other taxing district (as that term is defined in Section 99.805(16) of the Act) and which are generated by economic activities within the Redevelopment Area over the amount of such taxes generated by economic activities within the Redevelopment Area in the calendar year ending December 31, 2003 (subject to annual appropriation by the City as provided in the Act), while tax increment financing remains in effect, but excluding personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, licenses, fees or special assessments other than payments in lieu of taxes and penalties and interest thereon, taxes levied pursuant to Section 70.500 of the Revised Statutes of Missouri (2000), and taxes levied for the purpose of public transportation pursuant to Section 94.660 of the Revised Statutes of Missouri (2000) all in accordance with Section 99.845.3 of the Act, as may be amended from time to time.

All TIF Notes shall be equally and ratably secured by Available Revenues. The TIF Notes shall be special, limited obligations of the City payable solely from and secured as to the payment of principal and interest by a pledge of the Available Revenues. The taxing power of the City is not pledged to the payment of the TIF Notes either as to principal or interest. The TIF Notes shall not be or constitute a general obligation of the City, nor shall they constitute an indebtedness of the City within the meaning of any constitutional, statutory or charter provision, limitation or restriction. **THE OBLIGATIONS OF THE CITY WITH RESPECT TO THE TIF NOTES SHALL TERMINATE ON THE FIRST TO OCCUR OF THE FULL PAYMENT AND DISCHARGE OF THE TIF NOTES OR THE MATURITY DATE (WHETHER OR NOT THE PRINCIPAL AMOUNT OR INTEREST HAS BEEN PAID IN FULL).**

Available Revenues shall be applied, first from the EATs Sub-Account and then from the PILOTS Sub-Account, to payments on this TIF Note as follows:

First, to the Comptroller of the City and the St. Louis Development Corporation, an amount equal to the lesser of i) One Thousand Eight Hundred Eighty Dollars and no/100 (\$1,880.00), or ii) 0.2% of the Notes outstanding on each Payment Date, plus any accumulated deficiency from previous years, plus an amount sufficient to pay all or any portion of the fees and expenses incurred by the City pursuant to **Section 7.15** of this Agreement that have not otherwise been reimbursed to the City through the issuance of TIF Notes purchased by the Note Purchaser;

Second, to the Debt Service Fund, an amount sufficient to pay all or any portion of the past due interest owing as a result of prior deficiencies of moneys to pay interest due on any TIF Notes on each Payment Date;

Third, to the Debt Service Fund, an amount sufficient to pay all or any portion of the accrued interest becoming due and payable on any TIF Notes on each Payment Date;

Fourth, to the Debt Service Fund, an amount sufficient to pay the principal of any TIF Notes that are subject to redemption pursuant to the Note Ordinance on each Payment Date; and

Fifth, all other remaining money in the Special Allocation Fund shall annually be declared as surplus and distributed in the manner provided in the TIF Act.

Upon the payment in full of the principal of and interest on the TIF Notes (or provision has been made for the payment thereof as specified in the Note Ordinance), payment in full of the fees and expenses of the Finance Officer and the St. Louis Development Corporation, and payment in full of any other amounts required to be paid under the Note Ordinance, all amounts remaining on deposit in the Revenue Fund and the Debt Service Fund shall be declared as surplus and distributed in the manner provided in the Act.

The City covenants that the officer of the City at any time charged with the responsibility of formulating budget proposals will be directed to include in the budget proposal submitted to the Board of Aldermen of the City for each fiscal year that the TIF Notes are outstanding a request for an appropriation of all moneys on deposit in the Special Allocation Fund for transfer to the Finance Officer for deposit at the times and in the manner provided in Section 403 of the Note Ordinance.

NOTWITHSTANDING ANY PROVISION HEREIN OR IN THE NOTE ORDINANCE TO THE CONTRARY,

THE TIF NOTES ARE SUBJECT TO CANCELLATION AND DISCHARGE BY THE CITY IN WHOLE OR IN PART WITHOUT PENALTY UNDER THE CONDITIONS SET FORTH IN SECTION 7.8 OF THE REDEVELOPMENT AGREEMENT.

The TIF Notes are subject to optional redemption by the City in whole at any time or in part on any Payment Date at a redemption price of 100% of the principal amount of the TIF Note to be redeemed, plus accrued interest thereon to the date fixed for redemption.

The TIF Notes are subject to special mandatory redemption by the City on each Payment Date, at a redemption price equal to 100% of the principal amount being redeemed, together with accrued interest thereon to the date fixed for redemption, in an amount equal to Available Revenues on deposit in the applicable accounts of the Special Allocation Fund and which are not required for the payment of accrued interest on such Payment Date.

The TIF Notes or portions of Notes to be redeemed shall become due and payable on the redemption date, at the redemption price therein specified, and from and after the redemption date (unless the City defaults in the payment of the redemption price) such TIF Notes or portion of TIF Notes shall cease to bear interest. Upon surrender of such TIF Notes for redemption in accordance with such notice, the redemption price of such TIF Notes shall be paid by the Finance Officer. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any TIF Note, there shall be prepared for the Registered Owner a new TIF Note or Notes of the same maturity in the amount of the unpaid principal as provided herein. All TIF Notes that have been redeemed shall be cancelled and destroyed by the Finance Officer as provided herein and shall not be reissued.

TIF Notes shall be redeemed only in the principal amount of One Thousand Dollars (\$1,000) or any integral multiple thereof. When less than all of the outstanding TIF Notes are to be redeemed and paid prior to maturity, such TIF Notes shall be selected by the Finance Officer in One Thousand Dollar (\$1,000) units of face value in such equitable manner as the Finance Officer may determine.

The TIF Notes are issuable in the form of fully registered Notes without coupons in minimum denominations of One Hundred Thousand Dollars (\$100,000) or any integral multiple \$1,000 in excess thereof, except with respect to the Notes issued upon acceptance by the City of the final Certificate of Reimbursable Redevelopment Project Costs, which Notes may be issued in any denomination, subject to the limitation on the aggregate Principal Amount.

This TIF Note may be transferred or exchanged as provided in the Note Ordinance only upon the Register, upon surrender of this TIF Note together with a written instrument of transfer satisfactory to the Finance Officer duly executed by the Registered Owner or the Registered Owner's duly authorized agent.

THE OWNER HEREOF EXPRESSLY AGREES, BY SUCH OWNER'S ACCEPTANCE HEREOF, THAT THE RIGHT TO PURCHASE, TRANSFER, ASSIGN OR NEGOTIATE THIS TIF NOTE SHALL BE LIMITED TO PURCHASE, TRANSFER, ASSIGNMENT OR NEGOTIATION TO APPROVED INVESTORS AND UPON THE EXECUTION BY THE PROPOSED PURCHASER OR TRANSFEREE OF AN INVESTMENT LETTER IN SUBSTANTIALLY THE FORM OF EXHIBIT C TO THE NOTE ORDINANCE, SIGNED BY THE PROPOSED PURCHASER OR TRANSFEREE, SHOWING THAT THE PROPOSED PURCHASER OR TRANSFEREE IS AN APPROVED INVESTOR. AN ORDINANCE DESIGNATING A PORTION OF THE CITY OF ST. LOUIS, MISSOURI, AS A REDEVELOPMENT AREA KNOWN AS THE BOTTLE DISTRICT REDEVELOPMENT AREA PURSUANT TO THE REAL PROPERTY TAX INCREMENT ALLOCATION REDEVELOPMENT ACT; APPROVING A REDEVELOPMENT PLAN AND A REDEVELOPMENT PROJECT WITH RESPECT THERETO; ADOPTING TAX INCREMENT FINANCING WITHIN THE REDEVELOPMENT AREA; MAKING FINDINGS WITH RESPECT THERETO; ESTABLISHING THE BOTTLE DISTRICT SPECIAL ALLOCATION FUND; AUTHORIZING CERTAIN ACTIONS BY CITY OFFICIALS; AND CONTAINING A SEVERABILITY CLAUSE.

WHEREAS, the City of St. Louis, Missouri (the "City"), is a body corporate and a political subdivision of the State of Missouri, duly created, organized and existing under and by virtue of its charter, the Constitution and laws of the State of Missouri; and

WHEREAS, on December 20, 1991, pursuant to Ordinance No. 62477, the Board of Aldermen of the City created the Tax Increment Financing Commission of the City of St. Louis, Missouri (the "TIF Commission"); and

WHEREAS, the TIF Commission is duly constituted according to the Real Property Tax Increment Allocation Redevelopment Act, Sections 99.800 to 99.865 of the Revised Statutes of Missouri (2000), as amended (the "TIF Act"), and is authorized to hold public hearings with respect to proposed redevelopment areas and redevelopment plans and to make recommendations thereon to the City; and

WHEREAS, staff and consultants of the City and BDP, L.L.C., a Missouri limited liability company (the "Developer"), prepared a plan for redevelopment titled "Redevelopment Plan – Bottle District Redevelopment Area," dated November 15, 2004 (the "Redevelopment Plan"), for a 25.6 acre area of land which includes thirty-six (36) parcels located in Downtown St. Louis and consisting of City Blocks 140, 141, 144, 145, 556w, 557, 581 and 583w (the "Redevelopment Area" or "Area"), which Redevelopment Area is more fully described in the Redevelopment Plan, attached hereto and incorporated herein as **Exhibit A**; and

WHEREAS, the Redevelopment Plan proposes to redevelop the Redevelopment Area by rehabilitating and renovating the Area into various mixed uses including without limitation, entertainment, residential, restaurants, commercial retail and other related uses, as set forth in the Redevelopment Plan (the "Redevelopment Project," or "TIF Project"); and

WHEREAS, on November 3, 2004, after all proper notice was given, the TIF Commission held a public hearing in conformance with the TIF Act and received comments from all interested persons and taxing districts relative to the Redevelopment Area, the Redevelopment Plan, and the Redevelopment Project; and

WHEREAS, on November 3, 2004, the TIF Commission found that completion of the Redevelopment Project would provide a substantial and significant public benefit through the preservation of historic structures, the strengthening of the employment and economic base of the City, increased property values and tax revenues, stabilization of the Redevelopment Area, and facilitation of economic stability for the City as a whole, and further found that without the assistance of tax increment financing in accordance with the TIF Act, the Redevelopment Project is not financially feasible and would not otherwise be completed; and

WHEREAS, on November 3, 2004, the TIF Commission voted to recommend that the Board of Aldermen adopt an ordinance in the form required by the Act: (i) approving the Redevelopment Plan, (ii) approving and designating the Redevelopment Area as a "redevelopment area" as provided in the Act, (iii) approving the Redevelopment Project as described within the Redevelopment Plan, and (iv) approving the issuance of tax increment financing revenue notes in the amount as specified in the Redevelopment Plan; and

WHEREAS, the Developer has demonstrated that the Redevelopment Project would not reasonably be anticipated to be developed without the adoption of tax increment financing and, therefore, redevelopment of the Redevelopment Area in accordance with the Redevelopment Plan is not feasible and would not otherwise be completed; and

WHEREAS, the Board of Aldermen has received the recommendations of the TIF Commission regarding the Redevelopment Area and the Redevelopment Plan and finds that it is desirable and in the best interests of the City to designate the Redevelopment Area as a "redevelopment area" as provided in the TIF Act, adopt the Redevelopment Plan and Redevelopment Project in order to encourage and facilitate the redevelopment of the Redevelopment Area; and

WHEREAS, the Redevelopment Area qualifies for the use of tax increment financing to alleviate the conditions that qualify it as a "blighted area" as provided in the TIF Act and as set forth herein; and

WHEREAS, it is necessary and desirable and in the best interest of the City to adopt tax increment allocation financing within the Redevelopment Area and to establish a special allocation fund for the Redevelopment Area in order to provide for the promotion of the general welfare through redevelopment of the Redevelopment Area in accordance with the Redevelopment Plan which redevelopment includes, but is not limited to, assistance in the physical, economic, and social development of the City of St. Louis, providing for a stabilized population and plan for the optimal growth of the City of St. Louis, and in particular, the Downtown St. Louis area, encouragement of a sense of community identity, safety and civic pride, preservation and restoration of property of historical and architectural value and significance and the elimination of impediments to land disposition and development in the City of St. Louis.

BE IT ORDAINED BY THE CITY OF ST. LOUIS AS FOLLOWS:

SECTION ONE. The Board of Aldermen hereby makes the following findings:

A. The Redevelopment Area on the whole is a "blighted area", as defined in Section 99.805 of the TIF Act, and has not been subject to growth and development through investment by private enterprise and would not reasonably be anticipated to be developed without the adoption of tax increment financing. This finding includes, the Redevelopment Plan sets forth, and the Board of Aldermen hereby finds and adopts by reference: (i) a detailed description of the factors that qualify the Redevelopment Area as a "blighted area" and (ii) an affidavit, signed by the Developer and submitted with the Redevelopment Plan, attesting that the provisions of Section 99.810.1(1) of the TIF Act have been met, which description and affidavit are incorporated herein as if set forth herein.

B. The Redevelopment Plan conforms to the comprehensive plan for the development of the City as a whole.

C. In accordance with the TIF Act, the Redevelopment Plan states the estimated dates of completion of the Redevelopment Project and retirement of the financial obligations issued to pay for certain redevelopment project costs and these dates are twenty-three (23) years or less from the date of approval of the Redevelopment Project.

D. A plan has been developed for relocation assistance for businesses and residences in Ordinance No. 62481 adopted December 20, 1991.

E. A cost-benefit analysis showing the economic impact of the Redevelopment Plan on each taxing district which is at least partially within the boundaries of the Redevelopment Area is on file with the St. Louis Development Corporation, which cost-benefit analysis shows the impact on the economy if the Redevelopment Project is not built, and is built pursuant to the Redevelopment Plan.

F. Redevelopment of the Redevelopment Area in accordance with the Redevelopment Plan is not financially feasible without the assistance of tax increment financing and would not otherwise be completed.

G. The Redevelopment Plan does not include the initial development or redevelopment of any "gambling establishment" as that term is defined in Section 99.805(6) of the TIF Act.

H. The Redevelopment Area includes only those parcels of real property and improvements thereon directly and substantially benefited by the proposed Redevelopment Project.

SECTION TWO. The Redevelopment Area described in the Redevelopment Plan is hereby designated as a "redevelopment area" as defined in Section 99.805(11) of the TIF Act.

SECTION THREE. The Redevelopment Plan as reviewed and recommended by the TIF Commission on November 3, 2004, including amendments thereto, if any, and the Redevelopment Project described in the Redevelopment Plan are hereby adopted and approved. A copy of the Redevelopment Plan is attached hereto as Exhibit A and incorporated herein by reference.

SECTION FOUR. There is hereby created and ordered to be established within the treasury of the City a separate fund to be known as the "Bottle District Special Allocation Fund." To the extent permitted by law, the City hereby pledges funds in the Bottle District Special Allocation Fund for the payment of redevelopment project costs and obligations incurred in the payment thereof.

SECTION FIVE. Tax increment allocation financing is hereby adopted within the Redevelopment Area. After the total equalized assessed valuation of the taxable real property in the Redevelopment Area exceeds the certified total initial equalized assessed valuation of the taxable real property in the Redevelopment Area, the ad valorem taxes, and payments in lieu of taxes, if any, arising from the levies upon taxable real property in the Redevelopment Area by taxing districts and tax rates determined in the manner provided in Section 99.855.2 of the TIF Act each year after the effective date of this Ordinance until redevelopment costs have been paid shall be divided as follows:

A. That portion of taxes, penalties and interest levied upon each taxable lot, block, tract, or parcel of real property which is attributable to the initial equalized assessed value of each such taxable lot, block, tract, or parcel of real property in the area selected for the Redevelopment Project shall be allocated to and, when collected, shall be paid by the City Collector to the respective affected taxing districts in the manner required by law in the absence of the adoption of tax increment allocation financing;

B. Payments in lieu of taxes attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract, or parcel of real property in the area selected for the Redevelopment Project and any applicable penalty and interest over and above the initial equalized assessed value of each such unit of property in the area selected for the Redevelopment Project shall be allocated to and, when collected, shall be paid to the City Treasurer, who shall deposit such payment in lieu of taxes into the Bottle District Special Allocation Fund for the purpose of paying redevelopment costs and obligations incurred in the payment thereof. Payments in lieu of taxes which are due and owing shall constitute a lien against the real estate of the Redevelopment Project from which they are derived and shall be collected in the same manner as the real property tax, including the assessment of penalties and interest where applicable.

SECTION SIX. In addition to the payments in lieu of taxes described in Section Six of this Ordinance, fifty percent (50%) of the total additional revenue from taxes, penalties and interest which are imposed by the City or other taxing districts, and which are generated by economic activities within the area of the Redevelopment Project over the amount of such taxes generated by economic activities within the area of the Redevelopment Project in the calendar year prior to the adoption of the Redevelopment Project by ordinance, while tax increment financing remains in effect, but excluding personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to Section 70.500 of the Revised Statutes of Missouri (2000) as amended, or taxes levied for the purpose of public transportation pursuant to Section 94.660 of the Revised Statutes of Missouri (2000) as amended, licenses, fees or special assessments other than payments in lieu of taxes and penalties and interest thereon, shall be allocated to, and paid by the collecting officer to the City Treasurer or other designated financial officer of the City, who shall deposit such funds in a separate segregated account within the Bottle District Special Allocation Fund.

SECTION SEVEN. The Comptroller of the City is hereby authorized to enter into agreements or contracts with other taxing districts as is necessary to ensure the allocation and collection of the taxes and payments in lieu of taxes described in Sections Six and Seven of this Ordinance and the deposit of the said taxes or payments in lieu of taxes into the Bottle District Special Allocation Fund for the payment of redevelopment project costs and obligations incurred in the payment thereof, all in accordance with the TIF Act.

SECTION EIGHT. The City Register is hereby directed to submit a certified copy of this Ordinance to the City Assessor, who is directed to determine the total equalized assessed value of all taxable real property within the Redevelopment Area as of the date of this Ordinance, by adding together the most recently ascertained equalized assessed value of each taxable lot, block, tract or parcel of real property within the Redevelopment Area, and shall certify such amount as the total initial equalized assessed value of the taxable real property within the Redevelopment Area.

SECTION NINE. The Mayor and Comptroller of the City and all other officers, agents, representatives and employees of the City are hereby authorized to take any and all actions as may be deemed necessary, desirable, convenient or proper to carry out and comply with the intent of this Ordinance with regard to the implementation of the Redevelopment Plan and to execute and deliver for and on behalf of the City all certificates, instruments or other documents as may be necessary, desirable, convenient or proper to carry out the matters herein authorized.

SECTION TEN. The Mayor and the Comptroller or their designated representatives are hereby further authorized and directed to make any changes to the documents and instruments approved and authorized by this Ordinance as may be consistent with the intent of this Ordinance and necessary, desirable, convenient or proper in order to carry out the matters herein authorized.

SECTION ELEVEN. It is hereby declared to be the intention of the Board of Aldermen that each and every part, section and subsection of this Ordinance shall be separate and severable from each and every other part, section and subsection hereof and that the Board of Aldermen intends to adopt each said part, section and subsection separately and independently of any other part, section and subsection. In the event that any part, section or subsection of this Ordinance shall be determined to be or to have been unlawful or unconstitutional, the remaining parts, sections and subsections shall be and remain in full force and effect, unless the court making such finding shall determine that the valid portions standing alone are incomplete and are incapable of being executed in accord with the legislative intent.

SECTION TWELVE. After adoption of this Ordinance by the Board of Aldermen, this Ordinance shall become effective on the 30th day after its approval by the Mayor or adoption over his veto; provided that, if the Developer has not executed a redevelopment agreement pertaining to the Redevelopment Project within ninety (90) days after the effective date of this Ordinance, the provisions of this Ordinance shall be deemed null and void and of no effect and all rights conferred by this Ordinance on BDP, L.L.C. shall terminate, provided further, *however*, that prior to any such termination the Developer may seek an extension of time in which to execute the Redevelopment Agreement, which extension may be granted in the sole discretion of the Board of Estimate and Apportionment of the City of St. Louis.

AN ORDINANCE DESIGNATING A PORTION OF THE CITY OF ST. LOUIS, MISSOURI, AS A REDEVELOPMENT AREA KNOWN AS THE MISSISSIPPI PLACE REDEVELOPMENT AREA PURSUANT TO THE REAL PROPERTY TAX INCREMENT REDEVELOPMENT ACT; APPROVING A REDEVELOPMENT PLAN AND A REDEVELOPMENT PROJECT WITH RESPECT THERETO; ADOPTING TAX INCREMENT FINANCING WITHIN THE REDEVELOPMENT AREA; MAKING FINDINGS WITH RESPECT THERETO; ESTABLISHING THE MISSISSIPPI PLACE SPECIAL ALLOCATION FUND; AUTHORIZING CERTAIN ACTIONS BY CITY OFFICIALS; AND CONTAINING A SEVERABILITY CLAUSE.

WHEREAS, the City of St. Louis, Missouri (the "City"), is a body corporate and a political subdivision of the State of Missouri, duly created, organized and existing under and by virtue of its charter, the Constitution and laws of the State of Missouri; and

WHEREAS, on December 20, 1991, pursuant to Ordinance No. 62477, the Board of Aldermen of the City created the Tax Increment Financing Commission of the City of St. Louis, Missouri (the "TIF Commission"); and

WHEREAS, the TIF Commission is duly constituted according to the Real Property Tax Increment Allocation Redevelopment Act, Sections 99.800 to 99.865 of the Revised Statutes of Missouri (2000), as amended (the "TIF Act"), and is authorized to hold public hearings with respect to proposed redevelopment areas and redevelopment plans and to make recommendations thereon to the City; and

WHEREAS, staff and consultants of the City and Gilded Age Renovation, L.L.C., a Missouri limited liability company (the "Developer"), prepared a plan for redevelopment titled "Mississippi Place TIF Redevelopment Plan" dated September 1, 2004, as amended (the "Redevelopment Plan"), for an area which consists of three adjacent parcels located along Mississippi Avenue between Lafayette and Kennett Avenues in City Block 1805 in St. Louis (the "Redevelopment Area" or "Area"), which Redevelopment Area is more fully described in the Redevelopment Plan, attached hereto and incorporated herein as **Exhibit A**; and

WHEREAS, the Redevelopment Plan proposes to redevelop the Redevelopment Area by demolishing the existing structure in the Area and preparing the Area for construction of approximately 26,400 gross square feet of residential space and on-site parking, as set forth in the Redevelopment Plan (the "Redevelopment Project," or "TIF Project"); and

WHEREAS, on November 3, 2004, the TIF Commission found that completion of the Redevelopment Project would provide a substantial and significant public benefit through the strengthening of the employment and economic base of the City, increased property values and tax revenues, stabilization of the Redevelopment Area, and facilitation of economic stability for the City as a whole, and further found that without the assistance of tax increment financing in accordance with the TIF Act, the Redevelopment Project is not financially feasible and would not otherwise be completed; and

WHEREAS, on November 3, 2004, the TIF Commission voted to recommend that the Board of Aldermen adopt an ordinance in the form required by the Act (i) approving the Redevelopment Plan, (ii) approving and designating the Redevelopment Area as a "redevelopment area" as provided in the Act, (iii) approving the Redevelopment Project as described within the Redevelopment Plan, and (iv) approving the issuance of a tax increment financing revenue note in the amount as specified in the Redevelopment Plan; and

WHEREAS, the Developer has demonstrated that the Redevelopment Project would not reasonably be anticipated to be developed without the adoption of tax increment financing and, therefore, redevelopment of the Redevelopment Area in accordance

with the Redevelopment Plan is not feasible and would not otherwise be completed; and

WHEREAS, the Board of Aldermen has received the recommendations of the TIF Commission regarding the Redevelopment Area and the Redevelopment Plan and finds that it is desirable and in the best interests of the City to designate the Redevelopment Area as a “redevelopment area” as provided in the TIF Act, adopt the Redevelopment Plan and Redevelopment Project in order to encourage and facilitate the redevelopment of the Redevelopment Area; and

WHEREAS, the Redevelopment Area qualifies for the use of tax increment financing to alleviate the conditions that qualify it as a “blighted area” as provided in the TIF Act and as set forth herein; and

WHEREAS, it is necessary and desirable and in the best interest of the City to adopt tax increment allocation financing within the Redevelopment Area and to establish a special allocation fund for the Redevelopment Area in order to provide for the promotion of the general welfare through redevelopment of the Redevelopment Area in accordance with the Redevelopment Plan which redevelopment includes, but is not limited to, assistance in the physical, economic, and social development of the City of St. Louis, providing for a stabilized population and plan for the optimal growth of the City of St. Louis, and in particular, the Lafayette Square area, encouragement of a sense of community identity, safety and civic pride, preservation and restoration of property of historical and architectural value and significance and the elimination of impediments to land disposition and development in the City of St. Louis.

BE IT ORDAINED BY THE CITY OF ST. LOUIS AS FOLLOWS:

SECTION ONE. The Board of Aldermen hereby makes the following findings:

A. The Redevelopment Area on the whole is a “blighted area”, as defined in Section 99.805 of the TIF Act, and has not been subject to growth and development through investment by private enterprise and would not reasonably be anticipated to be developed without the adoption of tax increment financing. This finding includes, the Redevelopment Plan sets forth, and the Board of Aldermen hereby finds and adopts by reference: (i) a detailed description of the factors that qualify the Redevelopment Area as a “blighted area” and (ii) an affidavit, signed by the Developer and submitted with the Redevelopment Plan, attesting that the provisions of Section 99.810.1(1) of the TIF Act have been met, which description and affidavit are incorporated herein as if set forth herein.

B. The Redevelopment Plan conforms to the comprehensive plan for the development of the City as a whole.

C. In accordance with the TIF Act, the Redevelopment Plan states the estimated dates of completion of the Redevelopment Project and retirement of the financial obligations issued to pay for certain redevelopment project costs and these dates are twenty three (23) years or less from the date of approval of the Redevelopment Project.

D. A plan has been developed for relocation assistance for businesses and residences in Ordinance No. 62481 adopted December 20, 1991.

E. A cost-benefit analysis showing the economic impact of the Redevelopment Plan on each taxing district which is at least partially within the boundaries of the Redevelopment Area is on file with the St. Louis Development Corporation, which cost-benefit analysis shows the impact on the economy if the Redevelopment Project is not built, and is built pursuant to the Redevelopment Plan.

F. Redevelopment of the Redevelopment Area in accordance with the Redevelopment Plan is not financially feasible without the assistance of tax increment financing and would not otherwise be completed.

G. The Redevelopment Plan does not include the initial development or redevelopment of any “gambling establishment” as that term is defined in Section 99.805(6) of the TIF Act.

H. The Redevelopment Area includes only those parcels of real property and improvements thereon directly and substantially benefited by the proposed Redevelopment Project.

SECTION TWO. The Redevelopment Area described in the Redevelopment Plan is hereby designated as a “redevelopment area” as defined in Section 99.805(11) of the TIF Act.

SECTION THREE. The Redevelopment Plan as reviewed and recommended by the TIF Commission on November 3, 2004, including amendments thereto, if any, and the Redevelopment Project described in the Redevelopment Plan are hereby adopted and approved. A copy of the Redevelopment Plan is attached hereto as **Exhibit A** and incorporated herein by reference.

SECTION FOUR. There is hereby created and ordered to be established within the treasury of the City a separate fund to be known as the “Mississippi Place Special Allocation Fund.” To the extent permitted by law, the City hereby pledges funds in the Mississippi Place Special Allocation Fund for the payment of redevelopment project costs and obligations incurred in the payment thereof.

SECTION FIVE. Tax increment allocation financing is hereby adopted within the Redevelopment Area. After the total equalized assessed valuation of the taxable real property in the Redevelopment Area exceeds the certified total initial equalized

assessed valuation of the taxable real property in the Redevelopment Area, the ad valorem taxes, and payments in lieu of taxes, if any, arising from the levies upon taxable real property in the Redevelopment Area by taxing districts and tax rates determined in the manner provided in Section 99.855.2 of the TIF Act each year after the effective date of this Ordinance until redevelopment costs have been paid shall be divided as follows:

A. That portion of taxes, penalties and interest levied upon each taxable lot, block, tract, or parcel of real property which is attributable to the initial equalized assessed value of each such taxable lot, block, tract, or parcel of real property in the area selected for the Redevelopment Project shall be allocated to and, when collected, shall be paid by the City Collector to the respective affected taxing districts in the manner required by law in the absence of the adoption of tax increment allocation financing;

B. Payments in lieu of taxes attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract, or parcel of real property in the area selected for the Redevelopment Project and any applicable penalty and interest over and above the initial equalized assessed value of each such unit of property in the area selected for the Redevelopment Project shall be allocated to and, when collected, shall be paid to the City Treasurer, who shall deposit such payment in lieu of taxes into the Mississippi Place Special Allocation Fund for the purpose of paying redevelopment costs and obligations incurred in the payment thereof. Payments in lieu of taxes which are due and owing shall constitute a lien against the real estate of the Redevelopment Project from which they are derived and shall be collected in the same manner as the real property tax, including the assessment of penalties and interest where applicable.

SECTION SIX. In addition to the payments in lieu of taxes described in Section Five of this Ordinance, fifty percent of the total additional revenue from taxes, penalties and interest which are imposed by the City or other taxing districts, and which are generated by economic activities within the area of the Redevelopment Project over the amount of such taxes generated by economic activities within the area of the Redevelopment Project in the calendar year prior to the adoption of the Redevelopment Project by ordinance, while tax increment financing remains in effect, but excluding personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to Section 70.500 of the Revised Statutes of Missouri (2000) as amended, or taxes levied for the purpose of public transportation pursuant to Section 94.660 of the Revised Statutes of Missouri (2000) as amended, licenses, fees or special assessments other than payments in lieu of taxes and penalties and interest thereon, shall be allocated to, and paid by the collecting officer to the City Treasurer or other designated financial officer of the City, who shall deposit such funds in a separate segregated account within the Mississippi Place Special Allocation Fund.

SECTION SEVEN. The Comptroller of the City is hereby authorized to enter into agreements or contracts with other taxing districts as is necessary to ensure the allocation and collection of the taxes and payments in lieu of taxes described in Sections Five and Six of this Ordinance and the deposit of the said taxes or payments in lieu of taxes into the Mississippi Place Special Allocation Fund for the payment of redevelopment project costs and obligations incurred in the payment thereof, all in accordance with the TIF Act.

SECTION EIGHT. The City Register is hereby directed to submit a certified copy of this Ordinance to the City Assessor, who is directed to determine the total equalized assessed value of all taxable real property within the Redevelopment Area as of the date of this Ordinance, by adding together the most recently ascertained equalized assessed value of each taxable lot, block, tract or parcel of real property within the Redevelopment Area, and shall certify such amount as the total initial equalized assessed value of the taxable real property within the Redevelopment Area.

SECTION NINE. The Mayor and Comptroller of the City and all other officers, agents, representatives and employees of the City are hereby authorized to take any and all actions as may be deemed necessary, desirable, convenient or proper to carry out and comply with the intent of this Ordinance with regard to the implementation of the Redevelopment Plan and to execute and deliver for and on behalf of the City all certificates, instruments or other documents as may be necessary, desirable, convenient or proper to carry out the matters herein authorized.

SECTION TEN. The Mayor and the Comptroller or their designated representatives are hereby further authorized and directed to make any changes to the documents and instruments approved and authorized by this Ordinance as may be consistent with the intent of this Ordinance and necessary, desirable, convenient or proper in order to carry out the matters herein authorized.

SECTION ELEVEN. It is hereby declared to be the intention of the Board of Aldermen that each and every part, section and subsection of this Ordinance shall be separate and severable from each and every other part, section and subsection hereof and that the Board of Aldermen intends to adopt each said part, section and subsection separately and independently of any other part, section and subsection. In the event that any part, section or subsection of this Ordinance shall be determined to be or to have been unlawful or unconstitutional, the remaining parts, sections and subsections shall be and remain in full force and effect, unless the court making such finding shall determine that the valid portions standing alone are incomplete and are incapable of being executed in accord with the legislative intent.

SECTION TWELVE. After adoption of this Ordinance by the Board of Aldermen, this Ordinance shall become effective on the 30th day after its approval by the Mayor or adoption over his veto; provided that, if the Developer has not executed a redevelopment agreement pertaining to the Redevelopment Project within ninety (90) days after the effective date of this Ordinance, the provisions of this Ordinance shall be deemed null and void and of no effect and all rights conferred by this Ordinance on the Developer shall terminate, provided further, *however*, that prior to any such termination the Developer may seek an extension of time in which to execute the Redevelopment Agreement, which extension may be granted in the sole discretion of the Board of Estimate and Apportionment of the City of St. Louis.

I. INTRODUCTION

The following is a plan prepared by the City of St. Louis ("City") for the redevelopment (the "Redevelopment Project" or "Project") of three adjacent parcels located along Mississippi Avenue (the "Redevelopment Area" or "Area"), between Lafayette

and Kennett Avenues, in City Block 1805, in the Lafayette Square Historic District of the City of St. Louis. A legal description and map of the Redevelopment Area are contained herein as **Appendix 1**.

The Redevelopment Area consists of two vacant, unimproved lots as well as one vacant building formerly used as a private school. The Redevelopment Area qualifies as a blighted area under Missouri's Real Property Tax Increment Allocation Redevelopment Act, Section 99.800-99.865 of the Revised Statutes of Missouri (2000) (the "TIF Act").

This Redevelopment Plan proposes to completely redevelop the Area through demolition of the existing building and construction of new residential units in approximately eight buildings. The Redevelopment Project will attempt to eliminate existing conditions of blight in an important location by transforming underutilized and vacant property into safe, modern housing that enhances the historic character and aesthetic of the Lafayette Square Historic District.

This Redevelopment Plan proposes that the City initially authorize and issue one or more Tax Increment Financing Notes ("TIF Note") in an amount equal to Eight Hundred Twenty-Five Thousand Dollars and no/100 (\$825,000.00) plus issuance costs to fund a portion of the costs of the Redevelopment Project. The TIF Note issued shall be reimbursed solely from the revenue stream of Payments In Lieu of real estate Taxes ("PILOTS") One hundred percent of PILOTS within the Redevelopment Area will be allocated to retire the TIF Note. After completion of the Redevelopment Project, the City may issue TIF Note(s) or other TIF obligations to the developer of the Project ("Developer") or a third party to evidence the City's obligation to reimburse the Developer for a portion of the costs of the Redevelopment Project. Such TIF Note(s) will be paid solely from revenues on deposit in the Mississippi Place Special Allocation Fund, in accordance with and pursuant to the TIF Act. Upon receipt by the City of a written request by Developer and evidence that the Developer has met certain criteria agreed upon by the City and Developer in a Redevelopment Agreement, the City shall cause one of its agencies to immediately proceed to issue tax increment financing bonds ("TIF Bonds") to repay the TIF Note.

Other financing aspects of the Redevelopment Project are discussed in more detail in Section V.

II. OVERVIEW OF TAX INCREMENT FINANCING

In order to promote the redevelopment of a declining area, or to induce new activity in an area that has been lacking in growth and development, the State of Missouri has provided statutory tools to counties and municipalities to assist private, and initiate public, investment. One such tool is the TIF Act.

The TIF Act allows cities and counties to (1) identify and designate redevelopment areas that qualify as Blighted Areas, Conservation Areas, or Economic Development Areas as each are defined in the TIF Act; (2) adopt a redevelopment plan that designates the redevelopment area and states the objectives to be attained and the program to be undertaken; (3) approve a redevelopment project(s) for implementation of the redevelopment plan; and (4) utilize the tools set forth in the TIF Act to assist in reducing or eliminating those conditions that cause the area to qualify as a redevelopment area. Generally, the TIF Act allows municipalities to foster economic and physical improvements in a redevelopment or project area and to enhance the tax base of all taxing districts that levy taxes in such area. Within redevelopment areas, municipalities may use the power of eminent domain to provide necessary property acquisition for the implementation of a redevelopment plan and redevelopment project.

The concept of tax increment financing is outlined as follows: implementation of a redevelopment project within the redevelopment area will produce increased real estate assessments attributable to the redevelopment within the area. The project then makes PILOTS on the increased assessed value of the improved property. The project also generates new EATS resulting from operations within the redevelopment or project area. The TIF Act authorizes the capture of certain PILOTS and EATS in the redevelopment or project area over and above such levels within that area in the year prior to the approval of the redevelopment project. New development is made possible within the redevelopment area through the municipality's use of incremental revenues to finance certain costs of developing or redeveloping the area.

The municipality segregates these incremental revenues into a special account, the "special allocation fund," during the period of time in which the incremental revenues are dedicated to the purposes identified in the redevelopment plan. The municipality is further authorized to pledge additional net new revenues from the project to the purposes identified in the redevelopment plan. All taxing districts that levy taxes on property within the redevelopment or project area continue to receive tax revenues based upon property values which existed prior to the adoption of ordinances establishing the redevelopment or project area. Taxing districts also benefit from the increase in certain other taxes resulting from the increased economic activity in the redevelopment or project area. These taxes resulting from development of the redevelopment project are not deposited in the special allocation fund pursuant to the provisions of the TIF Act.

The TIF Act requires that, prior to establishing a redevelopment area or approving or amending TIF redevelopment plans and projects, a municipality must create a TIF Commission. A TIF Commission is comprised of six individuals appointed by the chief elected official of the municipality, with the consent of its governing body, and three individuals who are appointed by the other taxing districts within the proposed redevelopment area. Two of these three members are to represent the school district(s) that tax property within the proposed redevelopment area; the other member is appointed by all the remaining taxing districts. The TIF Commission's role is to review, consider, and make recommendations to the municipality's governing body concerning the adoption of redevelopment plans and redevelopment projects and the designation of redevelopment areas, and to exercise such other powers as are available to it under the TIF Act.

III. FINDING THAT REDEVELOPMENT AREA IS A BLIGHTED AREA

As defined in the TIF Act, a “blighted area” is:

An area which, by reason of the predominance of defective or inadequate street layout, unsanitary or unsafe conditions, deterioration of site improvements, improper subdivision or obsolete platting, or the existence of conditions which endanger life or property by fire and other causes, or any combination of such factors, retards the provision of housing accommodations or constitutes an economic or social liability or a menace to the public health, safety, morals, or welfare in its present condition and use.

Section 99.805(1). Mo. Rev. Stat.

The Redevelopment Area is a blighted area, as defined in the TIF Act, based upon the fact that it exhibits the factors set forth above, which are further discussed as follows:

- i. Deterioration of Site Improvements. In general, deterioration refers to any physical deficiencies or disrepair in buildings or site improvements requiring treatment or repair. Deterioration may be evident in basically sound buildings containing minor defects, such as a lack of painting, loose or missing roof tiles, floor or ceiling panes, or holes and cracks over limited areas. Deterioration which is not easily curable, however, and which cannot be accomplished in the course of normal maintenance, includes buildings with defects in the primary and secondary building components.

Primary building components include the foundation, exterior walls, floors, roofs, wiring, plumbing, etc. Secondary building components include the doors, windows, frames, fire escapes, gutters, downspouts, fascia materials, etc. Deterioration of streets and alleys includes evidence of pot holes, cracks, depressions, overgrowth, and poor drainage. Deterioration of sidewalks is evidenced by settled areas, cracks, gravel sections, overgrowth, or depressed curb areas.

The building in the Area suffers from deterioration and lack of maintenance in several respects. The deterioration is so severe that the building violates numerous provisions of the City of St. Louis Building Code (“Building Code”). These violations include cracked and broken windows, rotten fencing, trash and debris, and broken gutters. Additionally, the exterior and interior walls are damaged and cracked in numerous places. The Area also suffers from outdated utilities, wiring, and plumbing. The doors and other entryways in the building are insufficiently secure. Additionally, the Area is filled with overgrowth and the lack of regular maintenance is evidenced by the unsightly collection of debris, dust, and dirt.

- ii. Unsanitary or Unsafe Conditions. The Redevelopment Area is characterized by several serious unsanitary and unsafe conditions. The accumulation of dirt and dust in the Area due to deferred maintenance, together with the littering of the property with garbage and the ineffective ventilation systems, increases the risk of illness and creates an unsanitary environment for living or working. The lack of secure access points and the existence of damaged or broken building components constitute unsafe conditions, as they pose a potential threat to personal property and safety.
- iii. Existence of Conditions which Endanger Lives or Property by Fire and Other Causes. Endangerment by fire and other causes is typically due to the presence of structures below minimum code standards. Such code standards include building, housing, property maintenance, fire, environmental or other governmental codes applicable to a particular property. The principal purpose of such codes is to require buildings to be constructed and maintained so that they will have the capacity to support the type of occupancy, and necessary fire and similar hazard protection, or to establish the minimum standards essential for safe and sanitary use, occupation, and/or habitation.

The Area suffers from conditions that endanger lives or property, as evidenced by the numerous code violations for which the Area has been cited. The Area lacks contemporary sanitation, safety, access, and other security measures in several places. This lack of maintenance and unsafe conditions evident in the Redevelopment Area are a hazard to both real property and personal safety. The numerous building code violations as discussed above pose an additional threat to the safety of the Area and thus endanger lives or property.

- iv. Economic and Social Liability. The Area in its current condition is a significant liability to the general welfare and economic independence of the City. Two of the lots are currently unimproved and the third is vacant and in significant disrepair. The location of the Area, on a prominent corner in Lafayette Square across from Lafayette Square Park, magnifies its blighted condition, creating a negative image of the Area for many visitors and potential residents.

Due to the severe deterioration of the Area and the overwhelming disrepair of the building, rehabilitation of the Area is economically unfeasible. Adaptive reuse of the Area would require the expensive demolition of the building and would involve compliance with the Lafayette Square Historic Code for any new construction. Because of these increased costs associated with attempted redevelopment of the Area, rents or sale prices that

could be expected are likely insufficient to support redevelopment of the Area, causing the Area to remain vacant and constitute an economic liability to the City..

Because of the Area's central location within the Lafayette Square Historic District, the property has the potential to generate significant tax revenues. However, in its former use as a tax exempt property and its current vacant state, the property is not generating significant tax revenue. Moreover, because of this prominent location, the Area's current vacancy and appearance likely depress the values of surrounding properties in Lafayette Square. Furthermore, the Area's dilapidated condition detracts from attempts to highlight the vibrant historic character of the neighborhood. In these respects, the Area is an economic and social liability to the City.

- v. Menace to the Public Health, Safety, Morals or Welfare. As discussed above, the Redevelopment Area exhibits many factors which constitute a menace to the public health, safety, morals, or welfare in its present condition and use. The deteriorating, unsanitary, and unsafe site conditions as illustrated above represent a menace to the public health and safety; the economic liability of the deteriorated or obsolete structures discussed above represents a menace to the public welfare.

The above factors, whether considered alone or as combined, constitute an economic and social liability, and constitute a menace to the public health, safety, and welfare. As long as such conditions are present in the Redevelopment Area, there will be little incentive for private investment and development to benefit the Area.

In determining if the proposed Redevelopment Area meets the eligibility requirements for TIF per the TIF Act, a number of sources of information were utilized. These include, but are not limited to, the following:

- a. Exterior and interior survey of the condition and use of the Redevelopment Area;
- b. Analysis of neighboring existing uses and their relationships;
- c. Analysis of building and current market demand;
- d. Research of records and data from various local sources, including the St. Louis City Assessor's Office.

IV. **Redevelopment Plan INCLUDING NECESSARY FINDINGS**

1. Description of the Redevelopment Area

A legal description and map of the Redevelopment Area are included herein as **Appendix 1**.

2. Redevelopment Plan Objectives

The City of St. Louis has established the following objectives for the Mississippi Place TIF Redevelopment Plan. These objectives are consistent with those purposes outlined in the TIF Act, as amended:

- To reduce or eliminate the conditions that cause the Redevelopment Area to be a "blighted area" as defined by Section 99.805(1) of the TIF Act and as described in Section III of this Redevelopment Plan;
- To enhance the public health, safety, and welfare of the community by curing blighting conditions and encouraging other improvements necessary for insuring the Area's stability and existing and future redevelopment consistent with this Redevelopment Plan;
- To enhance the tax base by inducing development of the Redevelopment Area to its highest and best use, benefiting taxing districts and encouraging private investment in surrounding areas;
- To provide new, safe, modern housing that contributes to the historic character of Lafayette Square Historic District;
- To provide units of a quality that will attract new residents who will act as a stabilizing force for the region in general;
- To promote the health, safety, order, convenience, prosperity and the general welfare, as well as efficiency and economy in the process of development;
- To increase property values of the Redevelopment Area; and
- To provide development opportunities in the Redevelopment Area and surrounding areas.

3. Redevelopment Project

The Redevelopment Project incorporates and will satisfy the goals, objectives, and other criteria as set forth in this Redevelopment Plan.

- Residential Use Construction of approximately 26,400 gross square feet of residential space along with on site parking

The Redevelopment Project is generalized to leave room for design creativity and tenant specifications as needed, so that the Developer can respond to prospective owners' needs as well as market conditions as completion of the Redevelopment Project progresses.

It is expected that the Redevelopment Project will enhance the community aesthetic of the Lafayette Historic District by attracting new homeowner residents to a central location in Lafayette Square. In addition, it is expected that the Project will encourage an increase in property values and commercial and residential development in the vicinity of the Redevelopment Area.

The total estimated Redevelopment Project Costs for the Redevelopment Project at this time equal approximately \$4.6 million, as set forth in greater detail in **Appendix 2**. It should be noted that the costs set forth in **Appendix 2** are estimated based on the knowledge of the Redevelopment Project at this time and that the actual redevelopment cost items for implementing the Redevelopment Project may vary depending on market conditions and other factors.

4. General Land Uses to Apply

The proposed land use is residential. The Redevelopment Area is currently located within the "B" Two-Family Dwelling District. Permitted uses within the "B" Two-Family Dwelling District include: single-family dwellings, two-family dwellings, semi-detached two-family dwellings, or multiple-family dwellings for not more than four families, which comply with the area and parking regulations of the "C" Multiple-Family District. Rezoning may be necessary.

5. Redevelopment Schedule and Estimated Dates of Completion

It is estimated that implementation of the Redevelopment Project will be completed within two (2) years from the date of execution of a redevelopment agreement for completion of such project as contemplated by this Redevelopment Plan. The estimated date for retirement of obligations incurred to finance the Redevelopment Project shall not be more than twenty-three (23) years from approval of the Redevelopment Project. Included herein as **Appendix 3** is the anticipated Redevelopment Program Schedule for the TIF Project.

6. Most Recent Equalized Assessed Value of Parcels within the Redevelopment Area

The current (2004) Equalized Assessed Values of all taxable property in the Redevelopment Area is attached as **Appendix 4**. These values are established and will be confirmed by the Assessor of the City of St. Louis.

7. Estimated Equalized Assessed Value After Redevelopment

The total *estimated* Equalized Assessed Value of all taxable property subject to PILOTS in the Redevelopment Area after redevelopment and completion of the Redevelopment Project Area is approximately \$827,640 (2006). See **Appendix 5**.

8. Acquisition

The Developer or a related entity is currently the owner of record of all parcels within the Area necessary for the Redevelopment Project. This Redevelopment Plan does not anticipate the need to utilize eminent domain for completion of the Redevelopment Project.

9. Blighted Area

As previously described in greater detail in Section III, the Redevelopment Area as a whole is a blighted area, and has not been subject to growth and development through investment by private enterprise and will not reasonably be expected to be developed without the adoption of tax increment financing. The Developer has executed an affidavit attesting to the existence of these conditions which is included herein as **Appendix 6**.

The costs of construction and site rehabilitation preclude private enterprise from developing the Area to its highest and best use without public assistance. The cost of curing the existing conditions of blight and constructing improvements as contemplated in this Redevelopment Plan is not economically viable if fully borne by the Developer.

10. Conforms with the Comprehensive Plan of the City

The Redevelopment Plan conforms to the comprehensive plan for the development of the City as set forth in the "Comprehensive City Plan" (1947).

11. Plan for Relocation Assistance

As the Redevelopment Area is currently vacant, relocation of residents or businesses is not anticipated to be necessary within the Redevelopment Area with respect to the Redevelopment Project. To the extent relocation becomes necessary, this Redevelopment Plan adopts the City St. Louis Relocation Policy (Ordinance No. 62481) as the relocation policy for this Redevelopment Plan.

12. Cost Benefit Analysis

A cost benefit analysis showing a net benefit to each taxing district impacted by this Redevelopment Plan is on file with the St. Louis Development Corporation, 1015 Locust Street, Suite 1200, St. Louis, MO 63101.

If the TIF Redevelopment Project is completed, then each of the taxing districts will continue to receive all of the tax revenues currently received from the Redevelopment Area. Additionally, they will benefit from the additional property taxes and economic activity taxes which will be paid and not contributed to the TIF.

13. Does Not Include Gambling Establishment

The Redevelopment Plan does not include the initial development or redevelopment of any gambling establishment.

14. Reports to DED

As required by the Statute, the City shall report to the Department of Economic Development by the last day of February each year, the name, phone number, and primary line of business of any business which locates within the Redevelopment Area.

V. **FINANCING PLAN**

1. Eligible Redevelopment Project Costs

The TIF Act provides for the use of tax increment revenues generated by a designated redevelopment area to pay all reasonable or necessary costs incurred, estimated to be incurred, or incidental to a redevelopment plan or redevelopment project within a designated TIF redevelopment area. A municipality may pledge all or any part of the funds in and to be deposited in the special allocation fund established for a redevelopment project area to the payment of redevelopment project costs and obligations within the redevelopment area, including the retention of funds for the payment of future redevelopment costs.

The estimated Redevelopment Project Costs to be incurred in connection with the TIF Project are approximately \$4.6 million and are set forth in **Appendix 2**. More specifically, the TIF Act allows the City and/or its designated developer(s) to incur redevelopment costs associated with implementation of an approved Redevelopment Plan and approved Redevelopment Project. These costs include all reasonable or necessary costs incurred, and any costs incidental to a Redevelopment Project. Thus, this Redevelopment Plan anticipates that a portion of the sources of funds used to pay the Project Costs will come from the TIF revenues, which, in accordance with the TIF Act, may include but are not limited to:

- Costs of studies, surveys, plans and specifications;
- Professional service costs including, but not limited to, architectural, engineering, legal, marketing, financial, planning or special services;
- Property assembly costs including, but not limited to, acquisition of land and other real or personal property rights, or interests therein;
- Costs of rehabilitation, reconstruction, or repair or remodeling of buildings and fixtures;
- Costs of construction of public works or improvements;
- Financing costs including, but not limited to, all necessary and incidental expenses related to the issuance of obligations, and which may include the payment of interest on any obligation issued under the provisions of this Redevelopment Plan accruing during the estimated period of construction of any Redevelopment Project for which such obligations are issued and for not more than eighteen months thereafter, and including reasonable reserves related thereto; and
- All or a portion of a taxing district's capital costs resulting from the Redevelopment Project necessarily incurred or to be incurred in furtherance of the objectives of the Redevelopment Plan and Project, to the extent the City, by written agreement, accepts and approves such costs.

The costs shown on **Appendix 2** represent the total approximate costs of the project regardless of the source of funding. This table does not include all custom finishes over and above Developer-supplied finishes, which are unknown at this time. Typical plan implementation and financing costs are based on the experience of the Developer. It should be noted that these costs are based on the knowledge of the Project at this time and that the actual redevelopment cost items for implementing the Redevelopment Plan and the Redevelopment Project may vary from these estimates.

It is not the intent of **Appendix 2** or this Redevelopment Plan to restrict the City or the Developer to the cost amounts or cost items as outlined. During the life of the Redevelopment Area, Plan and Project, other costs may be incurred or adjustments may be made within and among the line items specified in **Appendix 2**, if necessary and reasonable to accomplish the program objectives of the Redevelopment Plan.

2. Anticipated Sources of Funding to Pay Redevelopment Project Costs

There are three principal sources of potential funds that are anticipated to be used to pay the costs of implementation of the Redevelopment Plan and the Redevelopment Project previously described. These sources are:

- Owner Equity;
- Private Financing;
- Funds available through the issuance of TIF notes, bonds, loans, certificates or other certificates of indebtedness (herein collectively referred to as “TIF Note or other financial obligations”).

The anticipated type and term of the sources of funds are set forth in **Appendix 2**. It is not the intent of **Appendix 2** or this Redevelopment Plan to restrict the City or the Developer to the sources or source amounts as outlined. During the life of the Redevelopment Agreement, Plan, and Project, other sources may be found or adjustments may be made within or in addition to the sources specified in **Appendix 2**.

3. TIF Note Funding

This Redevelopment Plan proposes that the City initially authorize the issuance of one or more Tax Increment Financing Notes (“TIF Note”) in a total amount equal to Eight Hundred Twenty-Five Thousand Dollars and no/100 (\$825,000.00) plus issuance costs, to fund a portion of the Redevelopment Project Costs associated with completion of the Redevelopment Project, with a term of retirement for all such issues not more than 23 years. The TIF Notes or other financial obligations will be issued only to finance the Redevelopment Project and Redevelopment Project Costs as outlined in **Appendix 2** which are eligible costs as specified in Section 99.805(11) of the TIF Act, including any costs of issuing the TIF Notes or other financial obligations.

The Notes may be issued in one or more series and may include notes, temporary notes or other financial obligations to be redeemed by TIF Notes upon completion of the Redevelopment Project. In addition, these Notes or other financial obligations may be privately placed. It is the City’s intent to pay for the principal and interest on these Notes or other financial obligations, in any year, solely with money legally available for such purpose within the City’s Special Allocation Fund.

The City’s Special Allocation Fund will contain at least one account as provided for and in accordance with the TIF Act:

1. The “PILOTS Account” will contain all payments in lieu of taxes derived from all taxable lots, blocks, tracts, and parcels of real property (or any interest therein) within the Redevelopment Area as contemplated by this Redevelopment Plan and in accordance with the TIF Act.

Funds on deposit in the PILOTS Account will be pledged to the payment of the Redevelopment Project Costs. Such payment obligations shall not constitute debts or liabilities of the City, the State of Missouri, or any political subdivision thereof within the meaning of any constitutional or statutory debt limitation or restriction and neither the City nor the State of Missouri shall be liable thereon except from the PILOTS Account, and, to the extent appropriated by the City on an annual basis, from funds derived from other taxes deposited into the Special Allocation Fund.

4. Evidence of Commitment to Finance Redevelopment Project Costs

Appendix 7 contains a preliminary commitment letter provided by The Private Bank, which has made a preliminary review of the development proposal and has expressed a commitment to provide financing of Redevelopment Project Costs associated with the Redevelopment Project.

AFFIDAVIT

I, the undersigned, am over the age of 18 years and have personal knowledge of matters stated herein.

The undersigned swears, affirms and certifies the following to be true to induce the approval of Tax Increment Financing for the Redevelopment Area described in the Mississippi Place Tax Increment Financing Redevelopment Plan, dated September 2004 (the "Redevelopment Plan").

1. I am a duly authorized representative of Gilded Age Renovation, LLC (the "Developer") and am authorized by the Developer to attest to the matters set forth herein.

2. I am familiar with the Redevelopment Area described in the Redevelopment Plan. In my opinion, based on the factors set forth in the Redevelopment Plan, the Redevelopment Area, on the whole, qualifies as a "blighted area" as defined in Section 99.805(3) of the Missouri Revised Statutes (2000), and has not been subject to growth and development through investment by private enterprise and would not reasonably be anticipated to be developed without the adoption of tax increment financing.

And Further Affiant Sayeth Not.

Re: Proposed TIF Project at 1602, 1610 and 1622 Mississippi Avenue

Dear Mr. Goodson:

The purpose of this letter is to reiterate The Private Bank's commitment to provide financing for your proposed project to redevelop the properties located at 1602, 1610 and 1622 Mississippi Avenue in the City of St. Louis (the "Project").

As we have discussed, financing of the Project would not be feasible without the assistance of tax increment financing. Therefore, please be advised that we are excited to provide financing for the Project should the City of St. Louis issue the necessary tax increment financing.

Should you have any questions, please do not hesitate to call.

Very truly yours,

Sanford Scott

4.2 Reimbursements Limited to Reimbursable Redevelopment Project Costs; Developer's Right to Substitute. Nothing in this Agreement shall obligate the City to issue TIF Obligations or to reimburse the Developer for any cost that is not incurred pursuant to Section 99.820.1 of the TIF Act or that does not qualify as a "redevelopment project cost" under Section 99.805(14) of the TIF Act. The Developer shall provide to the City (a) itemized invoices, receipts or other information evidencing such costs; and (b) a Certificate of Reimbursable Redevelopment Project Costs constituting certification by the Developer that such cost is eligible for reimbursement under the TIF Act. Within thirty (30) days of the City's receipt from the Developer of a Certificate of Reimbursable Redevelopment Project Costs, the City shall review and act upon such Certificate of Reimbursable Redevelopment Project Costs. The parties agree that each of the categories of costs set forth in **Exhibit B**, attached hereto and incorporated herein by this reference, shall constitute Reimbursable Redevelopment Project Costs which are eligible for reimbursement in accordance with the TIF Act and this Agreement. The Developer shall be entitled to reimbursement for Redevelopment Project Costs from any of the categories set forth in **Exhibit B** up to the maximum aggregate amount established in **Section 4.1** of this Agreement; provided that the Developer shall be obligated to advance to the City the full amounts identified in **Section 2.2, clauses (i)-(v)**, of this Agreement. If the City determines that any cost identified as a Reimbursable Redevelopment Project Cost is not a "redevelopment project cost" under Section 99.805(14) of the TIF Act, the City shall so notify the Developer in writing within the 30-day period

referenced in this **Section 4.2**, identifying the ineligible cost and the basis for determining the cost to be ineligible, whereupon the Developer shall have the right to identify and substitute other Redevelopment Project Costs as Reimbursable Redevelopment Project Costs with a supplemental application for payment. If the City fails to approve or disapprove any Certificate of Reimbursable Redevelopment Project Costs within thirty (30) days after receipt thereof, the Certificate of Reimbursable Redevelopment Project Costs shall be deemed approved.

4.3 Cost Savings and Excess Profits. In addition to the documents required to be provided to the City under Section 4.2 of this Agreement, upon final completion of the Redevelopment Project, Developer shall provide to the City itemized invoices, receipts, pay applications or other information evidencing the Verified Total Project Costs. Within ninety (90) days after the close of the initial sale of each residential unit located in the Redevelopment Area by the Developer, Developer also shall furnish to the City a statement detailing the Excess Project-Related Profits. To the extent that the Excess Project-Related Profits are greater than \$100,000, the maximum amount of Reimbursable Redevelopment Project Costs for which the Developer shall be reimbursed by the City as provided for in Section 4.1 of this Agreement and the maximum amount of any TIF which shall be issued by the City in accordance with Section 5.2 of this Agreement shall be reduced by an amount equal to seventy-five percent (75%) of the total Excess Project Related Profits.

Developer shall not include developer fees or consultant fees for any service typically performed by the developer in the Verified Total Project Costs. With respect to any other costs for any services provided by the Developer or any entity related to Developer, the amount of such costs shall not exceed the amount set forth in the Redevelopment Plan for such services. Moreover, if any of the owners, officers, principals or members of the construction contractor for the Redevelopment Project are the same as any owner, officer, principal or member of Developer or general partner in the owner of the development, amounts allowed for aggregate contractor fees shall not exceed eighteen percent (18%) of construction costs as provided for in the Missouri Housing Development Commission's 2005 Qualified Allocation Plan for the Low Income Housing Tax Credit Program, and Developer shall include documentation, including detailed invoices and receipts for payment, for each and every item of costs traceable to third parties with no relationship to Developer, in addition to summary pay applications submitted to Developer by the construction contractor.

4.4 City's Obligations Limited to Special Allocation Fund and Bond Proceeds. Notwithstanding any other term or provision of this Agreement, TIF Notes issued by the City to the Developer for Reimbursable Redevelopment Project Costs are payable only from the Special Allocation Fund and from Bond Proceeds, if any, and from no other source. The City has not pledged its full faith and credit relative to the City's obligation to issue the TIF Obligations or to pay any Reimbursable Redevelopment Project Costs. The TIF Obligations shall be special, limited obligations of the City, and shall not constitute debt to the City within any constitutional or statutory meaning of the word "debt."

The TIF Notes shall be in a form substantially similar to **Exhibit F**, attached hereto and incorporated herein by reference.

5.2.1 Terms. All TIF Notes shall have a stated maturity of the Maturity Date

5.2.2 Procedures for Issuance of TIF Notes to Third Party Note Purchaser. In the event that the Notice to Issue TIF Notes directs the City to issue a TIF Note to an Approved Investor other than Developer, then, within ten (10) business days of Developer's satisfaction of the conditions of **Section 5.1** of this Agreement, the Comptroller shall:

- (i) forward the approved Certificate of Reimbursable Redevelopment Project Costs to the Note Purchaser with directions to the Note Purchaser to remit to the City the purchase price of the TIF Note to be issued by the City in the amount set forth in the approved Certificate of Reimbursable Redevelopment Project Costs; and
- (ii) disburse such purchase price of such TIF Note to Developer not later than two (2) business days after the City receives the purchase price for such TIF Note from the Note Purchaser.

Notwithstanding anything contained in this Agreement to the contrary, upon the acceptance by the City of a

Certificate of Reimbursable Redevelopment Project Costs and the issuance by the City of a TIF Note as provided in this **Section 5.2.2**, to the extent the Note Purchaser is the Developer, the Developer shall be deemed to have advanced funds necessary to purchase such TIF Note and the City shall be deemed to have deposited such funds in the Project Fund and shall be deemed to have reimbursed the Developer in full for such costs from the amounts deemed to be on deposit in the Project Fund from time to time.

Upon the City's completion of the procedure outlined in this **Section 5.2.2**, the City shall have fully discharged its obligation to reimburse the Developer for Reimbursable Redevelopment Project Costs pursuant to **Section 4.1** of this Agreement.

5.2.3 Indemnification. In addition to, and not in lieu of, the respective indemnifications set forth in **Section 7.16** of this Agreement, the Developer does hereby agree that the City shall not be liable for, and the Developer agrees to release, indemnify, defend and save the City, Comptroller and their respective officials, directors, officers, agents and employees harmless against and from any and all liabilities, losses, damages, claims, causes of action, suits, costs and expense (including attorneys' fees), demands and judgments by or arising from the City's obligations outlined in **Section 5.2.2**.

5.2.4 Special Mandatory Redemption of TIF Notes. All TIF Notes are subject to special mandatory redemption by the City, in whole at any time or in part on each March 1 and September 1 occurring after the acceptance by the City of the Certificate of Substantial Completion at a redemption price equal to 100% of the principal amount being redeemed, together with the accrued interest thereon to the date fixed for redemption.

5.3 Issuance of TIF Bonds.

5.3.1 The City may, in its sole and absolute discretion, issue, or cause to be issued, TIF Bonds at any time in an amount sufficient to refund all or a portion of the outstanding TIF Notes.

5.3.2 Upon receipt of a written request by Developer and upon the City's underwriter's recommendation in favor of issuing TIF Bonds and recommendation of the principal amount thereof based on the criteria set forth below, the City shall immediately proceed to issue, or cause to be issued, TIF Bonds as described in this Section. The aggregate gross cash proceeds from the sale of the TIF Bonds before payment of Issuance Costs, together with any interest accrued thereon ("Bond Proceeds") of such TIF Bonds will be finally determined by the City after receiving the underwriter's recommendation based on the criteria set forth below. The City shall not be obligated to issue or cause to be issued such TIF Bonds unless the underwriter determines that all of the following criteria are satisfied as of the date of issuance of such bonds, unless such criteria are waived by the City's underwriter. Developer shall not have any liability for any costs associated with the issuance of TIF Bonds but shall bear its own costs and expenses, including any attorneys' fees and expenses, that Developer may incur in complying with this Section. Notwithstanding anything in this Section to the contrary, Developer shall be liable for all costs incurred by the City in the event the Developer has requested the issuance of bonds and the City's underwriter has determined that such bonds cannot be issued at such time.

5.3.2.1 Criteria for Issuance. The underwriter's recommendation for issuance of TIF Bonds and the principal amount thereof shall be based on the following criteria:

- (i) Acceptance by the City of the Certificate of Substantial Completion;
- (ii) Review of projections of TIF Revenues available for debt service as proposed by an independent qualified consultant. Such projections must show that (A) if all available TIF Revenues were to be applied to the immediate repayment of the TIF Bonds, the TIF Bonds would reasonably be anticipated to be retired within twenty-three years from the date of adoption of the Approving Ordinance, and (B) based on a maturity date twenty-three years from the date of adoption of the Approving Ordinance, the TIF Bonds are reasonably likely to achieve debt service coverage ratio reasonably acceptable to the City's underwriter; and
- (iii) Developer's documentation of stabilization of the Redevelopment Project for a minimum period of two years after substantial completion as evidenced in a report to the City prepared by a qualified independent consultant to be paid for by the City, which report also sets forth TIF revenue projections for the Redevelopment Project in connection with the issuance of the TIF Bonds; and
- (iv) The net average annual debt service on the TIF Bonds (taking into account the principal portion of the TIF Bonds that are issued to establish a reserve fund and to pay Issuance Costs, and including any reserve fund earnings) will be lower than the average annual debt service on the outstanding TIF Notes, unless the Developer voluntarily elects to defer or forgive principal of and/or interest on the TIF Notes in an amount necessary to make the net average annual debt service on the TIF Bonds lower than the net average annual debt service on the outstanding TIF Notes.

5.4 Application of TIF Bond Proceeds. Proceeds of any TIF Bonds shall be applied:

5.4.1 To the payment of costs relating to the issuance of the TIF Bonds;

5.4.2 To the payment of outstanding principal of and interest on the TIF Notes to be refunded;

5.4.3 To the payment of capitalized interest on the TIF Bonds; and

5.4.4 To the establishment of a debt service reserve fund for the TIF Bonds in a reasonable amount of the principal amount of TIF Bonds to be issued, as to be determined by the City's underwriter.

5.5 Cooperation in the Issuance of TIF Obligations. Developer covenants to cooperate and take all reasonable actions necessary to assist the City and its Bond Counsel, underwriters and financial advisors in the preparation of offering statements, private placement memorandum or other disclosure documents and all other documents necessary to market and sell the TIF Obligations, including disclosure of tenants of the Redevelopment Area and the non-financial terms of the leases between Developer and such tenants. Developer will not be required to disclose to the general public or any investor any proprietary or confidential information, including financial information, pertaining to Developer, but upon the execution of a confidentiality agreement acceptable to Developer, Developer will provide such information to the City's financial advisors, underwriters and their counsel to enable such parties to satisfy their due diligence obligations. Developer shall make such compliance obligation a covenant running with the land, enforceable as if any subsequent transferee thereof were originally a party to and bound by this Agreement.

5.6 City to Select Underwriter and Financial Advisor; Term and Interest Rate. The City shall have the right to select the designated underwriter (and such financial advisors and consultants as the underwriter and the City deem necessary for the issuance of the TIF Bonds) and underwriter's counsel. The final maturity of the TIF Bonds shall not exceed the maximum term permissible under the TIF Act. The TIF Bonds shall bear interest at such rates, shall be subject to redemption and shall have such terms as the City shall determine in its sole discretion.

ARTICLE VI. SPECIAL ALLOCATION FUND; COLLECTION AND USE OF TIF REVENUES

6.1 Creation of Special Allocation Fund. The City agrees to cause its Comptroller or other financial officer to maintain the Special Allocation Fund, including a "PILOTs Account" and an "EATs Account," and such further accounts or sub-accounts as are required by this Agreement or as the Comptroller may deem appropriate in connection with the administration of the Special Allocation Fund pursuant to this Agreement. Subject to the requirements of the TIF Act and, with respect to Economic Activity Taxes, subject to annual appropriation by the Board of Aldermen, the City will promptly upon receipt thereof deposit all Payments in Lieu of Taxes into the PILOTs Account and all Economic Activity Taxes into the EATs Account.

6.2 Certification of Base for PILOTS and EATs.

6.2.1 Upon the reasonable written request of the City, Developer shall use its best efforts to provide or cause to be provided to the Comptroller or its authorized representative any documents necessary for the City to calculate the base for PILOTs and EATs including, but not limited to: (i) the address and locator number of all parcels of real property located within the Redevelopment Area; and (ii) information related to payment of utility taxes by any businesses, owners or other occupants of the Redevelopment Area in the calendar year ending December 31, 2003.

6.2.2 Within ninety (90) days after execution of the Redevelopment Agreement, the City shall provide to the Developer a true, correct and complete copy of the City Assessor's calculation of the total initial equalized assessed valuation of the taxable real property within the Redevelopment Area based upon the most recently ascertained equalized assessed value of each taxable lot, block, tract, or parcel of real property within the Redevelopment Area; and (ii) a certification of the amount of revenue from taxes, penalties and interest which are imposed by the City and other taxing districts and which are generated by economic activities within the Redevelopment Area for the calendar year ending December 31, 2003, but excluding those personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to Section 70.500 of the Revised Statutes of Missouri, taxes levied for the purpose of public transportation, or licenses, fees or special assessments identified as excluded in Section 99.845.3 of the TIF Act.

6.3 Application of Available Revenues. The City hereby agrees for the term of this Agreement to apply the Available Revenues and any taxes, fees or assessments subsequently enacted and imposed in substitution therefor and allocable to the Special Allocation Fund under the TIF Act or this Agreement to the repayment of TIF Notes issued under Article V of this Agreement as provided in the Note Ordinance and this Agreement. As long as any TIF Notes are outstanding, Available Revenues shall be applied to such payment each March 1 and September 1 (each, a "Payment Date") occurring after acceptance by the City of the Certificate of Substantial Completion (either by the Comptroller or other financial officer or, at the option of the City, by the Trustee on behalf of the City), first from the EATS Sub-Account and then from the PILOTs Sub-Account of the Revenue Fund as established by the Note Ordinance as follows:

6.3.1 Pass-Through Payments, as provided below;

6.3.2 to the Comptroller of the City and the St. Louis Development Corporation, an amount equal to the lesser of i) One Thousand Six Hundred Fifty Dollars and no/100 (\$1,650.00), or ii) 0.2% of the Notes outstanding on each

Payment Date, plus any accumulated deficiency from previous years, plus an amount sufficient to pay all or any portion of the fees and expenses incurred by the City pursuant to **Section 7.15** of this Agreement that have not otherwise been reimbursed to the City through the issuance of TIF Notes purchased by the Note Purchaser;

6.3.3 an amount sufficient to pay all or any portion of the past due interest owing as a result of prior deficiencies of moneys to pay interest due on any TIF Notes on each Payment Date;

6.3.4 an amount sufficient to pay all or any portion of the accrued interest becoming due and payable on any TIF Notes on each Payment Date;

6.3.5 an amount sufficient to pay the principal of any TIF Notes that are subject to redemption pursuant to the Note Ordinance on each Payment Date;

6.3.6 all other remaining money in the Special Allocation Fund shall annually be declared as surplus and distributed in the manner provided in the TIF Act.

All money in the EATs Account of the Special Allocation Fund up to an amount equal to one hundred percent (100%) of the EATs payments deposited in the EATs Account for the previous calendar year shall be declared as Surplus and distributed in the manner provided in the TIF Act (the "Pass-Through Payment").

Upon the payment in full of the principal of and interest on all TIF Notes (or provision has been made for the payment thereof as specified in the Note Ordinance), payment in full of the fees and expenses of the Comptroller and the St. Louis Development Corporation, and payment in full of any other amounts required to be paid under the Note Ordinance, all amounts remaining on deposit in the Revenue Fund shall be declared as surplus and distributed in the manner provided in the Act.

If monies available in Special Allocation Fund are insufficient to reimburse the City or the Developer as provided above on any Payment Date, then the unpaid portion shall be carried forward to the next Payment Date, with interest thereon.

The City agrees that the officer of the City at any time charged with the responsibility of formulating budget proposals will be directed to include in the budget proposal submitted to the Board of Aldermen, for each fiscal year that TIF Obligations are outstanding, a request for an appropriation of all Available Revenues on deposit in the Special Allocation Fund for application to the payment of the principal of (including, but not limited to, payment of a premium, if any) and interest on the TIF Obligations.

6.4 Cooperation in Determining TIF Revenues. The City and the Developer agree to cooperate and take all reasonable actions necessary to cause the TIF Revenues to be paid into the Special Allocation Fund, including, but not limited to, the City's enforcement and collection of all such payments through all reasonable and ordinary legal means of enforcement. The Developer (or its successor(s) in interest as an owner or owner(s) of the affected portion(s) of the Property) shall require each "seller" (as that term is defined in Section 144.010(11) of the Missouri Revised Statutes, as amended) located in, or owner of any portion of, the Property to provide to the Comptroller of the City the following information:

6.4.1 Each "seller's" federal and state tax identification numbers.

6.4.2 Within thirty (30) days of the end of each calendar quarter, copies of a completed Tax Increment Financing District Quarterly Information Form for each "seller's" business located within the Redevelopment Area along with:

6.4.2.1 copies of all sales tax returns filed with the Missouri Department of Revenue (on Form 53-S.F. Missouri Department of Revenue or such successor form) with respect to the sales taxes originating from businesses located within the Redevelopment Area for such quarter. In the event that a "seller" has multiple business operations within the City, such "seller" shall file separate sales tax returns for the sales taxes originating from the business located within the Redevelopment Area.

6.4.2.2 copies of all earnings tax returns filed with the City (on Business Return Form 234 or such successor form) with respect to earnings taxes originating from the business located within the Redevelopment Area for such quarter. In the event that a business has multiple operations within the City, such business shall file separate earnings tax returns for the earnings taxes originating from the business located within the Redevelopment Area.

6.4.2.3 copies of all earnings tax withholding reports filed with the City (on Form W-10 or such successor form) with respect to earnings tax withholdings originating from the business located within the Redevelopment Area for such quarter. In the event that a business has multiple operations within the City, such business shall file separate earnings tax withholding reports for the earnings tax withholdings originating from the business located within the Redevelopment Area.

6.4.2.4 Within thirty (30) days of receipt, copies of monthly invoices received for utility services provided to the property on which the business within Redevelopment Area is located,

including without limitation electric, water, natural gas, and telephone services, for such quarter.

The Developer (or its successor(s) in interest as an owner or owner(s) of any portion(s) of the Property) shall also request any purchaser or transferee of real property and any lessee or other user of real property located within the Redevelopment Area to designate sales subject to sales taxes pursuant to Chapter 144 of the Revised Statutes of Missouri, as amended, to be reported as originating from the Redevelopment Area to the fullest extent permitted by law (including reasonable efforts to negotiate for the inclusion of a clause so providing in the leases of the Property).

The Developer shall satisfy the requirements of this **Section 6.4** by including the obligations set forth in this Section within any deed conveying a portion of the Property to or any lease entered into with any "seller" or purchaser.

6.5 Obligation to Report TIF Revenues. The Developer shall cause any purchaser or transferee of real property located within the Property, and any lessee or other user of real property located within the Property required to pay TIF Revenues, shall use all reasonable efforts to timely fulfill such obligations as are required by **Section 6.4** of this Agreement. So long as any of the TIF Obligations are outstanding, the Developer shall cause such obligations to be covenants running with the land, which covenants shall be enforceable as if such purchaser, transferee, lessee or other user of such real property were originally a party to and bound by this Agreement.

6.6 Notice to City of Transfer. The Developer agrees to notify the City in writing of any sale, transfer or other disposition of the Property or any interest therein as permitted by **Section 7.3.2** of this Agreement at least fifteen (15) days prior to such sale, transfer or other disposition. Said notice shall specify the name and address of the person so acquiring any or all of the Property or any interest therein and shall identify the Property to be sold, transferred or otherwise disposed, whether by voluntary transfer or otherwise. Notwithstanding the foregoing, Developer shall not be required to notify the City of the sale, lease or transfer of a residential unit in the ordinary course of business except as required by **Section 4.3**.

ARTICLE VII. GENERAL PROVISIONS

7.1 Developer's Right of Termination. At any time prior to the delivery of the Certificate of Substantial Completion, the Developer may, by giving written notice to the City, abandon the Redevelopment Project and terminate this Agreement and the Developer's obligations hereunder if the Developer determines, in its sole discretion, that the Redevelopment Project is no longer economically feasible. Upon such termination, the City shall have no obligation to reimburse the Developer for any amounts advanced under this Agreement or costs otherwise incurred or paid by Developer.

7.2 City's Right of Termination. The City may terminate this Agreement if the Developer fails to submit its Certificate of Substantial Completion, acceptable to the City, in accordance with **Section 3.8** of this Agreement and the schedule set forth in **Section 3.4** of this Agreement. Upon termination of this Agreement for any reason, the City shall have no further obligation to reimburse the Developer for any amounts advanced under this Agreement or costs otherwise incurred or paid by Developer.

7.3 Successors and Assigns.

7.3.1 Binding Effect. This Agreement shall be binding on and shall inure to the benefit of the parties named herein and their respective heirs, administrators, executors, personal representatives, successors and assigns.

7.3.2 Assignment or Sale. Without limiting the generality of the foregoing, all or any part of the Property or any interest therein may be sold, transferred, encumbered, leased, or otherwise disposed of at any time, and the rights of the Developer named herein or any successors in interest under this Agreement or any part hereof may be assigned at any time before, during or after redevelopment of the Redevelopment Project, whereupon the party disposing of its interest in the Property or assigning its interest under this Agreement shall be thereafter released from further obligation under this Agreement (although any such Property so disposed of or to which such interest pertains shall remain subject to the terms and conditions of this Agreement), *provided*, however, that until substantial completion of the Redevelopment Project, the fee title to the Property shall not be sold, transferred or otherwise disposed of and the rights, duties and obligations of the Developer under this Agreement shall not be assigned in whole or in part without the prior written approval of the City, which approval shall not be unreasonably withheld or delayed upon a reasonable demonstration by the Developer of the proposed transferee's or assignee's experience and financial capability to undertake and complete such portions of the Work and perform the Developer's obligations under this Agreement, all in accordance with this Agreement. Notwithstanding anything herein to the contrary, the City hereby approves, and no prior consent shall be required in connection with: (a) the right of the Developer to encumber or collaterally assign its interest in the Property or any portion thereof or its rights, duties and obligations under this Agreement to secure loans, advances or extensions of credit to finance or from time to time refinance all or any part of the Redevelopment Project Costs, or the right of the holder of any such encumbrance or transferee of any such collateral assignment (or trustee or agent on its behalf) to transfer such interest by foreclosure or transfer in lieu of foreclosure under such encumbrance or collateral assignment; (b) the right of Developer to assign the Developer's rights, duties and obligations under this Agreement to any party related to the Developer by one of the relationships described in Section 267(b) of the United States Internal Revenue Code of 1986, as amended; (c) the right of the Developer to sell or lease a residential unit in the ordinary course of business; provided that in each such event (i) the Developer named herein (Gilded Age Renovation, L.L.C.) shall remain liable hereunder for the substantial completion of the Redevelopment Project and shall be released from such liability hereunder only upon substantial

completion of the Redevelopment Project and (ii) the Developer provides to the City fifteen (15) days' advance written notice of the proposed assignment or transfer other than of the sale or lease of a residential unit in the ordinary course of business which shall require no notice except as required by Section 4.3.

7.3.3 Assignment or Sale to Exempt Organization. Prior to any sale, transfer or other disposition of all or any portion of the Property or any interest therein to an organization exempt from payment of ad valorem property taxes, such organization shall be required to agree not to apply for an exemption from payment of such property taxes for a period ending on the earlier of the date that all TIF Obligations are paid in full or twenty-three (23) years from the date that the Approving Ordinance was adopted by the City. The Developer shall make this requirement a covenant running with the land, enforceable for such period as if such purchaser or other transferee or possessor thereof were originally a party to and bound by this Agreement.

7.4 Remedies. Except as otherwise provided in this Agreement and subject to the Developer's and the City's respective rights of termination, in the event of any default in or breach of any term or conditions of this Agreement by either party, or any successor, the defaulting or breaching party (or successor) shall, upon written notice from the other party specifying such default or breach, proceed immediately to cure or remedy such default or breach, and shall, in any event, within thirty (30) days after receipt of notice, cure or remedy such default or breach. In the event that the defaulting or breaching party (or successor) diligently and in good faith commences to cure or remedy such default or breach but is unable to cure or remedy such default or breach within thirty (30) days after receipt of notice, the defaulting or breaching party (or successor) shall, prior to the end of such thirty (30) days, provide notice to the other party that it has in good faith commenced to cure or remedy such default or breach, whereupon the defaulting or breaching party (or successor) shall have an additional thirty (30) days to cure or remedy such default or breach. In case such cure or remedy is not taken or not diligently pursued, or the default or breach shall not be cured or remedied prior to the end of the additional thirty (30) day period, the aggrieved party may institute such proceedings as may be necessary or desirable in its opinion to cure and remedy such default or breach, including without limitation proceedings to compel specific performance by the defaulting or breaching party.

7.5 Force Majeure. Neither the City nor the Developer nor any successor in interest shall be considered in breach or default of their respective obligations under this Agreement, and times for performance of obligations hereunder shall be extended (but with respect to the times for performance set out in **Section 3.4** of this Agreement, only to the extent provided therein and established thereunder) in the event of any delay caused by force majeure, including without limitation damage or destruction by fire or casualty; strike; lockout; civil disorder; war; restrictive government regulations; lack of issuance of any permits and/or legal authorization by the governmental entity necessary for the Developer to proceed with construction of the Work or any portion thereof; shortage or delay in shipment of material or fuel; acts of God; unusually adverse weather or wet soil conditions; or other like causes beyond the parties' reasonable control, including without limitation any litigation, court order or judgment resulting from any litigation affecting the validity of the Redevelopment Plan, the Redevelopment Project or the TIF Obligations or this Agreement; provided that such event of force majeure shall not be deemed to exist as to any matter initiated or sustained by the Developer in bad faith, and further provided that the Developer notifies the City in writing within thirty (30) days of the commencement of such claimed event of force majeure.

7.6 Notices. All notices, demands, consents, approvals and other communications required by this Agreement to be given by either party hereunder shall be in writing and shall be hand delivered or sent by United States first class mail, postage prepaid, addressed to the appropriate party at its address set forth below, or at such other address as such party shall have last designated by notice to the other. Notices, demands, consents, approvals, and other communications shall be deemed given when delivered or three days after mailing; provided, however, that if any such notice or other communication shall also be sent by telecopy or fax machine, such notice shall be deemed given at the time and on the date of machine transmittal if the sending party receives a written send verification on its machines and forwards a copy thereof with its mailed or courier delivered notice or communication.

7.7 Conflict of Interest. No member of the Board of Aldermen, the TIF Commission, or any branch of the City's government who has any power of review or approval of any of the Developer's undertakings, or of the City's contracting for goods or services for the Redevelopment Area, shall participate in any decisions relating thereto which affect that member's personal interests or the interests of any corporation or partnership in which that member is directly or indirectly interested. Any person having such interest shall immediately, upon knowledge of such possible conflict, disclose, in writing, to the Board of Aldermen the nature of such interest and seek a determination by the Board of Aldermen with respect to such interest and, in the meantime, shall not participate in any actions or discussions relating to the activities herein proscribed.

7.8 Damage or Destruction of Redevelopment Project. In the event of total destruction or damage to the Redevelopment Project by fire or other casualty, during construction or thereafter during the term of this Agreement so long as any TIF Notes are outstanding and the Developer owns the Property, the Developer shall determine and advise the City in writing within one year of such destruction or damage whether to restore, reconstruct and repair any such destruction or damage so that the Redevelopment Project will be completed or rebuilt in accordance with the Redevelopment Plan and this Agreement. Should the Developer determine not to restore, reconstruct and repair, all unaccrued liability of the City for any payments of principal or interest on the TIF Notes shall immediately terminate and the Developer shall promptly surrender the TIF Notes to the City for cancellation. In the event of such total destruction or damage during the term of this Agreement and after any TIF Bonds are issued or the issuance of a TIF Note to a Note Purchaser other than the Developer or a Related Entity, the Developer shall, at the City's option after consultation with the Developer, tender to the City that portion of the insurance proceeds, if any, to which Developer is entitled, from any fire or casualty insurance policy in an amount equal to the outstanding principal amount of the TIF Bonds or TIF Notes, plus accrued interest thereon to be deposited into the Special Allocation Fund.

7.9 Inspection. The City may conduct such periodic inspections of the Work as may be generally provided in the building code of the City. In addition, the Developer shall allow other authorized representatives of the City reasonable access to the Work site from time to time upon advance notice prior to the completion of the Work for inspection thereof. The Developer shall not unreasonably deny the City and its officers, employees, agents and independent contractors the right to inspect, upon request, all architectural, engineering, demolition, construction and other contracts and documents pertaining to the construction of the Work as the City determines is reasonable and necessary to verify the Developer's compliance with the terms of this Agreement.

7.10 Choice of Law. This Agreement shall be taken and deemed to have been fully executed, made by the parties in, and governed by the laws of State of Missouri for all purposes and intents.

7.11 Entire Agreement; Amendment. The parties agree that this Agreement constitutes the entire agreement between the parties and that no other agreements or representations other than those contained in this Agreement have been made by the parties. This Agreement shall be amended only in writing and effective when signed by the authorized agents of the parties.

7.12 Counterparts. This Agreement may be executed in multiple counterparts, each of which shall constitute one and the same instrument.

7.13 Severability. In the event any term or provision of this Agreement is held to be unenforceable by a court of competent jurisdiction, the remainder shall continue in full force and effect, to the extent the remainder can be given effect without the invalid provision.

7.14 Representatives Not Personally Liable. No elected or appointed official, agent, employee or representative of the City shall be personally liable to the Developer in the event of any default or breach by any party under this Agreement, or for any amount which may become due to any party or on any obligations under the terms of this Agreement.

7.15 Actions Contesting the Validity and Enforceability of the Redevelopment Plan. During such time as the Developer is the registered owner of the TIF Notes, in the event a third party brings an action against the City or the City's officials, agents, attorneys, employees or representatives contesting the validity or legality of the Redevelopment Area, the Redevelopment Plan, the TIF Obligations, or the ordinance approving this Agreement, Developer may, at its option, join the City in defense of such claim or action. The parties expressly agree that, so long as no conflicts of interest exist between them with regard to the handling of such litigation, the same attorney or attorneys may simultaneously represent the City and the Developer in any such proceeding. The Developer shall be responsible for all reasonable and necessary costs and expenses incurred by the City and by the Developer in connection with the defense of such claim or action, provided that if the City does not approve a settlement or compromise which the Developer would agree to, the Developer shall not be responsible for any costs or expenses incurred thereafter in the defense of such claim or action. All cost of any such defense, whether incurred by the City or the Developer, shall be deemed to be Reimbursable Redevelopment Project Costs and reimbursable from any amounts in the Special Allocation Fund, subject to **Article IV** of this Agreement.

7.16 Release and Indemnification. The indemnifications and covenants contained in this Section shall survive termination or expiration of this Agreement.

7.16.1 The City and its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable to the Developer for damages or otherwise in the event that all or any part of the TIF Act, or any ordinance adopted in connection with either the TIF Act, this Agreement or the Redevelopment Plan, is declared invalid or unconstitutional in whole or in part by the final (as to which all rights of appeal have expired or have been exhausted) judgment of any court of competent jurisdiction, and by reason thereof either the City is prevented from performing any of the covenants and agreements herein or the Developer is prevented from enjoying the rights and privileges hereof.

7.16.2 The Developer releases from and covenants and agrees that the City and its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable for, and agrees to indemnify and hold harmless the City, its governing body members, officers, agents, attorneys, employees and independent contractors against any and all claims, demands, liabilities and costs, including reasonable attorneys' fees, costs and expenses, arising from damage or injury, actual or claimed (excluding consequential and punitive damages), to persons or property occurring or allegedly occurring as a result of any negligent or malicious acts or omissions of the Developer, its governing body members, officers, agents, attorneys, employees and independent contractors, in connection with its or their activities conducted pursuant to this Agreement.

7.16.3 The City and its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable for any damage or injury to the persons or property of the Developer or its officers, agents, employees, independent contractors or any other persons who may be about the Property or the Work except for matters arising out of the gross negligence or willful misconduct of the City and its governing body members, officers, agents, attorneys, employees and independent contractors.

7.16.4 All covenants, stipulations, promises, agreements and obligations of the City contained herein shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the City and not of any of its governing body members, officers, agents, attorneys, employees or independent contractors in their individual capacities.

7.16.5 No governing body members, officers, agents, attorneys, employees or independent contractors of the City shall be personally liable to the Developer (i) in the event of a default or breach by any party under this Agreement or (ii) for any amount or any TIF Obligations which may become due to any party under the terms of this Agreement.

7.16.6 The Developer releases from and covenants and agrees that the City, its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable for, and agrees to indemnify and hold the City, its governing body members, officers, agents, attorneys, employees and independent contractors, harmless from

and against any and all third party suits, interest, claims and cost of reasonable attorneys fees incurred by any of them, resulting from, arising out of, or in any way connected with: (i) the enforcement of this Agreement, the validity of the TIF Obligations or the enforcement or validity of any other agreement or obligation made in connection therewith and their approvals (excluding opinions of counsel and of the City's financial advisors whenever such claim is based on such party's own negligence); (ii) the negligence or willful misconduct of the Developer or its officers, agents, employees or independent contractors in connection with the design, management, development, redevelopment and construction of the Work, or (iii) the compliance by the Developer with all applicable state, federal and local environmental laws, regulations and ordinances as applicable to the Property, to the extent such condition existed prior to the acquisition thereof by the Developer. This TIF Note is one of an authorized series of fully registered Notes of the City designated "City of St. Louis, Missouri, [Taxable][Tax-Exempt] Tax Increment Revenue Notes (Mississippi Place Redevelopment Project), Series 200___," issued in an aggregate principal amount of not to exceed \$825,000 plus Issuance Costs (the "Notes"). The TIF Notes are being issued for the purpose of paying a portion of the Redevelopment Project Costs in connection with the Redevelopment Plan, under the authority of and in full compliance with the Constitution and laws of the State of Missouri, including particularly the Real Property Tax Increment Allocation Redevelopment Act, Sections 99.800 to 99.865, of the Revised Statutes of Missouri (2000) (the "Act"), and pursuant to the Note Ordinance.

The TIF Notes and the interest thereon shall be special, limited obligations of the City payable solely from and secured as to the payment of principal and interest, by the Available Revenues and other moneys pledged thereto and held by the Finance Officer as provided herein. "Available Revenues" means all monies on deposit from time to time (including investment earnings thereon) in (a) the PILOTS Account; and (b) subject to annual appropriation, the EATS Account that have been appropriated to the repayment of the TIF Notes, excluding (i) any amount paid under protest until the protest is withdrawn or resolved against the taxpayer or (ii) any sum received by the City which is the subject of a suit or other claim communicated to the City which suit or claim challenges the collection of such sum.

The TIF Notes or portions of Notes to be redeemed shall become due and payable on the redemption date, at the redemption price therein specified, and from and after the redemption date (unless the City defaults in the payment of the redemption price) such TIF Notes or portion of TIF Notes shall cease to bear interest. Upon surrender of such TIF Notes for redemption in accordance with such notice, the redemption price of such TIF Notes shall be paid by the Finance Officer. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. BE IT ORDAINED BY THE CITY OF ST. LOUIS AS FOLLOWS:

SECTION ONE. The Board of Aldermen hereby makes the following findings:

A. The Redevelopment Area on the whole is a "blighted area", as defined in Section 99.805 of the TIF Act, and has not been subject to growth and development through investment by private enterprise and would not reasonably be anticipated to be developed without the adoption of tax increment financing. This finding includes, the Redevelopment Plan sets forth, and the Board of Aldermen hereby finds and adopts by reference: (i) a detailed description of the factors that qualify the Redevelopment Area as a "blighted area" and (ii) an affidavit, signed by the Developer and submitted with the Redevelopment Plan, attesting that the provisions of Section 99.810.1(1) of the TIF Act have been met, which description and affidavit are incorporated herein as if set forth herein.

B. The Redevelopment Plan conforms to the comprehensive plan for the development of the City as a whole.

C. In accordance with the TIF Act, the Redevelopment Plan states the estimated dates of completion of the Redevelopment Projects and retirement of the financial obligations issued to pay for certain redevelopment project costs and these dates are twenty three (23) years or less from the date of approval of the Redevelopment Projects.

D. A plan has been developed for relocation assistance for businesses and residences in Ordinance No. 62481 adopted December 20, 1991.

E. A cost-benefit analysis showing the economic impact of the Redevelopment Plan on each taxing district which is at least partially within the boundaries of the Redevelopment Area is on file with the St. Louis Development Corporation, which cost-benefit analysis shows the impact on the economy if each Redevelopment Project are not built, and is built pursuant to the Redevelopment Plan.

F. Redevelopment of the Redevelopment Area in accordance with the Redevelopment Plan is not financially feasible without the assistance of tax increment financing and would not otherwise be completed.

G. The Redevelopment Plan does not include the initial development or redevelopment of any "gambling establishment" as that term is defined in Section 99.805(6) of the TIF Act.

H. The Redevelopment Area includes only those parcels of real property and improvements thereon directly and substantially benefited by the proposed Redevelopment Projects.

SECTION TWO. The Redevelopment Area described in the Redevelopment Plan is hereby designated as a "redevelopment area" as defined in Section 99.805(11) of the TIF Act.

SECTION THREE. The Redevelopment Plan as reviewed and recommended by the TIF Commission on October 20, 2004, including amendments thereto, if any, is hereby adopted and approved. A copy of the Redevelopment Plan is attached hereto as **Exhibit A** and incorporated herein by reference.

SECTION FOUR. The RPA 1 Project is hereby as described in the Redevelopment Plan is hereby adopted and approved.

SECTION FIVE. The RPA 1 Project is hereby as described in the Redevelopment Plan is hereby adopted and approved.

SECTION FOUR. There is hereby created and ordered to be established within the treasury of the City a separate fund to be known as the "Automobile Row Special Allocation Fund." To the extent permitted by law, the City hereby pledges funds in the Automobile Row Special Allocation Fund for the payment of redevelopment project costs and obligations incurred in the payment thereof.

SECTION FIVE. Tax increment allocation financing is hereby adopted within RPA 1. After the total equalized assessed valuation of the taxable real property in RPA 1 exceeds the certified total initial equalized assessed valuation of the taxable real property in such Redevelopment Project Area, the ad valorem taxes, and payments in lieu of taxes, if any, arising from the levies upon taxable real property in RPA 1 by taxing districts and tax rates determined in the manner provided in Section 99.855.2 of the TIF Act each year after the effective date of this Ordinance until redevelopment costs have been paid shall be divided as follows:

A. That portion of taxes, penalties and interest levied upon each taxable lot, block, tract, or parcel of real property which is attributable to the initial equalized assessed value of each such taxable lot, block, tract, or parcel of real property in the area selected for the RPA 1 Project shall be allocated to and, when collected, shall be paid by the City Collector to the respective affected taxing districts in the manner required by law in the absence of the adoption of tax increment allocation financing;

B. Payments in lieu of taxes attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract, or parcel of real property in the area selected for the RPA 1 Project and any applicable penalty and interest over and above the initial equalized assessed value of each such unit of property in the area selected for the RPA 1 Project shall be allocated to and, when collected, shall be paid to the City Treasurer, who shall deposit such payment in lieu of taxes into the Automobile Row Special Allocation Fund of the City for the purpose of paying redevelopment costs and obligations incurred in the payment thereof. I. INTRODUCTION

The following is a plan prepared by the City of St. Louis ("City") for the redevelopment of eighteen properties, together with auxiliary properties and street improvements, on Locust Street, Olive Street and Washington Avenue in the City of St. Louis. A legal description and map of the Redevelopment Area are contained herein as **Appendix 1**.

The Redevelopment Area consists of eighteen different main properties, together with auxiliary parcels and intervening streets, which comprise two separate Redevelopment Project Areas (collectively, the "Redevelopment Project Areas" or "Project Areas" and each a "Project Area" or "Redevelopment Project Area") located on within the general region bounded by Washington Avenue on the north, Garrison Avenue on the east, Harris Stowe College on the south, and Compton Avenue on the west. The Redevelopment Area qualifies as a blighted area under Missouri's Real Property Tax Increment Allocation Redevelopment Act, Section 99.800-99.865 of the Revised Statutes of Missouri (2000) (the "TIF Act").

This Redevelopment Plan proposes to completely redevelop the Area through two redevelopment projects (each, a "Redevelopment Project" or "Project" and collectively, the "Projects"). The first redevelopment project ("Project 1") consists of the rehabilitation, renovation and reconstruction of nine properties, together with their auxiliary parcels and intervening streets ("RPA 1") into a mix of commercial and residential uses, together with available parking and public improvements. The second redevelopment project consists of the rehabilitation, renovation, construction and reconstruction of nine properties, together with attendant parcels and intervening streets ("RPA 2") into a mix of commercial and residential uses, as well as available parking and public improvements.

This Redevelopment Plan proposes that the City initially authorize and issue one or more Tax Increment Financing Notes ("TIF Notes") in an amount equal to One Million Eight Hundred Thousand and no/100 (\$1,800,000.00) plus issuance costs to fund a portion of the costs of Project 1 and one or more TIF Notes in an amount equal to Three Million and no/100 (\$3,000,000.00) plus issuance costs to fund a portion of the costs of Project 2. The TIF Notes issued shall be reimbursed solely from the revenue stream of Payments In Lieu of real estate Taxes ("PILOTS") and Economic Activity Taxes ("EATS") generated by the Project over a twenty-three year period. Fifty percent of EATS, as defined by the TIF Act, generated within the designated Redevelopment Area will be allocated to retire the TIF Notes. One hundred percent of PILOTS within the Redevelopment Area will also be allocated to retire the TIF Notes. After completion of the Redevelopment Project, the City may issue TIF Note(s) or other TIF obligations to the developer of the Project ("Developer") or a third party to evidence the City's obligation to reimburse the Developer for a portion of the costs of the Redevelopment Project. Such TIF Note(s) will be paid solely from revenues on deposit in the Automobile Row Special Allocation Fund, in accordance with and pursuant to the TIF Act. Upon receipt by the City of a written request by Developer and evidence that the Developer has met certain criteria agreed upon by the City and Developer in a Redevelopment Agreement, the City shall cause one of its agencies to immediately proceed to issue tax increment financing bonds ("TIF Bonds") to repay the TIF Notes.

Other financing aspects of the Redevelopment Project are discussed in more detail in Section IV.

II. OVERVIEW OF TAX INCREMENT FINANCING

In order to promote the redevelopment of a declining area, or to induce new activity in an area that has been lacking in growth and development, the State of Missouri has provided statutory tools to counties and municipalities to assist private, and initiate public, investment. One such tool is the TIF Act.

The TIF Act allows cities and counties to (1) identify and designate redevelopment areas that qualify as Blighted Areas, Conservation Areas, or Economic Development Areas as each are defined in the TIF Act; (2) adopt a redevelopment plan that designates the redevelopment area and states the objectives to be attained and the program to be undertaken; (3) approve a redevelopment project(s) for implementation of the redevelopment plan; and (4) utilize the tools set forth in the TIF Act to assist in reducing or eliminating those conditions that cause the area to qualify as a redevelopment area. Generally, the TIF Act allows municipalities to foster economic and physical improvements in a redevelopment or project area and to enhance the tax base of all

taxing districts that levy taxes in such area. Within redevelopment areas, municipalities may use the power of eminent domain to provide necessary property acquisition for the implementation of a redevelopment plan and redevelopment project.

The concept of tax increment financing is outlined as follows: implementation of a redevelopment project within the redevelopment area will produce increased real estate assessments attributable to the redevelopment within the area. The project then makes PILOTS on the increased assessed value of the improved property. The project also generates new EATS resulting from operations within the redevelopment or project area. The TIF Act authorizes the capture of certain PILOTS and EATS in the redevelopment or project area over and above such levels within that area in the year prior to the approval of the redevelopment project. New development is made possible within the redevelopment area through the municipality's use of incremental revenues to finance certain costs of developing or redeveloping the area.

The municipality segregates these incremental revenues into a special account, the "special allocation fund," during the period of time in which the incremental revenues are dedicated to the purposes identified in the redevelopment plan. The municipality is further authorized to pledge additional net new revenues from the project to the purposes identified in the redevelopment plan. All taxing districts that levy taxes on property within the redevelopment or project area continue to receive tax revenues based upon property values which existed prior to the adoption of ordinances establishing the redevelopment or project area. Taxing districts also benefit from the increase in certain other taxes resulting from the increased economic activity in the redevelopment or project area. These taxes resulting from development of the redevelopment project are not deposited in the special allocation fund pursuant to the provisions of the TIF Act.

The TIF Act requires that, prior to establishing a redevelopment area or approving or amending TIF redevelopment plans and projects, a municipality must create a TIF Commission. A TIF Commission is comprised of six individuals appointed by the chief elected official of the municipality, with the consent of its governing body, and three individuals who are appointed by the other taxing districts within the proposed redevelopment area. Two of these three members are to represent the school district(s) that tax property within the proposed redevelopment area; the other member is appointed by all the remaining taxing districts. The TIF Commission's role is to review, consider, and make recommendations to the municipality's governing body concerning the adoption of redevelopment plans and redevelopment projects and the designation of redevelopment areas, and to exercise such other powers as are available to it under the TIF Act.

III. FINDING THAT REDEVELOPMENT AREA IS A BLIGHTED AREA

As defined in the TIF Act, a "blighted area" is:

An area which, by reason of the predominance of defective or inadequate street layout, unsanitary or unsafe conditions, deterioration of site improvements, improper subdivision or obsolete platting, or the existence of conditions which endanger life or property by fire and other causes, or any combination of such factors, retards the provision of housing accommodations or constitutes an economic or social liability or a menace to the public health, safety, morals, or welfare in its present condition and use.

Section 99.805(1), Mo. Rev. Stat.

The Redevelopment Area is a blighted area as defined in the TIF Act based upon the fact that it exhibits the factors set forth above, which are further discussed as follows:

- i. Deterioration of Site Improvements. In general, deterioration refers to any physical deficiencies or disrepair in buildings or site improvements requiring treatment or repair. Deterioration may be evident in basically sound buildings containing minor defects, such as a lack of painting, loose or missing roof tiles, floor or ceiling panes, or holes and cracks over limited areas. Deterioration which is not easily curable, however, and which cannot be accomplished in the course of normal maintenance includes buildings with defects in the primary and secondary building components.

Primary building components include the foundation, exterior walls, floors, roofs, wiring, plumbing, etc. Secondary building components include the doors, windows, frames, fire escapes, gutters, downspouts, fascia materials, etc. Deterioration of streets and alleys includes evidence of pot holes, cracks, depressions, overgrowth, and poor drainage. Deterioration of sidewalks is evidenced by settled areas, cracks, gravel sections, overgrowth, or depressed curb areas.

The buildings in the Area suffer from deterioration of both primary and secondary building components. Several primary building components exhibit evidence of deterioration. The roofs of portions of buildings in the Area are damaged and leaking. Certain exterior building walls in the Area are completely defaced and deteriorated, with even the underlayers deteriorated to the point where the base layer is exposed. Certain interior walls feature large holes or missing patches leaving the walls totally exposed, while others feature wide cracks throughout. Ceilings in certain buildings in the Area are sagging and indisrepair. Doors in places have deteriorated to the point of becoming unsecure, and windows are missing and cracked in places throughout the Area, and in certain places windows are completely boarded up.

In addition to the deterioration of primary building components, significant deterioration is evident in many of

the secondary components of the buildings in the Area. Wiring and components of utilities and ventilation systems are outdated and exposed in places. Paint is peeling in several places, and the potential existence of lead paint has been cited as an environmental condition in the Area. Windows are cracked or broken throughout the Area, and window frames are in need of substantial rehabilitation or renovation. The streets and sidewalks in the Area suffer from cracking, depression and overgrowth, and ivy has overgrown exterior walls. Portions of the Area lack proper insulation or thermal features for contemporary use. In addition, components of exterior walls are rusted or stripping in several places. Environmental reports have revealed the existence of mold growth on drywall in stairwells in the Area. Finally, trash and debris pollute several portions of the Area due to a lack of regular maintenance.

- ii. Unsanitary or Unsafe Conditions. The Redevelopment Area is characterized by several serious unsanitary and unsafe conditions, including significant environmental concerns that must be investigated and remediated. Some such conditions arise as a result of the past uses of the Area. For instance, at least one building in the Area was used as a dry cleaning facility, and such past use constitutes a significant environmental liability. The past use of portions of the Area for service stations or similar automobile-related uses has resulted in stains on floors and walls in the Area that pose a significant environmental liability. The Area also exhibits evidence of existing underground storage tanks (USTs), which also constitute a serious environmental condition. Other potential environmental conditions involve possible UST leaks, damaged thermal system installation that is suspected of containing asbestos, damaged or peeling paint that is likely lead-based, and possible water contaminants.

In addition to the environmental hazards associated with the properties in the Area, the Area suffers from other unsanitary or unsafe conditions. As noted, the Area is littered with garbage and similar refuse, the existence of which is entirely unsanitary and increases the risk of illness, disease or bodily injury. Nearly all of the buildings in the Area feature missing or broken windows or doors that are not properly secure under modern standards.

- iii. Existence of Conditions which Endanger Lives or Property by Fire and Other Causes. Endangerment by fire and other causes is typically due to the presence of structures below minimum code standards. Such code standards include building, housing, property maintenance, fire, environmental or other governmental codes applicable to a particular property. The principal purpose of such codes is to require buildings to be constructed and maintained so that they will have the capacity to support the type of occupancy, and necessary fire and similar hazard protection, or to establish the minimum standards essential for safe and sanitary use, occupation, and/or habitation.

Due to the deterioration of site improvements of the Redevelopment Area, the Area suffers from endangerment by fire and/or other causes. The Area lacks contemporary safety, sanitation, and other security measures in several places. In addition, the outdated building components exhibit serious signs of environmental contamination. The lack of maintenance and unsafe conditions evident in the Redevelopment Area are a hazard to both real property and personal safety.

- iv. Economic and Social Liability. The Area in its current condition is a significant liability to the general welfare and economic independence of the City. A large majority of the buildings in the Area are entirely vacant, and those that are occupied are operating at below capacity levels, hampering the overall economic efficiency of the City. The Area is located at an important geographic location in relation to the ongoing development efforts in the City, as it lies to the east of Grand Center and St. Louis University and west of downtown and the redevelopment along Washington Avenue. In its present state of vacancy, the Area represents a currently neglected hole in the City between two redeveloping Areas. Should the Area fail to be redeveloped and remain vastly underutilized, it will fall into even greater deterioration, and will hamper the City economically by draining valuable tax resources and underperforming with respect to its potential for tax revenue generation.

In addition to the negative economic impact the Area creates in its current state, the Area also retards the City socially. Without effective redevelopment of the Area, the Grand Center and Washington Avenue Loft District regions will remain unlinked and isolated, and will fail to maximize the synergies of their coterminous redevelopments. More acutely, the conditions of deterioration and vacancy and the existence of refuse throughout the Area hamper the perception of the Area and the City formed by both visitors and residents alike. Such diminished impressions of the City discourage investment and migration to this and other parts of the City, as they foster concerns regarding crime and blight.

- v. Menace to the Public Health, Safety, Morals or Welfare. As discussed above, the Redevelopment Area exhibits many factors which constitute a menace to the public health, safety, morals, or welfare in its present condition and use. The deteriorating, unsanitary, and unsafe site conditions as illustrated above represent a menace to the public health and safety; the economic liability of the deteriorated or obsolete structures discussed above represents a menace to the public welfare.

The above factors, whether considered alone or as combined, constitute an economic and social liability, and pose a menace to the public health, safety, and welfare. As long as such conditions are present in the Redevelopment Area, there will be little incentive for private investment and development to benefit the Area.

In determining if the proposed Redevelopment Area meets the eligibility requirements for TIF per the TIF Act, a number of sources of information were utilized. These include, but are not limited to, the following:

- a. Exterior survey of the condition and use of the Redevelopment Area;
- b. Environmental reports;
- c. Public documents relating to the history and/or condition of the Area; and
- d. Analysis of existing uses and their relationships.

IV. Redevelopment Plan INCLUDING NECESSARY FINDINGS

1. Description of the Redevelopment Area

A legal description and map of the Redevelopment Area are included herein as **Appendix 1**.

2. Redevelopment Plan Objectives

The City of St. Louis has established the following objectives for the Automobile Row TIF Redevelopment Plan. These objectives are consistent with those purposes outlined in the TIF Act, as amended:

- To reduce or eliminate the conditions that cause the Redevelopment Area to be a “blighted area” as defined by Section 99.805(1) of the TIF Act and as described in Section III of this Redevelopment Plan;
- To enhance the public health, safety, and welfare of the community by curing blighting conditions and encouraging other improvements necessary for insuring the Area’s stability and existing and future redevelopment consistent with this Redevelopment Plan;
- To enhance the tax base by inducing development of the Redevelopment Area to its highest and best use, benefit taxing districts and encourage private investment in surrounding areas;
- To capitalize on the recent success of development efforts to the east in the Washington Avenue Loft District and to the west in the vicinity of Grand Center and St. Louis University.
- To enhance the perception and reputation of the Area as a popular residential, commercial and social destination;
- To promote the health, safety, order, convenience, prosperity and the general welfare, as well as efficiency and economy in the process of development;
- To increase property values of the Area;
- To provide development opportunities in the Redevelopment Area and surrounding areas; and
- To stimulate construction and permanent employment opportunities and increased demand for services for the Area.

3. Redevelopment Projects

The Redevelopment Projects incorporate and will satisfy the goals, objectives, and other criteria as set forth in this Redevelopment Plan.

- Residential Use (RPA 1) Conversion of existing industrial and commercial space into residential space with available parking.
- Commercial Use (RPA 1) Conversion and renovation of existing industrial and commercial space into a mix of commercial uses with available parking.
- Public Improvements (RPA 1) Improvements to streets, sidewalks, alleys, streetscapes, and other public areas within RPA 1.
- Residential Use (RPA 2) Conversion of existing industrial and commercial space into residential space with available parking.
- Commercial Use (RPA 2) Conversion and renovation of existing industrial and commercial space into a mix of commercial uses with available parking.
- Public Improvements (RPA 2) Improvements to streets, sidewalks, alleys, streetscapes, and other public areas

within RPA 1.

The Redevelopment Projects are generalized to leave room for design creativity and tenant specifications as needed, so that the Developer can respond to prospective owners' or tenants' needs as well as market conditions as completion of the Redevelopment Project progresses.

It is expected that the Redevelopment Projects will capitalize on existing successful development efforts on Washington Avenue towards the east and Grand Center and the St. Louis University neighborhood to the west. In addition, it is expected that the Projects will encourage an increase in property values and commercial and residential development in the vicinity of the Redevelopment Area.

The total estimated Redevelopment Project Costs for Project 1 at this time equal approximately \$12.6 million and the total estimated Redevelopment Project Costs for Project 2 at this time equal approximately \$21.2 million, as set forth in greater detail in **Appendix 2**. It should be noted that the costs set forth in **Appendix 2** are estimated based on the knowledge of the Redevelopment Projects at this time and that the actual redevelopment cost items for implementing the Redevelopment Projects may vary depending on market conditions and other factors.

4. General Land Uses to Apply

The proposed land uses for the Redevelopment Project are a mix of various residential and commercial uses. The Area is currently located within the "H" Area Commercial District, according to the City of St. Louis. Permitted uses in the "H" Area Commercial District include: single-family through multiple-family dwellings; various retail shops; professional and general offices; wholesale businesses; restaurants; hotels and motels; and parking facilities. As such, the uses proposed by this Plan are currently consistent with the zoning for the Area.

5. Redevelopment Schedule and Estimated Dates of Completion

It is estimated that implementation of the Redevelopment Project will be completed within thirty months from the date of execution of a redevelopment agreement for completion of such project as contemplated by this Redevelopment Plan. The estimated date for retirement of obligations incurred to finance the Redevelopment Project shall not be more than twenty-three (23) years from approval of the Redevelopment Project. Included herein as **Appendix 3** is the anticipated Redevelopment Program Schedule for Project 1 and Project 1.

6. Most Recent Equalized Assessed Value of Parcels within the Redevelopment Area

The current (2004) Equalized Assessed Values of all taxable property in the Redevelopment Area is attached as **Appendix 4**. These values are established and will be confirmed by the Assessor of the City of St. Louis.

7. Estimated Equalized Assessed Value After Redevelopment

The total *estimated* Equalized Assessed Value of all taxable property subject to PILOTS in each Redevelopment Project Area is approximately \$1,812,654 (2007) for RPA 1 after the redevelopment and completion of Project 1 and \$2,457,071 (2007) for RPA 2 after the redevelopment and completion of Project 2. See **Appendix 5**.

8. Acquisition

The Developer or a related entity is currently the owner of record of all parcels within the Area necessary for the Redevelopment Project, has all such parcels under contract or is negotiating such contracts.

9. Blighted Area

As previously described in greater detail in Section III, the Redevelopment Area as a whole is a blighted area, and has not been subject to growth and development through investment by private enterprise and will not reasonably be expected to be developed without the adoption of tax increment financing. The Developer has executed an affidavit attesting to the existence of these conditions which is included herein as **Appendix 6**.

The costs of construction and site rehabilitation preclude private enterprise from developing the Area to its highest and best use without public assistance. The cost of curing the existing conditions of blight and constructing improvements as contemplated in this Redevelopment Plan is not economically viable if fully borne by the Developer.

10. Conforms with the Comprehensive Plan of the City

The Redevelopment Project conforms with the comprehensive plan for the development of the City as set forth in the "Comprehensive City Plan" (1947), the "St. Louis Development Program" (1973), the "Economic Development Strategy" (1978) and the "Downtown Development Action Plan" (2002).

11. Plan for Relocation Assistance

As the Redevelopment Area is currently largely vacant, relocation of residents or businesses is not anticipated to be necessary within the Redevelopment Area with respect to the Redevelopment Project. To the extent relocation becomes necessary this Redevelopment Plan adopts the City St. Louis Relocation Policy (Ordinance No. 62481) as the relocation policy for this Redevelopment Plan.

12. Cost Benefit Analysis

A cost benefit analysis showing a net benefit to each taxing district impacted by this Redevelopment Plan is on file with the St. Louis Development Corporation, 1015 Locust Street, Suite 1200, St. Louis, MO 63101.

If the TIF Redevelopment Project is completed, then each of the taxing districts will continue to receive all of the tax revenues currently received from the Redevelopment Area. Additionally, they will benefit from the additional property taxes and economic activity taxes which will be paid and not contributed to the TIF. The TIF Act allows for the collection of only 50% of the EATS for payment of project costs. The other 50% are distributed to the appropriate taxing authorities.

13. Does Not Include Gambling Establishment

The Redevelopment Plan does not include the initial development or redevelopment of any gambling establishment.

14. Reports to DED

As required by the Statute, the City shall report to the Department of Economic Development by the last day of February each year, the name, phone number, and primary line of business of any business which locates within the Redevelopment Area.

V. FINANCING PLAN

1. Eligible Redevelopment Project Costs

The TIF Act provides for the use of tax increment revenues generated by a designated redevelopment area to pay all reasonable or necessary costs incurred, estimated to be incurred, or incidental to a redevelopment plan or redevelopment project within a designated TIF redevelopment area. A municipality may pledge all or any part of the funds in and to be deposited in the special allocation fund established for a redevelopment project area to the payment of redevelopment project costs and obligations within the redevelopment area, including the retention of funds for the payment of future redevelopment costs.

The estimated Redevelopment Project Costs to be incurred in connection with Project 1 are approximately \$12.6 million and with Project 2 are approximately \$21.2 million and are set forth in **Appendix 2**. More specifically, the TIF Act allows the City and/or its designated developer(s) to incur redevelopment costs associated with implementation of an approved Redevelopment Plan and approved Redevelopment Project. These costs include all reasonable or necessary costs incurred, and any costs incidental to a Redevelopment Project. Thus, this Redevelopment Plan anticipates that a portion of the sources of funds used to pay the Project Costs will come from the TIF revenues, which, in accordance with the TIF Act, may include but are not limited to:

- Costs of studies, surveys, plans and specifications;
- Professional service costs including, but not limited to, architectural, engineering, legal, marketing, financial, planning or special services;
- Property assembly costs including, but not limited to, acquisition of land and other real or personal property rights, or interests therein;
- Costs of rehabilitation, reconstruction, or repair or remodeling of existing buildings and fixtures;
- Costs of construction of public works or improvements;
- Financing costs including, but not limited to, all necessary and incidental expenses related to the issuance of obligations, and which may include the payment of interest on any obligation issued under the provisions of this Redevelopment Plan accruing during the estimated period of construction of any Redevelopment Project for which such obligations are issued and for not more than eighteen months thereafter, and including reasonable reserves related thereto; and
- All or a portion of a taxing district's capital costs resulting from the Redevelopment Project necessarily incurred or to be incurred in furtherance of the objectives of the Redevelopment Plan and Project, to the extent the City, by written agreement, accepts and approves such costs.

The costs shown on **Appendix 2** represent the total approximate costs of the project regardless of the source of funding. This table does not include all custom finishes over and above Developer-supplied finishes, which are unknown at this time. Typical plan implementation and financing costs are based on the experience of the Developer. It should be noted that these costs are based

on the knowledge of the Projects at this time and that the actual redevelopment cost items for implementing the Redevelopment Plan and the Redevelopment Projects may vary from these estimates.

It is not the intent of **Appendix 2** or this Redevelopment Plan to restrict the City or the Developer to the cost amounts or cost items as outlined. During the life of the Redevelopment Area, Plan, Project Areas and Projects, other costs may be incurred or adjustments may be made within and among the line items specified in **Appendix 2**, if necessary and reasonable to accomplish the program objectives of the Redevelopment Plan.

2. Anticipated Sources of Funding to Pay Redevelopment Project Costs

There are five principal sources of potential funds that are anticipated to be used to pay the costs of implementation of the Redevelopment Plan and the Redevelopment Project previously described. These sources are:

- State Historic Tax Credits;
- Owner Equity;
- Private Financing;
- Federal Historic Tax Credits;
- Funds available through the issuance of TIF notes, bonds, loans, certificates or other certificates of indebtedness (herein collectively referred to as “TIF Note or other financial obligations”).

The anticipated type and term of the sources of funds are set forth in **Appendix 2**. It is not the intent of **Appendix 2** or this Redevelopment Plan to restrict the City or the Developer to the sources or source amounts as outlined. During the life of the Redevelopment Agreement, Plan, Project Areas and Projects, other sources may be found or adjustments may be made within or in addition to the sources specified in **Appendix 2**.

3. TIF Note Funding

This Redevelopment Plan proposes that the City initially authorize the issuance of one or more Tax Increment Financing Notes (“TIF Note”) with respect to Project 1 in a total amount equal to One Million Eight Hundred Thousand Dollars and no/100 (\$ 1,800,000.00) plus issuance costs to fund a portion of the Redevelopment Project Costs associated with completion of Project 1, with a term of retirement for all such issues not more than 23 years, and one or more TIF Notes with respect to Project 2 in a total amount equal to Three Million Dollars and no/100 (\$3,000,000.00) to fund a portion of the Redevelopment Project Costs associated with completion of Project 2, with a term of retirement for all such issues not more than 23 years. The TIF Notes or other financial obligations will be issued only to finance the Redevelopment Project and Redevelopment Project Costs as outlined in **Appendix 2** which are eligible costs as specified in Section 99.805(11) of the TIF Act, including any costs of issuing the TIF Notes or other financial obligations.

The Notes may be issued in one or more series and may include notes, temporary notes or other financial obligations to be redeemed by TIF Notes upon completion each Project. In addition, these Notes or other financial obligations may be privately placed. It is the City’s intent to pay for the principal and interest on these Notes or other financial obligation, in any year, solely with money legally available for such purpose within the City’s Special Allocation Fund with respect to each Project.

The City’s Special Allocation Fund for each Project will contain at least two accounts as provided for and in accordance with the TIF Act:

1. The “PILOTS Account” will contain all payments in lieu of taxes derived from all taxable lots, blocks, tracts, and parcels of real property (or any interest therein) within the Redevelopment Area as contemplated by this Redevelopment Plan and in accordance with the TIF Act; and
2. The “Economic Activity Taxes (“EATS”) Account” will contain fifty percent (50%) of the total funds from taxes imposed by the City which are generated by the operations and activities within the Redevelopment Area, excluding licenses, fees or special assessments, and excluding personal property taxes and payments to the PILOTS Account, in accordance with the TIF Act.

Funds on deposit in the PILOTS Account will be pledged to the payment of the Redevelopment Project Costs. Funds on deposit in the EATS Account will be subject to annual appropriation by the City for payment of the Redevelopment Project Costs. Such payment obligations shall not constitute debts or liabilities of the City, the State of Missouri, or any political subdivision thereof within the meaning of any constitutional or statutory debt limitation or restriction and neither the City nor the State of Missouri shall be liable thereon except from the PILOTS Account, and, to the extent appropriated by the City on an annual basis, from funds derived from other taxes deposited into the Special Allocation Fund.

4. Evidence of Commitment to Finance Redevelopment Project Costs

Appendix 7 contains a preliminary commitment letter provided by Allegiant Bank, which has made a preliminary review

of the development proposal and has expressed a commitment to provide financing of Redevelopment Project Costs associated with the Redevelopment Project.

AFFIDAVIT

I, the undersigned, am over the age of 18 years and have personal knowledge of matters stated herein.

The undersigned swears, affirms and certifies the following to be true to induce the approval of Tax Increment Financing for the Redevelopment Area described in the Automobile Row Tax Increment Financing Redevelopment Plan, dated September 4, 2004 (the "Redevelopment Plan").

- 1. I am a duly authorized representative of Integration, L.L.C. (the "Developer"), and am authorized by the Developer to attest to the matters set forth herein.
2. I am familiar with the Redevelopment Area described in the Redevelopment Plan. In my opinion, based on the factors set forth in the Redevelopment Plan, the Redevelopment Area, on the whole, qualifies as a "blighted area" as defined in Section 99.805(3) of the Missouri Revised Statutes (2000), and has not been subject to growth and development through investment by private enterprise and would not reasonably be anticipated to be developed without the adoption of tax increment financing.

And Further Affiant Sayeth Not.

Re: Proposed TIF Project

Dear Mr. Johnson:

The purpose of this letter is to reiterate Allegiant Bank's commitment to provide financing for your proposed project to renovate and rehabilitate several properties located at 3100-3128 Olive Street and within the area bounded by Washington Avenue on the north, Cardinal Avenue on the east, Olive Street on the south, and Compton Avenue on the west (the "Project").

As we have discussed, financing of the Project would not be feasible without the assistance of tax increment financing. Therefore, please be advised that we are excited to explore the possibility of financing the Project should the City of St. Louis issue the necessary tax increment financing.

Should you have any questions, please do not hesitate to call.

Very truly yours,

Brian M. Davies
