SECTION 1

PREMISES

101. SPACE. The Space for which occupancy and use is granted is shown on the attached **Exhibit "A"** (which is incorporated herein) and is more fully described as 1,674 square feet, **Red Level of the Short Term Parking Garage, West Terminal**. The City may relocate, add, substitute or delete portions of the Space at its sole option as may be reasonably required in the opinion of the Director of Airports ("**Director**"). Such changes will be made at the sole expense of Permittee, and the City will not be liable or responsible for any loss whatsoever including, without limitation, any inconvenience or loss by Permittee of work time, profit or business resulting from such changes.

Permittee accepts the Space "**AS IS**" with no warranties or representations of any kind, expressed or implied, either oral or written, made by the City or any of its agents or representatives. The City without limitation expressly disclaims and negates, as to the Space: a) any implied or expressed warranty of merchantability, b) any implied or expressed warranty for a particular purpose and c) any implied or expressed warranty with respect to the Space or any portion thereof.

102. USE. The Space is to be used only as **Storage Space**, subject to and in accordance with the terms, covenants and conditions of this Permit. This Permit does not grant the use of any parking area by Permittee unless specifically granted.

All deliveries to or pick-ups from the Airport terminal buildings by Permittee or its agents will be through the West Terminal delivery dock at the west end of the lower level; or the East Terminal delivery dock at the east end of the lower level.

No sale of any goods or services to the public or to employees of any Airport tenant, **other than employees of Permittee and/or immediate family members of employees of Permittee**, is authorized. Violation of this restriction may result in immediate termination of this Permit.

103. ACCESS. Subject to the terms, covenants and conditions of this Permit hereof, Permittee has the right of free access, ingress to and egress from the Space, for Permittee's employees, agents, guests, patrons and invitees.

SECTION 2

TERM

201. TERM. The term of this Permit shall begin on August 1, 2007 and end on January 31, 2013 unless sooner terminated in accordance with other provisions of this Permit.

The City or Permittee may terminate this Permit without cause by giving thirty (30) days notice to the other party with no liability to the terminating party and such termination shall be deemed a no fault cancellation.

202. SURRENDER OF POSSESSION. No notice to quit possession at the expiration date of the term of this Permit shall be necessary. Permittee covenants and agrees that at the expiration date of the term of this Permit, or at the earlier termination hereof, it will peaceably surrender possession of the Space in as good condition as that existing at the time of Permittee's initial entry upon the Space under this Permit or any preceding permits, reasonable wear and tear, acts of God, and other casualties excepted, and the City shall have the right to take possession of the Space with or without due process of law.

SECTION 4

IMPROVEMENTS & ALTERATIONS

401. MECHANICS' AND MATERIALMEN'S LIENS. Permittee will submit to the Director detailed plans and specifications for all improvements to and equipping of the Space prepared in accordance with the Tenant Design Standards issued by Lambert-St. Louis International Airport®. SECTION 6

LOSS OF AND LIABILITIES PERTAINING TO PREMISES

601. LIABILITY INSURANCE. Permittee will obtain (at its sole expense and maintain at all times during the term of this Permit) liability insurance on an occurrence basis, against the risk of all claims and demands by third persons for bodily injury (including wrongful death) and property damage arising or alleged to arise out of the activities or the omissions of Permittee, its officers, agents, employees, contractors, subcontractors, licensees, independent contractors and invitees, pursuant to this Permit under the following types of coverage:

- A. Comprehensive General Liability;
- B. Comprehensive Automobile Liability (any vehicles, including hired and non-owned vehicles).

The minimum limits of coverage for the above classes of insurance shall equal a combined single limit of two million dollars (\$2,000,000.00) comprised of such primary and excess policies of insurance as Permittee finds necessary to purchase during the term of this Permit.

Insofar as said insurance provides protection against liability for damages to a third party for bodily injury, death and property damage, the City and its Board of Aldermen, Airport Commission, officers, agents and employees shall be named as an "Additional Insured". Such liability insurance coverage shall also extend to damage, destruction and injury to the City-owned or leased property and City personnel, caused by or resulting from work, acts, operations, or omissions of Permittee, its officers, agents, employees, contractors, subcontractors, licensees, independent contractors and invitees. In addition such insurance shall include contractual liability insurance sufficient to cover Permittee's indemnity obligation hereunder. The City, its officers, agents and employees shall have no liability for any premiums charged for such coverage, and the inclusion of the City and its Board of Aldermen, Airport Commission, officers, agents and employees as an Additional Insured is not intended to, and shall not make the City, its officers, agents and employees a partner or joint venture partner with Permittee in its operations hereunder.

602. PROPERTY INSURANCE. Permittee will provide fire, lightning, extended coverage or other casualty and hazards insurance and related insurance coverages for the Space and all of its improvements and equipment existing or subsequently installed within or on the Space.

603. WORKERS' COMPENSATION. Permittee (at its sole expense), at a minimum, will obtain and maintain, at all times during the term of this Permit for its employees working on Airport premises, Workers' Compensation insurance coverage at the statutory limits applicable to Permittee's operations in the State of Missouri.

604. WAIVER OF SUBROGATION. Permittee, on behalf of itself and its insurers, hereby waives any claim or right of recovery from the City, its Board of Aldermen, Airport Commission, officers, agents and employees for loss or damage to Permittee or its property or the property of others under Permittee's control, to the extent that such loss is covered by valid insurance policies or could be covered by an "All Risk" physical coverage property insurance policy. Permittee shall provide notice of this waiver of subrogation to its insurers.

605. EVIDENCE OF INSURANCE. Certificates, or other evidence of insurance coverage and special endorsements required of Permittee in this Section 6, shall be delivered to the Director in form and content satisfactory to the City.

At least fifteen (15) days prior to the expiration of any such policy, Permittee shall submit to the Director a certificate showing that

such insurance coverage has been renewed. If such coverage is canceled or reduced, Permittee shall within fifteen (15) days after the date of such written notice from the insurer of such cancellation or reduction in coverage, file with the Director, a certificate showing that the required insurance has been reinstated or provided through another insurance company or companies.

All policies of insurance herein shall be in a form and in a company or companies approved by the City, and qualified to do insurance business in the State of Missouri. Each such policy shall provide that the policy may not be materially changed, altered or canceled by the insurer during its term without first giving thirty (30) days notice to the Director. Each such insurance policy shall also provide primary coverage to the City when any policy issued to the City provides duplicate or similar coverage and in such circumstances the City's policy will be excess over Permittee's policy.

606. INDEMNIFICATION. Permittee shall protect, defend, and hold St. Louis County, the City, its Board of Aldermen, Airport Commission, officers, agents and employees completely harmless from and against any and all liabilities, losses, suits, claims, judgments, fines or demands arising by reason of injury or death of any person or damage to any property, including all reasonable costs for investigation and defense thereof (including but not limited to attorney fees, court costs, and expert fees), of any nature whatsoever arising out of or incident to this Permit and/or the use or occupancy of the Space and/or the acts or omissions of Permittee's officers, agents, employees, contractors, subcontractors, licensees, independent contractors or invitees regardless of where the injury, death, or damage may occur, unless such injury, death or damage is caused by the sole negligence of the City. The Director or his/her designee shall give to Permittee reasonable notice of any such claims or actions. The Permittee shall also use counsel reasonably acceptable to the City Counselor of the City or his/her designee, after consultation with the Director or his/her designee in carrying out its obligations hereunder. The provisions of this section shall survive the expiration or early termination of this Permit.

607. OCCUPANCY OF SPACE. Permittee agrees that it will not permit any act of omission or commission or condition to exist on the Space which would increase the premium rate of insurance thereon or on the terminal or invalidate any such insurance.

SECTION 7

ASSIGNMENT & SUBLETTING

701. ASSIGNMENT AND SUBLETTING. Permittee shall not assign this Permit. Permittee shall not sublet the Space or any portion thereof.

SECTION 8

TERMINATION OF PERMIT IN ITS ENTIRETY

This Permit shall be considered in default when Permittee fails to fulfill any of the terms, covenants or conditions of this Permit, and such default shall be considered a material breach of this Permit for which the City, at its sole option, may terminate this Permit and/or seek other remedies at law or in equity.

LOUIS, MISSOURI, AS A REDEVELOPMENT AREA KNOWN AS THE 1400 WASHINGTON REDEVELOPMENT AREA PURSUANT TO THE REAL PROPERTY TAX INCREMENT ALLOCATION REDEVELOPMENT ACT; APPROVING A REDEVELOPMENT PLAN AND A REDEVELOPMENT PROJECT WITH RESPECT THERETO; ADOPTING TAX INCREMENT FINANCING WITHIN THE REDEVELOPMENT AREA; MAKING FINDINGS WITH RESPECT THERETO; ESTABLISHING THE 1400 WASHINGTON SPECIAL ALLOCATION FUND; AUTHORIZING CERTAIN ACTIONS BY CITY OFFICIALS; AND CONTAINING A SEVERABILITY CLAUSE.

WHEREAS, the City of St. Louis, Missouri (the "City"), is a body corporate and a political subdivision of the State of Missouri, duly created, organized and existing under and by virtue of its charter, the Constitution and laws of the State of Missouri; and

WHEREAS, on December 20, 1991, pursuant to Ordinance No. 62477, the Board of Aldermen of the City created the Tax Increment Financing Commission of the City of St. Louis, Missouri (the "TIF Commission"); and

WHEREAS, the TIF Commission is duly constituted according to the Real Property Tax Increment Allocation Redevelopment Act, Sections 99.800 to 99.865 of the Revised Statutes of Missouri (2000), as amended (the "TIF Act"), and is authorized to hold public hearings with respect to proposed redevelopment areas and redevelopment plans and to make recommendations thereon to the City; and

WHEREAS, staff and consultants of the City and WTD Venture, LLC, a Missouri limited liability company (the "Developer"), prepared a plan for redevelopment titled "1400 Washington TIF Redevelopment Plan" dated February 23, 2007, and revised April 20, 2007 (collectively, the "Redevelopment Plan"), for an area located at 1400-1406 and 1408-1414 Washington Avenue in the City of St. Louis (the "Redevelopment Area" or "Area"), which Redevelopment Area is more fully described in the Redevelopment Plan, attached hereto and incorporated herein as **Exhibit A**; and

WHEREAS, the Redevelopment Plan proposes to redevelop the Redevelopment Area by acquisition and demolition of the existing buildings within the Redevelopment Area and construction within the Redevelopment Area of a high-rise mixed-use tower, with residential, commercial, and parking uses of approximately twenty-two stories, as set forth in the Redevelopment Plan (the "Redevelopment Project," or "TIF Project"); and

WHEREAS, on April 11, 2007 after all proper notice was given, the TIF Commission held a public hearing in conformance with the TIF Act and received comments from all interested persons and taxing districts relative to the Redevelopment Area, the Redevelopment Plan, and the Redevelopment Project; and

WHEREAS, on April 11, 2007, the TIF Commission found that completion of the Redevelopment Project would provide a substantial and significant public benefit through the creation of new jobs, the elimination of blight, the preservation of historic structures, the strengthening of the employment and economic base of the City, increased property values and tax revenues, stabilization of the Redevelopment Area, and facilitation of economic stability for the City as a whole, and further found that without the assistance of tax increment financing in accordance with the TIF Act, the Redevelopment Project is not financially feasible and would not otherwise be completed; and

WHEREAS, on April 11, 2007, the TIF Commission voted to recommend that the Board of Aldermen adopt an ordinance in the form required by the Act (i) adopting tax increment financing within the Redevelopment Area, (ii) approving the Redevelopment Plan, (iii) approving and designating the Redevelopment Area as a "redevelopment area" as provided in the Act, (iv) approving the Redevelopment Project as described within the Redevelopment Plan, and (v) approving the issuance of one or more tax increment financing revenue notes in the amount as specified in the Redevelopment Plan; and

WHEREAS, the Developer has demonstrated that the Redevelopment Project would not reasonably be anticipated to be developed without the adoption of tax increment financing and, therefore, redevelopment of the Redevelopment Area in accordance with the Redevelopment Plan is not feasible and would not otherwise be completed; and

WHEREAS, the Board of Aldermen has received the recommendations of the TIF Commission regarding the Redevelopment Area and the Redevelopment Plan and finds that it is desirable and in the best interests of the City to designate the Redevelopment Area as a "redevelopment area" as provided in the TIF Act, adopt the Redevelopment Plan and Redevelopment Project in order to encourage and facilitate the redevelopment of the Redevelopment Area; and

WHEREAS, the Redevelopment Area qualifies for the use of tax increment financing to alleviate the conditions that qualify it as a "blighted area" as provided in the TIF Act and as set forth herein; and

WHEREAS, the building at 1400-1406 Washington Avenue is a noncontributing building to the Washington Avenue Historic District, and both buildings in the Redevelopment Area have been extensively altered and are poor condition with structural issues; and

WHEREAS, it is necessary and desirable and in the best interest of the City to allow the demolition of the existing buildings and approve the Redevelopment Project to allow the construction of a high-rise mixed-use tower, with residential, commercial, and parking uses of approximately 22 stories; and

WHEREAS, it is necessary and desirable and in the best interest of the City to adopt tax increment allocation financing within the Redevelopment Area and to establish a special allocation fund for the Redevelopment Area in order to provide for the promotion of the general welfare through redevelopment of the Redevelopment Area in accordance with the Redevelopment Plan which redevelopment includes, but is not limited to, assistance in the physical, economic, and social development of the City of St. Louis, providing for a stabilized population and plan for the optimal growth of the City of St. Louis, encouragement of a sense of community identity, safety and civic pride, and the elimination of impediments to land disposition and development in the City of St. Louis.

BE IT ORDAINED BY THE CITY OF ST. LOUIS AS FOLLOWS:

SECTION ONE. The Board of Aldermen hereby makes the following findings:

A. The Redevelopment Area on the whole is a “blighted area”, as defined in Section 99.805 of the TIF Act, and has not been subject to growth and development through investment by private enterprise and would not reasonably be anticipated to be developed without the adoption of tax increment financing. This finding includes, the Redevelopment Plan sets forth, and the Board of Aldermen hereby finds and adopts by reference: (i) a detailed description of the factors that qualify the Redevelopment Area as a “blighted area” and (ii) an affidavit, signed by the Developer and submitted with the Redevelopment Plan, attesting that the provisions of Section 99.810.1(1) of the TIF Act have been met, which description and affidavit are incorporated herein as if set forth herein.

B. The Redevelopment Plan conforms to the comprehensive plan for the development of the City as a whole.

C. In accordance with the TIF Act, the Redevelopment Plan states the estimated dates of completion of the Redevelopment Project and retirement of the financial obligations issued to pay for certain redevelopment project costs and these dates are twenty three (23) years or less from the date of approval of the Redevelopment Project.

D. A plan has been developed for relocation assistance for businesses and residences in Ordinance No. 62481 adopted December 20, 1991.

E. A cost-benefit analysis showing the economic impact of the Redevelopment Plan on each taxing district which is at least partially within the boundaries of the Redevelopment Area is on file with the St. Louis Development Corporation, which cost-benefit analysis shows the impact on the economy if the Redevelopment Project is not built, and is built pursuant to the Redevelopment Plan.

F. Redevelopment of the Redevelopment Area in accordance with the Redevelopment Plan is not financially feasible without the assistance of tax increment financing and would not otherwise be completed.

G. The Redevelopment Plan does not include the initial development or redevelopment of any “gambling establishment” as that term is defined in Section 99.805(6) of the TIF Act.

H. The Redevelopment Area includes only those parcels of real property and improvements thereon directly and substantially benefitted by the proposed Redevelopment Project.

I. The demolition of the two existing buildings in the Redevelopment Area is necessary and desirable to allow for the construction of the Redevelopment Project.

SECTION TWO. The Redevelopment Area described in the Redevelopment Plan is hereby designated as a “redevelopment area” as defined in Section 99.805(11) of the TIF Act.

SECTION THREE. The Redevelopment Plan as reviewed and recommended by the TIF Commission on April 11, 2007, including amendments thereto, if any, and the Redevelopment Project described in the Redevelopment Plan are hereby adopted and approved. A copy of the Redevelopment Plan is attached hereto as Exhibit A and incorporated herein by reference.

SECTION FOUR. There is hereby created and ordered to be established within the treasury of the City a separate fund to be known as the “1400 Washington Special Allocation Fund.” To the extent permitted by law and except as otherwise provided in the Redevelopment Plan, the City hereby pledges funds in the 1400 Washington Special Allocation Fund for the payment of redevelopment project costs and obligations incurred in the payment thereof.

SECTION FIVE. Tax increment allocation financing is hereby adopted within the Redevelopment Area. After the total equalized assessed valuation of the taxable real property in the Redevelopment Area exceeds the certified total initial equalized assessed valuation of the taxable real property in the Redevelopment Area, the ad valorem taxes, and payments in lieu of taxes, if any, arising from the levies upon taxable real property in the Redevelopment Area by taxing districts and tax rates determined in the manner provided in Section 99.855.2 of the TIF Act each year after the effective date of this Ordinance until redevelopment costs have been paid shall be divided as follows:

A. That portion of taxes, penalties and interest levied upon each taxable lot, block, tract, or parcel of real property which is attributable to the initial equalized assessed value of each such taxable lot, block, tract, or parcel of real property in the area selected for the Redevelopment Project shall be allocated to and, when collected, shall be paid by the City Collector to the respective affected taxing districts in the manner required by law in the absence of the adoption of tax increment allocation financing;

B. Payments in lieu of taxes attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract, or parcel of real property in the area selected for the Redevelopment Project and any applicable penalty and interest over and above the initial equalized assessed value of each such unit of property in the area selected for the Redevelopment Project shall be allocated to and, when collected, shall be paid to the City Treasurer, who shall deposit such payments in lieu of taxes into the 1400 Washington Special Allocation Fund for the purpose of paying redevelopment costs and obligations incurred in the payment thereof. Payments in lieu of taxes which are due and owing shall constitute a lien against the real estate of the Redevelopment Project from which they are derived and shall be collected in the same manner as the real property tax, including the assessment of penalties and interest where applicable.

SECTION SIX. In addition to the payments in lieu of taxes described in Section Five of this Ordinance, fifty percent (50%) of the total additional revenue from taxes, penalties and interest which are imposed by the City or other taxing districts, and which are generated by economic activities within the area of the Redevelopment Project over the amount of such taxes generated by economic activities within the area of the Redevelopment Project in the calendar year prior to the adoption of the Redevelopment Project by ordinance, while tax increment financing remains in effect, but excluding personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to Section 70.500 of the Revised Statutes of Missouri (2000) as amended, or taxes levied for the purpose of public transportation pursuant to Section 94.660 of the Revised Statutes of Missouri (2000) as amended, licenses, fees or special assessments other than payments in lieu of taxes and penalties and interest thereon, shall be allocated to, and paid by the collecting officer to the City Treasurer or other designated financial officer of the City, who shall deposit such funds in a separate segregated account within the 1400 Washington Special Allocation Fund.

SECTION SEVEN. The Comptroller of the City is hereby authorized to enter into agreements or contracts with other taxing districts as is necessary to ensure the allocation and collection of the taxes and payments in lieu of taxes described in Sections Five and Six of this Ordinance and the deposit of the said taxes or payments in lieu of taxes into the 1400 Washington Special Allocation Fund for the payment of redevelopment project costs and obligations incurred in the payment thereof, all in accordance with the TIF Act.

SECTION EIGHT. The City Register is hereby directed to submit a certified copy of this Ordinance to the City Assessor, who is directed to determine the total equalized assessed value of all taxable real property within the Redevelopment Area as of the date of this Ordinance, by adding together the most recently ascertained equalized assessed value of each taxable lot, block, tract or parcel of real property within the Redevelopment Area, and shall certify such amount as the total initial equalized assessed value of the taxable real property within the Redevelopment Area.

SECTION NINE. The Mayor and Comptroller of the City or their designated representatives are hereby authorized and directed to take any and all actions as may be necessary and appropriate in order to carry out the matters herein authorized, with no such further action of the Board of Aldermen necessary to authorize such action by the Mayor and the Comptroller or their designated representatives.

SECTION TEN. The Mayor and the Comptroller or their designated representatives, with the advice and concurrence of the City Counselor and after approval by the Board of Estimate and Apportionment, are hereby further authorized and directed to make any changes to the documents, agreements and instruments approved and authorized by this Ordinance as may be consistent with the intent of this Ordinance and necessary and appropriate in order to carry out the matters herein authorized, with no such further action of the Board of Aldermen necessary to authorize such changes by the Mayor and the Comptroller or their designated representatives.

SECTION ELEVEN. It is hereby declared to be the intention of the Board of Aldermen that each and every part, section and subsection of this Ordinance shall be separate and severable from each and every other part, section and subsection hereof and that the Board of Aldermen intends to adopt each said part, section and subsection separately and independently of any other part, section and subsection. In the event that any part, section or subsection of this Ordinance shall be determined to be or to have been unlawful or unconstitutional, the remaining parts, sections and subsections shall be and remain in full force and effect, unless the court making such finding shall determine that the valid portions standing alone are incomplete and are incapable of being executed in accord with the legislative intent.

SECTION TWELVE. After adoption of this Ordinance by the Board of Aldermen, this Ordinance shall become effective on the 30th day after its approval by the Mayor or adoption over his veto; *provided that* if, within ninety (90) days after the effective date of an ordinance authorizing the City to enter into a redevelopment agreement pertaining to the Redevelopment Project, the Developer or its affiliate or designee, has not (i) executed such redevelopment agreement and (ii) paid all fees due to the City in accordance with the terms of the redevelopment agreement, the provisions of this Ordinance shall be deemed null and void and of no effect and all rights conferred by this Ordinance on Developer, shall terminate, *provided further*, however, that prior to any such termination the Developer may seek an extension of time in which to execute the Redevelopment Agreement, which extension may be granted in the sole discretion of the Board of Estimate and Apportionment of the City of St. Louis.

3.11 Pledge of CID Revenues. Subject to any limitation set forth in the CID Act, the Developer shall use its best efforts to cause the CID to enter into an intergovernmental cooperation agreement with the City to pledge all CID Revenues that are from time to time on deposit in CID Revenues Account solely to the payment of debt service on the portion of the TIF Obligations related to the CID Project. The CID's obligations under this Section shall be the exclusive responsibility of the CID payable solely out of CID Revenues shall not constitute a debt or liability of the State of Missouri or any agency or political subdivision of the State. Neither the CID nor the City shall be obligated to pledge any funds other than those specifically pledged to repayment of the TIF Obligations, and any pledge of CID Revenues shall be subject to the limitations on the term of obligations issued by a CID as set forth in the CID Act.

ARTICLE IV. REIMBURSEMENT OF DEVELOPER COSTS

4.1 City's Obligation to Reimburse Developer. Subject to the terms of the Note Ordinance and this Agreement, the City agrees to reimburse Developer for the verified Reimbursable Redevelopment Project Costs in a total amount not to exceed Eleven Million Five Hundred Thousand Dollars (\$11,500,000) plus Issuance Costs to be allocated to the Redevelopment Project.

Subject to the terms of the Note Ordinance and this Agreement, the City agrees to issue TIF Notes to Developer to evidence the City's obligation to reimburse Developer for verified Reimbursable Redevelopment Project Costs in an amount not to exceed **Eleven Million Five Hundred Thousand Dollars (\$11,500,000)**, plus Issuance Costs and interest as provided in **Section 5.2** of this Agreement, subject to the limitations of **Article IV** of this Agreement.

4.2 Reimbursements Limited to Reimbursable Redevelopment Project Costs; Developer's Right to Substitute. Nothing in this Agreement shall obligate the City to issue TIF Notes or to reimburse the Developer for any cost that is not incurred pursuant to Section 99.820.1 of the TIF Act or that does not qualify as a "redevelopment project cost" under Section 99.805(14) of the TIF Act. The Developer shall provide to the City (a) itemized invoices, receipts or other information evidencing such costs; and (b) a Certificate of Reimbursable Redevelopment Project Costs constituting certification by the Developer that such cost is eligible for reimbursement under the TIF Act. Within thirty (30) days of the City's receipt from the Developer of a Certificate of Reimbursable Redevelopment Project Costs, the City shall review and act upon such Certificate of Reimbursable Redevelopment Project Costs. The parties agree that each of the categories of costs set forth in **Exhibit B**, attached hereto and incorporated herein by this reference, shall constitute Reimbursable Redevelopment Project Costs which are eligible for reimbursement in accordance with the TIF Act and this Agreement. The Developer shall be entitled to reimbursement for Redevelopment Project Costs from any of the categories set forth in **Exhibit B** up to the maximum aggregate amount established in **Section 4.1** of this Agreement; provided, that the Developer shall be obligated to advance to the City the full amounts identified in **Section 2.2, clauses (i)-(v)**, of this Agreement. If the City determines that any cost identified as a Reimbursable Redevelopment Project Cost is not a "redevelopment project cost" under Section 99.805(14) of the TIF Act, the City shall so notify the Developer in writing within the thirty (30) day

period referenced in this **Section 4.2**, identifying the ineligible cost and the basis for determining the cost to be ineligible, whereupon the Developer shall have the right to identify and substitute other Redevelopment Project Costs as Reimbursable Redevelopment Project Costs with a supplemental application for payment and the thirty (30) day period shall begin anew. If the City fails to approve or disapprove any Certificate of Reimbursable Redevelopment Project Costs within thirty (30) days after receipt thereof, the Certificate of Reimbursable Redevelopment Project Costs shall be deemed approved.

4.3 Cost Savings and Excess Profits. Within one hundred eighty (180) days after the submission of the Certificate of Substantial Completion by Developer in accordance with **Section 3.8** of this Agreement, Developer also shall furnish to the City for the City's review and approval, (a) a statement of Verified Total Project Costs, with evidence of billings and payments for each expenditure, including itemized invoices, receipts, and pay applications or other evidence of payment as appropriate for the type of cost; and (b) a statement of each and every post completion funding source for the Redevelopment Project, which shall include Redevelopment Project sources actually received by the Redevelopment Project as of the date of the statement and the net present value of any future Redevelopment Project source, including (i) documentation from accountants, State of Missouri tax credit authorities and purchasers of Missouri state tax credits evidencing the total amount of Missouri tax credits approved for the Redevelopment Project and the net present value of proceeds available to the Developer from the sale of such tax credits; (ii) the annualized net operating income of leased space within the Redevelopment Project (or, if such space has not been leased, the annualized net operating income projected in the that certain Cost-Benefit Analysis submitted in conjunction with the Redevelopment Plan) divided by the then-current capitalization rate utilized by the City of St. Louis Assessor's Office with respect to income producing property; and (iii) a statement of all net sales proceeds derived from the sale of any portion of the Redevelopment Project, which net sales proceeds shall be documented by copies of the seller's closing statements for such sales.

Provided, however, unless otherwise agreed by SLDC, if the Redevelopment Project includes a for-sale condominium component, the statements required by this **Section 4.3** shall not be submitted until a minimum of 75% of the condominium units included in the Redevelopment Project have been sold, and such statements shall be submitted within sixty (60) days following such sale of 75% of such condominium units. If less than 100% of the condominiums have been sold at the time the statements required by this **Section 4.3** are submitted, the condominium units not sold shall be valued for purposes of the statements based upon the average sales price for similarly situated units which have been sold, less the amount of the average sales commission on the units which have been sold, unless otherwise agreed by SLDC.

The Developer shall document the anticipated date of receipt of any post completion funding source which has not been received by the Redevelopment Project as of the date of the statements required by this **Section 4.3** and the present value of such source shall be determined using a 7.0% present value rate for the period of time between the date of the submission of the statements and the date of anticipated receipt of such source; but anticipated sales proceeds of condominiums not sold as of the date of such statements shall not be subject to a present value calculation and shall be included in the calculation below as a post completion funding source at the listing price as of the date of the statements less the sales commission described above.

Developer shall not include developer fees or consultant fees for any service typically performed by the developer in the Verified Total Project Costs. With respect to any other costs for any services provided by the Developer or any entity related to Developer, the amount of such costs shall not exceed the amount set forth in the Redevelopment Plan for such services. Moreover, if any of the owners, officers, principals or members of the construction contractor for the Redevelopment Project are the same as any owner, officer, principal or member of Developer or general partner in the owner of the development, amounts allowed for aggregate contractor fees shall not exceed eighteen percent (18%) of construction costs as provided for in the Missouri Housing Development Commission's 2005 Qualified Allocation Plan for the Low Income Housing Tax Credit Program, and Developer shall include documentation, including detailed invoices and receipts for payment, for each and every item of costs traceable to third parties with no relationship to Developer, in addition to summary pay applications submitted to Developer by the construction contractor.

To the extent that the sum of post completion funding sources exceeds the sum of (x) Verified Total Project Costs, (y) four percent (4%) of the Acquisition Costs; and (z) fifteen percent (15%) of all Verified Total Project Costs other than Acquisition Costs, Developer hereby agrees that the maximum amount of Reimbursable Redevelopment Project Costs for which the Developer shall be reimbursed by the City as provided for in **Section 4.1** of this Agreement and the maximum amount of any TIF Notes which shall be issued by the City in accordance with **Section 5.2** of this Agreement shall be reduced by an amount in the aggregate equal to seventy-five percent (75%) of the total amount of such excess, as calculated by the City in accordance herewith. Developer agrees that the City may discharge any TIF Note already issued at the time of such calculation in an amount equal to seventy-five percent (75%) of the total excess.

4.4 City's Obligations Limited to Special Allocation Fund and Bond Proceeds. Notwithstanding any other term or provision of this Agreement, TIF Notes issued by the City to the Developer for Reimbursable Redevelopment Project Costs are payable only from the Special Allocation Fund and from Bond Proceeds, if any, and from no other source. The City has not pledged its full faith and credit relative to the City's obligation to issue the TIF Obligations or to pay any Reimbursable Redevelopment Project Costs. The TIF Obligations shall be special, limited obligations of the City, and shall not constitute debt to the City within any constitutional or statutory meaning of the word "debt."

**ARTICLE V.
TIF OBLIGATIONS**

5.1 Conditions Precedent to the Issuance of TIF Notes. No TIF Notes shall be issued until such time as the City has (i) accepted a Certificate of Substantial Completion in accordance with the procedures set forth in **Section 3.8** of this Agreement; (ii) approved a Certificate of Reimbursable Redevelopment Project Costs in substantially the form of **Exhibit D**, attached hereto and incorporated herein by reference, in accordance with the procedures set forth in **Section 4.2** of this Agreement; (iii) obtained an opinion of Bond Counsel regarding the taxable nature of the TIF Notes; (iv) received the full payment of all advances required to be paid under **Section 2.2** of this Agreement; (v) received such other documentation as the City shall reasonably require of Developer in order for the City to obtain an opinion of Bond Counsel as required by this **Section 5.1.**; and (vi) the City Clerk has received a petition for the creation of the CID in accordance with the CID Act.

5.2 Issuance of TIF Notes. The City agrees to issue one or more TIF Notes as provided in this Agreement and the Note Ordinance to reimburse the Developer for Reimbursable Redevelopment Project Costs up to the maximum amount established in **Section 4.1** of this Agreement, subject to the limitations of Article IV of this Agreement. The TIF Notes shall be in the form attached to the Note Ordinance as Exhibit B, provided that if the Note Ordinance is repealed or otherwise amended to amend such form of TIF Note, the TIF Notes shall not be amended for the purposes of this Agreement without the written consent of Developer.

5.2.1 Terms. Each TIF Note shall bear interest at a fixed rate per annum determined on the date that is not less than ten (10) business days and not more than sixty (60) days prior to the scheduled closing date for the issuance of the TIF Notes (the "Pricing Date") based on the municipal yield curve for general obligation bonds (the "MMD") compiled by Municipal Market Data Line ® (or its successors) and published by Thomson Financial, an operating unit of The Thomson Corporation (or its successors), using the MMD yield published as of the Issuance Date for general obligation bonds rated "AAA" that mature in the same year as the TIF Notes, (i) plus four percent (4%) if the interest on the TIF Notes (in the opinion of Bond Counsel) is not exempt from federal income taxation (the "Taxable Rate"), or (ii) plus two percent (2.0%) if the interest on the TIF Notes (in the opinion of Bond Counsel) is exempt from federal income taxation (the "Tax Exempt Rate"); provided, in no event shall the interest rate on the TIF Notes exceed ten percent (10%) per annum. All TIF Notes shall have a stated maturity of the Maturity Date.

5.2.2 Procedures for Issuance of TIF Notes. Within a reasonable period of time not to exceed ninety (90) days of Developer's satisfaction of the conditions of **Section 5.1** of this Agreement the City shall issue a TIF Note to an Original Purchaser evidencing reimbursement of Reimbursable Redevelopment Project Costs. Notwithstanding anything contained in this Agreement to the contrary, upon the acceptance by the City of a Certificate of Reimbursable Redevelopment Project Costs and the issuance by the City of a TIF Note as provided in this **Section 5.2.2**, the Developer shall be deemed to have advanced funds necessary to purchase such TIF Notes and the City shall be deemed to have deposited such funds in the Project Fund and shall be deemed to have reimbursed the Developer in full for such costs from the amounts deemed to be on deposit in the Project Fund from time to time.

5.2.3 Special Mandatory Redemption of TIF Notes. All TIF Notes are subject to special mandatory redemption by the City, in whole at any time or in part on each May 1 and November 1 (each, a "Payment Date") occurring after the acceptance by the City of the Certificate of Substantial Completion at a redemption price equal to 100% of the principal amount being redeemed, together with the accrued interest thereon to the date fixed for redemption.

5.3 Issuance of TIF Bonds.

5.3.1 The City may, in its sole and absolute discretion, issue, or cause to be issued, TIF Bonds at any time in an amount sufficient to refund all or a portion of the outstanding TIF Notes.

5.3.2 Upon receipt of a written request by Developer and upon the City's underwriter's recommendation in favor of issuing TIF Bonds and recommendation of the principal amount thereof based on the criteria set forth below, the City shall use its best efforts to cause the Authority to issue TIF Bonds as described in this Section. The aggregate gross cash proceeds from the sale of the TIF Bonds before payment of Issuance Costs, together with any interest accrued thereon ("Bond Proceeds") of such TIF Bonds will be finally determined by the City after receiving the underwriter's recommendation based on the criteria set forth below. The City shall not be obligated to cause the Authority to issue such TIF Bonds unless the underwriter determines that all of the following criteria are satisfied as of the date of issuance of such bonds, unless such criteria are waived by the City's underwriter. Developer shall not have any liability for any costs associated with the issuance of TIF Bonds but shall bear its own costs and expenses, including any attorneys' fees and expenses, that Developer may incur in complying with this Section. Notwithstanding anything in this Section to the contrary, Developer shall be liable for all costs incurred by the City or the Authority in the event the Developer has requested the issuance of bonds and the City's underwriter has determined that such bonds cannot be issued at such time.

5.3.2.1 Criteria for Issuance. The underwriter's recommendation for issuance of TIF Bonds and the principal amount thereof shall be based on the following criteria:

- (i) Acceptance by the City of the Certificate of Substantial Completion;
- (ii) Review of projections of TIF Revenues available for debt service as proposed by an independent qualified consultant. Such projections must show that (A) if all available TIF

Revenues were to be applied to the immediate repayment of the TIF Bonds, the TIF Bonds would reasonably be anticipated to be retired within twenty-three (23) years from the effective date of the Approving Ordinance, and (B) based on a maturity date twenty-three (23) years from the effective date of the Approving Ordinance, the TIF Bonds are reasonably likely to achieve debt service coverage ratio reasonably acceptable to the City's underwriter;

- (iii) Developer's documentation of stabilization of the Redevelopment Project for a minimum period of two (2) years after substantial completion as evidenced in a report to the City prepared by a qualified independent consultant to be paid for by the City, which report also sets forth TIF revenue projections for the Redevelopment Project in connection with the issuance of the TIF Bonds;
- (iv) The aggregate net projected debt service on the TIF Bonds (taking into account the principal portion of the TIF Bonds that are issued to establish a reserve fund and to pay Issuance Costs, and including any reserve fund earnings) will be lower than the net average annual debt service on the outstanding TIF Notes, unless the Developer voluntarily elects to defer or forgive principal of and/or interest on the TIF Notes in an amount necessary to make the aggregate net projected debt service on the TIF Bonds lower than the net average annual debt service on the outstanding TIF Notes; and
- (v) The TIF Bonds can be sold at an aggregate net interest cost which is less than the aggregate net interest cost of the TIF Notes to be redeemed.

5.4 Application of TIF Bond Proceeds. Proceeds of any TIF Bonds shall be applied:

5.4.1 To the payment of costs relating to the issuance of the TIF Bonds;

5.4.2 To the payment of outstanding principal of and interest on the TIF Notes to be refunded;

5.4.3 To the payment of capitalized interest on the TIF Bonds; and

5.4.4 To the establishment of a debt service reserve fund for the TIF Bonds in a reasonable amount of the principal amount of TIF Bonds to be issued, as to be determined by the City's underwriter.

5.5 Cooperation in the Issuance of TIF Obligations. Developer covenants to cooperate and take all reasonable actions necessary to assist the City and its Bond Counsel, the Authority, underwriters and financial advisors in the preparation of offering statements, private placement memorandum or other disclosure documents and all other documents necessary to market and sell the TIF Obligations, including disclosure of tenants of the Redevelopment Area and the non-financial terms of the leases between Developer and such tenants. Developer will not be required to disclose to the general public or any investor any proprietary or confidential information, including financial information, pertaining to Developer, but upon the execution of a confidentiality agreement acceptable to Developer, Developer will provide such information to the City's financial advisors, underwriters and their counsel to enable such parties to satisfy their due diligence obligations. Developer shall make such compliance obligation a covenant running with the land, enforceable as if any subsequent transferee thereof were originally a party to and bound by this Agreement, provided, that Developer shall satisfy this and any other obligation under this Agreement to make any provision a covenant running with the land by recording this Agreement in the Office of the Recorder of Deeds of the City of St. Louis.

5.6 Subordinate Notes. If the amount of TIF Bonds issued pursuant to this Agreement is insufficient to refund all of the outstanding TIF Notes, the TIF Notes remaining outstanding shall be redeemed by the issuance of notes subordinate to the TIF Bonds (the "Subordinate Notes"). Each Subordinate Note shall have the same maturity and have the same outstanding principal amount and the same interest rate as the TIF Note it redeems. All such Subordinate Notes shall be payable as to principal and interest according to the terms set forth in **Sections 5.4 and 6.3** of this Agreement.

5.7 City to Select Underwriter and Financial Advisor; Term and Interest Rate. The City shall have the right to select the designated underwriter (and such financial advisors and consultants as the underwriter and the City deem necessary for the issuance of the TIF Bonds) and underwriter's counsel. The final maturity of the TIF Bonds shall not exceed the maximum term permissible under the TIF Act. The TIF Bonds shall bear interest at such rates, shall be subject to redemption and shall have such terms as the City shall determine in its sole discretion.

**ARTICLE VI.
SPECIAL ALLOCATION FUND;
COLLECTION AND USE OF TIF REVENUES**

6.1 Creation of Special Allocation Fund. The City agrees to cause its Comptroller or other financial officer to maintain the Special Allocation Fund, including a "PILOTs Account," an "EATs Account," and such further accounts or sub-accounts as are required by this Agreement or as the Comptroller may deem appropriate in connection with the administration of the Special Allocation Fund pursuant to this Agreement. Subject to the requirements of the TIF Act and, with respect to Economic Activity Taxes, subject to annual appropriation by the Board of Aldermen, the City will promptly upon receipt thereof deposit all Payments in Lieu of Taxes into the PILOTs Account and all Economic Activity Taxes into the EATs Account.

6.2 Certification of Base for PILOTS and EATS.

6.2.1 Upon the reasonable written request of the City, Developer shall use its best efforts to provide or cause to be provided to the Comptroller or its authorized representative any documents necessary for the City to calculate the base for PILOTS and EATS including, but not limited to: (i) the address and locator number of all parcels of real property located within the Redevelopment Area; and (ii) information related to payment of utility taxes by any businesses, owners or other occupants of the Redevelopment Area in the calendar year ending December 31, 2006.

6.2.2 Within ninety (90) days after execution of the Redevelopment Agreement, the City shall provide to the Developer (i) a certificate of the City Assessor's calculation of the total initial equalized assessed valuation of the taxable real property within the Redevelopment Area based upon the most recently ascertained equalized assessed valuation of each taxable lot, block, tract, or parcel of real property within the Redevelopment Area; and (ii) a certification of the amount of revenue from taxes, penalties and interest which are imposed by the City and other taxing districts and which are generated by economic activities within the Redevelopment Area for the calendar year ending December 31, 2006, but excluding those personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to Section 70.500 of the Revised Statutes of Missouri, taxes levied for the purpose of public transportation, or licenses, fees or special assessments identified as excluded in Section 99.845.3 of the TIF Act.

6.3 Application of Available Revenues.

The City hereby agrees for the term of this Agreement to apply the Available Revenues and any taxes, fees or assessments subsequently enacted and imposed in substitution therefor and allocable to the Special Allocation Fund under the TIF Act or this Agreement to the repayment of TIF Notes issued under Article V of this Agreement as provided in the Note Ordinance and this Agreement.

Upon the payment in full of the principal of and interest on all TIF Notes (or provision has been made for the payment thereof as specified in the Note Ordinance), payment in full of the fees and expenses of the Comptroller and the SLDC, and payment in full of any other amounts required to be paid under the Note Ordinance, all amounts remaining on deposit in the Revenue Fund shall be declared as surplus and distributed in the manner provided in the Act.

If monies available in Special Allocation Fund are insufficient to reimburse the City or the Developer as provided above on any Payment Date, then the unpaid portion shall be carried forward to the next Payment Date, with interest thereon.

The City agrees that it will comply with the Charter of The City of St. Louis, Article XVI, Section 3 for each fiscal year that TIF Obligations are outstanding and the City will request an appropriation of all Available Revenues on deposit in the Special Allocation Fund for application to the payment of the principal of (including, but not limited to, payment of a premium, if any) and interest on the TIF Obligations.

6.4 Cooperation in Determining TIF Revenues. The City and the Developer agree to cooperate and take all reasonable actions necessary to cause the TIF Revenues to be paid into the Special Allocation Fund, including, but not limited to, the City's enforcement and collection of all such payments through all reasonable and ordinary legal means of enforcement.

6.5 Obligation to Report TIF Revenues. The Developer shall cause any purchaser or transferee of real property located within the Property, and any lessee or other user of real property located within the Property required to pay TIF Revenues, shall use all reasonable efforts to timely fulfill such obligations as are required by **Section 6.4** of this Agreement. So long as any of the TIF Obligations are outstanding, the Developer shall cause such obligations to be covenants running with the land, which covenants shall be enforceable as if such purchaser, transferee, lessee or other user of such real property were originally a party to and bound by this Agreement.

6.6 Notice to City of Transfer. The Developer agrees to notify the City in writing of any sale, transfer or other disposition of the Property or any interest therein as permitted by **Section 7.3.2** of this Agreement at least fifteen (15) days prior to such sale, transfer or other disposition. Said notice shall specify the name and address of the person so acquiring any or all of the Property or any interest therein and shall identify the Property to be sold, transferred or otherwise disposed, whether by voluntary transfer or otherwise. Notwithstanding the foregoing, Developer shall not be required to notify the City of the lease or transfer of a residential unit, commercial unit or parking space in the ordinary course of business except as may be required by **Section 4.3**.

ARTICLE VII. GENERAL PROVISIONS

7.1 Developer's Right of Termination. At any time prior to the delivery of a Certificate of Substantial Completion, the Developer may, by giving written notice to the City, abandon the Redevelopment Project and terminate this Agreement and the Developer's obligations hereunder if the Developer determines, in its sole discretion, that the Redevelopment Project is no longer economically feasible. Upon such termination, the City shall have no obligation to reimburse the Developer for any amounts advanced under this Agreement or costs otherwise incurred or paid by Developer.

7.2 City's Right of Termination. The City may terminate this Agreement if (i) the Developer fails to submit to the MBE/WBE Compliance Officer a copy of Developer's MBE/WBE Subcontractor's List and its MBE/WBE Utilization Statement within five hundred forty (540) days of the date of this Agreement; provided, however, that termination under this Section 7.2(i) may

be waived in the sole discretion of the MBE/WBE Compliance Officer; or (ii) the Developer fails to submit its Certificate of Substantial Completion, acceptable to the City, in accordance with Section 3.8 of this Agreement and the schedule set forth in **Section 3.4** of this Agreement. Upon such termination, the City shall have no obligation to issue a TIF Note or to reimburse the Developer for any amounts advanced under this Agreement or costs otherwise incurred or paid by Developer.

7.3 Successors and Assigns.

7.3.1 Binding Effect. This Agreement shall be binding on and shall inure to the benefit of the parties named herein and their respective heirs, administrators, executors, personal representatives, successors and assigns.

7.3.2 Assignment or Sale. Without limiting the generality of the foregoing, all or any part of the Property or any interest therein may be sold, transferred, encumbered, leased, or otherwise disposed of at any time, and the rights of the Developer named herein or any successors in interest under this Agreement or any part hereof may be assigned at any time before, during or after redevelopment of the Redevelopment Project, whereupon the party disposing of its interest in the Property or assigning its interest under this Agreement shall be thereafter released from further obligation under this Agreement (although any such Property so disposed of or to which such interest pertains shall remain subject to the terms and conditions of this Agreement), provided, however, that until substantial completion of the Redevelopment Project, the fee title to the Property shall not be sold, transferred or otherwise disposed of and the rights, duties and obligations of the Developer under this Agreement shall not be assigned in whole or in part without the prior written approval of the City, which approval shall not be unreasonably withheld or delayed upon a reasonable demonstration by the Developer of the proposed transferee's or assignee's experience and financial capability to undertake and complete such portions of the Work and perform the Developer's obligations under this Agreement, all in accordance with this Agreement. Notwithstanding anything herein to the contrary, the City hereby approves, and no prior consent shall be required in connection with: (a) the right of the Developer to encumber or collaterally assign its interest in the Property or any portion thereof or its rights, duties and obligations under this Agreement to secure loans, advances or extensions of credit to finance or from time to time refinance all or any part of the Redevelopment Project Costs, or the right of the holder of any such encumbrance or transferee of any such collateral assignment (or trustee or agent on its behalf) to transfer such interest by foreclosure or transfer in lieu of foreclosure under such encumbrance or collateral assignment; and (b) the right of Developer to transfer the Property or to assign the Developer's rights, duties and obligations under this Agreement to any Related Entity; (c) the right of the Developer to sell, lease or transfer a residential unit, commercial unit or parking space in the ordinary course of business; provided that in each such event (i) the Developer named herein shall remain liable hereunder for the substantial completion of the Redevelopment Project, subject, however, to Developer's right of termination pursuant to **Section 7.1** of this Agreement, and shall be released from such liability hereunder only upon substantial completion of the Redevelopment Project and (ii) the Developer provides to the City fifteen (15) days' advance written notice of the proposed assignment or transfer other than of the sale or lease of a residential unit, commercial unit or parking space in the ordinary course of business which shall require no notice except as may be required by **Section 4.3**.

7.3.3 Assignment or Sale to Exempt Organization. Prior to any sale, transfer or other disposition of all or any portion of the Property or any interest therein to an organization exempt from payment of ad valorem property taxes, such organization shall be required to agree not to apply for an exemption from payment of such property taxes for a period ending on the earlier of the date that all TIF Obligations are paid in full or twenty-three (23) years from the effective date that the Approving Ordinance. The Developer shall make this requirement a covenant running with the land, enforceable for such period as if such purchaser or other transferee or possessor thereof were originally a party to and bound by this Agreement.

7.4 Remedies. Except as otherwise provided in this Agreement and subject to the Developer's and the City's respective rights of termination, in the event of any default in or breach of any term or conditions of this Agreement by either party, or any successor, the defaulting or breaching party (or successor) shall, upon written notice from the other party specifying such default or breach, proceed immediately to cure or remedy such default or breach, and shall, in any event, within thirty (30) days after receipt of notice, cure or remedy such default or breach. In the event that the defaulting or breaching party (or successor) diligently and in good faith commences to cure or remedy such default or breach but is unable to cure or remedy such default or breach within thirty (30) days after receipt of notice, the defaulting or breaching party (or successor) shall, prior to the end of such thirty (30) days, provide notice to the other party that it has in good faith commenced to cure or remedy such default or breach, whereupon the defaulting or breaching party (or successor) shall have an additional thirty (30) days to cure or remedy such default or breach. In case such cure or remedy is not taken or not diligently pursued, or the default or breach shall not be cured or remedied prior to the end of the additional thirty (30) day period, the aggrieved party may institute such proceedings as may be necessary or desirable in its opinion to cure and remedy such default or breach, including without limitation proceedings to compel specific performance by the defaulting or breaching party.

7.5 Force Majeure. Neither the City nor the Developer nor any successor in interest shall be considered in breach or default of their respective obligations under this Agreement, and times for performance of obligations hereunder shall be extended in the event of any delay caused by force majeure (except as expressly limited in **Section 3.4**), including without limitation damage or destruction by fire or casualty; strike; lockout; civil disorder; war; restrictive government regulations; lack of issuance of any permits and/or legal authorization by the governmental entity necessary for the Developer to proceed with construction of the Work or any portion thereof; shortage or delay in shipment of material or fuel; acts of God; unusually adverse weather or wet soil conditions; or other like causes beyond the parties' reasonable control, including without limitation any litigation, court order or judgment resulting from any litigation affecting the validity of the Redevelopment Plan, the Redevelopment Project or the TIF Obligations or this Agreement; provided that (i) such event of force majeure shall not be deemed to exist as to any matter initiated

or sustained by the Developer in bad faith, and (ii) the Developer notifies the City in writing within thirty (30) days of the commencement of such claimed event of force majeure.

7.6 Notices. All notices, demands, consents, approvals, certificates and other communications required by this Agreement to be given by either party hereunder shall be in writing and shall be hand delivered or sent by United States first class mail, postage prepaid, addressed to the appropriate party at its address set forth below, or at such other address as such party shall have last designated by notice to the other. Notices, demands, consents, approvals, certificates and other communications shall be deemed given when delivered or three days after mailing; provided, however, that if any such notice or other communication shall also be sent by telecopy or fax machine, such notice shall be deemed given at the time and on the date of machine transmittal if the sending party receives a written send verification on its machines and forwards a copy thereof with its mailed or courier delivered notice or communication.

7.7 Conflict of Interest. No member of the Board of Aldermen, the TIF Commission, or any branch of the City's government who has any power of review or approval of any of the Developer's undertakings, or of the City's contracting for goods or services for the Redevelopment Area, shall participate in any decisions relating thereto which affect that member's personal interests or the interests of any corporation or partnership in which that member is directly or indirectly interested. Any person having such interest shall immediately, upon knowledge of such possible conflict, disclose, in writing, to the Board of Aldermen the nature of such interest and seek a determination by the Board of Aldermen with respect to such interest and, in the meantime, shall not participate in any actions or discussions relating to the activities herein proscribed.

7.8 Damage or Destruction of Redevelopment Project. In the event of total destruction or damage to the Redevelopment Project by fire or other casualty, during construction or thereafter during the term of this Agreement so long as any TIF Notes are outstanding and the Developer or a Related Entity owns the Property, the Developer shall determine and advise the City in writing within one year of such destruction or damage whether to restore, reconstruct and repair any such destruction or damage so that the Redevelopment Project will be completed or rebuilt in accordance with the Redevelopment Plan and this Agreement. Should the Developer determine not to restore, reconstruct and repair, all unaccrued liability of the City for any payments of principal of or interest on the TIF Notes shall immediately terminate and the Developer shall promptly surrender the TIF Notes to the City for cancellation. In the event of such total destruction or damage during the term of this Agreement and after any TIF Bonds are issued or the issuance of a TIF Note to a purchaser other than the Developer or a Related Entity, the Developer shall, at the City's option after consultation with the Developer, tender to the City that portion of the insurance proceeds, if any, to which Developer is entitled, after satisfaction of any terms or obligations of any deed of trust, promissory note or financing agreement entered into by the Developer for the financing of all or any part of the Redevelopment Project, from any fire or casualty insurance policy in an amount equal to the outstanding principal amount of the TIF Bonds or TIF Notes, plus accrued interest thereon to be deposited into the Special Allocation Fund.

7.9 Inspection. The City may conduct such periodic inspections of the Work as may be generally provided in the building code of the City. In addition, the Developer shall allow other authorized representatives of the City reasonable access to the Work site from time to time upon advance notice prior to the completion of the Work for inspection thereof. The Developer shall not unreasonably deny the City and its officers, employees, agents and independent contractors the right to inspect, upon request, all architectural, engineering, demolition, construction and other contracts and documents pertaining to the construction of the Work as the City determines is reasonable and necessary to verify the Developer's compliance with the terms of this Agreement.

7.10 Choice of Law. This Agreement shall be taken and deemed to have been fully executed, made by the parties in, and governed by the laws of State of Missouri for all purposes and intents.

7.11 Entire Agreement; Amendment. The parties agree that this Agreement constitutes the entire agreement between the parties and that no other agreements or representations other than those contained in this Agreement have been made by the parties. This Agreement shall be amended only in writing and effective when signed by the authorized agents of the parties.

7.12 Counterparts. This Agreement may be executed in multiple counterparts, each of which shall constitute one and the same instrument.

7.13 Severability. In the event any term or provision of this Agreement is held to be unenforceable by a court of competent jurisdiction, the remainder shall continue in full force and effect, to the extent the remainder can be given effect without the invalid provision.

7.14 Representatives Not Personally Liable. No elected or appointed official, agent, employee or representative of the City shall be personally liable to the Developer in the event of any default or breach by any party under this Agreement, or for any amount which may become due to any party or on any obligations under the terms of this Agreement.

7.15 Attorney's Fees. In any dispute arising out of or relating to this Agreement, including any action to enforce this Agreement against a defaulting or breaching party pursuant to **Section 7.4**, the prevailing party shall recover from the non-prevailing party the prevailing party's attorney's fees, in addition to any other damages to which it is entitled.

7.16 Actions Contesting the Validity and Enforceability of the Redevelopment Plan. In the event a third party brings an action against the City or the City's officials, agents, attorneys, employees or representatives contesting the validity or legality of the Redevelopment Area, the Redevelopment Plan, the TIF Obligations, or the ordinance approving this Agreement, Developer may, at its option, join the City in defense of such claim or action. The parties expressly agree that, so long as no conflicts of interest exist between them with regard to the handling of such litigation, the same attorney or attorneys may simultaneously represent the City and the Developer in any such proceeding. The Developer shall be responsible for all reasonable and necessary costs and expenses incurred by the City and by the Developer in connection with the defense of such claim or action, provided that if the City does not approve a settlement or compromise which the Developer would agree to, the Developer shall not be responsible for any costs or expenses incurred thereafter in the defense of such claim or action. All cost of any such defense, whether incurred by the City or the Developer, shall be deemed to be Reimbursable Redevelopment Project Costs and reimbursable from any amounts

in the Special Allocation Fund, subject to Article IV of this Agreement. Release and Indemnification.

7.17.1 The City and its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable to the Developer for damages or otherwise in the event that all or any part of the TIF Act, or any ordinance adopted in connection with either the TIF Act, this Agreement or the Redevelopment Plan, is declared invalid or unconstitutional in whole or in part by the final (as to which all rights of appeal have expired or have been exhausted) judgment of any court of competent jurisdiction, and by reason thereof either the City is prevented from performing any of the covenants and agreements herein or the Developer is prevented from enjoying the rights and privileges hereof.

7.17.2 The Developer releases from and covenants and agrees that the City and its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable for, and agrees to indemnify and hold harmless the City, its governing body members, officers, agents, attorneys, employees and independent contractors against any and all claims, demands, liabilities and costs, including reasonable attorneys' fees, costs and expenses, arising from damage or injury, actual or claimed (excluding consequential and punitive damages), to persons or property occurring or allegedly occurring as a result of any negligent or malicious acts or omissions of the Developer, its governing body members, officers, agents, attorneys, employees and independent contractors, in connection with its or their activities conducted pursuant to this Agreement.

7.17.3 The City and its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable for any damage or injury to the persons or property of the Developer or its officers, agents, employees, independent contractors or any other persons who may be about the Property or the Work except for matters arising out of the gross negligence or willful misconduct of the City and its governing body members, officers, agents, attorneys, employees and independent contractors.

7.17.4 All covenants, stipulations, promises, agreements and obligations of the City contained herein shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the City and not of any of its governing body members, officers, agents, attorneys, employees or independent contractors in their individual capacities.

7.17.5 No governing body members, officers, agents, attorneys, employees or independent contractors of the City shall be personally liable to the Developer (i) in the event of a default or breach by any party under this Agreement or (ii) for any amount or any TIF Notes which may become due to any party under the terms of this Agreement.

7.17.6 The Developer releases from and covenants and agrees that the City, its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable for, and agrees to indemnify and hold the City, its governing body members, officers, agents, attorneys, employees and independent contractors, harmless from and against any and all third party suits, interest, claims and cost of reasonable attorneys fees incurred by any of them, resulting from, arising out of, or in any way connected with: (i) the enforcement of this Agreement, the validity of the TIF Obligations or the enforcement or validity of any other agreement or obligation made in connection therewith and their approvals (excluding opinions of counsel and of the City's financial advisors whenever such claim is based on such party's own negligence); (ii) the negligence or willful misconduct of the Developer or its officers, agents, employees or independent contractors in connection with the design, management, development, redevelopment and construction of the Work, or (iii) the compliance by the Developer with all applicable state, federal and local environmental laws, regulations and ordinances as applicable to the Property, to the extent such condition existed prior to the acquisition thereof by the Developer. The foregoing release and indemnification shall not apply in the case of such liability arising directly out of the negligence or malicious acts or omissions of the City or its governing body members, officers, agents, attorneys, employees and independent contractors in connection with its or their activities conducted pursuant to this Agreement or which arises out of matters undertaken by the City following termination of this Agreement as to the Redevelopment Project or any particular portion thereof.

7.19 Maintenance of the Property. The Developer shall remain in compliance with all provisions of the City's ordinances relating to maintenance and appearance of the Property during the construction of the Redevelopment Project or any portion thereof. Upon substantial completion of the Redevelopment Project and so long as any TIF Obligations are outstanding, the Developer or its successor(s) in interest, as owner or owners of the affected portion(s) of the Property, shall, during the remainder of the term of this Agreement (but subject to any delay caused by an event of force majeure as provided in **Section 7.5** of this Agreement), maintain or cause to be maintained the buildings and improvements within the Redevelopment Area which it owns in a good state of repair and attractiveness and in conformity with applicable state and local laws, ordinances and regulations. When TIF Notes have been executed and authenticated as required by this Ordinance, the Finance Officer shall hold the TIF Notes in trust or, if directed in writing by the Owners thereof, deliver the TIF Notes to or upon the order of the Owners thereof, as provided in paragraph (g) above, but only upon payment to the City of a purchase price equal to one hundred percent (100%) of the face amount of the TIF Notes, which payment shall be deemed to have occurred under the circumstances described in **Section 4.5** of this Ordinance.

The TIF Notes presented for transfer or exchange shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in a form and with guarantee of signature satisfactory to the Finance Officer, duly executed by the Owner thereof or by the Owner's duly authorized agent. Each of the TIF Notes, including any TIF Notes issued in exchange or as substitution for the TIF Notes initially delivered, shall be signed by the manual or facsimile signature of the Mayor and the Finance Officer of the City, attested by the manual or facsimile signature of the City Register, and shall have the official seal of the City affixed thereto or imprinted thereon. If any officer whose signature appears on any TIF Note ceases to be such officer before the delivery of such TIF Note, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such person had remained in office until delivery. Any TIF Note may be signed by such persons who at the actual time of the execution of such TIF Note are the proper officers to sign such TIF Note although at the date of such TIF Note such persons may not have been such officers.

The Mayor, Finance Officer and City Register are hereby authorized and directed to prepare and execute the TIF Notes as hereinbefore specified, and when duly executed, to deliver the TIF Notes to the Finance Officer for authentication.

The TIF Notes shall have endorsed thereon a certificate of authentication substantially in the form set forth in **Schedule A of Exhibit B** hereto, which shall be manually executed by an authorized signatory of the Finance Officer, but it shall not be necessary that the same signatory sign the certificate of authentication on all of the TIF Notes that may be issued hereunder at any one time. No TIF Note shall be entitled to any security or benefit under this Ordinance or be valid or obligatory for any purpose until the certificate of authentication has been duly executed by the Finance Officer. Such executed certificate of authentication upon any TIF Note shall be conclusive evidence that such TIF Note has been duly authenticated and delivered under this Ordinance.

The TIF Notes shall be initially executed and authenticated by the City upon the last to occur of the following: (i) acceptance or deemed acceptance of the Certificate of Substantial Completion; (ii) approval of a Certificate of Reimbursable Redevelopment Project Costs; (iii) receipt of an opinion of Bond Counsel regarding the taxable nature of the TIF Notes; (iv) the full payment of all advances required to be paid under Section 2.2 of the Redevelopment Agreement; and (v) receipt of such other documentation as the City shall reasonably require of Developer in order for the City to obtain an opinion of Bond Counsel as required by this Section 5.1 of the Redevelopment Agreement.

Upon the Developer's satisfaction of the foregoing conditions and upon approval of each Certificate of Reimbursable Redevelopment Project Costs, the Finance Officer shall either: (i) at the request of the City upon instructions of the Developer, endorse an outstanding TIF Note on Schedule A thereto to evidence an increase in the aggregate principal amount equal to such Reimbursable Redevelopment Project Costs, or (ii) at the request of the City upon instructions of the Developer issue a new TIF Note in a principal amount equal to such Reimbursable Redevelopment Project Costs, or any combination thereof. Each date of endorsement of each such TIF Note shall be the date of acceptance by the City of each Certificate of Reimbursable Redevelopment Project Costs except that the initial endorsement of each TIF Note shall be dated the date of issuance of such TIF Note. Thereupon, pursuant to Section 202(h), the TIF Notes shall either be held or delivered to or upon the order of the party submitting the Certificate of Reimbursable Redevelopment Project Costs relating to such Notes. Upon acceptance by the City of such a Certificate of Reimbursable Redevelopment Project Costs in accordance with the Redevelopment Agreement and upon execution and authentication of the TIF Notes as required by this Ordinance, the Developer shall be deemed to have advanced funds to the City in an amount equal to the purchase price of the TIF Notes, which shall be one hundred percent (100%) of the face amount of the TIF Notes, and, upon the issuance of an endorsement of the TIF Notes as provided in the preceding paragraph, the City shall be deemed to have reimbursed the Developer in full for such Reimbursable Redevelopment Project Costs.

Section 2.8 Mutilated, Lost and Stolen TIF Notes. If any mutilated TIF Note is surrendered to the Finance Officer or the Finance Officer receives evidence to his/her satisfaction of the destruction, loss or theft of any TIF Note and there is delivered to the Finance Officer such security or indemnity as may be required by it to save the City and the Finance Officer harmless, then, in the absence of notice to the Finance Officer that such TIF Note has been acquired by a bona fide purchaser, the City shall execute and the Finance Officer shall register and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen TIF Note, a new TIF Note with the same Maturity Date and of like tenor and principal amount. Upon the issuance of any new TIF Note under this Section, the City and the Finance Officer may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses connected therewith. If any such mutilated, destroyed, lost or stolen TIF Note has become or is about to become due and payable, the Finance Officer may, in its discretion, pay such TIF Note instead of issuing a new TIF Note.

Section 2.9 Cancellation, Discharge and Abatement of TIF Notes. All TIF Notes that have been paid or redeemed or that otherwise have been surrendered to the Finance Officer, either at or before the Maturity Date, shall be canceled and destroyed by the Finance Officer in accordance with existing security regulations upon the payment or redemption of such TIF Note and the surrender thereof to the Finance Officer. The Finance Officer shall execute a certificate in duplicate describing the TIF Notes so cancelled and destroyed, and shall file an executed counterpart of such certificate with the City.

NOTWITHSTANDING ANY PROVISION HEREIN TO THE CONTRARY, THE TIF NOTES ARE SUBJECT TO CANCELLATION AND DISCHARGE BY THE CITY IN WHOLE OR IN PART WITHOUT PENALTY UNDER THE CONDITIONS SET FORTH IN THE REDEVELOPMENT AGREEMENT.

**ARTICLE III.
REDEMPTION AND PAYMENT OF PRINCIPAL AND INTEREST**

Section 3.1 Optional Redemption. The TIF Notes are subject to optional redemption by the City in whole at any time or in part on any Payment Date at a redemption price of 100% of the principal amount of the TIF Note to be redeemed, plus accrued interest thereon to the date fixed for redemption. The TIF Notes shall be called by the City for optional redemption pursuant to this Section without the necessity of any action by the City other than as provided in **Section 4.3** of this Ordinance. If only a partial redemption is to occur, then each TIF Note shall be redeemed in the order of maturity designated by the City, and within any maturity the TIF Notes shall be redeemed in Authorized Denominations by the City in such manner as it may determine. In the event of an optional redemption of the Notes, unless waived by any Registered Owner of Notes to be redeemed, official notice of any redemption shall be given by the Finance Officer on behalf of the City by mailing a copy of an official redemption notice by first class mail, postage prepaid, at least thirty (30) days (five days if all of the Notes are owned by the Developer) and not more than sixty (60) days prior to the date fixed for redemption, to each Registered Owner of the Notes to be redeemed at the address shown on the Note Register.

All official notices of optional redemption shall be dated and shall contain the following information: (a) the redemption date; (b) the redemption price; (c) if less than all outstanding Notes are to be redeemed, the identification number and maturity date(s) (and, in the case of partial redemption of any Notes, the respective principal amounts) of the Notes to be redeemed; (d) a statement that on the redemption date the redemption price will become due and payable upon each Note or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the redemption date; and (e) the place where such Notes are to be surrendered for payment of the redemption price, which shall be the office of the Finance Officer. The failure of any Registered Owner to receive notice given as heretofore provided or an immaterial defect therein shall not invalidate any redemption.

Section 3.2 Special Mandatory Redemption. All TIF Notes are subject to special mandatory redemption by the City on each Payment Date, at a redemption price equal to 100% of the principal amount being redeemed, together with accrued interest thereon to the date fixed for redemption, which amount of principal being redeemed shall be an amount equal to Available Revenues then on deposit in the applicable account of the Special Allocation Fund and which will not be required for the payment of interest on such Payment Date.

In the event of a special mandatory redemption of any Notes with a Registered Owner other than Developer or a Related Entity, unless waived by such Registered Owner of Notes to be redeemed, official notice of any redemption shall be given by the Finance Officer on behalf of the City by mailing a copy of an official redemption notice by first class mail, postage prepaid, at least thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption, to each Registered Owner other than Developer or a Related Entity of the Notes to be redeemed at the address shown on the Note Register.

Section 3.3 Selection of Notes to be Redeemed. TIF Notes shall be redeemed only in Authorized Denominations. When less than all of the outstanding TIF Notes are to be redeemed and paid prior to maturity, such TIF Notes or portions of TIF Notes to be redeemed shall be selected in Authorized Denominations by the Fiscal Agent in such equitable manner as it may determine. In the case of a partial redemption of TIF Notes when TIF Notes of denominations greater than the minimum Authorized Denomination are then outstanding, then for all purposes in connection with such redemption each Authorized Denomination unit of face value shall be treated as though it was a separate TIF Note of the denomination of the minimum Authorized Denomination. Notice and Effect of Call for Redemption. In the event of any optional or special mandatory redemption of the Notes, unless waived by any Registered Owner of Notes to be redeemed, official notice of any redemption shall be given by the Finance Officer on behalf of the City by mailing a copy of an official redemption notice by first class mail to each Registered Owner of the Notes to be redeemed at the address shown on the Note Register.

All official notices of redemption shall be dated and shall contain the following information:

- (a) the redemption date;
- (b) the redemption price;
- (c) if less than all Outstanding Notes are to be redeemed, the identification (and, in the case of partial redemption of any Notes, the respective principal amounts) of the Notes to be redeemed;
- (d) a statement that on the redemption date the redemption price will become due and payable upon each Note or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the redemption date; and

(e) the place where such Notes are to be surrendered for payment of the redemption price, which shall be the office of the Finance Officer.

The failure of any Registered Owner to receive notice given as heretofore provided or an immaterial defect therein shall not invalidate any redemption. All Notes that have been redeemed shall be cancelled and destroyed by the Finance Officer as provided herein and shall not be reissued.

The City (to the extent within its power or discretion) and the Developer shall not use or permit the use of any proceeds of the Tax Exempt TIF Note, and shall not take or permit to be taken any other action or actions, which would result in the Tax Exempt TIF Note being treated as other than an obligation described in Section 103(a) of the Code. Section 7.8 The Board of Aldermen of the City hereby declares that it is in the City’s best interest to sell the TIF Notes at private sale because a public sale of the TIF Notes would cause additional expense to the City and because the condition of the current financial markets makes such a public sale not feasible or the best course of action for the City.

Section 7.9 After adoption of this Ordinance by the Board of Aldermen, this Ordinance shall become effective on the 30th day after its approval by the Mayor or adoption over his veto; provided that if, within ninety (90) days after the effective date of this Ordinance, the Developer has not (i) executed the Redevelopment Agreement pertaining to the Redevelopment Project and (ii) paid all fees due to the City in accordance with the terms of the Redevelopment Agreement, the provisions of this Ordinance shall be deemed null and void and of no effect and all rights conferred by this Ordinance on Developer, shall terminate, provided further, however, that prior to any such termination the Developer may seek an extension of time in which to execute the Redevelopment Agreement, which extension may be granted in the sole discretion of the Board of Estimate and Apportionment of the City of St. Louis.

WHEREAS, this Board has duly considered the reports, recommendations and certifications of the LCRA and the Planning Commission; and

WHEREAS, the Plan does prescribe land use and street and traffic patterns which may require, among other things, the

vacation of public rights-of-way, the establishment of new street and sidewalk patterns or other public actions; and

WHEREAS, this Board is cognizant of the conditions which are imposed on the undertaking and carrying out of a redevelopment project, including those relating to prohibitions against discrimination because of race, color, creed, national origin, sex, marital status, age, sexual orientation or physical handicap; and

A. EXISTING CONDITIONS AND FINDINGS OF BLIGHT

1. DELINEATION OF BOUNDARIES

The 1400 S. Second Street Area ("Area") encompasses approximately 12.86 acres in the Kosciusko Neighborhood of the City of St. Louis ("City") and is located on Lot 2 of City Block 6503, bounded by Second St. on the west, Rutger St. on the north, First St. on the east, and Miller St. on the south.

The legal description of the Area is attached and labeled Exhibit "A". The boundaries of the Area are delineated on Exhibit "B" ("Project Area Plan").

2. GENERAL CONDITION OF THE AREA

The Area comprises part of City Block 6503 and is in poor condition. The physical conditions within the Area are shown on Exhibit "B" (Project Area Plan). For the purpose of this Plan, "Fair Condition" means (1) property that is generally structurally sound but suffers from inadequate maintenance and upkeep, or (2) vacant unimproved property that is under-utilized. "Poor Condition" means (1) buildings that are structurally unsound and/or substantially deteriorated, requiring major improvements such as new roofs, windows, systems, etc., in order to be used productively, or (2) property without buildings which is poorly maintained, has crumbling pavement, and/or is used for open storage.

Unemployment figures, computed by the Missouri State Employment Service, indicate a 7% unemployment rate for the City as of November, 2006. It is estimated that this rate is prevalent for residents of the neighborhoods surrounding the Area. There are currently no jobs within the Redevelopment Area.

3. PRESENT LAND USE OF THE AREA

Existing land uses within the Area include commercial and office structures in an industrial area.

The land use, including the location of public and private uses, streets and other rights-of-way is shown on Exhibit "B".

4. PRESENT LAND USE AND DENSITY OF SURROUNDING PROPERTIES

The properties surrounding the Area are primarily used for commercial and industrial purposes.

Residential density for the surrounding neighborhoods is approximately 0.00 persons per acre.

5. CURRENT ZONING

The Area is zoned "K" Unrestricted District pursuant to the Zoning Code of the City, which is incorporated in this Plan by reference.

6. FINDING OF BLIGHT

The property within the Area is partially occupied and in poor condition (as defined in Section A(2) above). The existence of deteriorated property constitutes both an economic liability to the City and presents a hazard to the health and well-being of its citizens. These conditions, therefore, qualify the Area as blighted within the meaning of Section 99.300 et seq. of the Revised Statutes of Missouri, 2000, as amended, (the Land Clearance for Redevelopment Authority Law).

B. PROPOSED DEVELOPMENT AND REGULATIONS

1. DEVELOPMENT OBJECTIVES

The primary objective of this Plan is to facilitate the development of the Area into productive commercial uses.

2. PROPOSED LAND USE OF THE AREA

The proposed land uses for the Area are commercial uses permitted in Areas designated "K" Unrestricted District by the City of St. Louis Zoning Code. Redevelopers authorized by the Land Clearance for Redevelopment Authority of the City of St. Louis ("LCRA") to develop property in the Area (hereafter referred to as "Redeveloper") shall be permitted to use said property only for the above proposed uses.

Exhibit "C" (Proposed Land Use) shows the proposed uses for the Area.

3. PROPOSED ZONING

The zoning for the Area can remain "K" Unrestricted District. All land coverage and building intensities shall be governed thereby.

4. RELATIONSHIP TO LOCAL OBJECTIVES

The proposed land uses, zoning, public facilities and utility plans are appropriate and consistent with local objectives as defined by the General Plan of the City of St. Louis which includes the Strategic Land Use Plan (2005). Any specific proposal to the LCRA for development of the Area or any portion of the Area shall contain, among other things, adequate provisions for traffic, vehicular parking, safety from fire, adequate provisions for light and air, sound design and arrangement and improved employment opportunities.

5. PROPOSED EMPLOYMENT FOR THIS AREA

Approximately ten (10) new full-time jobs will be created as a result of the proposed development.

6. CIRCULATION

The Proposed Land Use Plan (Exhibit "C") indicates the proposed circulation system for the Area. The layouts, levels and grades of all public rights-of-way may remain unchanged.

Rights-of-way changes will be subject to the review and approval of the City Department of Streets, and all vacations of rights-of-way are subject to approval by ordinance.

7. BUILDING AND SITE REGULATIONS

The Area shall be subject to all applicable federal, state and local laws, ordinances, regulations and codes, including but not limited to, the City Building Code, Zoning District Regulations, and stipulations of the Planning and Urban Design Agency ("PDA") of the City. The population densities, land coverage, and building intensities of redevelopment shall be governed by the Zoning Code. No changes in the building codes or ordinances are required.

Each Redeveloper shall develop the Area in accordance with this Plan and the Redevelopment Agreement, and

shall maintain all structures, equipment, paved areas, and landscaped areas controlled by the Redeveloper in good and safe order both inside and outside, structurally and otherwise, including necessary and proper painting. Failure to meet these requirements may result in suspension of tax abatement.

8. URBAN DESIGN

a. **Urban Design Objectives**

The property shall be developed so it is an attractive commercial asset to the surrounding neighborhood.

b. **Urban Design Regulations**

Rehabilitation shall respect the original exterior in terms of design and materials. Window and door shapes and detailing shall be compatible with the original design.

New construction shall be compatible in design with the surrounding neighborhood, if any, in terms of scale, materials, set back, profile and site layout.

c. **Landscaping**

The property shall be well-landscaped. Perimeter street trees of a minimum caliper of 2-1/2 inches and generally 30-35 feet on center, depending upon tree type, utilities, curb cuts, etc., shall be provided along all public or private streets - preferably in tree lawns along the curb. If necessary, sidewalks shall be notched to accommodate the trees.

Ornamental or shade trees should be provided in the front lawns along with evergreen accent shrubs.

Existing, healthy trees shall be retained, if feasible.

9. PARKING REGULATIONS

Parking shall be provided in accordance with the applicable zoning and building code requirements of the City, including PDA standards. This will provide adequate vehicular parking for the Area.

Surface parking shall not extend beyond the established building line. Surface parking along public streets shall be buffered by a continuous evergreen hedge at least two and one-half (2-1/2) feet high on planting and maintained at three and one-half (3-1/2) feet high at maturity. Three percent (3%) of the interior of all parking lots containing more than twenty-five (25) spaces shall be landscaped with trees, at least two and one-half (2 1/2) inch caliper in size on planting. The trees shall be planted on islands, the largest dimension of which shall be at least five (5) feet, planted with low lying ground cover or other plant material.

10. SIGN REGULATIONS

All new signs shall be limited as set out in the City Code, PDA stipulations, this Plan and contracts between the LCRA and the Redeveloper. A uniform signage plan must be prepared by the Redeveloper for the entire project. All new signs shall be restricted to those identifying the names and/or business of the person or firm occupying the premises.

New wall signs shall not obstruct any architectural building elements and shall project no more than eighteen (18) inches from the face of the building: **Upper Level** signage shall be located just below or above the top floor windows facing in any direction regardless of street orientation, shall not exceed 2% of the area of the façade on which it appears nor have letters more than one foot in height for each ten (10) feet of building height provided that the maximum shall be ten (10) foot **high letters (i.e. maximum sign letter height on a fifty (50) foot high building shall be five (5) feet.** Pedestrian Level signage shall be below the second floor window sill of a structure and/or above the store front windows or on the sides of the building perpendicular to the street. The total pedestrian level signage per business per façade shall be the lesser of fifty (50) sq. ft. on ten percent (10%) of the ground floor façade area.

Canvas awnings with signs are permitted, provided they are compatible with the overall design and architectural details of the building upon which they are to be placed and are placed neatly within the window or door opening. Signage on awnings may be located on the sloping portion of the canvas awning, on the front of a canopy, or on the awning valance. In no case shall signage be allowed on both an awning and a building for the same business. Logos and graphic elements may be up to ten (10) sq. ft. in size (depending on the size of the awning), while names or brand copy shall be in proportion to the size of the awning, but in no case shall lettering be more than twelve (12) inches high.

11. BUILDING, CONDITIONAL USE AND SIGN PERMITS

No building, conditional use, or sign permits shall be issued by the City without the prior written approval of the LCRA.

12. PUBLIC IMPROVEMENTS

No additional schools, parks, recreational and community facilities or other public facilities will be required. Additional water, sewage or other public utilities may be required depending on development. The cost of such utility improvements will be borne by the Redeveloper.

If funds are available to the LCRA, it may provide public improvements including, but not limited to, measures for the control of traffic, improvements to street lighting, street trees, and any other improvements which may further the objectives of this Plan.

When developed in accordance with this Plan, the Area will comprise a coordinated, adjusted and harmonious development that promotes the health, safety, morals, order, convenience, prosperity, the general welfare, efficiency and economy of the City.

C. PROPOSED SCHEDULE OF DEVELOPMENT

The implementation of this Plan shall take place in a single phase initiated within approximately one (1) year of approval of this Plan by ordinance and completed within approximately two (2) years of approval of this Plan by ordinance.

The LCRA may alter the above schedule as economic conditions warrant.

D. EXECUTION OF PROJECT

1. ADMINISTRATION AND FINANCING

The LCRA is empowered by Missouri law to administer development of all types pursuant to this Plan and can do so to the extent and in the manner prescribed by the Land Clearance for Redevelopment Authority Law of Missouri.

All costs associated with the development of the Area will be borne by the Redeveloper.

Implementation of this Plan may be financed by funds obtained from private and/or public sources, including, without limitation, revenue bonds, bank loans, and equity funds provided by the Redeveloper.

2. PROPERTY ACQUISITION

The Property Acquisition Map, Exhibit "D" attached, identifies all the property located in the Area. **The LCRA may not acquire any property in the Area by the exercise of eminent domain.**

3. PROPERTY DISPOSITION

If the LCRA acquires property in the Area, it may sell or lease the property to a Redeveloper who shall agree to develop such property in accordance with this Plan and the contract between such Redeveloper and the LCRA. Any property acquired by the LCRA and sold to a Redeveloper will be sold at not less than its fair value, taking into account and giving consideration to those factors enumerated in Section 99.450, R.S.Mo. (2000) as amended, for uses in accordance with this Plan.

4. RELOCATION ASSISTANCE

The property within the Area is currently **occupied**. All eligible occupants displaced as a result of the implementation of the Plan shall be given relocation assistance in accordance with all applicable federal, state and local laws, ordinances, regulations and policies.

E. COOPERATION OF THE CITY

The City and its Board of Aldermen, by enacting an ordinance approving this Plan, pledges its cooperation to enable the project to be carried out in a timely manner and in accordance with this Plan.

F. TAX ABATEMENT

A redeveloper may seek ten (10) year real estate tax abatement pursuant to Sections 99.700 - 99.715, Revised Statutes of Missouri, 2000, as amended, upon application as provided therein. Such real estate tax abatement shall not include any Special Business District, Neighborhood Improvement District, Commercial Improvement District, or any other similar

local taxing district created in accordance with Missouri law, whether now existing or later created.

In lieu of the ten (10) year abatement outlined above, a Redeveloper which is an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes shall hereby be entitled to real property ad valorem tax abatement which shall not include any Special Business District, Neighborhood Improvement District, Commercial Improvement District, or any other single local taxing district created in accordance with Missouri law, whether now existing or later created, for a total period of up to ten (10) years from the commencement of such tax abatement, in accordance with the following provisions:

If property in the Area is sold by the LCRA to an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes, or if any such corporation shall own property within the Area, then for the first ten (10) years after the date the redevelopment corporation shall acquire title to such property, taxes on such property shall be based upon the assessment of land, exclusive of any improvements thereon, during the calendar year preceding the calendar year during which such corporation shall have acquired title to such property. In addition to such taxes, any such corporation shall for the same ten (10) year period make a payment in lieu of taxes to the Collector of Revenue of the City of St. Louis in an amount based upon the assessment on the improvements located on the property during the calendar year preceding the calendar year during which such corporation shall have acquired title to such property. If property shall be tax exempt because it is owned by the LCRA and leased to any such corporation, then such corporation for the first ten (10) years of such lease shall make payments in lieu of taxes to the Collector of Revenue of the City in an amount based upon the assessment on the property, including land and improvements, during the calendar year preceding the calendar year during which such corporation shall lease such property.

All payments in lieu of taxes shall be a lien upon the property and, when paid to the Collector of Revenue of the City shall be distributed as all other property taxes. These partial tax relief and payment in lieu of taxes provisions, during up to said ten (10) year period, shall inure to the benefit of all successors in interest in the property of the redevelopment corporation, so long as such successors shall continue to use such property as provided in this Plan and in any contract with the LCRA. In no event shall such benefits extend beyond ten (10) years after the redevelopment corporation shall have acquired title to the property.

G. COMPLIANCE WITH AFFIRMATIVE ACTION AND NONDISCRIMINATION LAWS AND REGULATIONS

1. LAND USE

The Redeveloper shall not discriminate on the basis of race, color, creed, national origin, marital status, sex, age, sexual orientation or physical handicap in the lease, sale or occupancy of the Area.

2. CONSTRUCTION AND OPERATIONS

A Redeveloper shall not discriminate on the basis of race, color, creed, national origin, marital status, sex, age, sexual orientation or physical handicap in the construction and operation of any project in the Area and shall take such affirmative action as may be appropriate to afford opportunities to everyone in all activities of the project, including enforcement, contracting, operating and purchasing.

3. LAWS AND REGULATIONS
