The Developer shall provide to the City (a) itemized invoices, receipts or other information evidencing such costs; and (b) a Certificate of Reimbursable Development Project Costs constituting certification by the Developer that such cost is eligible for reimbursement under the MODESA Act. Within thirty (30) days of the City's receipt from the Developer of a Certificate of Reimbursable Development Project Costs, the City shall review and act upon such Certificate of Reimbursable Development Project Costs. The parties agree that each of the categories of costs set forth in **Exhibit B**, attached hereto and incorporated herein by this reference, shall constitute Reimbursable Local Development Project Costs which are eligible for reimbursement in accordance with the MODESA Act and this Agreement with respect to the Park Pacific Component. The Developer shall be entitled to reimbursement for Reimbursable Local Development Project Costs from any of the categories set forth in **Exhibit B** up to the maximum aggregate amount established in **Section 4.1** of this Agreement; provided, that the Developer shall be obligated to advance to the City the full amounts identified in **Section 2.2, clauses (i)-(v)**, of this Agreement. If the City determines that any cost identified as a Reimbursable Local Development Project Cost or a Reimbursable State Development Project Cost is not a "development project cost" under Section 99.918(11) of the MODESA Act, the City shall so notify the Developer in writing within the thirty (30) day period referenced in this **Section 4.2**, identifying the ineligible cost and the basis for determining the cost to be ineligible, whereupon the Developer shall have the right to identify and substitute other costs as Reimbursable Local Development Project Costs or Reimbursable State Development Project Costs (as the case may be) with a supplemental application for payment and the thirty (30) day period shall begin anew. If the City fails to approve or disapprove any Certificate of Reimbursable Development Project Costs within thirty (30) days after receipt thereof, the Certificate of Reimbursable Development Project Costs shall be deemed approved.

4.3 Cost Savings and Excess Profits. Within one hundred eighty (180) days after the submission of the Certificate of Substantial Completion for the Park Pacific Component by Developer in accordance with **Section 3.8** of this Agreement,

Developer also shall furnish to the City for the City's review and approval, (a) a statement of Verified Total Project Costs, with evidence of billings and payments for each expenditure, including itemized invoices, receipts, and pay applications or other evidence of payment as appropriate for the type of cost; and (b) a statement of each and every post completion funding source for the Park Pacific Component, which shall include sources actually received by the Park Pacific Component (not including the Parks Notes) as of the date of the statement and the net present value of any future Park Pacific Component source, including (i) documentation from accountants, tax credit authorities and tax credit purchasers evidencing the total amount of tax credits approved for the Park Pacific Component and the net present value of proceeds available to the Developer from the sale of such tax credits; (ii) Zero Dollars (\$0.00) (the amount of Developer equity in the Park Pacific Component as identified in the Development Plan); (iii) statements from each and every Project Lender as to the amount of amortizing debt financing secured by the Park Pacific Component that will be available to the Park Pacific Component upon commencement of operations; and (iv) a statement of all net sales proceeds derived from the sale of any portion of the Park Pacific Component, which net sales proceeds shall be documented by copies of the seller's closing statements for such sales.

If less than 100% of the condominiums have been sold at the time the statements required by this **Section 4.3** are submitted, the condominium units not sold shall be valued for purposes of the statements at the listing prices for such units, less the amount of the average sales commission on the units which have been sold.

Further provided, however, if the Park Pacific Component includes a rental component, the statements required by this **Section 4.3** shall not be submitted until any construction debt on such component has been converted to permanent or semi-permanent mortgage debt.

The Developer shall document the anticipated date of receipt of any post completion funding source which has not been received by the Park Pacific Component as of the date of the statements required by this **Section 4.3** and the present value of such source shall be determined using a 7% present value rate for the period of time between the date of the submission of the statements and the date of anticipated receipt of such source; but anticipated sales proceeds of condominiums not sold as of the date of such statements shall not be subject to a present value calculation and shall be included in the calculation below as a post completion funding source at the listing price as of the date of the statements less the sales commission described above.

Developer shall not include developer fees or consultant fees for any service typically performed by the developer in the Verified Total Project Costs. With respect to any other costs for any services provided by the Developer or any entity related to Developer, the amount of such costs shall not exceed the amount set forth in the Development Plan for such services. Moreover, if any of the owners, officers, principals or members of the construction contractor for the Park Pacific Component are the same as any owner, officer, principal or member of Developer or general partner in the owner of the development, amounts allowed for aggregate contractor fees shall not exceed eighteen percent (18%) of construction costs as provided for in the Missouri Housing Development Commission's 2005 Qualified Allocation Plan for the Low Income Housing Tax Credit Program, and Developer shall include documentation, including detailed invoices and receipts for payment, for each and every item of costs traceable to third parties with no relationship to Developer, in addition to summary pay applications submitted to Developer by the construction contractor.

To the extent that the sum of post completion funding sources exceeds the sum of (x) Verified Total Project Costs, (y) four percent (4%) of the Acquisition Costs; and (z) fifteen percent (15%) of all Verified Total Project Costs other than Acquisition Costs, Developer hereby agrees that the maximum amount of Reimbursable Local Development Project Costs for which the Developer shall be reimbursed by the City as provided for in **Section 4.1** of this Agreement and the maximum amount of any Park Pacific Notes which shall be issued by the City in accordance with **Section 5.2** of this Agreement shall be reduced by an amount in the aggregate equal to seventy-five percent (75%) of the total amount of such excess, as calculated by the City in accordance herewith. Developer agrees that the City may discharge any Park Pacific Note already issued at the time of such calculation in an amount equal to seventy-five percent (75%) of the total excess.

4.4 City's Obligations Limited to Special Allocation Fund and Bond Proceeds. Notwithstanding any other term or provision of this Agreement, Notes issued by the City to the Developer are payable only from the Special Allocation Fund and from Bond Proceeds, if any, and from no other source. The City has not pledged its full faith and credit relative to the City's obligation to issue the Obligations or to pay any Reimbursable Local Development Project Costs or Reimbursable State Development Project Costs. The Obligations shall be special, limited obligations of the City, and shall not constitute debt to the City within any constitutional or statutory meaning of the word "debt."

5.2.3 Special Mandatory Redemption of Notes. All Notes are subject to special mandatory redemption by the City, in whole at any time or in part on each May 1 and November 1 (each, a "Payment Date") occurring after the acceptance by the City of the Certificate of Substantial Completion at a redemption price equal to 100% of the principal amount being redeemed, together with the accrued interest thereon to the date fixed for redemption.

5.3 Issuance of Bonds.

5.3.1 The City may, in its sole and absolute discretion, issue, or cause to be issued, Bonds at any time in an amount sufficient to refund all or a portion of the outstanding Notes. The City may, in its sole and absolute discretion issue Bonds in lieu of issuing Notes as set forth in Sections 5.1 and 5.2, provided that the net proceeds from the sale of such Bonds shall not be less than the Reimbursable Local Development Project Costs (and CID Costs, as the case may be) or Reimbursable State Development Project Costs for which they are issued to provide reimbursement; provided, that if the criteria set forth in Subsection 5.3.2.1 below regarding the issuance of Bonds have not been satisfied, the City shall be obligated to issue Notes.

5.3.2 Upon receipt of a written request by Developer and upon the City's underwriter's recommendation in favor of issuing Bonds and recommendation of the principal amount thereof based on the criteria set forth below, the City shall use its best efforts to cause the Authority to issue Bonds as described in this Section. The aggregate gross cash proceeds from the sale of the Bonds before payment of Issuance Costs, together with any interest accrued thereon ("Bond Proceeds") of such Bonds will be finally determined by the City after receiving the underwriter's recommendation based on the criteria set forth below. The City shall not be obligated to cause the Authority to issue such Bonds unless the underwriter determines that all of the following criteria are satisfied as of the date of issuance of such Bonds, unless such criteria are waived by the City's underwriter. Developer shall not have any liability for any costs associated with the

issuance of Bonds but shall bear its own costs and expenses, including any attorneys' fees and expenses, that Developer may incur in complying with this Section. Notwithstanding anything in this Section to the contrary, Developer shall be liable for all costs incurred by the City or the Authority in the event the Developer has requested the issuance of Bonds and the City's underwriter has determined that such Bonds cannot be issued at such time.

5.3.2.1 Criteria for Issuance. The underwriter's recommendation for issuance of Bonds with respect to the Park Pacific Component and the principal amount thereof shall be based on the following criteria:

- (i) Acceptance by the City of the Certificate of Substantial Completion for the Park Pacific Component;
- (ii) Review of projections of Available Revenues available for debt service as proposed by an independent qualified consultant. Such projections must show that (A) if all Available Revenues were to be applied to the immediate repayment of the Bonds, the Bonds would reasonably be anticipated to be retired within twenty-five (25) years from the effective date of the DESA Ordinance, and (B) based on a maturity date twenty-five (25) years from the effective date of the DESA Ordinance, the Bonds are reasonably likely to achieve debt service coverage ratio reasonably acceptable to the City's underwriter;
- (iii) Developer's documentation of stabilization of the Redevelopment Project for a minimum of two (2) years as evidenced in a report to the City prepared by a qualified independent consultant to be paid for by the City, which report also sets forth TIF (and CID, if applicable) revenue projections for the Redevelopment Project in connection with the issuance of the TIF Bonds;
- (iv) The aggregate net projected debt service on the Bonds (taking into account the principal portion of the Bonds that are issued to establish a reserve fund and to pay Issuance Costs, and including any reserve fund earnings) will be lower than the net average annual debt service on the outstanding Park Pacific Notes (if any), unless the Developer voluntarily elects to defer or forgive principal of and/or interest on the Park Pacific Notes in an amount necessary to make the aggregate net projected debt service on the Bonds lower than the net average annual debt service on the outstanding Park Pacific Notes; and
- (v) The Bonds can be sold at an aggregate net interest cost which is less than the aggregate net interest cost of the Park Pacific Notes to be redeemed (if any).

5.3.2.2 Criteria for Issuance. The underwriter's recommendation for issuance of Bonds with respect to the Parks Subcomponent and the principal amount thereof shall be based on the following criteria:

- (i) Review of projections of Park Pacific New State Revenues available for debt service as proposed by an independent qualified consultant. Such projections must show that (A) if all Park Pacific New State Revenues were to be applied to the immediate repayment of the Bonds, the Bonds would reasonably be anticipated to be retired within twenty-five (25) years from the effective date of the DESA Ordinance, and (B) based on a maturity date twenty-five (25) years from the effective date of the DESA Ordinance, the Bonds are reasonably likely to achieve debt service coverage ratio reasonably acceptable to the City's underwriter;
- (ii) The aggregate net projected debt service on the Bonds (taking into account the principal portion of the Bonds that are issued to establish a reserve fund and to pay Issuance Costs, and including any reserve fund earnings) will be lower than the net average annual debt service on the outstanding Parks Notes (if any), unless the Developer voluntarily elects to defer or forgive principal of and/or interest on the Parks Notes in an amount necessary to make the aggregate net projected debt service on the Bonds lower than the net average annual debt service on the outstanding Parks Notes; and
- (iii) The Bonds can be sold at an aggregate net interest cost which is less than the aggregate net interest cost of the Parks Notes to be redeemed (if any).

5.4 Application of Bond Proceeds. Proceeds of any Bonds shall be applied:

- 5.4.1 To the payment of costs relating to the issuance of the Bonds;
- 5.4.2 To the payment of outstanding principal of and interest on the Notes to be refunded (if any);
- 5.4.3 To the payment of capitalized interest on the Bonds; and
- 5.4.4 To the establishment of a debt service reserve fund for the Bonds in a reasonable amount of the

principal amount of Bonds to be issued, as to be determined by the City's underwriter.

5.5 Cooperation in the Issuance of Obligations. Developer covenants to cooperate and take all reasonable actions necessary to assist the City and its Bond Counsel, the Authority, underwriters and financial advisors in the preparation of offering statements, private placement memorandum or other disclosure documents and all other documents necessary to market and sell the Obligations, including disclosure of tenants of the Park Pacific Property and the non-financial terms of the leases between Developer and such tenants. Developer will not be required to disclose to the general public or any investor any proprietary or confidential information, including financial information, pertaining to Developer, but upon the execution of a confidentiality agreement acceptable to Developer, Developer will provide such information to the City's financial advisors, underwriters and their counsel to enable such parties to satisfy their due diligence obligations. Developer shall make such compliance obligation a covenant running with the land, enforceable as if any subsequent transferee thereof were originally a party to and bound by this Agreement.

5.6 Subordinate Notes. If the amount of Bonds issued pursuant to this Agreement is insufficient to refund all of the outstanding Notes or for a Component or subcomponent to reimburse the Developer for its reimbursable costs for such Component or subcomponent, the Notes remaining outstanding shall be redeemed by the issuance of notes subordinate to the Bonds issued for such Component or subcomponent (the "Subordinate Notes"). Each Subordinate Note shall have the same maturity and have the same outstanding principal amount and the same interest rate as the Note it redeems. All such Subordinate Notes shall be payable as to principal and interest according to the terms set forth in Sections 5.4 and 6.3 of this Agreement.

5.7 City to Select Underwriter and Financial Advisor; Term and Interest Rate. The City shall have the right to select the designated underwriter (and such financial advisors and consultants as the underwriter and the City deem necessary for the issuance of the Bonds) and underwriter's counsel. The final maturity of the Bonds shall not exceed the maximum term permissible under the MODESA Act. The Bonds shall bear interest at such rates, shall be subject to redemption and shall have such terms as the City shall determine in its sole discretion.

ARTICLE VI. SPECIAL ALLOCATION FUND; COLLECTION AND USE OF REVENUES

6.1 Creation of Special Allocation Fund. The City agrees to cause its Comptroller or other financial officer to maintain the Special Allocation Fund, including a "PILOTs Account," an "EATs Account," a "Net New Revenues Account" and such further accounts or sub-accounts as are required by this Agreement or as the Comptroller may deem appropriate in connection with the administration of the Special Allocation Fund pursuant to this Agreement. Subject to the requirements of the MODESA Act and, with respect to Economic Activity Taxes, subject to annual appropriation by the Board of Aldermen, the City will promptly upon receipt thereof deposit:

- (i) all Park Pacific Revenues consisting of Payments in Lieu of Taxes into the Park Pacific Sub-PILOTs Account of the PILOTs Account;
- (ii) all Park Pacific Revenues consisting of Economic Activity Taxes into the Park Pacific Sub-EATs Account of the EATs Account;
- (iii) all Park Pacific New State Revenues into the Parks Account of the Net New Revenues Account;
- (iv) all Streetscape New State Revenues into the Streetscape Account of the Net New Revenues Account;
- (v) all CID Revenues pledged to the City into the Park Pacific CID Revenues Account of the Miscellaneous Account;
- (vi) all Pyramid Revenues consisting of Economic Activity Taxes into the EATs Account (as may be further specified in any one or more agreements relating to any Pyramid Component between the City and the developer thereunder); and
- (vii) all Pyramid Revenues consisting of Payments in Lieu of Taxes into the PILOTs Account (as may be further specified in any one or more agreements relating to any Pyramid Component between the City and the developer thereunder).

6.2 Certification of Base for PILOTs and EATs.

6.2.1 Upon the reasonable written request of the City, Developer shall use its best efforts to provide or cause to be provided to the Comptroller or its authorized representative any documents necessary for the City to calculate the base for PILOTs and EATs including, but not limited to: (i) the address and locator number of all parcels of real property located within the Development Area; and (ii) information related to payment of utility taxes by any businesses, owners or other occupants of the Development Area in the calendar year ending December 31, 2005.

6.2.2 Within ninety (90) days after execution of the Development Agreement, the City shall provide to the Developer (i) a certificate of the City Assessor's calculation of the total initial equalized assessed valuation of the taxable real property within the Development Area and (in order to determine the amount of PILOTs and EATs attributable to the

Park Pacific Component) the Park Pacific Property based upon the most recently ascertained equalized assessed valuation of each taxable lot, block, tract, or parcel of real property within the Development Area; and (ii) a certification of the amount of revenue from taxes, penalties and interest which are imposed by the City and other taxing districts and which are generated by economic activities within the Development Area (in order to determine the amount of PILOTs and EATs attributable to the Park Pacific Component) and the Park Pacific Property for the calendar year ending December 31, 2005, but excluding those personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to Section 70.500 of the Revised Statutes of Missouri, taxes levied for the purpose of public transportation, or licenses, fees or special assessments identified as excluded in Section 99.957 of the MODESA Act.

6.3 Application of Available Revenues.

The City hereby agrees for the term of this Agreement to apply the Available Revenues and any taxes, fees or assessments subsequently enacted and imposed in substitution therefor and allocable to the Special Allocation Fund under the MODESA Act or this Agreement and to apply Dedicated Available Revenues and New State Revenues to the repayment of Notes as provided in this Agreement.

Upon the payment in full of the principal of and interest on all Notes, payment in full of the fees and expenses of the Comptroller and the SLDC, and payment in full of any other amounts required to be paid under any Trust Indenture, all amounts remaining on deposit in the Revenue Fund shall be declared as surplus and distributed in the manner provided in the Act.

If monies available in Special Allocation Fund are insufficient to reimburse the City or the Developer as provided above on any Payment Date, then the unpaid portion shall be carried forward to the next Payment Date, with interest thereon.

The City agrees that it will comply with the Charter of The City of St. Louis, Article XVI, Section 3 for each fiscal year that Obligations are outstanding and the City will request an appropriation of all Available Revenues on deposit in the Special Allocation Fund for application to the payment of the principal of (including, but not limited to, payment of a premium, if any) and interest on the Obligations.

6.4 Cooperation in Determining Revenues. The City and the Developer agree to cooperate and take all reasonable actions necessary to cause the Park Pacific Revenues, the JA Revenues, the Mercantile Revenues, the Dillard's Revenues, the Arcade Revenues, the Park Pacific Revenues and all New State Revenues to be paid into the Special Allocation Fund, including, but not limited to, the City's enforcement and collection of all such payments through all reasonable and ordinary legal means of enforcement.

The Developer (or its successor(s) in interest as an owner or owner(s) of the affected portion(s) of the Property) shall use all reasonable efforts to require each "seller" (as that term is defined in Section 144.010(11) of the Missouri Revised Statutes, as amended) located in, or owner of any portion of, the Property to provide to the Comptroller of the City the following information:

6.4.1 Each "seller's" federal and state tax identification numbers and sales tax identification numbers.

6.4.2 Within thirty (30) days of the end of each calendar quarter, copies of a completed Tax Increment Financing District Quarterly Information Form, in the form attached hereto as Exhibit K, for each "seller's" business located within the Development Area along with:

(i) copies of all sales tax returns filed with the Missouri Department of Revenue (on Form 53-S.F. Missouri Department of Revenue or such successor form) with respect to the sales taxes originating from businesses located within the Development Area for such quarter. In the event that a "seller" has multiple business operations within the City, such "seller" shall file separate sales tax returns for the sales taxes originating from the business located within the Development Area.

(ii) copies of all earnings tax returns filed with the City (on Business Return Form 234 or such successor form) with respect to earnings taxes originating from the business located within the Development Area for such quarter. In the event that a business has multiple operations within the City, such business shall file separate earnings tax returns for the earnings taxes originating from the business located within the Development Area.

(iii) copies of all earnings tax withholding reports filed with the City (on Form W-10 or such successor form) with respect to earnings tax withholdings originating from the business located within the Development Area for such quarter. In the event that a business has multiple operations within the City, such business shall file separate earnings tax withholding reports for the earnings tax withholdings originating from the business located within the Development Area.

(iv) copies of all parking tax returns and restaurant tax returns filed with the City.

6.5 Obligation to Report Revenues. The Developer shall cause any purchaser or transferee of real property located within the Park Pacific Property, and any lessee or other user of real property located within the Park Pacific Property required to pay Park Pacific Revenues, to report such revenues and shall use all reasonable efforts to timely fulfill such obligations as are required

by **Section 6.4** of this Agreement. So long as any of the Obligations are outstanding, the Developer shall cause such obligations to be covenants running with the land, which covenants shall be enforceable as if such purchaser, transferee, lessee or other user of such real property were originally a party to and bound by this Agreement.

6.6 Notice to City of Transfer. The Developer agrees to notify the City in writing of any sale, transfer or other disposition of the Park Pacific Property or any interest therein as permitted by **Section 7.3.2** of this Agreement at least fifteen (15) days prior to such sale, transfer or other disposition. Said notice shall specify the name and address of the person so acquiring any or all of the Park Pacific Property or any interest therein and shall identify the Park Pacific Property to be sold, transferred or otherwise disposed, whether by voluntary transfer or otherwise. Notwithstanding the foregoing, Developer shall not be required to notify the City of the lease or transfer of a residential unit, commercial unit or parking space in the ordinary course of business.

ARTICLE VII. GENERAL PROVISIONS

7.1 Developer's Right of Termination. At any time prior to the delivery of a Certificate of Substantial Completion, the Developer may, by giving written notice to the City, abandon the Park Pacific Component or the Parks Subcomponent and terminate this Agreement and the Developer's obligations hereunder if the Developer determines, in its sole discretion, that the Park Pacific Component or the Parks Subcomponent is no longer economically feasible. Upon such termination, the City shall have no obligation to reimburse the Developer for any amounts advanced under this Agreement or costs otherwise incurred or paid by Developer.

7.2 City's Right of Termination. The City may terminate this Agreement if (i) the Developer fails to submit to the MBE/WBE Compliance Officer a copy of Developer's MBE/WBE Subcontractor's List and its MBE/WBE Utilization Statement within three hundred sixty (360) days of the date of this Agreement; provided, however, that termination under this Section 7.2(i) may be waived in the sole discretion of the MBE/WBE Compliance Officer; or (ii) the Developer fails to submit its Certificate of Substantial Completion, acceptable to the City, in accordance with **Section 3.8** of this Agreement and the schedule set forth in **Section 3.4** of this Agreement. Upon such termination, the City shall have no obligation to issue a Note or to reimburse the Developer for any amounts advanced under this Agreement or costs otherwise incurred or paid by Developer.

7.3 Successors and Assigns.

7.3.1 Binding Effect. This Agreement shall be binding on and shall inure to the benefit of the parties named herein and their respective heirs, administrators, executors, personal representatives, successors and assigns.

7.3.2 Assignment or Sale. Without limiting the generality of the foregoing, all or any part of the Park Pacific Property or any interest therein may be sold, transferred, encumbered, leased, or otherwise disposed of at any time, and the rights of the Developer named herein or any successors in interest under this Agreement or any part hereof may be assigned at any time before, during or after redevelopment of the Park Pacific Component, whereupon the party disposing of its interest in the Park Pacific Property or assigning its interest under this Agreement shall be thereafter released from further obligation under this Agreement (although any such Park Pacific Property so disposed of or to which such interest pertains shall remain subject to the terms and conditions of this Agreement), provided, however, that until substantial completion of the Park Pacific Component, the fee title to the Park Pacific Property shall not be sold, transferred or otherwise disposed of and the rights, duties and obligations of the Developer under this Agreement shall not be assigned in whole or in part without the prior written approval of the City, which approval shall not be unreasonably withheld or delayed upon a reasonable demonstration by the Developer of the proposed transferee's or assignee's experience and financial capability to undertake and complete such portions of the Work and perform the Developer's obligations under this Agreement, all in accordance with this Agreement. Notwithstanding anything herein to the contrary, the City hereby approves, and no prior consent shall be required in connection with: (a) the right of the Developer to encumber or collateralize its interest in the Park Pacific Property or any portion thereof or its rights, duties and obligations under this Agreement to secure loans, advances or extensions of credit to finance or from time to time refinance all or any part of the cost of the Development Project with respect to the Park Pacific Component, or the right of the holder of any such encumbrance or transferee of any such collateral assignment (or trustee or agent on its behalf) to transfer such interest by foreclosure or transfer in lieu of foreclosure under such encumbrance or collateral assignment; (b) the right of Developer to transfer the Park Pacific Property or to assign the Developer's rights, duties and obligations under this Agreement to any Related Entity; (c) the right of the Developer to sell, lease or transfer a residential unit, commercial unit or parking space in the ordinary course of business; and (d) the right of Developer to convey the right to receive the Parks Notes; provided that in each such event (i) the Developer named herein shall remain liable hereunder for the substantial completion of the Park Pacific Component, subject, however, to Developer's right of termination pursuant to **Section 7.1** of this Agreement, and shall be released from such liability hereunder only upon substantial completion of the Park Pacific Component and (ii) the Developer provides to the City fifteen (15) days' advance written notice of the proposed assignment or transfer other than of the sale or lease of a residential unit, commercial unit or parking space in the ordinary course of business, which shall require no notice.

7.3.3 Assignment or Sale to Exempt Organization. Prior to any sale, transfer or other disposition of all or any portion of the Park Pacific Property or any interest therein to an organization exempt from payment of ad valorem property taxes, such organization shall be required to agree not to apply for an exemption from payment of such property taxes for a period ending on the earlier of the date that all Obligations are paid in full or twenty-five (25) years from the effective date of the DESA Ordinance. The Developer shall make this requirement a covenant running with the land,

enforceable for such period as if such purchaser or other transferee or possessor thereof were originally a party to and bound by this Agreement.

7.4 Remedies. Except as otherwise provided in this Agreement and subject to the Developer's and the City's respective rights of termination, in the event of any default in or breach of any term or conditions of this Agreement by either party, or any successor, the defaulting or breaching party (or successor) shall, upon written notice from the other party specifying such default or breach, proceed immediately to cure or remedy such default or breach, and shall, in any event, within thirty (30) days after receipt of notice, cure or remedy such default or breach. In the event that the defaulting or breaching party (or successor) diligently and in good faith commences to cure or remedy such default or breach but is unable to cure or remedy such default or breach within thirty (30) days after receipt of notice, the defaulting or breaching party (or successor) shall, prior to the end of such thirty (30) days, provide notice to the other party that it has in good faith commenced to cure or remedy such default or breach, whereupon the defaulting or breaching party (or successor) shall have an additional thirty (30) days to cure or remedy such default or breach. In case such cure or remedy is not taken or not diligently pursued, or the default or breach shall not be cured or remedied prior to the end of the additional thirty (30) day period, the aggrieved party may institute such proceedings as may be necessary or desirable in its opinion to cure and remedy such default or breach, including without limitation proceedings to compel specific performance by the defaulting or breaching party.

7.5 Force Majeure. Neither the City nor the Developer nor any successor in interest shall be considered in breach or default of their respective obligations under this Agreement, and times for performance of obligations hereunder shall be extended in the event of any delay caused by force majeure (except as expressly limited in **Section 3.4**), including without limitation damage or destruction by fire or casualty; strike; lockout; civil disorder; war; restrictive government regulations; lack of issuance of any permits and/or legal authorization by the governmental entity necessary for the Developer to proceed with construction of the Work or any portion thereof; shortage or delay in shipment of material or fuel; acts of God; unusually adverse weather or wet soil conditions; or other like causes beyond the parties' reasonable control, including without limitation any litigation, court order or judgment resulting from any litigation affecting the validity of the Development Plan, Development Project, the Obligations or this Agreement; provided that (i) such event of force majeure shall not be deemed to exist as to any matter initiated or sustained by the Developer in bad faith, and (ii) the Developer notifies the City in writing within thirty (30) days of the commencement of such claimed event of force majeure.

7.6 Notices. All notices, demands, consents, approvals, certificates and other communications required by this Agreement to be given by either party hereunder shall be in writing and shall be hand delivered or sent by United States first class mail, postage prepaid, addressed to the appropriate party at its address set forth below, or at such other address as such party shall have last designated by notice to the other. Notices, demands, consents, approvals, certificates and other communications shall be deemed given when delivered or three days after mailing; provided, however, that if any such notice or other communication shall also be sent by telecopy or fax machine, such notice shall be deemed given at the time and on the date of machine transmittal if the sending party receives a written send verification on its machines and forwards a copy thereof with its mailed or courier delivered notice or communication.

7.7 Conflict of Interest. No member of the Board of Aldermen, the TIF Commission, the DESA Authority or any branch of the City's government who has any power of review or approval of any of the Developer's undertakings, or of the City's contracting for goods or services for the Development Area, shall participate in any decisions relating thereto which affect that member's personal interests or the interests of any corporation or partnership in which that member is directly or indirectly interested. Any person having such interest shall immediately, upon knowledge of such possible conflict, disclose, in writing, to the Board of Aldermen the nature of such interest and seek a determination by the Board of Aldermen with respect to such interest and, in the meantime, shall not participate in any actions or discussions relating to the activities herein proscribed.

7.8 Damage or Destruction of Park Pacific Component. In the event of total destruction or damage to the Park Pacific Component by fire or other, during construction or thereafter during the term of this Agreement so long as any Notes are outstanding and the Developer or a Related Entity owns the Park Pacific Property, the Developer shall determine and advise the City in writing within one year of such destruction or damage whether to restore, reconstruct and repair any such destruction or damage so that the Park Pacific Component will be completed or rebuilt in accordance with the Development Plan and this Agreement. Should the Developer determine not to restore, reconstruct and repair, all unaccrued liability of the City for any payments of principal or interest on the Notes shall immediately terminate and the Developer shall promptly surrender the Notes to the City for cancellation. In the event of such total destruction or damage during the term of this Agreement and after any Bonds are issued or the issuance of a Note to a purchaser other than the Developer or a Related Entity, the Developer shall, at the City's option after consultation with the Developer, tender to the City that portion of the insurance proceeds, if any, to which Developer is entitled, after satisfaction of any terms or obligations of any deed of trust, promissory note or financing agreement entered into by the Developer for the financing of all or any part of the Park Pacific Component or the Parks Subcomponent, from any fire or casualty insurance policy in an amount equal to the outstanding principal amount of the Bonds or Notes, plus accrued interest thereon to be deposited into the Special Allocation Fund.

7.9 Inspection. The City may conduct such periodic inspections of the Work as may be generally provided in the building code of the City. In addition, the Developer shall allow other authorized representatives of the City reasonable access to the Work site from time to time upon advance notice prior to the completion of the Work for inspection thereof. The Developer shall not unreasonably deny the City and its officers, employees, agents and independent contractors the right to inspect, upon request, all architectural, engineering, demolition, construction and other contracts and documents pertaining to the construction of the Work as the City determines is reasonable and necessary to verify the Developer's compliance with the terms of this Agreement.

7.10 Choice of Law. This Agreement shall be taken and deemed to have been fully executed, made by the parties in, and governed by the laws of State of Missouri for all purposes and intents.

7.11 Entire Agreement; Amendment. The parties agree that this Agreement constitutes the entire agreement between the parties and that no other agreements or representations other than those contained in this Agreement have been made by the

parties. This Agreement shall be amended only in writing and effective when signed by the authorized agents of the parties.

7.12 Counterparts. This Agreement may be executed in multiple counterparts, each of which shall constitute one and the same instrument.

7.13 Severability. In the event any term or provision of this Agreement is held to be unenforceable by a court of competent jurisdiction, the remainder shall continue in full force and effect, to the extent the remainder can be given effect without the invalid provision.

7.14 Representatives Not Personally Liable. No elected or appointed official, agent, employee or representative of the City shall be personally liable to the Developer in the event of any default or breach by any party under this Agreement, or for any amount which may become due to any party or on any obligations under the terms of this Agreement.

7.15 Attorney's Fees. In any dispute arising out of or relating to this Agreement, including any action to enforce this Agreement against a defaulting or breaching party pursuant to **Section 7.4**, the prevailing party shall recover from the non-prevailing party the prevailing party's attorney's fees, in addition to any other damages to which it is entitled.

7.16 Actions Contesting the Validity and Enforceability of the Development Plan. In the event a third party brings an action against the City or the City's officials, agents, attorneys, employees or representatives contesting the validity or legality of the Development Area, the Development Plan, the Obligations, or the ordinance approving this Agreement, Developer may, at its option, join the City in defense of such claim or action. The parties expressly agree that, so long as no conflicts of interest exist between them with regard to the handling of such litigation, the same attorney or attorneys may simultaneously represent the City and the Developer in any such proceeding. The Developer shall be responsible for all reasonable and necessary costs and expenses incurred by the City and by the Developer in connection with the defense of such claim or action, provided that if the City does not approve a settlement or compromise to which the Developer would agree, the Developer shall not be responsible for any costs or expenses incurred thereafter in the defense of such claim or action. All cost of any such defense, whether incurred by the City or the Developer, shall be deemed to be Reimbursable Local Development Project Costs and Reimbursable State Development Project Costs and reimbursable from any amounts in the Special Allocation Fund, subject to **Article IV** of this Agreement.

7.17 Release and Indemnification. The indemnifications and covenants contained in this Section shall survive termination or expiration of this Agreement.

7.17.1 The City and its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable to the Developer for damages or otherwise in the event that all or any part of the MODESA Act, or any ordinance adopted in connection with either the MODESA Act, this Agreement or the Development Plan, is declared invalid or unconstitutional in whole or in part by the final (as to which all rights of appeal have expired or have been exhausted) judgment of any court of competent jurisdiction, and by reason thereof either the City is prevented from performing any of the covenants and agreements herein or the Developer is prevented from enjoying the rights and privileges hereof.

7.17.2 The Developer releases from and covenants and agrees that the City and its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable for, and agrees to indemnify and hold harmless the City, its governing body members, officers, agents, attorneys, employees and independent contractors against any and all claims, demands, liabilities and costs, including reasonable attorneys' fees, costs and expenses, arising from damage or injury, actual or claimed (excluding consequential and punitive damages), to persons or property occurring or allegedly occurring as a result of any negligent or malicious acts or omissions of the Developer, its governing body members, officers, agents, attorneys, employees and independent contractors, in connection with its or their activities conducted pursuant to this Agreement.

7.17.3 The City and its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable for any damage or injury to the persons or property of the Developer or its officers, agents, employees, independent contractors or any other persons who may be about the Park Pacific Property or the Work except for matters arising out of the gross negligence or willful misconduct of the City and its governing body members, officers, agents, attorneys, employees and independent contractors.

7.17.4 All covenants, stipulations, promises, agreements and obligations of the City contained herein shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the City and not of any of its governing body members, officers, agents, attorneys, employees or independent contractors in their individual capacities.

7.17.5 No governing body members, officers, agents, attorneys, employees or independent contractors of the City shall be personally liable to the Developer (i) in the event of a default or breach by any party under this Agreement or (ii) for any amount or any Notes which may become due to any party under the terms of this Agreement.

7.17.6 The Developer releases from and covenants and agrees that the City, its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable for, and agrees to indemnify and hold the City, its governing body members, officers, agents, attorneys, employees and independent contractors, harmless from and against any and all third party suits, interest, claims and cost of reasonable attorneys fees incurred by any of them, resulting from, arising out of, or in any way connected with: (i) the enforcement of this Agreement, the validity of the

A. EXISTING CONDITIONS AND FINDINGS OF BLIGHT**1. DELINEATION OF BOUNDARIES**

The 2839 Accomac St. Area (“the Area”) more fully described in Exhibit “A” attached hereto and incorporated herein by reference, consists of a two-family, three-story residential structure on an area less than one acre in the Fox Park Neighborhood and is located on the north side of Accomac Street, between Oregon Avenue to the east and Nebraska Avenue to the west.

The legal description of the Area is attached and labeled Exhibit “A”. The boundaries of the Area are delineated on Exhibit “B” (“Project Area Plan”).

2. GENERAL CONDITION OF THE AREA

The Area comprises a portion of City Block 1356. The Area is in poor condition. The physical conditions within the Area are shown on Exhibit “B” (Project Area Plan). For the purpose of this Plan, “Fair Condition” means (1) property that is generally structurally sound but suffers from inadequate maintenance and upkeep, or (2) vacant unimproved property that is under-utilized. “Poor Condition” means (1) buildings that are structurally unsound and/or substantially deteriorated, requiring major improvements such as new roofs, windows, systems, etc., in order to be used productively, or (2) property without buildings which is poorly maintained, has crumbling pavement, and/or is used for open storage.

Unemployment figures, computed by the Missouri State Employment Service, indicate a 6.5% unemployment rate for the City as of December, 2006. It is estimated that this rate is prevalent for residents of the neighborhoods surrounding the Area.

There are currently zero jobs within the Area.

3. PRESENT LAND USE OF THE AREA

The Area includes one residential building. The property is unoccupied.

The land use, including the location of public and private uses, streets and other rights-of-way is shown on Exhibit “B”.

4. PRESENT LAND USE AND DENSITY OF SURROUNDING PROPERTIES

The properties surrounding the Area are primarily used for residential properties.

Residential density for the surrounding neighborhoods is approximately 17.36 persons per acre.

5. CURRENT ZONING

The Area is zoned “B” Two-Family Dwelling District pursuant to the Zoning Code of the City, which is incorporated in this Plan by reference.

6. FINDING OF BLIGHT

The property within the Area is unoccupied and in poor condition (as defined in Section A(2) above). The existence of deteriorated property constitutes both an economic liability to the City and presents a hazard to the health and well-being of its citizens. These conditions, therefore, qualify the Area as blighted within the meaning of Section 99.300 et seq. of the Revised Statutes of Missouri, 2000, as amended, (the Land Clearance for Redevelopment Authority Law).

B. PROPOSED DEVELOPMENT AND REGULATIONS**1. DEVELOPMENT OBJECTIVES**

The primary objective of this Plan is to facilitate the development of the Area into productive residential uses.

2. PROPOSED LAND USE OF THE AREA

The proposed land uses for the Area are residential uses permitted in Areas designated “A” Single-Family Dwelling District by the City of St. Louis Zoning Code. Redevelopers authorized by the Land Clearance for Redevelopment Authority of the City of St. Louis (“LCRA”) to develop property in the Area (hereafter referred to as “Redeveloper”) shall be permitted to use said property only for the above proposed uses.

Exhibit "C" (Proposed Land Use) shows the proposed uses for the Area.

3. PROPOSED ZONING

The zoning for the Area can remain "B" Two-Family Dwelling Dwelling. All land coverage and building intensities shall be governed thereby.

4. RELATIONSHIP TO LOCAL OBJECTIVES

The proposed land uses, zoning, public facilities and utility plans are appropriate and consistent with local objectives as defined by the General Plan of the City of St. Louis which includes the "Strategic Land Use Plan" (2005). Any specific proposal to the LCRA for development of the Area or any portion of the Area shall contain, among other things, adequate provisions for traffic, vehicular parking, safety from fire, adequate provisions for light and air, sound design and arrangement and improved employment opportunities.

5. PROPOSED EMPLOYMENT FOR THIS AREA

There are currently zero jobs within the Area. Completion of the project will not create any jobs within the Area.

6. CIRCULATION

The Proposed Land Use Plan (Exhibit "C") indicates the proposed circulation system for the Area. The layouts, levels and grades of all public rights-of-way may remain unchanged.

Rights-of-way changes will be subject to the review and approval of the City Department of Streets, and all vacations of rights-of-way are subject to approval by ordinance.

7. BUILDING AND SITE REGULATIONS

The Area shall be subject to all applicable federal, state and local laws, ordinances, regulations and codes, including but not limited to, the City Building Code, Zoning District Regulations, and stipulations of the Planning and Urban Design Agency ("PDA") of the City. The population densities, land coverage, and building intensities of redevelopment shall be governed by the Zoning Code. No changes in the building codes or ordinances are required.

Each Redeveloper shall develop the Area in accordance with this Plan and the Redevelopment Agreement, and shall maintain all structures, equipment, paved areas, and landscaped areas controlled by the Redeveloper in good and safe order both inside and outside, structurally and otherwise, including necessary and proper painting. Failure to meet these requirements may result in suspension of tax abatement.

8. URBAN DESIGN

a. Urban Design Objectives

The property shall be developed so it is an attractive residential asset to the surrounding neighborhood.

b. Urban Design Regulations

Rehabilitation shall respect the original exterior in terms of design and materials. Window and door shapes and detailing shall be compatible with the original design

New construction shall be compatible in design with the surrounding neighborhood, if any, in terms of scale, materials, set back, profile and site layout.

c. Landscaping

The property shall be well-landscaped. Perimeter street trees of a minimum caliper of 2-1/2 inches and generally 30-35 feet on center, depending upon tree type, utilities, curb cuts, etc., shall be provided along all public or private streets - preferably in tree lawns along the curb. If necessary, sidewalks shall be notched to accommodate the trees.

Ornamental or shade trees should be provided in the front lawns along with evergreen accent shrubs.

Existing, healthy trees shall be retained, if feasible.

d. Fencing

Fencing in the front yards shall be limited to ornamental metal with a black matte finish. Fencing

behind the building line and not facing a street may be chain link with a black matte finish, or a good quality, privacy fence provided it is not wood stockade style. Fencing facing a side street shall be ornamental metal or a good quality board fence up to six (6) feet in height provided landscaping is provided between the fence and the sidewalk.

9. PARKING REGULATIONS

Parking shall be provided in accordance with the applicable zoning and building code requirements of the City, including PDA standards. This will provide adequate vehicular parking for the Area be at least five (5) feet, planted with low lying ground cover or other plant material.

Where feasible, parking shall be limited to the rear of the property alley, and at least one parking space shall be provided for each residential unit. In addition, surface parking shall not exceed beyond the established building line. Surface parking along public streets shall be buffered by a continuous evergreen hedge at least two and one-half (2-1/2) feet high on planting and maintained at three and one-half (3-1/2) feet high at maturity.

10. SIGN REGULATIONS

All new signs shall be limited as set out in the City Code, PDA stipulations, this Plan and contracts between the LCRA and the Redeveloper. All new signs shall be restricted to standard sale/lease signs.

11. BUILDING, CONDITIONAL USE AND SIGN PERMITS

No building, conditional use, or sign permits shall be issued by the City without the prior written approval of the LCRA.

12. PUBLIC IMPROVEMENTS

No additional schools, parks, recreational and community facilities or other public facilities will be required. Additional water, sewage or other public utilities may be required depending on development. The cost of such utility improvements will be borne by the Redeveloper.

If funds are available to the LCRA, it may provide public improvements including, but not limited to, measures for the control of traffic, improvements to street lighting, street trees, and any other improvements which may further the objectives of this Plan.

When developed in accordance with this Plan, the Area will comprise a coordinated, adjusted and harmonious development that promotes the health, safety, morals, order, convenience, prosperity, the general welfare, efficiency and economy of the City.

C. PROPOSED SCHEDULE OF DEVELOPMENT

The implementation of this Plan shall take place in a single phase initiated within approximately one (1) year of approval of this Plan by ordinance and completed within approximately two (2) years of approval of this Plan by ordinance.

The LCRA may alter the above schedule as economic conditions warrant.

D. EXECUTION OF PROJECT

1. ADMINISTRATION AND FINANCING

The LCRA is empowered by Missouri law to administer development of all types pursuant to this Plan and can do so to the extent and in the manner prescribed by the Land Clearance for Redevelopment Authority Law of Missouri.

All costs associated with the development of the Area will be borne by the Redeveloper.

Implementation of this Plan may be financed by funds obtained from private and/or public sources, including, without limitation, revenue bonds, bank loans, and equity funds provided by the Redeveloper.

2. PROPERTY ACQUISITION

The Property Acquisition Map, Exhibit "D" attached, identifies all the property located in the Area. The LCRA may not acquire any property in the Area by the exercise of eminent domain.

3. PROPERTY DISPOSITION

If the LCRA acquires property in the Area, it may sell or lease the property to a Redeveloper who shall agree

to develop such property in accordance with this Plan and the contract between such Redeveloper and the LCRA. Any property acquired by the LCRA and sold to a Redeveloper will be sold at not less than its fair value, taking into account and giving consideration to those factors enumerated in Section 99.450, R.S.Mo. (2000) as amended, for uses in accordance with this Plan.

4. RELOCATION ASSISTANCE

The property within the Area is currently unoccupied. If it should become occupied, all eligible occupants displaced as a result of the implementation of the Plan shall be given relocation assistance in accordance with all applicable federal, state and local laws, ordinances, regulations and policies.

If property in the Area is sold by the LCRA to an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes, or if any such corporation shall own property within the Area, then for the first ten (10) years after the date the redevelopment corporation shall acquire title to such property, taxes on such property shall be based upon the assessment of land, exclusive of any improvements thereon, during the calendar year preceding the calendar year during which such corporation shall have acquired title to such property. A. EXISTING CONDITIONS AND FINDINGS OF BLIGHT

1. DELINEATION OF BOUNDARIES

The 2234 Jules St. Area (“the Area”) more fully described in Exhibit “A” attached hereto and incorporated herein by reference, consists of a two-family structure on an area approximating 0.072 acres in the McKinley Heights Neighborhood. The Area is located on the east side of Jules St., south of Ann Ave., and one-half block north of Shenandoah.

The legal description of the Area is attached and labeled Exhibit "A". The boundaries of the Area are delineated on Exhibit "B" ("Project Area Plan").

2. GENERAL CONDITION OF THE AREA

The Area comprises a portion of City Block 1386. The Area is in poor condition. The physical conditions within the Area are shown on Exhibit “B” (Project Area Plan). For the purpose of this Plan, “Fair Condition” means (1) property that is generally structurally sound but suffers from inadequate maintenance and upkeep, or (2) vacant unimproved property that is under-utilized. “Poor Condition” means (1) buildings that are structurally unsound and/or substantially deteriorated, requiring major improvements such as new roofs, windows, systems, etc., in order to be used productively, or (2) property without buildings which is poorly maintained, has crumbling pavement, and/or is used for open storage.

Unemployment figures, computed by the Missouri State Employment Service, indicate a 6.5% unemployment rate for the City as of December, 2006. It is estimated that this rate is prevalent for residents of the neighborhoods surrounding the Area.

There are currently no jobs within the Area.

3. PRESENT LAND USE OF THE AREA

Existing land uses within the Area include an unoccupied residential building.

The land use, including the location of public and private uses, streets and other rights-of-way is shown on Exhibit "B".

4. PRESENT LAND USE AND DENSITY OF SURROUNDING PROPERTIES

The properties surrounding the Area are primarily used for residential properties.

Residential density for the surrounding neighborhoods is approximately 17.36 persons per acre.

5. CURRENT ZONING

The Area is zoned "B" Two-Family Dwelling District pursuant to the Zoning Code of the City, which is incorporated in this Plan by reference.

6. FINDING OF BLIGHT

The property within the Area is unoccupied and in poor condition (as defined in Section A(2) above). The existence of deteriorated property constitutes both an economic liability to the City of St. Louis and presents a hazard to the health and well-being of its citizens. These conditions, therefore, qualify the Area as blighted within the meaning of Section 99.300 *et seq.* of the Revised Statutes of Missouri 2000, as amended (the Land Clearance for Redevelopment Authority Law).

B. PROPOSED DEVELOPMENT AND REGULATIONS

1. DEVELOPMENT OBJECTIVES

The primary objective of this Plan is to facilitate the development of the Area into productive residential uses.

2. PROPOSED LAND USE OF THE AREA

The proposed land uses for the Area are residential uses permitted in Areas designated "A" Single Family Dwelling District by the City of St. Louis Zoning Code. Redevelopers authorized by the Land Clearance for Redevelopment Authority of the City of St. Louis ("LCRA") to develop property in the Area (hereafter referred to as "Redeveloper") shall be permitted to use said property only for the above proposed uses.

Exhibit "C" (Proposed Land Use) shows the proposed uses for the Area. The 2005 Strategic Land Use Plan designates it as a Neighborhood Preservation Area.

3. PROPOSED ZONING

The zoning for the Area can remain "B" Two-Family Dwelling District." All land coverage and building intensities shall be governed thereby.

4. RELATIONSHIP TO LOCAL OBJECTIVES

The proposed land uses, zoning, public facilities and utility plans are appropriate and consistent with local objectives as defined by the General Plan of the City of St. Louis which includes the "Strategic Land Use Plan" (2005). Any specific proposal to the LCRA for development of the Area or any portion of the Area shall contain, among other things, adequate provisions for traffic, vehicular parking, safety from fire, adequate provisions for light and air, sound design and arrangement and improved employment opportunities.

5. PROPOSED EMPLOYMENT FOR THIS AREA

No new jobs will be created in this Area because the proposed development is residential.

6. CIRCULATION

The Proposed Land Use Plan (Exhibit "C") indicates the proposed circulation system for the Area. The layouts, levels and grades of all public rights-of-way may remain unchanged.

Rights-of-way changes will be subject to the review and approval of the City Department of Streets, and all vacations of rights-of-way are subject to approval by ordinance.

7. BUILDING AND SITE REGULATIONS

The Area shall be subject to all applicable federal, state and local laws, ordinances, regulations and codes, including but not limited to, the City Building Code, Zoning District Regulations, and stipulations of the Planning and Urban Design Agency ("PDA") of the City. The population densities, land coverage, and building intensities of redevelopment shall be governed by the Zoning Code. No changes in the building codes or ordinances are required.

Each Redeveloper shall develop the Area in accordance with this Plan and the Redevelopment Agreement, and shall maintain all structures, equipment, paved areas, and landscaped areas controlled by the Redeveloper in good and safe order both inside and outside, structurally and otherwise, including necessary and proper painting. Failure to meet this requirement may result in suspension of tax abatement.

8. URBAN DESIGNa. **Urban Design Objectives**

The property shall be developed so it is an attractive residential asset to the surrounding neighborhood.

b. **Urban Design Regulations**

Rehabilitation shall respect the original exterior in terms of design and materials. Window and door shapes and detailing shall be compatible with the original design

New construction shall be compatible in design with the surrounding neighborhood, if any, in terms of scale, materials, set back, profile and site layout.

c. **Landscaping**

The property shall be well-landscaped. Perimeter street trees of a minimum caliper of 2-1/2 inches and generally 30-35 feet on center, as determined by the Parks Department of the City depending upon tree type, utilities, curb cuts, etc., shall be provided along all public or private streets - preferably in tree lawns along the curb. Existing, healthy trees and shrubs shall be retained, if feasible.

d. **Fencing**

Fencing in the front yards and facing side street shall be limited to ornamental metal with a black matte finish. Fencing behind the building line and not facing a street may be chain link with a black matter finish, or a good quality, privacy fence provided it is not wood stockade style. Fencing facing a side street may be ornamental metal or a good quality board fence up to six (6) feet in height provided landscaping is provided between the fence and the sidewalk.

9. PARKING REGULATIONS

Parking shall be provided in accordance with the applicable zoning and building code requirements of the City, including PDA standards. This will provide adequate vehicular parking for the Area.

Where feasible, parking shall be limited to the rear of the property alley, and at least one parking space shall be provided for each residential unit. In addition, surface parking shall not exceed beyond the established building line. Surface parking along public streets shall be buffered by a continuous evergreen hedge at least two and one-half (2-1/2) feet high on planting and maintained at three and one-half (3-1/2) feet high at maturity.

10. SIGN REGULATIONS

All new signs shall be limited as set out in the City Code, PDA stipulations, this Plan and contracts between the LCRA and the Redeveloper. All new signs shall be restricted to standard sale/lease signs.

11. BUILDING, CONDITIONAL USE AND SIGN PERMITS

No building, conditional use, or sign permits shall be issued by the City without the prior written approval of the LCRA.

12. PUBLIC IMPROVEMENTS

No additional schools, parks, recreational and community facilities or other public facilities will be required. Additional water, sewage or other public utilities may be required depending on development. The cost of such utility improvements will be borne by the Redeveloper.

If funds are available to the LCRA, it may provide public improvements including, but not limited to, measures for the control of traffic, improvements to street lighting, street trees, and any other improvements which may further the objectives of this Plan.

When developed in accordance with this Plan, the Area will comprise a coordinated, adjusted and harmonious development that promotes the health, safety, morals, order, convenience, prosperity, the general welfare, efficiency and economy of the City.

C. PROPOSED SCHEDULE OF DEVELOPMENT

The implementation of this Plan shall take place in a single phase initiated within approximately one (1) year(s) of approval of this Plan by ordinance and completed within approximately two (2) year(s) of approval of this Plan by ordinance.

The LCRA may alter the above schedule as economic conditions warrant.

D. EXECUTION OF PROJECT

1. ADMINISTRATION AND FINANCING

The LCRA is empowered by Missouri law to administer development of all types pursuant to this Plan and can do so to the extent and in the manner prescribed by the Land Clearance for Redevelopment Authority Law of Missouri.

All costs associated with the development of the Area will be borne by the Redeveloper.

Implementation of this Plan may be financed by funds obtained from private and/or public sources, including, without limitation, revenue bonds, bank loans, and equity funds provided by the Redeveloper.

2. PROPERTY ACQUISITION

The Property Acquisition Map, Exhibit "D" attached, identifies all the property located in the Area. The LCRA may not acquire any property in the Area by the exercise of eminent domain.

3. PROPERTY DISPOSITION

If the LCRA acquires property in the Area, it may sell or lease the property to a Redeveloper who shall agree to develop such property in accordance with this Plan and the contract between such Redeveloper and the LCRA.
