Any additional properties acquired by the Developer for completion of the Work shall be held in the name of the Developer and shall be subject to the terms, conditions and covenants contained herein and in the Redevelopment Plan immediately upon acquisition.

**3.2 Condemnation.** As of the date of this Agreement, it is not anticipated that the exercise of the power of eminent domain will be necessary to acquire any portion of the Property in the Redevelopment Area.

**3.3 Relocation.** The Developer shall identify any Displaced Person (as defined in Ordinance No. 62481 of the City) that is entitled to relocation payments or relocation assistance under the Relocation Plan. The City shall, at the Developer's sole cost and expense, subject to reimbursement as a Reimbursable Redevelopment Project Cost in accordance with **Article IV** of this Agreement, coordinate such relocation payments and relocation assistance in accordance with the Relocation Plan. Notwithstanding the foregoing, as of the date of this Agreement, it is not anticipated that any such relocation assistance will be necessary in connection with the Redevelopment Project.

**3.4 Developer to Construct the Work.** The Developer shall commence or cause the commencement of the construction of the Work within one hundred twenty (120) days of the date of this Agreement, which Work shall be constructed in a good and workmanlike manner in accordance with the terms of this Agreement and the Redevelopment Plan. The Developer shall substantially complete or cause the Work to be substantially complete not later than October 31, 2008 absent an event of Force Majeure. In the event of any delay caused by an event of Force Majeure as defined in **Section 7.5** of this Agreement, Developer shall be granted additional time to complete the Work, but under no circumstance shall such time to complete the Work extend beyond October 31, 2009.

The Developer may enter into or cause to be entered into one or more construction contracts to complete the Work. Prior to the commencement of construction of any portion of the Work, the Developer shall obtain or shall require that any of its contractors obtain workers' compensation, comprehensive public liability and builder's risk insurance coverage in amounts customary in the industry for similar type projects. The Developer shall require that such insurance be maintained by any of its contractors for the duration of the construction of such portion of the Work. To the extent that laws pertaining to prevailing wage and hour apply to any portion of the Work the Developer agrees to take all actions necessary to apply for the wage and hour determinations and otherwise comply with such laws.

**3.5 Governmental Approvals.** The City and, at its direction, the St. Louis Development Corporation agree to employ reasonable and good faith efforts to cooperate with the Developer and to process and timely consider and respond to all applications for the Governmental Approvals as received, all in accordance with the applicable City ordinances and laws of the State of Missouri.

**3.6 Construction Plans; Changes.** The Construction Plans shall be prepared by a professional engineer or architect licensed to practice in the State of Missouri and the Construction Plans and all construction practices and procedures with respect to the Work shall be in conformity with all applicable state and local laws, ordinances and regulations. During the progress of the Work, the Developer may make such reasonable changes, including without limitation modification of the construction schedule, subject to the provisions of **Section 3.4**, including but not limited to, dates of commencement and completion (subject to the time limitations set forth in this Agreement), modification of the areas in which the Work is to be performed, relocation, expansion or deletion of items, revisions to the areas and scope of Work, and any and all such other changes as site conditions or orderly development may dictate or as may be necessary or desirable, in the sole determination of the Developer, to enhance the economic viability or eligibility of state and/or federal historic tax credits of the Redevelopment Project and as may be in furtherance of the general objectives of the Redevelopment Plan; provided that (a) the Developer shall comply with all laws, regulations and ordinances of the City and (b) prior to any material changes, the Developer shall obtain the advance written consent of the St. Louis Development Corporation, which consent shall not be unreasonably withheld or delayed, provided that the St. Louis Development Corporation shall approve any such change that is required by a governmental authority in order to obtain historic tax credits for the Redevelopment Project and to comply with the Federal and State Historic Tax Credit programs.. For purposes of this **Section 3.6**, "material changes" shall mean (i) any change that could reasonably be expected to result in a decrease in the aggregate amount of TIF Revenues generated within the Redevelopment Area to an amount less than 90% of the aggregate amount of TIF Revenues as projected in the Proposal; or (ii) any change that would reduce or increase the final number of residential units by more than ten percent (10%) of the estimated number of residential units set forth in this Agreement, the Redevelopment Plan and the Construction Plans.

**3.7 Certificate of Commencement of Construction.** The Developer shall furnish to the St. Louis Development Corporation, with a copy to the Comptroller, a Certificate of Commencement of Construction, which certificate shall be submitted for the Redevelopment Project in accordance with the schedule set forth in **Section 3.4** of this Agreement and in the form of **Exhibit C** attached hereto and incorporated herein by reference. The Certificate of Commencement of Construction shall be deemed accepted by the St. Louis Development Corporation upon receipt of the same.

**3.8 Certificate of Substantial Completion.** Promptly after substantial completion of the Work, the Developer shall furnish to the City and the St. Louis Development Corporation a Certificate of Substantial Completion. The Mayor or his designee and the St. Louis Development Corporation shall, within thirty (30) days following delivery of the Certificate of Substantial Completion, carry out such inspections as it deems necessary to verify to its reasonable satisfaction the accuracy of the certifications contained in the Certificate of Substantial Completion. The Certificate of Substantial Completion shall be deemed accepted by the City and the St. Louis Development Corporation unless, within thirty (30) days following delivery of the Certificate of Substantial Completion, the Mayor or his designee or St. Louis Development Corporation furnishes the Developer with specific written objections to the status of the Work, describing such objections and the measures required to correct such objections in reasonable detail. In the case where the Mayor or his designee or St. Louis Development Corporation, within thirty (30) days following delivery of the Certificate of Substantial Completion provides the Developer with specific written objections to the status of the Work, the Developer shall have such amount of time as is reasonably necessary to address such objections and when addressed shall re-submit the Certificate of Substantial Completion to the Mayor or his designee or the St. Louis Development Corporation in accordance with this Section. Upon acceptance of the Certificate of Substantial Completion by the Mayor or his designee and the St. Louis Development Corporation for the Redevelopment Project, or upon the lapse of thirty (30) days after delivery thereof to the Mayor or his designee and the St. Louis Development Corporation without any written objections thereto, the Developer may record the Certificate of Substantial Completion with the City's Recorder of Deeds, and the same shall constitute evidence of the satisfaction of the Developer's agreements and covenants to perform all the Work. The Certificate of Substantial Completion shall be in substantially the form attached as **Exhibit E**, attached hereto and incorporated by referenced herein.

#### **ARTICLE IV. REIMBURSEMENT OF DEVELOPER COSTS**

**4.1 City's Obligation to Reimburse Developer.** Subject to the terms of the Note Ordinance and this Agreement, the City agrees to reimburse Developer for the verified Reimbursable Redevelopment Project Costs in a total amount not to exceed Two Million Four Hundred Thousand Dollars (\$2,400,000) plus Issuance Costs to be allocated to the Redevelopment Project.

Subject to the terms of the Note Ordinance and this Agreement, the City agrees to issue TIF Notes to Developer to evidence the City's obligation to reimburse Developer for verified Reimbursable Redevelopment Project Costs in an amount not to exceed Two Million Four Hundred Thousand Dollars (\$2,400,000), plus Issuance Costs and interest as provided in **Section 5.2** of this Agreement, subject to the limitations of **Article IV** of this Agreement.

**4.2 Reimbursements Limited to Reimbursable Redevelopment Project Costs; Developer's Right to Substitute.** Nothing in this Agreement shall obligate the City to issue TIF Notes or to reimburse the Developer for any cost that is not incurred pursuant to Section 99.820.1 of the TIF Act or that does not qualify as a "redevelopment project cost" under Section 99.805(14) of the TIF Act. The Developer shall provide to the City (a) itemized invoices, receipts or other information evidencing such costs; and (b) a Certificate of Reimbursable Redevelopment Project Costs constituting certification by the Developer that such cost is eligible for reimbursement under the TIF Act. Within thirty (30) days of the City's receipt from the Developer of a Certificate of Reimbursable Redevelopment Project Costs, the City shall review and act upon such Certificate of Reimbursable Redevelopment Project Costs. The parties agree that each of the categories of costs set forth in **Exhibit B**, attached hereto and incorporated herein

by this reference, shall constitute Reimbursable Redevelopment Project Costs which are eligible for reimbursement in accordance with the TIF Act and this Agreement. The Developer shall be entitled to reimbursement for Redevelopment Project Costs from any of the categories set forth in **Exhibit B** up to the maximum aggregate amount established in **Section 4.1** of this Agreement; *provided*, that the Developer shall be obligated to advance to the City the full amounts identified in **Section 2.2, clauses (i)-(v)**, of this Agreement. If the City determines that any cost identified as a Reimbursable Redevelopment Project Cost is not a "redevelopment project cost" under Section 99.805(14) of the TIF Act, the City shall so notify the Developer in writing within the 30-day period referenced in this **Section 4.2**, identifying the ineligible cost and the basis for determining the cost to be ineligible, whereupon the Developer shall have the right to identify and substitute other Redevelopment Project Costs as Reimbursable Redevelopment Project Costs with a supplemental application for payment. If the City fails to approve or disapprove any Certificate of Reimbursable Redevelopment Project Costs within thirty (30) days after receipt thereof, the Certificate of Reimbursable Redevelopment Project Costs shall be deemed approved.

**4.3 Cost Savings and Excess Profits.** In addition to the documents required to be provided to the City under **Section 4.2** of this Agreement, upon final completion of the Redevelopment Project, Developer shall provide to the City itemized invoices, receipts, pay applications or other information evidencing the Verified Total Project Costs. Within ninety (90) days after the close of the initial sale of the last of all of the residential units located in the Redevelopment Area by the Developer, Developer also shall furnish to the City a statement detailing the Excess Project-Related Profits. The maximum amount of Reimbursable Redevelopment Project Costs for which the Developer shall be reimbursed by the City as provided for in **Section 4.1** of this Agreement and the maximum amount of any TIF which shall be issued by the City in accordance with **Section 5.2** of this Agreement shall be reduced by an amount equal to seventy-five percent (75%) of the total Excess Project Related Profits.

Developer shall not include developer fees or consultant fees for any service typically performed by the Developer in the Verified Total Project Costs. With respect to any other costs for any services provided by the Developer or any entity related to the Developer, the amount of such costs shall not exceed the amount set forth in the Redevelopment Plan for such services. Moreover, if any of the owners, officers, principals or members of the construction contractor for the redevelopment Project are the same as any owner, officer, principal or member of Developer or general partner in the owner of the development, amounts allowed for aggregate contractor fees shall not exceed eighteen percent (18%) of construction costs as provided for in the Missouri Housing Development Commission's 2005 Qualified Allocation Plan for the Low Income Housing Tax Credit Program and Developer shall include documentation, including detailed invoices and receipts for payment, for each and every item of costs traceable to third parties with no relationship to Developer, in addition to summary applications submitted to Developer by the construction contractor.

**4.4 City's Obligations Limited to Special Allocation Fund and Bond Proceeds.** Notwithstanding any other term or provision of this Agreement, TIF Notes issued by the City to the Developer for Reimbursable Redevelopment Project Costs are payable only from the Special Allocation Fund and from Bond Proceeds, if any, and from no other source. The City has not pledged its full faith and credit relative to the City's obligation to issue the TIF Obligations or to pay any Reimbursable Redevelopment Project Costs. The TIF Obligations shall be special, limited obligations of the City, and shall not constitute debt to the City within any constitutional or statutory meaning of the word "debt."

## ARTICLE V. TIF OBLIGATIONS

**5.1 Conditions Precedent to the Issuance of TIF Notes.** No TIF Notes shall be issued until such time as the City has (i) accepted or been deemed to have accepted a Certificate of Substantial Completion in accordance with the procedures set forth in **Section 3.8** of this Agreement; (ii) approved or been deemed to have approved a Certificate of Reimbursable Redevelopment Project Costs in substantially the form of **Exhibit D**, attached hereto and incorporated herein by reference, in accordance with the procedures set forth in **Section 4.2** of this Agreement; (iii) obtained an opinion of Bond Counsel regarding the taxable nature of the TIF Notes; (iv) received the full payment of all advances required to be paid under **Section 2.2** of this Agreement; and (v) received such other documentation as the City shall reasonably require of Developer in order for the City to obtain an opinion of Bond Counsel as required by this **Section 5.1**.

**5.2 Issuance of TIF Notes.** Within thirty (30) days of the Developer's satisfaction of the conditions of **Section 5.1** of this Agreement, the City agrees to issue one or more TIF Notes as provided in this Agreement and the Note Ordinance to reimburse the Developer for Reimbursable Redevelopment Project Costs up to the maximum amount established in **Section 4.1** of this Agreement, subject to the limitations of **Article IV** of this Agreement. The TIF Notes shall be in a form substantially similar to **Exhibit F**, attached hereto and incorporated herein by reference.

**5.2.1 Terms.** Each TIF Note shall bear simple interest at a fixed rate per annum equal to (i) seven percent (7%) if the interest on such TIF Note, in the opinion of Bond Counsel, is not exempt from Federal income taxation; or (ii) five and one-half percent (5½%) if the interest on such TIF Note, in the opinion of Bond Counsel, is exempt from Federal income taxation. All TIF Notes shall have a stated maturity of the Maturity Date.

**5.2.2 Procedures for Issuance of TIF Notes.** Within thirty (30) days of the Developer's satisfaction of the conditions of **Section 5.1** of this Agreement the City shall issue a TIF Note evidencing reimbursement of Reimbursable Redevelopment Project Costs. Notwithstanding anything contained in this Agreement to the contrary, upon the acceptance by the City of a Certificate of Reimbursable Redevelopment Project Costs and the issuance by the City of a TIF Note as provided in this **Section 5.2.2**, the Developer shall be deemed to have advanced funds necessary to purchase such TIF Notes and the City shall be deemed to have deposited such funds in the Project Fund and shall be deemed to have reimbursed the Developer in full for such costs from the amounts deemed to be on deposit in the Project Fund from time

to time.

**5.2.3 Special Mandatory Redemption of TIF Notes.** All TIF Notes are subject to special mandatory redemption by the City, in whole at any time or in part on each March 1 and September 1 (each, a "Payment Date") occurring after the acceptance by the City of the Certificate of Substantial Completion at a redemption price equal to 100% of the principal amount being redeemed, together with the accrued interest thereon to the date fixed for redemption.

**5.3 Issuance of TIF Bonds.**

**5.3.1** The City may, at its own expense and in its sole and absolute discretion, issue, or cause to be issued, TIF Bonds at any time in an amount sufficient to refund all or a portion of the outstanding TIF Notes.

**5.3.2** Upon receipt of a written request by Developer and upon the City's underwriter's recommendation in favor of issuing TIF Bonds and recommendation of the principal amount thereof based on the criteria set forth below, the City shall use its best efforts to cause the Authority to issue TIF Bonds as described in this Section. The aggregate gross cash proceeds from the sale of the TIF Bonds before payment of Issuance Costs, together with any interest accrued thereon ("Bond Proceeds") of such TIF Bonds will be finally determined by the City after receiving the underwriter's recommendation based on the criteria set forth below. The City shall not be obligated to cause the Authority to issue such TIF Bonds unless the underwriter determines that all of the following criteria are satisfied as of the date of issuance of such bonds, unless such criteria are waived by the City's underwriter. Developer shall not have any liability for any costs associated with the issuance of TIF Bonds but shall bear its own costs and expenses, including any attorneys' fees and expenses, that Developer may incur in complying with this Section. Notwithstanding anything in this Section to the contrary, Developer shall be liable for all costs incurred by the City or the Authority in the event the Developer has requested the issuance of bonds and the City's underwriter has determined that such bonds cannot be issued at such time.

**5.3.2.1 Criteria for Issuance.** The underwriter's recommendation for issuance of TIF Bonds and the principal amount thereof shall be based on the following criteria:

- (i) Acceptance or deemed acceptance by the City of the Certificate of Substantial Completion;
- (ii) Review of projections of TIF Revenues available for debt service as proposed by an independent qualified consultant. Such projections must show that (A) if all available TIF Revenues were to be applied to the immediate repayment of the TIF Bonds, the TIF Bonds would reasonably be anticipated to be retired within twenty-three years from the date of adoption of the Approving Ordinance, and (B) based on a maturity date twenty-three years from the date of adoption of the Approving Ordinance, the TIF Bonds are reasonably likely to achieve debt service coverage ratio reasonably acceptable to the City's underwriter;
- (iii) Developer's documentation of stabilization of the Redevelopment Project for a minimum period of two years after substantial completion as evidenced in a report to the City prepared by a qualified independent consultant to be paid for by the City, which report also sets forth TIF revenue projections for the Redevelopment Project in connection with the issuance of the TIF Bonds;
- (iv) The aggregate net projected debt service on the TIF Bonds (taking into account the principal portion of the TIF Bonds that are issued to establish a reserve fund and to pay Issuance Costs, and including any reserve fund earnings) will be lower than the net average annual debt service on the outstanding TIF Notes, unless the Developer voluntarily elects to defer or forgive principal of and/or interest on the TIF Notes in an amount necessary to make the aggregate net projected debt service on the TIF Bonds lower than the net average annual debt service on the outstanding TIF Notes; and
- (v) The TIF Bonds can be sold at an aggregate net interest cost which is less than the aggregate net interest cost of the TIF Notes to be redeemed.

**5.4 Application of TIF Bond Proceeds.** Proceeds of any TIF Bonds shall be applied:

**5.4.1** To the payment of costs relating to the issuance of the TIF Bonds;

**5.4.2** To the payment of outstanding principal of and interest on the TIF Notes to be refunded;

**5.4.3** To the payment of capitalized interest on the TIF Bonds; and

**5.4.4** To the establishment of a debt service reserve fund for the TIF Bonds in a reasonable amount of the principal amount of TIF Bonds to be issued, as to be determined by the City's underwriter.

**5.5 Cooperation in the Issuance of TIF Obligations.** Developer covenants to cooperate and take all reasonable actions necessary to assist the City and its Bond Counsel, the Authority, underwriters and financial advisors in the preparation of

offering statements, private placement memorandum or other disclosure documents and all other documents necessary to market and sell the TIF Obligations, including disclosure of tenants of the Redevelopment Area and the non-financial terms of the leases between Developer and such tenants. Developer will not be required to disclose to the general public or any investor any proprietary or confidential information, including financial information, pertaining to Developer, but upon the execution of a confidentiality agreement acceptable to Developer, Developer will provide such information to the City's financial advisors, underwriters and their counsel to enable such parties to satisfy their due diligence obligations. Developer shall make such compliance obligation a covenant running with the land, enforceable as if any subsequent transferee thereof were originally a party to and bound by this Agreement.

**5.6 Subordinate Notes.** If the amount of TIF Bonds issued pursuant to this Agreement is insufficient to refund all of the outstanding TIF Notes, the TIF Notes remaining outstanding shall be redeemed by the issuance of notes subordinate to the TIF Bonds (the "Subordinate Notes"). Each Subordinate Note shall have the same maturity and have the same outstanding principal amount and the same interest rate as the TIF Note it redeems. All such Subordinate Notes shall be payable as to principal and interest according to the terms set forth in **Sections 5.4 and 6.3** of this Agreement.

**5.7 City to Select Underwriter and Financial Advisor; Term and Interest Rate.** The City shall have the right to select the designated underwriter (and such financial advisors and consultants as the underwriter and the City deem necessary for the issuance of the TIF Bonds) and underwriter's counsel. The final maturity of the TIF Bonds shall not exceed the maximum term permissible under the TIF Act. The TIF Bonds shall bear interest at such rates, shall be subject to redemption and shall have such terms as the City shall determine in its sole discretion.

#### **ARTICLE VI. SPECIAL ALLOCATION FUND; COLLECTION AND USE OF TIF REVENUES**

**6.1 Creation of Special Allocation Fund.** The City agrees to cause its Comptroller or other financial officer to maintain the Special Allocation Fund, including a "PILOTs Account," an "EATs Account," and such further accounts or sub-accounts as are required by this Agreement or as the Comptroller may deem appropriate in connection with the administration of the Special Allocation Fund pursuant to this Agreement. Subject to the requirements of the TIF Act and, with respect to Economic Activity Taxes, subject to annual appropriation by the Board of Aldermen, the City will promptly upon receipt thereof deposit all Payments in Lieu of Taxes into the PILOTs Account and all Economic Activity Taxes into the EATs Account.

**6.2 Certification of Base for PILOTS and EATS.**

**6.2.1** Upon the reasonable written request of the City, Developer shall use its best efforts to provide or cause to be provided to the Comptroller or its authorized representative any documents necessary for the City to calculate the base for PILOTs and EATs including, but not limited to: (i) the address and locator number of all parcels of real property located within the Redevelopment Area; and (ii) information related to payment of utility taxes by any businesses, owners or other occupants of the Redevelopment Area in the calendar year ending December 31, 2004.

**6.2.2** Within ninety (90) days after execution of the Redevelopment Agreement, the City shall provide to the Developer a true, correct and complete copy of the City Assessor's calculation of the total initial equalized assessed valuation of the taxable real property within the Redevelopment Area based upon the most recently ascertained equalized assessed value of each taxable lot, block, tract, or parcel of real property within the Redevelopment Area.

**6.3 Application of Available Revenues.** The City hereby agrees for the term of this Agreement to apply the Available Revenues and any taxes, fees or assessments subsequently enacted and imposed in substitution therefor and allocable to the Special Allocation Fund under the TIF Act or this Agreement to the repayment of TIF Notes issued under Article V of this Agreement as provided in the Note Ordinance and this Agreement. As long as any TIF Notes are outstanding, Available Revenues shall be applied to such payment each March 1 and September 1 (each, a "Payment Date") occurring after acceptance or deemed acceptance by the City of the Certificate of Substantial Completion (either by the Comptroller or other financial officer or, at the option of the City, by the Trustee on behalf of the City), first from the EATS Sub-Account and then from the PILOTS Sub-Account of the Revenue Fund as established by the Note Ordinance as follows:

**6.3.1** *First*, Pass-Through Payments, as provided below;

**6.3.2** *Second*, to payment of arbitrage rebate, if any, owed with respect to the TIF Notes under Section 148 of the Internal Revenue Code of 1986, as amended, including any costs of calculating arbitrage rebate;

**6.3.3** *Third*, to the Comptroller of the City and the St. Louis Development Corporation (which monies shall be paid one half to the Comptroller and one half to the St. Louis Development Corporation), an amount equal to the lesser of i) Four Thousand Eight Hundred Dollars and no/100 (\$4,800.00), or ii) 0.2% of the Notes outstanding on each Payment Date, plus any accumulated deficiency from previous years, plus an amount sufficient to pay all or any portion of the fees and expenses incurred by the City pursuant to Section 7.15 of the Agreement that have not otherwise been reimbursed to the City through the issuance of TIF Notes;

**6.3.4** *Fourth*, to the Debt Service Fund, an amount sufficient to pay all or any portion of the past due interest owing as a result of prior deficiencies of moneys to pay interest due on any TIF Notes on each Payment Date;

**6.3.5** *Fifth*, to the Debt Service Fund, an amount sufficient to pay all or any portion of the accrued interest becoming due and payable on any TIF Notes on each Payment Date;

**6.3.6** *Sixth*, to the Debt Service Fund, an amount sufficient to pay the principal of any TIF Notes that are subject to redemption pursuant to the Note Ordinance on each Payment Date;

**6.3.7** *Seventh*, all other remaining money in the Special Allocation Fund shall annually be declared as surplus and distributed in the manner provided in the TIF Act.

All monies in the EATs Account of the Special Allocation Fund up to an amount of one hundred percent (100%) of the EATs payments deposited in the EATs Account shall be declared as surplus and distributed in the manner provided in the TIF Act (the "Pass-Through Payment").

Upon the payment in full of the principal of and interest on all TIF Notes (or provision has been made for the payment thereof as specified in the Note Ordinance), payment in full of the fees and expenses of the Comptroller and the St. Louis Development Corporation, and payment in full of any other amounts required to be paid under the Note Ordinance, all amounts remaining on deposit in the Revenue Fund shall be declared as surplus and distributed in the manner provided in the Act.

If monies available in Special Allocation Fund are insufficient to reimburse the City or the Developer as provided above on any Payment Date, then the unpaid portion shall be carried forward to the next Payment Date, with interest thereon.

The City agrees that the officer of the City at any time charged with the responsibility of formulating budget proposals will be directed to include in the budget proposal submitted to the Board of Aldermen, for each fiscal year that TIF Obligations are outstanding, a request for an appropriation of all Available Revenues on deposit in the Special Allocation Fund for application to the payment of the principal of (including, but not limited to, payment of a premium, if any) and interest on the TIF Obligations.

**6.4 Cooperation in Determining TIF Revenues.** The City and the Developer agree to cooperate and take all reasonable actions necessary to cause the TIF Revenues to be paid into the Special Allocation Fund, including, but not limited to, the City's enforcement and collection of all such payments through all reasonable and ordinary legal means of enforcement.

**6.5 Obligation to Report TIF Revenues.** The Developer shall cause any purchaser or transferee of real property located within the Property, and any lessee or other user of real property located within the Property required to pay TIF Revenues, shall use all reasonable efforts to timely fulfill such obligations as are required by **Section 6.4** of this Agreement. So long as any of the TIF Obligations are outstanding, the Developer shall cause such obligations to be covenants running with the land, which covenants shall be enforceable as if such purchaser, transferee, lessee or other user of such real property were originally a party to and bound by this Agreement.

**6.6 Notice to City of Transfer.** The Developer agrees to notify the City in writing of any sale, transfer or other disposition of the Property or any interest therein as permitted by **Section 7.3.2** of this Agreement at least fifteen (15) days prior to such sale, transfer or other disposition. Said notice shall specify the name and address of the person so acquiring any or all of the Property or any interest therein and shall identify the Property to be sold, transferred or otherwise disposed, whether by voluntary transfer or otherwise. Notwithstanding the foregoing, Developer shall not be required to notify the City of the sale, lease or transfer of a residential unit, commercial space or parking space in the ordinary course of business except as required by **Section 4.3**.

## ARTICLE VII. GENERAL PROVISIONS

**7.1 Developer's Right of Termination.** At any time prior to the delivery of a Certificate of Substantial Completion, the Developer may, by giving written notice to the City, abandon the Redevelopment Project and terminate this Agreement and the Developer's obligations hereunder if the Developer determines, in its sole discretion, that the Redevelopment Project is no longer economically feasible. Upon such termination, the City shall have no obligation to reimburse the Developer for any amounts advanced under this Agreement or costs otherwise incurred or paid by Developer.

**7.2 City's Right of Termination.** The City may terminate this Agreement if the Developer fails to submit its Certificate of Substantial Completion, acceptable to the City, in accordance with **Section 3.8** of this Agreement and the schedule set forth in **Section 3.4** of this Agreement. Upon such termination, the City shall have no obligation to reimburse the Developer for any amounts advanced under this Agreement or costs otherwise incurred or paid by Developer.

### **7.3 Successors and Assigns.**

**7.3.1 Binding Effect.** This Agreement shall be binding on and shall inure to the benefit of the parties named herein and their respective heirs, administrators, executors, personal representatives, successors and assigns.

**7.3.2 Assignment or Sale.** Without limiting the generality of the foregoing, all or any part of the Property or any interest therein may be sold, transferred, encumbered, leased, or otherwise disposed of at any time, and the rights of the Developer named herein or any successors in interest under this Agreement or any part hereof may be assigned at any time before, during or after redevelopment of the Redevelopment Project, whereupon the party disposing of its interest in the Property or assigning its interest under this Agreement shall be thereafter released from further obligation under this

Agreement (although any such Property so disposed of or to which such interest pertains shall remain subject to the terms and conditions of this Agreement), provided, however, that until substantial completion of the Redevelopment Project, the fee title to the Property shall not be sold, transferred or otherwise disposed of and the rights, duties and obligations of the Developer under this Agreement shall not be assigned in whole or in part without the prior written approval of the City, which approval shall not be unreasonably withheld or delayed upon a reasonable demonstration by the Developer of the proposed transferee's or assignee's experience and financial capability to undertake and complete such portions of the Work and perform the Developer's obligations under this Agreement, all in accordance with this Agreement. Notwithstanding anything herein to the contrary, the City hereby approves, and no prior consent shall be required in connection with: (a) the right of the Developer to encumber or collaterally assign its interest in the Property or any portion thereof or its rights, duties and obligations under this Agreement to secure loans, advances or extensions of credit to finance or from time to time refinance all or any part of the Redevelopment Project Costs, or the right of the holder of any such encumbrance or transferee of any such collateral assignment (or trustee or agent on its behalf) to transfer such interest by foreclosure or transfer in lieu of foreclosure under such encumbrance or collateral assignment; and (b) the right of Developer to assign the Developer's rights, duties and obligations under this Agreement to a Related Entity; (c) the right of the Developer to sell or transfer a residential unit, commercial space or parking space in the ordinary course of business; provided that in each such event (i) the Developer named herein (KN&C, LLC) shall remain liable hereunder for the substantial completion of the Redevelopment Project, subject, however, to Developer's right of termination pursuant to **Section 7.1** of this Agreement, and shall be released from such liability hereunder only upon substantial completion of the Redevelopment Project and (ii) the Developer provides to the City fifteen (15) days' advance written notice of the proposed assignment or transfer other than of the sale or lease of a residential unit, commercial space or parking space in the ordinary course of business which shall require no notice except as required by **Section 4.3**.

**7.3.3 Assignment or Sale to Exempt Organization.** Prior to any sale, transfer or other disposition of all or any portion of the Property or any interest therein to an organization exempt from payment of ad valorem property taxes, such organization shall be required to agree not to apply for an exemption from payment of such property taxes for a period ending on the earlier of the date that all TIF Obligations are paid in full or twenty-three (23) years from the date that the Approving Ordinance was adopted by the City. The Developer shall make this requirement a covenant running with the land, enforceable for such period as if such purchaser or other transferee or possessor thereof were originally a party to and bound by this Agreement.

**7.4 Remedies.** Except as otherwise provided in this Agreement and subject to the Developer's and the City's respective rights of termination, in the event of any default in or breach of any term or conditions of this Agreement by either party, or any successor, the defaulting or breaching party (or successor) shall, upon written notice from the other party specifying such default or breach, proceed immediately to cure or remedy such default or breach, and shall, in any event, within thirty (30) days after receipt of notice, cure or remedy such default or breach. In the event that the defaulting or breaching party (or successor) diligently and in good faith commences to cure or remedy such default or breach but is unable to cure or remedy such default or breach within thirty (30) days after receipt of notice, the defaulting or breaching party (or successor) shall, prior to the end of such thirty (30) days, provide notice to the other party that it has in good faith commenced to cure or remedy such default or breach, whereupon the defaulting or breaching party (or successor) shall have an additional thirty (30) days to cure or remedy such default or breach. In case such cure or remedy is not taken or not diligently pursued, or the default or breach shall not be cured or remedied prior to the end of the additional thirty (30) day period, the aggrieved party may institute such proceedings as may be necessary or desirable in its opinion to cure and remedy such default or breach, including without limitation proceedings to compel specific performance by the defaulting or breaching party.

**7.7 Conflict of Interest.** No member of the Board of Aldermen, the TIF Commission, or any branch of the City's government who has any power of review or approval of any of the Developer's undertakings, or of the City's contracting for goods or services for the Redevelopment Area, shall participate in any decisions relating thereto which affect that member's personal interests or the interests of any corporation or partnership in which that member is directly or indirectly interested. Any person having such interest shall immediately, upon knowledge of such possible conflict, disclose, in writing, to the Board of Aldermen the nature of such interest and seek a determination by the Board of Aldermen with respect to such interest and, in the meantime, shall not participate in any actions or discussions relating to the activities herein proscribed.

**7.8 Damage or Destruction of Redevelopment Project.** In the event of total destruction or damage to the Redevelopment Project by fire or other casualty, during construction or thereafter during the term of this Agreement so long as any

TIF Notes are outstanding and the Developer owns the Property, the Developer shall determine and advise the City in writing within one year of such destruction or damage whether to restore, reconstruct and repair any such destruction or damage so that the Redevelopment Project will be completed or rebuilt in accordance with the Redevelopment Plan and this Agreement. Should the Developer determine not to restore, reconstruct and repair, all unaccrued liability of the City for any payments of principal or interest on the TIF Notes shall immediately terminate and the Developer shall promptly surrender the TIF Notes to the City for cancellation. In the event of such total destruction or damage during the term of this Agreement and after any TIF Bonds are issued or the issuance of a TIF Note to a Note Purchaser other than the Developer or a Related Entity, the Developer shall, at the City's option after consultation with the Developer, tender to the City that portion of the insurance proceeds, if any, to which Developer is entitled, after satisfaction of any terms or obligations of any deed of trust, promissory note or financing agreement entered into by the Developer for the financing of all or any part of the Redevelopment Project, from any fire or casualty insurance policy in an amount equal to the outstanding principal amount of the TIF Bonds or TIF Notes, plus accrued interest thereon to be deposited into the Special Allocation Fund.

**7.9 Inspection.** The City may conduct such periodic inspections of the Work as may be generally provided in the building code of the City. In addition, the Developer shall allow other authorized representatives of the City reasonable access to the Work site from time to time upon advance notice prior to the completion of the Work for inspection thereof. The Developer shall not unreasonably deny the City and its officers, employees, agents and independent contractors the right to inspect, upon request, all architectural, engineering, demolition, construction and other contracts and documents pertaining to the construction of the Work as the City determines is reasonable and necessary to verify the Developer's compliance with the terms of this Agreement.

**7.10 Choice of Law.** This Agreement shall be taken and deemed to have been fully executed, made by the parties in, and governed by the laws of State of Missouri for all purposes and intents.

**7.11 Entire Agreement; Amendment.** The parties agree that this Agreement constitutes the entire agreement between the parties and that no other agreements or representations other than those contained in this Agreement have been made by the parties. This Agreement shall be amended only in writing and effective when signed by the authorized agents of the parties.

**7.12 Counterparts.** This Agreement may be executed in multiple counterparts, each of which shall constitute one and the same instrument.

**7.13 Severability.** In the event any term or provision of this Agreement is held to be unenforceable by a court of competent jurisdiction, the remainder shall continue in full force and effect, to the extent the remainder can be given effect without the invalid provision.

**7.14 Representatives Not Personally Liable.** No elected or appointed official, agent, employee or representative of the City shall be personally liable to the Developer in the event of any default or breach by any party under this Agreement, or for any amount which may become due to any party or on any obligations under the terms of this Agreement.

**7.15 Actions Contesting the Validity and Enforceability of the Redevelopment Plan.** In the event a third party brings an action against the City or the City's officials, agents, attorneys, employees or representatives contesting the validity or legality of the Redevelopment Area, the Redevelopment Plan, the TIF Notes, or the ordinance approving this Agreement, Developer shall join the City in defense of such claim or action and the Developer shall be responsible for all reasonable and necessary costs and expenses incurred by the City and by the Developer in connection with the defense of such claim or action; *provided that* if the City does not approve a settlement or compromise which the Developer would agree to, the Developer shall not be responsible for any costs or expenses incurred thereafter in the defense of such claim or action, and *provided further* that if such action is based solely on the malfeasance of the City or the City's failure to comply with its administrative procedures during the term of this Agreement, the City shall be solely responsible for the defense of such claim and for all reasonable and necessary costs and expenses incurred in connection with the defense of such action. The parties expressly agree that, so long as no conflicts of interest exist between them with regard to the handling of litigation brought by a third party, and except with respect to litigation that is the City's sole responsibility as provided for herein, the same attorney or attorneys may simultaneously represent the City and the Developer in any such proceeding. All cost of any such defense referenced herein, whether incurred by the City or the Developer, shall be deemed to be Reimbursable Redevelopment Project Costs and reimbursable from any amounts in the Special Allocation Fund, subject to **Article IV** of this Agreement.

**7.16 Release and Indemnification.** The indemnifications and covenants contained in this Section shall survive termination or expiration of this Agreement.

**7.16.1** The City and its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable to the Developer for damages or otherwise in the event that all or any part of the TIF Act, or any ordinance adopted in connection with either the TIF Act, this Agreement or the Redevelopment Plan, is declared invalid or unconstitutional in whole or in part by the final (as to which all rights of appeal have expired or have been exhausted) judgment of any court of competent jurisdiction, and by reason thereof either the City is prevented from performing any of the covenants and agreements herein or the Developer is prevented from enjoying the rights and privileges hereof.

**7.16.2** The Developer releases from and covenants and agrees that the City and its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable for, and agrees to indemnify and hold harmless the City, its governing body members, officers, agents, attorneys, employees and independent contractors against

any and all claims, demands, liabilities and costs, including reasonable attorneys' fees, costs and expenses, arising from damage or injury, actual or claimed (excluding consequential and punitive damages), to persons or property occurring or allegedly occurring as a result of any negligent or malicious acts or omissions of the Developer, its governing body members, officers, agents, attorneys, employees and independent contractors, in connection with its or their activities conducted pursuant to this Agreement.

**7.16.3** The City and its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable for any damage or injury to the persons or property of the Developer or its officers, agents, employees, independent contractors or any other persons who may be about the Property or the Work except for matters arising out of the gross negligence or willful misconduct of the City and its governing body members, officers, agents, attorneys, employees and independent contractors.

**7.16.4** All covenants, stipulations, promises, agreements and obligations of the City contained herein shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the City and not of any of its governing body members, officers, agents, attorneys, employees or independent contractors in their individual capacities.

**7.16.5** No governing body members, officers, agents, attorneys, employees or independent contractors of the City shall be personally liable to the Developer (i) in the event of a default or breach by any party under this Agreement or (ii) for any amount or any TIF Notes which may become due to any party under the terms of this Agreement.

**7.16.6** The Developer releases from and covenants and agrees that the City, its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable for, and agrees to indemnify and hold the City, its governing body members, officers, agents, attorneys, employees and independent contractors, harmless from and against any and all third party suits, interest, claims and cost of reasonable attorneys fees incurred by any of them, resulting from, arising out of, or in any way connected with: (i) the enforcement of this Agreement, the validity of the TIF Notes or the enforcement or validity of any other agreement or obligation made in connection therewith and their approvals (excluding opinions of counsel and of the City's financial advisors whenever such claim is based on such party's own negligence); (ii) the negligence or willful misconduct of the Developer or its officers, agents, employees or independent contractors in connection with the design, management, development, redevelopment and construction of the Work, or (iii) the compliance by the Developer with all applicable state, federal and local environmental laws, regulations and ordinances as applicable to the Property, to the extent such condition existed prior to the acquisition thereof by the Developer. The foregoing release and indemnification shall not apply in the case of such liability arising directly out of the negligence or malicious acts or omissions of the City or its governing body members, officers, agents, attorneys, employees and independent contractors in connection with its or their activities conducted pursuant to this Agreement or which arises out of matters undertaken by the City following termination of this Agreement as to the Redevelopment Project or any particular portion thereof.

**7.17 Survival.** Notwithstanding the expiration or termination or breach of this Agreement by either party, the agreements contained in **Section 2.2, clauses (iii)-(v), Article VI, Sections 7.10, 7.11, 7.12, 7.13, 7.14, 7.15, 7.16, 7.17 and Article VIII** of this Agreement shall, except as otherwise expressly set forth herein, survive such early expiration or early termination of this Agreement by either party.

**7.18 Maintenance of the Property.** The Developer shall remain in compliance with all provisions of the City's ordinances relating to maintenance and appearance of the Property during the construction of the Redevelopment Project or any portion thereof. Upon substantial completion of the Redevelopment Project and so long as any TIF Obligations are outstanding, the Developer or its successor(s) in interest, as owner or owners of the affected portion(s) of the Property, shall, during the remainder of the term of this Agreement (but subject to any delay caused by an event of force majeure as provided in **Section 7.5** of this Agreement), maintain or cause to be maintained the buildings and improvements within the Redevelopment Area which it owns in a good state of repair and attractiveness and in conformity with applicable state and local laws, ordinances and regulations. If there are separately-owned or ground leased parcels of real estate on the Property during the term of this Agreement, each owner or lessee as a successor in interest to the Developer shall maintain or cause to be maintained the buildings and improvements on its parcel in a good state of repair and attractiveness and in conformity with applicable state and local laws, ordinances and regulations.

**7.19 Non-Discrimination.** The Developer agrees that, during the term of this Agreement and as an independent covenant running with the land, there shall be no discrimination upon the basis of race, creed, color, national origin, sex, age, marital status or physical handicap in the sale, lease, rental, occupancy or use of any of the facilities under its control within the Redevelopment Area or any portion thereof and said covenant may be enforced by the City or the United States of America or any of their respective agencies. The Developer further agrees that a provision containing the covenants of this paragraph shall be included in all agreements pertaining to the lease or conveyance or transfer (by any means) of all or a portion of the Redevelopment Project and any of the facilities under its control in the Redevelopment Area. Except as provided in this Section, the Developer shall have no obligation to enforce the covenants made by any transferee or lessee, tenant, occupant or user of any of the facilities within the Redevelopment Area.

**7.20 Fair Employment** Without limiting any of the foregoing, the Developer voluntarily agrees to observe the Equal Opportunity and Nondiscrimination Guidelines set forth as **Exhibit G**, attached hereto and incorporated herein by reference. By execution of this Agreement, the Developer certifies and agrees that it is under no contractual or other disability that would materially impair its ability to observe the Guidelines set forth as **Exhibit G**, attached hereto and incorporated herein by reference.

All TIF Notes shall have a stated maturity of the Maturity Date. Interest shall be computed on the basis of a 360-day year of twelve 30-day months. The TIF Notes shall bear interest from their registration date or from the most recent Payment Date to which interest has been paid or duly provided for.

(d) Denominations. The TIF Notes shall be issuable as fully registered TIF Notes in Authorized Denominations.

(e) Numbering. Unless the City directs otherwise, each series of TIF Notes shall be numbered from R-1 upward.

(f) Dating. The TIF Notes shall be dated as provided in **Section 207**, as evidenced by the Finance Officer's signature on **Schedule A** to each TIF Note.

(g) Evidence of Principal Payments. The payment of principal of the TIF Notes on each Payment Date shall be noted on the TIF Notes on **Schedule A** thereto. The TIF Notes and the original **Schedule A** thereto shall be held by the Finance Officer in trust, unless otherwise directed in writing by the Owners thereof. If the TIF Notes are held by the Finance Officer, the Finance Officer shall, on each Payment Date, send a revised copy of **Schedule A** via facsimile to the Owner. Absent manifest error, the amounts shown on **Schedule A** held by the Finance Officer shall be conclusive evidence of the principal amount paid on the TIF Notes.

(h) Sale of TIF Notes. When TIF Notes have been executed and authenticated as required by this Ordinance, the Finance Officer shall hold the TIF Notes in trust or, if directed in writing by the Owners thereof, deliver the TIF Notes to or upon the order of the Owners thereof, as provided in paragraph (g) above, but only upon payment to the City of a purchase price equal to one hundred percent (100%) of the face amount of the TIF Notes, which payment shall be deemed to have occurred under the circumstances described in **Section 405** of this Ordinance.

**Section 203 Finance Officer to Serve as Paying Agent and Registrar.** The Finance Officer is hereby designated as the paying agent for the payment of principal of and interest on the TIF Notes and the bond registrar with respect to the registration, transfer and exchange of the TIF Notes and for allocating and holding funds as provided herein.

**Section 204 Security for TIF Notes.** All TIF Notes shall be equally and ratably secured by Available Revenues. The TIF Notes shall be special, limited obligations of the City payable solely from and secured as to the payment of principal and interest by a pledge of the Available Revenues. The taxing power of the City is not pledged to the payment of the TIF Notes either as to principal or interest. The TIF Notes shall not be or constitute a general obligation of the City, nor shall they constitute an indebtedness of the City within the meaning of any constitutional, statutory or charter provision, limitation or restriction. **THE OBLIGATIONS OF THE CITY WITH RESPECT TO THE TIF NOTES SHALL TERMINATE ON THE FIRST TO OCCUR OF THE FULL PAYMENT AND DISCHARGE OF THE TIF NOTES OR THE MATURITY DATE (WHETHER OR NOT THE PRINCIPAL AMOUNT OR INTEREST HAS BEEN PAID IN FULL).**

**Section 205 Method and Place of Payment of TIF Notes.** The principal of and interest on the TIF Notes shall be payable in any coin or currency which, on the respective dates of payment thereof, is legal tender for the payment of debts due the

United States of America. Payment shall be made by the Finance Officer at his/her offices on each Payment Date upon presentation of the applicable TIF Notes by a duly authorized representative of the Owner. Principal and interest shall be payable by check or draft at the office of the Finance Officer to the person in whose name such TIF Note is registered on the Register on each Payment Date.

**Section 206 Registration, Transfer and Assignment.** So long as the TIF Notes remain outstanding, the City shall cause to be kept at the office of the Finance Officer books for the registration, transfer and exchange of the TIF Notes as herein provided. The TIF Notes when issued shall be registered in the name of the Original Purchaser thereof on the Register.

The TIF Notes and beneficial interest therein may only be purchased by or transferred or assigned to Approved Investors upon the execution by each proposed purchaser, transferee or assignee of a letter in substantially the form of **Exhibit C**, attached hereto and incorporated herein by reference, stating that such purchaser, transferee or assignee (i) is an Approved Investor and (ii) has sufficient knowledge and experience in business and financial matters in general, and investments such as the TIF Notes in particular, to enable the purchaser, transferee or assignee to evaluate the risks involved in an investment in the TIF Notes. The TIF Notes may be transferred and exchanged only upon the records of the City. Upon surrender of a TIF Note to the Finance Officer, the Finance Officer shall transfer or exchange the TIF Notes for a new TIF Note or TIF Notes, which shall be (i) in minimum denominations or multiples of One Thousand Dollars (\$1,000), except with respect to the TIF Notes issued upon acceptance by the City of the final Certificate of Reimbursable Redevelopment Project Costs, which TIF Notes may be issued in any denomination, subject to the limitation on the aggregate principal amount, and (ii) of the same Maturity Date and in the same aggregate principal amount outstanding as the TIF Note which was presented for transfer or exchange. The TIF Notes presented for transfer or exchange shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in a form and with guarantee of signature satisfactory to the Finance Officer, duly executed by the Owner thereof or by the Owner's duly authorized agent. Upon any transfer, exchange or assignment as provided in this Section, the transferor shall reimburse the City for all of the reasonable out-of-pocket costs incurred by the City in connection with the administration of such transfer, exchange or assignment.

**Section 207 Execution, Authentication and Delivery of the TIF Notes.** Each of the TIF Notes, including any TIF Notes issued in exchange or as substitution for the TIF Notes initially delivered, shall be signed by the manual or facsimile signature of the Mayor and the Finance Officer of the City, attested by the manual or facsimile signature of the Register of the City, and shall have the official seal of the City affixed thereto or imprinted thereon. If any officer whose signature appears on any TIF Note ceases to be such officer before the delivery of such TIF Note, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such person had remained in office until delivery. Any TIF Note may be signed by such persons who at the actual time of the execution of such TIF Note are the proper officers to sign such TIF Note although at the date of such TIF Note such persons may not have been such officers.

The Mayor, Finance Officer and Register of the City are hereby authorized and directed to prepare and execute the TIF Notes as hereinbefore specified, and when duly executed, to deliver the TIF Notes to the Finance Officer for authentication.

The TIF Notes shall have endorsed thereon a certificate of authentication substantially in the form set forth in **Schedule A of Exhibit B** hereto, which shall be manually executed by an authorized signatory of the Finance Officer, but it shall not be necessary that the same signatory sign the certificate of authentication on all of the TIF Notes that may be issued hereunder at any one time. No TIF Note shall be entitled to any security or benefit under this Ordinance or be valid or obligatory for any purpose until the certificate of authentication has been duly executed by the Finance Officer. Such executed certificate of authentication upon any TIF Note shall be conclusive evidence that such TIF Note has been duly authenticated and delivered under this Ordinance.

The TIF Notes shall be initially executed and authenticated by the City upon the last to occur of the following: (i) acceptance or deemed acceptance of the Certificate of Substantial Completion; (ii) acceptance or deemed acceptance of a Certificate of Reimbursable Redevelopment Project Costs; (iii) receipt of an opinion of Bond Counsel regarding the taxable nature of the TIF Notes; (iv) the full payment of all advances required to be paid under Section 2.2 of the Redevelopment Agreement; and (v) receipt of such other documentation as the City shall reasonably require of Developer in order for the City to obtain an opinion of Bond Counsel as required by this Section 5.1 of the Redevelopment Agreement.

Upon the Developer's satisfaction of the foregoing conditions and upon approval or deemed approval of each Certificate of Reimbursable Redevelopment Project Costs, the Finance Officer shall either: (i) at the request of the City upon instructions of the Developer, endorse an outstanding TIF Note on **Schedule A** thereto to evidence an increase in the aggregate principal amount equal to such Reimbursable Redevelopment Project Costs, or (ii) at the request of the City upon instructions of the Developer issue a new TIF Note in a principal amount equal to such Reimbursable Redevelopment Project Costs, or any combination thereof. Each date of endorsement of each such TIF Note shall be the date of acceptance by the City of each Certificate of Reimbursable Redevelopment Project Costs. Thereupon, pursuant to **Section 202(h)**, the TIF Notes shall either be held or delivered to or upon the order of the party submitting the Certificate of Reimbursable Redevelopment Project Costs relating to such Notes.

**Section 208 Mutilated, Lost and Stolen TIF Notes.** If any mutilated TIF Note is surrendered to the Finance Officer or the Finance Officer receives evidence to his/her satisfaction of the destruction, loss or theft of any TIF Note and there is delivered to the Finance Officer such security or indemnity as may be required by it to save the City and the Finance Officer harmless, then, in the absence of notice to the Finance Officer that such TIF Note has been acquired by a bona fide purchaser, the City shall execute and the Finance Officer shall register and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen TIF Note, a new TIF Note with the same Maturity Date and of like tenor and principal amount. Upon the issuance of any new TIF Note under this Section, the City and the Finance Officer may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses connected therewith. If any such mutilated, destroyed, lost or stolen TIF Note has become or is about to become due and payable, the Finance Officer may, in its discretion, pay

such TIF Note instead of issuing a new TIF Note.

**Section 209 Cancellation, Discharge and Abatement of TIF Notes.** All TIF Notes that have been paid or redeemed or that otherwise have been surrendered to the Finance Officer, either at or before the Maturity Date, shall be canceled and destroyed by the Finance Officer in accordance with existing security regulations upon the payment or redemption of such TIF Note and the surrender thereof to the Finance Officer. The Finance Officer shall execute a certificate in duplicate describing the TIF Notes so cancelled and destroyed, and shall file an executed counterpart of such certificate with the City.

**NOTWITHSTANDING ANY PROVISION HEREIN TO THE CONTRARY, THE TIF NOTES ARE SUBJECT TO CANCELLATION AND DISCHARGE BY THE CITY IN WHOLE OR IN PART WITHOUT PENALTY UNDER THE CONDITIONS SET FORTH IN THE REDEVELOPMENT AGREEMENT.**

### **ARTICLE III. REDEMPTION AND PAYMENT OF PRINCIPAL AND INTEREST**

**Section 301 Optional Redemption.** The TIF Notes are subject to optional redemption by the City in whole at any time or in part on any Payment Date at a redemption price of 100% of the principal amount of the TIF Note to be redeemed, plus accrued interest thereon to the date fixed for redemption. The TIF Notes shall be called by the City for optional redemption pursuant to this Section without the necessity of any action by the City other than as provided in **Section 403** of this Ordinance. If only a partial redemption is to occur, then each TIF Note shall be redeemed in the order of maturity designated by the City, and within any maturity the TIF Notes shall be redeemed in Authorized Denominations by the City in such manner as it may determine. In the event of an optional redemption of the Notes, unless waived by any Registered Owner of Notes to be redeemed, official notice of any redemption shall be given by the Finance Officer on behalf of the City by mailing a copy of an official redemption notice by first class mail, postage prepaid, at least thirty (30) days (five days if all of the Notes are owned by the Developer) and not more than sixty (60) days prior to the date fixed for redemption, to each Registered Owner of the Notes to be redeemed at the address shown on the Note Register.

All official notices of optional redemption shall be dated and shall contain the following information: (a) the redemption date; (b) the redemption price; (c) if less than all outstanding Notes are to be redeemed, the identification number and maturity date(s) (and, in the case of partial redemption of any Notes, the respective principal amounts) of the Notes to be redeemed; (d) a statement that on the redemption date the redemption price will become due and payable upon each Note or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the redemption date; and (e) the place where such Notes are to be surrendered for payment of the redemption price, which shall be the office of the Finance Officer. The failure of any Registered Owner to receive notice given as heretofore provided or an immaterial defect therein shall not invalidate any redemption.

**Section 302 Special Mandatory Redemption.** All TIF Notes are subject to special mandatory redemption by the City on each Payment Date, at a redemption price equal to 100% of the principal amount being redeemed, together with accrued interest thereon to the date fixed for redemption, which amount of principal being redeemed shall be an amount equal to Available Revenues then on deposit in the applicable account of the Special Allocation Fund and which will not be required for the payment of interest on such Payment Date.

**Section 303 Selection of Notes to be Redeemed.** TIF Notes shall be redeemed only in Authorized Denominations. When less than all of the outstanding TIF Notes are to be redeemed and paid prior to maturity, such TIF Notes or portions of TIF Notes to be redeemed shall be selected in Authorized Denominations by the Fiscal Agent in such equitable manner as it may determine. In the case of a partial redemption of TIF Notes when TIF Notes of denominations greater than the minimum Authorized Denomination are then outstanding, then for all purposes in connection with such redemption each Authorized Denomination unit of face value shall be treated as though it was a separate TIF Note of the denomination of the minimum Authorized Denomination.

**Section 304 Notice and Effect of Call for Redemption.** In the event of any optional or special mandatory redemption of the Notes, unless waived by any Registered Owner of Notes to be redeemed, official notice of any redemption shall be given by the Finance Officer on behalf of the City by mailing a copy of an official redemption notice by first class mail to each Registered Owner of the Notes to be redeemed at the address shown on the Note Register.

All official notices of redemption shall be dated and shall contain the following information:

- (a) the redemption date;
- (b) the redemption price;
- (c) if less than all Outstanding Notes are to be redeemed, the identification (and, in the case of partial redemption of any Notes, the respective principal amounts) of the Notes to be redeemed;
- (d) a statement that on the redemption date the redemption price will become due and payable upon each Note or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the redemption date; and
- (e) the place where such Notes are to be surrendered for payment of the redemption price, which shall be the office of the Finance Officer.

The failure of any Registered Owner to receive notice given as heretofore provided or an immaterial defect therein shall not invalidate any redemption. All Notes that have been redeemed shall be cancelled and destroyed by the Finance Officer as provided herein and shall not be reissued.

**ARTICLE IV.  
FUNDS AND REVENUES**

**Section 401**      **Creation of Funds and Accounts.** There are hereby created or ratified and ordered to be established in the treasury of the City the Special Allocation Fund into which all TIF Revenues shall be deposited, and within it the following separate funds and accounts:

- (a) a PILOTS Account
- (b) an EATS Account
- (c) a Revenue Fund and, within it, (i) a PILOTs Sub-Account; and (ii) an EATS Sub-Account, into which all Available Revenues shall be deposited;
- (d) a Debt Service Fund; and
- (e) a Project Fund.

**Section 402**      **Administration of Funds and Accounts.** The Special Allocation Fund and the funds and accounts established therein shall be maintained in the treasury of the City and administered by the City solely for the purposes and in the manner as provided in the Act, this Ordinance, the Approving Ordinance, and the Authorizing Ordinance so long as any TIF Notes remain outstanding hereunder.

**Section 403**      **Revenue Fund.**

(a) On or before the date that is five (5) days prior to each Payment Date while the TIF Notes remain outstanding, the City shall transfer all Available Revenues on deposit in the Special Allocation Fund for deposit into the Revenue Fund of the Special Allocation Fund.

Moneys in the Revenue Fund shall be disbursed by the Finance Officer on each Payment Date, first from the EATs Sub-Account and second from the PILOTS Sub-Account for the purposes and in the amounts as follows:

*First*, Pass-Through Payments, as provided below;

*Second*, to payment of arbitrage rebate, if any, owed with respect to the TIF Notes under Section 148 of the Internal Revenue Code of 1986, as amended, including any costs of calculating arbitrage rebate;

*Third*, to the Comptroller of the City and the St. Louis Development Corporation (which monies shall be paid one half to the Comptroller and one half to the St. Louis Development Corporation), an amount equal to the lesser of i) Four Thousand Eight Hundred Dollars and no/100 (\$4,800.00), or ii) 0.2% of the Notes outstanding on each Payment Date, plus any accumulated deficiency from previous years, plus an amount sufficient to pay all or any portion of the fees and expenses incurred by the City pursuant to Section 7.15 of the Agreement that have not otherwise been reimbursed to the City through the issuance of TIF Notes;

*Fourth*, to the Debt Service Fund, an amount sufficient to pay all or any portion of the past due interest owing as a result of prior deficiencies of moneys to pay interest due on any TIF Notes on each Payment Date;

*Fifth*, to the Debt Service Fund, an amount sufficient to pay all or any portion of the accrued interest becoming due and payable on any TIF Notes on each Payment Date;

*Sixth*, to the Debt Service Fund, an amount sufficient to pay the principal of any TIF Notes that are subject to redemption pursuant to the Note Ordinance on each Payment Date;

*Seventh*, all other remaining money in the Special Allocation Fund shall annually be declared as surplus and distributed in the manner provided in the TIF Act.

All monies in the EATs Account of the Special Allocation Fund up to an amount of one hundred percent (100%) of the EATs payments deposited in the EATs Account shall be declared as surplus and distributed in the manner provided in the TIF Act (the "Pass-Through Payment").

If monies available in the Special Allocation Fund are insufficient to reimburse the City as provided above on any Payment Date, then the unpaid portion shall be carried forward to the next payment date, with interest thereon at the same rate as the tax-exempt TIF Obligations.

(b) Upon the payment in full of the principal of and interest on all TIF Notes (or provision has been made for the payment thereof as specified in the Note Ordinance), payment in full of the fees and expenses of the Comptroller and the St. Louis Development Corporation, and payment in full of any other amounts required to be paid under this Ordinance, all amounts remaining on deposit in the Revenue Fund shall be declared as surplus and distributed in the manner provided in the Act.

**Section 404 Debt Service Fund.**

(a) All amounts paid and credited to the Debt Service Fund shall be expended solely for (i) the payment of the principal of and interest on the TIF Notes as the same mature and become due or upon the redemption thereof, said TIF Notes all being subject to special mandatory redemption thereof, or (ii) to purchase Notes for cancellation prior to maturity.

(b) The City hereby authorizes and directs the Finance Officer to withdraw sufficient moneys from the Debt Service Fund to pay the principal of and interest on the TIF Notes as the same become due and payable, and to make said moneys so withdrawn available for the purpose of paying said principal of and interest on the TIF Notes.

(c) After payment in full of the principal of and interest on the TIF Notes (or provision has been made for the payment thereof as specified in this Ordinance), payment of the fees and expenses of the Finance Officer, and payment of any other amounts required to be paid under this Ordinance, all amounts remaining in the Debt Service Fund shall be declared as surplus and distributed in the manner provided in the Act.

**Section 405 Project Fund.** Upon the acceptance by the City of a Certificate of Reimbursable Redevelopment Project Costs and the issuance or endorsement of a TIF Note pursuant to **Section 207** of this Ordinance, the City shall disburse the proceeds from the sale of the TIF Note to Developer to reimburse Developer for Reimbursable Redevelopment Project Costs in accordance with the terms of the Redevelopment Agreement. Upon Acceptance by the City of a Certificate of Reimbursable Redevelopment Project Costs and the issuance or endorsement of a TIF Note pursuant to **Section 207** of this Ordinance, the Developer shall be deemed to have advanced funds necessary to purchase such TIF Note and the City shall be deemed to have deposited such funds in the Project Fund and shall be deemed to have reimbursed the Developer or paid for in full for such costs from the amounts deemed to be on deposit in the Project Fund.

**Section 406 Nonpresentment of Notes.** If any TIF Note is not presented for payment when the principal thereof becomes due at stated maturity or prior redemption date, if funds sufficient to pay such TIF Note have been made available to the Finance Officer, all liability of the City to the Registered Owner thereof for the payment of such TIF Note shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Finance Officer to hold such funds, without liability for interest thereon, for the benefit of the Registered Owner of such TIF Note, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Ordinance or on, or with respect to, said TIF Note. If any TIF Note is not presented for payment within five (5) years following the date when such TIF Note becomes due at maturity, the Finance Officer shall repay to the City the funds theretofore held by it for payment of such TIF Note, and such TIF Note shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the City, and the Registered Owner thereof shall be entitled to look only to the City for payment, and then only to the extent of the amount so repaid to it by the Finance Officer, and the City shall not be liable for any interest thereon and shall not be regarded as a Finance Officer of such money.

**ARTICLE V.  
REMEDIES**

**Section 501 Remedies.** The provisions of this Ordinance, including the covenants and agreements herein contained, shall constitute a contract between the City and the Owner. The Owner shall have the right:

(a) by mandamus or other suit, action or proceedings at law or in equity to enforce the rights of the Owner against the City and its officers, agents and employees, and to require and compel duties and obligations required by the provisions of this Ordinance or by the constitution and laws of the State of Missouri;

(b) by suit, action or other proceedings in equity or at law to require the City, its officers, agents and employees to account as if they were the trustees of an express trust; and

(c) by suit, action or other proceedings in equity or at law to enjoin any acts or things which may be unlawful or in violation of the rights of the Owner.

**Section 502 Limitation on Rights of Owner.** The Owner secured hereby shall not have any right in any manner whatever by its action to affect, disturb or prejudice the security granted and provided for herein, or to enforce any right hereunder, except in the manner herein provided.

**Section 503 Remedies Cumulative.** No remedy conferred herein upon the Owner is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred herein. No waiver of any default or breach of duty or contract by the Owner shall extend to or affect any subsequent default or breach of duty or contract or shall impair any rights or remedies thereon. No delay or omission of the Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein. Every substantive right and every remedy conferred upon the Owner by this Ordinance may be enforced and exercised from time to time and as often as may be deemed expedient. If

any suit, action or proceedings taken by the Owner on account of any default or to enforce any right or exercise any remedy has been discontinued or abandoned for any reason, or has been determined adversely to the Owner, then, and in every such case, the City and the Owner shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Owner shall continue as if no such suit, action or other proceedings had been brought or taken.

#### **ARTICLE VI. DEPOSIT AND INVESTMENT OF MONEYS**

**Section 601 Deposits of Moneys.** All moneys deposited with or paid to the Finance Officer for the account of the various funds established under this Ordinance shall be held by the Finance Officer in trust and shall be applied only in accordance with this Ordinance. The Finance Officer shall not be under any liability for interest on any moneys received hereunder except as otherwise provided herein.

**Section 602 Investment of Moneys.** Moneys held in any fund or account referred to in this Ordinance shall be invested by the City in Government Obligations or in time or demand deposits or in certificates of deposit issued by any bank having combined capital, surplus and undivided profits of at least Fifty Million Dollars (\$50,000,000) but only to the extent such time or demand deposits or certificates of deposit are fully insured by the Federal Deposit Insurance Corporation; provided, however, that no such investment shall be made for a period extending longer than the date when the moneys invested may be needed for the purpose for which such fund was created. All earnings on any investments held in any fund shall accrue to and become a part of such fund or account.

#### **ARTICLE VII. MISCELLANEOUS PROVISIONS**

**Section 701 Covenant to Request Appropriations.** The City agrees that the officer of the City at any time charged with the responsibility of formulating budget proposals will be directed to include in the budget proposal submitted to the Board of Aldermen for each fiscal year that the TIF Notes are outstanding a request for an appropriation of all moneys on deposit in the Special Allocation Fund for transfer to the Finance Officer for deposit at the times and in the manner provided in **Section 403** of this Ordinance.

**Section 702 Tax Matters.** Neither the City nor the Developer shall use or permit the use of any proceeds of the Tax Exempt TIF Note to acquire any securities or obligations, and shall not take or permit to be taken any other action or actions, which would cause the Tax Exempt TIF Note to be an "arbitrage bond" within the meaning of Section 148(a) of the Code, or "federally guaranteed" within the meaning of Section 149(b) of the Code. The City (to the extent within its power or discretion) and the Developer shall not use or permit the use of any proceeds of the Tax Exempt TIF Note, and shall not take or permit to be taken any other action or actions, which would result in the Tax Exempt TIF Note being treated as other than an obligation described in Section 103(a) of the Code. The City (to the extent within its power or discretion) and the Developer shall not use any portion of the proceeds of the Tax Exempt TIF Note, including any investment income earned on such proceeds, in any manner that would cause the Tax Exempt TIF Note to be a "private activity bond" within the meaning of Section 141(a) of the Code. The officers of the City, including the Mayor, the Finance Officer and the Register, shall be, and they hereby are, authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Section.

**Section 703 Payments Due on Saturdays, Sundays and Holidays.** In any case where the Payment Date is a Saturday, a Sunday or a legal holiday or other day that is not a business day, then payment of principal or interest need not be made on such date but may be made on the next succeeding business day with the same force and effect as if made on the Payment Date, and no interest shall accrue for the period after such date.

**Section 704 Notices, Consents and Other Instruments.** Any notice, consent, request, direction, approval, objection or other instrument required by this Ordinance to be signed and executed by the Owner of the TIF Notes may be in any number of concurrent writings of similar tenor and may be signed or executed by such Owner in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of the TIF Note, if made in the following manner, shall be sufficient for any of the purposes of the Ordinance, and shall be conclusive in favor of the City with regard to any action taken, suffered or omitted under any such instrument, namely:

(a) The fact and date of the execution by any person of any such instrument may be proved by a certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such instrument acknowledged before such officer the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of ownership of the TIF Note, the amount or amounts and other identification of the TIF Note, and the date of holding the same shall be proved by the registration books of the City.

**Section 705 Execution of Documents; Further Authority.** The City is hereby authorized to enter into and the Mayor and the Finance Officer of the City are hereby authorized and directed to execute and deliver, for and on behalf of and as the act and deed of the City, the TIF Notes and such other documents, certificates and instruments as may be necessary or desirable to carry out and comply with the intent of this Ordinance. The officers of the City, including without limitation the Mayor, the Finance Officer and the Register, are hereby authorized and directed to execute, and the City Register is hereby authorized and directed where appropriate to attest, all certificates, documents or other instruments, and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Ordinance and to make ministerial alterations, changes or additions in the

foregoing agreements, statements, instrument and other documents herein approved, authorized and confirmed which they determine to be in the City’s best interest, and the execution or taking of such action shall be conclusive evidence of such determination.

**Section 706 Severability.** If any section or other part of this Ordinance, whether large or small, is for any reason held invalid, the invalidity thereof shall not affect the validity of the other provisions of this Ordinance.

**Section 707 Governing Law.** This Ordinance shall be governed exclusively by and constructed in accordance with the applicable internal laws of the State of Missouri.

**Section 708 Private Sale.** The Board of Aldermen of the City hereby declares that it is in the City’s best interest to sell the TIF Notes at private sale because a public sale of the TIF Notes would cause additional expense to the City and because the condition of the current financial markets makes such a public sale not feasible or the best course of action for the City.

**Section 709 Termination.** After adoption of this Ordinance by the Board of Aldermen, this Ordinance shall become effective on the 30th day after its approval by the Mayor or adoption over his veto; provided that if, within ninety (90) days after the effective date of this Ordinance, the Developer has not (i) executed a redevelopment agreement pertaining to the Redevelopment Project and (ii) paid all fees due to the City in accordance with the terms of the redevelopment agreement, the provisions of this Ordinance shall be deemed null and void and of no effect and all rights conferred by this Ordinance on Developer, shall terminate, provided further, however, that prior to any such termination the Developer may seek an extension of time in which to execute the Redevelopment Agreement, which extension may be granted in the sole discretion of the Board of Estimate and Apportionment of the City of St. Louis.

**THE OBLIGATIONS OF THE CITY WITH RESPECT TO THIS TIF NOTE TERMINATE TWENTY-THREE YEARS FROM THE DATE OF APPROVAL BY THE MAYOR OF THE APPROVING ORDINANCE APPROVING THE REDEVELOPMENT PROJECT, WHETHER OR NOT THE PRINCIPAL AMOUNT OR INTEREST HEREON HAS BEEN PAID IN FULL. REFERENCE IS MADE TO THE NOTE ORDINANCE FOR A COMPLETE DESCRIPTION OF THE CITY'S OBLIGATIONS HEREUNDER.**

Subject to the preceding paragraph, the principal of and interest on this TIF Note shall be paid at maturity or upon earlier redemption as provided in Article III of the Note Ordinance to the person in whose name this TIF Note is registered at the maturity or redemption date hereof (the "Registered Owner"), upon presentation and surrender of this TIF Note at the payment office of the Finance Officer of the City or her authorized agent (the "Finance Officer"). The principal of and interest on the TIF Notes shall be payable in any coin or currency of the United States of America which, at the respective dates of payment thereof, is legal tender for the payment of debts due the United States of America. The principal of or interest on this TIF Note shall be payable by check or draft at the office of the Finance Officer to the Registered Owner on each Payment Date. Except as otherwise provided in Section 208 of the Note Ordinance with respect to mutilated, destroyed, lost or stolen TIF Notes, no principal on the TIF Notes is payable unless the Owner thereof has surrendered such TIF Notes at the office of the Finance Officer.

This TIF Note is one of an authorized series of fully registered Notes of the City designated "City of St. Louis, Missouri, [Taxable][Tax-Exempt] Tax Increment Revenue Notes (West Town Lofts Redevelopment Project), Series 200\_\_\_," issued in an aggregate principal amount of not to exceed \$2,400,000 plus Issuance Costs (the "TIF Notes" or "Notes"). The TIF Notes are being issued for the purpose of paying a portion of the Redevelopment Project Costs in connection with the Redevelopment Plan, under the authority of and in full compliance with the Constitution and laws of the State of Missouri, including particularly the Real Property Tax Increment Allocation Redevelopment Act, Sections 99.800 to 99.865, of the Revised Statutes of Missouri (2000) (the "Act"), and pursuant to the Note Ordinance.

The TIF Notes and the interest thereon are and shall be special, limited obligations of the City payable solely from and secured as to the payment of principal and interest, by the Available Revenues and other moneys pledged thereto and held by the Finance Officer as provided herein. "Available Revenues" means all monies on deposit from time to time (including investment earnings thereon) in (a) the PILOTS Account; and (b) subject to annual appropriation, the EATS Account that have been appropriated to the repayment of TIF Notes, excluding (i) any amount paid under protest until the protest is withdrawn or resolved against the taxpayer or (ii) any sum received by the City which is the subject of a suit or other claim communicated to the City which suit or claim challenges the collection of such sum.

The monies on deposit in the PILOTS Account of the Special Allocation Fund are those payments in lieu of taxes ("PILOTS") as defined in Sections 99.805(10) and 99.845 of the Act attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract or parcel of real property in the Redevelopment Area (as described in Exhibit A to the Note Ordinance) and any applicable penalty and interest over and above the initial equalized assessed value (as provided for by Section 99.855 of the Act) of such unit of property in the Redevelopment Area, as allocated and paid to the City's Treasurer by the City's Collector of Revenue who shall deposit such PILOTS into the Special Allocation Fund while tax increment financing remains in effect.

The monies on deposit in the EATs Account of the Special Allocation Fund are those amounts equal to fifty percent (50%) of the total additional revenues from taxes, penalties and interest which are imposed by the City or other taxing districts (as that term is defined in Section 99.805(16) of the Act) and which are generated by economic activities within the Redevelopment Area over the amount of such taxes generated by economic activities within the Redevelopment Area in the calendar year ending December 31, 2004 (subject to annual appropriation by the City as provided in the Act), while tax increment financing remains in effect, but excluding personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, licenses, fees or special assessments other than payments in lieu of taxes and penalties and interest thereon, taxes levied pursuant to Section 70.500 of the Revised Statutes of Missouri (2000), and taxes levied for the purpose of public transportation pursuant to Section 94.660 of the Revised Statutes of Missouri (2000) all in accordance with Section 99.845.3 of the Act, as may be amended from time to time. Notwithstanding the foregoing, EATs shall not include the operating levy for school purposes imposed by or any sales tax imposed by the Transitional School District of the City of St. Louis.

All TIF Notes shall be equally and ratably secured by Available Revenues. The TIF Notes shall be special, limited obligations of the City payable solely from and secured as to the payment of principal and interest by a pledge of the Available

Revenues. The taxing power of the City is not pledged to the payment of the TIF Notes either as to principal or interest. The TIF Notes shall not be or constitute a general obligation of the City, nor shall they constitute an indebtedness of the City within the meaning of any constitutional, statutory or charter provision, limitation or restriction. THE OBLIGATIONS OF THE CITY WITH RESPECT TO THE TIF NOTES SHALL TERMINATE ON THE FIRST TO OCCUR OF THE FULL PAYMENT AND DISCHARGE OF THE TIF NOTES OR THE MATURITY DATE (WHETHER OR NOT THE PRINCIPAL AMOUNT OR INTEREST HAS BEEN PAID IN FULL).

Available Revenues shall be applied, first from the EATS Sub-Account and then from the PILOTS Sub-Account to payments on this TIF Note as follows:

*First*, Pass-Through Payments, as provided below;

*Second*, to payment of arbitrage rebate, if any, owed with respect to the TIF Notes under Section 148 of the Internal Revenue Code of 1986, as amended, including any costs of calculating arbitrage rebate;

*Third*, to the Comptroller of the City and the St. Louis Development Corporation (which monies shall be paid one half to the Comptroller and one half to the St. Louis Development Corporation), an amount equal to the lesser of i) Four Thousand Eight Hundred Dollars and no/100 (\$4,800.00), or ii) 0.2% of the Notes outstanding on each Payment Date, plus any accumulated deficiency from previous years, plus an amount sufficient to pay all or any portion of the fees and expenses incurred by the City pursuant to Section 7.15 of the Agreement that have not otherwise been reimbursed to the City through the issuance of TIF Notes;

*Fourth*, to the Debt Service Fund, an amount sufficient to pay all or any portion of the past due interest owing as a result of prior deficiencies of moneys to pay interest due on any TIF Notes on each Payment Date;

*Fifth*, to the Debt Service Fund, an amount sufficient to pay all or any portion of the accrued interest becoming due and payable on any TIF Notes on each Payment Date;

*Sixth*, to the Debt Service Fund, an amount sufficient to pay the principal of any TIF Notes that are subject to redemption pursuant to the Note Ordinance on each Payment Date;

*Seventh*, all other remaining money in the Special Allocation Fund shall annually be declared as surplus and distributed in the manner provided in the TIF Act.

All monies in the EATs Account of the Special Allocation Fund up to an amount of one hundred percent (100%) of the EATs payments deposited in the EATs Account shall be declared as surplus and distributed in the manner provided in the TIF Act (the "Pass-Through Payment").

Upon the payment in full of the principal of and interest on the TIF Notes (or provision has been made for the payment thereof as specified in the Note Ordinance), payment in full of the fees and expenses of the Finance Officer and the St. Louis Development Corporation, and payment in full of any other amounts required to be paid under the Note Ordinance, all amounts remaining on deposit in the Revenue Fund and the Debt Service Fund shall be declared as surplus and distributed in the manner provided in the Act.

The City covenants that the officer of the City at any time charged with the responsibility of formulating budget proposals will be directed to include in the budget proposal submitted to the Board of Aldermen of the City for each fiscal year that the TIF Notes are outstanding a request for an appropriation of all moneys on deposit in the Special Allocation Fund for transfer to the Finance Officer for deposit at the times and in the manner provided in Section 403 of the Note Ordinance.

**NOTWITHSTANDING ANY PROVISION HEREIN OR IN THE NOTE ORDINANCE TO THE CONTRARY, THE TIF NOTES ARE SUBJECT TO CANCELLATION AND DISCHARGE BY THE CITY IN WHOLE OR IN PART WITHOUT PENALTY UNDER THE CONDITIONS SET FORTH IN SECTION 7.8 OF THE REDEVELOPMENT AGREEMENT.**

The TIF Notes are subject to optional redemption by the City in whole at any time or in part on any Payment Date at a redemption price of 100% of the principal amount of the TIF Note to be redeemed, plus accrued interest thereon to the date fixed for redemption.

The TIF Notes are subject to special mandatory redemption by the City on each Payment Date, at a redemption price equal to 100% of the principal amount being redeemed, together with accrued interest thereon to the date fixed for redemption, in an amount equal to Available Revenues on deposit in the applicable accounts of the Special Allocation Fund and which are not required for the payment of accrued interest on such Payment Date.

The TIF Notes or portions of Notes to be redeemed shall become due and payable on the redemption date, at the redemption price therein specified, and from and after the redemption date (unless the City defaults in the payment of the redemption price) such TIF Notes or portion of TIF Notes shall cease to bear interest. Upon surrender of such TIF Notes for redemption in accordance with such notice, the redemption price of such TIF Notes shall be paid by the Finance Officer. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any

TIF Note, there shall be prepared for the Registered Owner a new TIF Note or Notes of the same maturity in the amount of the unpaid principal as provided herein. All TIF Notes that have been redeemed shall be cancelled and destroyed by the Finance Officer as provided herein and shall not be reissued.

TIF Notes shall be redeemed only in the principal amount of One Thousand Dollars (\$1,000) or any integral multiple thereof. When less than all of the outstanding TIF Notes are to be redeemed and paid prior to maturity, such TIF Notes shall be selected by the Finance Officer in One Thousand Dollar (\$1,000) units of face value in such equitable manner as the Finance Officer may determine.

The TIF Notes are issuable in the form of fully registered Notes without coupons in minimum denominations of One Hundred Thousand Dollars (\$100,000) or any integral multiple \$1,000 in excess thereof, except with respect to the Notes issued upon acceptance by the City of the final Certificate of Reimbursable Redevelopment Project Costs, which Notes may be issued in any denomination, subject to the limitation on the aggregate Principal Amount.

This TIF Note may be transferred or exchanged as provided in the Note Ordinance only upon the Register, upon surrender of this TIF Note together with a written instrument of transfer satisfactory to the Finance Officer duly executed by the Registered Owner or the Registered Owner's duly authorized agent.

**THE OWNER HEREOF EXPRESSLY AGREES, BY SUCH OWNER'S ACCEPTANCE HEREOF, THAT THE RIGHT TO PURCHASE, TRANSFER, ASSIGN OR NEGOTIATE THIS TIF NOTE SHALL BE LIMITED TO PURCHASE, TRANSFER, ASSIGNMENT OR NEGOTIATION TO APPROVED INVESTORS AND UPON THE EXECUTION BY THE PROPOSED PURCHASER OR TRANSFEREE OF AN INVESTMENT LETTER IN SUBSTANTIALLY THE FORM OF EXHIBIT C TO THE NOTE ORDINANCE, SIGNED BY THE PROPOSED PURCHASER OR TRANSFEREE, SHOWING THAT THE PROPOSED PURCHASER OR TRANSFEREE IS AN APPROVED INVESTOR. This TIF Note shall not be valid or binding on the City or be entitled to any security or benefit under the Indenture until the Certificate of Authentication hereon has been executed by the Finance Officer.

**IT IS HEREBY CERTIFIED AND DECLARED** that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of the TIF Notes have existed, happened and been performed in due time, form and manner as required by law.

**ORDINANCE #66839  
Board Bill No. 184**

**AN ORDINANCE DESIGNATING A PORTION OF THE CITY OF ST. LOUIS, MISSOURI, AS A REDEVELOPMENT AREA KNOWN AS THE SOUTHSIDE NATIONAL BANK BUILDING REDEVELOPMENT AREA PURSUANT TO THE REAL PROPERTY TAX INCREMENT ALLOCATION REDEVELOPMENT ACT; APPROVING A REDEVELOPMENT PLAN; APPROVING RPA 1 AND THE RPA 1 REDEVELOPMENT PROJECT THEREIN; ADOPTING TAX INCREMENT FINANCING WITHIN RPA 1; MAKING FINDINGS WITH RESPECT THERETO; ESTABLISHING THE SOUTHSIDE NATIONAL BANK BUILDING SPECIAL ALLOCATION FUND; AUTHORIZING CERTAIN ACTIONS BY CITY OFFICIALS; AND CONTAINING A SEVERABILITY CLAUSE.**

**WHEREAS**, the City of St. Louis, Missouri (the "City"), is a body corporate and a political subdivision of the State of Missouri, duly created, organized and existing under and by virtue of its charter, the Constitution and laws of the State of Missouri; and

**WHEREAS**, on December 20, 1991, pursuant to Ordinance No. 62477, the Board of Aldermen of the City created the Tax Increment Financing Commission of the City of St. Louis, Missouri (the "TIF Commission"); and

**WHEREAS**, the TIF Commission is duly constituted according to the Real Property Tax Increment Allocation Redevelopment Act, Sections 99.800 to 99.865 of the Revised Statutes of Missouri (2000), as amended (the “TIF Act”), and is authorized to hold public hearings with respect to proposed redevelopment areas and redevelopment plans and to make recommendations thereon to the City; and

**WHEREAS**, staff and consultants of the City and Southside National, L.L.C., a Missouri limited liability company (the “Developer”), prepared a plan for redevelopment titled “Southside National Bank Building TIF Redevelopment Plan” dated April 29, 2005 (the “Redevelopment Plan”), for an area generally located at the property commonly known as 3611 S. Grand and 3615 Tholozan Avenue in St. Louis (the “Redevelopment Area” or “Area”), which Redevelopment Area is more fully described in the Redevelopment Plan, attached hereto and incorporated herein as **Exhibit A** and which contains two separate and distinct Redevelopment Project Areas (respectively, “Redevelopment Project Area 1” and “Redevelopment Project Area 2” or “RPA 1” and “RPA 2”); and

**WHEREAS**, the Redevelopment Plan proposes to redevelop the RPA 1 by renovating and rehabilitating the building that currently exists in the RPA 1 into residential units and commercial space with related parking and other improvements, as set forth in the Redevelopment Plan (“Redevelopment Project 1” or the “RPA 1 Redevelopment Project”); and

**WHEREAS**, on June 15, 2005 after all proper notice was given, the TIF Commission held a public hearing in conformance with the TIF Act and received comments from all interested persons and taxing districts relative to the Redevelopment Area, the Redevelopment Plan, and the RPA 1 Redevelopment Project; and

**WHEREAS**, on June 15, 2005, the TIF Commission found that completion of the RPA 1 Redevelopment Project would provide a substantial and significant public benefit through the creation of new jobs, the elimination of blight, the preservation of historic structures, the strengthening of the employment and economic base of the City, increased property values and tax revenues, stabilization of RPA 1, and facilitation of economic stability for the City as a whole, and further found that without the assistance of tax increment financing in accordance with the TIF Act, the RPA 1 Redevelopment Project is not financially feasible and would not otherwise be completed; and

**WHEREAS**, on June 15, 2005, the TIF Commission voted to recommend that the Board of Aldermen adopt an ordinance in the form required by the Act (i) approving the Redevelopment Plan, (ii) approving and designating the Redevelopment Area as a “redevelopment area” as provided in the Act, (iii) approving RPA 1 and the RPA 1 Redevelopment Project as described within the Redevelopment Plan, (iv) adopting tax increment financing within RPA 1, and (v) approving the issuance of tax increment financing revenue notes in the amount as specified in the Redevelopment Plan; and

**WHEREAS**, the Developer has demonstrated that the RPA 1 Redevelopment Project would not reasonably be anticipated to be developed without the adoption of tax increment financing and, therefore, redevelopment of RPA 1 in accordance with the Redevelopment Plan is not feasible and would not otherwise be completed; and

**WHEREAS**, the Board of Aldermen has received the recommendations of the TIF Commission regarding the Redevelopment Area and the Redevelopment Plan and finds that it is desirable and in the best interests of the City to designate the Redevelopment Area as a “redevelopment area” as provided in the TIF Act, adopt the Redevelopment Plan, approve RPA 1 and the RPA 1 Redevelopment Project in order to encourage and facilitate the redevelopment of RPA 1; and

**WHEREAS**, the Redevelopment Area qualifies for the use of tax increment financing to alleviate the conditions that qualify it as a “blighted area” as provided in the TIF Act and as set forth herein; and

**WHEREAS**, it is necessary and desirable and in the best interest of the City to adopt tax increment allocation financing within RPA 1 and to establish a special allocation fund for the Redevelopment Area.

**BE IT ORDAINED BY THE CITY OF ST. LOUIS AS FOLLOWS:**

**SECTION ONE.** The Board of Aldermen hereby makes the following findings:

A. The Redevelopment Area on the whole is a “blighted area”, as defined in Section 99.805 of the TIF Act, and has not been subject to growth and development through investment by private enterprise and would not reasonably be anticipated to be developed without the adoption of tax increment financing. This finding includes, the Redevelopment Plan sets forth, and the Board of Aldermen hereby finds and adopts by reference: (i) a detailed description of the factors that qualify the Redevelopment Area as a “blighted area” and (ii) an affidavit, signed by the Developer and submitted with the Redevelopment Plan, attesting that the provisions of Section 99.810.1(1) of the TIF Act have been met, which description and affidavit are incorporated herein as if set forth herein.

B. The Redevelopment Plan conforms to the comprehensive plan for the development of the City as a whole.

C. In accordance with the TIF Act, the Redevelopment Plan states the estimated dates of completion of the RPA 1 Redevelopment Project and retirement of the financial obligations issued to pay for certain redevelopment project costs and these dates are twenty three (23) years or less from the date of approval of the RPA 1 Redevelopment Project.

D. A plan has been developed for relocation assistance for businesses and residences in Ordinance No. 62481

adopted December 20, 1991.

E. A cost-benefit analysis showing the economic impact of the Redevelopment Plan on each taxing district which is at least partially within the boundaries of the Redevelopment Area is on file with the St. Louis Development Corporation, which cost-benefit analysis shows the impact on the economy if the RPA 1 Redevelopment Project is not built, and is built pursuant to the Redevelopment Plan.

F. Redevelopment of RPA 1 in accordance with the Redevelopment Plan is not financially feasible without the assistance of tax increment financing and would not otherwise be completed.

G. The Redevelopment Plan does not include the initial development or redevelopment of any "gambling establishment" as that term is defined in Section 99.805(6) of the TIF Act.

H. The Redevelopment Project Area 1 includes only those parcels of real property and improvements thereon directly and substantially benefitted by the proposed RPA 1 Redevelopment Project.

**SECTION TWO.** The Redevelopment Area described in the Redevelopment Plan is hereby designated as a "redevelopment area" as defined in Section 99.805(11) of the TIF Act.

**SECTION THREE.** The Redevelopment Plan as reviewed and recommended by the TIF Commission on June 15, 2005, including amendments thereto, if any, and Redevelopment Project 1 described in the Redevelopment Plan are hereby adopted and approved. A copy of the Redevelopment Plan is attached hereto as **Exhibit A** and incorporated herein by reference.

**SECTION FOUR.** There is hereby created and ordered to be established within the treasury of the City a separate fund to be known as the "Southside National Bank Building Special Allocation Fund." To the extent permitted by law and except as otherwise provided in the Redevelopment Plan, the City hereby pledges funds in the Southside National Bank Building Special Allocation Fund for the payment of redevelopment project costs and obligations incurred in the payment thereof.

**SECTION FIVE.** Tax increment allocation financing is hereby adopted within RPA 1. After the total equalized assessed valuation of the taxable real property in RPA 1 exceeds the certified total initial equalized assessed valuation of the taxable real property in RPA 1, the ad valorem taxes, and payments in lieu of taxes, if any, arising from the levies upon taxable real property in RPA 1 by taxing districts and tax rates determined in the manner provided in Section 99.855.2 of the TIF Act each year after the effective date of this Ordinance until redevelopment costs have been paid shall be divided as follows:

A. That portion of taxes, penalties and interest levied upon each taxable lot, block, tract, or parcel of real property which is attributable to the initial equalized assessed value of each such taxable lot, block, tract, or parcel of real property in the area selected for the RPA 1 Redevelopment Project shall be allocated to and, when collected, shall be paid by the City Collector to the respective affected taxing districts in the manner required by law in the absence of the adoption of tax increment allocation financing;

B. Payments in lieu of taxes attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract, or parcel of real property in the area selected for the RPA 1 Redevelopment Project and any applicable penalty and interest over and above the initial equalized assessed value of each such unit of property in the area selected for the RPA 1 Redevelopment Project shall be allocated to and, when collected, shall be paid to the City Treasurer, who shall deposit such payment in lieu of taxes into the Southside National Bank Building Special Allocation Fund for the purpose of paying redevelopment costs and obligations incurred in the payment thereof. Payments in lieu of taxes which are due and owing shall constitute a lien against the real estate of the RPA 1 Redevelopment Project from which they are derived and shall be collected in the same manner as the real property tax, including the assessment of penalties and interest where applicable.

**SECTION SIX.** In addition to the payments in lieu of taxes described in Section Five of this Ordinance, fifty percent (50%) of the total additional revenue from taxes, penalties and interest which are imposed by the City or other taxing districts, and which are generated by economic activities within the area of the RPA 1 Redevelopment Project over the amount of such taxes generated by economic activities within the area of the RPA 1 Redevelopment Project in the calendar year prior to the adoption of the RPA 1 Redevelopment Project by ordinance, while tax increment financing remains in effect, but excluding personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to Section 70.500 of the Revised Statutes of Missouri (2000) as amended, or taxes levied for the purpose of public transportation pursuant to Section 94.660 of the Revised Statutes of Missouri (2000) as amended, licenses, fees or special assessments other than payments in lieu of taxes and penalties and interest thereon, shall be allocated to, and paid by the collecting officer to the City Treasurer or other designated financial officer of the City, who shall deposit such funds in a separate segregated account within the Southside National Bank Building Special Allocation Fund.

**SECTION SEVEN.** The Comptroller of the City is hereby authorized to enter into agreements or contracts with other taxing districts as is necessary to ensure the allocation and collection of the taxes and payments in lieu of taxes described in Sections Five and Six of this Ordinance and the deposit of the said taxes or payments in lieu of taxes into the Southside National Bank Building Special Allocation Fund for the payment of redevelopment project costs and obligations incurred in the payment thereof, all in accordance with the TIF Act.

**SECTION EIGHT.** The City Register is hereby directed to submit a certified copy of this Ordinance to the City Assessor, who is directed to determine the total equalized assessed value of all taxable real property within RPA 1 as of the date of this

Ordinance, by adding together the most recently ascertained equalized assessed value of each taxable lot, block, tract or parcel of real property within RPA 1, and shall certify such amount as the total initial equalized assessed value of the taxable real property within RPA 1.

**SECTION NINE.** The Mayor and Comptroller of the City or their designated representatives are hereby authorized and directed to take any and all actions as may be necessary and appropriate in order to carry out the matters herein authorized, with no such further action of the Board of Aldermen necessary to authorize such action by the Mayor and the Comptroller or their designated representatives.

**SECTION TEN.** The Mayor and the Comptroller or their designated representatives, with the advice and concurrence of the City Counselor and after approval by the Board of Estimate and Apportionment, are hereby further authorized and directed to make any changes to the documents, agreements and instruments approved and authorized by this Ordinance as may be consistent with the intent of this Ordinance and necessary and appropriate in order to carry out the matters herein authorized, with no such further action of the Board of Aldermen necessary to authorize such changes by the Mayor and the Comptroller or their designated representatives.

**SECTION ELEVEN.** It is hereby declared to be the intention of the Board of Aldermen that each and every part, section and subsection of this Ordinance shall be separate and severable from each and every other part, section and subsection hereof and that the Board of Aldermen intends to adopt each said part, section and subsection separately and independently of any other part, section and subsection. In the event that any part, section or subsection of this Ordinance shall be determined to be or to have been unlawful or unconstitutional, the remaining parts, sections and subsections shall be and remain in full force and effect, unless the court making such finding shall determine that the valid portions standing alone are incomplete and are incapable of being executed in accord with the legislative intent.

**SECTION TWELVE.** After adoption of this Ordinance by the Board of Aldermen, this Ordinance shall become effective on the 30th day after its approval by the Mayor or adoption over his veto; *provided that* if, within ninety (90) days after the effective date of this Ordinance, the Developer has not (i) executed a redevelopment agreement pertaining to the RPA 1 Redevelopment Project and (ii) paid all fees due to the City in accordance with the terms of the redevelopment agreement, the provisions of this Ordinance shall be deemed null and void and of no effect and all rights conferred by this Ordinance on Developer, shall terminate, *provided further*, however, that prior to any such termination the Developer may seek an extension of time in which to execute the Redevelopment Agreement, which extension may be granted in the sole discretion of the Board of Estimate and Apportionment of the City of St. Louis.

#### I. INTRODUCTION

The following is a plan for redevelopment of certain real property in the City of St. Louis (the "City") which property consists of the parcels commonly known and numbered as 3611 South Grand Avenue and 3615 Tholozan Avenue, as well as the north-south alley running between the two (the "Redevelopment Area").

The Redevelopment Area qualifies as a blighted area under Missouri's Real Property Tax Increment Allocation Redevelopment Act, Section 99.800-99.865 of the Revised Statutes of Missouri (2000) (the "TIF Act"). This Redevelopment Plan proposes to completely redevelop the Area into a mix of residential and commercial space with related parking. The Redevelopment Area contains two separate and distinct Redevelopment Project Areas (each a "Redevelopment Project Area" or "RPA"), each of which contains a separate redevelopment project. The first of the two RPAs consists of the northern portion of the property at 3611 South Grand Avenue ("RPA 1"), which now contains the Southside National Bank Building (the "Building"). This Redevelopment Plan proposes the rehabilitation and renovation of the Southside National Bank Building into a mix of commercial and residential space ("Redevelopment Project 1" or "Project 1"). The second of the RPAs consists of the southern portion of the property known as 3611 South Grand as well as the property located at 3615 Tholozan and the north-south alley running between the two ("RPA 2").

The Redevelopment Plan calls for the renovation of a portion of the existing parking lots, demolition of the existing drive-through banking structure, and the future construction of new commercial and potential residential space ("Redevelopment Project 2" or "Project 2"). A legal description and map of the Redevelopment Area are attached hereto as **Appendix 1** and incorporated herein by this reference. Together, Redevelopment Project 1 and Redevelopment Project 2 comprise the "Redevelopment Project" or "Project" for purposes of this Redevelopment Plan.

This Redevelopment Plan proposes that the City initially authorize and issue one or more Tax Increment Financing Notes ("TIF Notes") in an amount up to One Million Four Hundred Thousand and No/100 Dollars (\$1,400,000.00) plus issuance costs to fund a portion of the costs of Redevelopment Project 1. This Redevelopment Plan also proposes that the City authorize and issue one or more additional TIF Notes in an amount yet to be determined to fund a portion of the costs of Redevelopment Project 2. The TIF Notes issued shall be reimbursed solely from the revenue stream of Payments In Lieu of real estate Taxes ("PILOTS") and Economic Activity Taxes ("EATS") generated by the Project over a twenty-three year period. Up to one hundred percent of PILOTS within the Redevelopment Area and up to fifty percent of EATS will be allocated to retire the TIF Notes. After completion of the Redevelopment Project with respect to RPA 1 or RPA 2, the City may issue TIF Note(s) or other TIF obligations to the developer of the Project ("Developer") or a third party to evidence the City's obligation to reimburse the Developer for a portion of the costs of the Redevelopment Project. Such TIF Note(s) will be paid solely from revenues on deposit in the Southside National Bank Building Special Allocation Fund, in accordance with and pursuant to the TIF Act. Upon receipt by the City of a written request by Developer and evidence that the Developer has met certain criteria agreed upon by the City and Developer in a Redevelopment Agreement, the City shall cause one of its agencies to immediately proceed to issue tax increment financing bonds ("TIF Bonds") to repay the TIF Note.

The Notes may be issued in one or more series and may include notes, temporary notes or other financial obligations to

be redeemed by TIF Notes upon completion of the Redevelopment Project. In addition, these Notes or other financial obligations may be privately placed. It is the City's intent to pay for the principal and interest on these Notes or other financial obligations, in any year, solely with money legally available for such purpose within the City's Special Allocation Fund.

## II. OVERVIEW OF TAX INCREMENT FINANCING

In order to promote the redevelopment of a declining area, or to induce new activity in an area that has been lacking in growth and development, the State of Missouri has provided statutory tools to counties and municipalities to assist private, and initiate public, investment. One such tool is the TIF Act.

The TIF Act allows cities and counties to (1) identify and designate redevelopment areas that qualify as Blighted Areas, Conservation Areas, or Economic Development Areas as each are defined in the TIF Act; (2) adopt a redevelopment plan that designates the redevelopment area and states the objectives to be attained and the program to be undertaken; (3) approve a redevelopment project(s) for implementation of the redevelopment plan; and (4) utilize the tools set forth in the TIF Act to assist in reducing or eliminating those conditions that cause the area to qualify as a redevelopment area. Generally, the TIF Act allows municipalities to foster economic and physical improvements in a redevelopment or project area and to enhance the tax base of all taxing districts that levy taxes in such area. Within redevelopment areas, municipalities may use the power of eminent domain to provide necessary property acquisition for the implementation of a redevelopment plan and redevelopment project.

The concept of tax increment financing is outlined as follows: implementation of a redevelopment project within the redevelopment area will produce increased real estate assessments attributable to the redevelopment within the area. The project then makes PILOTS on the increased assessed value of the improved property. The project also generates new EATS resulting from operations within the redevelopment or project area. The TIF Act authorizes the capture of certain PILOTS and EATS in the redevelopment or project area over and above such levels within that area in the year prior to the approval of the redevelopment project. New development is made possible within the redevelopment area through the municipality's use of incremental revenues to finance certain costs of developing or redeveloping the area.

The municipality segregates these incremental revenues into a special account, the "special allocation fund," during the period of time in which the incremental revenues are dedicated to the purposes identified in the redevelopment plan. The municipality is further authorized to pledge additional net new revenues from the project to the purposes identified in the redevelopment plan. All taxing districts that levy taxes on property within the redevelopment or project area continue to receive tax revenues based upon property values which existed prior to the adoption of ordinances establishing the redevelopment or project area. Taxing districts also benefit from the increase in certain other taxes resulting from the increased economic activity in the redevelopment or project area. These taxes resulting from development of the redevelopment project are not deposited in the special allocation fund pursuant to the provisions of the TIF Act.

The TIF Act requires that, prior to establishing a redevelopment area or approving or amending TIF redevelopment plans and projects, a municipality must create a TIF Commission. A TIF Commission is comprised of six individuals appointed by the chief elected official of the municipality, with the consent of its governing body, and three individuals who are appointed by the other taxing districts within the proposed redevelopment area. Two of these three members are to represent the school district(s) that tax property within the proposed redevelopment area; the other member is appointed by all the remaining taxing districts. The TIF Commission's role is to review, consider, and make recommendations to the municipality's governing body concerning the adoption of redevelopment plans and redevelopment projects and the designation of redevelopment areas, and to exercise such other powers as are available to it under the TIF Act.

## III. FINDING THAT REDEVELOPMENT AREA IS A BLIGHTED AREA

As defined in the TIF Act, a "blighted area" is:

An area which, by reason of the predominance of defective or inadequate street layout, unsanitary or unsafe conditions, deterioration of site improvements, improper subdivision or obsolete platting, or the existence of conditions which endanger life or property by fire and other causes, or any combination of such factors, retards the provision of housing accommodations or constitutes an economic or social liability or a menace to the public health, safety, morals, or welfare in its present condition and use.

Section 99.805(1). Mo. Rev. Stat.

The Redevelopment Area is a portion of the Gravois/South Grand/Meramec Area, which was previously declared to be blighted by the City in Ordinance No. 63865. In that ordinance, the City declared that "the properties within the Area are partially occupied and in poor to good condition . . . The existence of deteriorated property constitutes both an economic liability to the City of St. Louis and presents a hazard to the health and well-being of its citizens."

In addition, the Redevelopment Area is a blighted area based upon the fact that it exhibits the factors set forth above, which are further discussed as follows:

- i. Deterioration of Site Improvements. In general, deterioration refers to any physical deficiencies or disrepair in buildings or site improvements requiring treatment or repair. Deterioration may be evident in basically sound buildings containing minor defects, such as a lack of painting, loose or missing roof tiles, floor or ceiling panes,

or holes and cracks over limited areas. Deterioration which is not easily curable, however, and which cannot be accomplished in the course of normal maintenance, includes buildings with defects in the primary and secondary building components. Primary building components include the foundation, exterior walls, floors, roofs, wiring, plumbing, etc. Secondary building components include the doors, windows, frames, fire escapes, gutters, downspouts, fascia materials, etc. Deterioration of streets and alleys includes evidence of pot holes, cracks, depressions, overgrowth, and poor drainage. Deterioration of sidewalks is evidenced by settled areas, cracks, gravel sections, overgrowth, or depressed curb areas.

The Area suffers from deterioration of several site improvements and primary and secondary building components. The interior of the Building is in severe need of repairs and comprehensive renovation. The windows of the Building are cracked in several places and are generally in poor condition throughout, requiring either significant repairs to or the total replacement of all of the windows in the Building. The Building has suffered from a persistent wet wall problem in its tower portion. This problem is related to the poor condition of the roofing and flashing of the Building, the fact that the Building windows do not fit properly, and a lack of proper air filtration. The wet wall problem mandates immediate attention in order to prevent exterior stones from falling off of the Building. In addition, the interior floors, walls and ceilings of the tower portion of the Building are in very poor condition. The interior walls and ceilings of the Building are flaking, and tiles are fallen or missing in places. The floors are severely torn up and damaged in places.

In addition, environmental analysis has revealed the presence of asbestos in most of the floor coverings of the Building, requiring that such coverings be completely replaced. The paint on the interior walls of the Building, which is peeling, has also tested positive for the presence of lead. The plumbing system has been identified as "antiquated" in recent studies of the Building, and requires a complete overhaul. In addition, the Building's sprinkler system is outdated and below modern code standards. Furthermore, the Building's HVAC system is outdated and only configured for use by one tenant; thus, the multi-occupant use of the Building requires a completely new HVAC system. The Building's elevator system is not large enough for modern uses and the elevators will likely require replacement to accommodate use of the upper floors in accordance with modern standards and demands.

The exterior portions of the Area are also in very poor condition due to deterioration and lack of maintenance. Exterior steps leading up to the Building are cracked and crumbling. The sidewalks and parking lot areas are significantly overgrown with weeds, and suffer from severe cracking. These areas are also very uneven, and would likely require some form of repaving to accommodate daily use. There are holes in the sidewalk that are no longer fully covered by rusted existing covers. Poles at the entrance to the Area are slanted, indicating that they are loose. The drive-through facility on the exterior of the Area also appears to be in poor condition. Metal components of this facility are rusting, and the roof appears to be suffering from wear and a lack of maintenance.

- ii. Existence of Conditions which Endanger Lives or Property by Fire and Other Causes. The Area contains several conditions which pose a real and dangerous threat to lives or property by fire or other causes. As noted above, the Building's sprinkler system has been identified in studies commissioned by the City as being below modern code standards, constituting a real danger. The Building's lack of sufficient means of egress and lack of accessible spaces have also been identified as potential sources of increased fire safety dangers. Remedying these concerns may require the ramping or filing of floors on the first level of the Building, the widening of hallways, or the reconfiguration of the Building's means of egress.

In addition to documented fire safety concerns, the presence of harmful environmental contaminants in the Area also poses a danger to lives and health. Environmental assessments have identified approximately 8,000 square feet of material in the Building that have tested positive for asbestos. In addition, the Area has also tested positive for the presence of lead-based paint.

- iii. Economic and Social Liability. The Area in its current condition is a significant liability to the social welfare and economic independence of the City. The prolonged vacancy of the Area has already cost the City in the form of lost potential tax revenues. The current layout and configuration of the Building have been identified as primary causal factors in the Area's prolonged vacancy. Specifically, the seven-story tower structure above two-story space has been identified as highly inefficient. This configuration results in a low percentage of usable square footage, which translates to a high maintenance cost per square foot. These difficulties are further exacerbated by the Building's current single-tenant configuration, including the existing single-user HVAC system as well as the presence of a single means of egress despite two elevators; the single-user structure severely limits the universe of potential tenants and in doing so severely diminishes the marketability of the Area. If the Area is not redeveloped, and is instead allowed to degenerate through such continued complete vacancy, not only will the Area's physical condition pose an economic and social burden on the City, but the vacancy and dilapidation of such a prominent structure at such a salient intersection in this neighborhood will hamper investment in the surrounding neighborhood and deter the revitalization and renewal of surrounding properties. For these reasons, the Area constitutes an economic and social liability to the City of St. Louis.

- iv. Unsanitary or Unsafe Conditions. The Area is characterized by several unsanitary and unsafe conditions. As noted above, the Area's sprinkler and fire protection systems are generally below modern code and safety

standards. The deficient means of egress and inaccessible spaces are also unsafe in the event of an emergency situation. The physical deterioration of the Building poses a potential threat to safety, as evidenced by the potential for falling stones from the Building's exterior resulting from the documented wet wall problem. The confirmed existence of asbestos and lead paint are also obviously unsafe and unsanitary. The rooftop/penthouse area of the Building has been contaminated with pigeon droppings, which are unsanitary and must be removed. The exterior of the Area also contains several unsafe conditions. As noted, exterior steps are crumbling, posing the risk of injury. The rusting of metal sidewalk covers has created holes in the sidewalk that pose a risk of injury, as does the general uneven and poorly maintained condition of the sidewalks and parking lot portions of the Area. Due to lack of maintenance and investment, the Area has become characterized by a wide variety of these unsafe and unsanitary conditions, and, without significant redevelopment, these conditions will continue to plague the Area and surrounding properties and residents.

- v. Menace to the Public Health, Safety, Morals or Welfare. As discussed above, the Redevelopment Area exhibits many factors which constitute a menace to the public health, safety, morals, or welfare in its present condition and use. The prolonged and complete vacancy not only poses an economic burden on the City, but degrades public perception of the entire neighborhood, and hampers growth in this portion of the City. Without redevelopment, the unsafe and unsanitary conditions will continue to pose a menace to the City, and the loss of revenue resulting from continued vacancy will negatively affect the City as a whole.

In determining if the proposed Redevelopment Area meets the eligibility requirements for TIF per the TIF Act, a number of sources of information were utilized. These include, but are not limited to, the following:

- a. Interior and exterior survey of the condition and use of the Redevelopment Area;
- b. Public documents relating to the history and/or condition of the Area;
- c. Professional environmental assessments of the condition of the Area;
- d. Studies prepared for the City regarding the condition and future development of \_\_\_\_\_ the Area;
- e. Analysis of existing uses and their relationships.

#### IV. **Redevelopment Plan INCLUDING NECESSARY FINDINGS**

##### 1. Description of the Redevelopment Area

A legal description and map of the Redevelopment Area, RPA 1 and RPA 2 are included herein as **Appendix 1**.

##### 2. Redevelopment Plan Objectives

The City of St. Louis has established the following objectives for the Southside National Bank Building TIF Redevelopment Plan. These objectives are consistent with those purposes outlined in the TIF Act, as amended:

- To reduce or eliminate the conditions that cause the Redevelopment Area to be a "blighted area" as defined by Section 99.805(1) of the TIF Act and as described in Section III of this Redevelopment Plan;
- To enhance the public health, safety, and welfare of the community by curing blighting conditions and encouraging other improvements necessary for insuring the Area's stability and existing and future redevelopment consistent with this Redevelopment Plan;
- To enhance the tax base by inducing development of the Redevelopment Area to its highest and best use, benefiting taxing districts and encouraging private investment in surrounding areas;
- To establish the Area as a viable residential and commercial destination, and in so doing, to encourage future commercial activity in the neighborhood;
- To promote the health, safety, order, convenience, prosperity and the general welfare, as well as efficiency and economy in the process of development;
- To increase property values of the Area;
- To provide development opportunities in the Redevelopment Area and surrounding areas; and
- To stimulate construction and permanent employment opportunities and increased demand for services for the Area.

##### 3. Redevelopment Project

As discussed, this Redevelopment Plan divides the Redevelopment Area into two separate RPAs, RPA 1 and RPA 2, each

of which is the subject of a separate redevelopment project. In order to further the objectives stated in this Redevelopment Plan, the Redevelopment Project consists of:

Redevelopment Project 1

- Residential and Commercial Use      Redevelopment of the existing building located at 3611 South Grand Boulevard and commonly known as the Southside National Bank Building into residential units and a mix of commercial spaces.

Redevelopment Project 2

- Mixed Use Development      Improvements to existing parking space on the properties commonly known as 3611 South Grand Boulevard and 3615 Tholozan, demolition of vacated drive-through bank structure, and construction of new mixed-use commercial development and potential development of residential space.

The Redevelopment Project is generalized to leave room for design creativity and owner specifications as needed, so that the Developer can respond to prospective owners' and tenants' needs as well as market conditions as completion of the Redevelopment Project progresses. At this time, the concept for Redevelopment Project 2 is less well developed than the plans for Redevelopment Project 1. The plans for Redevelopment Project 2 are still in development stage and are in part contingent upon the implementation of Redevelopment Project 1. It is expected that the Developer will submit a separate and more detailed proposal to the City with respect to Redevelopment Project 2.

The Redevelopment Project aims to rehabilitate the most prominent physical structure in the South Grand neighborhood, which is located at an important intersection in that portion of the City. By revitalizing this notable and significant source of blight, the Project expects to stabilize this neighborhood and facilitate future development.

The total estimated Redevelopment Project Costs for Redevelopment Project 1 at this time equal approximately \$6.8 million, excluding any developer fees, and the estimated total Redevelopment Project Costs for Redevelopment Project 2 at this time are expected to range between approximately \$2.5 to \$5.0 million, as set forth in greater detail in **Appendix 2**. It should be noted that the costs set forth in **Appendix 2** are estimated based on the knowledge of the Redevelopment Project at this time and that the actual redevelopment cost items for implementing the Redevelopment Project may vary depending on market conditions and other factors. Specifically, the anticipated costs of Redevelopment Project 2 are subject to adjustment to accommodate future development trends and changes in market conditions.

4. General Land Uses to Apply

The general land uses proposed for the Area are residential and commercial; to the extent necessary to effectuate the purposes of this Plan, variances or rezoning shall be sought.

5. Redevelopment Schedule and Estimated Dates of Completion

It is estimated that implementation of Redevelopment Project 1 will be completed within thirty-six (36) months from the effective date of the ordinances approving this Redevelopment Plan and authorizing the execution of a redevelopment agreement between the City and the Developer as contemplated herein. It is anticipated that Redevelopment Project 2 will be completed within eight (8) years from the effective date of the ordinances approving this Redevelopment Plan. The estimated date for retirement of obligations incurred to finance the Redevelopment Project shall not be more than twenty-three (23) years from approval of the Redevelopment Project. The anticipated Redevelopment Program Schedule for the TIF Project is included herein as **Appendix 3**.

6. Most Recent Equalized Assessed Value of Parcels within the Redevelopment Area

The current Equalized Assessed Values of all taxable property in the Redevelopment Area is attached as **Appendix 4**. These values are established and will be confirmed by the Assessor of the City of St. Louis.

7. Estimated Equalized Assessed Value After Redevelopment

The total estimated Equalized Assessed Value of all taxable property subject to PILOTS in RPA 1 after redevelopment and completion of Redevelopment Project 1 is approximately \$869,305 (2009). The total estimated Equalized Assessed Value of all taxable property subject to PILOTS in RPA 2 after redevelopment and completion of Redevelopment Project 2 is approximately \$1,000,000 (2013), which value is subject to further determination upon advanced development of plans and specification for Redevelopment Project 2 and analysis of changed economic assumptions.

8. Acquisition

The anticipated Developer or a related entity is currently the owner of all parcels within the Area necessary for the Redevelopment Project or expects to have completed contracts to purchase all such property prior to the approval of this Redevelopment Plan by ordinance, other than currently public rights-of-way.

9. Blighted Area

As previously described in greater detail in Section III, the Redevelopment Area as a whole is a blighted area, and has not been subject to growth and development through investment by private enterprise and will not reasonably be expected to be developed without the adoption of tax increment financing. The Developer has executed an affidavit attesting to the existence of these conditions which is included herein as **Appendix 6**.

The costs of construction and site rehabilitation preclude private enterprise from developing the Area to its highest and best use without public assistance. The cost of curing the existing conditions of blight and constructing improvements as contemplated in this Redevelopment Plan is not economically viable if fully borne by the Developer.

10. Conforms with the Comprehensive Plan of the City

The Redevelopment Plan conforms to the comprehensive plan for the development of the City as set forth in the Strategic Land Use Plan (2005).

11. Plan for Relocation Assistance

To the extent relocation becomes necessary this Redevelopment Plan adopts the City St. Louis Relocation Policy (Ordinance No. 62481) as the relocation policy for this Redevelopment Plan.

12. Cost Benefit Analysis

A cost benefit analysis showing a net benefit to each taxing district impacted by this Redevelopment Plan is on file with the St. Louis Development Corporation, 1015 Locust Street, Suite 1200, St. Louis, MO 63101.

If the TIF Redevelopment Project is completed, then each of the taxing districts will continue to receive all of the tax revenues currently received from the Redevelopment Area. Additionally, they will benefit from the additional property taxes and economic activity taxes which will be paid and not contributed to the TIF. The TIF Act allows for the collection of only 50% of the EATS for payment of project costs. The other 50% are distributed to the appropriate taxing authorities.

13. Does Not Include Gambling Establishment

The Redevelopment Plan does not include the initial development or redevelopment of any gambling establishment.

14. Reports to DED

As required by the TIF Act, the City shall report to the Department of Economic Development by the last day of February each year, the name, phone number, and primary line of business of any business which locates within the Redevelopment Area.

## V. FINANCING PLAN

1. Eligible Redevelopment Project Costs

The TIF Act provides for the use of tax increment revenues generated by a designated redevelopment area to pay all reasonable or necessary costs incurred, estimated to be incurred, or incidental to a redevelopment plan or redevelopment project within a designated TIF redevelopment area. A municipality may pledge all or any part of the funds in and to be deposited in the special allocation fund established for a redevelopment project area to the payment of redevelopment project costs and obligations within the redevelopment area, including the retention of funds for the payment of future redevelopment costs.

The estimated Redevelopment Project Costs to be incurred in connection with Redevelopment Project 1 are approximately \$6.7 million, excluding any developer fees, and those in connection with Redevelopment Project 2 are expected to range from approximately \$2.5 million to \$5.0 million, excluding any developer fees, and are set forth in **Appendix 2**. More specifically, the TIF Act allows the City and/or its designated developer(s) to incur redevelopment costs associated with implementation of an approved Redevelopment Plan and approved Redevelopment Project. These costs include all reasonable or necessary costs incurred, and any costs incidental to a Redevelopment Project. Thus, this Redevelopment Plan anticipates that a portion of the sources of funds used to pay the Project Costs will come from the TIF revenues, and such Project Costs, in accordance with the TIF Act, may include but are not limited to:

- Costs of studies, surveys, plans and specifications;
- Professional service costs including, but not limited to, architectural, engineering, legal, marketing, financial, planning or special services;
- Property assembly costs including, but not limited to, acquisition of land and other real or personal property rights, or interests therein;
- Costs of rehabilitation, reconstruction, or repair or remodeling of existing buildings and fixtures;

- Costs of construction of public works or improvements;
- Financing costs including, but not limited to, all necessary and incidental expenses related to the issuance of obligations, and which may include the payment of interest on any obligation issued under the provisions of this Redevelopment Plan accruing during the estimated period of construction of any Redevelopment Project for which such obligations are issued and for not more than eighteen months thereafter, and including reasonable reserves related thereto; and
- All or a portion of a taxing district's capital costs resulting from the Redevelopment Project necessarily incurred or to be incurred in furtherance of the objectives of the Redevelopment Plan and Project, to the extent the City, by written agreement, accepts and approves such costs.

The costs shown on **Appendix 2** represent the total approximate costs of the Project regardless of the source of funding. This table does not include all custom finishes over and above Developer-supplied finishes, which are unknown at this time. Typical plan implementation and financing costs are based on the experience of the Developer. It should be noted that these costs are based on the knowledge of the Project at this time and that the actual redevelopment cost items for implementing the Redevelopment Plan and the Redevelopment Project may vary from these estimates.

It is not the intent of **Appendix 2** or this Redevelopment Plan to restrict the City or the Developer to the cost amounts or cost items as outlined. During the life of the Redevelopment Area, Plan and Project, other costs may be incurred or adjustments may be made within and among the line items specified in **Appendix 2**, if necessary and reasonable to accomplish the program objectives of the Redevelopment Plan.

## 2. Anticipated Sources of Funding to Pay Redevelopment Project Costs

There are three (3) principal sources of potential funds that are anticipated to be used to pay the costs of implementation of the Redevelopment Plan and the Redevelopment Project previously described. These sources are:

- Private financing and owner equity;
- State Historic Tax Credit Proceeds; and
- Funds available through the issuance of TIF notes, bonds, loans, certificates or other certificates of indebtedness (herein collectively referred to as "TIF Note or other financial obligations").

The anticipated type and term of the sources of funds are set forth in **Appendix 2**. It is not the intent of **Appendix 2** or this Redevelopment Plan to restrict the City or the Developer to the sources or source amounts as outlined. During the life of the Redevelopment Agreement, Plan, and Project, sources may not be utilized, other sources may be found or adjustments may be made within or in addition to the sources specified in **Appendix 2**.

## 3. TIF Note Funding

This Redevelopment Plan proposes that the City initially authorize the issuance of one or more Tax Increment Financing Notes ("TIF Note") in a total amount up to One Million Four Hundred Thousand and No/100 Dollars (\$1,400,000.00) plus issuance costs, to fund a portion of the Redevelopment Project Costs associated with completion of Redevelopment Project 1, with a term of retirement for all such issues not more than 23 years. The TIF Notes or other financial obligations will be issued only to finance the Redevelopment Project and Redevelopment Project Costs as outlined in **Appendix 2** which are eligible costs as specified in Section 99.805(11) of the TIF Act, including any costs of issuing the TIF Notes or other financial obligations.

The Notes may be issued in one or more series and may include notes, temporary notes or other financial obligations to be redeemed by TIF Notes upon completion of the Redevelopment Project. In addition, these Notes or other financial obligations may be privately placed. It is the City's intent to pay for the principal and interest on these Notes or other financial obligations, in any year, solely with money legally available for such purpose within the Southside National Bank Building Special Allocation Fund.

The Southside National Bank Building Special Allocation Fund will contain at least two accounts as provided for and in accordance with the TIF Act:

1. The "**PILOTS Account**" will contain all payments in lieu of taxes derived from all taxable lots, blocks, tracts, and parcels of real property (or any interest therein) within the Redevelopment Area as contemplated by this Redevelopment Plan and in accordance with the TIF Act; and
2. The "**Economic Activity Taxes ("EATS") Account**" will contain fifty percent (50%) of the total funds from taxes imposed by the City which are generated by the operations and activities within the Redevelopment Area, excluding licenses, fees or special assessments, and excluding personal property taxes and payments to the PILOTS Account, in accordance with the TIF Act.

Funds on deposit in the PILOTS Account and EATS Account will be pledged to the payment of the Redevelopment Project Costs. Such payment obligations shall not constitute debts or liabilities of the City, the State of Missouri, or any political subdivision

thereof within the meaning of any constitutional or statutory debt limitation or restriction and neither the City nor the State of Missouri shall be liable thereon except from the PILOTS Account, and, to the extent appropriated by the City on an annual basis, the EATS Account, from funds derived from other taxes deposited into the Special Allocation Fund.

4. Evidence of Commitment to Finance Redevelopment Project Costs

**Appendix 6** contains a preliminary commitment letter provided by Missouri State Bank, which has made a preliminary review of the development proposal and has expressed a commitment to provide financing of Redevelopment Project Costs associated with the Redevelopment Project.

Re: Proposed Southside National Bank Building Redevelopment Project

Dear Mr. Smith:

The purpose of this letter is to evidence Missouri State Bank's initial commitment to provide financing for your proposed project involving the redevelopment of certain real property and construction of new residential and commercial space in the former Southside National Bank Building at 3611 Grand in the City of St. Louis, Missouri (the "Project"), subject to review and approval by the Bank's Loan Committee.

As we have discussed, financing of the Project would not be feasible without the assistance of tax increment financing. Therefore, please be advised that we are excited to provide financing for the Project should the City of St. Louis issue the necessary tax increment financing.

Should you have any questions, please do not hesitate to call.

Sincerely,

A handwritten signature in cursive script that reads 'Craig Schriewer'.
