**WHEREAS**, by reason of predominance of defective or inadequate street layout, insanitary or unsafe conditions, deterioration of site improvements, improper subdivision or obsolete platting, there exist conditions which endanger life or property by fire or other causes and constitute an economic or social liability or a menace to the public health, safety, morals or welfare in the present condition and use of the Area, said Area being more fully described in Exhibit "A"; and

**WHEREAS**, such conditions are beyond remedy and control solely by regulatory process in the exercise of the police power and cannot be dealt with effectively by ordinary private enterprise without the aids provided in the Statute; and

**WHEREAS**, there is a need for the LCRA, a public body corporate and politic created under Missouri law, to undertake the development of the above described Area as a land clearance project under said Statute, pursuant to plans by or presented to the LCRA under Section 99.430.1 (4); and

**WHEREAS**, the LCRA has recommended such a plan to the Planning Commission of the City of St. Louis ("Planning Commission") and to this St. Louis Board of Aldermen ("Board"), titled "Blighting Study and Plan for 2238-40 Shenandoah Ave. Area," dated January 22, 2008, consisting of a Title Page, a Table of Contents Page, and fourteen (14) numbered pages, attached hereto and incorporated herein as Exhibit "B" ("Plan"); and

**WHEREAS**, under the provisions of the Statute, and of the federal financial assistance statutes, it is required that this Board take such actions as may be required to approve the Plan; and

**WHEREAS**, it is desirable and in the public interest that a public body, the LCRA, undertake and administer the Plan in the Area; and

**WHEREAS**, the LCRA and the Planning Commission have made and presented to this Board the studies and statements required to be made and submitted by Section 99.430 and this Board has been fully apprised by the LCRA and the Planning Commission of the facts and is fully aware of the conditions in the Area; and

**WHEREAS**, the Plan has been presented and recommended by LCRA and the Planning Commission to this Board for review and approval; and

**WHEREAS**, a general plan has been prepared and is recognized and used as a guide for the general development of the City and the Planning Commission has advised this Board that the Plan conforms to said general plan; and

**WHEREAS**, this Board has duly considered the reports, recommendations and certifications of the LCRA and the Planning Commission; and

**WHEREAS**, the Plan does prescribe land use and street and traffic patterns which may require, among other things, the vacation of public rights-of-way, the establishment of new street and sidewalk patterns or other public actions; and

**WHEREAS**, this Board is cognizant of the conditions which are imposed on the undertaking and carrying out of a redevelopment project, including those relating to prohibitions against discrimination because of race, color, creed, national origin, sex, marital status, age, sexual orientation or physical handicap; and

**WHEREAS**, in accordance with the requirements of Section 99.430 of the Statute, this Board advertised that a public hearing would be held by this Board on the Plan, and said hearing was held at the time and place designated in said advertising and all those who were interested in being heard were given a reasonable opportunity to express their views; and

**WHEREAS**, it is necessary that this Board take appropriate official action respecting the approval of the Plan.

**A. EXISTING CONDITIONS AND FINDINGS OF BLIGHT**

1. DELINEATION OF BOUNDARIES

The 2238-40 Shenandoah Ave. Area (“the Area”) more fully described in Exhibit “A” attached hereto and incorporated herein by reference, consists of a two-family structure on an area approximating 0.08 acres in the McKinley Heights Neighborhood. The Area is located on the south side of Shenandoah Ave. between Missouri Ave. to the East and Indiana Ave. to the West.

The legal description of the Area is attached and labeled Exhibit "A". The boundaries of the Area are delineated on Exhibit "B" ("Project Area Plan").

2. GENERAL CONDITION OF THE AREA

The Area comprises a portion of City Block 1400.01. The Area is in poor condition. The physical conditions within the Area are shown on Exhibit “B” (Project Area Plan). For the purpose of this Plan, “Fair Condition” means (1) property that is generally structurally sound but suffers from inadequate maintenance and upkeep, or (2) vacant unimproved property that is under-utilized. “Poor Condition” means (1) buildings that are structurally unsound and/or substantially deteriorated, requiring major improvements such as new roofs, windows, systems, etc., in order to be used productively, or (2) property without buildings which is poorly maintained, has crumbling pavement, and/or is used for open storage.

Unemployment figures, computed by the Missouri State Employment Service, indicate a 7.4% unemployment rate for the City as of June, 2007. It is estimated that this rate is prevalent for residents of the neighborhoods surrounding the Area.

There are currently no jobs within the Area.

3. PRESENT LAND USE OF THE AREA

Existing land uses within the Area include an unoccupied residential building.

The land use, including the location of public and private uses, streets and other rights-of-way is shown on Exhibit "B".

4. PRESENT LAND USE AND DENSITY OF SURROUNDING PROPERTIES

The properties surrounding the Area are primarily used for residential properties.

Residential density for the surrounding neighborhoods is approximately 17.36 persons per acre.

5. CURRENT ZONING

The Area is zoned "B" Two-Family Dwelling District pursuant to the Zoning Code of the City, which is incorporated in this Plan by reference.

6. FINDING OF BLIGHT

The property within the Area is unoccupied and in poor condition (as defined in Section A(2) above). The existence of deteriorated property constitutes both an economic liability to the City of St. Louis and presents a hazard to the health and well-being of its citizens. These conditions, therefore, qualify the Area as blighted within the meaning of Section 99.300 et seq. of the Revised Statutes of Missouri 2000, as amended (the Land Clearance for Redevelopment Authority Law).

**B. PROPOSED DEVELOPMENT AND REGULATIONS**

1. DEVELOPMENT OBJECTIVES

The primary objective of this Plan is to facilitate the development of the Area into productive residential uses.

2. PROPOSED LAND USE OF THE AREA

The proposed land uses for the Area are residential uses permitted in Areas designated "B" Two-Family Dwelling District by the City of St. Louis Zoning Code. Redevelopers authorized by the Land Clearance for Redevelopment Authority of the City of St. Louis ("LCRA") to develop property in the Area (hereafter referred to as "Redeveloper") shall be permitted to use said property only for the above proposed uses.

Exhibit "C" (Proposed Land Use) shows the proposed uses for the Area. The 2005 Strategic Land Use Plan designates it as a Neighborhood Preservation Area.

3. PROPOSED ZONING

The zoning for the Area can remain "B" Two-Family Dwelling District." All land coverage and building intensities shall be governed thereby.

4. RELATIONSHIP TO LOCAL OBJECTIVES

The proposed land uses, zoning, public facilities and utility plans are appropriate and consistent with local objectives as defined by the General Plan of the City of St. Louis which includes the "Strategic Land Use Plan" (2005). Any specific proposal to the LCRA for development of the Area or any portion of the Area shall contain, among other things, adequate provisions for traffic, vehicular parking, safety from fire, adequate provisions for light and air, sound design and arrangement and improved employment opportunities.

5. PROPOSED EMPLOYMENT FOR THIS AREA

No new jobs will be created in this Area because the proposed development is residential.

6. CIRCULATION

The Proposed Land Use Plan (Exhibit "C") indicates the proposed circulation system for the Area. The layouts, levels and grades of all public rights-of-way may remain unchanged.

Rights-of-way changes will be subject to the review and approval of the City Department of Streets, and all vacations of rights-of-way are subject to approval by ordinance.

7. BUILDING AND SITE REGULATIONS

The Area shall be subject to all applicable federal, state and local laws, ordinances, regulations and codes, including but not limited to, the City Building Code, Zoning District Regulations, and stipulations of the Planning and Urban Design Agency ("PDA") of the City. The population densities, land coverage, and building intensities of redevelopment shall be governed by the Zoning Code. No changes in the building codes or ordinances are required.

Each Redeveloper shall develop the Area in accordance with this Plan and the Redevelopment Agreement, and shall maintain all structures, equipment, paved areas, and landscaped areas controlled by the Redeveloper in good and safe order both inside and outside, structurally and otherwise, including necessary and proper painting. Failure to meet this requirement may result in suspension of tax abatement.

8. URBAN DESIGN

a. **Urban Design Objectives**

The property shall be developed so it is an attractive residential asset to the surrounding neighborhood.

**b. Urban Design Regulations**

Rehabilitation shall respect the original exterior in terms of design and materials. Window and door shapes and detailing shall be compatible with the original design

New construction shall be compatible in design with the surrounding neighborhood, if any, in terms of scale, materials, set back, profile and site layout.

**c. Landscaping**

The property shall be well-landscaped. Perimeter street trees of a minimum caliper of 2-1/2 inches and generally 30-35 feet on center, as determined by the Parks Department of the City depending upon tree type, utilities, curb cuts, etc., shall be provided along all public or private streets - preferably in tree lawns along the curb. Existing, healthy trees and shrubs shall be retained, if feasible.

**d. Fencing**

Fencing in the front yards and facing side street shall be limited to ornamental metal with a black matte finish. Fencing behind the building line and not facing a street may be chain link with a black matter finish, or a good quality, privacy fence provided it is not wood stockade style. Fencing facing a side street may be ornamental metal or a good quality board fence up to six (6) feet in height provided landscaping is provided between the fence and the sidewalk.

9. PARKING REGULATIONS

Parking shall be provided in accordance with the applicable zoning and building code requirements of the City, including PDA standards. This will provide adequate vehicular parking for the Area.

Where feasible, parking shall be limited to the rear of the property alley, and at least one parking space shall be provided for each residential unit. In addition, surface parking shall not exceed beyond the established building line. Surface parking along public streets shall be buffered by a continuous evergreen hedge at least two and one-half (2-1/2) feet high on planting and maintained at three and one-half (3-1/2) feet high at maturity.

10. SIGN REGULATIONS

All new signs shall be limited as set out in the City Code, PDA stipulations, this Plan and contracts between the LCRA and the Redeveloper. All new signs shall be restricted to standard sale/lease signs.

11. BUILDING, CONDITIONAL USE AND SIGN PERMITS

No building, conditional use, or sign permits shall be issued by the City without the prior written approval of the LCRA.

12. PUBLIC IMPROVEMENTS

No additional schools, parks, recreational and community facilities or other public facilities will be required. Additional water, sewage or other public utilities may be required depending on development. The cost of such utility improvements will be borne by the Redeveloper.

If funds are available to the LCRA, it may provide public improvements including, but not limited to, measures for the control of traffic, improvements to street lighting, street trees, and any other improvements which may further the objectives of this Plan.

When developed in accordance with this Plan, the Area will comprise a coordinated, adjusted and harmonious development that promotes the health, safety, morals, order, convenience, prosperity, the general welfare, efficiency and economy of the City.

**C. PROPOSED SCHEDULE OF DEVELOPMENT**

The implementation of this Plan shall take place in a single phase initiated within approximately one (1) year of approval of this Plan by ordinance and completed within approximately two (2) years of approval of this Plan by ordinance.

The LCRA may alter the above schedule as economic conditions warrant.

**D. EXECUTION OF PROJECT**

1. ADMINISTRATION AND FINANCING

The LCRA is empowered by Missouri law to administer development of all types pursuant to this Plan and can do so to the extent and in the manner prescribed by the Land Clearance for Redevelopment Authority Law of Missouri.

All costs associated with the development of the Area will be borne by the Redeveloper.

Implementation of this Plan may be financed by funds obtained from private and/or public sources, including, without limitation, revenue bonds, bank loans, and equity funds provided by the Redeveloper.

2. PROPERTY ACQUISITION

The Property Acquisition Map, Exhibit "D" attached, identifies all the property located in the Area. The LCRA may not acquire any property in the Area by the exercise of eminent domain.

3. PROPERTY DISPOSITION

If the LCRA acquires property in the Area, it may sell or lease the property to a Redeveloper who shall agree to develop such property in accordance with this Plan and the contract between such Redeveloper and the LCRA. Any property acquired by the LCRA and sold to a Redeveloper will be sold at not less than its fair value, taking into account and giving consideration to those factors enumerated in Section 99.450, R.S.Mo. (2000) as amended, for uses in accordance with this Plan.

4. RELOCATION ASSISTANCE

The property within the Area is currently unoccupied. If it should become occupied, all eligible occupants displaced as a result of the implementation of the Plan shall be given relocation assistance in accordance with all applicable federal, state and local laws, ordinances, regulations and policies.

**E. COOPERATION OF THE CITY**

The City and its Board of Aldermen, by enacting an ordinance approving this Plan, pledges its cooperation to enable the project to be carried out in a timely manner and in accordance with this Plan.

**F. TAX ABATEMENT**

A Redeveloper which is an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes shall hereby be entitled to real property ad valorem tax abatement which shall not include taxes collected for any Special Business District, Neighborhood Improvement District, Commercial Improvement District, or any other single local taxing district created in accordance with Missouri law, whether now existing or later created, for a total period of up to five (5) years from the commencement of such tax abatement, in accordance with the following provisions:

If property in the Area is sold by the LCRA to an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes, or if any such corporation shall own property within the Area, then for the first five (5) years after the date the redevelopment corporation shall acquire title to such property, taxes on such property shall be based upon the assessment of land, exclusive of any improvements thereon, during the calendar year preceding the calendar year during which such corporation shall have acquired title to such property. In addition to such taxes, any such corporation shall for the same five (5) year period make a payment in lieu of taxes to the Collector of Revenue of the City of St. Louis in an amount based upon the assessment on the improvements located on the property during the calendar year preceding the calendar year during which such corporation shall have acquired title to such property. If property shall be tax exempt because it is owned by the LCRA and leased to any such corporation, then such corporation for the first five (5) years of such lease shall make payments in lieu of taxes to the Collector of Revenue of the City in an amount based upon the assessment on the property, including land and improvements, during the calendar year preceding the calendar year during which such corporation shall lease such property.

All payments in lieu of taxes shall be a lien upon the property and, when paid to the Collector of Revenue of the City shall be distributed as all other property taxes. These partial tax relief and payment in lieu of taxes provisions, during up to said five (5) year period, shall inure to the benefit of all successors in interest in the property of the redevelopment corporation, so long as such successors shall continue to use such property as provided in this Plan and in any contract with the LCRA. In no event shall such benefits extend beyond five (5) years after the redevelopment corporation shall have acquired title to the property.

**G. COMPLIANCE WITH AFFIRMATIVE ACTION AND NONDISCRIMINATION LAWS AND REGULATIONS**

1. LAND USE

The Redeveloper shall not discriminate on the basis of race, color, creed, national origin, marital status, sex, age, sexual orientation or physical handicap in the lease, sale or occupancy of the Area.

2. CONSTRUCTION AND OPERATIONS

A Redeveloper shall not discriminate on the basis of race, color, creed, national origin, marital status, sex, age, sexual orientation or physical handicap in the construction and operation of any project in the Area and shall take such affirmative action as may be appropriate to afford opportunities to everyone in all activities of the project, including enforcement, contracting, operating and purchasing.

3. LAWS AND REGULATIONS

A Redeveloper shall comply with all applicable federal, state and local laws, ordinances, executive orders and regulations regarding nondiscrimination and affirmative action, including the City Guidelines for Maximum Utilization of Minority Enterprises dated January 1, 1981, as may be amended, and the "Equal Opportunity and Nondiscrimination Guidelines" in Exhibit "E", attached.

4. ENFORCEMENT

The provisions of G (1) and G (3) shall be covenants running with the land, without limitation as to time, and the provisions of G (2) shall be for the duration of this Plan and any extension thereof.

All of the provisions of Section G shall be enforceable against the Redeveloper, its heirs, successors or assigns, by the LCRA, the City, any state having jurisdiction or the United States of America.

**H. MODIFICATIONS OF THIS PLAN**

Any proposed modification which will substantially change this Plan shall be approved by the St. Louis Board of Aldermen in the same manner as this Plan was first approved. **WHEREAS**, by reason of predominance of defective or inadequate street layout, insanitary or unsafe conditions, deterioration of site improvements, improper subdivision or obsolete platting, there exist conditions which endanger life or property by fire or other causes and constitute an economic or social liability or a menace to the public health, safety, morals or welfare in the present condition and use of the Area, said Area being more fully described in Exhibit "A"; and

**WHEREAS**, such conditions are beyond remedy and control solely by regulatory process in the exercise of the police power and cannot be dealt with effectively by ordinary private enterprise without the aids provided in the Statute; and

**WHEREAS**, there is a need for the LCRA, a public body corporate and politic created under Missouri law, to undertake the development of the above described Area as a land clearance project under said Statute, pursuant to plans by or presented to the LCRA under Section 99.430.1 (4); and

**WHEREAS**, the LCRA has recommended such a plan to the Planning Commission of the City of St. Louis ("Planning Commission") and to this St. Louis Board of Aldermen ("Board"), titled "Blighting Study and Plan for the 4237 Cleveland Ave. Area," dated January 22, 2008 consisting of a Title Page, a Table of Contents Page, and fourteen (14) numbered pages, attached hereto and incorporated herein as Exhibit "B" ("Plan"); and

**WHEREAS**, under the provisions of the Statute, and of the federal financial assistance statutes, it is required that this Board take such actions as may be required to approve the Plan; and

**WHEREAS**, it is desirable and in the public interest that a public body, the LCRA, undertake and administer the Plan in the Area; and

**WHEREAS**, the LCRA and the Planning Commission have made and presented to this Board the studies and statements required to be made and submitted by Section 99.430 and this Board has been fully apprised by the LCRA and the Planning Commission of the facts and is fully aware of the conditions in the Area; and

**WHEREAS**, the Plan has been presented and recommended by LCRA and the Planning Commission to this Board for review and approval; and

**WHEREAS**, a general plan has been prepared and is recognized and used as a guide for the general development of the City and the Planning Commission has advised this Board that the Plan conforms to said general plan; and

**WHEREAS**, this Board has duly considered the reports, recommendations and certifications of the LCRA and the Planning Commission; and

**WHEREAS**, the Plan does prescribe land use and street and traffic patterns which may require, among other things, the vacation of public rights-of-way, the establishment of new street and sidewalk patterns or other public actions; and

**WHEREAS**, this Board is cognizant of the conditions which are imposed on the undertaking and carrying out of a redevelopment project, including those relating to prohibitions against discrimination because of race, color, creed, national origin, sex, marital status, age, sexual orientation or physical handicap; and

**WHEREAS**, in accordance with the requirements of Section 99.430 of the Statute, this Board advertised that a public hearing would be held by this Board on the Plan, and said hearing was held at the time and place designated in said advertising and all those who were interested in being heard were given a reasonable opportunity to express their views; and

**WHEREAS**, it is necessary that this Board take appropriate official action respecting the approval of the Plan.

These partial tax relief and payment in lieu of taxes provisions, during up to said ten (10) year period, shall inure to the benefit of all successors in interest in the property of the redevelopment corporation, so long as such successors shall continue to use such property as provided in this Plan and in any contract with the LCRA. In no event shall such benefits extend beyond ten (10) years after the redevelopment corporation shall have acquired title to the property.

**SECTION FIFTEEN.** Any proposed modification which will substantially change the Plan must be approved by the St. Louis Board of Aldermen in the same manner as the Plan was first approved. Modifications which will substantially change the Plan include, but are not necessarily limited to, modifications on the use of eminent domain, to the length of tax abatement, to the boundaries of the Area, or to other items which alter the nature or intent of the Plan. **A. EXISTING CONDITIONS AND FINDINGS OF BLIGHT**

1. DELINEATION OF BOUNDARIES

The 4237 Cleveland Ave. Area (“the Area”) more fully described in Exhibit “A” attached hereto and incorporated herein by reference, consists of an unoccupied residential building on an area approximating 0.08 acres in the Shaw Neighborhood. The Area is located on the south side of Cleveland Ave. between Tower Grove to the west and Klemm St. to the east.

The legal description of the Area is attached and labeled Exhibit "A". The boundaries of the Area are delineated on Exhibit "B" ("Project Area Plan").

2. GENERAL CONDITION OF THE AREA

The Area comprises a portion of City Block 4933. The Area is in poor condition. The physical conditions within the Area are shown on Exhibit “B” (Project Area Plan). For the purpose of this Plan, “Fair Condition” means (1) property that is generally structurally sound but suffers from inadequate maintenance and upkeep, or (2) vacant unimproved property that is under-utilized. “Poor Condition” means (1) buildings that are structurally unsound and/or substantially deteriorated, requiring major improvements such as new roofs, windows, systems, etc., in order to be used productively, or (2) property without buildings which is poorly maintained, has crumbling pavement, and/or is used for open storage.

Unemployment figures, computed by the Missouri State Employment Service, indicate a 7.4% unemployment rate for the City as of July, 2007. It is estimated that this rate is prevalent for residents of the neighborhoods surrounding the Area.

There are currently no jobs within the Area.

3. PRESENT LAND USE OF THE AREA

Existing land uses within the Area include an unoccupied building.

The land use, including the location of public and private uses, streets and other rights-of-way is shown on Exhibit "B".

4. PRESENT LAND USE AND DENSITY OF SURROUNDING PROPERTIES

The properties surrounding the Area are primarily used for residential properties.

Residential density for the surrounding neighborhoods is approximately 21.59 persons per acre.

5. CURRENT ZONING

The Area is zoned "B" Two-Family Dwelling District pursuant to the Zoning Code of the City, which is incorporated in this Plan by reference.

6. FINDING OF BLIGHT

The property within the Area is unoccupied and in poor condition (as defined in Section A(2) above). The existence of deteriorated property constitutes both an economic liability to the City of St. Louis and presents a hazard to the health and well-being of its citizens. These conditions, therefore, qualify the Area as blighted within the meaning of Section 99.300 *et seq.* of the Revised Statutes of Missouri 2000, as amended (the Land Clearance for Redevelopment Authority Law).

**B. PROPOSED DEVELOPMENT AND REGULATIONS**

1. DEVELOPMENT OBJECTIVES

The primary objective of this Plan is to facilitate the development of the Area into productive residential uses.

2. PROPOSED LAND USE OF THE AREA

The proposed land uses for the Area are residential uses permitted in Areas designated "B" Two-Family Dwelling District by the City of St. Louis Zoning Code. Redevelopers authorized by the Land Clearance for Redevelopment Authority of the City of St. Louis ("LCRA") to develop property in the Area (hereafter referred to as "Redeveloper") shall be permitted to use said property only for the above proposed uses.

Exhibit "C" (Proposed Land Use) shows the proposed uses for the Area. The 2005 Strategic Land Use Plan designates it as a Neighborhood Preservation Area.

3. PROPOSED ZONING

The zoning for the Area can remain "B" Two-Family Dwelling District." All land coverage and building intensities shall be governed thereby.

4. RELATIONSHIP TO LOCAL OBJECTIVES

The proposed land uses, zoning, public facilities and utility plans are appropriate and consistent with local objectives as defined by the General Plan of the City of St. Louis which includes the "Strategic Land Use Plan" (2005). Any specific proposal to the LCRA for development of the Area or any portion of the Area shall contain, among other things, adequate provisions for traffic, vehicular parking, safety from fire, adequate provisions for light and air, sound design and arrangement and improved employment opportunities.

5. PROPOSED EMPLOYMENT FOR THIS AREA

No new jobs will be created in this Area because the proposed development is residential.

6. CIRCULATION

The Proposed Land Use Plan (Exhibit "C") indicates the proposed circulation system for the Area. The layouts, levels and grades of all public rights-of-way may remain unchanged.

Rights-of-way changes will be subject to the review and approval of the City Department of Streets, and all vacations of rights-of-way are subject to approval by ordinance.

7. BUILDING AND SITE REGULATIONS

The Area shall be subject to all applicable federal, state and local laws, ordinances, regulations and codes, including but not limited to, the City Building Code, Zoning District Regulations, and stipulations of the Planning and Urban Design Agency ("PDA") of the City. The population densities, land coverage, and building intensities of redevelopment shall be governed by the Zoning Code. No changes in the building codes or ordinances are required.

Each Redeveloper shall develop the Area in accordance with this Plan and the Redevelopment Agreement, and shall maintain all structures, equipment, paved areas, and landscaped areas controlled by the Redeveloper in good and safe order both inside and outside, structurally and otherwise, including necessary and proper painting. Failure to meet this requirement may result in suspension of tax abatement.

8. URBAN DESIGN

a. **Urban Design Objectives**

The property shall be developed so it is an attractive residential asset to the surrounding neighborhood.

b. **Urban Design Regulations**

Rehabilitation shall respect the original exterior in terms of design and materials. Window and door shapes and detailing shall be compatible with the original design

New construction shall be compatible in design with the surrounding neighborhood, if any, in terms of scale, materials, set back, profile and site layout.

c. **Landscaping**

The property shall be well-landscaped. Perimeter street trees of a minimum caliper of 2-1/2 inches and generally 30-35 feet on center, as determined by the Parks Department of the City depending upon tree type, utilities, curb cuts, etc., shall be provided along all public or private streets - preferably in tree lawns along the curb. Existing, healthy trees and shrubs shall be retained, if feasible.

d. **Fencing**

Fencing in the front yards and facing side streets shall be limited to ornamental metal with a black matte finish. Fencing behind the building line and not facing a street may be chain link with a black matter finish, or a good quality, privacy fence provided it is not wood stockade style. Fencing facing a side street may be ornamental metal or a good quality board fence up to six (6) feet in height provided landscaping is provided between the fence and the sidewalk.

9. PARKING REGULATIONS

Parking shall be provided in accordance with the applicable zoning and building code requirements of the City, including PDA standards. This will provide adequate vehicular parking for the Area.

Where feasible, parking shall be limited to the rear of the property alley, and at least one parking space shall be provided for each residential unit. In addition, surface parking shall not exceed beyond the established building line. Surface parking along public streets shall be buffered by a continuous evergreen hedge at least two and one-half (2-1/2) feet high on planting and maintained at three and one-half (3-1/2) feet high at maturity.

10. SIGN REGULATIONS

All new signs shall be limited as set out in the City Code, PDA stipulations, this Plan and contracts between the LCRA and the Redeveloper. All new signs shall be restricted to standard sale/lease signs.

11. BUILDING, CONDITIONAL USE AND SIGN PERMITS

No building, conditional use, or sign permits shall be issued by the City without the prior written approval of the LCRA.

12. PUBLIC IMPROVEMENTS

No additional schools, parks, recreational and community facilities or other public facilities will be required. Additional water, sewage or other public utilities may be required depending on development. The cost of such utility improvements will be borne by the Redeveloper.

If funds are available to the LCRA, it may provide public improvements including, but not limited to, measures for the control of traffic, improvements to street lighting, street trees, and any other improvements which may further the objectives of this Plan.

When developed in accordance with this Plan, the Area will comprise a coordinated, adjusted and harmonious development that promotes the health, safety, morals, order, convenience, prosperity, the general welfare, efficiency and economy of the City.

C. **PROPOSED SCHEDULE OF DEVELOPMENT**

The implementation of this Plan shall take place in a single phase initiated within approximately one (1) year of approval of this Plan by ordinance and completed within approximately two (2) years of approval of this Plan by ordinance.

The LCRA may alter the above schedule as economic conditions warrant.

#### **D. EXECUTION OF PROJECT**

##### **1. ADMINISTRATION AND FINANCING**

The LCRA is empowered by Missouri law to administer development of all types pursuant to this Plan and can do so to the extent and in the manner prescribed by the Land Clearance for Redevelopment Authority Law of Missouri.

All costs associated with the development of the Area will be borne by the Redeveloper.

Implementation of this Plan may be financed by funds obtained from private and/or public sources, including, without limitation, revenue bonds, bank loans, and equity funds provided by the Redeveloper.

##### **2. PROPERTY ACQUISITION**

The Property Acquisition Map, Exhibit "D" attached, identifies all the property located in the Area. The LCRA may not acquire any property in the Area by the exercise of eminent domain.

##### **3. PROPERTY DISPOSITION**

If the LCRA acquires property in the Area, it may sell or lease the property to a Redeveloper who shall agree to develop such property in accordance with this Plan and the contract between such Redeveloper and the LCRA. Any property acquired by the LCRA and sold to a Redeveloper will be sold at not less than its fair value, taking into account and giving consideration to those factors enumerated in Section 99.450, R.S.Mo. (2000) as amended, for uses in accordance with this Plan.

##### **4. RELOCATION ASSISTANCE**

The property within the Area is currently unoccupied. If it should become occupied, all eligible occupants displaced as a result of the implementation of the Plan shall be given relocation assistance in accordance with all applicable federal, state and local laws, ordinances, regulations and policies.

#### **E. COOPERATION OF THE CITY**

The City and its Board of Aldermen, by enacting an ordinance approving this Plan, pledges its cooperation to enable the project to be carried out in a timely manner and in accordance with this Plan.

#### **F. TAX ABATEMENT**

A Redeveloper may seek ten (10) year real estate tax abatement pursuant to Sections 99.700 - 99.715, Revised Statutes of Missouri, 2000, as amended, upon application as provided therein. Such real estate tax abatement shall not include taxes collected for any Special Business District, Neighborhood Improvement District, Commercial Improvement District, or any other similar local taxing district created in accordance with Missouri law, whether now existing or later created.

In lieu of the ten (10) year abatement outlined above, a Redeveloper which is an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes shall hereby be entitled to real property ad valorem tax abatement which shall not include taxes collected for any Special Business District, Neighborhood Improvement District, Commercial Improvement District, or any other single local taxing district created in accordance with Missouri law, whether now existing or later created, for a total period of up to ten (10) years from the commencement of such tax abatement, in accordance with the following provisions:

If property in the Area is sold by the LCRA to an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes, or if any such corporation shall own property within the Area, then for up to the first ten (10) years after the date the redevelopment corporation shall acquire title to such property, taxes on such property shall be based upon the assessment of land, exclusive of any improvements thereon, during the calendar year preceding the calendar year during which such corporation shall have acquired title to such property. In addition to such taxes, any such corporation shall for up to the same ten (10) year period make a payment in lieu of taxes to the Collector of Revenue of the City of St. Louis in an amount based upon the assessment on the improvements located on the property during the calendar year preceding the calendar year during which such corporation shall have acquired title to such property. If property shall be tax exempt because it is owned by the LCRA and leased to any such corporation, then such corporation for up to the first ten (10) years of such lease shall make payments in lieu of taxes to the Collector of Revenue of the City in an amount based upon the assessment on the property, including land and improvements, during the calendar year preceding the calendar year during which such corporation shall lease such property.

All payments in lieu of taxes shall be a lien upon the property and, when paid to the Collector of Revenue of the City shall be distributed as all other property taxes. These partial tax relief and payment in lieu of taxes provisions, during up to said

ten (10) year period, shall inure to the benefit of all successors in interest in the property of the redevelopment corporation, so long as such successors shall continue to use such property as provided in this Plan and in any contract with the LCRA. In no event shall such benefits extend beyond ten (10) years after the redevelopment corporation shall have acquired title to the property.

**G. COMPLIANCE WITH AFFIRMATIVE ACTION AND NONDISCRIMINATION LAWS AND REGULATIONS**

1. LAND USE

The Redeveloper shall not discriminate on the basis of race, color, creed, national origin, marital status, sex, age, sexual orientation or physical handicap in the lease, sale or occupancy of the Area.

2. CONSTRUCTION AND OPERATIONS

A Redeveloper shall not discriminate on the basis of race, color, creed, national origin, marital status, sex, age, sexual orientation or physical handicap in the construction and operation of any project in the Area and shall take such affirmative action as may be appropriate to afford opportunities to everyone in all activities of the project, including enforcement, contracting, operating and purchasing.

3. LAWS AND REGULATIONS

A Redeveloper shall comply with all applicable federal, state and local laws, ordinances, executive orders and regulations regarding nondiscrimination and affirmative action, including the City Guidelines for Maximum Utilization of Minority Enterprises dated January 1, 1981, as may be amended, and the "Equal Opportunity and Nondiscrimination Guidelines" in Exhibit "E", attached.

4. ENFORCEMENT

All of the provisions of this Section G shall be incorporated in a Contract between the LCRA and a Redeveloper, which agreement shall be recorded in the office of the Recorder of Deeds. The provisions of G (1) and G (3) shall be covenants running with the land, without limitation as to time, and the provisions of G (2) shall be for the duration of this Plan and any extension thereof.

All of the provisions of Section G shall be enforceable against the Redeveloper, its heirs, successors or assigns, by the LCRA, the City, any state having jurisdiction or the United States of America.

**H. MODIFICATIONS OF THIS PLAN**

Any proposed modification which will substantially change this Plan shall be approved by the St. Louis Board of Aldermen in the same manner as this Plan was first approved. Modifications which will substantially change this Plan include, but are not necessarily limited to, modifications on the use of eminent domain, to the length of tax abatement, to the boundaries of the Area, or other items which alter the nature or intent of this Plan.

This Plan may be otherwise modified (e.g. urban design regulations, development schedule) by the LCRA, provided that such revisions shall be effective only upon the consent of the Planning Commission of the City. Changes which are not substantial are those that do not go to the crux of this Plan.

**I. DURATION OF REGULATION AND CONTROLS**

The regulation and controls set forth in this Plan shall be in full force and effect for twenty-five years commencing with the effective date of approval of this Plan by ordinance, and for additional ten (10) year periods unless before the commencement of any such ten (10) year period the Board of Aldermen shall terminate this Plan as of the end of the term then in effect, except as provided in Section G (4) of this Plan.

All attached exhibits are hereby incorporated by reference into this Plan and made a part hereof.

**K. SEVERABILITY**

The elements of this Plan satisfy all requirements of state and local laws. Should any provisions of this Plan be held invalid by a final determination of a court of law, the remainder of the provisions hereof shall not be affected thereby, and shall remain in full force and effect.

**WHEREAS**, the Plan has been presented and recommended by LCRA and the Planning Commission to this Board for review and approval; and

**WHEREAS**, a general plan has been prepared and is recognized and used as a guide for the general development of the City and the Planning Commission has advised this Board that the Plan conforms to said general plan; and

**WHEREAS**, this Board has duly considered the reports, recommendations and certifications of the LCRA and the Planning Commission; and

**WHEREAS**, the Plan does prescribe land use and street and traffic patterns which may require, among other things, the vacation of public rights-of-way, the establishment of new street and sidewalk patterns or other public actions; and

**WHEREAS**, this Board is cognizant of the conditions which are imposed on the undertaking and carrying out of a redevelopment project, including those relating to prohibitions against discrimination because of race, color, creed, national origin, sex, marital status, age, sexual orientation or physical handicap; and

**WHEREAS**, in accordance with the requirements of Section 99.430 of the Statute, this Board advertised that a public hearing would be held by this Board on the Plan, and said hearing was held at the time and place designated in said advertising and all those who were interested in being heard were given a reasonable opportunity to express their views; and

**A. EXISTING CONDITIONS AND FINDINGS OF BLIGHT**

1. DELINEATION OF BOUNDARIES

The 3011 Salena St. Area (“the Area”) more fully described in Exhibit “A” attached hereto and incorporated herein by reference, consists of a two-story residential structure on an area approximating 0.07 acres in the Benton Park Neighborhood, and is located on the west side of 3011 Salena St. between Crittenden St. to the north and Arsenal St. to the south.

The legal description of the Area is attached and labeled Exhibit “A”. The boundaries of the Area are delineated on Exhibit “B” (“Project Area Plan”).

2. GENERAL CONDITION OF THE AREA

The Area comprises a portion of City Block 1976. The Area is in poor condition. The physical conditions within the Area are shown on Exhibit “B” (Project Area Plan). For the purpose of this Plan, “Fair Condition” means (1) property that is generally structurally sound but suffers from inadequate maintenance and upkeep, or (2) vacant unimproved property that is under-utilized. “Poor Condition” means (1) buildings that are structurally unsound and/or substantially deteriorated, requiring major improvements such as new roofs, windows, systems, etc., in order to be used productively, or (2) property without buildings which is poorly maintained, has crumbling pavement, and/or is used for open storage.

Unemployment figures, computed by the Missouri State Employment Service, indicate a 7.4% unemployment rate for the City as of July, 2007. It is estimated that this rate is prevalent for residents of the neighborhoods surrounding the Area.

There are currently zero jobs within the Area.

3. PRESENT LAND USE OF THE AREA

The Area includes one residential building. The property is unoccupied.

The land use, including the location of public and private uses, streets and other rights-of-way is shown on Exhibit “B”.

4. PRESENT LAND USE AND DENSITY OF SURROUNDING PROPERTIES

The properties surrounding the Area are primarily used for residential properties.

Residential density for the surrounding neighborhoods is approximately 29.28 persons per acre.

5. CURRENT ZONING

The Area is zoned “C” Multiple-Family District pursuant to the Zoning Code of the City, which is incorporated in this Plan by reference.

6. FINDING OF BLIGHT

The property within the Area is unoccupied and in poor condition (as defined in Section A(2) above). The

existence of deteriorated property constitutes both an economic liability to the City and presents a hazard to the health and well-being of its citizens. These conditions, therefore, qualify the Area as blighted within the meaning of Section 99.300 et seq. of the Revised Statutes of Missouri, 2000, as amended, (the Land Clearance for Redevelopment Authority Law).

## **B. PROPOSED DEVELOPMENT AND REGULATIONS**

### **1. DEVELOPMENT OBJECTIVES**

The primary objective of this Plan is to facilitate the development of the Area into productive residential uses.

### **2. PROPOSED LAND USE OF THE AREA**

The proposed land uses for the Area are residential uses permitted in Areas designated “C” Multiple-Family Dwelling District by the City of St. Louis Zoning Code. Redevelopers authorized by the Land Clearance for Redevelopment Authority of the City of St. Louis (“LCRA”) to develop property in the Area (hereafter referred to as “Redeveloper”) shall not be permitted to use said property for the following:

Exhibit “C” (Proposed Land Use) shows the proposed uses for the Area.

### **3. PROPOSED ZONING**

The zoning for the Area can remain “C” Multiple-Family Dwelling. All land coverage and building intensities shall be governed thereby.

### **4. RELATIONSHIP TO LOCAL OBJECTIVES**

The proposed land uses, zoning, public facilities and utility plans are appropriate and consistent with local objectives as defined by the General Plan of the City of St. Louis which includes the “Strategic Land Use Plan” (2005). Any specific proposal to the LCRA for development of the Area or any portion of the Area shall contain, among other things, adequate provisions for traffic, vehicular parking, safety from fire, adequate provisions for light and air, sound design and arrangement and improved employment opportunities.

### **5. PROPOSED EMPLOYMENT FOR THIS AREA**

No new jobs will be created in this Area because the proposed development is residential.

### **6. CIRCULATION**

The Proposed Land Use Plan (Exhibit “C”) indicates the proposed circulation system for the Area. The layouts, levels and grades of all public rights-of-way may remain unchanged.

Rights-of-way changes will be subject to the review and approval of the City Department of Streets, and all vacations of rights-of-way are subject to approval by ordinance.

### **7. BUILDING AND SITE REGULATIONS**

The Area shall be subject to all applicable federal, state and local laws, ordinances, regulations and codes, including but not limited to, the City Building Code, Zoning District Regulations, and stipulations of the Planning and Urban Design Agency (“PDA”) of the City. The population densities, land coverage, and building intensities of redevelopment shall be governed by the Zoning Code. No changes in the building codes or ordinances are required.

Each Redeveloper shall develop the Area in accordance with this Plan and the Redevelopment Agreement, and shall maintain all structures, equipment, paved areas, and landscaped areas controlled by the Redeveloper in good and safe order both inside and outside, structurally and otherwise, including necessary and proper painting. Failure to meet these requirements may result in suspension of tax abatement.

### **8. URBAN DESIGN**

#### **a. Urban Design Objectives**

The property shall be developed so it is an attractive residential asset to the surrounding neighborhood.

#### **b. Urban Design Regulations**

Rehabilitation shall respect the original exterior in terms of design and materials. Window and door shapes and detailing shall be compatible with the original design

New construction shall be compatible in design with the surrounding neighborhood, if any, in terms of scale, materials, set back, profile and site layout.

**c. Landscaping**

The property shall be well-landscaped. Perimeter street trees of a minimum caliper of 2-1/2 inches and generally 30-35 feet on center, depending upon tree type, utilities, curb cuts, etc., shall be provided along all public or private streets - preferably in tree lawns along the curb. If necessary, sidewalks shall be notched to accommodate the trees.

Ornamental or shade trees should be provided in the front lawns along with evergreen accent shrubs.

Existing, healthy trees shall be retained, if feasible.

**d. Fencing**

Fencing in the front yards shall be limited to ornamental metal with a black matte finish. Fencing behind the building line and not facing a street may be chain link with a black matte finish, or a good quality, privacy fence provided it is not wood stockade style. Fencing facing a side street shall be ornamental metal or a good quality board fence up to six (6) feet in height provided landscaping is provided between the fence and the sidewalk.

9. PARKING REGULATIONS

Parking shall be provided in accordance with the applicable zoning and building code requirements of the City, including PDA standards. This will provide adequate vehicular parking for the Area.

Where feasible, parking shall be limited to the rear of the property alley, and at least one parking space shall be provided for each residential unit. In addition, surface parking shall not exceed beyond the established building line. Surface parking along public streets shall be buffered by a continuous evergreen hedge at least two and one-half (2-1/2) feet high on planting and maintained at three and one-half (3-1/2) feet high at maturity.

10. SIGN REGULATIONS

All new signs shall be limited as set out in the City Code, PDA stipulations, this Plan and contracts between the LCRA and the Redeveloper. A uniform signage plan must be prepared by the Redeveloper for the entire project. All new signs shall be restricted to those identifying the names and/or business of the person or firm occupying the premises.

11. BUILDING, CONDITIONAL USE AND SIGN PERMITS

No building, conditional use, or sign permits shall be issued by the City without the prior written approval of the LCRA.

12. PUBLIC IMPROVEMENTS

No additional schools, parks, recreational and community facilities or other public facilities will be required. Additional water, sewage or other public utilities may be required depending on development. The cost of such utility improvements will be borne by the Redeveloper.

If funds are available to the LCRA, it may provide public improvements including, but not limited to, measures for the control of traffic, improvements to street lighting, street trees, and any other improvements which may further the objectives of this Plan.

When developed in accordance with this Plan, the Area will comprise a coordinated, adjusted and harmonious development that promotes the health, safety, morals, order, convenience, prosperity, the general welfare, efficiency and economy of the City.

**C. PROPOSED SCHEDULE OF DEVELOPMENT**

The implementation of this Plan shall take place in a single phase initiated within approximately one (1) year of approval of this Plan by ordinance and completed within approximately two (2) years of approval of this Plan by ordinance.

The LCRA may alter the above schedule as economic conditions warrant.

**D. EXECUTION OF PROJECT**

1. ADMINISTRATION AND FINANCING

The LCRA is empowered by Missouri law to administer development of all types pursuant to this Plan and can do so to the extent and in the manner prescribed by the Land Clearance for Redevelopment Authority Law of Missouri.

All costs associated with the development of the Area will be borne by the Redeveloper.

Implementation of this Plan may be financed by funds obtained from private and/or public sources, including, without limitation, revenue bonds, bank loans, and equity funds provided by the Redeveloper.

2. PROPERTY ACQUISITION

The Property Acquisition Map, Exhibit "D" attached, identifies all the property located in the Area. The LCRA may not acquire any property in the Area by the exercise of eminent domain.

3. PROPERTY DISPOSITION

If the LCRA acquires property in the Area, it may sell or lease the property to a Redeveloper who shall agree to develop such property in accordance with this Plan and the contract between such Redeveloper and the LCRA. Any property acquired by the LCRA and sold to a Redeveloper will be sold at not less than its fair value, taking into account and giving consideration to those factors enumerated in Section 99.450, R.S.Mo. (2000) as amended, for uses in accordance with this Plan.

4. RELOCATION ASSISTANCE

The property within the Area is currently unoccupied. If it should become occupied, all eligible occupants displaced as a result of the implementation of the Plan shall be given relocation assistance in accordance with all applicable federal, state and local laws, ordinances, regulations and policies.

**F. TAX ABATEMENT**

A Redeveloper which is an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes shall hereby be entitled to real property ad valorem tax abatement which shall not include taxes collected for any Special Business District, Neighborhood Improvement District, Commercial Improvement District, or any other single local taxing district created in accordance with Missouri law, whether now existing or later created, for a total period of up to five (5) years from the commencement of such tax abatement, in accordance with the following provisions:

If property in the Area is sold by the LCRA to an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes, or if any such corporation shall own property within the Area, then for the first five (5) years after the date the redevelopment corporation shall acquire title to such property, taxes on such property shall be based upon the assessment of land, exclusive of any improvements thereon, during the calendar year preceding the calendar year during which such corporation shall have acquired title to such property. In addition to such taxes, any such corporation shall for the same five (5) year period make a payment in lieu of taxes to the Collector of Revenue of the City of St. Louis in an amount based upon the assessment on the improvements located on the property during the calendar year preceding the calendar year during which such corporation shall have acquired title to such property. All payments in lieu of taxes shall be a lien upon the property and, when paid to the Collector of Revenue of the City shall be distributed as all other property taxes. These partial tax relief and payment in lieu of taxes provisions, during up to said five (5) year period, shall inure to the benefit of all successors in interest in the property of the redevelopment corporation, so long as such successors shall continue to use such property as provided in this Plan and in any contract with the LCRA. In no event shall such benefits extend beyond five (5) years after the redevelopment corporation shall have acquired title to the property.

**WHEREAS**, there is a need for the LCRA, a public body corporate and politic created under Missouri law, to undertake the development of the above described Area as a land clearance project under said Statute, pursuant to plans by or presented to the LCRA under Section 99.430.1 (4); and

**WHEREAS**, the LCRA has recommended such a plan to the Planning Commission of the City of St. Louis ("Planning Commission") and to this St. Louis Board of Aldermen ("Board"), titled "Blighting Study and Plan for 2626 S. 11th St. Area," dated January 22, 2008, consisting of a Title Page, a Table of Contents Page, and fourteen (14) numbered pages, attached hereto and incorporated herein as Exhibit "B" ("Plan"); and

**WHEREAS**, under the provisions of the Statute, and of the federal financial assistance statutes, it is required that this Board take such actions as may be required to approve the Plan; and

**WHEREAS**, it is desirable and in the public interest that a public body, the LCRA, undertake and administer the Plan in the Area; and

**WHEREAS**, the LCRA and the Planning Commission have made and presented to this Board the studies and statements required to be made and submitted by Section 99.430 and this Board has been fully apprised by the LCRA and the Planning Commission of the facts and is fully aware of the conditions in the Area; and

**WHEREAS**, the Plan has been presented and recommended by LCRA and the Planning Commission to this Board for review and approval; and

**WHEREAS**, a general plan has been prepared and is recognized and used as a guide for the general development of the City and the Planning Commission has advised this Board that the Plan conforms to said general plan; and

**WHEREAS**, this Board has duly considered the reports, recommendations and certifications of the LCRA and the Planning Commission; and

**WHEREAS**, the Plan does prescribe land use and street and traffic patterns which may require, among other things, the vacation of public rights-of-way, the establishment of new street and sidewalk patterns or other public actions; and

**WHEREAS**, this Board is cognizant of the conditions which are imposed on the undertaking and carrying out of a redevelopment project, including those relating to prohibitions against discrimination because of race, color, creed, national origin, sex, marital status, age, sexual orientation or physical handicap; and

**WHEREAS**, in accordance with the requirements of Section 99.430 of the Statute, this Board advertised that a public hearing would be held by this Board on the Plan, and said hearing was held at the time and place designated in said advertising and all those who were interested in being heard were given a reasonable opportunity to express their views; and

**A. EXISTING CONDITIONS AND FINDINGS OF BLIGHT**

**1. DELINEATION OF BOUNDARIES**

The 2626 S. 11th St. Area (“the Area”) more fully described in Exhibit “A” attached hereto and incorporated herein by reference, consists of a two-story residential structure on an area approximating 0.07 acres in the Soulard Neighborhood, and is located on the east side of S. 11th St. between Sidney St. to the north and Lynch St. to the south.

The legal description of the Area is attached and labeled Exhibit “A”. The boundaries of the Area are delineated on Exhibit “B” (“Project Area Plan”).

**2. GENERAL CONDITION OF THE AREA**

The Area comprises a portion of City Block 848. The Area is in poor condition. The physical conditions within the Area are shown on Exhibit “B” (Project Area Plan). For the purpose of this Plan, “Fair Condition” means (1) property that is generally structurally sound but suffers from inadequate maintenance and upkeep, or (2) vacant unimproved property that is under-utilized. “Poor Condition” means (1) buildings that are structurally unsound and/or substantially deteriorated, requiring major improvements such as new roofs, windows, systems, etc., in order to be used productively, or (2) property without buildings which is poorly maintained, has crumbling pavement, and/or is used for open storage.

Unemployment figures, computed by the Missouri State Employment Service, indicate a 7.4% unemployment rate for the City as of July, 2007. It is estimated that this rate is prevalent for residents of the neighborhoods surrounding the Area.

There are currently zero jobs within the Area.

**3. PRESENT LAND USE OF THE AREA**

The Area includes one unoccupied residential building.

The land use, including the location of public and private uses, streets and other rights-of-way is shown on Exhibit “B”.

**4. PRESENT LAND USE AND DENSITY OF SURROUNDING PROPERTIES**

The properties surrounding the Area are primarily used for residential properties.

Residential density for the surrounding neighborhoods is approximately 8.33 persons per acre.

**5. CURRENT ZONING**

The Area is zoned “A” Single-Family District pursuant to the Zoning Code of the City, which is incorporated in this Plan by reference.

**6. FINDING OF BLIGHT**

The property within the Area is unoccupied and in poor condition (as defined in Section A(2) above). The existence of deteriorated property constitutes both an economic liability to the City and presents a hazard to the health and well-being of its citizens. These conditions, therefore, qualify the Area as blighted within the meaning

of Section 99.300 et seq. of the Revised Statutes of Missouri, 2000, as amended, (the Land Clearance for Redevelopment Authority Law).

**B. PROPOSED DEVELOPMENT AND REGULATIONS**

1. DEVELOPMENT OBJECTIVES

The primary objective of this Plan is to facilitate the development of the Area into productive residential uses.

2. PROPOSED LAND USE OF THE AREA

The proposed land uses for the Area are residential uses permitted in Areas designated "A" Single-Family Dwelling District by the City of St. Louis Zoning Code. Redevelopers authorized by the Land Clearance for Redevelopment Authority of the City of St. Louis ("LCRA") to develop property in the Area (hereafter referred to as "Redeveloper") shall not be permitted to use said property for the following:

Exhibit "C" (Proposed Land Use) shows the proposed uses for the Area.

3. PROPOSED ZONING

The zoning for the Area can remain "A" Single-Family Dwelling. All land coverage and building intensities shall be governed thereby.

4. RELATIONSHIP TO LOCAL OBJECTIVES

The proposed land uses, zoning, public facilities and utility plans are appropriate and consistent with local objectives as defined by the General Plan of the City of St. Louis which includes the "Strategic Land Use Plan" (2005). Any specific proposal to the LCRA for development of the Area or any portion of the Area shall contain, among other things, adequate provisions for traffic, vehicular parking, safety from fire, adequate provisions for light and air, sound design and arrangement and improved employment opportunities.

5. PROPOSED EMPLOYMENT FOR THIS AREA

No new jobs will be created in this Area because the proposed development is residential.

6. CIRCULATION

The Proposed Land Use Plan (Exhibit "C") indicates the proposed circulation system for the Area. The layouts, levels and grades of all public rights-of-way may remain unchanged.

Rights-of-way changes will be subject to the review and approval of the City Department of Streets, and all vacations of rights-of-way are subject to approval by ordinance.

7. BUILDING AND SITE REGULATIONS

The Area shall be subject to all applicable federal, state and local laws, ordinances, regulations and codes, including but not limited to, the City Building Code, Zoning District Regulations, and stipulations of the Planning and Urban Design Agency ("PDA") of the City. The population densities, land coverage, and building intensities of redevelopment shall be governed by the Zoning Code. No changes in the building codes or ordinances are required.

Each Redeveloper shall develop the Area in accordance with this Plan and the Redevelopment Agreement, and shall maintain all structures, equipment, paved areas, and landscaped areas controlled by the Redeveloper in good and safe order both inside and outside, structurally and otherwise, including necessary and proper painting. Failure to meet these requirements may result in suspension of tax abatement.

8. URBAN DESIGN

**a. Urban Design Objectives**

The property shall be developed so it is an attractive residential asset to the surrounding neighborhood.

**b. Urban Design Regulations**

Rehabilitation shall respect the original exterior in terms of design and materials. Window and door shapes and detailing shall be compatible with the original design

New construction shall be compatible in design with the surrounding neighborhood, if any, in terms

of scale, materials, set back, profile and site layout.

**c. Landscaping**

The property shall be well-landscaped. Perimeter street trees of a minimum caliper of 2-1/2 inches and generally 30-35 feet on center, depending upon tree type, utilities, curb cuts, etc., shall be provided along all public or private streets - preferably in tree lawns along the curb. If necessary, sidewalks shall be notched to accommodate the trees.

Ornamental or shade trees should be provided in the front lawns along with evergreen accent shrubs.

Existing, healthy trees shall be retained, if feasible.

**d. Fencing**

Fencing in the front yards shall be limited to ornamental metal with a black matte finish. Fencing behind the building line and not facing a street may be chain link with a black matte finish, or a good quality, privacy fence provided it is not wood stockade style. Fencing facing a side street shall be ornamental metal or a good quality board fence up to six (6) feet in height provided landscaping is provided between the fence and the sidewalk.

9. PARKING REGULATIONS

Parking shall be provided in accordance with the applicable zoning and building code requirements of the City, including PDA standards. This will provide adequate vehicular parking for the Area.

Where feasible, parking shall be limited to the rear of the property alley, and at least one parking space shall be provided for each residential unit. In addition, surface parking shall not exceed beyond the established building line. Surface parking along public streets shall be buffered by a continuous evergreen hedge at least two and one-half (2-1/2) feet high on planting and maintained at three and one-half (3-1/2) feet high at maturity.

10. SIGN REGULATIONS

All new signs shall be limited as set out in the City Code, PDA stipulations, this Plan and contracts between the LCRA and the Redeveloper. A uniform signage plan must be prepared by the Redeveloper for the entire project. All new signs shall be restricted to those identifying the names and/or business of the person or firm occupying the premises.

11. BUILDING, CONDITIONAL USE AND SIGN PERMITS

No building, conditional use, or sign permits shall be issued by the City without the prior written approval of the LCRA.

12. PUBLIC IMPROVEMENTS

No additional schools, parks, recreational and community facilities or other public facilities will be required. Additional water, sewage or other public utilities may be required depending on development. The cost of such utility improvements will be borne by the Redeveloper.

If funds are available to the LCRA, it may provide public improvements including, but not limited to, measures for the control of traffic, improvements to street lighting, street trees, and any other improvements which may further the objectives of this Plan.

When developed in accordance with this Plan, the Area will comprise a coordinated, adjusted and harmonious development that promotes the health, safety, morals, order, convenience, prosperity, the general welfare, efficiency and economy of the City.

**C. PROPOSED SCHEDULE OF DEVELOPMENT**

The implementation of this Plan shall take place in a single phase initiated within approximately one (1) year of approval of this Plan by ordinance and completed within approximately two (2) years of approval of this Plan by ordinance.

The LCRA may alter the above schedule as economic conditions warrant.

**D. EXECUTION OF PROJECT**

1. ADMINISTRATION AND FINANCING

The LCRA is empowered by Missouri law to administer development of all types pursuant to this Plan and can do so to the extent and in the manner prescribed by the Land Clearance for Redevelopment Authority Law of Missouri.

All costs associated with the development of the Area will be borne by the Redeveloper.

Implementation of this Plan may be financed by funds obtained from private and/or public sources, including, without limitation, revenue bonds, bank loans, and equity funds provided by the Redeveloper.

2. PROPERTY ACQUISITION

The Property Acquisition Map, Exhibit "D" attached, identifies all the property located in the Area. The LCRA may not acquire any property in the Area by the exercise of eminent domain.

3. PROPERTY DISPOSITION

If the LCRA acquires property in the Area, it may sell or lease the property to a Redeveloper who shall agree to develop such property in accordance with this Plan and the contract between such Redeveloper and the LCRA. Any property acquired by the LCRA and sold to a Redeveloper will be sold at not less than its fair value, taking into account and giving consideration to those factors enumerated in Section 99.450, R.S.Mo. (2000) as amended, for uses in accordance with this Plan.

4. RELOCATION ASSISTANCE

The property within the Area is currently unoccupied. If it should become occupied, all eligible occupants displaced as a result of the implementation of the Plan shall be given relocation assistance in accordance with all applicable federal, state and local laws, ordinances, regulations and policies.

**E. COOPERATION OF THE CITY**

The City and its Board of Aldermen, by enacting an ordinance approving this Plan, pledges its cooperation to enable the project to be carried out in a timely manner and in accordance with this Plan.

**F. TAX ABATEMENT**

A Redeveloper which is an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes shall hereby be entitled to real property ad valorem tax abatement which shall not include taxes collected for any Special Business District, Neighborhood Improvement District, Commercial Improvement District, or any other single local taxing district created in accordance with Missouri law, whether now existing or later created, for a total period of up to five (5) years from the commencement of such tax abatement, in accordance with the following provisions:

If property in the Area is sold by the LCRA to an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes, or if any such corporation shall own property within the Area, then for the first five (5) years after the date the redevelopment corporation shall acquire title to such property, taxes on such property shall be based upon the assessment of land, exclusive of any improvements thereon, during the calendar year preceding the calendar year during which such corporation shall have acquired title to such property. In addition to such taxes, any such corporation shall for the same five (5) year period make a payment in lieu of taxes to the Collector of Revenue of the City of St. Louis in an amount based upon the assessment on the improvements located on the property during the calendar year preceding the calendar year during which such corporation shall have acquired title to such property. If property shall be tax exempt because it is owned by the LCRA and leased to any such corporation, then such corporation for the first five (5) years of such lease shall make payments in lieu of taxes to the Collector of Revenue of the City in an amount based upon the assessment on the property, including land and improvements, during the calendar year preceding the calendar year during which such corporation shall lease such property.

All payments in lieu of taxes shall be a lien upon the property and, when paid to the Collector of Revenue of the City shall be distributed as all other property taxes. These partial tax relief and payment in lieu of taxes provisions, during up to said five (5) year period, shall inure to the benefit of all successors in interest in the property of the redevelopment corporation, so long as such successors shall continue to use such property as provided in this Plan and in any contract with the LCRA. In no event shall such benefits extend beyond five (5) years after the redevelopment corporation shall have acquired title to the property.

**G. COMPLIANCE WITH AFFIRMATIVE ACTION AND NONDISCRIMINATION LAWS AND REGULATIONS**

**WHEREAS**, by reason of predominance of defective or inadequate street layout, insanitary or unsafe conditions, deterioration of site improvements, improper subdivision or obsolete platting, there exist conditions which endanger life or property by fire or other causes and constitute an economic or social liability or a menace to the public health, safety, morals or welfare in the present condition and use of the Area, said Area being more fully described in Exhibit "A"; and

**WHEREAS**, such conditions are beyond remedy and control solely by regulatory process in the exercise of the police power and cannot be dealt with effectively by ordinary private enterprise without the aids provided in the Statute; and

**WHEREAS**, there is a need for the LCRA, a public body corporate and politic created under Missouri law, to undertake the development of the above described Area as a land clearance project under said Statute, pursuant to plans by or presented to the LCRA under Section 99.430.1 (4); and

**WHEREAS**, the LCRA has recommended such a plan to the Planning Commission of the City of St. Louis ("Planning Commission") and to this St. Louis Board of Aldermen ("Board"), titled "Blighting Study and Plan for the 5960 Cote Brillante Ave. Area," dated January 22, 2008 consisting of a Title Page, a Table of Contents Page, and fourteen (14) numbered pages, attached hereto and incorporated herein as Exhibit "B" ("Plan"); and

**WHEREAS**, under the provisions of the Statute, and of the federal financial assistance statutes, it is required that this Board take such actions as may be required to approve the Plan; and

**WHEREAS**, it is desirable and in the public interest that a public body, the LCRA, undertake and administer the Plan in the Area; and

**WHEREAS**, the LCRA and the Planning Commission have made and presented to this Board the studies and statements required to be made and submitted by Section 99.430 and this Board has been fully apprised by the LCRA and the Planning Commission of the facts and is fully aware of the conditions in the Area; and

**WHEREAS**, the Plan has been presented and recommended by LCRA and the Planning Commission to this Board for review and approval; and

**WHEREAS**, a general plan has been prepared and is recognized and used as a guide for the general development of the City and the Planning Commission has advised this Board that the Plan conforms to said general plan; and

**WHEREAS**, this Board has duly considered the reports, recommendations and certifications of the LCRA and the Planning Commission; and

**WHEREAS**, the Plan does prescribe land use and street and traffic patterns which may require, among other things, the vacation of public rights-of-way, the establishment of new street and sidewalk patterns or other public actions; and

**WHEREAS**, this Board is cognizant of the conditions which are imposed on the undertaking and carrying out of a redevelopment project, including those relating to prohibitions against discrimination because of race, color, creed, national origin, sex, marital status, age, sexual orientation or physical handicap; and

**WHEREAS**, in accordance with the requirements of Section 99.430 of the Statute, this Board advertised that a public hearing would be held by this Board on the Plan, and said hearing was held at the time and place designated in said advertising and all those who were interested in being heard were given a reasonable opportunity to express their views; and

**WHEREAS**, it is necessary that this Board take appropriate official action respecting the approval of the Plan.

**A. EXISTING CONDITIONS AND FINDINGS OF BLIGHT**

1. DELINEATION OF BOUNDARIES

The 5960 Cote Brilliante Ave. Area (“the Area”) more fully described in Exhibit “A” attached hereto and incorporated herein by reference, consists of a single-family structure on an area approximating 0.14 acres in the Wells/Goodfellow Neighborhood. The Area is located on the south side of Cote Brilliante Ave. between Hamilton to the north and Hodiamont to the west.

The legal description of the Area is attached and labeled Exhibit "A". The boundaries of the Area are delineated on Exhibit "B" ("Project Area Plan").

2. GENERAL CONDITION OF THE AREA

The Area comprises a portion of City Block 4449. The Area is in fair condition. The physical conditions within the Area are shown on Exhibit “B” (Project Area Plan). For the purpose of this Plan, “Fair Condition” means (1) property that is generally structurally sound but suffers from inadequate maintenance and upkeep, or (2) vacant unimproved property that is under-utilized. “Poor Condition” means (1) buildings that are structurally unsound and/or substantially deteriorated, requiring major improvements such as new roofs, windows, systems, etc., in order to be used productively, or (2) property without buildings which is poorly maintained, has crumbling pavement, and/or is used for open storage.

Unemployment figures, computed by the Missouri State Employment Service, indicate a 7.4% unemployment rate for the City as of June, 2007. It is estimated that this rate is prevalent for residents of the neighborhoods surrounding the Area.

There are currently no jobs within the Area.

3. PRESENT LAND USE OF THE AREA

Existing land uses within the Area include an unoccupied residential building.

The land use, including the location of public and private uses, streets and other rights-of-way is shown on Exhibit "B".

4. PRESENT LAND USE AND DENSITY OF SURROUNDING PROPERTIES

The properties surrounding the Area are primarily used for residential properties.

Residential density for the surrounding neighborhoods is approximately 17.36 persons per acre.

5. CURRENT ZONING

The Area is zoned "B" Two-Family Dwelling District pursuant to the Zoning Code of the City, which is incorporated in this Plan by reference.

6. FINDING OF BLIGHT

The property within the Area is unoccupied and in fair condition (as defined in Section A(2) above). The existence of deteriorated property constitutes both an economic liability to the City of St. Louis and presents a hazard to the health and well-being of its citizens. These conditions, therefore, qualify the Area as blighted within the meaning of Section 99.300 *et seq.* of the Revised Statutes of Missouri 2000, as amended (the Land Clearance for Redevelopment Authority Law).

**B. PROPOSED DEVELOPMENT AND REGULATIONS**

1. DEVELOPMENT OBJECTIVES

The primary objective of this Plan is to facilitate the development of the Area into productive residential uses.

2. PROPOSED LAND USE OF THE AREA

The proposed land uses for the Area are residential uses permitted in Areas designated "B" Two-Family Dwelling District by the City of St. Louis Zoning Code. Redevelopers authorized by the Land Clearance for Redevelopment Authority of the City of St. Louis ("LCRA") to develop property in the Area (hereafter referred to as "Redeveloper") shall be permitted to use said property only for the above proposed uses.

Exhibit "C" (Proposed Land Use) shows the proposed uses for the Area. The 2005 Strategic Land Use Plan designates it as a Neighborhood Preservation Area.

3. PROPOSED ZONING

The zoning for the Area can remain "B" Two-Family Dwelling District." All land coverage and building intensities shall be governed thereby.

4. RELATIONSHIP TO LOCAL OBJECTIVES

The proposed land uses, zoning, public facilities and utility plans are appropriate and consistent with local objectives as defined by the General Plan of the City of St. Louis which includes the "Strategic Land Use Plan" (2005). Any specific proposal to the LCRA for development of the Area or any portion of the Area shall contain, among other things, adequate provisions for traffic, vehicular parking, safety from fire, adequate provisions for light and air, sound design and arrangement and improved employment opportunities.

5. PROPOSED EMPLOYMENT FOR THIS AREA

No new jobs will be created in this Area because the proposed development is residential.

6. CIRCULATION

The Proposed Land Use Plan (Exhibit "C") indicates the proposed circulation system for the Area. The layouts, levels and grades of all public rights-of-way may remain unchanged.

Rights-of-way changes will be subject to the review and approval of the City Department of Streets, and all vacations of rights-of-way are subject to approval by ordinance.

7. BUILDING AND SITE REGULATIONS

The Area shall be subject to all applicable federal, state and local laws, ordinances, regulations and codes, including but not limited to, the City Building Code, Zoning District Regulations, and stipulations of the Planning and Urban Design Agency ("PDA") of the City. The population densities, land coverage, and building intensities of redevelopment shall be governed by the Zoning Code. No changes in the building codes or ordinances are required.

Each Redeveloper shall develop the Area in accordance with this Plan and the Redevelopment Agreement, and shall maintain all structures, equipment, paved areas, and landscaped areas controlled by the Redeveloper in good and safe order both inside and outside, structurally and otherwise, including necessary and proper painting. Failure to meet this requirement may result in suspension of tax abatement.

8. URBAN DESIGN**a. Urban Design Objectives**

The property shall be developed so it is an attractive residential asset to the surrounding neighborhood.

**b. Urban Design Regulations**

Rehabilitation shall respect the original exterior in terms of design and materials. Window and door shapes and detailing shall be compatible with the original design

New construction shall be compatible in design with the surrounding neighborhood, if any, in terms of scale, materials, set back, profile and site layout.

**c. Landscaping**

The property shall be well-landscaped. Perimeter street trees of a minimum caliper of 2-1/2 inches and generally 30-35 feet on center, as determined by the Parks Department of the City depending upon tree type, utilities, curb cuts, etc., shall be provided along all public or private streets - preferably in tree lawns along the curb. Existing, healthy trees and shrubs shall be retained, if feasible.

**d. Fencing**

Fencing in the front yards and facing side street shall be limited to ornamental metal with a black matte finish. Fencing behind the building line and not facing a street may be chain link with a black matter finish, or a good quality, privacy fence provided it is not wood stockade style. Fencing facing a side street may be ornamental metal or a good quality board fence up to six (6) feet in height provided landscaping is provided between the fence and the sidewalk.

9. PARKING REGULATIONS

Parking shall be provided in accordance with the applicable zoning and building code requirements of the City, including PDA standards. This will provide adequate vehicular parking for the Area.

Where feasible, parking shall be limited to the rear of the property alley, and at least one parking space shall be provided for each residential unit. In addition, surface parking shall not exceed beyond the established building line. Surface parking along public streets shall be buffered by a continuous evergreen hedge at least two and one-half (2-1/2) feet high on planting and maintained at three and one-half (3-1/2) feet high at maturity.

10. SIGN REGULATIONS

All new signs shall be limited as set out in the City Code, PDA stipulations, this Plan and contracts between the LCRA and the Redeveloper. All new signs shall be restricted to standard sale/lease signs.

11. BUILDING, CONDITIONAL USE AND SIGN PERMITS

No building, conditional use, or sign permits shall be issued by the City without the prior written approval of the LCRA.

12. PUBLIC IMPROVEMENTS

No additional schools, parks, recreational and community facilities or other public facilities will be required. Additional water, sewage or other public utilities may be required depending on development. The cost of such utility improvements will be borne by the Redeveloper.

If funds are available to the LCRA, it may provide public improvements including, but not limited to, measures for the control of traffic, improvements to street lighting, street trees, and any other improvements which may further the objectives of this Plan.

When developed in accordance with this Plan, the Area will comprise a coordinated, adjusted and harmonious development that promotes the health, safety, morals, order, convenience, prosperity, the general welfare, efficiency and economy of the City.

**C. PROPOSED SCHEDULE OF DEVELOPMENT**

The implementation of this Plan shall take place in a single phase initiated within approximately one (1) year of approval of this Plan by ordinance and completed within approximately two (2) years of approval of this Plan by ordinance.

The LCRA may alter the above schedule as economic conditions warrant.

**D. EXECUTION OF PROJECT**

1. ADMINISTRATION AND FINANCING

The LCRA is empowered by Missouri law to administer development of all types pursuant to this Plan and can do so to the extent and in the manner prescribed by the Land Clearance for Redevelopment Authority Law of Missouri.

All costs associated with the development of the Area will be borne by the Redeveloper.

Implementation of this Plan may be financed by funds obtained from private and/or public sources, including, without limitation, revenue bonds, bank loans, and equity funds provided by the Redeveloper.

2. PROPERTY ACQUISITION

The Property Acquisition Map, Exhibit "D" attached, identifies all the property located in the Area. The LCRA may not acquire any property in the Area by the exercise of eminent domain.

3. PROPERTY DISPOSITION

If the LCRA acquires property in the Area, it may sell or lease the property to a Redeveloper who shall agree to develop such property in accordance with this Plan and the contract between such Redeveloper and the LCRA. Any property acquired by the LCRA and sold to a Redeveloper will be sold at not less than its fair value, taking into account and giving consideration to those factors enumerated in Section 99.450, R.S.Mo. (2000) as amended, for uses in accordance with this Plan.

4. RELOCATION ASSISTANCE

"A" LEGAL DESCRIPTION

"B" PROJECT AREA PLAN

"C" PROPOSED LAND USE

"D" ACQUISITION MAP

"E" EQUAL OPPORTUNITY AND NON-DISCRIMINATION GUIDELINES

**A. EXISTING CONDITIONS AND FINDINGS OF BLIGHT**

1. DELINEATION OF BOUNDARIES

The 3970-72 Fairview Ave. Area ("the Area") more fully described in Exhibit "A" attached hereto and incorporated herein by reference, consists of a two one-story unoccupied commercial structures on an area approximating 0.155 acres in the Tower Grove South Neighborhood. The Area is located on the southeast corner of the intersection of Fairview Ave. and Roger Pl.

The legal description of the Area is attached and labeled Exhibit "A". The boundaries of the Area are delineated on Exhibit "B" ("Project Area Plan").

2. GENERAL CONDITION OF THE AREA

The Area comprises a portion of City Block 4130. The Area is in fair condition. The physical conditions within the Area are shown on Exhibit "B" (Project Area Plan). For the purpose of this Plan, "Fair Condition" means (1) property that is generally structurally sound but suffers from inadequate maintenance and upkeep, or (2) vacant unimproved property that is under-utilized. "Poor Condition" means (1) buildings that are structurally unsound and/or substantially deteriorated, requiring major improvements such as new roofs, windows, systems, etc., in order to be used productively, or (2) property without buildings which is poorly maintained, has crumbling pavement, and/or is used for open storage.

Unemployment figures, computed by the Missouri State Employment Service, indicate a 7.1 % unemployment rate for the City as of October, 2007. It is estimated that this rate is prevalent for residents of the neighborhoods surrounding the Area.

There are currently no jobs within the Area.

3. PRESENT LAND USE OF THE AREA

Existing land uses within the Area include two unoccupied commercial buildings.

The land use, including the location of public and private uses, streets and other rights-of-way is shown on Exhibit "B".

4. PRESENT LAND USE AND DENSITY OF SURROUNDING PROPERTIES

The properties surrounding the Area are primarily used for residential purposes.

Residential density for the surrounding neighborhoods is approximately 15.48 persons per acre.

5. CURRENT ZONING

The Area is zoned "F" Neighborhood Commercial District pursuant to the Zoning Code of the City, which is incorporated in this Plan by reference.

6. FINDING OF BLIGHT

The property within the Area is unoccupied and in fair condition (as defined in Section A(2) above). The

existence of deteriorated property constitutes both an economic liability to the City of St. Louis and presents a hazard to the health and well-being of its citizens. These conditions, therefore, qualify the Area as blighted within the meaning of Section 99.300 et seq. of the Revised Statutes of Missouri 2000, as amended (the Land Clearance for Redevelopment Authority Law).

## **B. PROPOSED DEVELOPMENT AND REGULATIONS**

### **1. DEVELOPMENT OBJECTIVES**

The primary objective of this Plan is to facilitate the development of the Area into productive commercial uses.

### **2. PROPOSED LAND USE OF THE AREA**

The proposed land uses for the Area are commercial uses permitted in Areas designated "F" Neighborhood Commercial District by the City of St. Louis Zoning Code. Redevelopers authorized by the Land Clearance for Redevelopment Authority of the City of St. Louis ("LCRA") to develop property in the Area (hereafter referred to as "Redeveloper") shall be permitted to use said property only for the above proposed uses.

Exhibit "C" (Proposed Land Use) shows the proposed uses for the Area. The 2005 Strategic Land Use Plan designates it as a Neighborhood Commercial Area.

### **3. PROPOSED ZONING**

The zoning for the Area can remain "F" Neighborhood Commercial District. All land coverage and building intensities shall be governed thereby.

### **4. RELATIONSHIP TO LOCAL OBJECTIVES**

The proposed land uses, zoning, public facilities and utility plans are appropriate and consistent with local objectives as defined by the General Plan of the City of St. Louis which includes the "Strategic Land Use Plan" (2005). Any specific proposal to the LCRA for development of the Area or any portion of the Area shall contain, among other things, adequate provisions for traffic, vehicular parking, safety from fire, adequate provisions for light and air, sound design and arrangement and improved employment opportunities.

### **5. PROPOSED EMPLOYMENT FOR THIS AREA**

One new job will be created in this Area.

### **6. CIRCULATION**

The Proposed Land Use Plan (Exhibit "C") indicates the proposed circulation system for the Area. The layouts, levels and grades of all public rights-of-way may remain unchanged.

Rights-of-way changes will be subject to the review and approval of the City Department of Streets, and all vacations of rights-of-way are subject to approval by ordinance.

### **7. BUILDING AND SITE REGULATIONS**

The Area shall be subject to all applicable federal, state and local laws, ordinances, regulations and codes, including but not limited to, the City Building Code, Zoning District Regulations, and stipulations of the Planning and Urban Design Agency ("PDA") of the City. The population densities, land coverage, and building intensities of redevelopment shall be governed by the Zoning Code. No changes in the building codes or ordinances are required.

Each Redeveloper shall develop the Area in accordance with this Plan and the Redevelopment Agreement, and shall maintain all structures, equipment, paved areas, and landscaped areas controlled by the Redeveloper in good and safe order both inside and outside, structurally and otherwise, including necessary and proper painting. Failure to meet this requirement may result in suspension of tax abatement.

### **8. URBAN DESIGN**

#### **a. Urban Design Objectives**

The property shall be developed so it is an attractive commercial asset to the surrounding neighborhood.

#### **b. Urban Design Regulations**

Rehabilitation shall respect the original exterior in terms of design and materials. Window and door shapes and detailing shall be compatible with the original design

New construction shall be compatible in design with the surrounding neighborhood, if any, in terms of scale, materials, set back, profile and site layout.

**c. Landscaping**

The property shall be well-landscaped. Perimeter street trees of a minimum caliper of 2-1/2 inches and generally 30-35 feet on center, as determined by the Parks Department of the City depending upon tree type, utilities, curb cuts, etc., shall be provided along all public or private streets - preferably in tree lawns along the curb. Existing, healthy trees and shrubs shall be retained, if feasible.

**d. Fencing**

Fencing in the front yards and facing side streets shall be limited to ornamental metal with a black matte finish. Fencing behind the building line and not facing a street may be chain link with a black matte finish, or a good quality, privacy fence provided it is not wood stockade style. Fencing facing a side street may be ornamental metal or a good quality board fence up to six (6) feet in height provided landscaping is provided between the fence and the sidewalk.

9. PARKING REGULATIONS

Parking shall be provided in accordance with the applicable zoning and building code requirements of the City, including PDA standards. This will provide adequate vehicular parking for the Area.

Where feasible, parking shall be limited to the rear of the property alley, and at least one parking space shall be provided for each residential unit. In addition, surface parking shall not exceed beyond the established building line. Surface parking along public streets shall be buffered by a continuous evergreen hedge at least two and one-half (2-1/2) feet high on planting and maintained at three and one-half (3-1/2) feet high at maturity.

10. SIGN REGULATIONS

All new signs shall be limited as set out in the City Code, PDA stipulations, this Plan and contracts between the LCRA and the Redeveloper. A uniform signage plan must be prepared by the Redeveloper for the entire project. All new signs shall be restricted to those identifying the names and/or business of the person or firm occupying the premises.

New wall signs shall not obstruct any architectural building elements, and shall project no more than eighteen (18) inches from the face of the building: **Upper Level** signage shall be located just below or above the top floor windows facing in any direction regardless of street orientation, shall not exceed 2% of the area of the façade on which it appears nor have letters more than one foot in height for each ten foot (10') of building height provided that the maximum shall be ten foot (10') high letters (i.e. maximum sign letter height on a fifty foot (50') high building shall be five feet (5')). **Pedestrian level** signage shall be below the second floor window sill of a structure and/or above the store front windows or on the sides of building perpendicular to the street. The total pedestrian level signage per business per façade shall be the lessor of fifty (50) sq. ft. on ten percent (10%) of the ground floor façade area.

Signage on awnings may be located on the sloping portion of the canvas awning, on the front of a canopy or on the awning valance. In no case shall signage be allowed on both an awning and a building for the same business. Logos and graphic elements may be up to ten (10) sq. ft. in size (depending on the size of the awning), while names or brand copy shall be in proportion to the size of the awning, but in no case shall lettering be more than twelve inches (12") high.

11. BUILDING, CONDITIONAL USE AND SIGN PERMITS

No building, conditional use, or sign permits shall be issued by the City without the prior written approval of the LCRA.

12. PUBLIC IMPROVEMENTS

No additional schools, parks, recreational and community facilities or other public facilities will be required. Additional water, sewage or other public utilities may be required depending on development. The cost of such utility improvements will be borne by the Redeveloper.

If funds are available to the LCRA, it may provide public improvements including, but not limited to, measures

for the control of traffic, improvements to street lighting, street trees, and any other improvements which may further the objectives of this Plan.

When developed in accordance with this Plan, the Area will comprise a coordinated, adjusted and harmonious development that promotes the health, safety, morals, order, convenience, prosperity, the general welfare, efficiency and economy of the City.

**C. PROPOSED SCHEDULE OF DEVELOPMENT**

The implementation of this Plan shall take place in a single phase initiated within approximately one (1) year of approval of this Plan by ordinance and completed within approximately two (2) years of approval of this Plan by ordinance.

The LCRA may alter the above schedule as economic conditions warrant.

**D. EXECUTION OF PROJECT**

1. ADMINISTRATION AND FINANCING

The LCRA is empowered by Missouri law to administer development of all types pursuant to this Plan and can do so to the extent and in the manner prescribed by the Land Clearance for Redevelopment Authority Law of Missouri.

All costs associated with the development of the Area will be borne by the Redeveloper.

Implementation of this Plan may be financed by funds obtained from private and/or public sources, including, without limitation, revenue bonds, bank loans, and equity funds provided by the Redeveloper.

The Property Acquisition Map, Exhibit "D" attached, identifies all the property located in the Area. The LCRA may not acquire any property in the Area by the exercise of eminent domain.

3. PROPERTY DISPOSITION

Any property acquired by the LCRA and sold to a Redeveloper will be sold at not less than its fair value, taking into account and giving consideration to those factors enumerated in Section 99.450, R.S.Mo. (2000) as amended, for uses in accordance with this Plan.

4. RELOCATION ASSISTANCE

The property within the Area is currently unoccupied. If it should become occupied, all eligible occupants displaced as a result of the implementation of the Plan shall be given relocation assistance in accordance with all applicable federal, state and local laws, ordinances, regulations and policies.

If property in the Area is sold by the LCRA to an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes, or if any such corporation shall own property within the Area, then for up to the first five (5) years after the date the redevelopment corporation shall acquire title to such property, taxes on such property shall be based upon the assessment of land, exclusive of any improvements thereon, during the calendar year preceding the calendar year during which such corporation shall have acquired title to such property. In addition to such taxes, any such corporation shall for up to the same five (5) year period make a payment in lieu of taxes to the Collector of Revenue of the City of St. Louis in an amount based upon the assessment on the improvements located on the property during the calendar year preceding the calendar year during which such corporation shall have acquired title to such property. **WHEREAS**, the LCRA has recommended such a plan to the Planning Commission of the City of St. Louis ("Planning Commission") and to this St. Louis Board of Aldermen ("Board"), titled "Blighting Study and Plan for 3463 Potomac St. Area," dated January 22, 2008, consisting of a Title Page, a Table of Contents Page, and fourteen (14) numbered pages, attached hereto and incorporated herein as Exhibit "B" ("Plan"); and

**WHEREAS**, under the provisions of the Statute, and of the federal financial assistance statutes, it is required that this Board take such actions as may be required to approve the Plan; and

**WHEREAS**, it is desirable and in the public interest that a public body, the LCRA, undertake and administer the Plan in the Area; and

**WHEREAS**, the LCRA and the Planning Commission have made and presented to this Board the studies and statements required to be made and submitted by Section 99.430 and this Board has been fully apprised by the LCRA and the Planning Commission of the facts and is fully aware of the conditions in the Area; and

**WHEREAS**, the Plan has been presented and recommended by LCRA and the Planning Commission to this Board for review and approval; and

**WHEREAS**, a general plan has been prepared and is recognized and used as a guide for the general development of the City and the Planning Commission has advised this Board that the Plan conforms to said general plan; and

**WHEREAS**, this Board has duly considered the reports, recommendations and certifications of the LCRA and the Planning Commission; and

**WHEREAS**, the Plan does prescribe land use and street and traffic patterns which may require, among other things, the vacation of public rights-of-way, the establishment of new street and sidewalk patterns or other public actions; and

**WHEREAS**, this Board is cognizant of the conditions which are imposed on the undertaking and carrying out of a redevelopment project, including those relating to prohibitions against discrimination because of race, color, creed, national origin, sex, marital status, age, sexual orientation or physical handicap; and

**A. EXISTING CONDITIONS AND FINDINGS OF BLIGHT**

1. DELINEATION OF BOUNDARIES

The 3463 Potomac St. Area (“the Area”) more fully described in Exhibit “A” attached hereto and incorporated herein by reference, consists of a two-story, mixed-use unoccupied structure on an area approximating 0.024 acres in the Benton Park West Neighborhood. The Area is located on the north side of Potomac St. between Tennessee Ave. and Gravois Ave.

The legal description of the Area is attached and labeled Exhibit "A". The boundaries of the Area are delineated on Exhibit "B" ("Project Area Plan").

2. GENERAL CONDITION OF THE AREA

The Area comprises a portion of City Block 1589. The Area is in fair condition. The physical conditions within the Area are shown on Exhibit “B” (Project Area Plan). For the purpose of this Plan, “Fair Condition” means (1) property that is generally structurally sound but suffers from inadequate maintenance and upkeep, or (2) vacant unimproved property that is under-utilized. “Poor Condition” means (1) buildings that are structurally unsound and/or substantially deteriorated, requiring major improvements such as new roofs, windows, systems, etc., in order to be used productively, or (2) property without buildings which is poorly maintained, has crumbling pavement, and/or is used for open storage.

Unemployment figures, computed by the Missouri State Employment Service, indicate a 7.1 % unemployment rate for the City as of October, 2007. It is estimated that this rate is prevalent for residents of the neighborhoods surrounding the Area.

There are currently no jobs within the Area.

3. PRESENT LAND USE OF THE AREA

Existing land uses within the Area include an unoccupied mixed-use building.

The land use, including the location of public and private uses, streets and other rights-of-way is shown on Exhibit "B".

4. PRESENT LAND USE AND DENSITY OF SURROUNDING PROPERTIES

The properties surrounding the Area are primarily used for commercial and residential purposes.

Residential density for the surrounding neighborhoods is approximately 21.03 persons per acre.

5. CURRENT ZONING

The Area is zoned “F” Neighborhood Commercial District pursuant to the Zoning Code of the City, which is incorporated in this Plan by reference.

6. FINDING OF BLIGHT

The property within the Area is unoccupied and in fair condition (as defined in Section A(2) above). The existence of deteriorated property constitutes both an economic liability to the City of St. Louis and presents a hazard to the health and well-being of its citizens. These conditions, therefore, qualify the Area as blighted within the meaning of Section 99.300 et seq. of the Revised Statutes of Missouri 2000, as amended (the Land Clearance for Redevelopment Authority Law).

## **B. PROPOSED DEVELOPMENT AND REGULATIONS**

### 1. DEVELOPMENT OBJECTIVES

The primary objective of this Plan is to facilitate the development of the Area into productive residential and commercial uses.

### 2. PROPOSED LAND USE OF THE AREA

The proposed land uses for the Area are residential and commercial uses permitted in Areas designated "F" Neighborhood Commercial District by the City of St. Louis Zoning Code. Redevelopers authorized by the Land Clearance for Redevelopment Authority of the City of St. Louis ("LCRA") to develop property in the Area (hereafter referred to as "Redeveloper") shall be permitted to use said property only for the above proposed uses.

Exhibit "C" (Proposed Land Use) shows the proposed uses for the Area. The 2005 Strategic Land Use Plan designates it as a Neighborhood Commercial Area.

### 3. PROPOSED ZONING

The zoning for the Area can remain "F" Neighborhood Commercial District. All land coverage and building intensities shall be governed thereby.

### 4. RELATIONSHIP TO LOCAL OBJECTIVES

The proposed land uses, zoning, public facilities and utility plans are appropriate and consistent with local objectives as defined by the General Plan of the City of St. Louis which includes the "Strategic Land Use Plan" (2005). Any specific proposal to the LCRA for development of the Area or any portion of the Area shall contain, among other things, adequate provisions for traffic, vehicular parking, safety from fire, adequate provisions for light and air, sound design and arrangement and improved employment opportunities.

### 5. PROPOSED EMPLOYMENT FOR THIS AREA

One new job will be created in this Area.

### 6. CIRCULATION

The Proposed Land Use Plan (Exhibit "C") indicates the proposed circulation system for the Area. The layouts, levels and grades of all public rights-of-way may remain unchanged.

Rights-of-way changes will be subject to the review and approval of the City Department of Streets, and all vacations of rights-of-way are subject to approval by ordinance.

### 7. BUILDING AND SITE REGULATIONS

**WHEREAS**, the Plan does prescribe land use and street and traffic patterns which may require, among other things, the vacation of public rights-of-way, the establishment of new street and sidewalk patterns or other public actions; and

The Area is located on Ridge Ave., between Kingshighway Blvd. and Academy Ave.

The legal description of the Area is attached and labeled Exhibit "A". The boundaries of the Area are delineated on Exhibit "B" ("Project Area Plan").

2. GENERAL CONDITION OF THE AREA

The Area comprises a portion of City Blocks 3789 and 3790. The Area is in poor condition. The physical conditions within the Area are shown on Exhibit “B” (Project Area Plan). For the purpose of this Plan, “Fair Condition” means (1) property that is generally structurally sound but suffers from inadequate maintenance and upkeep, or (2) vacant unimproved property that is under-utilized. “Poor Condition” means (1) buildings that are structurally unsound and/or substantially deteriorated, requiring major improvements such as new roofs, windows, systems, etc., in order to be used productively, or (2) property without buildings which is poorly maintained, has crumbling pavement, and/or is used for open storage.

Unemployment figures, computed by the Missouri State Employment Service, indicate a 7.1 % unemployment rate for the City as of October, 2007. It is estimated that this rate is prevalent for residents of the neighborhoods surrounding the Area.

There are currently no jobs within the Area.

3. PRESENT LAND USE OF THE AREA

Existing land uses within the Area include two unoccupied residential buildings.

The land use, including the location of public and private uses, streets and other rights-of-way is shown on Exhibit "B".

4. PRESENT LAND USE AND DENSITY OF SURROUNDING PROPERTIES

The properties surrounding the Area are primarily used for residential purposes.

Residential density for the surrounding neighborhoods is approximately 13.38 persons per acre.

5. CURRENT ZONING

The Area is zoned "B" Two Family Residential District pursuant to the Zoning Code of the City, which is incorporated in this Plan by reference.

6. FINDING OF BLIGHT

The property within the Area is occupied and in poor condition (as defined in Section A(2) above). The existence of deteriorated property constitutes both an economic liability to the City of St. Louis and presents a hazard to the health and well-being of its citizens. These conditions, therefore, qualify the Area as blighted within the meaning of Section 99.300 *et seq.* of the Revised Statutes of Missouri 2000, as amended (the Land Clearance for Redevelopment Authority Law).

**B. PROPOSED DEVELOPMENT AND REGULATIONS**

1. DEVELOPMENT OBJECTIVES

The primary objective of this Plan is to facilitate the development of the Area into productive residential uses.

2. PROPOSED LAND USE OF THE AREA

Redevelopers authorized by the Land Clearance for Redevelopment Authority of the City of St. Louis ("LCRA") to develop property in the Area (hereafter referred to as "Redeveloper") shall be permitted to use said property only for the above proposed uses.

Exhibit "C" (Proposed Land Use) shows the proposed uses for the Area. The 2005 Strategic Land Use Plan designates it as a Neighborhood Preservation Area.

3. PROPOSED ZONING

4. RELATIONSHIP TO LOCAL OBJECTIVES

The proposed land uses, zoning, public facilities and utility plans are appropriate and consistent with local objectives as defined by the General Plan of the City of St. Louis which includes the "Strategic Land Use Plan" (2005). Any specific proposal to the LCRA for development of the Area or any portion of the Area shall contain, among other things, adequate provisions for traffic, vehicular parking, safety from fire, adequate provisions for light and air, sound design and arrangement and improved employment opportunities.

5. PROPOSED EMPLOYMENT FOR THIS AREA

No new jobs will be created in this Area because the proposed development is residential.

6. CIRCULATION

The Proposed Land Use Plan (Exhibit "C") indicates the proposed circulation system for the Area. The layouts, levels and grades of all public rights-of-way may remain unchanged.

Rights-of-way changes will be subject to the review and approval of the City Department of Streets, and all vacations of rights-of-way are subject to approval by ordinance.

7. BUILDING AND SITE REGULATIONS

The Area shall be subject to all applicable federal, state and local laws, ordinances, regulations and codes, including but not limited to, the City Building Code, Zoning District Regulations, and stipulations of the Planning and Urban Design Agency ("PDA") of the City. The population densities, land coverage, and building intensities of redevelopment shall be governed by the Zoning Code. No changes in the building codes or ordinances are required.

Each Redeveloper shall develop the Area in accordance with this Plan and the Redevelopment Agreement, and shall maintain all structures, equipment, paved areas, and landscaped areas controlled by the Redeveloper in good and safe order both inside and outside, structurally and otherwise, including necessary and proper painting. Failure to meet this requirement may result in suspension of tax abatement.

8. URBAN DESIGN

The property shall be developed so it is an attractive residential asset to the surrounding neighborhood.

**b. Urban Design Regulations**

Rehabilitation shall respect the original exterior in terms of design and materials. Window and door shapes and detailing shall be compatible with the original design

New construction shall be compatible in design with the surrounding neighborhood, if any, in terms of scale, materials, set back, profile and site layout.

**c. Landscaping**

The property shall be well-landscaped. Perimeter street trees of a minimum caliper of 2-1/2 inches and generally 30-35 feet on center, as determined by the Parks Department of the City depending upon tree type, utilities, curb cuts, etc., shall be provided along all public or private streets - preferably in tree lawns along the curb. Existing, healthy trees and shrubs shall be retained, if feasible.

**d. Fencing**

Fencing in the front yards and facing side streets shall be limited to ornamental metal with a black matte finish. Fencing behind the building line and not facing a street may be chain link with a black matter finish, or a good quality, privacy fence provided it is not wood stockade style. Fencing facing a side street may be ornamental metal or a good quality board fence up to six (6) feet in height provided landscaping is provided between the fence and the sidewalk.

9. PARKING REGULATIONS

Parking shall be provided in accordance with the applicable zoning and building code requirements of the City, including PDA standards. This will provide adequate vehicular parking for the Area.

Where feasible, parking shall be limited to the rear of the property alley, and at least one parking space shall be provided for each residential unit. In addition, surface parking shall not exceed beyond the established building line. Surface parking along public streets shall be buffered by a continuous evergreen hedge at least two and one-half (2-1/2) feet high on planting and maintained at three and one-half (3-1/2) feet high at maturity.

10. SIGN REGULATIONS

All new signs shall be limited as set out in the City Code, PDA stipulations, this Plan and contracts between the LCRA and the Redeveloper. All new signs shall be restricted to standard sale/lease signs.

11. BUILDING, CONDITIONAL USE AND SIGN PERMITS

No building, conditional use, or sign permits shall be issued by the City without the prior written approval of the LCRA.

12. PUBLIC IMPROVEMENTS

No additional schools, parks, recreational and community facilities or other public facilities will be required. Additional water, sewage or other public utilities may be required depending on development. The cost of such utility improvements will be borne by the Redeveloper.

If funds are available to the LCRA, it may provide public improvements including, but not limited to, measures for the control of traffic, improvements to street lighting, street trees, and any other improvements which may further the objectives of this Plan.

When developed in accordance with this Plan, the Area will comprise a coordinated, adjusted and harmonious development that promotes the health, safety, morals, order, convenience, prosperity, the general welfare, efficiency and economy of the City.

**C. PROPOSED SCHEDULE OF DEVELOPMENT**

The implementation of this Plan shall take place in a single phase initiated within approximately one (1) year of approval of this Plan by ordinance and completed within approximately two (2) years of approval of this Plan by ordinance.

The LCRA may alter the above schedule as economic conditions warrant.

**D. EXECUTION OF PROJECT****1. ADMINISTRATION AND FINANCING**

The LCRA is empowered by Missouri law to administer development of all types pursuant to this Plan and can do so to the extent and in the manner prescribed by the Land Clearance for Redevelopment Authority Law of Missouri.

All costs associated with the development of the Area will be borne by the Redeveloper.

Implementation of this Plan may be financed by funds obtained from private and/or public sources, including, without limitation, revenue bonds, bank loans, and equity funds provided by the Redeveloper.

The Property Acquisition Map, Exhibit "D" attached, identifies all the property located in the Area. The LCRA may not acquire any property in the Area by the exercise of eminent domain.

**3. PROPERTY DISPOSITION**

If the LCRA acquires property in the Area, it may sell or lease the property to a Redeveloper who shall agree to develop such property in accordance with this Plan and the contract between such Redeveloper and the LCRA. Any property acquired by the LCRA and sold to a Redeveloper will be sold at not less than its fair value, taking into account and giving consideration to those factors enumerated in Section 99.450, R.S.Mo. (2000) as amended, for uses in accordance with this Plan.

**4. RELOCATION ASSISTANCE**

The property within the Area is currently unoccupied. If it should become occupied, all eligible occupants displaced as a result of the implementation of the Plan shall be given relocation assistance in accordance with all applicable federal, state and local laws, ordinances, regulations and policies.

**E. COOPERATION OF THE CITY**

Such real estate tax abatement shall not include taxes collected for any Special Business District, Neighborhood Improvement District, Commercial Improvement District, or any other similar local taxing district created in accordance with Missouri law, whether now existing or later created.

In lieu of the ten (10) year abatement outlined above, a Redeveloper which is an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes shall hereby be entitled to real property ad valorem tax abatement which shall not include taxes collected for any Special Business District, Neighborhood Improvement District, Commercial Improvement District, or any other single local taxing district created in accordance with Missouri law, whether now existing or later created, for a total period of up to ten (10) years from the commencement of such tax abatement, in accordance with the following provisions:

**A. EXISTING CONDITIONS AND FINDINGS OF BLIGHT**

1. DELINEATION OF BOUNDARIES

The 5751 DeGiverville Ave. Area (“the Area”) more fully described in Exhibit “A” attached hereto and incorporated herein by reference, consists of a two-story, single-family unoccupied structure on an area approximating 0.096 acres in the Skinker-Debaliviere Neighborhood. The Area is located on the north side of DeGiverville Ave., between DeBaliviere Ave. and Waterman Blvd.

The legal description of the Area is attached and labeled Exhibit "A". The boundaries of the Area are delineated on Exhibit "B" ("Project Area Plan").

2. GENERAL CONDITION OF THE AREA

The Area comprises a portion of City Block 5521. The Area is in fair condition. The physical conditions within the Area are shown on Exhibit “B” (Project Area Plan). For the purpose of this Plan, “Fair Condition” means (1) property that is generally structurally sound but suffers from inadequate maintenance and upkeep, or (2) vacant unimproved property that is under-utilized. “Poor Condition” means (1) buildings that are structurally unsound and/or substantially deteriorated, requiring major improvements such as new roofs, windows, systems, etc., in order to be used productively, or (2) property without buildings which is poorly maintained, has crumbling pavement, and/or is used for open storage.

Unemployment figures, computed by the Missouri State Employment Service, indicate a 7.1 % unemployment rate for the City as of October, 2007. It is estimated that this rate is prevalent for residents of the neighborhoods surrounding the Area.

There are currently no jobs within the Area.

3. PRESENT LAND USE OF THE AREA

Existing land uses within the Area include an unoccupied residential building.

The land use, including the location of public and private uses, streets and other rights-of-way is shown on Exhibit "B".

4. PRESENT LAND USE AND DENSITY OF SURROUNDING PROPERTIES

The properties surrounding the Area are primarily used for residential purposes.

Residential density for the surrounding neighborhoods is approximately 13.63 persons per acre.

5. CURRENT ZONING

The Area is zoned "A" Single-Family Residential District pursuant to the Zoning Code of the City, which is incorporated in this Plan by reference.

6. FINDING OF BLIGHT

The property within the Area is unoccupied and in fair condition (as defined in Section A(2) above). The existence of deteriorated property constitutes both an economic liability to the City of St. Louis and presents a hazard to the health and well-being of its citizens. These conditions, therefore, qualify the Area as blighted within the meaning of Section 99.300 et seq. of the Revised Statutes of Missouri 2000, as amended (the Land Clearance for Redevelopment Authority Law).

**B. PROPOSED DEVELOPMENT AND REGULATIONS**

1. DEVELOPMENT OBJECTIVES

The primary objective of this Plan is to facilitate the development of the Area into productive residential uses.

2. PROPOSED LAND USE OF THE AREA

The proposed land uses for the Area are residential uses permitted in Areas designated "A" Single-Family Residential District by the City of St. Louis Zoning Code. Redevelopers authorized by the Land Clearance for Redevelopment Authority of the City of St. Louis ("LCRA") to develop property in the Area (hereafter referred to as "Redeveloper") shall be permitted to use said property only for the above proposed uses.

Exhibit "C" (Proposed Land Use) shows the proposed uses for the Area. The 2005 Strategic Land Use Plan designates it as a Neighborhood Preservation Area.

3. PROPOSED ZONING

The zoning for the Area can remain "A" Single-Family Residential District. All land coverage and building intensities shall be governed thereby.

4. RELATIONSHIP TO LOCAL OBJECTIVES

The proposed land uses, zoning, public facilities and utility plans are appropriate and consistent with local objectives as defined by the General Plan of the City of St. Louis which includes the "Strategic Land Use Plan" (2005). Any specific proposal to the LCRA for development of the Area or any portion of the Area shall contain, among other things, adequate provisions for traffic, vehicular parking, safety from fire, adequate provisions for light and air, sound design and arrangement and improved employment opportunities.

5. PROPOSED EMPLOYMENT FOR THIS AREA

No new jobs will be created in this Area because the proposed development is residential.

6. CIRCULATION

The Proposed Land Use Plan (Exhibit "C") indicates the proposed circulation system for the Area. The layouts, levels and grades of all public rights-of-way may remain unchanged.

Rights-of-way changes will be subject to the review and approval of the City Department of Streets, and all vacations of rights-of-way are subject to approval by ordinance.

7. BUILDING AND SITE REGULATIONS

The Area shall be subject to all applicable federal, state and local laws, ordinances, regulations and codes, including but not limited to, the City Building Code, Zoning District Regulations, and stipulations of the Planning and Urban Design Agency ("PDA") of the City. The population densities, land coverage, and building intensities of redevelopment shall be governed by the Zoning Code. No changes in the building codes or ordinances are required.

Each Redeveloper shall develop the Area in accordance with this Plan and the Redevelopment Agreement, and shall maintain all structures, equipment, paved areas, and landscaped areas controlled by the Redeveloper in good and safe order both inside and outside, structurally and otherwise, including necessary and proper painting. Failure to meet this requirement may result in suspension of tax abatement.

8. URBAN DESIGN

**a. Urban Design Objectives**

The property shall be developed so it is an attractive residential asset to the surrounding neighborhood.

**b. Urban Design Regulations**

Rehabilitation shall respect the original exterior in terms of design and materials. Window and door shapes and detailing shall be compatible with the original design

New construction shall be compatible in design with the surrounding neighborhood, if any, in terms of scale, materials, set back, profile and site layout.

**c. Landscaping**

The property shall be well-landscaped. Perimeter street trees of a minimum caliper of 2-1/2 inches and generally 30-35 feet on center, as determined by the Parks Department of the City depending upon tree type, utilities, curb cuts, etc., shall be provided along all public or private streets - preferably in tree lawns along the curb. Existing, healthy trees and shrubs shall be retained, if feasible.

**d. Fencing**

Fencing in the front yards and facing side streets shall be limited to ornamental metal with a black matte finish. Fencing behind the building line and not facing a street may be chain link with a black matter finish, or a good quality, privacy fence provided it is not wood stockade style. Fencing facing a side street may be ornamental metal or a good quality board fence up to six (6) feet in height provided landscaping is provided between the fence and the sidewalk.

**9. PARKING REGULATIONS**

Parking shall be provided in accordance with the applicable zoning and building code requirements of the City, including PDA standards. This will provide adequate vehicular parking for the Area.

Where feasible, parking shall be limited to the rear of the property alley, and at least one parking space shall be provided for each residential unit. In addition, surface parking shall not exceed beyond the established building line. Surface parking along public streets shall be buffered by a continuous evergreen hedge at least two and one-half (2-1/2) feet high on planting and maintained at three and one-half (3-1/2) feet high at maturity.

**10. SIGN REGULATIONS**

All new signs shall be limited as set out in the City Code, PDA stipulations, this Plan and contracts between the LCRA and the Redeveloper. All new signs shall be restricted to standard sale/lease signs.

**11. BUILDING, CONDITIONAL USE AND SIGN PERMITS**

No building, conditional use, or sign permits shall be issued by the City without the prior written approval of the LCRA.

**12. PUBLIC IMPROVEMENTS**

No additional schools, parks, recreational and community facilities or other public facilities will be required. Additional water, sewage or other public utilities may be required depending on development. The cost of such utility improvements will be borne by the Redeveloper.

If funds are available to the LCRA, it may provide public improvements including, but not limited to, measures for the control of traffic, improvements to street lighting, street trees, and any other improvements which may further the objectives of this Plan.

When developed in accordance with this Plan, the Area will comprise a coordinated, adjusted and harmonious development that promotes the health, safety, morals, order, convenience, prosperity, the general welfare, efficiency and economy of the City.

**C. PROPOSED SCHEDULE OF DEVELOPMENT**

The implementation of this Plan shall take place in a single phase initiated within approximately one (1) year of approval of this Plan by ordinance and completed within approximately two (2) years of approval of this Plan by ordinance.

The LCRA may alter the above schedule as economic conditions warrant.

**D. EXECUTION OF PROJECT****1. ADMINISTRATION AND FINANCING**

The LCRA is empowered by Missouri law to administer development of all types pursuant to this Plan and can do so to the extent and in the manner prescribed by the Land Clearance for Redevelopment Authority Law of Missouri.

All costs associated with the development of the Area will be borne by the Redeveloper.

Implementation of this Plan may be financed by funds obtained from private and/or public sources, including, without limitation, revenue bonds, bank loans, and equity funds provided by the Redeveloper.

**2. PROPERTY ACQUISITION**

The Property Acquisition Map, Exhibit "D" attached, identifies all the property located in the Area. The LCRA may not acquire any property in the Area by the exercise of eminent domain.

**3. PROPERTY DISPOSITION**

If the LCRA acquires property in the Area, it may sell or lease the property to a Redeveloper who shall agree to develop such property in accordance with this Plan and the contract between such Redeveloper and the LCRA. Any property acquired by the LCRA and sold to a Redeveloper will be sold at not less than its fair value, taking into account and giving consideration to those factors enumerated in Section 99.450, R.S.Mo. (2000) as amended, for uses in accordance with this Plan.

**4. RELOCATION ASSISTANCE**

The property within the Area is currently unoccupied. If it should become occupied, all eligible occupants displaced as a result of the implementation of the Plan shall be given relocation assistance in accordance with all applicable federal, state and local laws, ordinances, regulations and policies.

**E. COOPERATION OF THE CITY**

The City and its Board of Aldermen, by enacting an ordinance approving this Plan, pledges its cooperation to enable the project to be carried out in a timely manner and in accordance with this Plan.

**F. TAX ABATEMENT**

A Redeveloper which is an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes shall hereby be entitled to real property ad valorem tax abatement which shall not include taxes collected for any Special Business District, Neighborhood Improvement District, Commercial Improvement District, or any other single local taxing district created in accordance with Missouri law, whether now existing or later created, for a total period of up to five (5) years from the commencement of such tax abatement, in accordance with the following provisions:

If property in the Area is sold by the LCRA to an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes, or if any such corporation shall own property within the Area, then for up to the first five (5) years after the date the redevelopment corporation shall acquire title to such property, taxes on such property shall be based upon the assessment of land, exclusive of any improvements thereon, during the calendar year preceding the calendar year during which such corporation shall have acquired title to such property. In addition to such taxes, any such corporation shall for up to the same five (5) year period make a payment in lieu of taxes to the Collector of Revenue of the City of St. Louis in an amount based upon the assessment on the improvements located on the property during the calendar year preceding the calendar year during which such corporation shall have acquired title to such property. If property shall be tax exempt because it is owned by the LCRA and leased to any such corporation, then such corporation for up to the first five (5) years of such lease shall make payments in lieu of taxes to the Collector of Revenue of the City in an amount based upon the assessment on the property, including land and improvements, during the calendar year preceding the calendar year during which such corporation shall lease such property.

All payments in lieu of taxes shall be a lien upon the property and, when paid to the Collector of Revenue of the City shall be distributed as all other property taxes. These partial tax relief and payment in lieu of taxes provisions, during up to said five (5) year period, shall inure to the benefit of all successors in interest in the property of the redevelopment corporation, so long as such successors shall continue to use such property as provided in this Plan and in any contract with the LCRA. In no event shall such benefits extend beyond five (5) years after the redevelopment corporation shall have acquired title to the property.

2. CONSTRUCTION AND OPERATIONS

A Redeveloper shall not discriminate on the basis of race, color, creed, national origin, marital status, sex, age, sexual orientation or physical handicap in the construction and operation of any project in the Area and shall take such affirmative action as may be appropriate to afford opportunities to everyone in all activities of the project, including enforcement, contracting, operating and purchasing.

3. LAWS AND REGULATIONS

Modifications which will substantially change this Plan include, but are not necessarily limited to, modifications on the use of eminent domain, to the length of tax abatement, to the boundaries of the Area, or other items which alter the nature or intent of this Plan.

This Plan may be otherwise modified (e.g. urban design regulations, development schedule) by the LCRA, provided that such revisions shall be effective only upon the consent of the Planning Commission of the City. Changes which are not substantial are those that do not go to the crux of this Plan.

**A. EXISTING CONDITIONS AND FINDINGS OF BLIGHT**

1. DELINEATION OF BOUNDARIES

The 6168 Washington Ave. Area (“the Area”) more fully described in Exhibit “A” attached hereto and incorporated herein by reference, consists of a two-story, single-family unoccupied structure on an area approximating 0.1 acres in the Skinker-Debaliviere Neighborhood. The Area is located on the south side of Washington Ave., between Rosedale Ave. and Skinker Blvd.

The legal description of the Area is attached and labeled Exhibit "A". The boundaries of the Area are delineated on Exhibit "B" ("Project Area Plan").

2. GENERAL CONDITION OF THE AREA

The Area comprises a portion of City Block 5420. The Area is in fair condition. The physical conditions within the Area are shown on Exhibit “B” (Project Area Plan). For the purpose of this Plan, “Fair Condition” means (1) property that is generally structurally sound but suffers from inadequate maintenance and upkeep, or (2) vacant unimproved property that is under-utilized. “Poor Condition” means (1) buildings that are structurally unsound and/or substantially deteriorated, requiring major improvements such as new roofs, windows, systems, etc., in order to be used productively, or (2) property without buildings which is poorly maintained, has crumbling pavement, and/or is used for open storage.

Unemployment figures, computed by the Missouri State Employment Service, indicate a 7.1 % unemployment rate for the City as of October, 2007. It is estimated that this rate is prevalent for residents of the neighborhoods surrounding the Area.

There are currently no jobs within the Area.

3. PRESENT LAND USE OF THE AREA

Existing land uses within the Area include an unoccupied residential building.

The land use, including the location of public and private uses, streets and other rights-of-way is shown on Exhibit "B".

4. PRESENT LAND USE AND DENSITY OF SURROUNDING PROPERTIES

The properties surrounding the Area are primarily used for residential purposes.

Residential density for the surrounding neighborhoods is approximately 13.63 persons per acre.

5. CURRENT ZONING

The Area is zoned "A" Single-Family Residential District pursuant to the Zoning Code of the City, which is incorporated in this Plan by reference.

6. FINDING OF BLIGHT

The property within the Area is unoccupied and in fair condition (as defined in Section A(2) above). The existence of deteriorated property constitutes both an economic liability to the City of St. Louis and presents a hazard to the health and well-being of its citizens. These conditions, therefore, qualify the Area as blighted within the meaning of Section 99.300 *et seq.* of the Revised Statutes of Missouri 2000, as amended (the Land Clearance for Redevelopment Authority Law).

**B. PROPOSED DEVELOPMENT AND REGULATIONS**

1. DEVELOPMENT OBJECTIVES

The primary objective of this Plan is to facilitate the development of the Area into productive residential uses.

2. PROPOSED LAND USE OF THE AREA

The proposed land uses for the Area are residential uses permitted in Areas designated "A" Single-Family Residential District by the City of St. Louis Zoning Code. Redevelopers authorized by the Land Clearance for Redevelopment Authority of the City of St. Louis ("LCRA") to develop property in the Area (hereafter referred to as "Redeveloper") shall be permitted to use said property only for the above proposed uses.

Exhibit "C" (Proposed Land Use) shows the proposed uses for the Area. The 2005 Strategic Land Use Plan designates it as a Neighborhood Preservation Area.

3. PROPOSED ZONING

The zoning for the Area can remain "A" Single-Family Residential District. All land coverage and building intensities shall be governed thereby.

4. RELATIONSHIP TO LOCAL OBJECTIVES

The proposed land uses, zoning, public facilities and utility plans are appropriate and consistent with local objectives as defined by the General Plan of the City of St. Louis which includes the "Strategic Land Use Plan" (2005). Any specific proposal to the LCRA for development of the Area or any portion of the Area shall contain, among other things, adequate provisions for traffic, vehicular parking, safety from fire, adequate provisions for light and air, sound design and arrangement and improved employment opportunities.

5. PROPOSED EMPLOYMENT FOR THIS AREA

No new jobs will be created in this Area because the proposed development is residential.

6. CIRCULATION

The Proposed Land Use Plan (Exhibit "C") indicates the proposed circulation system for the Area. The layouts, levels and grades of all public rights-of-way may remain unchanged.

Rights-of-way changes will be subject to the review and approval of the City Department of Streets, and all vacations of rights-of-way are subject to approval by ordinance.

7. BUILDING AND SITE REGULATIONS

The Area shall be subject to all applicable federal, state and local laws, ordinances, regulations and codes, including but not limited to, the City Building Code, Zoning District Regulations, and stipulations of the Planning and Urban Design Agency ("PDA") of the City. The population densities, land coverage, and building intensities of redevelopment shall be governed by the Zoning Code. No changes in the building codes or ordinances are required.

Each Redeveloper shall develop the Area in accordance with this Plan and the Redevelopment Agreement, and shall maintain all structures, equipment, paved areas, and landscaped areas controlled by the Redeveloper in good and safe order both inside and outside, structurally and otherwise, including necessary and proper painting. Failure to meet this requirement may result in suspension of tax abatement.

8. URBAN DESIGN

a. **Urban Design Objectives**

The property shall be developed so it is an attractive residential asset to the surrounding neighborhood.

**b. Urban Design Regulations**

Rehabilitation shall respect the original exterior in terms of design and materials. Window and door shapes and detailing shall be compatible with the original design

New construction shall be compatible in design with the surrounding neighborhood, if any, in terms of scale, materials, set back, profile and site layout.

**c. Landscaping**

The property shall be well-landscaped. Perimeter street trees of a minimum caliper of 2-1/2 inches and generally 30-35 feet on center, as determined by the Parks Department of the City depending upon tree type, utilities, curb cuts, etc., shall be provided along all public or private streets - preferably in tree lawns along the curb. Existing, healthy trees and shrubs shall be retained, if feasible.

**d. Fencing**

Fencing in the front yards and facing side streets shall be limited to ornamental metal with a black matte finish. Fencing behind the building line and not facing a street may be chain link with a black matter finish, or a good quality, privacy fence provided it is not wood stockade style. Fencing facing a side street may be ornamental metal or a good quality board fence up to six (6) feet in height provided landscaping is provided between the fence and the sidewalk.

9. PARKING REGULATIONS

Parking shall be provided in accordance with the applicable zoning and building code requirements of the City, including PDA standards. This will provide adequate vehicular parking for the Area.

Where feasible, parking shall be limited to the rear of the property alley, and at least one parking space shall be provided for each residential unit. In addition, surface parking shall not exceed beyond the established building line. Surface parking along public streets shall be buffered by a continuous evergreen hedge at least two and one-half (2-1/2) feet high on planting and maintained at three and one-half (3-1/2) feet high at maturity.

10. SIGN REGULATIONS

All new signs shall be limited as set out in the City Code, PDA stipulations, this Plan and contracts between the LCRA and the Redeveloper. All new signs shall be restricted to standard sale/lease signs.

11. BUILDING, CONDITIONAL USE AND SIGN PERMITS

No building, conditional use, or sign permits shall be issued by the City without the prior written approval of the LCRA.

12. PUBLIC IMPROVEMENTS

No additional schools, parks, recreational and community facilities or other public facilities will be required. Additional water, sewage or other public utilities may be required depending on development. The cost of such utility improvements will be borne by the Redeveloper.

If funds are available to the LCRA, it may provide public improvements including, but not limited to, measures for the control of traffic, improvements to street lighting, street trees, and any other improvements which may further the objectives of this Plan.

When developed in accordance with this Plan, the Area will comprise a coordinated, adjusted and harmonious development that promotes the health, safety, morals, order, convenience, prosperity, the general welfare, efficiency and economy of the City.

**C. PROPOSED SCHEDULE OF DEVELOPMENT**

The implementation of this Plan shall take place in a single phase initiated within approximately one (1) year of approval of this Plan by ordinance and completed within approximately two (2) years of approval of this Plan by ordinance.

The LCRA may alter the above schedule as economic conditions warrant.

**D. EXECUTION OF PROJECT**

1. ADMINISTRATION AND FINANCING

The LCRA is empowered by Missouri law to administer development of all types pursuant to this Plan and can do so to the extent and in the manner prescribed by the Land Clearance for Redevelopment Authority Law of Missouri.

All costs associated with the development of the Area will be borne by the Redeveloper.

Implementation of this Plan may be financed by funds obtained from private and/or public sources, including, without limitation, revenue bonds, bank loans, and equity funds provided by the Redeveloper.

2. PROPERTY ACQUISITION

The Property Acquisition Map, Exhibit "D" attached, identifies all the property located in the Area. The LCRA may not acquire any property in the Area by the exercise of eminent domain.

3. PROPERTY DISPOSITION

If the LCRA acquires property in the Area, it may sell or lease the property to a Redeveloper who shall agree to develop such property in accordance with this Plan and the contract between such Redeveloper and the LCRA. Any property acquired by the LCRA and sold to a Redeveloper will be sold at not less than its fair value, taking into account and giving consideration to those factors enumerated in Section 99.450, R.S.Mo. (2000) as amended, for uses in accordance with this Plan.

4. RELOCATION ASSISTANCE

The property within the Area is currently unoccupied. If it should become occupied, all eligible occupants displaced as a result of the implementation of the Plan shall be given relocation assistance in accordance with all applicable federal, state and local laws, ordinances, regulations and policies.

**E. COOPERATION OF THE CITY**

The City and its Board of Aldermen, by enacting an ordinance approving this Plan, pledges its cooperation to enable the project to be carried out in a timely manner and in accordance with this Plan.

**F. TAX ABATEMENT**

A Redeveloper which is an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes shall hereby be entitled to real property ad valorem tax abatement which shall not include taxes collected for any Special Business District, Neighborhood Improvement District, Commercial Improvement District, or any other single local taxing district created in accordance with Missouri law, whether now existing or later created, for a total period of up to five (5) years from the commencement of such tax abatement, in accordance with the following provisions:

If property in the Area is sold by the LCRA to an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes, or if any such corporation shall own property within the Area, then for up to the first five (5) years after the date the redevelopment corporation shall acquire title to such property, taxes on such property shall be based upon the assessment of land, exclusive of any improvements thereon, during the calendar year preceding the calendar year during which such corporation shall have acquired title to such property. In addition to such taxes, any such corporation shall for up to the same five (5) year period make a payment in lieu of taxes to the Collector of Revenue of the City of St. Louis in an amount based upon the assessment on the improvements located on the property during the calendar year preceding the calendar year during which such corporation shall have acquired title to such property. If property shall be tax exempt because it is owned by the LCRA and leased to any such corporation, then such corporation for up to the first five (5) years of such lease shall make payments in lieu of taxes to the Collector of Revenue of the City in an amount based upon the assessment on the property, including land and improvements, during the calendar year preceding the calendar year during which such corporation shall lease such property.

All payments in lieu of taxes shall be a lien upon the property and, when paid to the Collector of Revenue of the City shall be distributed as all other property taxes. These partial tax relief and payment in lieu of taxes provisions, during up to said five (5) year period, shall inure to the benefit of all successors in interest in the property of the redevelopment corporation, so long as such successors shall continue to use such property as provided in this Plan and in any contract with the LCRA. In no event shall such benefits extend beyond five (5) years after the redevelopment corporation shall have acquired title to the property.
