**Unanimous Verified Petition Approving the Imposition of a Sales Tax Within the St. Louis Convention Center Hotel Transportation Development District**

COME NOW Petitioners, Convention Center Hotels Acquisition Company, LLC ("CCHAC") and Missouri Development Finance Board ("MDFB" and together with CCHAC, the "Property Owners"), who are collectively the owners of all the property in the St. Louis Convention Center Hotel Transportation Development District (the "District"), and the "qualified voters" of the District pursuant to the Missouri Transportation Development District Act, Sections 238.200 through 238.280, RSMo. (the "TDD Act"), to hereby submit this Unanimous Verified Petition approving the imposition of a sales tax within the District, as authorized by the Court in its Judgment and Order dated March 15, 2010. In support hereof, the Property Owners state as follows:

1. On November 24, 2009, the Property Owners filed a Petition for the Formation of a Transportation Development District with the Circuit Court of the City of St. Louis, Missouri (the "Petition") for establishment of the District.

2. The Petition states that the Property Owners desire to create the District

for the sole purpose of funding and assisting in the funding of a "project" within the meaning of Section 238.202.1(5) of the TDD Act as generally described in Exhibit C to the Petition and incorporated herein by reference (the "Transportation Project") through the imposition of a transportation development district sales tax (the "District Sales Tax") pursuant to Section 238.235 of the TDD Act.

On March 15, 2010, following a hearing, the Circuit Court issued its Judgment and Order declaring that the District had been formed pursuant to the TDD Act, certifying the proposed District Sales Tax for qualified voter approval, setting the date for a meeting of the property owners to elect the Board of Directors, and setting a date for the first meeting of the District Board of Directors (the "Order"). A copy of the Order is attached hereto as Exhibit A and incorporated herein by reference.

4. The Property Owners held a meeting and elected the Board of Directors of the District on March 17, 2010.

5. On March 17, 2010, the Board of Directors approved Resolution 2010-9, which imposed the District Sales Tax, subject to approval of the qualified voters in the District.

6. The Property Owners are the owners of all of the real property within the District and are therefore the qualified voters for the purpose of voting to impose the District Sales Tax pursuant to Section 238.202 of the TDD Act.

7. Section 238.216.1(3) of the TDD Act provides that if all the owners of property in the District joined in the petition for formation of the District, such owners may cast their ballot by unanimous verified petition approving any measure submitted to them as voters pursuant to the TDD Act, and each owner shall receive one vote per acre owned, and thereafter the petition shall be filed with the circuit court clerk, which filing shall constitute an election under the TDD Act.

8. CCHAC owns 1.9752 acres of real property within the District and has authorized an appropriate official to vote for CCHAC in this election.

9. MDFB owns 0.7725 acres of real property within the District and has authorized an appropriate official to vote for MDFB in this election.

10. By this Unanimous Verified Petition, the Property Owners, who constitute the qualified voters of the District, hereby vote in favor of the District Sales Tax.

11. Pursuant to the Order, the Circuit Court Clerk of the City of St. Louis, Missouri,

**EXHIBIT A JUDGMENT AND ORDER**

In the Circuit Court of the City of St. Louis, State of Missouri

Petitioners, ) Cause No. 0922-CC10037  
v. ) Division: 18

Missouri Highways and Transportation Commission, et al., )

Respondents. )

**JUDGMENT AND ORDER CREATING A TRANSPORTATION DEVELOPMENT DISTRICT**

On this 15<sup>th</sup> day of March, 2010, in response to the Petitioners’ Motion for Entry of Judgment and Order Creating a Transportation Development District, this

Court takes up the matter of organizing the St. Louis Convention Center Transportation Development District (the “District”) pursuant to the Petitioners’ Petition for the Formation of a Transportation Development District (the “Petition”) and the Missouri Transportation Development District Act, Sections 238.200 to 238.280 of the Revised Statutes of Missouri, as amended (the “Act”). Respondents, the City of St. Louis, Missouri (the “City”) and the Missouri Highways and Transportation Commission (the “Commission”), have not filed any objections to the Petition and are not opposed to this Judgment and Order. This Court, in consideration of the pleadings before it, hereby orders, adjudges and decrees as follows:

**FINDINGS, CERTIFICATIONS AND CONCLUSIONS**

1. The Petitioners are currently the owners of record of all real property located within the proposed District (the “Property”) and, as such, have standing to present the Petition for forming the District.

2. The allegations contained in the Petition are found to be true.

3. The proposed District consists of land on which there are no structures used for permanent or legal residences; accordingly, there are no persons eligible to be registered voters residing within the proposed District.

4. The owners of record of the Property constitute the only “qualified voters” for purposes of the Act.

5. The Petition is not legally defective and all Respondents have been duly served with process in this action, or otherwise properly appeared in this action.

6. No objections to the Petition, timely or otherwise, have been filed.

7. Pursuant to Section 238.212.2 of the Act, the Court held a public hearing on the creation and funding of the proposed District.

8. Notice of such public hearing was published once a week for four (4) consecutive weeks in the St. Louis Daily Record as required by Section 238.212 of the Act (publication of said notice occurred on January 16, 2010, January 23, 2010, January 30, 2010 and February 6, 2010) and said notice was substantially in the form described in Section 238.212.1 of the Act.

9. The District is neither illegal nor unconstitutional.

10. The District is composed of contiguous land pursuant to Section 238.207.3 of the Act and includes the property legally described in **Exhibit A**, incorporated herein

by reference, as depicted on the map attached as **Exhibit B**, incorporated herein by reference.

11. The District is properly, duly and lawfully organized and is established as a political subdivision pursuant to and in accordance with the Act for the sole purpose of funding the Transportation Project (as defined in the Petition).

12. The name of the District is the "St. Louis Convention Center Hotel Transportation Development District."

13. Because the owners of all real property in the District filed the Petition, the Court hereby certifies the funding method set forth in the Petition (i.e., the imposition of a sales tax at a rate of not to exceed one percent (1.0%) pursuant to Section 238.235 of the Act (the "TDD Sales Tax")) for qualified voter approval pursuant to Section 238.210.2 of the Act upon passage of a resolution calling for such funding method by the Board of Directors of the District. Upon approval by the Board of Directors of the District of such resolution, Petitioners may cast their ballot and approve the following funding proposal by unanimous verified petition:

"Shall the St. Louis Convention Center Hotel Transportation Development District be authorized to impose a transportation development district-wide sales tax at the rate of not to exceed one percent (1.0%) for a period not to exceed thirteen (13) years from the date on which such tax is first imposed for the purpose of funding and assisting in the funding of a parking garage and the operation and maintenance costs of a parking garage located within the boundaries of the District, and for the purpose of funding the operation and administration of the District?"

14. The TDD Sales Tax is neither illegal nor unconstitutional and upon approval and adoption of a resolution by the Board of Directors of the District and submission of a unanimous verified petition approving the measure stated above by the owners of record of the Property pursuant to Section 238.216.1(3) of the Act, the District may impose the TDD Sales Tax.

15. The District is not an undue burden on any owner of real property within the District and is not unjust or unreasonable.

16. The Transportation Project, as described in the Petition, is a proper and legal project under the Act and will benefit all of the real property in the District.

17. The Commission has declined to consider the Transportation Project.

18. The Transportation Project has not been and is not intended to be merged into the state highway and transportation system under the Commission's jurisdiction and is under the jurisdiction of the City. Approval of the Transportation Project therefore shall vest exclusively with the City, subject to the District and the City entering into a mutually satisfactory agreement regarding development and future maintenance of the Transportation Project.

IT IS HEREBY FURTHER ORDERED, ADJUDGED AND DECREED, that:

A. The District is hereby established as a political subdivision pursuant to and in accordance with the Act for the sole purpose of funding the Transportation Project through the imposition of the TDD Sales Tax and includes in its boundaries all of the real property depicted in the Exhibit A attached hereto.

B. The District shall have only those powers, rights and obligations set forth in the Petition and the Act, and such implied powers, rights and obligations as are necessary to the execution thereof and necessary and appropriate to its purpose described in the Petition and not inconsistent with the Act.

C. Upon approval and adoption of a resolution by the Board of Directors of the District and submission of a unanimous petition approving the measure submitted to them as voters pursuant to Section 238.216.1(3) of the Act, the District may impose a sales tax a rate of not to exceed one percent (1.0%) pursuant to Section 238.235 of the Act for the sole purpose of funding and assisting in the funding of the Transportation Project.

D. The meeting of the property owners to elect the Board of Directors is called by Order of this Court without publication pursuant to Section 238.220.2(1) of the Act because the owners of all real property in the District filed the petition for formation of the District. The meeting of the property owners to elect the District's Board of Directors shall be held on the second weekday following the date of entry of this Judgment and Order, at 10:00 a.m. at the offices of the St. Louis Development Corporation, 1015 Locust Street, Suite 1200, St. Louis, Missouri, or as soon thereafter on such day as is reasonably practicable for the property owners.

E. The first meeting of the Board of Directors shall be held on the second weekday following the date of entry of this Judgment and Order, at 10:05 a.m. at the offices of the St. Louis Development Corporation, 1015

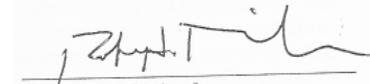

Locust Street, Suite 1200, St. Louis, Missouri, or as soon thereafter on such day as is reasonably practicable.

F. The Circuit Court Clerk of the City of St. Louis, Missouri is ordered to and shall verify the authenticity of all signatures submitted on a unanimous petition of the property owners within the District approving any measure submitted to them as voter in accordance with Section 238.216.1(3) of the Act by acknowledging and certifying that such signatures have been duly notarized in accordance with Missouri law, and the Circuit Court Clerk shall transmit a certified copy of the results to the City Register of the City of St. Louis, Missouri and order the City Register to cause the same to be spread upon the records of the City of St. Louis Board of Aldermen.

G. The Transportation Project is subject to the approval of the City, subject to the District and the City entering into a mutually satisfactory agreement regarding development and future maintenance of the Transportation Project.

H. The costs of filing and defending the Petition and all publications and incidental costs incurred in obtaining the Court's certification of the Petition for voter approval shall be paid by the Petitioners.

SO ORDERED THIS 15<sup>th</sup> DAY OF MARCH, 2010.

  
Hon. Robert H. Dierker, Jr.
