WHEREAS, the LCRA has recommended such a plan to the Planning Commission of the City of St. Louis ("Planning Commission") and to this St. Louis Board of Aldermen ("Board"), titled "Blighting Study and Plan for 2117 Allen Avenue & 1924-28 & 2141 Geyer Avenue Area," dated October 25, 2005 consisting of a Title Page, a Table of Contents Page, and fourteen (14) numbered pages, attached hereto and incorporated herein as Exhibit "B" ("Plan"); and

WHEREAS, the Plan has been presented and recommended by LCRA and the Planning Commission to this Board for review and approval; and

WHEREAS, a general plan has been prepared and is recognized and used as a guide for the general development of the City and the Planning Commission has advised this Board that the Plan conforms to said general plan; and

WHEREAS, this Board has duly considered the reports, recommendations and certifications of the LCRA and the Planning Commission; and

WHEREAS, the Plan does prescribe land use and street and traffic patterns which may require, among other things, the vacation of public rights-of-way, the establishment of new street and sidewalk patterns or other public actions; and

WHEREAS, this Board is cognizant of the conditions which are imposed on the undertaking and carrying out of a redevelopment project, including those relating to prohibitions against discrimination because of race, color, creed, national origin, sex, marital status, age, sexual orientation or physical handicap; and

WHEREAS, in accordance with the requirements of Section 99.430 of the Statute, this Board advertised that a public hearing would be held by this Board on the Plan, and said hearing was held at the time and place designated in said advertising and all those who were interested in being heard were given a reasonable opportunity to express their views; and

WHEREAS, it is necessary that this Board take appropriate official action respecting the approval of the Plan.

A. EXISTING CONDITIONS AND FINDINGS OF BLIGHT

1. DELINEATION OF BOUNDARIES

The 2117 Allen Avenue & 1924-28 & 2141 Geyer Avenue Redevelopment Area ("Area") consists of two two-family buildings and one split-use/four-family building on land totaling approximately .36 acre in the McKinley Heights Neighborhood of the City of St. Louis ("City"). The Allen Avenue property is in the block bounded by McNair Avenue on the east, Missouri Avenue on the west, Geyer Avenue on the north and Allen Avenue on the south. The 1924-28 Geyer Avenue property is in the block bounded by 18th Street on the east, Mississippi Avenue on the west, Geyer Avenue on the north and Allen Avenue on the south; the 2141 Geyer Avenue property is in the block bounded by Simpson Place on the east, Missouri Avenue on the west, Lafayette Avenue on the north and Geyer Avenue on the south.

The legal description for the area is attached and labeled Exhibit "A". The boundaries of the Area are delineated on Exhibit "B" ("Project Area Plan").

2. GENERAL CONDITION OF THE AREA

The Area comprises part of City Blocks 1324, 1332 and 1341 and is in poor condition. The physical conditions within the Area are shown on Exhibit "B" (Project Area Plan). For the purpose of this Plan, "Fair Condition" means (1) property that is generally structurally sound but suffers from inadequate maintenance and upkeep, or (2) vacant unimproved property that is under-utilized. "Poor Condition" means (1) buildings that are structurally unsound and/or substantially deteriorated, requiring major improvements such as new roofs, windows, systems, etc., in order to be used productively, or (2) property without buildings which is poorly maintained, has crumbling pavement, and/or is used for open storage.

Unemployment figures, computed by the Missouri State Employment Service, indicate a 8.5 % unemployment rate for the City as of July, 2005. It is estimated that this rate is prevalent for residents of the neighborhoods surrounding the Area. There are currently no jobs within the Area.

3. PRESENT LAND USE OF THE AREA

Existing land uses within the area include an unoccupied split-use/residential and residential buildings in poor condition.

The land use, including the location of public and private uses, streets and other rights-of-way is shown on Exhibit "B".

4. PRESENT LAND USE AND DENSITY OF SURROUNDING PROPERTIES

The properties surrounding the Area are mostly residential. Residential density for the surrounding neighborhood is approximately 15.11 persons per acre.

5. CURRENT ZONING

The Area is zoned "C" Multiple-Family Dwelling and "F" Neighborhood Commercial Districts pursuant to the Zoning Code of the City, which is incorporated in this Plan by reference.

6. FINDING OF BLIGHT

The property within the Area is unoccupied and in poor condition (as defined in Section A(2) above). The existence of deteriorated property constitutes both an economic liability to the City of St. Louis and presents a hazard to the health and well-being of its citizens. These conditions, therefore, qualify the Area as blighted within the meaning of Section 99.300 et seq. of the Revised Statutes of Missouri (the Land Clearance for Redevelopment Authority Law).

B. PROPOSED DEVELOPMENT AND REGULATIONS

1. DEVELOPMENT OBJECTIVES

The primary objective of this Plan is to facilitate the redevelopment of this property for residential use.

2. PROPOSED LAND USE OF THE AREA

The proposed land uses for the Area are residential uses permitted in Areas designated "C" Multiple-Family Dwelling and "F" Neighborhood Commercial by the City of St. Louis Zoning Code. Redevelopers contracting with the Land Clearance for Redevelopment Authority of the City of St. Louis ("LCRA") to develop property in the Area (hereafter referred to as "Redeveloper") shall not be permitted to use said property for any use not allowed in the "C" Multiple-Family Dwelling and "F" Neighborhood Commercial Districts. Exhibit "C" (Proposed Land Use) shows the proposed uses for the Area. The 2005 Strategic Land Use Plan designates it as a Neighborhood Preservation Area.

3. PROPOSED ZONING

The zoning for the Area can remain "C" Multiple-Family Dwelling and "F" Neighborhood Commercial Districts. All land coverage and building intensities shall be governed thereby.

4. RELATIONSHIP TO LOCAL OBJECTIVES

The proposed land uses, zoning, public facilities and utility plans are appropriate and consistent with local objectives as defined by the General Plan of the City of St. Louis which includes the 2005 Strategic Land Use Plan of the City of St. Louis. Any specific proposal to the LCRA for development of the Area or any portion of the Area shall contain, among other things, adequate provisions for traffic, vehicular parking, safety from fire, adequate provisions for light and air, sound design and arrangement and improved employment opportunities.

5. PROPOSED EMPLOYMENT FOR THIS AREA

No permanent new jobs will be created if the Area is developed in accordance with this Plan.

6. CIRCULATION

The Proposed Land Use Plan (Exhibit "C") indicates the proposed circulation system for the Area. The layouts, levels and grades of all public rights-of-way may remain unchanged.

Rights-of-way changes will be subject to the review and approval of the City Department of Streets, and all vacations of rights-of-way are subject to approval by ordinance.

7. BUILDING AND SITE REGULATIONS

The Area shall be subject to all applicable federal, state and local laws, ordinances, regulations and codes, including but not limited to, the City Building Code, Zoning District Regulations, and stipulations of the Planning and Urban Design Agency ("PDA") of the City. The population densities, land coverage, and building intensities of redevelopment shall be governed by the Zoning Code. No changes in the building codes or ordinances are required.

8. URBAN DESIGN

a. Urban Design Objectives

The properties shall be redeveloped so they are attractive residential structures within the surrounding neighborhood.

b. Urban Design Regulations

Rehabilitation of the existing structures shall respect the original exterior in terms of design and materials. Window and door shapes and detailing shall be compatible with the original design of the building.

c. Landscaping

The property shall be well landscaped. Perimeter street trees of a minimum caliper of 2-1/2 inches and generally 30-35 feet on center, depending upon tree type, utilities, curb cuts, etc., shall be provided along all public or private streets - preferably in tree lawns along the curb. If necessary, sidewalks shall be notched to accommodate the trees. Ornamental or shade trees should be provided in the front lawns along with evergreen accent shrubs. Existing, non-scrub trees shall be retained.

d. Fencing

Fencing in the front yard shall be limited to ornamental metal, up to 42" in height, with a black matte finish. Fencing behind the building line may be chain link with a black matte finish, or a good quality, wood privacy fence up to 6' in height provided it is not stockade style. An evergreen hedge is required between a wood privacy fence and the sidewalk when the fence is along a side street.

9. PARKING REGULATIONS

Parking shall be provided in accordance with the applicable zoning and building code requirements of the City, including PDA standards. This will provide adequate vehicular parking for the Area.

When feasible, parking shall be limited to the rear of the property off the alley, and at least one space shall be provided for each residential unit. In addition, surface parking shall not extend beyond the established building line. Surface parking along public streets shall be buffered by a continuous evergreen hedge at least two and one-half (2-1/2) feet high on planting and maintained at three and one-half (3-1/2) feet high at maturity.

10. SIGN REGULATIONS

All new signs shall be limited as set out in the City Code, PDA stipulations, this Plan and contracts between the LCRA and the Redeveloper. All new signs shall be restricted to standard sale/lease signs.

11. BUILDING, CONDITIONAL USE AND SIGN PERMITS

No building, conditional use, or sign permits shall be issued by the City without the prior written approval of the LCRA.

12. PUBLIC IMPROVEMENTS

No additional schools, parks, recreational and community facilities or other public facilities will be required. Additional water, sewage or other public utilities may be required depending on development. The cost of such utility improvements will be borne by the Redeveloper.

If funds are available to the LCRA, it may provide public improvements including, but not limited to, measures for the control of traffic, improvements to street lighting, street trees, and any other improvements which may further the objectives of this Plan.

When developed in accordance with this Plan, the Area will comprise a coordinated, adjusted and harmonious development that promotes the health, safety, morals, order, convenience, prosperity, the general welfare, efficiency and economy of the City.

C. PROPOSED SCHEDULE OF DEVELOPMENT

The implementation of this Plan shall take place in a single phase initiated within approximately one (1) year of approval of this plan by ordinance and completed within approximately two (2) years of approval of this Plan by ordinance.

The LCRA may alter the above schedule as economic conditions warrant.

D. EXECUTION OF PROJECT

1. ADMINISTRATION AND FINANCING

The LCRA is empowered by Missouri law to administer development of all types pursuant to this Plan and can do so to the extent and in the manner prescribed by the Land Clearance for Redevelopment Authority Law of

Missouri.

All costs associated with the development of the Area will be borne by the Redeveloper.

Implementation of this Plan may be financed by funds obtained from private and/or public sources, including, without limitation, revenue bonds, bank loans, and equity funds provided by the Redeveloper.

2. PROPERTY ACQUISITION

The Property Acquisition Map, Exhibit "D" attached, identifies all the property located in the Area. **The LCRA may not acquire any property in the Area by the exercise of eminent domain.**

3. PROPERTY DISPOSITION

If the LCRA acquires property in the Area, it may sell or lease the property to a Redeveloper who shall agree to develop such property in accordance with this Plan and the contract between such Redeveloper and the LCRA. Any property acquired by the LCRA and sold to a Redeveloper will be sold at not less than its fair value, taking into account and giving consideration to those factors enumerated in Section 99.450, R.S.Mo. (2000) as amended, for uses in accordance with this Plan.

4. RELOCATION ASSISTANCE

The property within the area is currently unoccupied. If it should become occupied, all eligible occupants displaced as a result of the implementation of the Plan shall be given relocation assistance in accordance with all applicable federal, state and local laws, ordinances, regulations and policies.

E. COOPERATION OF THE CITY

The City and its Board of Aldermen, by enacting an ordinance approving this Plan, pledges its cooperation to enable the project to be carried out in a timely manner and in accordance with this Plan.

F. TAX ABATEMENT

A Redeveloper may seek ten (10) year real estate tax abatement pursuant to Sections 99.700 - 99.715, Revised Statutes of Missouri 2000, as amended, upon application as provided therein. Such real estate tax abatement shall not include any Special Business District, Neighborhood Improvement District, Commercial Improvement District, or any other similar local taxing district created in accordance with Missouri law, whether now existing or later created.

In lieu of the ten (10) year abatement outlined above, a Redeveloper which is an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes shall hereby be entitled to real property ad valorem tax abatement which shall not include any Special Business District, Neighborhood Improvement District, Commercial Improvement District, or any other single local taxing district created in accordance with Missouri law, whether now existing or later created, for a total period of up to ten (10) years from the commencement of such tax abatement, in accordance with the following provisions of this Plan:

If property in the Area is sold by the LCRA to an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes, or if any such corporation shall own property within the Area, then for the first ten (10) years after the date the redevelopment corporation shall acquire title to such property, taxes on such property shall be based upon the assessment of land, exclusive of any improvements thereon, during the calendar year preceding the calendar year during which such corporation shall have acquired title to such property. In addition to such taxes, any such corporation shall for the same ten (10) year period make a payment in lieu of taxes to the Collector of Revenue of the City of St. Louis in an amount based upon the assessment on the improvements located on the property during the calendar year preceding the calendar year during which such corporation shall have acquired title to such property. If property shall be tax-exempt because it is owned by the LCRA and leased to any such corporation, then such corporation for the first ten (10) years of such lease shall make payments in lieu of taxes to the Collector of Revenue of the City in an amount based upon the assessment on the property, including land and improvements, during the calendar year preceding the calendar year during which such corporation shall lease such property.

All payments in lieu of taxes shall be a lien upon the property and, when paid to the Collector of Revenue of the City shall be distributed as all other property taxes. These partial tax relief and payment in lieu of taxes provisions, during up to said ten (10) year period, shall inure to the benefit of all successors in interest in the property of the redevelopment corporation, so long as such successors shall continue to use such property as provided in this Plan and in any contract with the LCRA. In no event shall such benefits extend beyond ten (10) years after the redevelopment corporation shall have acquired title to the property.

G. COMPLIANCE WITH AFFIRMATIVE ACTION AND NONDISCRIMINATION LAWS AND REGULATIONS

1. LAND USE

The Redeveloper shall not discriminate on the basis of race, color, creed, national origin, marital status, sex, age, sexual orientation or physical handicap in the lease, sale or occupancy of the Area.

2. CONSTRUCTION AND OPERATIONS

A Redeveloper shall not discriminate on the basis of race, color, creed, national origin, marital status, sex, age, sexual orientation or physical handicap in the construction and operation of any project in the Area and shall take such affirmative action as may be appropriate to afford opportunities to everyone in all activities of the project, including enforcement, contracting, operating and purchasing.

3. LAWS AND REGULATIONS

A Redeveloper shall comply with all applicable federal, state and local laws, ordinances, executive orders and regulations regarding nondiscrimination and affirmative action, including the "Equal Opportunity and Nondiscrimination Guidelines" in Exhibit "E", attached.

4. ENFORCEMENT

All of the provisions of this Section G shall be incorporated in a Contract between the LCRA and a Redeveloper, which agreement shall be recorded in the office of the Recorder of Deeds. The provisions of G (1) and G (3) shall be covenants running with the land, without limitation as to time, and the provisions of G (2) shall be for the duration of this Plan and any extension thereof. All of the provisions of Section G shall be enforceable against the Redeveloper, its heirs, successors or assigns, by the LCRA, the City, any state having jurisdiction or the United States of America.

H. MODIFICATIONS OF THIS PLAN

Any proposed modification which will substantially change this Plan shall be approved by the St. Louis Board of Aldermen in the same manner as this Plan was first approved. Modifications which will substantially change this Plan include, but are not necessarily limited to, modifications on the use of eminent domain, to the length of tax abatement, to the boundaries of the area, or other items which alter the nature or intent of this plan.

This Plan may be otherwise modified (e.g. urban design regulations, development schedule) by the LCRA, provided that such revisions shall be effective only upon the consent of the Planning Commission of the City. Changes which are not substantial are those that do not go to the crux of this Plan.

I. DURATION OF REGULATION AND CONTROLS

The regulation and controls set forth in this Plan shall be in full force and effect for twenty-five years commencing with the effective date of approval of this Plan by ordinance, and for additional ten (10) year periods unless before the commencement of any such ten (10) year period the Board of Aldermen shall terminate this Plan as of the end of the term then in effect, except as provided in Section G (4) of this Plan.

J. EXHIBITS

All attached exhibits are hereby incorporated by reference into this Plan and made a part hereof.

K. SEVERABILITY

WHEREAS, the LCRA has recommended such a plan to the Planning Commission of the City of St. Louis ("Planning Commission") and to this St. Louis Board of Aldermen ("Board"), titled "Blighting Study and Plan for Rutger/Miller/Broadway/2nd Area," dated October 25, 2005 consisting of a Title Page, a Table of Contents Page, and thirteen (13) numbered pages, attached hereto and incorporated herein as Exhibit "B" ("Plan"); and

WHEREAS, under the provisions of the Statute, and of the federal financial assistance statutes, it is required that this Board take such actions as may be required to approve the Plan; and

WHEREAS, it is desirable and in the public interest that a public body, the LCRA, undertake and administer the Plan in the Area; and

WHEREAS, the LCRA and the Planning Commission have made and presented to this Board the studies and statements required to be made and submitted by Section 99.430 and this Board has been fully apprised by the LCRA and the Planning Commission of the facts and is fully aware of the conditions in the Area; and

WHEREAS, the Plan has been presented and recommended by LCRA and the Planning Commission to this Board for review and approval; and

WHEREAS, a general plan has been prepared and is recognized and used as a guide for the general development of the City and the Planning Commission has advised this Board that the Plan conforms to said general plan; and

WHEREAS, this Board has duly considered the reports, recommendations and certifications of the LCRA and the Planning Commission; and

WHEREAS, the Plan does prescribe land use and street and traffic patterns which may require, among other things, the vacation of public rights-of-way, the establishment of new street and sidewalk patterns or other public actions; and

WHEREAS, this Board is cognizant of the conditions which are imposed on the undertaking and carrying out of a redevelopment project, including those relating to prohibitions against discrimination because of race, color, creed, national origin, sex, marital status, age, sexual orientation or physical handicap; and

WHEREAS, in accordance with the requirements of Section 99.430 of the Statute, this Board advertised that a public hearing would be held by this Board on the Plan, and said hearing was held at the time and place designated in said advertising and all those who were interested in being heard were given a reasonable opportunity to express their views; and

WHEREAS, it is necessary that this Board take appropriate official action respecting the approval of the Plan.

SECTION FIFTEEN. Any proposed modification which will substantially change the Plan must be approved by the St. Louis Board of Aldermen in the same manner as the Plan was first approved. Modifications which will substantially change the Plan include, but are not necessarily limited to, modifications on the use of eminent domain, to the length of tax abatement, to the boundaries of the Area, or to other items which alter the nature or intent of the Plan. The Plan may be otherwise modified (e.g. urban design regulations, development schedule) by the LCRA, provided that such revisions shall be effective only upon the consent of the Planning Commission of the City. Changes which are not substantial are those that do not go to the crux of the Plan.

SECTION SIXTEEN. The sections of this Ordinance shall be severable. In the event that any section of this Ordinance is found by a court of competent jurisdiction to be invalid, the remaining sections of this Ordinance are valid, unless the court finds the valid sections of the Ordinance are so essential and inseparably connected with and dependent upon the void section that it cannot be presumed that this Board would have enacted the valid sections without the void ones, or unless the court finds that the valid sections standing alone are incomplete and are incapable of being executed in accordance with the legislative intent.

A. EXISTING CONDITIONS AND FINDINGS OF BLIGHT

1. DELINEATION OF BOUNDARIES

The Rutger/Miller/Broadway/2nd Redevelopment Area ("Area") consists of 1 building with related parking and a separate parking lot on three City Blocks totaling approximately 11 acres in the Kosciusko Neighborhood of the City of St. Louis ("City"). The Area is bounded approximately by Rutger Street on the north, S. Broadway Street on the west, Miller Street on the south and 2nd Street on the east.

The legal description for the area is attached and labeled Exhibit "A". The boundaries of the Area are delineated on Exhibit "B" ("Project Area Plan").

2. GENERAL CONDITION OF THE AREA

The Area includes City Blocks 692, 202 and portions of City Block 47 and is in poor to fair condition. The physical conditions within the Area are shown on Exhibit "B" (Project Area Plan). For the purpose of this Plan, "Fair Condition" means (1) property that is generally structurally sound but suffers from inadequate maintenance and upkeep, or (2) vacant unimproved property that is under-utilized. "Poor Condition" means (1) buildings that are structurally unsound and/or substantially deteriorated, requiring major improvements such as new roofs, windows, systems, etc., in order to be used productively, or (2) property without buildings which is poorly maintained, has crumbling pavement, and/or is used for open storage.

Unemployment figures, computed by the Missouri State Employment Service, indicate an 8.5 % unemployment rate for the City as of July, 2005. There are currently no jobs within the Area.

3. PRESENT LAND USE OF THE AREA

Existing land uses within the area include an unoccupied commercial office structure in fair condition with related parking and a separate parking lot.

The land use, including the location of public and private uses, streets and other rights-of-way is shown on Exhibit "B".

4. PRESENT LAND USE AND DENSITY OF SURROUNDING PROPERTIES

The properties surrounding the Area are commercial and industrial. The Kosciusko neighborhood does not have a residential population.

5. CURRENT ZONING

The Area is zoned "K" Unrestricted District pursuant to the Zoning Code of the City, which is incorporated in this Plan by reference.

6. FINDING OF BLIGHT

The property within the Area is unoccupied and in poor to fair condition (as defined in Section A(2) above). The existence of deteriorated property constitutes both an economic liability to the City of St. Louis and presents a hazard to the health and well-being of its citizens. These conditions, therefore, qualify the Area as blighted within the meaning of Section 99.300 et seq. of the Revised Statutes of Missouri (the Land Clearance for Redevelopment Authority Law).

B. PROPOSED DEVELOPMENT AND REGULATIONS

1. DEVELOPMENT OBJECTIVES

The primary objective of this Plan is to facilitate commercial redevelopment in the Area.

2. PROPOSED LAND USE OF THE AREA

The proposed land uses for the Area are commercial and office uses permitted in Areas designated "K" Unrestricted District by the City of St. Louis Zoning Code. Redevelopers authorized by the Land Clearance Redevelopment Authority of the City of St. Louis ("LCRA") to develop property in the Area (hereafter referred to as "Redeveloper") shall not be permitted to use said property for the following:

Pawn shops, adult bookstores, x-rated movie houses, massage parlors or health spas, auto and truck dealers (new or used) pinball arcades, pool halls, secondhand or junk shops, tattoo parlors, truck or other equipment rentals requiring outside storage, blood donor facilities, free standing package liquor stores, check cashing centers, any use (except financial institutions or pharmacies) that utilize a sales or service window or facility for customers who are in cars or restaurants that sell products to customers who are in cars or who consume the sold products in cars parked on the restaurant premises, or sell products through a sales window to customers who are in cars or to pedestrians outside the building for immediate consumption by the customer either on or off the premises, automobile or service stations.

Exhibit "C" (Proposed Land Use) shows the proposed uses for the Area. The 2005 Strategic Land Use Plan designates it as a Business Industrial Development Area.

3. PROPOSED ZONING

The zoning for the Area may be changed to "H" Area Commercial District to reflect proposed redevelopment. If such a zoning change is made, all land coverage and building intensities shall be governed thereby.

4. RELATIONSHIP TO LOCAL OBJECTIVES

The proposed land uses, zoning, public facilities and utility plans are appropriate and consistent with local objectives as defined by the General Plan of the City of St. Louis which includes the 2005 Strategic Land Use Plan of the City of St. Louis. Any specific proposal to the LCRA for development of the Area or any portion of the Area shall contain, among other things, adequate provisions for traffic, vehicular parking, safety from fire, adequate provisions for light and air, sound design and arrangement and improved employment opportunities.

5. PROPOSED EMPLOYMENT FOR THIS AREA

Three hundred fifty to 400 permanent new jobs may be created if the Area is developed in accordance with this Plan.

6. CIRCULATION

The Proposed Land Use Plan (Exhibit "C") indicates the proposed circulation system for the Area. The layouts, levels and grades of all public rights-of-way may remain unchanged.

Rights-of-way changes will be subject to the review and approval of the City Department of Streets, and all vacations of rights-of-way are subject to approval by ordinance.

7. BUILDING AND SITE REGULATIONS

The Area shall be subject to all applicable federal, state and local laws, ordinances, regulations and codes, including but not limited to, the City Building Code, Zoning District Regulations, and stipulations of the Planning and Urban Design Agency ("PDA") of the City. The population densities, land coverage, and building intensities of redevelopment shall be governed by the Zoning Code. No changes in the building codes or ordinances are required.

8. URBAN DESIGN

a. **Urban Design Objectives**

The properties shall be rehabilitated so they are attractive commercial/office structures within the surrounding neighborhood. Any new construction in the Area shall substantially conform to plans approved by LCRA.

b. **Urban Design Regulations**

Rehabilitation of the existing structures shall respect the original exteriors in terms of design and materials. Window and door shapes and detailing shall be compatible with the original design of the buildings.

c. **Landscaping**

The properties shall be well landscaped. Perimeter street trees of a minimum caliper of 2-1/2 inches and generally 30-35 feet on center, depending upon tree type, utilities, curb cuts, etc., shall be provided along all public or private streets - preferably in tree lawns along the curb. If necessary, sidewalks shall be notched to accommodate the trees. Ornamental or shade trees should be provided in the front lawns along with evergreen accent shrubs. Existing, non-scrub trees shall be retained.

9. PARKING REGULATIONS

Parking shall be provided in accordance with the applicable zoning and building code requirements of the City, including PDA standards. This will provide adequate vehicular parking for the Area.

Surface parking shall not extend beyond the established building line. Surface parking along public streets shall be buffered by a continuous evergreen hedge at least two and one-half (2-1/2) feet high on planting and maintained at three and one-half (3-1/2) feet high at maturity. Three percent (3%) of the interior of all parking lots containing more than twenty-five (25) spaces shall be landscaped with trees, at least two and one-half (2-1/2) inch caliper in size on planting. The trees shall be planted on islands, the largest dimension of which shall be at least five (5) feet, planted with low lying ground cover or other plant material.

10. SIGN REGULATIONS

All new signs shall be limited as set out in the City Code, PDA stipulations, this Plan and contracts between the LCRA and the Redeveloper. A uniform signage plan must be prepared by the Redeveloper for the entire project. All new signs shall be restricted to those identifying the names and/or business of the person or firm occupying the premises.

New wall signs shall not obstruct any architectural building elements, and shall project no more than eighteen (18) inches from the face of the building: **Upper Level** signage shall be located just below or above the top floor windows facing in any direction regardless of street orientation, shall not exceed 2% of the area of the façade on which it appears nor have letters more than one foot in height for each ten foot (10') of building height provided that the maximum shall be ten foot (10') high letters (i.e. maximum sign letter height on a fifty foot (50') high building shall be five feet (5')). **Pedestrian level** signage shall be below the second floor window sill of a structure and/or above the store front windows or on the sides of building perpendicular to the street. The total pedestrian level signage per business per façade shall be the lessor of fifty (50) sq. ft. on ten percent (10%) of the ground floor façade area.

Canvas awnings with signs are permitted, provided they are compatible with the overall design and architectural details of the building upon which they are to be placed and are placed neatly within the window or door opening. Signage on awnings may be located on the sloping portion of the canvas awning, on the front of a canopy or on the awning valance. In no case shall signage be allowed on both an awning and a building for the same business. Logos and graphic elements may be up to ten (10) sq. ft. in size (depending on the size of the awning), while names or brand copy shall be in proportion to the size of the awning, but in no case shall lettering be more than twelve inches (12") high.

One ground or monument sign per use may be permitted provided it does not exceed ten (10) feet in height nor exceed fifty (50) square feet per side, and provided the LCRA confirms that such a sign is required based upon the use, location or siting of the structure.

Businesses having more than 40,000 square feet of ground floor area may have signs proportionately larger than the maximum size set out in this section, provided that the LCRA confirms that there is need based upon the use, location, or siting of the building. Painted wall signs, roof signs, pole signs, moving signs, animated or flashing signs, or permanent or portable message board signs shall not be permitted in the Area, and no regular or mini billboards (free standing or mounted on structures) shall be erected or maintained in the Area, except that construction and leasing signs may be maintained during construction and for a period of one (1) year after completion of improvements on any respective parcel or part thereof.

11. BUILDING, CONDITIONAL USE AND SIGN PERMITS

No building, conditional use, or sign permits shall be issued by the City without the prior written approval of the LCRA.

12. PUBLIC IMPROVEMENTS

No additional schools, parks, recreational and community facilities or other public facilities will be required. Additional water, sewage or other public utilities may be required depending on development. The cost of such utility improvements will be borne by the Redeveloper.

If funds are available to the LCRA, it may provide public improvements including, but not limited to, measures for the control of traffic, improvements to street lighting, street trees, and any other improvements which may further the objectives of this Plan.

When developed in accordance with this Plan, the Area will comprise a coordinated, adjusted and harmonious development that promotes the health, safety, morals, order, convenience, prosperity, the general welfare, efficiency and economy of the City.

C. PROPOSED SCHEDULE OF DEVELOPMENT

The implementation of this Plan shall take place in multiple phases initiated within approximately one (1) year of approval of this plan by ordinance and completed within approximately five (5) years of approval of this Plan by ordinance.

The LCRA may alter the above schedule as economic conditions warrant.

D. EXECUTION OF PROJECT

1. ADMINISTRATION AND FINANCING

The LCRA is empowered by Missouri law to administer development of all types pursuant to this Plan and can do so to the extent and in the manner prescribed by the Land Clearance for Redevelopment Authority Law of Missouri.

All costs associated with the development of the Area will be borne by the Redeveloper.

Implementation of this Plan may be financed by funds obtained from private and/or public sources, including, without limitation, revenue bonds, bank loans, and equity funds provided by the Redeveloper.

2. PROPERTY ACQUISITION

The Property Acquisition Map, Exhibit "D" attached, identifies all the property located in the Area. **The LCRA may not acquire any property in the Area by the exercise of eminent domain.**

3. PROPERTY DISPOSITION

If the LCRA acquires property in the Area, it may sell or lease the property to a Redeveloper who shall agree to develop such property in accordance with this Plan and the contract between such Redeveloper and the LCRA.

Any property acquired by the LCRA and sold to a Redeveloper will be sold at not less than its fair value, taking into account and giving consideration to those factors enumerated in Section 99.450, R.S.Mo. (2000) as amended, for uses in accordance with this Plan.

4. RELOCATION ASSISTANCE

The property within the area is currently partly occupied. All eligible occupants displaced as a result of the implementation of the Plan shall be given relocation assistance in accordance with all applicable federal, state and local laws, ordinances, regulations and policies.

E. COOPERATION OF THE CITY

The City and its Board of Aldermen, by enacting an ordinance approving this Plan, pledges its cooperation to enable the project to be carried out in a timely manner and in accordance with this Plan.

F. TAX ABATEMENT

A Redeveloper may seek ten (10) year real estate tax abatement pursuant to Sections 99.700 - 99.715, Revised Statutes of Missouri 2000, as amended, upon application as provided therein. Such real estate tax abatement shall not include any Special Business District, Neighborhood Improvement District, Commercial Improvement District, or any other similar local taxing district created in accordance with Missouri law, whether now existing or later created.

In lieu of the ten (10) year abatement outlined above, a Redeveloper which is an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes shall hereby be entitled to real property ad valorem tax abatement which shall not include any Special Business District, Neighborhood Improvement District, Commercial Improvement District, or any other single local taxing district created in accordance with Missouri law, whether now existing or later created, for a total period of up to ten (10) years from the commencement of such tax abatement, in accordance with the following provisions of this Plan:

If property in the Area is sold by the LCRA to an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes, or if any such corporation shall own property within the Area, then for the first ten (10) years after the date the redevelopment corporation shall acquire title to such property, taxes on such property shall be based upon the assessment of land, exclusive of any improvements thereon, during the calendar year preceding the calendar year during which such corporation shall have acquired title to such property. In addition to such taxes, any such corporation shall for the same ten (10) year period make a payment in lieu of taxes to the Collector of Revenue of the City of St. Louis in an amount based upon the assessment on the improvements located on the property during the calendar year preceding the calendar year during which such corporation shall have acquired title to such property. If property shall be tax-exempt because it is owned by the LCRA and leased to any such corporation, then such corporation for the first ten (10) years of such lease shall make payments in lieu of taxes to the Collector of Revenue of the City in an amount based upon the assessment on the property, including land and improvements, during the calendar year preceding the calendar year during which such corporation shall lease such property.

All payments in lieu of taxes shall be a lien upon the property and, when paid to the Collector of Revenue of the City shall be distributed as all other property taxes. These partial tax relief and payment in lieu of taxes provisions, during up to said ten (10) year period, shall inure to the benefit of all successors in interest in the property of the redevelopment corporation, so long as such successors shall continue to use such property as provided in this Plan and in any contract with the LCRA. In no event shall such benefits extend beyond ten (10) years after the redevelopment corporation shall have acquired title to the property.

G. COMPLIANCE WITH AFFIRMATIVE ACTION AND NONDISCRIMINATION LAWS AND REGULATIONS

1. LAND USE

The Redeveloper shall not discriminate on the basis of race, color, creed, national origin, marital status, sex, age, sexual orientation or physical handicap in the lease, sale or occupancy of the Area.

2. CONSTRUCTION AND OPERATIONS

A Redeveloper shall not discriminate on the basis of race, color, creed, national origin, marital status, sex, age, sexual orientation or physical handicap in the construction and operation of any project in the Area and shall take such affirmative action as may be appropriate to afford opportunities to everyone in all activities of the project, including enforcement, contracting, operating and purchasing.

3. LAWS AND REGULATIONS

A Redeveloper shall comply with all applicable federal, state and local laws, ordinances, executive orders and regulations regarding nondiscrimination and affirmative action, including the "Equal Opportunity and Nondiscrimination Guidelines" in Exhibit "E", attached.

4. ENFORCEMENT

All of the provisions of this Section G shall be incorporated in a Contract between the LCRA and a Redeveloper, which agreement shall be recorded in the office of the Recorder of Deeds. The provisions of G (1) and G (3) shall be covenants running with the land, without limitation as to time, and the provisions of G (2) shall be for the duration of this Plan and any extension thereof. All of the provisions of Section G shall be enforceable against the Redeveloper, its heirs, successors or assigns, by the LCRA, the City, any state having jurisdiction or the United States of America.

H. **MODIFICATIONS OF THIS PLAN**

Any proposed modification which will substantially change this Plan shall be approved by the St. Louis Board of Aldermen in the same manner as this Plan was first approved. Modifications which will substantially change this Plan include, but are not necessarily limited to, modifications on the use of eminent domain, to the length of tax abatement, to the boundaries of the area, or other items which alter the nature or intent of this plan. This Plan may be otherwise modified (e.g. urban design regulations, development schedule) by the LCRA, provided that such revisions shall be effective only upon the consent of the Planning Commission of the City. Changes which are not substantial are those that do not go to the crux of this Plan.

I. **DURATION OF REGULATION AND CONTROLS**

The regulation and controls set forth in this Plan shall be in full force and effect for twenty-five years commencing with the effective date of approval of this Plan by ordinance, and for additional ten (10) year periods unless before the commencement of any such ten (10) year period the Board of Aldermen shall terminate this Plan as of the end of the term then in effect, except as provided in Section G (4) of this Plan.

J. **EXHIBITS**

All attached exhibits are hereby incorporated by reference into this Plan and made a part hereof.

K. **SEVERABILITY**

The elements of this Plan satisfy all requirements of state and local laws. Should any provisions of this Plan be held invalid by a final determination of a court of law, the remainder of the provisions hereof shall not be affected thereby, and shall remain in full force and effect.

If property in the Area is sold by the LCRA to an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes, or if any such corporation shall own property within the Area, then for the first five (5) years after the date the redevelopment corporation shall acquire title to such property, taxes on such property shall be based upon the assessment of land, exclusive of any improvements thereon, during the calendar year preceding the calendar year during which such corporation shall have acquired title to such property. "A" LEGAL DESCRIPTION

"B" PROJECT AREA PLAN

"C" PROPOSED LAND USE

"D" ACQUISITION MAP

"E" EQUAL OPPORTUNITY AND NON-DISCRIMINATION GUIDELINES

A. EXISTING CONDITIONS AND FINDINGS OF BLIGHT

1. DELINEATION OF BOUNDARIES

The 3962 Juniata Street Redevelopment Area ("Area") consists of one single-family house in the Tower Grove South Neighborhood of the City of St. Louis ("City"). The property is in the blocks bounded by Gustine Avenue on the east, Roger Place on the west, Juniata Street on the north and Connecticut Street on the south.

The legal description for the area is attached and labeled Exhibit "A". The boundaries of the Area are delineated on Exhibit "B" ("Project Area Plan").

2. GENERAL CONDITION OF THE AREA

The Area comprises part of City Block 4165 and is in fair condition. The physical conditions within the Area are shown on Exhibit "B" (Project Area Plan). For the purpose of this Plan, "Fair Condition" means (1) property that is generally structurally sound but suffers from inadequate maintenance and upkeep, or (2) vacant unimproved property that is under-utilized. "Poor Condition" means (1) buildings that are structurally unsound and/or substantially deteriorated, requiring major improvements such as new roofs, windows, systems, etc., in order to be used productively, or (2) property without buildings which is poorly maintained, has crumbling pavement, and/or is used for open storage.

Unemployment figures, computed by the Missouri State Employment Service, indicate a 8.5 % unemployment rate for the City as of July, 2005. It is estimated that this rate is prevalent for residents of the neighborhoods surrounding the Area. There are currently no jobs within the Area.

3. PRESENT LAND USE OF THE AREA

Existing land uses within the area include an unoccupied residential building in fair condition.

The land use, including the location of public and private uses, streets and other rights-of-way is shown on Exhibit "B".

4. PRESENT LAND USE AND DENSITY OF SURROUNDING PROPERTIES

The properties surrounding the Area are mostly residential. Residential density for the surrounding neighborhood is approximately 15.48 persons per acre.

5. CURRENT ZONING

The Area is zoned "A" Single-Family Dwelling District pursuant to the Zoning Code of the City, which is incorporated in this Plan by reference.

6. FINDING OF BLIGHT

The property within the Area is unoccupied and in fair condition (as defined in Section A(2) above). The existence of deteriorated property constitutes both an economic liability to the City of St. Louis and presents a hazard to the health and well-being of its citizens. These conditions, therefore, qualify the Area as blighted within the meaning of Section 99.300 et seq. of the Revised Statutes of Missouri (the Land Clearance for Redevelopment Authority Law).

B. PROPOSED DEVELOPMENT AND REGULATIONS**1. DEVELOPMENT OBJECTIVES**

The primary objective of this Plan is to facilitate the redevelopment of this property for residential use.

2. PROPOSED LAND USE OF THE AREA

The proposed land uses for the Area are residential uses permitted in Areas designated "A" Single-Family Dwelling by the City of St. Louis Zoning Code. Redevelopers contracting with the Land Clearance for Redevelopment Authority of the City of St. Louis ("LCRA") to develop property in the Area (hereafter referred to as "Redeveloper") shall not be permitted to use said property for any use not allowed in the "A" Single-Family Dwelling District. Exhibit "C" (Proposed Land Use) shows the proposed uses for the Area. The 2005 Strategic Land Use Plan designates it as a Neighborhood Preservation Area.

3. PROPOSED ZONING

The zoning for the Area can remain "A" Single-Family Dwelling District. All land coverage and building intensities shall be governed thereby.

4. RELATIONSHIP TO LOCAL OBJECTIVES

The proposed land uses, zoning, public facilities and utility plans are appropriate and consistent with local objectives as defined by the General Plan of the City of St. Louis which includes the 2005 Strategic Land Use Plan of the City of St. Louis. Any specific proposal to the LCRA for development of the Area or any portion of the Area shall contain, among other things, adequate provisions for traffic, vehicular parking, safety from fire, adequate provisions for light and air, sound design and arrangement and improved employment opportunities.

5. PROPOSED EMPLOYMENT FOR THIS AREA

No permanent new jobs will be created if the Area is developed in accordance with this Plan.

6. CIRCULATION

The Proposed Land Use Plan (Exhibit "C") indicates the proposed circulation system for the Area. The layouts, levels and grades of all public rights-of-way may remain unchanged.

Rights-of-way changes will be subject to the review and approval of the City Department of Streets, and all vacations of rights-of-way are subject to approval by ordinance.

7. BUILDING AND SITE REGULATIONS

The Area shall be subject to all applicable federal, state and local laws, ordinances, regulations and codes, including but not limited to, the City Building Code, Zoning District Regulations, and stipulations of the Planning and Urban Design Agency ("PDA") of the City. The population densities, land coverage, and building intensities of redevelopment shall be governed by the Zoning Code. No changes in the building codes or ordinances are required.

8. URBAN DESIGN**a. Urban Design Objectives**

The property shall be redeveloped so it is an attractive residential structure within the surrounding neighborhood.

b. Urban Design Regulations

Rehabilitation of the existing structure shall respect the original exterior in terms of design and materials. Window and door shapes and detailing shall be compatible with the original design of the building.

3. Landscaping

The property shall be well landscaped. Perimeter street trees of a minimum caliper of 2-1/2 inches and generally 30-35 feet on center, depending upon tree type, utilities, curb cuts, etc., shall be provided along all public or private streets - preferably in tree lawns along the curb. If necessary, sidewalks shall be notched to accommodate the trees. Ornamental or shade trees should be provided in the front lawns along with evergreen accent shrubs. Existing, non-scrub trees shall be retained.

When feasible, parking shall be limited to the rear of the property off the alley, and at least one space shall be provided for each residential unit. In addition, surface parking shall not extend beyond the established building line. Surface parking along public streets shall be buffered by a continuous evergreen hedge at least two and one-half (2-1/2) feet high on planting and maintained at three and one-half (3-1/2) feet high at maturity.

12. PUBLIC IMPROVEMENTS

No additional schools, parks, recreational and community facilities or other public facilities will be required. Additional water, sewage or other public utilities may be required depending on development. The cost of such utility improvements will be borne by the Redeveloper.

If funds are available to the LCRA, it may provide public improvements including, but not limited to, measures for the control of traffic, improvements to street lighting, street trees, and any other improvements which may further the objectives of this Plan.

When developed in accordance with this Plan, the Area will comprise a coordinated, adjusted and harmonious development that promotes the health, safety, morals, order, convenience, prosperity, the general welfare, efficiency and economy of the City.

C. PROPOSED SCHEDULE OF DEVELOPMENT

The implementation of this Plan shall take place in a single phase initiated within approximately one (1) year of approval of this plan by ordinance and completed within approximately two (2) years of approval of this Plan by ordinance.

The LCRA may alter the above schedule as economic conditions warrant.

A. EXISTING CONDITIONS AND FINDINGS OF BLIGHT

1. DELINEATION OF BOUNDARIES

The 4217 Russell Boulevard Redevelopment Area ("Area") consists of one two-family building on land totaling approximately .06 acre in the Shaw Neighborhood of the City of St. Louis ("City"). The property is in the block bounded by Klemm Street on the east, Tower Grove Avenue on the west, Castleman Avenue on the north and Russell Boulevard on the south.

The legal description for the area is attached and labeled Exhibit "A". The boundaries of the Area are delineated on Exhibit "B" ("Project Area Plan").

2. GENERAL CONDITION OF THE AREA

The Area comprises part of City Block 4936 and is in poor condition. The physical conditions within the Area are shown on Exhibit "B" (Project Area Plan). For the purpose of this Plan, "Fair Condition" means (1) property that is generally structurally sound but suffers from inadequate maintenance and upkeep, or (2) vacant unimproved property that is under-utilized. "Poor Condition" means (1) buildings that are structurally unsound and/or substantially deteriorated, requiring major improvements such as new roofs, windows, systems, etc., in order to be used productively, or (2) property without buildings which is poorly maintained, has crumbling pavement, and/or is used for open storage.

Unemployment figures, computed by the Missouri State Employment Service, indicate an 8.5 % unemployment rate for the City as of July, 2005. It is estimated that this rate is prevalent for residents of the neighborhoods surrounding the Area. There are currently no jobs within the Area.

3. PRESENT LAND USE OF THE AREA

Existing land uses within the area include an unoccupied residential building in poor condition.

The land use, including the location of public and private uses, streets and other rights-of-way is shown on Exhibit "B".

4. PRESENT LAND USE AND DENSITY OF SURROUNDING PROPERTIES

The properties surrounding the Area are residential. Residential density for the surrounding neighborhood is approximately 21.59 persons per acre.

5. CURRENT ZONING

The Area is zoned "B" Two-Family Dwelling District pursuant to the Zoning Code of the City, which is incorporated in this Plan by reference.

6. FINDING OF BLIGHT

The property within the Area is unoccupied and in poor condition (as defined in Section A(2) above). The existence of deteriorated property constitutes both an economic liability to the City of St. Louis and presents a hazard to the health and well-being of its citizens. These conditions, therefore, qualify the Area as blighted within

the meaning of Section 99.300 et seq. of the Revised Statutes of Missouri (the Land Clearance for Redevelopment Authority Law).

B. PROPOSED DEVELOPMENT AND REGULATIONS

1. DEVELOPMENT OBJECTIVES

The primary objective of this Plan is to facilitate the rehabilitation of this property for residential use.

2. PROPOSED LAND USE OF THE AREA

The proposed land uses for the Area are residential uses permitted in Areas designated "B" Two-Family Dwelling by the City of St. Louis Zoning Code. Redevelopers contracting with the Land Clearance for Redevelopment Authority of the City of St. Louis ("LCRA") to develop property in the Area (hereafter referred to as "Redeveloper") shall not be permitted to use said property for any use not allowed in the "B" Two-Family Dwelling District. Exhibit "C" (Proposed Land Use) shows the proposed uses for the Area. The 2005 Strategic Land Use Plan designates it as a Neighborhood Preservation Area.

3. PROPOSED ZONING

The zoning for the Area can remain "B" Two-Family Dwelling District. All land coverage and building intensities shall be governed thereby.

4. RELATIONSHIP TO LOCAL OBJECTIVES

The proposed land uses, zoning, public facilities and utility plans are appropriate and consistent with local objectives as defined by the General Plan of the City of St. Louis which includes the 2005 Strategic Land Use Plan of the City of St. Louis. Any specific proposal to the LCRA for development of the Area or any portion of the Area shall contain, among other things, adequate provisions for traffic, vehicular parking, safety from fire, adequate provisions for light and air, sound design and arrangement and improved employment opportunities.

5. PROPOSED EMPLOYMENT FOR THIS AREA

No permanent new jobs will be created if the Area is developed in accordance with this Plan.

6. CIRCULATION

The Proposed Land Use Plan (Exhibit "C") indicates the proposed circulation system for the Area. The layouts, levels and grades of all public rights-of-way may remain unchanged.

Rights-of-way changes will be subject to the review and approval of the City Department of Streets, and all vacations of rights-of-way are subject to approval by ordinance.

7. BUILDING AND SITE REGULATIONS

The Area shall be subject to all applicable federal, state and local laws, ordinances, regulations and codes, including but not limited to, the City Building Code, Zoning District Regulations, and stipulations of the Planning and Urban Design Agency ("PDA") of the City. The population densities, land coverage, and building intensities of redevelopment shall be governed by the Zoning Code. No changes in the building codes or ordinances are required.

8. URBAN DESIGN

The property shall be rehabilitated so it is an attractive, residential structure within the surrounding neighborhood.

b. Urban Design Regulations

Rehabilitation of the existing structure shall respect the original exterior in terms of design and materials. Window and door shapes and detailing shall be compatible with the original design of the building.

c. Landscaping

The property shall be well landscaped. Perimeter street trees of a minimum caliper of 2-1/2 inches and generally 30-35 feet on center, depending upon tree type, utilities, curb cuts, etc., shall be provided

along all public or private streets - preferably in tree lawns along the curb. If necessary, sidewalks shall be notched to accommodate the trees. Ornamental or shade trees should be provided in the front lawns along with evergreen accent shrubs. Existing, non-scrub trees shall be retained.

d. Fencing

Fencing in the front yard shall be limited to ornamental metal, up to 42" in height, with a black matte finish. Fencing behind the building line may be chain link with a black matte finish, or a good quality, wood privacy fence up to 6' in height provided it is not stockade style. An evergreen hedge is required between a wood privacy fence and the sidewalk when the fence is along a side street.

9. PARKING REGULATIONS

Parking shall be provided in accordance with the applicable zoning and building code requirements of the City, including PDA standards. This will provide adequate vehicular parking for the Area.

When feasible, parking shall be limited to the rear of the property off the alley, and at least one space shall be provided for each residential unit. In addition, surface parking shall not extend beyond the established building line. Surface parking along public streets shall be buffered by a continuous evergreen hedge at least two and one-half (2-1/2) feet high on planting and maintained at three and one-half (3-1/2) feet high at maturity.

10. SIGN REGULATIONS

All new signs shall be limited as set out in the City Code, PDA stipulations, this Plan and contracts between the LCRA and the Redeveloper. All new signs shall be restricted to standard sale/lease signs.

11. BUILDING, CONDITIONAL USE AND SIGN PERMITS

No building, conditional use, or sign permits shall be issued by the City without the prior written approval of the LCRA.

12. PUBLIC IMPROVEMENTS

No additional schools, parks, recreational and community facilities or other public facilities will be required. Additional water, sewage or other public utilities may be required depending on development. The cost of such utility improvements will be borne by the Redeveloper.

If funds are available to the LCRA, it may provide public improvements including, but not limited to, measures for the control of traffic, improvements to street lighting, street trees, and any other improvements which may further the objectives of this Plan.

When developed in accordance with this Plan, the Area will comprise a coordinated, adjusted and harmonious development that promotes the health, safety, morals, order, convenience, prosperity, the general welfare, efficiency and economy of the City.

C. PROPOSED SCHEDULE OF DEVELOPMENT

The implementation of this Plan shall take place in a single phase initiated within approximately one (1) year of approval of this plan by ordinance and completed within approximately two (2) years of approval of this Plan by ordinance.

The LCRA may alter the above schedule as economic conditions warrant.

D. EXECUTION OF PROJECT

1. ADMINISTRATION AND FINANCING

The LCRA is empowered by Missouri law to administer development of all types pursuant to this Plan and can do so to the extent and in the manner prescribed by the Land Clearance for Redevelopment Authority Law of Missouri.

All costs associated with the development of the Area will be borne by the Redeveloper.

Implementation of this Plan may be financed by funds obtained from private and/or public sources, including, without limitation, revenue bonds, bank loans, and equity funds provided by the Redeveloper.

2. PROPERTY ACQUISITION

3. PROPERTY DISPOSITION

If the LCRA acquires property in the Area, it may sell or lease the property to a Redeveloper who shall agree to develop such property in accordance with this Plan and the contract between such Redeveloper and the LCRA. Any property acquired by the LCRA and sold to a Redeveloper will be sold at not less than its fair value, taking into account and giving consideration to those factors enumerated in Section 99.450, R.S.Mo. (2000) as amended, for uses in accordance with this Plan.

4. RELOCATION ASSISTANCE

The property within the area is currently unoccupied. If it should become occupied, all eligible occupants displaced as a result of the implementation of the Plan shall be given relocation assistance in accordance with all applicable federal, state and local laws, ordinances, regulations and policies.

E. COOPERATION OF THE CITY

The City and its Board of Aldermen, by enacting an ordinance approving this Plan, pledges its cooperation to enable the project to be carried out in a timely manner and in accordance with this Plan.

F. TAX ABATEMENT

A Redeveloper may seek ten (10) year real estate tax abatement pursuant to Sections 99.700 - 99.715, Revised Statutes of Missouri 2000, as amended, upon application as provided therein. Such real estate tax abatement shall not include any Special Business District, Neighborhood Improvement District, Commercial Improvement District, or any other similar local taxing district created in accordance with Missouri law, whether now existing or later created.

In lieu of the ten (10) year abatement outlined above, a Redeveloper which is an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes shall hereby be entitled to real property ad valorem tax abatement which shall not include any Special Business District, Neighborhood Improvement District, Commercial Improvement District, or any other single local taxing district created in accordance with Missouri law, whether now existing or later created, for a total period of up to ten (10) years from the commencement of such tax abatement, in accordance with the following provisions of this Plan:

In addition to such taxes, any such corporation shall for the same ten (10) year period make a payment in lieu of taxes to the Collector of Revenue of the City of St. Louis in an amount based upon the assessment on the improvements located on the property during the calendar year preceding the calendar year during which such corporation shall have acquired title to such property. If property shall be tax-exempt because it is owned by the LCRA and leased to any such corporation, then such corporation for the first ten (10) years of such lease shall make payments in lieu of taxes to the Collector of Revenue of the City in an amount based upon the assessment on the property, including land and improvements, during the calendar year preceding the calendar year during which such corporation shall lease such property.

All payments in lieu of taxes shall be a lien upon the property and, when paid to the Collector of Revenue of the City shall be distributed as all other property taxes. These partial tax relief and payment in lieu of taxes provisions, during up to said ten (10) year period, shall inure to the benefit of all successors in interest in the property of the redevelopment corporation, so long as such successors shall continue to use such property as provided in this Plan and in any contract with the LCRA. In no event shall such benefits extend beyond ten (10) years after the redevelopment corporation shall have acquired title to the property.

The provisions of G (1) and G (3) shall be covenants running with the land, without limitation as to time, and the provisions of G (2) shall be for the duration of this Plan and any extension thereof. All of the provisions of Section G shall be enforceable against the Redeveloper, its heirs, successors or assigns, by the LCRA, the City, any state having jurisdiction or the United States of America.

H. MODIFICATIONS OF THIS PLAN

Any proposed modification which will substantially change this Plan shall be approved by the St. Louis Board of Aldermen in the same manner as this Plan was first approved. Modifications which will substantially change this Plan include, but are not necessarily limited to, modifications on the use of eminent domain, to the length of tax abatement, to the boundaries of the area, or other items which alter the nature or intent of this plan.

This Plan may be otherwise modified (e.g. urban design regulations, development schedule) by the LCRA, provided that such revisions shall be effective only upon the consent of the Planning Commission of the City. Changes which are not substantial are those that do not go to the crux of this Plan.

I. DURATION OF REGULATION AND CONTROLS

The regulation and controls set forth in this Plan shall be in full force and effect for twenty-five years commencing with the effective date of approval of this Plan by ordinance, and for additional ten (10) year periods unless before the commencement of any such ten (10) year period the Board of Aldermen shall terminate this Plan as of the end of the term then in effect, except as provided in Section G (4) of this Plan.

J. EXHIBITS

All attached exhibits are hereby incorporated by reference into this Plan and made a part hereof.

K. SEVERABILITY

A. EXISTING CONDITIONS AND FINDINGS OF BLIGHT

1. DELINEATION OF BOUNDARIES

The 4378-92 Olive Street Redevelopment Area (“Area”) consists of two vacant lots totaling approximately .67 acre in the Central West End Neighborhood of the City of St. Louis (“City”). The property is in the blocks bounded by Boyle Avenue on the east, Newstead Avenue on the west, Olive Street on the north and Westminster Place on the south.

The legal description for the area is attached and labeled Exhibit "A". The boundaries of the Area are delineated on Exhibit "B" ("Project Area Plan").

2. GENERAL CONDITION OF THE AREA

The Area comprises part of City Block 4581N and is in fair condition. The physical conditions within the Area are shown on Exhibit "B" (Project Area Plan). For the purpose of this Plan, "Fair Condition" means (1) property that is generally structurally sound but suffers from inadequate maintenance and upkeep, or (2) vacant unimproved property that is under-utilized. "Poor Condition" means (1) buildings that are structurally unsound and/or substantially deteriorated, requiring major improvements such as new roofs, windows, systems, etc., in order to be used productively, or (2) property without buildings which is poorly maintained, has crumbling pavement, and/or is used for open storage.

Unemployment figures, computed by the Missouri State Employment Service, indicate an 8.5 % unemployment rate for the City as of July, 2005. It is estimated that this rate is prevalent for residents of the neighborhoods surrounding the Area. There are currently no jobs within the Area.

3. PRESENT LAND USE OF THE AREA

Existing land uses within the area include two vacant lots.

The land use, including the location of public and private uses, streets and other rights-of-way is shown on Exhibit "B".

4. PRESENT LAND USE AND DENSITY OF SURROUNDING PROPERTIES

The properties surrounding the Area are mostly residential. Residential density for the surrounding neighborhood is approximately 11.68 persons per acre.

5. CURRENT ZONING

The Area is zoned “G” Local Commercial & Office District pursuant to the Zoning Code of the City, which is incorporated in this Plan by reference.

6. FINDING OF BLIGHT

The property within the Area is unoccupied and in fair condition (as defined in Section A(2) above). The existence of deteriorated property constitutes both an economic liability to the City of St. Louis and presents a hazard to the health and well-being of its citizens. These conditions, therefore, qualify the Area as blighted within the meaning of Section 99.300 et seq. of the Revised Statutes of Missouri (the Land Clearance for Redevelopment Authority Law).

B. PROPOSED DEVELOPMENT AND REGULATIONS

1. DEVELOPMENT OBJECTIVES

The primary objective of this Plan is to facilitate the redevelopment of this property for residential use.

2. PROPOSED LAND USE OF THE AREA

The proposed land uses for the Area are residential uses permitted in Areas designated "G" Local Commercial & Office District by the City of St. Louis Zoning Code. Redevelopers contracting with the Land Clearance for Redevelopment Authority of the City of St. Louis ("LCRA") to develop property in the Area (hereafter referred to as "Redeveloper") shall not be permitted to use said property for any use not allowed in the "G" Local Commercial & Office District. Exhibit "C" (Proposed Land Use) shows the proposed uses for the Area. The 2005 Strategic Land Use Plan designates it as a Neighborhood Preservation Area.

3. PROPOSED ZONING

The zoning for the Area can remain "G" Local Commercial & Office District. All land coverage and building intensities shall be governed thereby.

4. RELATIONSHIP TO LOCAL OBJECTIVES

The proposed land uses, zoning, public facilities and utility plans are appropriate and consistent with local objectives as defined by the General Plan of the City of St. Louis which includes the 2005 Strategic Land Use Plan of the City of St. Louis. Any specific proposal to the LCRA for development of the Area or any portion of the Area shall contain, among other things, adequate provisions for traffic, vehicular parking, safety from fire, adequate provisions for light and air, sound design and arrangement and improved employment opportunities.

5. PROPOSED EMPLOYMENT FOR THIS AREA

No permanent new jobs will be created if the Area is developed in accordance with this Plan.

6. CIRCULATION

The Proposed Land Use Plan (Exhibit "C") indicates the proposed circulation system for the Area. The layouts, levels and grades of all public rights-of-way may remain unchanged.

Rights-of-way changes will be subject to the review and approval of the City Department of Streets, and all vacations of rights-of-way are subject to approval by ordinance.

7. BUILDING AND SITE REGULATIONS

The Area shall be subject to all applicable federal, state and local laws, ordinances, regulations and codes, including but not limited to, the City Building Code, Zoning District Regulations, and stipulations of the Planning and Urban Design Agency ("PDA") of the City. The population densities, land coverage, and building intensities of redevelopment shall be governed by the Zoning Code. No changes in the building codes or ordinances are required.

8. URBAN DESIGN

a. Urban Design Objectives

The property shall be redeveloped with attractive residential uses within the surrounding neighborhood.

b. Urban Design Regulations

Rehabilitation of the existing structures shall respect the original exterior in terms of design and materials. Window and door shapes and detailing shall be compatible with the original design of the building. New construction shall conform to plans approved by CDA or the SLDC.

c. Landscaping

The property shall be well landscaped. Perimeter street trees of a minimum caliper of 2-1/2 inches and generally 30-35 feet on center, depending upon tree type, utilities, curb cuts, etc., shall be provided along all public or private streets - preferably in tree lawns along the curb. If necessary, sidewalks shall be notched to accommodate the trees. Ornamental or shade trees should be provided in the front lawns along with evergreen accent shrubs. Existing, non-scrub trees shall be retained.

d. Fencing

Fencing in the front yard shall be limited to ornamental metal, up to 42" in height, with a black matte finish. Fencing behind the building line may be chain link with a black matte finish, or a good quality, wood privacy fence up to 6' in height provided it is not stockade style. An evergreen hedge is required between a wood privacy fence and the sidewalk when the fence is along a side street.

9. PARKING REGULATIONS

Parking shall be provided in accordance with the applicable zoning and building code requirements of the City, including PDA standards. This will provide adequate vehicular parking for the Area.

When feasible, parking shall be limited to the rear of the property off the alley, and at least one space shall be provided for each residential unit. In addition, surface parking shall not extend beyond the established building line. Surface parking along public streets shall be buffered by a continuous evergreen hedge at least two and one-half (2-1/2) feet high on planting and maintained at three and one-half (3-1/2) feet high at maturity.

10. SIGN REGULATIONS

All new signs shall be limited as set out in the City Code, PDA stipulations, this Plan and contracts between the LCRA and the Redeveloper. All new signs shall be restricted to standard sale/lease signs.

11. BUILDING, CONDITIONAL USE AND SIGN PERMITS

No building, conditional use, or sign permits shall be issued by the City without the prior written approval of the LCRA.

12. PUBLIC IMPROVEMENTS

No additional schools, parks, recreational and community facilities or other public facilities will be required. Additional water, sewage or other public utilities may be required depending on development. The cost of such utility improvements will be borne by the Redeveloper.

If funds are available to the LCRA, it may provide public improvements including, but not limited to, measures for the control of traffic, improvements to street lighting, street trees, and any other improvements which may further the objectives of this Plan.

When developed in accordance with this Plan, the Area will comprise a coordinated, adjusted and harmonious development that promotes the health, safety, morals, order, convenience, prosperity, the general welfare, efficiency and economy of the City.

C. PROPOSED SCHEDULE OF DEVELOPMENT

The implementation of this Plan shall take place in a single phase initiated within approximately one (1) year of approval of this plan by ordinance and completed within approximately two (2) years of approval of this Plan by ordinance.

The LCRA may alter the above schedule as economic conditions warrant.

D. EXECUTION OF PROJECT**1. ADMINISTRATION AND FINANCING**

The LCRA is empowered by Missouri law to administer development of all types pursuant to this Plan and can do so to the extent and in the manner prescribed by the Land Clearance for Redevelopment Authority Law of Missouri.

All costs associated with the development of the Area will be borne by the Redeveloper.

Implementation of this Plan may be financed by funds obtained from private and/or public sources, including, without limitation, revenue bonds, bank loans, and equity funds provided by the Redeveloper.

2. PROPERTY ACQUISITION

The Property Acquisition Map, Exhibit "D" attached, identifies all the property located in the Area. **The LCRA may not acquire any property in the Area by the exercise of eminent domain.**

3. PROPERTY DISPOSITION

If the LCRA acquires property in the Area, it may sell or lease the property to a Redeveloper who shall agree to develop such property in accordance with this Plan and the contract between such Redeveloper and the LCRA. Any property acquired by the LCRA and sold to a Redeveloper will be sold at not less than its fair value, taking into account and giving consideration to those factors enumerated in Section 99.450, R.S.Mo. (2000) as amended, for uses in accordance with this Plan.

4. RELOCATION ASSISTANCE

The property within the area is currently unoccupied. If it should become occupied, all eligible occupants displaced as a result of the implementation of the Plan shall be given relocation assistance in accordance with all applicable federal, state and local laws, ordinances, regulations and policies.

E. COOPERATION OF THE CITY

The City and its Board of Aldermen, by enacting an ordinance approving this Plan, pledges its cooperation to enable the project to be carried out in a timely manner and in accordance with this Plan.

F. TAX ABATEMENT

A Redeveloper may seek ten (10) year real estate tax abatement pursuant to Sections 99.700 - 99.715, Revised Statutes of Missouri 2000, as amended, upon application as provided therein. Such real estate tax abatement shall not include any Special Business District, Neighborhood Improvement District, Commercial Improvement District, or any other similar local taxing district created in accordance with Missouri law, whether now existing or later created.

In lieu of the ten (10) year abatement outlined above, a Redeveloper which is an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes shall hereby be entitled to real property ad valorem tax abatement which shall not include any Special Business District, Neighborhood Improvement District, Commercial Improvement District, or any other single local taxing district created in accordance with Missouri law, whether now existing or later created, for a total period of up to ten (10) years from the commencement of such tax abatement, in accordance with the following provisions of this Plan:

If property in the Area is sold by the LCRA to an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes, or if any such corporation shall own property within the Area, then for the first ten (10) years after the date the redevelopment corporation shall acquire title to such property, taxes on such property shall be based upon the assessment of land, exclusive of any improvements thereon, during the calendar year preceding the calendar year during which such corporation shall have acquired title to such property. In addition to such taxes, any such corporation shall for the same ten (10) year period make a payment in lieu of taxes to the Collector of Revenue of the City of St. Louis in an amount based upon the assessment on the improvements located on the property during the calendar year preceding the calendar year during which such corporation shall have acquired title to such property. If property shall be tax-exempt because it is owned by the LCRA and leased to any such corporation, then such corporation for the first ten (10) years of such lease shall make payments in lieu of taxes to the Collector of Revenue of the City in an amount based upon the assessment on the property, including land and improvements, during the calendar year preceding the calendar year during which such corporation shall lease such property.

All payments in lieu of taxes shall be a lien upon the property and, when paid to the Collector of Revenue of the City shall be distributed as all other property taxes. These partial tax relief and payment in lieu of taxes provisions, during up to said ten (10) year period, shall inure to the benefit of all successors in interest in the property of the redevelopment corporation, so long as such successors shall continue to use such property as provided in this Plan and in any contract with the LCRA. In no event shall such benefits extend beyond ten (10) years after the redevelopment corporation shall have acquired title to the property.

All of the provisions of Section G shall be enforceable against the Redeveloper, its heirs, successors or assigns, by the LCRA, the City, any state having jurisdiction or the United States of America.

H. MODIFICATIONS OF THIS PLAN

Any proposed modification which will substantially change this Plan shall be approved by the St. Louis Board of Aldermen in the same manner as this Plan was first approved. Modifications which will substantially change this Plan include, but are not necessarily limited to, modifications on the use of eminent domain, to the length of tax abatement, to the boundaries of the area, or other items which alter the nature or intent of this plan.

This Plan may be otherwise modified (e.g. urban design regulations, development schedule) by the LCRA, provided that such revisions shall be effective only upon the consent of the Planning Commission of the City. Changes which are not substantial are those that do not go to the crux of this Plan.

I. DURATION OF REGULATION AND CONTROLS

A. EXISTING CONDITIONS AND FINDINGS OF BLIGHT

1. DELINEATION OF BOUNDARIES

The 2618-42 & 2652-54 Lafayette Ave. Area ("Area") encompasses approximately 1.13 acres in The Gate District neighborhood of the City of St. Louis ("City") and is located on the south side of Lafayette Avenue with S. Jefferson Ave. to the east and Texas Ave. to the west.

The legal description of the Area is attached and labeled Exhibit "A". The boundaries of the Area are delineated on Exhibit "B" ("Project Area Plan").

2. GENERAL CONDITION OF THE AREA

The Area comprises six parcels of City Block 1321 and six parcels of City Block 1320. The Area is in poor condition. The physical conditions within the Area are shown on Exhibit "B" (Project Area Plan). For the purpose of this Plan, "Fair Condition" means (1) property that is generally structurally sound but suffers from inadequate maintenance and upkeep, or (2) vacant unimproved property that is under-utilized. "Poor Condition" means (1) buildings that are structurally unsound and/or substantially deteriorated, requiring major improvements such as new roofs, windows, systems, etc., in order to be used productively, or (2) property without buildings which is poorly maintained, has crumbling pavement, and/or is used for open storage.

Unemployment figures, computed by the Missouri State Employment Service, indicate an 8.5 % unemployment rate for the City as of July, 2005. It is estimated that this rate is prevalent for residents of the neighborhoods surrounding the Area.

There are currently no jobs within the Area.

3. PRESENT LAND USE OF THE AREA

Existing land uses within the Area include six unoccupied four family residential building, and seven vacant lots.

The land use, including the location of public and private uses, streets and other rights-of-way is shown on Exhibit "B".

4. PRESENT LAND USE AND DENSITY OF SURROUNDING PROPERTIES

The properties surrounding the Area are primarily used for residential and commercial purposes.

Residential density for the surrounding neighborhoods is approximately 8.36 persons per acre.

5. CURRENT ZONING

The Area is zoned "G" Local Commercial & Office District, pursuant to the Zoning Code of the City, which is

incorporated in this Plan by reference.

6. FINDING OF BLIGHT

The property within the Area is unoccupied and in poor condition (as defined in Section A(2) above). The existence of deteriorated property constitutes both an economic liability to the City of St. Louis and presents a hazard to the health and well being of its citizens. These conditions, therefore, qualify the Area as blighted within the meaning of Section 99.300 et seq. of the Revised Statutes of Missouri (the Land Clearance for Redevelopment Authority Law).

B. PROPOSED DEVELOPMENT AND REGULATIONS

1. DEVELOPMENT OBJECTIVES

The primary objective of this Plan is to facilitate the development of the Area into productive residential uses.

2. PROPOSED LAND USE OF THE AREA

The proposed land uses for the Area are industrial uses permitted in Areas designated "A" Single Family Dwelling District by the City of St. Louis Zoning Code. Redevelopers authorized by the Land Clearance for Redevelopment Authority of the City of St. Louis ("LCRA") to develop property in the Area (hereafter referred to as "Redeveloper") shall be permitted to use said property only for the above proposed purposes.

Exhibit "C" (Proposed Land Use) shows the proposed uses for the Area. The 2005 Strategic Land Use Plan designates it as a Neighborhood Development Area (NDA).

3. PROPOSED ZONING

The zoning for the Area should be changed to "A" Single family Dwelling District. All land coverage and building intensities shall be governed thereby.

4. RELATIONSHIP TO LOCAL OBJECTIVES

The proposed land uses, zoning, public facilities and utility plans are appropriate and consistent with local objectives as defined by the General Plan of the City of St. Louis which includes the Strategic land Use plan (2005). Any specific proposal to the LCRA for development of the Area or any portion of the Area shall contain, among other things, adequate provisions for traffic, vehicular parking, safety from fire, adequate provisions for light and air, sound design and arrangement and improved employment opportunities.

5. PROPOSED EMPLOYMENT FOR THIS AREA

No new jobs will be created in this Area because the proposed development is residential.

6. CIRCULATION

The Proposed Land Use Plan (Exhibit "C") indicates the proposed circulation system for the Area. The layouts, levels and grades of all public rights-of-way may remain unchanged.

Rights-of-way changes will be subject to the review and approval of the City Department of Streets, and all vacations of rights-of-way are subject to approval by ordinance.

7. BUILDING AND SITE REGULATIONS

The Area shall be subject to all applicable federal, state and local laws, ordinances, regulations and codes, including but not limited to, the City Building Code, Zoning District Regulations, and stipulations of the Planning and Urban Design Agency ("PDA") of the City. The population densities, land coverage, and building intensities of redevelopment shall be governed by the Zoning Code. No changes in the building codes or ordinances are required.

Each Redeveloper shall develop the Area in accordance with this Plan and the Redevelopment Agreement, and shall maintain all structures, equipment, paved areas, and landscaped areas controlled by the Redeveloper in good and safe order both inside and outside, structurally and otherwise, including necessary and proper painting. Failure to meet this requirement may result in suspension of tax abatement.

8. URBAN DESIGN

a. **Urban Design Objectives**

The properties shall be developed so they are attractive residential assets to the surrounding neighborhood.

b. **Urban Design Regulations**

Rehabilitation shall respect the original exterior and the exterior in terms of design and materials. Window and door shapes and detailing shall be compatible with the original design.

New construction shall be compatible in design with the surrounding neighborhood, if any, in terms of scale, material, set back, profile and site layout.

c. **Landscaping**

The property shall be well-landscaped. Perimeter street trees of a minimum caliper of 2-1/2 inches and generally 30-35 feet on center, as determined by the Parks Department of the City depending upon tree type, utilities, curb cuts, etc., shall be provided along all public or private streets - preferably in tree lawns along the curb. Existing, healthy trees and shrubs shall be retained, if feasible.

9. PARKING REGULATIONS

Parking shall be provided in accordance with the applicable zoning and building code requirements of the City, including PDA standards. This will provide adequate vehicular parking for the Area.

Where feasible, parking shall be limited to the rear of the property off the alley, and at least one space shall be provided for each residential unit. In addition, surface parking shall not extend beyond the established building line. Surface parking along public streets shall be buffered by a continuous evergreen hedge at least two and one-half (2-1/2) feet high on planting and maintained at three and one-half (3-1/2) feet high at maturity.

10. SIGN REGULATIONS

All new signs shall be limited as set out in the City Code, PDA stipulations, this Plan and contracts between the LCRA and the Redeveloper. All new signs shall be restricted to standard sale/lease signs of the ground floor façade area.

11. BUILDING, CONDITIONAL USE AND SIGN PERMITS

No building, conditional use, or sign permits shall be issued by the City without the prior written approval of the LCRA.

12. PUBLIC IMPROVEMENTS

No additional schools, parks, recreational and community facilities or other public facilities will be required. Additional water, sewage or other public utilities may be required depending on development. The cost of such utility improvements will be borne by the Redeveloper.

If funds are available to the LCRA, it may provide public improvements including, but not limited to, measures for the control of traffic, improvements to street lighting, street trees, and any other improvements which may further the objectives of this Plan.

When developed in accordance with this Plan, the Area will comprise a coordinated, adjusted and harmonious development that promotes the health, safety, morals, order, convenience, prosperity, the general welfare, efficiency and economy of the City.

C. **PROPOSED SCHEDULE OF DEVELOPMENT**

The implementation of this Plan shall take place in a single phase initiated within approximately one (1) years of approval of this Plan by ordinance and completed within approximately two (2) years of approval of this Plan by ordinance.

The LCRA may alter the above schedule as economic conditions warrant.

D. EXECUTION OF PROJECT**1. ADMINISTRATION AND FINANCING**

The LCRA is empowered by Missouri law to administer development of all types pursuant to this Plan and can do so to the extent and in the manner prescribed by the Land Clearance for Redevelopment Authority Law of Missouri.

All costs associated with the development of the Area will be borne by the Redeveloper.

Implementation of this Plan may be financed by funds obtained from private and/or public sources, including, without limitation, revenue bonds, bank loans, and equity funds provided by the Redeveloper.

2. PROPERTY ACQUISITION

The Property Acquisition Map, Exhibit "D" attached, identifies all the property located in the Area. The LCRA may not acquire any property in the area through the exercise of eminent domain.

3. PROPERTY DISPOSITION

If the LCRA acquires property in the Area, it may sell or lease the property to a Redeveloper who shall agree to develop such property in accordance with this Plan and the contract between such Redeveloper and the LCRA. Any property acquired by the LCRA and sold to a Redeveloper will be sold at not less than its fair value, taking into account and giving consideration to those factors enumerated in Section 99.450, R.S.Mo. (2000) as amended, for uses in accordance with this Plan.

4. RELOCATION ASSISTANCE

The property within the Area is currently unoccupied. If it should become occupied, all eligible occupants displaced as a result of the implementation of the Plan shall be given relocation assistance in accordance with all applicable federal, state and local laws, ordinances, regulations and policies.

E. COOPERATION OF THE CITY

The City and its Board of Aldermen, by enacting an ordinance approving this Plan, pledges its cooperation to enable the project to be carried out in a timely manner and in accordance with this Plan.

F. TAX ABATEMENT

A Redeveloper may seek ten (10) year real estate tax abatement pursuant to Sections 99.700 – 99.715, Revised Statutes of Missouri 2000, as amended, upon applications as provided therein. Such real estate tax abatement shall not include any Special Business District, Neighborhood Improvement District, Commercial Improvement District, or any other similar local taxing district created in accordance with Missouri law, whether now existing or later created.

In lieu of the ten (10) year abatement outlined above, a Redeveloper which is an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes shall hereby be entitled to real property ad valorem tax abatement, which shall not include any Special Business District, Neighborhood Improvement District, Commercial Improvement District, or any other single local taxing district created in accordance with Missouri law, whether now existing or later created, for a total period of up to ten (10) years from the commencement of such tax abatement, in accordance with the following provisions of this Plan

If property in the Area is sold by the LCRA to an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes, or if any such corporation shall own property within the Area, then for the first ten (10) years after the date the redevelopment corporation shall acquire title to such property, taxes on such property shall be based upon the assessment of land, exclusive of any improvements thereon, during the calendar year preceding the calendar year during which such corporation shall have acquired title to such property. In addition to such taxes, any such corporation shall for the same ten (10) year period make a payment in lieu of taxes to the Collector of Revenue of the City of St. Louis in an amount based upon the assessment on the improvements located on the property during the calendar year preceding the calendar year during which such corporation shall have acquired title to such property. If property shall be tax-exempt because it is owned by the LCRA and leased to any such corporation, then such corporation for the first ten (10) years of such lease shall make payments in lieu of taxes to the Collector of Revenue of the City in an amount based upon the assessment on the property, including land and improvements, during the calendar year preceding the calendar year during which such corporation shall lease such property.

All payments in lieu of taxes shall be a lien upon the property and, when paid to the Collector of Revenue of the City shall be distributed as all other property taxes. These partial tax relief and payment in lieu of taxes provisions, during up to said ten (10) year period, shall inure to the benefit of all successors in interest in the property of the redevelopment corporation, so long as such successors shall continue to use such property as provided in this Plan and in any contract

with the LCRA. In no event shall such benefits extend beyond ten (10) years after the redevelopment corporation shall have acquired title to the property

G. COMPLIANCE WITH AFFIRMATIVE ACTION AND NONDISCRIMINATION LAWS AND REGULATIONS

1. LAND USE

The Redeveloper shall not discriminate on the basis of race, color, creed, national origin, marital status, sex, age, sexual orientation or physical handicap in the lease, sale or occupancy of the Area.

2. CONSTRUCTION AND OPERATIONS

A Redeveloper shall not discriminate on the basis of race, color, creed, national origin, marital status, sex, age, sexual orientation or physical handicap in the construction and operation of any project in the Area and shall take such affirmative action as may be appropriate to afford opportunities to everyone in all activities of the project, including enforcement, contracting, operating and purchasing.

3. LAWS AND REGULATIONS

A Redeveloper shall comply with all applicable federal, state and local laws, ordinances, executive orders and regulations regarding nondiscrimination and affirmative action, including the City Guidelines for Maximum Utilization of Minority Enterprises dated January 1, 1981, as may be amended, and the "Equal Opportunity and Nondiscrimination Guidelines" in Exhibit "E", attached.

4. ENFORCEMENT

All of the provisions of this Section G shall be incorporated in a Contract between the LCRA and a Redeveloper, which agreement shall be recorded in the office of the Recorder of Deeds. The provisions of G (1) and G (3) shall be covenants running with the land, without limitation as to time, and the provisions of G (2) shall be for the duration of this Plan and any extension thereof.

All of the provisions of Section G shall be enforceable against the Redeveloper, its heirs, successors or assigns, by the LCRA, the City, any state having jurisdiction or the United States of America.

H. MODIFICATIONS OF THIS PLAN

Any proposed modification which will substantially change this Plan shall be approved by the St. Louis Board of Aldermen in the same manner as this Plan was first approved. Modifications which will substantially change this Plan include, but are not necessarily limited to, modifications on the use of eminent domain, to the length of tax abatement, to the boundaries of the Area, or other items which alter the nature or intent of this Plan.

This Plan may be otherwise modified (e.g. urban design regulations, development schedule) by the LCRA, provided that such revisions shall be effective only upon the consent of the Planning Commission of the City. Changes which are not substantial are those that do not go to the crux of this Plan.

I. DURATION OF REGULATION AND CONTROLS

The regulation and controls set forth in this Plan shall be in full force and effect for twenty-five years commencing with the effective date of approval of this Plan by ordinance, and for additional ten (10) year periods unless before the commencement of any such ten (10) year period the Board of Aldermen shall terminate this Plan as of the end of the term then in effect, except as provided in Section G (4) of this Plan.
