If any mutilated TIF Note is surrendered to the Finance Officer or the Finance Officer receives evidence to his/her satisfaction of the destruction, loss or theft of any TIF Note and there is delivered to the Finance Officer such security or indemnity as may be required by it to save the City and the Finance Officer harmless, then, in the absence of notice to the Finance Officer that such TIF Note has been acquired by a bona fide purchaser, the City shall execute and the Finance Officer shall register and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen TIF Note, a new TIF Note with the same Maturity Date and of like tenor and principal amount. Upon the issuance of any new TIF Note under this Section, the City and the Finance Officer may require the payment by the Owner of a sum sufficient to cover any tax or other

governmental charge that may be imposed in relation thereto and any other expenses connected therewith. If any such mutilated, destroyed, lost or stolen TIF Note has become or is about to become due and payable, the Finance Officer may, in its discretion, pay such TIF Note instead of issuing a new TIF Note.

Section 2.9 Cancellation, Discharge and Abatement of TIF Notes. All TIF Notes that have been paid or redeemed or that otherwise have been surrendered to the Finance Officer, either at or before the Maturity Date, shall be canceled and destroyed by the Finance Officer in accordance with existing security regulations upon the payment or redemption of such TIF Note and the surrender thereof to the Finance Officer. The Finance Officer shall execute a certificate in duplicate describing the TIF Notes so cancelled and destroyed, and shall file an executed counterpart of such certificate with the City.

In the event of an optional redemption of the Notes, unless waived by any Registered Owner of Notes to be redeemed, official notice of any redemption shall be given by the Finance Officer on behalf of the City by mailing a copy of an official redemption notice by first class mail, postage prepaid, at least thirty (30) days (five days if all of the Notes are owned by the Developer) and not more than sixty (60) days prior to the date fixed for redemption, to each Registered Owner of the Notes to be redeemed at the address shown on the Note Register.

All official notices of optional redemption shall be dated and shall contain the following information: (a) the redemption date; (b) the redemption price; (c) if less than all outstanding Notes are to be redeemed, the identification number and maturity date(s) (and, in the case of partial redemption of any Notes, the respective principal amounts) of the Notes to be redeemed; (d) a statement that on the redemption date the redemption price will become due and payable upon each Note or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the redemption date; and (e) the place where such Notes are to be surrendered for payment of the redemption price, which shall be the office of the Finance Officer. The failure of any Registered Owner to receive notice given as heretofore provided or an immaterial defect therein shall not invalidate any redemption.

Section 3.2 Special Mandatory Redemption. All TIF Notes are subject to special mandatory redemption by the City on each Payment Date, at a redemption price equal to 100% of the principal amount being redeemed, together with accrued interest thereon to the date fixed for redemption, which amount of principal being redeemed shall be an amount equal to Available Revenues then on deposit in the applicable account of the Special Allocation Fund and which will not be required for the payment of interest on such Payment Date.

In the event of a special mandatory redemption of any Notes with a Registered Owner other than Developer or a Related Entity, unless waived by such Registered Owner of Notes to be redeemed, official notice of any redemption shall be given by the Finance Officer on behalf of the City by mailing a copy of an official redemption notice by first class mail, postage prepaid, at least thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption, to each Registered Owner other than Developer or a Related Entity of the Notes to be redeemed at the address shown on the Note Register.

Section 3.3 Selection of Notes to be Redeemed. TIF Notes shall be redeemed only in Authorized Denominations. When less than all of the outstanding TIF Notes are to be redeemed and paid prior to maturity, such TIF Notes or portions of TIF Notes from within the same Series to be redeemed shall be selected in Authorized Denominations by the Finance Officer in such equitable manner as it may determine. In the case of a partial redemption of TIF Notes from within the same Series when TIF Notes of denominations greater than the minimum Authorized Denomination are then outstanding, then for all purposes in connection with such redemption each Authorized Denomination unit of face value shall be treated as though it was a separate TIF Note of the denomination of the minimum Authorized Denomination.

Section 3.4 Notice and Effect of Call for Redemption. In the event of any optional or special mandatory redemption of the Notes, unless waived by any Registered Owner of Notes to be redeemed, official notice of any redemption shall

be given by the Finance Officer on behalf of the City by mailing a copy of an official redemption notice by first class mail to each Registered Owner of the Notes to be redeemed at the address shown on the Note Register.

All official notices of redemption shall be dated and shall contain the following information:

- (a) the redemption date;
- (b) the redemption price;
- (c) if less than all outstanding Notes are to be redeemed, the identification (and, in the case of partial redemption of any Notes, the respective principal amounts) of the Notes to be redeemed;
- (d) a statement that on the redemption date the redemption price will become due and payable upon each Note or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the redemption date; and
- (e) the place where such Notes are to be surrendered for payment of the redemption price, which shall be the office of the Finance Officer.

The failure of any Registered Owner to receive notice given as heretofore provided or an immaterial defect therein shall not invalidate any redemption. All Notes that have been redeemed shall be cancelled and destroyed by the Finance Officer as provided herein and shall not be reissued.

ARTICLE IV. FUNDS AND REVENUES

Section 4.1 Creation of Funds and Accounts. There are hereby created or ratified and ordered to be established in the treasury of the City the Special Allocation Fund into which all TIF Revenues shall be deposited, and within it the following separate funds and accounts:

Section 4.2 Administration of Funds and Accounts. The Special Allocation Fund and the funds and accounts established therein shall be maintained in the treasury of the City and administered by the City solely for the purposes and in the manner as provided in the Act, this Ordinance, the Approving Ordinance, and the Authorizing Ordinance so long as any TIF Notes remain outstanding hereunder.

Section 4.3 Revenue Fund.

- (a) On or before the date that is five (5) days prior to each Payment Date while the TIF Notes remain outstanding, the City shall transfer and deposit:
 - (i) Those Available Revenues attributable to PILOTS into the PILOTS Account of the Revenue Fund; and
 - (ii) Those Available Revenues attributable to EATS into the EATS Account of the Revenue Fund; and
 - (iii) Those Available Revenues attributable to CID Revenues into the CID Revenues Account of the Revenue Fund.

(b) Available Revenues in the Revenue Fund shall be applied, first from the EATS Account, second from the PILOTS Account, and third from the CID Revenues Account (provided that monies from the CID Revenues Account shall only be applied to pay principal and interest on that portion of the principal amount of TIF Notes equal to the amount of CID Costs) for the purposes and in the amounts as follows:

First, to payment of arbitrage rebate, if any, owed with respect to the TIF Notes under Section 148 of the Internal Revenue Code of 1986, as amended, including any costs of calculating arbitrage rebate;

Second, to the Finance Officer of the City and the St. Louis Development Corporation (which monies shall be paid one half to the Finance Officer and one half to the St. Louis Development Corporation), 0.2% of the Notes outstanding on each Payment Date, plus any accumulated deficiency from previous years, plus an amount sufficient to pay all or any portion of the fees and expenses incurred by the City pursuant to Section 7.15 of the Agreement that have not otherwise been reimbursed to the City through the issuance of TIF Notes;

Fourth, to the Series A Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the accrued interest becoming due and payable on any Series A TIF Notes on each Payment Date;

Fifth, to the Series A Account of the Debt Service Fund, an amount sufficient to pay the interest on the Series A TIF Notes on the next succeeding Payment Date;

Sixth, for transfer to the Debt Service Reserve Fund, if established, such amount as may be required to restore any deficiency in the Debt Service Reserve Fund if the amount on deposit in the Debt Service Reserve Fund is less than the Debt Service Reserve Requirement;

Seventh, to the Series A Account of the Debt Service Fund, an amount sufficient to pay the principal of any Series A TIF Notes that are subject to redemption pursuant to the Note Ordinance on each Payment Date;

Eighth, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the past due interest owing as a result of prior deficiencies of moneys to pay interest due on the Series B Note on each Payment Date;

Ninth, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the accrued interest becoming due and payable on any Series B Note on each Payment Date;

Tenth, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay the interest on the Series B Notes on the next succeeding Payment Date;

Eleventh, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay the principal of any Series B Note that is subject to redemption pursuant to this Note Ordinance on each Payment Date; and

Twelfth, all other remaining money in the PILOTS Account and the EATS Account of the Special Allocation Fund shall annually be declared as surplus and distributed in the manner provided in the TIF Act and/or the CID Act (as such term is defined in the Redevelopment Agreement), as applicable.

If monies available in the Special Allocation Fund are insufficient to reimburse the City as provided above on any Payment Date, then the unpaid portion shall be carried forward to the next Payment Date, with interest thereon at the same rate as the Series A Notes.

(c) Upon the payment in full of the principal of and interest on all TIF Notes (or provision has been made for the payment thereof as specified in the Note Ordinance), payment in full of the fees and expenses of the Finance Officer and the St. Louis Development Corporation, and payment in full of any other amounts required to be paid under this Ordinance, all amounts remaining on deposit in the Revenue Fund shall be declared as surplus and distributed in the manner provided in the Act.

Section 4.4 Debt Service Fund.

(a) All amounts paid and credited to the Debt Service Fund shall be expended solely for (i) the payment of the

principal of and interest on the TIF Notes as the same mature and become due or upon the redemption thereof, said TIF Notes all being subject to special mandatory redemption thereof, or (ii) to purchase Notes for cancellation prior to maturity.

(b) The City hereby authorizes and directs the Finance Officer to withdraw sufficient moneys from the Debt Service Fund to pay the principal of and interest on the TIF Notes as the same become due and payable, and to make said moneys so withdrawn available for the purpose of paying said principal of and interest on the TIF Notes.

(c) After payment in full of the principal of and interest on the TIF Notes (or provision has been made for the payment thereof as specified in this Ordinance), payment of the fees and expenses of the Finance Officer, and payment of any other amounts required to be paid under this Ordinance, all amounts remaining in the Debt Service Fund shall be declared as surplus and distributed in the manner provided in the Act.

Section 4.5 Project Fund. Upon acceptance by the City of a Certificate of Reimbursable Redevelopment Project Costs and the issuance or endorsement of a TIF Note pursuant to **Section 2.7** of this Ordinance, the Developer shall be deemed to have advanced funds necessary to purchase such TIF Note and the City shall be deemed to have deposited such funds in the Project Fund and shall be deemed to have reimbursed the Developer or paid for in full for such costs from the amounts deemed to be on deposit in the Project Fund.

Section 4.6 Debt Service Reserve Fund. Except as herein otherwise provided, funds on deposit in the Debt Service Reserve Fund shall be used and applied by the Finance Officer solely to prevent a default in the event moneys on deposit in the Debt Service Fund shall be insufficient to pay the principal of and interest on the Series A Notes as the same become due. The Finance Officer may disburse and expend moneys from the Debt Service Reserve Fund whether or not the amount therein equals the Debt Service Reserve Fund Requirement. Moneys on deposit in the Debt Service Reserve Fund may be used to pay Series A Notes called for redemption or to purchase Series A Notes in the open market, prior to the Maturity Date, provided all Notes at the time outstanding are called for redemption or purchased and sufficient funds are available therefore. Moneys on deposit in the Debt Service Reserve Fund shall be used to pay and retire the Series A Notes last becoming due, unless such Notes and all interest thereon are otherwise paid.

So long as the sum on deposit in the Debt Service Reserve Fund shall aggregate an amount equal to the Debt Service Reserve Fund Requirement, investment earnings on funds on deposit in the Debt Service Reserve Fund shall be deposited into the Series A Account of the Debt Service Fund; provided, however, that if no Series A Notes are then outstanding, such investment earnings shall be deposited into the Series B Account of the Debt Service Fund. If the sum on deposit in the Debt Service Reserve Fund shall be less than the Debt Service Reserve Fund Requirement, investment earnings on funds in the Debt Service Reserve Fund shall remain therein and be applied to reducing such deficiency.

So long as the sum on deposit in the Debt Service Reserve Fund shall aggregate an amount equal to the Debt Service Reserve Fund Requirement on each Payment Date, no further deposits to said Debt Service Reserve Fund shall be required. Investments and moneys in the Debt Service Reserve Fund shall be valued at the market value thereof, exclusive of accrued interest, by the Finance Officer on and the amount on deposit therein determined accordingly.

After payment in full of the principal of, premium, if any, and interest on the Notes (or provision has been made for the payment thereof as specified in the Ordinance), the fees, charges and expenses of the Finance Officer and any Paying Agent and any other amounts required to be paid under the Ordinance or any other instrument entered into with respect to the Notes, all amounts remaining in the Debt Service Reserve Fund shall be paid to the City.

Section 4.7 Nonpresentment of Notes. If any TIF Note is not presented for payment when the principal thereof becomes due at stated maturity or prior redemption date, if funds sufficient to pay such TIF Note have been made available to the Finance Officer, all liability of the City to the Registered Owner thereof for the payment of such TIF Note shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Finance Officer to hold such funds, without liability for interest thereon, for the benefit of the Registered Owner of such TIF Note, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Ordinance or on, or with respect to, said TIF Note. If any TIF Note is not presented for payment within five (5) years following the date when such TIF Note becomes due at maturity, the Finance Officer shall repay to the City the funds theretofore held by it for payment of such TIF Note, and such TIF Note shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the City, and the Registered Owner thereof shall be entitled to look only to the City for payment, and then only to the extent of the amount so repaid to it by the Finance Officer, and the City shall not be liable for any interest thereon and shall not be regarded as a Finance Officer of such money.

ARTICLE V. REMEDIES

Section 5.1 Remedies. The provisions of this Ordinance, including the covenants and agreements herein contained, shall constitute a contract between the City and the Owner. The Owner shall have the right:

(a) by mandamus or other suit, action or proceedings at law or in equity to enforce the rights of the Owner against the City and its officers, agents and employees, and to require and compel duties and obligations required by the provisions of this Ordinance or by the constitution and laws of the State of Missouri;

(b) by suit, action or other proceedings in equity or at law to require the City, its officers, agents and employees to account as if they were the trustees of an express trust; and

(c) by suit, action or other proceedings in equity or at law to enjoin any acts or things which may be unlawful or in violation of the rights of the Owner.

Section 5.2 Limitation on Rights of Owner. The Owner secured hereby shall not have any right in any manner whatever by its action to affect, disturb or prejudice the security granted and provided for herein, or to enforce any right hereunder, except in the manner herein provided.

Section 5.3 Remedies Cumulative. No remedy conferred herein upon the Owner is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred herein. No waiver of any default or breach of duty or contract by the Owner shall extend to or affect any subsequent default or breach of duty or contract or shall impair any rights or remedies thereon. No delay or omission of the Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein. Every substantive right and every remedy conferred upon the Owner by this Ordinance may be enforced and exercised from time to time and as often as may be deemed expedient. If any suit, action or proceedings taken by the Owner on account of any default or to enforce any right or exercise any remedy has been discontinued or abandoned for any reason, or has been determined adversely to the Owner, then, and in every such case, the City and the Owner shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Owner shall continue as if no such suit, action or other proceedings had been brought or taken.

ARTICLE VI. DEPOSIT AND INVESTMENT OF MONEYS

Section 6.1 Deposits of Moneys. All moneys deposited with or paid to the Finance Officer for the account of the various funds established under this Ordinance shall be held by the Finance Officer in trust and shall be applied only in accordance with this Ordinance. The Finance Officer shall not be under any liability for interest on any moneys received hereunder except as otherwise provided herein.

Section 6.2 Investment of Moneys. Moneys held in any fund or account referred to in this Ordinance shall be invested by the City as set forth in Section 95.530 Revised Statutes of Missouri of Missouri, as amended. All earnings on any investments held in any fund shall accrue to and become a part of such fund or account, except the Debt Service Reserve Fund as provided in Section 4.6 herein.

ARTICLE VII. MISCELLANEOUS PROVISIONS

Section 7.1 Covenant to Request Appropriations. The City agrees that it shall comply with its Charter, Article XVI, Section 3 for each fiscal year that the TIF Notes are outstanding and the City official(s) shall request an appropriation of all moneys on deposit in the Special Allocation Fund for transfer to the Finance Officer for deposit at the times and in the manner provided in **Section 4.3** of this Ordinance.

Section 7.2 Tax Matters. Neither the City nor the Developer shall use or permit the use of any proceeds of the Tax Exempt TIF Note to acquire any securities or obligations, and shall not take or permit to be taken any other action or actions, which would cause the Tax Exempt TIF Note to be an "arbitrage bond" within the meaning of Section 148(a) of the Code, or "federally guaranteed" within the meaning of Section 149(b) of the Code. The City (to the extent within its power or discretion) and the Developer shall not use or permit the use of any proceeds of the Tax Exempt TIF Note, and shall not take or permit to be taken any other action or actions, which would result in the Tax Exempt TIF Note being treated as other than an obligation described in Section

103(a) of the Code. The City (to the extent within its power or discretion) and the Developer shall not use any portion of the proceeds of the Tax Exempt TIF Note, including any investment income earned on such proceeds, in any manner that would cause the Tax Exempt TIF Note to be a "private activity bond" within the meaning of Section 141(a) of the Code. The officers of the City, including the Mayor, the Finance Officer and the City Register, shall be, and they hereby are, authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Section.

Section 7.3 Payments Due on Saturdays, Sundays and Holidays. In any case where the Payment Date is a Saturday, a Sunday or a legal holiday or other day that is not a business day, then payment of principal or interest need not be made on such date but may be made on the next succeeding business day with the same force and effect as if made on the Payment Date, and no interest shall accrue for the period after such date.

Section 7.4 Notices, Consents and Other Instruments. Any notice, consent, request, direction, approval, objection or other instrument required by this Ordinance to be signed and executed by the Owner of the TIF Notes may be in any number of concurrent writings of similar tenor and may be signed or executed by such Owner in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of the TIF Note, if made in the following manner, shall be sufficient for any of the purposes of the Ordinance, and shall be conclusive in favor of the City with regard to any action taken, suffered or omitted under any such instrument, namely:

(a) The fact and date of the execution by any person of any such instrument may be proved by a certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such instrument acknowledged before such officer the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of ownership of the TIF Note, the amount or amounts and other identification of the TIF Note, and the date of holding the same shall be proved by the registration books of the City.

Section 7.5 Execution of Documents; Further Authority. The City is hereby authorized to enter into and the Mayor and the Finance Officer of the City are hereby authorized and directed to execute and deliver, for and on behalf of and as the act and deed of the City, the TIF Notes and such other documents, certificates and instruments as may be necessary or desirable to carry out and comply with the intent of this Ordinance. The officers of the City, including without limitation the Mayor, the Finance Officer and the Register, are hereby authorized and directed to execute, and the City Register is hereby authorized and directed where appropriate to attest, all certificates, documents or other instruments, and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Ordinance and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instrument and other documents herein approved, authorized and confirmed which they determine to be in the City's best interest, and the execution or taking of such action shall be conclusive evidence of such determination.

Section 7.6 Severability. If any section or other part of this Ordinance, whether large or small, is for any reason held invalid, the invalidity thereof shall not affect the validity of the other provisions of this Ordinance.

Section 7.7 Governing Law. This Ordinance shall be governed exclusively by and constructed in accordance with the applicable internal laws of the State of Missouri.

Section 7.8 Private Sale. The Board of Aldermen of the City hereby declares that it is in the City's best interest to sell the TIF Notes at private sale because a public sale of the TIF Notes would cause additional expense to the City and because the condition of the current financial markets makes such a public sale not feasible or the best course of action for the City.

Section 7.9 Termination. After adoption of this Ordinance by the Board of Aldermen, this Ordinance shall become effective on the 30th day after its approval by the Mayor or adoption over his veto; provided that if, within ninety (90) days after the effective date of the Authorizing Ordinance, the Developer has not (i) executed the Redevelopment Agreement pertaining to the Redevelopment Project and (ii) paid all fees due to the City in accordance with the terms of the Redevelopment Agreement, the provisions of this Ordinance shall be deemed null and void and of no effect and all rights conferred by this Ordinance on Developer, shall terminate, provided further, however, that prior to any such termination the Developer may seek an extension of time in which to execute the Redevelopment Agreement, which extension may be granted in the sole discretion of the Board of Estimate and Apportionment of the City of St. Louis.

THE OBLIGATIONS OF THE CITY WITH RESPECT TO THIS TIF NOTE TERMINATE SEPTEMBER 2, 2029, WHICH IS TWENTY-THREE YEARS FROM THE EFFECTIVE DATE OF THE ORDINANCE APPROVING THE REDEVELOPMENT PROJECT, WHETHER OR NOT THE PRINCIPAL AMOUNT OR INTEREST HEREON HAS BEEN PAID IN FULL. REFERENCE IS MADE TO THE NOTE ORDINANCE FOR A COMPLETE DESCRIPTION OF THE CITY'S OBLIGATIONS HEREUNDER.

Subject to the preceding paragraph, the principal of and interest on this TIF Note shall be paid at maturity or upon earlier redemption as provided in Article III of the Note Ordinance to the person in whose name this TIF Note is registered at the maturity or redemption date hereof, upon presentation and surrender of this TIF Note at the payment office of the Finance Officer of the City or her authorized agent (the "Finance Officer"). The principal of and interest on the TIF Notes shall be payable in any coin or currency of the United States of America which, at the respective dates of payment thereof, is legal tender for the payment of debts due the United States of America. The principal of or interest on this TIF Note shall be payable by check or draft or by wire transfer to the person in whose name this TIF Note is registered at the office of the Finance Officer to the Registered Owner on the Register on each Payment Date. Except as otherwise provided in Section 2.8 of the Note Ordinance with respect to mutilated, destroyed, lost or stolen TIF Notes, no principal on the TIF Notes is payable unless the Registered Owner thereof has surrendered such TIF Notes at the office of the Finance Officer.

This TIF Note is one of an authorized series of fully registered Notes of the City designated "City of St. Louis, Missouri, [Taxable][Tax-Exempt] Tax Increment Revenue Notes (Park Pacific Redevelopment Project), Series 20__-A/B," issued in an aggregate principal amount of not to exceed \$21,410,000 plus Issuance Costs (the "TIF Notes" or "Notes"). The TIF Notes are being issued for the purpose of paying a portion of the Redevelopment Project Costs in connection with the Redevelopment Plan, under the authority of and in full compliance with the Constitution and laws of the State of Missouri, including particularly the Real Property Tax Increment Allocation Redevelopment Act, Sections 99.800 to 99.865, of the Revised Statutes of Missouri, as amended (the "Act"), and pursuant to the Note Ordinance.

The TIF Notes and the interest thereon are and shall be special, limited obligations of the City payable solely from and secured as to the payment of principal and interest, by the Available Revenues and other moneys pledged thereto and held by the Finance Officer as provided herein. "Available Revenues" means all monies on deposit from time to time (including investment earnings thereon) in (a) the PILOTS Account; (b) subject to annual appropriation, the EATS Account that have been appropriated to the repayment of TIF Notes, and (c) the CID Revenues Account of the Revenue Fund excluding (i) any amount paid under protest until the protest is withdrawn or resolved against the taxpayer or (ii) any sum received by the City which is the subject of a suit or other claim communicated to the City which suit or claim challenges the collection of such sum.

The monies on deposit in the EATS Account of the Special Allocation Fund are those amounts subject to annual appropriation by the Board of Aldermen, equal to fifty percent (50%) of the total additional revenues from taxes, penalties and interest which are imposed by the City or other taxing districts (as that term is defined in Section 99.805(16) of the Act) and which are generated by economic activities within the Redevelopment Area over the amount of such taxes generated by economic activities within the Redevelopment Area in the calendar year ending December 31, 2005 (subject to annual appropriation by the City as provided in the Act), while tax increment financing remains in effect, but excluding personal property taxes, taxes imposed on sales

Notwithstanding the foregoing, EATS shall not include the operating levy for school purposes imposed by or any sales tax imposed by the Transitional School District of the City of St. Louis.

The monies on deposit in the CID Revenues Account of the Revenue Fund are all proceeds, after deduction for costs of collection and/or administration, from the imposition of the CID Sales Tax which are not captured as EATS but are instead pledged by the CID for a period of twenty (20) years from the date of such pledge to the City for deposit in the CID Revenues Account of the Revenue Fund of the Special Allocation Fund for the repayment of Project Obligations (the "CID Revenues").

The Series A TIF Notes shall be equally and ratably secured by Available Revenues. The Series B TIF Notes shall be equally and ratably secured by the Available Revenues on a subordinate basis to the Series A Notes. The TIF Notes shall be substantially in the form set forth in **Exhibit B**, attached hereto and incorporated herein by reference, with such appropriate variations, omissions and insertions as are permitted or required by this Ordinance, and may have endorsed thereon such legends or text as may be necessary or appropriate to conform to any applicable rules and regulations of any governmental authority or any usage or requirement of law with respect thereto.

(c) Terms of TIF Notes. The TIF Notes shall mature (subject to redemption and payment prior to maturity as provided in Article III hereof), on the date that is twenty-three (23) years after the effective date of the Approving Ordinance, which is _____. Each TIF Note shall bear interest at the greater of 7.5% per annum or the highest fixed rate per annum determined on the date that is not less than ten (10) and not more than sixty (60) business days prior to the scheduled closing date for issuance of the TIF Notes (the "Pricing Date") based on the municipal yield curve for general obligation bonds (the "MMD") compiled by Municipal Market Data Line ® (or its successors) and published by Thomson Financial, an operating unit of The Thomson Corporation (or its successors) using the MMD yield published as of the Issuance Date for general obligation bonds rated "AAA" that mature in the same year as the TIF Notes, (i) plus four percent (4%) if the interest on such TIF Note, in the opinion of Bond Counsel, is not exempt from Federal income taxation (the "Taxable Rate"), or (ii) plus two percent (2%) if the interest on such TIF Note, in the opinion of Bond Counsel, is exempt from Federal income taxation (the "Tax Exempt Rate"); provided, in no event shall the interest rate on the TIF Notes exceed ten percent (10%) per annum. All TIF Notes shall have a stated maturity of the Maturity Date. Interest shall be computed on the basis of a 360-day year of twelve 30-day months. The TIF Notes shall bear interest from their registration date or from the most recent Payment Date to which interest has been paid or duly provided for.

(d) Denominations. The TIF Notes shall be issuable as fully registered TIF Notes in Authorized Denominations.

(e) Numbering. Unless the City directs otherwise, each series of TIF Notes shall be numbered from R-1 upward.

(f) Dating. The TIF Notes shall be dated as provided in **Section 2.7**, as evidenced by the Finance Officer's signature on Schedule A to each TIF Note.

(g) Evidence of Principal Payments. The payment of principal of the TIF Notes on each Payment Date shall be noted on the TIF Notes on Schedule A thereto. The original Schedule A to the TIF Note shall be held by the Finance Officer in trust, unless otherwise directed in writing by the Owners thereof. If such Schedule A is held by the Finance Officer, the Finance Officer shall, on each Payment Date, send a revised copy of Schedule A via facsimile to the Owner. Absent manifest error, the amounts shown on Schedule A held by the Finance Officer shall be conclusive evidence of the principal amount paid on the TIF Notes.

(h) Sale of TIF Notes. When TIF Notes have been executed and authenticated as required by this Ordinance, the Finance Officer shall hold the TIF Notes in trust or, if directed in writing by the Owners thereof, deliver the TIF Notes to or upon the order of the Owners thereof, as provided in paragraph (g) above, but only upon payment to the City of a purchase price equal to one hundred percent (100%) of the face amount of the TIF Notes, which payment shall be deemed to have occurred under the circumstances described in Section 4.5 of this Ordinance.

Section 2.3 Finance Officer to Serve as Paying Agent and Registrar. The Finance Officer or the authorized representative thereof is hereby designated as the paying agent for the payment of principal of and interest on the TIF Notes and the bond registrar with respect to the registration, transfer and exchange of the TIF Notes and for allocating and holding funds as provided herein.

Section 2.4 Security for TIF Notes. The Series A TIF Notes shall be equally and ratably secured by Available Revenues. The Series B TIF Notes shall be equally and ratably secured by the Available Revenues on a subordinate basis to the Series A Notes. The TIF Notes shall be special, limited obligations of the City payable solely from and secured as to the payment of principal and interest by a pledge of the Available Revenues. The taxing power of the City is not pledged to the payment of the TIF Notes either as to principal or interest. The TIF Notes shall not be or constitute a general obligation of the City, nor shall they constitute an indebtedness of the City within the meaning of any constitutional, statutory or charter provision, limitation or restriction. TIF Notes may be issued in two series, with one series subordinate to TIF Notes of the other series issued hereunder (the "Subordinate Notes"), such that no payment of principal or interest on any such Subordinate Notes may be made while any TIF Notes are outstanding. THE OBLIGATIONS OF THE CITY WITH RESPECT TO THE TIF NOTES SHALL TERMINATE ON THE FIRST TO OCCUR OF THE FULL PAYMENT AND DISCHARGE OF THE TIF NOTES OR THE MATURITY DATE (WHETHER OR NOT THE PRINCIPAL AMOUNT OR INTEREST HAS BEEN PAID IN FULL).

Section 2.5 Method and Place of Payment of TIF Notes. The principal of and interest on the TIF Notes shall be payable in any coin or currency which, on the respective dates of payment thereof, is legal tender for the payment of debts due the United States of America. Payment shall be made by the Finance Officer as provided in this Note Ordinance and as set forth in **Exhibit B**. Principal and interest shall be payable by check or draft at the office of the Finance Officer or by wire transfer to the person in whose name such TIF Note is registered on the Register on each Payment Date.

Section 2.6 Registration, Transfer and Assignment. So long as the TIF Notes remain outstanding, the City shall cause to be kept at the office of the Finance Officer books for the registration, transfer and exchange of the TIF Notes as herein provided. The TIF Notes when issued shall be registered in the name of the Original Purchaser thereof on the Register.

The TIF Notes and beneficial interest therein may only be purchased by an Original Purchaser and transferred or assigned to the Developer, a Related Entity, a Qualified Institutional Buyer or Project Lender upon the execution by each proposed purchaser, transferee or assignee of a letter in substantially the form of **Exhibit C**, attached hereto and incorporated herein by reference, stating that such Original Purchaser, transferee or assignee (i) is an Approved Investor and (ii) has sufficient knowledge and experience in business and financial matters in general, and investments such as the TIF Notes in particular, to enable the Original Purchaser, transferee or assignee to evaluate the risks involved in an investment in the TIF Notes. The TIF Notes may be transferred and exchanged only upon the records of the City. Upon surrender of a TIF Note to the Finance Officer, the Finance Officer shall transfer or exchange the TIF Notes for a new TIF Note or TIF Notes, which shall be (i) in the form of fully registered Notes without coupons in minimum denominations of One Thousand Dollars (\$1,000), except with respect to the TIF Notes issued upon acceptance by the City of the final Certificate of Reimbursable Redevelopment Project Costs, which TIF Notes may be issued in any denomination, subject to the limitation on the aggregate principal amount, and (ii) of the same Maturity Date and in the same aggregate principal amount outstanding as the TIF Note which was presented for transfer or exchange. The TIF Notes presented for transfer or exchange shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in a form and with guarantee of signature satisfactory to the Finance Officer, duly executed by the Owner thereof or by the Owner's duly authorized agent. Upon any transfer, exchange or assignment as provided in this Section, the transferor shall reimburse the City for all of the reasonable out-of-pocket costs incurred by the City in connection with the administration of such transfer, exchange or assignment.

Section 2.7 Execution, Authentication and Delivery of the TIF Notes. Each of the TIF Notes, including any TIF Notes issued in exchange or as substitution for the TIF Notes initially delivered, shall be signed by the manual or facsimile signature of the Mayor and the Finance Officer of the City, attested by the manual or facsimile signature of the City Register, and shall have the official seal of the City affixed thereto or imprinted thereon. If any officer whose signature appears on any TIF Note ceases to be such officer before the delivery of such TIF Note, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such person had remained in office until delivery. Any TIF Note may be signed by such persons who at the actual time of the execution of such TIF Note are the proper officers to sign such TIF Note although at the date of such TIF Note such persons may not have been such officers.

The Mayor, Finance Officer and City Register are hereby authorized and directed to prepare and execute the TIF Notes as hereinbefore specified, and when duly executed, to deliver the TIF Notes to the Finance Officer for authentication.

The TIF Notes shall have endorsed thereon a certificate of authentication substantially in the form set forth in **Schedule A of Exhibit B** hereto, which shall be manually executed by an authorized signatory of the Finance Officer, but it shall not be necessary that the same signatory sign the certificate of authentication on all of the TIF Notes that may be issued hereunder at any one time. No TIF Note shall be entitled to any security or benefit under this Ordinance or be valid or obligatory for any purpose until the certificate of authentication has been duly executed by the Finance Officer. Such executed certificate of authentication upon any TIF Note shall be conclusive evidence that such TIF Note has been duly authenticated and delivered under this Ordinance.

The TIF Notes shall be initially executed and authenticated by the City upon the last to occur of the following: (i) acceptance or deemed acceptance of the Certificate of Substantial Completion; (ii) approval of a Certificate of Reimbursable Redevelopment Project Costs; (iii) receipt of an opinion of Bond Counsel regarding the taxable nature of the TIF Notes; (iv) the full payment of all advances required to be paid under Section 2.2 of the Redevelopment Agreement; and (v) receipt of such other documentation as the City shall reasonably require of Developer and any Original Purchaser, in order for the City to obtain an opinion of Bond Counsel as required by this Section 5.1 of the Redevelopment Agreement.

Upon the Developer's satisfaction of the foregoing conditions and upon approval of each Certificate of Reimbursable Redevelopment Project Costs, the Finance Officer shall either: (i) at the request of the City upon instructions of the Developer, endorse an outstanding TIF Note on Schedule A thereto to evidence an increase in the aggregate principal amount equal to such Reimbursable Redevelopment Project Costs, or (ii) at the request of the City upon instructions of the Developer issue a new TIF Note in a principal amount equal to such Reimbursable Redevelopment Project Costs, or any combination thereof. Each date of endorsement of each such TIF Note shall be the date of acceptance by the City of each Certificate of Reimbursable Redevelopment Project Costs except that the initial endorsement of each TIF Note shall be dated the Issuance Date of such TIF Note. Thereupon, pursuant to Section 2.2(h), the TIF Notes shall either be held or delivered to or upon the order of the party submitting the Certificate of Reimbursable Redevelopment Project Costs relating to such Notes. Upon acceptance by the City of such a Certificate of Reimbursable Redevelopment Project Costs in accordance with the Redevelopment Agreement and upon execution and authentication of the TIF Notes as required by this Ordinance, the Developer shall be deemed to have advanced funds to the City in an amount equal to the purchase price of the TIF Notes, which shall be one hundred percent (100%) of the face amount of the TIF Notes, and, upon the issuance of an endorsement of the TIF Notes as provided in the preceding paragraph, the City shall be deemed to have reimbursed the Developer in full for such Reimbursable Redevelopment Project Costs.

Section 2.8 Mutilated, Lost and Stolen TIF Notes. If any mutilated TIF Note is surrendered to the Finance Officer or the Finance Officer receives evidence to his/her satisfaction of the destruction, loss or theft of any TIF Note and there is delivered to the Finance Officer such security or indemnity as may be required by it to save the City and the Finance Officer harmless, then, in the absence of notice to the Finance Officer that such TIF Note has been acquired by a bona fide purchaser, the City shall execute and the Finance Officer shall register and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen TIF Note, a new TIF Note with the same Maturity Date and of like tenor and principal amount. Upon the issuance of any new TIF Note under this Section, the City and the Finance Officer may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses connected therewith. If any such mutilated, destroyed, lost or stolen TIF Note has become or is about to become due and payable, the Finance Officer may, in its discretion, pay such TIF Note instead of issuing a new TIF Note.

Section 2.9 Cancellation, Discharge and Abatement of TIF Notes. All TIF Notes that have been paid or redeemed or that otherwise have been surrendered to the Finance Officer, either at or before the Maturity Date, shall be canceled and destroyed by the Finance Officer in accordance with existing security regulations upon the payment or redemption of such TIF Note and the surrender thereof to the Finance Officer. The Finance Officer shall execute a certificate in duplicate describing the TIF Notes so cancelled and destroyed, and shall file an executed counterpart of such certificate with the City.

NOTWITHSTANDING ANY PROVISION HEREIN TO THE CONTRARY, THE TIF NOTES ARE SUBJECT TO

CANCELLATION AND DISCHARGE BY THE CITY IN WHOLE OR IN PART WITHOUT PENALTY UNDER THE CONDITIONS SET FORTH IN THE REDEVELOPMENT AGREEMENT.

**ARTICLE III.
REDEMPTION AND PAYMENT OF PRINCIPAL AND INTEREST**

Section 3.1 Optional Redemption. The TIF Notes are subject to optional redemption by the City in whole at any time or in part on any Payment Date at a redemption price of 100% of the principal amount of the TIF Note to be redeemed, plus accrued interest thereon to the date fixed for redemption. The TIF Notes shall be called by the City for optional redemption pursuant to this Section without the necessity of any action by the City other than as provided in **Section 4.3** of this Ordinance. If only a partial redemption is to occur, then each TIF Note from within a Series shall be redeemed in the order of maturity designated by the City, and within any maturity the TIF Notes shall be redeemed in Authorized Denominations by the City in such manner as it may determine. In the event of an optional redemption of the Notes, unless waived by any Registered Owner of Notes to be redeemed, official notice of any redemption shall be given by the Finance Officer on behalf of the City by mailing a copy of an official redemption notice by first class mail, postage prepaid, at least thirty (30) days (five days if all of the Notes are owned by the Developer) and not more than sixty (60) days prior to the date fixed for redemption, to each Registered Owner of the Notes to be redeemed at the address shown on the Note Register.

All official notices of optional redemption shall be dated and shall contain the following information: (a) the redemption date; (b) the redemption price; (c) if less than all outstanding Notes are to be redeemed, the identification number and maturity date(s) (and, in the case of partial redemption of any Notes, the respective principal amounts) of the Notes to be redeemed; (d) a statement that on the redemption date the redemption price will become due and payable upon each Note or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the redemption date; and (e) the place where such Notes are to be surrendered for payment of the redemption price, which shall be the office of the Finance Officer. The failure of any Registered Owner to receive notice given as heretofore provided or an immaterial defect therein shall not invalidate any redemption.

Section 3.2 Special Mandatory Redemption. All TIF Notes are subject to special mandatory redemption by the City on each Payment Date, at a redemption price equal to 100% of the principal amount being redeemed, together with accrued interest thereon to the date fixed for redemption, which amount of principal being redeemed shall be an amount equal to Available Revenues then on deposit in the applicable account of the Special Allocation Fund and which will not be required for the payment of interest on such Payment Date.

In the event of a special mandatory redemption of any Notes with a Registered Owner other than Developer or a Related Entity, unless waived by such Registered Owner of Notes to be redeemed, official notice of any redemption shall be given by the Finance Officer on behalf of the City by mailing a copy of an official redemption notice by first class mail, postage prepaid, at least thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption, to each Registered Owner other than Developer or a Related Entity of the Notes to be redeemed at the address shown on the Note Register.

Section 3.3 Selection of Notes to be Redeemed. TIF Notes shall be redeemed only in Authorized Denominations. When less than all of the outstanding TIF Notes are to be redeemed and paid prior to maturity, such TIF Notes or portions of TIF Notes from within the same Series to be redeemed shall be selected in Authorized Denominations by the Finance Officer in such equitable manner as it may determine. In the case of a partial redemption of TIF Notes from within the same Series when TIF Notes of denominations greater than the minimum Authorized Denomination are then outstanding, then for all purposes in connection with such redemption each Authorized Denomination unit of face value shall be treated as though it was a separate TIF Note of the denomination of the minimum Authorized Denomination.

Section 3.4 Notice and Effect of Call for Redemption. In the event of any optional or special mandatory redemption of the Notes, unless waived by any Registered Owner of Notes to be redeemed, official notice of any redemption shall be given by the Finance Officer on behalf of the City by mailing a copy of an official redemption notice by first class mail to each Registered Owner of the Notes to be redeemed at the address shown on the Note Register.

All official notices of redemption shall be dated and shall contain the following information:

- (a) the redemption date;
- (b) the redemption price;
- (c) if less than all outstanding Notes are to be redeemed, the identification (and, in the case of partial redemption of any Notes, the respective principal amounts) of the Notes to be redeemed;

(d) a statement that on the redemption date the redemption price will become due and payable upon each Note or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the redemption date; and

(e) the place where such Notes are to be surrendered for payment of the redemption price, which shall be the office of the Finance Officer.

The failure of any Registered Owner to receive notice given as heretofore provided or an immaterial defect therein shall not invalidate any redemption. All Notes that have been redeemed shall be cancelled and destroyed by the Finance Officer as provided herein and shall not be reissued.

ARTICLE IV. FUNDS AND REVENUES

Section 4.1 Creation of Funds and Accounts. There are hereby created or ratified and ordered to be established in the treasury of the City the Special Allocation Fund into which all TIF Revenues shall be deposited, and within it the following separate funds and accounts:

- (a) PILOTS Account;
- (b) an EATS Account;
- (c) a Revenue Fund and, within it, (i) a PILOTS Account; and (ii) an EATS Account, into which all Available Revenues shall be deposited;
- (d) a Debt Service Fund, and, within it, (i) a Series A Account; and (ii) a Series B Account; and
- (e) a Debt Service Reserve Fund, if established on the Issuance Date; and
- (f) a Project Fund.

Section 4.2 Administration of Funds and Accounts. The Special Allocation Fund and the funds and accounts established therein shall be maintained in the treasury of the City and administered by the City solely for the purposes and in the manner as provided in the Act, this Ordinance, the Approving Ordinance, and the Authorizing Ordinance so long as any TIF Notes remain outstanding hereunder.

Section 4.3 Revenue Fund.

(a) On or before the date that is five (5) days prior to each Payment Date while the TIF Notes remain outstanding, the City shall transfer and deposit:

- (i) Those Available Revenues attributable to PILOTS into the PILOTS Account of the Revenue Fund; and
- (ii) Those Available Revenues attributable to EATS into the EATS Account of the Revenue Fund.

(b) Available Revenues in the Revenue Fund shall be applied, first from the EATS Account and second from the PILOTS Account for the purposes and in the amounts as follows:

First, to payment of arbitrage rebate, if any, owed with respect to the TIF Notes under Section 148 of the Internal Revenue Code of 1986, as amended, including any costs of calculating arbitrage rebate;

Second, to the Finance Officer of the City and the St. Louis Development Corporation (which monies shall be paid one half to the Finance Officer and one half to the St. Louis Development Corporation), 0.2% of the Notes outstanding on each Payment Date, plus any accumulated deficiency from previous years, plus an amount sufficient to pay all or any portion of the fees and expenses incurred by the City pursuant to Section 7.15 of the Agreement that have not otherwise been reimbursed to the City through the issuance of TIF Notes;

Third, to Series A Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the past due interest owing as a result of prior deficiencies of moneys to pay interest due on any Series A TIF Notes on each Payment Date;

Fourth, to the Series A Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the accrued interest becoming due and payable on any Series A TIF Notes on each Payment Date;

Fifth, to the Series A Account of the Debt Service Fund, an amount sufficient to pay the interest on the Series A TIF Notes on the next succeeding Payment Date;

Sixth, for transfer to the Debt Service Reserve Fund, if established, such amount as may be required to restore any deficiency in the Debt Service Reserve Fund if the amount on deposit in the Debt Service Reserve Fund is less than the Debt Service Reserve Requirement;

Seventh, to the Series A Account of the Debt Service Fund, an amount sufficient to pay the principal of any Series A TIF Notes that are subject to redemption pursuant to the Note Ordinance on each Payment Date;

Eighth, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the past due interest owing as a result of prior deficiencies of moneys to pay interest due on the Series B Note on each Payment Date;

Ninth, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the accrued interest becoming due and payable on any Series B Note on each Payment Date;

Tenth, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay the interest on the Series B Notes on the next succeeding Payment Date;

Eleventh, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay the principal of any Series B Note that is subject to redemption pursuant to this Note Ordinance on each Payment Date; and

Twelfth, all other remaining money in the PILOTS Account and the EATS Account of the Special Allocation Fund shall annually be declared as surplus and distributed in the manner provided in the TIF Act, as applicable.

If monies available in the Special Allocation Fund are insufficient to reimburse the City as provided above on any Payment Date, then the unpaid portion shall be carried forward to the next Payment Date, with interest thereon at the same rate as the Series A Notes.

(c) Upon the payment in full of the principal of and interest on all TIF Notes (or provision has been made for the payment thereof as specified in the Note Ordinance), payment in full of the fees and expenses of the Finance Officer and the St. Louis Development Corporation, and payment in full of any other amounts required to be paid under this Ordinance, all amounts remaining on deposit in the Revenue Fund shall be declared as surplus and distributed in the manner provided in the Act.

Section 4.4 Debt Service Fund.

(a) All amounts paid and credited to the Debt Service Fund shall be expended solely for (i) the payment of the principal of and interest on the TIF Notes as the same mature and become due or upon the redemption thereof, said TIF Notes all being subject to special mandatory redemption thereof, or (ii) to purchase Notes for cancellation prior to maturity.

(b) The City hereby authorizes and directs the Finance Officer to withdraw sufficient moneys from the Debt Service Fund to pay the principal of and interest on the TIF Notes as the same become due and payable, and to make said moneys so withdrawn available for the purpose of paying said principal of and interest on the TIF Notes.

(c) After payment in full of the principal of and interest on the TIF Notes (or provision has been made for the payment thereof as specified in this Ordinance), payment of the fees and expenses of the Finance Officer, and payment of any other amounts required to be paid under this Ordinance, all amounts remaining in the Debt Service Fund shall be declared as surplus and distributed in the manner provided in the Act.

Section 4.5 Project Fund. Upon acceptance by the City of a Certificate of Reimbursable Redevelopment Project Costs and the issuance or endorsement of a TIF Note pursuant to **Section 2.7** of this Ordinance, the Developer shall be deemed to have advanced funds necessary to purchase such TIF Note and the City shall be deemed to have deposited such funds in the Project Fund and shall be deemed to have reimbursed the Developer or paid for in full for such costs from the amounts deemed to be on deposit in the Project Fund.

Section 4.6 Debt Service Reserve Fund. Except as herein otherwise provided, funds on deposit in the Debt Service Reserve Fund shall be used and applied by the Finance Officer solely to prevent a default in the event moneys on deposit in the Debt Service Reserve Fund shall be insufficient to pay the principal of and interest on the Series A Notes as the same become due. The Finance Officer may disburse and expend moneys from the Debt Service Reserve Fund whether or not the amount therein equals the Debt Service Reserve Fund Requirement. Moneys on deposit in the Debt Service Reserve Fund may be used to pay Series A Notes called for redemption or to purchase Series A Notes in the open market, prior to the Maturity Date, provided all Notes at the time outstanding are called for redemption or purchased and sufficient funds are available therefore. Moneys on deposit in the Debt Service Reserve Fund shall be used to pay and retire the Series A Notes last becoming due, unless such Notes and all interest thereon are otherwise paid.

So long as the sum on deposit in the Debt Service Reserve Fund shall aggregate an amount equal to the Debt Service Reserve Fund Requirement, investment earnings on funds on deposit in the Debt Service Reserve Fund shall be deposited into the Series A Account of the Debt Service Fund; provided, however, that if no Series A Notes are then outstanding, such investment earnings shall be deposited into the Series B Account of the Debt Service Fund. If the sum on deposit in the Debt Service Reserve Fund shall be less than the Debt Service Reserve Fund Requirement, investment earnings on funds in the Debt Service Reserve Fund shall remain therein and be applied to reducing such deficiency.

So long as the sum on deposit in the Debt Service Reserve Fund shall aggregate an amount equal to the Debt Service Reserve Fund Requirement on each Payment Date, no further deposits to said Debt Service Reserve Fund shall be required. Investments and moneys in the Debt Service Reserve Fund shall be valued at the market value thereof, exclusive of accrued interest, by the Finance Officer on and the amount on deposit therein determined accordingly.

After payment in full of the principal of, premium, if any, and interest on the Notes (or provision has been made for the payment thereof as specified in the Ordinance), the fees, charges and expenses of the Finance Officer and any Paying Agent and any other amounts required to be paid under the Ordinance or any other instrument entered into with respect to the Notes, all amounts remaining in the Debt Service Reserve Fund shall be paid to the City.

Section 4.7 Nonpresentment of Notes. If any TIF Note is not presented for payment when the principal thereof becomes due at stated maturity or prior redemption date, if funds sufficient to pay such TIF Note have been made available to the Finance Officer, all liability of the City to the Registered Owner thereof for the payment of such TIF Note shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Finance Officer to hold such funds, without liability for interest thereon, for the benefit of the Registered Owner of such TIF Note, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Ordinance or on, or with respect to, said TIF Note. If any TIF Note is not presented for payment within five (5) years following the date when such TIF Note becomes due at maturity, the Finance Officer shall repay to the City the funds theretofore held by it for payment of such TIF Note, and such TIF Note shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the City, and the Registered Owner thereof shall be entitled to look only to the City for payment, and then only to the extent of the amount so repaid to it by the Finance Officer, and the City shall not be liable for any interest thereon and shall not be regarded as a Finance Officer of such money.

ARTICLE V. REMEDIES

Section 5.1 Remedies. The provisions of this Ordinance, including the covenants and agreements herein contained, shall constitute a contract between the City and the Owner. The Owner shall have the right:

(a) by mandamus or other suit, action or proceedings at law or in equity to enforce the rights of the Owner against the City and its officers, agents and employees, and to require and compel duties and obligations required by the provisions of this Ordinance or by the constitution and laws of the State of Missouri;

(b) by suit, action or other proceedings in equity or at law to require the City, its officers, agents and employees to account as if they were the trustees of an express trust; and

(c) by suit, action or other proceedings in equity or at law to enjoin any acts or things which may be unlawful or in violation of the rights of the Owner.

Section 5.2 Limitation on Rights of Owner. The Owner secured hereby shall not have any right in any manner whatever by its action to affect, disturb or prejudice the security granted and provided for herein, or to enforce any right hereunder, except in the manner herein provided.

Section 5.3 Remedies Cumulative. No remedy conferred herein upon the Owner is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred herein. No waiver of any default or breach of duty or contract by the Owner shall extend to or affect any subsequent default or breach of duty or contract or shall impair any rights or remedies thereon. No delay or omission of the Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein. Every substantive right and every remedy conferred upon the Owner by this Ordinance may be enforced and exercised from time to time and as often as may be deemed expedient. If any suit, action or proceedings taken by the Owner on account of any default or to enforce any right or exercise any remedy has been discontinued or abandoned for any reason, or has been determined adversely to the Owner, then, and in every such case, the City and the Owner shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Owner shall continue as if no such suit, action or other proceedings had been brought or taken.

ARTICLE VI. DEPOSIT AND INVESTMENT OF MONEYS

Section 6.1 Deposits of Moneys. All moneys deposited with or paid to the Finance Officer for the account of the various funds established under this Ordinance shall be held by the Finance Officer in trust and shall be applied only in accordance with this Ordinance. The Finance Officer shall not be under any liability for interest on any moneys received hereunder except as otherwise provided herein.

Section 6.2 Investment of Moneys. Moneys held in any fund or account referred to in this Ordinance shall be invested by the City as set forth in Section 95.530 Revised Statutes of Missouri of Missouri, as amended. All earnings on any investments held in any fund shall accrue to and become a part of such fund or account, except the Debt Service Reserve Fund as provided in Section 4.6 herein.

ARTICLE VII. MISCELLANEOUS PROVISIONS

Section 7.1 Covenant to Request Appropriations. The City agrees that it shall comply with its Charter, Article XVI, Section 3 for each fiscal year that the TIF Notes are outstanding and the City official(s) shall request an appropriation of all moneys on deposit in the Special Allocation Fund for transfer to the Finance Officer for deposit at the times and in the manner provided in **Section 4.3** of this Ordinance.

Section 7.2 Tax Matters. Neither the City nor the Developer shall use or permit the use of any proceeds of the Tax Exempt TIF Note to acquire any securities or obligations, and shall not take or permit to be taken any other action or actions, which would cause the Tax Exempt TIF Note to be an "arbitrage bond" within the meaning of Section 148(a) of the Code, or "federally guaranteed" within the meaning of Section 149(b) of the Code. The City (to the extent within its power or discretion) and the Developer shall not use or permit the use of any proceeds of the Tax Exempt TIF Note, and shall not take or permit to be taken any other action or actions, which would result in the Tax Exempt TIF Note being treated as other than an obligation described in Section 103(a) of the Code. The City (to the extent within its power or discretion) and the Developer shall not use any portion of the proceeds of the Tax Exempt TIF Note, including any investment income earned on such proceeds, in any manner that would cause the Tax Exempt TIF Note to be a "private activity bond" within the meaning of Section 141(a) of the Code. The officers of the City, including the Mayor, the Finance Officer and the City Register, shall be, and they hereby are, authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Section.

Section 7.3 Payments Due on Saturdays, Sundays and Holidays. In any case where the Payment Date is a Saturday, a Sunday or a legal holiday or other day that is not a business day, then payment of principal or interest need not be made on such date but may be made on the next succeeding business day with the same force and effect as if made on the Payment Date, and no interest shall accrue for the period after such date.

Section 7.4 Notices, Consents and Other Instruments. Any notice, consent, request, direction, approval, objection or other instrument required by this Ordinance to be signed and executed by the Owner of the TIF Notes may be in any number of concurrent writings of similar tenor and may be signed or executed by such Owner in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of the TIF Note, if made in the following manner, shall be sufficient for any of the purposes of the Ordinance, and shall be conclusive in favor of the City with regard to any action taken, suffered or omitted under any such instrument, namely:

- (a) The fact and date of the execution by any person of any such instrument may be proved by a certificate of any

officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such instrument acknowledged before such officer the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of ownership of the TIF Note, the amount or amounts and other identification of the TIF Note, and the date of holding the same shall be proved by the registration books of the City.

Section 7.5 Execution of Documents; Further Authority. D. The Company would not relocate to the Project Area without assistance from the City, which would adversely impact the viability of the Redevelopment Project.

E. The relocation of Company employees to the Project Area will benefit the Redevelopment Project, which will alleviate the conditions that qualify the Project Area as a "blighted area", as defined in Section 99.805 of the Revised Statutes of Missouri (2000), since the Project Area has not been subject to growth and development through investment by private enterprise and would not reasonably be anticipated to be developed without the adoption of tax increment financing.

F. On _____, 2010, the City adopted Ordinance No. _____ (the "Authorizing Ordinance"), which authorized the City to amend the Redevelopment Agreement to provide for the annual surplus of an amount equal to the Incremental Increase paid to the Company and enter into this Cooperation Agreement with the Company. The City is authorized to enter into this Cooperation Agreement pursuant to the provisions of Section 70.210 to 70.320 of the Revised Statutes of Missouri, as amended, and the Charter of the City.

G. AGREEMENT

NOW, THEREFORE, in consideration of the premises and for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

1. Definitions. For the purposes of this Cooperation Agreement the following terms shall have the following meanings:

(a) "Base Earnings and Payroll Tax Revenue" means the amount of Earnings Tax Revenue and Payroll Tax Revenue paid by the Company to the City from its operations at 1307 Washington Avenue in calendar year 2009, increasing two percent (2%) annually commencing in 2010, which amount for calendar year 2009 is \$_____.

(b) "Earnings Tax Revenue" means the revenue from the tax imposed by the City on salaries, wages, commissions, and other compensation, currently codified in Sections 5.22.010 to 5.22.140, R.C. City of St. Louis, and any similar successor tax or taxes, on the quarterly earning tax report, Form W-10, filed with the Collector's office.

(c) "Payroll Tax Revenue" means the revenue from the tax imposed by the City on every person who, in connection with his business engages, hires, employs, or contracts with one or more individuals as an employee, to perform work or render services in whole or part within the City, currently codified in Sections 5.23.010 to 5.23.140 R.C. City of St. Louis, and any similar successor tax or taxes, on the quarterly payroll tax report, Form P-10, filed with the Collector's office.

(i) "Project Costs" means the costs and expenses incurred by the Company or the Developer in connection with the purchase of equipment and completion of tenant improvements in the Project Area and 1219-1221 Washington Avenue, including but not limited to the costs of designing, improving, fixturing, equipping and otherwise readying the improvements in the Project Area and 1219-1221 Washington Avenue for use and occupancy by the Company and its affiliates and their respective employees, and moving and relocation expenses, which amount shall equal a minimum of \$500,000.

(d) "Incremental Increase" means the combined amount of Earnings Tax Revenue and Payroll Tax Revenue attributable to employees of the Company or its affiliates employed and physically located in the City within the Project Area and at 1219-1221 Washington Avenue, for the applicable calendar year in excess of the Base Earnings and Payroll Tax Revenue. For the purpose of computing the Incremental Increase semi-annually, one half of the Base Earnings and Payroll Tax Revenue shall be allocated to each of the Semi-Annual Calculation Periods, and in the event that the first and/or the last Semi-Annual Calculation Period consists of less than six (6) full calendar months, then the one half of the Base Earnings and Payroll Tax Revenue used to compute the Incremental Increase for such Semi-Annual Calculation Period shall be prorated based upon the ratio that the number of calendar days in such Semi-Annual Calculation Period occurring within the Term bears to one hundred eighty (180).

(e) "Reimbursement Period Commencement Date" means January 1, 2011.

(f) "Semi-Annual Calculation Period" means each six (6) month period during the Term commencing on January 1 and ending on June 30, and commencing on July 1 and ending on December 31.

(g) "Term" means the period beginning on the date of this Cooperation Agreement and ending on the date that is the earlier of (i) December 31, 2020, (ii) the date on which the Company has been reimbursed Five Hundred Thousand and 00/100 Dollars (\$500,000.00) (the "Reimbursement Limit"), or (iii) Company moves from the Project Area.

2. Creation of Earnings and Payroll Tax Reimbursement Account. There is hereby established an account of the Company to be held by the City, designated and named the "Earnings and Payroll Tax Reimbursement Account – GROUP360, Inc., St. Louis Missouri" (the "Earnings and Payroll Tax Reimbursement Account") into which there shall be deposited an amount equal to fifty percent (50%) of the Incremental Increase in accord with Section 3. The Earnings and Payroll Tax Reimbursement Account shall be under the custody and control of the City, subject however, to the provisions of this Cooperation Agreement and the Authorizing Ordinance.

3. Reimbursement to Company.

(a) The City agrees, subject to annual appropriation, to reimburse the Company, an amount equal to fifty percent (50%) of the Incremental Increase generated during the Term, in accordance with the terms and provisions of this Cooperation Agreement.

(b) Within thirty (30) days after the end of each Semi-Annual Calculation Period during the Term, the Company shall deliver to the City written certification stating the Earnings Tax Revenue and the Payroll Tax Revenue paid by the Company and its affiliates during such Semi-Annual Calculation Period attributable to employees of the Company or its affiliates employed and physically located in the City (with reasonable supporting documentation), and the Incremental Increase with respect to such Semi-Annual Calculation Period, in form and content attached as Exhibit A (each a "Periodic Calculation Certificate").

(c) Within sixty (60) days after the last day of each Semi-Annual Calculation Period during the Term, the City shall cause amount equal to fifty percent (50%) of the Incremental Increase to be deposited into the Earnings and Payroll Tax Reimbursement Account and disbursed to the Company. In the event that the amount of any disbursement is less than the amount stated to be due in the Periodic Calculation Certificate for the applicable Semi-Annual Calculation Period, the City shall provide with such disbursement an explanation of the discrepancy.

4. Annual Appropriation.

(a) The City's obligation to appropriate the Incremental Increase for deposit into the Earnings and Payroll Tax Reimbursement Account and to appropriate the funds on deposit from time to time in the Earnings and Payroll Tax Reimbursement Account shall not be construed to be a debt of the City within the meaning of Article VI, Section 26(a) of the Missouri Constitution or any other applicable constitutional or statutory limitations, nor shall anything contained herein constitute a pledge of the general credit, tax revenues, funds or moneys of the City. With regard to the obligation to pay the Incremental Increase, the parties believe that this is a current expense of the City in each applicable fiscal year.

(b) During the term of this Cooperation Agreement, the City covenants and agrees that with respect to each fiscal year of the City, the Budget Director or other designated representative at any time charged with the responsibility of formulating budget proposals will be directed to include in the budget proposal submitted to the City a request for an appropriation equal to fifty percent (50%) of the Incremental Increase received in such fiscal year for deposit into the Earnings and Payroll Tax Reimbursement Account.

(c) The City is obligated only to make the payments set forth in this Cooperation Agreement as may lawfully be made from funds budgeted and appropriated or otherwise legally available to make the required payments during each respective fiscal year.

(d) The obligations of the City to make the payments hereunder constitute a current expense of the City, are from year to year and do not constitute a mandatory payment obligation of the City in any fiscal year beyond the then current fiscal year of the City in which such appropriation has been made. The City's obligation hereunder shall not in any way be construed to be a debt of the City in contravention of any applicable constitutional or statutory limitation or requirement concerning the creation of indebtedness by the City, nor shall anything contained herein constitute a pledge of the general credit, tax revenues, funds or money of the City.

(e) The City reasonably believes that legally available funds in an amount sufficient to fully repay the obligations undertaken herein can be obtained. Notwithstanding the foregoing, the decision whether or not to budget or appropriate funds for any subsequent fiscal year is solely within the discretion of the then current governing body of the City.

5. Development. Upon occupancy within the Project Area and 1219-1221 Washington Avenue, the Company shall deliver to the City a written certification stating the amount of the Project Costs expended or incurred by the Company or the Developer, in form and content attached as Exhibit B.

6. Non-Appropriation. In the event that the City adopts a budget for a fiscal year, which budget does not include an appropriation equal to fifty percent (50%) of the Incremental Increase to be received in such fiscal year for deposit into the Earnings and Payroll Tax Reimbursement Account, the same shall constitute an "Event of Non-appropriation." Should an Event of Non-appropriation occur, the City shall immediately notify in writing the following entities of the Event of Non-appropriation: (i) each nationally recognized municipal securities repository, and (ii) each nationally recognized rating agency which then maintains a rating on any of the City's bonds, notes or other securities. In the event that the City fails to give notice in accordance with the provisions of this section within thirty (30) days following the occurrence of an Event of Non-appropriation, then Company shall have the right, in addition to all other remedies available at law or in equity, to give such notice on the City's behalf.

7. Notice. Any notice, demand or other communication required by this Cooperation Agreement to be given to either party hereto to the other shall be in writing and shall be sufficiently given or delivered if sent by United States first class certified mail, return receipt requested, postage prepaid, or via a nationally recognized overnight delivery service that provides a receipt for delivery, addressed as follows:

REDEVELOPMENT AGREEMENT

THIS REDEVELOPMENT AGREEMENT (this “*Agreement*”) is made and entered into as of this _____ day of _____, 2010, by and between the **CITY OF ST. LOUIS, MISSOURI** (the “*City*”), a city and political subdivision duly organized and existing under its charter and the Constitution and laws of the State of Missouri, and **PARAMOUNT PROPERTY DEVELOPMENT LLC** (the “*Developer*”), a limited liability company duly organized and existing under the laws of the State of Missouri. (All capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in **Article I** of this Agreement.)

RECITALS

A. Pursuant to Ordinance No. 62477, adopted and approved on December 20, 1991, the Board of Aldermen duly formed the Tax Increment Financing Commission of the City of St. Louis, Missouri (the "TIF Commission"), in accordance with the Real Property Tax Increment Allocation Redevelopment Act, Sections 99.800 through 99.865 of the Revised Statutes of Missouri, (2000) (the "TIF Act"), and empowered the TIF Commission to transact business and exercise its powers as authorized by the TIF Act.

B. The City published a notice on September 21, 2007 and September 28, 2007 in the St. Louis Daily Record, a newspaper of general circulation within the City, soliciting proposals for the redevelopment of the Redevelopment Area (as hereinafter defined), and made such requests for proposals available for potential developers of the Redevelopment Area.

C. The Developer submitted its development proposal dated September 15, 2007 (as may be amended from time to time, the "Redevelopment Proposal") to the TIF Commission for redevelopment of the Redevelopment Area.

D. On October 31, 2007, following a public hearing held on that date, in accordance with the TIF Act, the TIF Commission adopted a resolution approving the Redevelopment Plan titled "Magnolia-Thurman TIF Redevelopment Plan" dated September 15, 2007 (as may be amended from time to time, the "Redevelopment Plan"), the Redevelopment Project described in the Redevelopment Plan (the "Redevelopment Project") and the Redevelopment Area, and recommending that the Board of Aldermen: (1) adopt tax increment financing with respect to the Redevelopment Area by passage of an ordinance complying with the terms of Section 99.845 of the Act; and (2) adopt an ordinance in the form required by the Act (a) approving the Redevelopment Plan, (b) approving and designating the Redevelopment Area as a "redevelopment area" as provided in the Act, (c) approving the Redevelopment Project, and (d) creating the Magnolia-Thurman Special Allocation Fund.

E. On April 24, 2008, after due consideration of the TIF Commission's recommendations, the Mayor signed Ordinance No. 67971 [Board Bill No. 454] designating the Redevelopment Area as a "redevelopment area" as provided in the TIF Act, approving the Redevelopment Plan, approving the Redevelopment Project described in the Redevelopment Plan, adopting tax increment allocation financing within the Redevelopment Area and establishing the Special Allocation Fund.

F. On _____, 2010, the Mayor signed Ordinance No. _____ [Board Bill No. ____] affirming adoption of the Redevelopment Area, Redevelopment Plan and Redevelopment Project, designating the Developer as developer of the Redevelopment Area, and authorizing the City to enter into this Agreement with Developer.

G. On _____, 2010, the Mayor signed Ordinance No. _____ [Board Bill No. ____] authorizing the issuance of TIF Notes as evidence of the City's obligation to pay certain Redevelopment Project Costs incurred in furtherance of the Redevelopment Plan and the Redevelopment Project and pledging TIF Revenues to the payment of the TIF Notes.

H. The Board of Aldermen hereby determines that the acceptance of the Redevelopment Proposal and the fulfillment generally of this Agreement are in the best interests of the City, and the health, safety and welfare of its residents, and in accord with the public purposes specified in the Redevelopment Plan.

I. Pursuant to provisions of the TIF Act and Ordinance Nos. _____, _____, and _____ [Board Bill Nos. _____, _____ and _____], the City is authorized to enter into this Agreement, to issue TIF Notes as evidence of the City's obligation to pay certain Redevelopment Project Costs incurred in furtherance of the Redevelopment Plan and the Redevelopment Project, and to pledge TIF Revenues to the payment of the TIF Notes.

J. The City acknowledges and agrees that Developer is not performing the Work as a direct service to the City. Rather, the City has agreed to issue TIF Notes and pledge TIF Revenues to the payment of the TIF Notes because the City will recognize indirect benefits, as set forth in the Approving Ordinance, which improve and benefit the general welfare of the community as a result of Developer's completion of the Redevelopment Project. Consequently, the City has agreed to pay for certain Redevelopment Project Costs as set forth in this Agreement, and in consideration therefor Developer has agreed to subject itself and the Property to the terms and conditions set forth below.

ARTICLE III. CONSTRUCTION OF REDEVELOPMENT PROJECT

3.1 Acquisition of Property. Developer represents that, as of the date of this Agreement, Developer, ACI General Contracting, LLC, or a Related Entity is the fee owner or owner under contract of the Property. Any additional properties acquired by the Developer for completion of the Work shall be held in the name of the Developer, ACI General Contracting, LLC, or a Related Entity and shall be subject to the terms, conditions and covenants contained herein and in the Redevelopment Plan immediately upon acquisition.

3.2 Condemnation. As of the date of this Agreement, it is not anticipated that the exercise of the power of eminent domain will be necessary to acquire any portion of the Property in the Redevelopment Area.

3.3 Relocation. The Developer shall identify any Displaced Person (as defined in Ordinance No. 62481 of the City) that is entitled to relocation payments or relocation assistance under the Relocation Plan. The City shall, at the Developer's sole cost and expense, subject to payment as a Reimbursable Redevelopment Project Cost in accordance with **Article IV** of this Agreement, coordinate such relocation payments and relocation assistance in accordance with the Relocation Plan.

3.4 Developer to Construct the Work. The Developer shall commence or cause the commencement of the construction of the Work within one hundred eighty (180) days of the date of this Agreement, which Work shall be constructed in a good and workmanlike manner in accordance with the terms of this Agreement and the Redevelopment Plan. The Developer shall substantially complete or cause the Work to be substantially complete not later than December 31, 2011 absent an event of Force Majeure. In the event of any delay caused by an event of Force Majeure as defined in **Section 7.5** of this Agreement, Developer shall be granted additional time to complete the Work, but under no circumstance shall such time to complete the Work extend beyond December 31, 2012.

The Developer shall enter into or cause to be entered into one or more construction contracts with ACI General Contracting, LLC to complete the Work, and shall obtain the advance written consent of the SLDC prior to changing such contractors, which consent shall not be unreasonably withheld or delayed. Prior to the commencement of construction of any portion of the Work, the Developer shall obtain or shall require that any of its contractors obtain workers' compensation, comprehensive public liability and builder's risk insurance coverage in amounts customary in the industry for similar type projects. The Developer shall require that such insurance be maintained by any of its contractors for the duration of the construction of such portion of the Work. To the extent that laws pertaining to prevailing wage and hour apply to any portion of the Work the Developer agrees to take all actions necessary to apply for the wage and hour determinations and otherwise comply with such laws.

3.5. Governmental Approvals. The City and, at its direction, the SLDC agree to employ reasonable and good faith efforts to cooperate with the Developer and to process and timely consider and respond to all applications for the Governmental Approvals as received, all in accordance with the applicable City ordinances and laws of the State of Missouri.

3.6. Construction Plans; Changes. The Construction Plans shall be prepared by a professional engineer or architect licensed to practice in the State of Missouri and the Construction Plans and all construction practices and procedures with respect to the Work shall be in conformity with all applicable state and local laws, ordinances and regulations. During the progress of the Work, the Developer may make such reasonable changes, including without limitation modification of the construction schedule, subject to the provisions of **Section 3.4**, including but not limited to, dates of commencement and completion (subject to the time limitations set forth in this Agreement), modification of the areas in which the Work is to be performed, relocation, expansion or deletion of items, revisions to the areas and scope of Work, and any and all such other changes as site conditions or orderly development may dictate or as may be necessary or desirable, in the sole determination of the Developer, to enhance the economic viability of the Redevelopment Project and as may be in furtherance of the general objectives of the Redevelopment Plan; provided that (a) the Developer shall comply with all laws, regulations and ordinances of the City and (b) prior to any material changes, the Developer shall obtain the advance written consent of the SLDC, which consent shall not be unreasonably withheld or delayed. For purposes of this **Section 3.6**, "material changes" shall mean any change that could reasonably be expected to result in a decrease in the aggregate amount of TIF Revenues generated within the Redevelopment Area to an amount less than 90% of the aggregate amount of TIF Revenues as projected in that certain Cost-Benefit Analysis for the Magnolia-Thurman TIF Redevelopment Plan dated as of September 15, 2007 (as may be amended), and placed on file with SLDC.

3.7. Certificate of Commencement of Construction. The Developer shall furnish to the SLDC, with a copy to the Comptroller, a Certificate of Commencement of Construction, which certificate shall be submitted for the Redevelopment Project in accordance with the schedule set forth in **Section 3.4** of this Agreement and in the form of **Exhibit C** attached hereto and incorporated herein by reference. The Certificate of Commencement of Construction shall be deemed accepted by the SLDC upon receipt of the same.

3.8. Certificate of Substantial Completion. Promptly after substantial completion of the Work, the Developer shall furnish to the City and the SLDC a Certificate of Substantial Completion. The Mayor or his designee and the SLDC shall, within thirty (30) days following delivery of the Certificate of Substantial Completion, carry out such inspections as it deems necessary to verify to its reasonable satisfaction the accuracy of the certifications contained in the Certificate of Substantial Completion. The Certificate of Substantial Completion shall be deemed accepted by the City and the SLDC unless, within thirty (30) days following delivery of the Certificate of Substantial Completion, the Mayor or his designee or SLDC furnishes the Developer with specific written objections to the status of the Work, describing such objections and the measures required to correct such objections in reasonable detail. In the case where the Mayor or his designee or SLDC, within thirty (30) days following delivery of the Certificate of Substantial Completion provides the Developer with specific written objections to the status of the Work, the Developer shall have such amount of time as is reasonably necessary to address such objections and when addressed shall re-submit the Certificate of Substantial Completion to the Mayor or his designee or the SLDC in accordance with this **Section 3.8** and the thirty (30) day period shall begin anew. Upon acceptance of the Certificate of Substantial Completion by the Mayor or his designee and the SLDC for the Redevelopment Project, or upon the lapse of thirty (30) days after delivery thereof to the Mayor or his designee and the SLDC without any written objections thereto, the Developer may record the Certificate of Substantial Completion with the City's Recorder of Deeds, and the same shall constitute evidence of the satisfaction of the Developer's agreements and covenants to perform all the Work. The Certificate of Substantial Completion shall be in substantially the form attached as **Exhibit E**, attached hereto and incorporated by referenced herein.

ARTICLE IV. PAYMENT OF REIMBURSABLE REDEVELOPMENT PROJECT COSTS

4.1. City's Obligation to Pay Reimbursable Redevelopment Project Costs. Subject to the terms of the Note Ordinance and this Agreement, the City agrees to pay for the verified Reimbursable Redevelopment Project Costs in a total amount not to exceed Four Hundred Six Thousand and No/100 Dollars (\$406,000) plus Issuance Costs to be allocated to the Redevelopment

Project.

Subject to the terms of the Note Ordinance and this Agreement, the City agrees to issue TIF Notes to an Original Purchaser to evidence the City's obligation to pay for the verified Reimbursable Redevelopment Project Costs in an amount not to exceed **Four Hundred Six Thousand and No/100 Dollars (\$406,000)**, plus Issuance Costs and interest as provided in **Section 5.2** of this Agreement, subject to the limitations of **Article IV** of this Agreement.

4.2. Payment Limited to Reimbursable Redevelopment Project Costs; Developer's Right to Substitute. Nothing in this Agreement shall obligate the City to issue TIF Notes or to pay for any cost that is not incurred pursuant to Section 99.820.1 of the TIF Act or that does not qualify as a "redevelopment project cost" under Section 99.805(15) of the TIF Act. The Developer shall provide to the City (a) itemized invoices, receipts or other information evidencing such costs; and (b) a Certificate of Reimbursable Redevelopment Project Costs constituting certification by the Developer that such cost is eligible for payment under the TIF Act. Within thirty (30) days of the City's receipt from the Developer of a Certificate of Reimbursable Redevelopment Project Costs, the City shall review and act upon such Certificate of Reimbursable Redevelopment Project Costs. The parties agree that each of the categories of costs set forth in **Exhibit B**, attached hereto and incorporated herein by this reference, shall constitute Reimbursable Redevelopment Project Costs which are eligible for payment by the City in accordance with the TIF Act and this Agreement. The City shall pay for Redevelopment Project Costs from any of the categories set forth in **Exhibit B** up to the maximum aggregate amount established in **Section 4.1** of this Agreement; provided, that the Developer shall be obligated to advance to the City the full amounts identified in **Section 2.2, clauses (i)-(v)**, of this Agreement. If the City determines that any cost identified as a Reimbursable Redevelopment Project Cost is not a "redevelopment project cost" under Section 99.805(15) of the TIF Act, the City shall so notify the Developer in writing within the thirty (30) day period referenced in this **Section 4.2**, identifying the ineligible cost and the basis for determining the cost to be ineligible, whereupon the Developer shall have the right to identify and substitute other Redevelopment Project Costs as Reimbursable Redevelopment Project Costs with a supplemental application for payment and the thirty (30) day period shall begin anew. If the City fails to approve or disapprove any Certificate of Reimbursable Redevelopment Project Costs within thirty (30) days after receipt thereof, the Certificate of Reimbursable Redevelopment Project Costs shall be deemed approved.

4.3 Cost Savings and Excess Profits. Within one hundred eighty (180) days after the submission of the Certificate of Substantial Completion by Developer in accordance with **Section 3.8** of this Agreement, Developer also shall furnish to the City for the City's review and approval (a) a statement of Verified Total Project Costs, with evidence of billings and payments for each expenditure, including itemized invoices, receipts, and pay applications or other evidence of payment as appropriate for the type of cost, and (b) a statement of each and every Post Completion Funding Source for the Redevelopment Project. If the Redevelopment Project includes a for-sale condominium component, the statements required by this **Section 4.3** shall not be submitted until a minimum of 80% of the condominium units included in the Redevelopment Project have been sold, and such statements shall be submitted within sixty (60) days following such sale of 80% of such condominium units.

Developer shall not include developer fees, project management, construction management or consultant fees for any service typically performed by the Developer in the Verified Total Project Costs. With respect to any other costs for any services provided by the Developer or any entity related to Developer, the amount of such costs shall not exceed the amount set forth in the Redevelopment Plan for such services, or, if the cost for such service is not explicitly set forth in the Redevelopment Plan as an individual line item, an amount determined by the City as acceptable. Moreover, if any of the owners, officers, principals or members of the construction contractor for the Redevelopment Project are the same as any owner, officer, principal or member of Developer or general partner in the owner of the development, amounts allowed for aggregate contractor fees shall not exceed eighteen percent (18%) of construction costs as provided for in the Missouri Housing Development Commission's 2005 Qualified Allocation Plan for the Low Income Housing Tax Credit Program, and Developer shall include documentation, including detailed invoices and receipts for payment, for each and every item of costs traceable to third parties with no relationship to Developer, in addition to summary pay applications submitted to Developer by the construction contractor. The City shall determine whether particular costs are general requirements and includable in the contractor's fee allowance or are construction costs to which the aggregate contractor's fee allowance shall be applied, using the Cost Certification Guide promulgated by the Missouri Housing Development Commission as a guide for such determinations. The City shall complete its review of the statements and other documentation provided by the Developer pursuant to this Section and shall notify Developer if such documentation is acceptable and complete within forty-five (45) days of receipt by the City. Should the City notify Developer that the documentation submitted by the Developer is not acceptable or is not complete, the City shall specify which items of documentation are missing or unacceptable and the manner in which Developer may remedy such deficiencies, and Developer may make supplemental submissions to address such deficiencies, provided, however, that such supplemental submissions shall not include any materials with respect to costs incurred or other events that have taken place subsequent to the date the original submission was made. If requested by the City, Developer shall also submit an affidavit as to the accuracy of the statements as to the costs, the relationship of any payee to the Developer, the accuracy of the statements as to the amounts and types of tax credits received or other funding sources received, and the veracity of any other aspect of the statements of Verified Total Project Costs or Post-Completion Funding Sources. The City shall review any supplemental

materials provided by the Developer within forty-five (45) days of receipt and shall notify Developer if such documentation is acceptable and complete within forty-five (45) days of receipt by the City. Developer shall respond to any notification by the City pursuant to this section within sixty (60) days of receipt of such notification. Once the City has issued any such notification, the City shall not be required to make the calculations specified in the following paragraph until the City has received all documentation deemed necessary by the City in order to make such calculations, provided, however, that if Developer fails to respond to any notification within such sixty (60) day period, the City shall have the right to finalize the calculations specified in the following paragraph based on the information and documentation then available to the City and the Developer shall accept the results of such finalized calculations for purposes of the discharge of TIF notes as specified in the following paragraph. Either the City or the Developer may waive or extend the time periods for notification and response set forth herein.

To the extent that, in the City's determination, the sum of Post Completion Funding Sources as identified by the City exceeds the sum of: (x) Verified Total Project Costs, plus (y) four percent (4%) of the Acquisition Costs, plus (z) fifteen percent (15%) of all Verified Total Project Costs other than Acquisition Costs, then Developer hereby agrees that the maximum amount of Reimbursable Redevelopment Project Costs for which the City will pay as provided for in **Section 4.1** of this Agreement and the maximum amount of any TIF Notes which shall be issued by the City in accordance with **Section 5.2** of this Agreement shall be reduced by an amount in the aggregate equal to seventy-five percent (75%) of the total amount of such excess, as calculated by the City in accordance herewith. Developer agrees that the City may discharge any TIF Notes already issued at the time of such calculation in an amount in the aggregate equal to seventy-five percent (75%) of the total excess.

4.4. City's Obligations Limited to Special Allocation Fund and Bond Proceeds. Notwithstanding any other term or provision of this Agreement, TIF Notes issued by the City to the Developer for Reimbursable Redevelopment Project Costs are payable only from the Special Allocation Fund and from Bond Proceeds, if any, and from no other source. The City has not pledged its full faith and credit relative to the City's obligation to issue the TIF Obligations or to pay any Reimbursable Redevelopment Project Costs. The TIF Obligations shall be special, limited obligations of the City, and shall not constitute debt to the City within any constitutional or statutory meaning of the word "debt."

ARTICLE V. TIF OBLIGATIONS

5.1. Conditions Precedent to the Issuance of TIF Notes. No TIF Notes shall be issued until such time as the City has (i) accepted a Certificate of Substantial Completion in accordance with the procedures set forth in **Section 3.8** of this Agreement; (ii) approved a Certificate of Reimbursable Redevelopment Project Costs in substantially the form of **Exhibit D**, attached hereto and incorporated herein by reference, in accordance with the procedures set forth in **Section 4.2** of this Agreement; (iii) obtained an opinion of Bond Counsel regarding the taxable nature of the TIF Notes; (iv) received the full payment of all advances required to be paid under **Section 2.2** of this Agreement; and (v) received such other documentation as the City shall reasonably require of Developer in order for the City to obtain an opinion of Bond Counsel as required by this **Section 5.1**.

5.2. Issuance of TIF Notes. The City agrees to issue one or more TIF Notes as provided in this Agreement and the Note Ordinance to pay for Reimbursable Redevelopment Project Costs up to the maximum amount established in **Section 4.1** of this Agreement, subject to the limitations of Article IV of this Agreement. The TIF Notes shall be in the form attached to the Note Ordinance as Exhibit B, provided that if the Note Ordinance is repealed or otherwise amended to amend such form of TIF Note, the TIF Notes shall not be amended for the purposes of this Agreement without the written consent of Developer.

5.2.1. Terms. Each TIF Note shall bear interest at a fixed rate per annum equal to the greater of (a) 7.5% or (b) the highest rate determined on the date that is not less than ten (10) and not more than sixty (60) business days prior to the scheduled closing date for issuance of the TIF Notes (the "Pricing Date") based on the municipal yield curve for general obligation bonds (the "MMD") compiled by Municipal Market Data Line ® (or its successors) and published by Thomson Financial, an operating unit of The Thomson Corporation (or its successors) using the MMD yield published as of the Issuance Date for general obligation bonds rated "AAA" that mature in the same year as the TIF Notes, (i) plus four percent (4%) if the interest on such TIF Note, in the opinion of Bond Counsel, is not exempt from Federal income taxation (the "Taxable Rate"), or (ii) plus two percent (2%) if the interest on such TIF Note, in the opinion of Bond Counsel, is exempt from Federal income taxation (the "Tax Exempt Rate"); provided, in no event shall the interest rate on the TIF Notes exceed ten percent (10%) per annum. All TIF Notes shall have a stated maturity of the Maturity Date. Interest shall be computed on the basis of a 360-day year of twelve 30-day months. The TIF Notes shall bear interest from their registration date or from the most recent Payment Date to which interest has been paid or duly provided for.

5.2.2. Procedures for Issuance of TIF Notes. Within a reasonable period of time not to exceed ninety (90) days of Developer's satisfaction of the conditions of **Section 5.1** of this Agreement the City shall issue a TIF Note to an Original Purchaser evidencing payment of Reimbursable Redevelopment Project Costs. Notwithstanding anything

contained in this Agreement to the contrary, upon the acceptance by the City of a Certificate of Reimbursable Redevelopment Project Costs and the issuance by the City of a TIF Note as provided in this **Section 5.2.2**, the Developer shall be deemed to have advanced funds necessary to purchase such TIF Notes and the City shall be deemed to have deposited such funds in the Project Fund and shall be deemed to have paid the Developer in full for such costs from the amounts deemed to be on deposit in the Project Fund from time to time.

5.2.3. Special Mandatory Redemption of TIF Notes. All TIF Notes are subject to special mandatory redemption by the City, in whole at any time or in part on each March 1 and September 1 (each, a "Payment Date") occurring after the acceptance by the City of the Certificate of Substantial Completion at a redemption price equal to 100% of the principal amount being redeemed, together with the accrued interest thereon to the date fixed for redemption.

5.3 Issuance of TIF Bonds.

5.3.1. The City may, in its sole and absolute discretion, issue, cause to be issued, TIF Bonds at any time in an amount sufficient to refund all or a portion of the outstanding TIF Notes.

5.3.2. Upon receipt of a written request by Developer and upon the City's underwriter's recommendation in favor of issuing TIF Bonds and recommendation of the principal amount thereof based on the criteria set forth below, the City shall use its best efforts to cause the Authority to issue TIF Bonds as described in this Section. The aggregate gross cash proceeds from the sale of the TIF Bonds before payment of Issuance Costs, together with any interest accrued thereon ("Bond Proceeds") of such TIF Bonds will be finally determined by the City after receiving the underwriter's recommendation based on the criteria set forth below. The City shall not be obligated to cause the Authority to issue such TIF Bonds unless the underwriter determines that all of the following criteria are satisfied as of the date of issuance of such bonds, unless such criteria are waived by the City's underwriter. Developer shall not have any liability for any costs associated with the issuance of TIF Bonds but shall bear its own costs and expenses, including any attorneys' fees and expenses, that Developer may incur in complying with this Section. Notwithstanding anything in this Section to the contrary, Developer shall be liable for all costs incurred by the City or the Authority in the event the Developer has requested the issuance of bonds and the City's underwriter has determined that such bonds cannot be issued at such time.

5.3.2.1 Criteria for Issuance. The underwriter's recommendation for issuance of TIF Bonds and the principal amount thereof shall be based on the following criteria:

- (i) Acceptance by the City of the Certificate of Substantial Completion;
- (ii) Review of projections of TIF Revenues available for debt service as proposed by an independent qualified consultant. Such projections must show that (A) if all available TIF Revenues were to be applied to the immediate repayment of the TIF Bonds, the TIF Bonds would reasonably be anticipated to be retired within twenty-three (23) years from the effective date of the Approving Ordinance, and (B) based on a maturity date twenty-three (23) years from the effective date of the Approving Ordinance, the TIF Bonds are reasonably likely to achieve debt service coverage ratio reasonably acceptable to the City's underwriter;
- (iii) Developer's documentation of stabilization of the Redevelopment Project for a minimum period of two (2) years after substantial completion as evidenced in a report to the City prepared by a qualified independent consultant to be paid for by the City, which report also sets forth TIF revenue projections for the Redevelopment Project in connection with the issuance of the TIF Bonds;
- (iv) The aggregate net projected debt service on the TIF Bonds (taking into account the principal portion of the TIF Bonds that are issued to establish a reserve fund and to pay Issuance Costs, and including any reserve fund earnings) will be lower than the net average annual debt service on the outstanding TIF Notes, unless the Developer voluntarily elects to defer or forgive principal of and/or interest on the TIF Notes in an amount necessary to make the aggregate net projected debt service on the TIF Bonds lower than the net average annual debt service on the outstanding TIF Notes; and
- (v) The TIF Bonds can be sold at an aggregate net interest cost which is less than the aggregate net interest cost of the TIF Notes to be redeemed.

5.4. Application of TIF Bond Proceeds. Proceeds of any TIF Bonds shall be applied:

- 5.4.1. To the payment of costs relating to the issuance of the TIF Bonds;
- 5.4.2. To the payment of outstanding principal of and interest on the TIF Notes to be refunded;
- 5.4.3. To the payment of capitalized interest on the TIF Bonds; and
- 5.4.4. To the establishment of a debt service reserve fund for the TIF Bonds in a reasonable amount of the principal amount of TIF Bonds to be issued, as to be determined by the City's underwriter.

5.5. Cooperation in the Issuance of TIF Obligations. Developer covenants to cooperate and take all reasonable actions necessary to assist the City and its Bond Counsel, the Authority, underwriters and financial advisors in the preparation of offering statements, private placement memorandum or other disclosure documents and all other documents necessary to market and sell the TIF Obligations, including disclosure of tenants of the Redevelopment Area and the non-financial terms of the leases between Developer and such tenants. Developer will not be required to disclose to the general public or any investor any proprietary or confidential information, including financial information, pertaining to Developer, but upon the execution of a confidentiality agreement acceptable to Developer, Developer will provide such information to the City's financial advisors, underwriters and their counsel to enable such parties to satisfy their due diligence obligations. Developer shall make such compliance obligation a covenant running with the land, enforceable as if any subsequent transferee thereof were originally a party to and bound by this Agreement, provided, that Developer shall satisfy this and any other obligation under this Agreement to make any provision a covenant running with the land by recording this Agreement in the Office of the Recorder of Deeds of the City of St. Louis.

5.6. Subordinate Notes. TIF Notes may be issued in two series, with one series subordinate to TIF Notes of the other series issued hereunder (the "Subordinate Notes"), such that no payment of principal or interest on any such Subordinate Notes may be made while any TIF Notes are outstanding. All such Subordinate Notes shall be payable as to principal and interest according to the terms set forth in **Sections 5.2 and 6.3** of this Agreement.

If the amount of TIF Bonds issued pursuant to this Agreement is insufficient to refund all of the outstanding TIF Notes, the TIF Notes remaining outstanding shall be redeemed by the issuance of Subordinate Notes. Each Subordinate Note shall have the same maturity and have the same outstanding principal amount and the same interest rate as the TIF Note it redeems. All such Subordinate Notes shall be payable as to principal and interest according to the terms set forth in **Sections 5.4 and 6.3** of this Agreement.

5.7. City to Select Underwriter and Financial Advisor; Term and Interest Rate. The City shall have the right to select the designated underwriter (and such financial advisors and consultants as the underwriter and the City deem necessary for the issuance of the TIF Bonds) and underwriter's counsel. The final maturity of the TIF Bonds shall not exceed the maximum term permissible under the TIF Act. The TIF Bonds shall bear interest at such rates, shall be subject to redemption and shall have such terms as the City shall determine in its sole discretion.

ARTICLE VI. SPECIAL ALLOCATION FUND; COLLECTION AND USE OF TIF REVENUES

6.1. Creation of Special Allocation Fund The City agrees to cause its Comptroller or other financial officer to maintain the Special Allocation Fund, including a "PILOTS Account," an "EATS Account," and such further accounts or sub-accounts as are required by this Agreement or as the Comptroller may deem appropriate in connection with the administration of the Special Allocation Fund pursuant to this Agreement. Subject to the requirements of the TIF Act and, with respect to Economic Activity Taxes, subject to annual appropriation by the Board of Aldermen, the City will promptly upon receipt thereof deposit all Payments in Lieu of Taxes into the PILOTS Account and all Economic Activity Taxes into the EATS Account.

6.2. Certification of Base for PILOTS and EATS.

6.2.1. Upon the reasonable written request of the City, Developer shall use its best efforts to provide or cause to be provided to the Comptroller or its authorized representative any documents necessary for the City to calculate the base for PILOTS and EATS including, but not limited to: (i) the address and locator number of all parcels of real property located within the Redevelopment Area; and (ii) information related to payment of utility taxes by any businesses, owners or other occupants of the Redevelopment Area in the calendar year ending December 31, 2007.

6.2.2. Within ninety (90) days after execution of the Redevelopment Agreement, the City shall provide to the Developer (i) a certificate of the City Assessor's calculation of the total initial equalized assessed valuation of the taxable real property within the Redevelopment Area based upon the most recently ascertained equalized assessed valuation

of each taxable lot, block, tract, or parcel of real property within the Redevelopment Area; and (ii) a certification of the amount of revenue from taxes, penalties and interest which are imposed by the City and other taxing districts and which are generated by economic activities within the Redevelopment Area for the calendar year ending December 31, 2007, but excluding those personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to Section 70.500 of the Revised Statutes of Missouri, taxes levied for the purpose of public transportation, or licenses, fees or special assessments identified as excluded in Section 99.845.3 of the TIF Act.

6.3. Application of Available Revenues. The City hereby agrees for the term of this Agreement to apply the Available Revenues and any taxes, fees or assessments subsequently enacted and imposed in substitution therefor and allocable to the Special Allocation Fund under the TIF Act or this Agreement to the repayment of TIF Notes issued under Article V of this Agreement as provided in the Note Ordinance and this Agreement.

Upon the payment in full of the principal of and interest on all TIF Notes (or provision has been made for the payment thereof as specified in the Note Ordinance), payment in full of the fees and expenses of the Comptroller and the SLDC, and payment in full of any other amounts required to be paid under the Note Ordinance, all amounts remaining on deposit in the Revenue Fund shall be declared as surplus and distributed in the manner provided in the Act.

If monies available in Special Allocation Fund are insufficient to pay the City or the Developer as provided above on any Payment Date, then the unpaid portion shall be carried forward to the next Payment Date, with interest thereon.

The City agrees that it will comply with the Charter of The City of St. Louis, Article XVI, Section 3 for each fiscal year that TIF Obligations are outstanding and the City will request an appropriation of all Available Revenues on deposit in the Special Allocation Fund for application to the payment of the principal of (including, but not limited to, payment of a premium, if any) and interest on the TIF Obligations.

6.4. Cooperation in Determining TIF Revenues. The City and the Developer agree to cooperate and take all reasonable actions necessary to cause the TIF Revenues to be paid into the Special Allocation Fund, including, but not limited to, the City's enforcement and collection of all such payments through all reasonable and ordinary legal means of enforcement.

6.5. Obligation to Report TIF Revenues. The Developer shall cause any purchaser or transferee of real property located within the Property, and any lessee or other user of real property located within the Property required to pay TIF Revenues shall use all reasonable efforts to timely fulfill such obligations as are required by **Section 6.4** of this Agreement. So long as any of the TIF Obligations are outstanding, the Developer shall cause such obligations to be covenants running with the land, which covenants shall be enforceable as if such purchaser, transferee, lessee or other user of such real property were originally a party to and bound by this Agreement.

6.6. Notice to City of Transfer. The Developer agrees to notify the City in writing of any sale, transfer or other disposition of the Property or any interest therein as permitted by **Section 7.3.2** of this Agreement at least fifteen (15) days prior to such sale, transfer or other disposition. Said notice shall specify the name and address of the person so acquiring any or all of the Property or any interest therein and shall identify the Property to be sold, transferred or otherwise disposed, whether by voluntary transfer or otherwise. Notwithstanding the foregoing, Developer shall not be required to notify the City of the lease or transfer of a residential unit, commercial unit or parking space in the ordinary course of business except as may be required by **Section 4.3**.

ARTICLE VII. GENERAL PROVISIONS

7.1. Developer's Right of Termination. At any time prior to the delivery of a Certificate of Substantial Completion, the Developer may, by giving written notice to the City, abandon the Redevelopment Project and terminate this Agreement and the Developer's obligations hereunder if the Developer determines, in its sole discretion, that the Redevelopment Project is no longer economically feasible. Upon such termination, the City shall have no obligation to pay the Developer for any amounts advanced under this Agreement or costs otherwise incurred in connection with the Redevelopment Project.

7.2. City's Right of Termination. The City may terminate this Agreement if (i) the Developer fails to submit to the MBE/WBE Compliance Officer a copy of Developer's MBE/WBE Subcontractor's List and its MBE/WBE Utilization Statement within three hundred sixty (360) days of the date of this Agreement; provided, however, that termination under this **Section 7.2(i)** may be waived in the sole discretion of the MBE/WBE Compliance Officer; or (ii) the Developer fails to submit its Certificate of Substantial Completion, acceptable to the City, in accordance with **Section 3.8** of this Agreement and the schedule set forth in **Section 3.4** of this Agreement. Upon such termination, the City shall have no obligation to issue a TIF Note or to pay the Developer for any amounts advanced under this Agreement or costs otherwise incurred in connection with the Redevelopment Project.

7.3. Successors and Assigns.

7.3.1. Binding Effect. This Agreement shall be binding on and shall inure to the benefit of the parties named herein and their respective heirs, administrators, executors, personal representatives, successors and assigns.

7.3.2. Assignment or Sale. Without limiting the generality of the foregoing, all or any part of the Property or any interest therein may be sold, transferred, encumbered, leased, or otherwise disposed of at any time, and the rights of the Developer named herein or any successors in interest under this Agreement or any part hereof may be assigned at any time before, during or after redevelopment of the Redevelopment Project, whereupon the party disposing of its interest in the Property or assigning its interest under this Agreement shall be thereafter released from further obligation under this Agreement (although any such Property so disposed of or to which such interest pertains shall remain subject to the terms and conditions of this Agreement), provided, however, that until substantial completion of the Redevelopment Project, the fee title to the Property shall not be sold, transferred or otherwise disposed of (to anyone other than Paramount Property Development LLC, ACI General Contracting, LLC or a Related Entity) and the rights, duties and obligations of the Developer under this Agreement shall not be assigned in whole or in part without the prior written approval of the City, which approval shall not be unreasonably withheld or delayed upon a reasonable demonstration by the Developer of the proposed transferee's or assignee's experience and financial capability to undertake and complete such portions of the Work and perform the Developer's obligations under this Agreement, all in accordance with this Agreement. Notwithstanding anything herein to the contrary, the City hereby approves, and no prior consent shall be required in connection with: (a) the right of the Developer to encumber or collaterally assign its interest in the Property or any portion thereof or its rights, duties and obligations under this Agreement to secure loans, advances or extensions of credit to finance or from time to time refinance all or any part of the Redevelopment Project Costs, or the right of the holder of any such encumbrance or transferee of any such collateral assignment (or trustee or agent on its behalf) to transfer such interest by foreclosure or transfer in lieu of foreclosure under such encumbrance or collateral assignment; and (b) the right of Developer to transfer the Property or to assign the Developer's rights, duties and obligations under this Agreement to Paramount Property Development LLC, ACI General Contracting, LLC, or any Related Entity; (c) the right of the Developer to sell, lease or transfer a residential unit, commercial unit or parking space in the ordinary course of business; provided that in each such event (i) the Developer named herein shall remain liable hereunder for the substantial completion of the Redevelopment Project, subject, however, to Developer's right of termination pursuant to **Section 7.1** of this Agreement, and shall be released from such liability hereunder only upon substantial completion of the Redevelopment Project and (ii) the Developer provides to the City fifteen (15) days' advance written notice of the proposed assignment or transfer other than of the sale or lease of a residential unit, commercial unit or parking space in the ordinary course of business which shall require no notice except as may be required by **Section 4.3**.

7.3.3. Assignment or Sale to Exempt Organization. Prior to any sale, transfer or other disposition of all or any portion of the Property or any interest therein to an organization exempt from payment of ad valorem property taxes, such organization shall be required to agree not to apply for an exemption from payment of such property taxes for a period ending on the earlier of the date that all TIF Obligations are paid in full or twenty-three (23) years from the effective date of the Approving Ordinance. The Developer shall make this requirement a covenant running with the land, enforceable for such period as if such purchaser or other transferee or possessor thereof were originally a party to and bound by this Agreement.

7.4. Remedies. Except as otherwise provided in this Agreement and subject to the Developer's and the City's respective rights of termination, in the event of any default in or breach of any term or conditions of this Agreement by either party, or any successor, the defaulting or breaching party (or successor) shall, upon written notice from the other party specifying such default or breach, proceed immediately to cure or remedy such default or breach, and shall, in any event, within thirty (30) days after receipt of notice, cure or remedy such default or breach. In the event that the defaulting or breaching party (or successor) diligently and in good faith commences to cure or remedy such default or breach but is unable to cure or remedy such default or breach within thirty (30) days after receipt of notice, the defaulting or breaching party (or successor) shall, prior to the end of such thirty (30) days, provide notice to the other party that it has in good faith commenced to cure or remedy such default or breach, whereupon the defaulting or breaching party (or successor) shall have an additional thirty (30) days to cure or remedy such default or breach. In case such cure or remedy is not taken or not diligently pursued, or the default or breach shall not be cured or remedied prior to the end of the additional thirty (30) day period, the aggrieved party may institute such proceedings as may be necessary or desirable in its opinion to cure and remedy such default or breach, including without limitation proceedings to compel specific performance by the defaulting or breaching party.

7.5. Force Majeure. Neither the City nor the Developer nor any successor in interest shall be considered in breach or default of their respective obligations under this Agreement, and times for performance of obligations hereunder shall be extended in the event of any delay caused by force majeure (except as expressly limited in **Section 3.4**), including without limitation damage

or destruction by fire or casualty; strike; lockout; civil disorder; war; restrictive government regulations; lack of issuance of any permits and/or legal authorization by the governmental entity necessary for the Developer to proceed with construction of the Work or any portion thereof; shortage or delay in shipment of material or fuel; acts of God; unusually adverse weather or wet soil conditions; or other like causes beyond the parties' reasonable control, including without limitation any litigation, court order or judgment resulting from any litigation affecting the validity of the Redevelopment Plan, the Redevelopment Project or the TIF Obligations or this Agreement; provided that (i) such event of force majeure shall not be deemed to exist as to any matter initiated or sustained by the Developer in bad faith, and (ii) the Developer notifies the City in writing within thirty (30) days of the commencement of such claimed event of force majeure.

7.6. Notices. All notices, demands, consents, approvals, certificates and other communications required by this Agreement to be given by either party hereunder shall be in writing and shall be hand delivered or sent by United States first class mail, postage prepaid, addressed to the appropriate party at its address set forth below, or at such other address as such party shall have last designated by notice to the other. Notices, demands, consents, approvals, certificates and other communications shall be deemed given when delivered or three days after mailing; provided, however, that if any such notice or other communication shall also be sent by telecopy or fax machine, such notice shall be deemed given at the time and on the date of machine transmittal if the sending party receives a written send verification on its machines and forwards a copy thereof with its mailed or courier delivered notice or communication.

7.7. Conflict of Interest. No member of the Board of Aldermen, the TIF Commission, or any branch of the City's government who has any power of review or approval of any of the Developer's undertakings, or of the City's contracting for goods or services for the Redevelopment Area, shall participate in any decisions relating thereto which affect that member's personal interests or the interests of any corporation or partnership in which that member is directly or indirectly interested. Any person having such interest shall immediately, upon knowledge of such possible conflict, disclose, in writing, to the Board of Aldermen the nature of such interest and seek a determination by the Board of Aldermen with respect to such interest and, in the meantime, shall not participate in any actions or discussions relating to the activities herein proscribed.

7.8. Damage or Destruction of Redevelopment Project. In the event of total destruction or damage to the Redevelopment Project by fire or other casualty, during construction or thereafter during the term of this Agreement so long as any TIF Notes are outstanding and the Developer or a Related Entity owns the Property, the Developer shall determine and advise the City in writing within one year of such destruction or damage whether to restore, reconstruct and repair any such destruction or damage so that the Redevelopment Project will be completed or rebuilt in accordance with the Redevelopment Plan and this Agreement. Should the Developer determine not to restore, reconstruct and repair, all unaccrued liability of the City for any payments of principal or interest on the TIF Notes shall immediately terminate and the Developer shall promptly surrender the TIF Notes to the City for cancellation. In the event of such total destruction or damage during the term of this Agreement and after any TIF Bonds are issued or the issuance of a TIF Note to a purchaser other than the Developer or a Related Entity, the Developer shall, at the City's option after consultation with the Developer, tender to the City that portion of the insurance proceeds, if any, to which Developer is entitled, after satisfaction of any terms or obligations of any deed of trust, promissory note or financing agreement entered into by the Developer for the financing of all or any part of the Redevelopment Project, from any fire or casualty insurance policy in an amount equal to the outstanding principal amount of the TIF Bonds or TIF Notes, plus accrued interest thereon to be deposited into the Special Allocation Fund.

7.9. Inspection. The City may conduct such periodic inspections of the Work as may be generally provided in the building code of the City. In addition, the Developer shall allow other authorized representatives of the City reasonable access to the Work site from time to time upon advance notice prior to the completion of the Work for inspection thereof. The Developer shall not unreasonably deny the City and its officers, employees, agents and independent contractors the right to inspect, upon request, all architectural, engineering, demolition, construction and other contracts and documents pertaining to the construction of the Work as the City determines is reasonable and necessary to verify the Developer's compliance with the terms of this Agreement.

7.10. Choice of Law. This Agreement shall be taken and deemed to have been fully executed, made by the parties in, and governed by the laws of State of Missouri for all purposes and intents.

7.11. Entire Agreement; Amendment. The parties agree that this Agreement constitutes the entire agreement between the parties and that no other agreements or representations other than those contained in this Agreement have been made by the parties. This Agreement shall be amended only in writing and effective when signed by the authorized agents of the parties.

7.12. Counterparts. This Agreement may be executed in multiple counterparts, each of which shall constitute one and the same instrument.

7.13. Severability. In the event any term or provision of this Agreement is held to be unenforceable by a court of competent jurisdiction, the remainder shall continue in full force and effect, to the extent the remainder can be given effect without the invalid provision.

7.14. Representatives Not Personally Liable. No elected or appointed official, agent, employee or representative of the City shall be personally liable to the Developer in the event of any default or breach by any party under this Agreement, or for any amount which may become due to any party or on any obligations under the terms of this Agreement.

7.15. Attorney's Fees. In any dispute arising out of or relating to this Agreement, including any action to enforce this Agreement against a defaulting or breaching party pursuant to **Section 7.4**, the prevailing party shall recover from the non-prevailing party the prevailing party's attorney's fees, in addition to any other damages to which it is entitled.

7.16. Actions Contesting the Validity and Enforceability of the Redevelopment Plan. In the event a third party brings an action against the City or the City's officials, agents, attorneys, employees or representatives contesting the validity or legality of the Redevelopment Area, the Redevelopment Plan, the TIF Obligations, or the ordinance approving this Agreement, Developer may, at its option, join the City in defense of such claim or action. The parties expressly agree that, so long as no conflicts of interest exist between them with regard to the handling of such litigation, the same attorney or attorneys may simultaneously represent the City and the Developer in any such proceeding. The Developer shall be responsible for all reasonable and necessary costs and expenses incurred by the City and by the Developer in connection with the defense of such claim or action, provided that if the City does not approve a settlement or compromise to which the Developer would agree, the Developer shall not be responsible for any costs or expenses incurred thereafter in the defense of such claim or action. All cost of any such defense, whether incurred by the City or the Developer, shall be deemed to be Reimbursable Redevelopment Project Costs and reimbursable from any amounts in the Special Allocation Fund, subject to Article IV of this Agreement.

7.17. Release and Indemnification. The indemnifications and covenants contained in this Section shall survive termination or expiration of this Agreement.

7.17.1. The City and its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable to the Developer for damages or otherwise in the event that all or any part of the TIF Act, or any ordinance adopted in connection with either the TIF Act, this Agreement or the Redevelopment Plan, is declared invalid or unconstitutional in whole or in part by the final (as to which all rights of appeal have expired or have been exhausted) judgment of any court of competent jurisdiction, and by reason thereof either the City is prevented from performing any of the covenants and agreements herein or the Developer is prevented from enjoying the rights and privileges hereof.

7.17.2. The Developer releases from and covenants and agrees that the City and its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable for, and agrees to indemnify and hold harmless the City, its governing body members, officers, agents, attorneys, employees and independent contractors against any and all claims, demands, liabilities and costs, including reasonable attorneys' fees, costs and expenses, arising from damage or injury, actual or claimed (excluding consequential and punitive damages), to persons or property occurring or allegedly occurring as a result of any negligent or malicious acts or omissions of the Developer, its governing body members, officers, agents, attorneys, employees and independent contractors, in connection with its or their activities conducted pursuant to this Agreement.

7.17.3. The City and its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable for any damage or injury to the persons or property of the Developer or its officers, agents, employees, independent contractors or any other persons who may be about the Property or the Work except for matters arising out of the gross negligence or willful misconduct of the City and its governing body members, officers, agents, attorneys, employees and independent contractors.

7.17.4. All covenants, stipulations, promises, agreements and obligations of the City contained herein shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the City and not of any of its governing body members, officers, agents, attorneys, employees or independent contractors in their individual capacities.

7.17.5. No governing body members, officers, agents, attorneys, employees or independent contractors of the City shall be personally liable to the Developer (i) in the event of a default or breach by any party under this Agreement

or (ii) for any amount or any TIF Notes which may become due to any party under the terms of this Agreement.

7.17.6. The Developer releases from and covenants and agrees that the City, its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable for, and agrees to indemnify and hold the City, its governing body members, officers, agents, attorneys, employees and independent contractors, harmless from and against any and all third party suits, interest, claims and cost of reasonable attorneys fees incurred by any of them, resulting from, arising out of, or in any way connected with: (i) the enforcement of this Agreement, the validity of the TIF Obligations or the enforcement or validity of any other agreement or obligation made in connection therewith and their approvals (excluding opinions of counsel and of the City's financial advisors whenever such claim is based on such party's own negligence); (ii) the negligence or willful misconduct of the Developer or its officers, agents, employees or independent contractors in connection with the design, management, development, redevelopment and construction of the Work, or (iii) the compliance by the Developer with all applicable state, federal and local environmental laws, regulations and ordinances as applicable to the Property, to the extent such condition existed prior to the acquisition thereof by the Developer. The foregoing release and indemnification shall not apply in the case of such liability arising directly out of the negligence or malicious acts or omissions of the City or its governing body members, officers, agents, attorneys, employees and independent contractors in connection with its or their activities conducted pursuant to this Agreement or which arises out of matters undertaken by the City following termination of this Agreement as to the Redevelopment Project or any particular portion thereof.

7.18. Survival. Notwithstanding the expiration or termination or breach of this Agreement by either party, the agreements contained in **Section 2.2, clauses (iii)-(v), Article VI, Sections 7.10, 7.11, 7.12, 7.13, 7.14, 7.15, 7.16, 7.17 and Article VIII** of this Agreement shall, except as otherwise expressly set forth herein, survive such early expiration or early termination of this Agreement by either party.

7.19. Maintenance of the Property. The Developer shall remain in compliance with all provisions of the City's ordinances relating to maintenance and appearance of the Property during the construction of the Redevelopment Project or any portion thereof. Upon substantial completion of the Redevelopment Project and so long as any TIF Obligations are outstanding, the Developer or its successor(s) in interest, as owner or owners of the affected portion(s) of the Property, shall, during the remainder of the term of this Agreement (but subject to any delay caused by an event of force majeure as provided in **Section 7.5** of this Agreement), maintain or cause to be maintained the buildings and improvements within the Redevelopment Area which it owns in a good state of repair and attractiveness and in conformity with applicable state and local laws, ordinances and regulations. If there are separately-owned or ground leased parcels of real estate on the Property during the term of this Agreement, each owner or lessee as a successor in interest to the Developer shall maintain or cause to be maintained the buildings and improvements on its parcel in a good state of repair and attractiveness and in conformity with applicable state and local laws, ordinances and regulations.

7.20. Non-Discrimination. The Developer agrees that, during the term of this Agreement and as an independent covenant running with the land, there shall be no discrimination upon the basis of race, creed, color, national origin, sex, age, marital status or physical handicap in the sale, lease, rental, occupancy or use of any of the facilities under its control within the Redevelopment Area or any portion thereof and said covenant may be enforced by the City or the United States of America or any of their respective agencies. The Developer further agrees that a provision containing the covenants of this paragraph shall be included in all agreements pertaining to the lease or conveyance or transfer (by any means) of all or a portion of the Redevelopment Project and any of the facilities under its control in the Redevelopment Area. Except as provided in this Section, the Developer shall have no obligation to enforce the covenants made by any transferee or lessee, tenant, occupant or user of any of the facilities within the Redevelopment Area.

7.21. Fair Employment. Without limiting any of the foregoing, the Developer voluntarily agrees to observe the Equal Opportunity and Nondiscrimination Guidelines set forth as **Exhibit F**, attached hereto and incorporated herein by reference. By execution of this Agreement, the Developer certifies and agrees that it is under no contractual or other disability that would materially impair its ability to observe the Guidelines set forth as **Exhibit F**, attached hereto and incorporated herein by reference.

7.22. MBE/WBE Compliance. The Developer shall comply with the Mayor's Executive Order #28, as amended as of the date of this Agreement, during the design and construction of the Redevelopment Project and with respect to ongoing services provided by third parties to the Developer in connection with the Redevelopment Project.

ARTICLE VIII. REPRESENTATIONS OF THE PARTIES

8.1. Representations of the City. The City hereby represents and warrants that it has full constitutional and lawful right, power and authority, under current applicable law, to execute and deliver and perform the terms and obligations of this Agreement, including without limitation the right, power and authority to issue and sell the TIF Notes, and all of the foregoing have been or will be, upon adoption of ordinances authorizing the issuance of the TIF Notes, duly and validly authorized and approved by all necessary City proceedings, findings and actions. Accordingly, this Agreement constitutes the legal, valid and binding obligation of the City, enforceable in accordance with its terms.

Section 2.6 Registration, Transfer and Assignment. So long as the TIF Notes remain outstanding, the City shall cause to be kept at the office of the Finance Officer books for the registration, transfer and exchange of the TIF Notes as herein provided. The TIF Notes when issued shall be registered in the name of the Original Purchaser thereof on the Register.

The TIF Notes and beneficial interest therein may only be purchased by an Original Purchaser and transferred or assigned to the Developer, a Related Entity, a Qualified Institutional Buyer or Project Lender upon the execution by each proposed purchaser, transferee or assignee of a letter in substantially the form of **Exhibit C**, attached hereto and incorporated herein by reference, stating that such Original Purchaser, transferee or assignee (i) is an Approved Investor and (ii) has sufficient knowledge and experience in business and financial matters in general, and investments such as the TIF Notes in particular, to enable the Original Purchaser, transferee or assignee to evaluate the risks involved in an investment in the TIF Notes. The TIF Notes may be transferred and exchanged only upon the records of the City. Upon surrender of a TIF Note to the Finance Officer, the Finance Officer shall transfer or exchange the TIF Notes for a new TIF Note or TIF Notes, which shall be (i) in the form of fully registered Notes without coupons in minimum denominations of One Thousand Dollars (\$1,000), except with respect to the TIF Notes issued upon acceptance by the City of the final Certificate of Reimbursable Redevelopment Project Costs, which TIF Notes may be issued in any denomination, subject to the limitation on the aggregate principal amount, and (ii) of the same Maturity Date and in the same aggregate principal amount outstanding as the TIF Note which was presented for transfer or exchange. The TIF Notes presented for transfer or exchange shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in a form and with guarantee of signature satisfactory to the Finance Officer, duly executed by the Owner thereof or by the Owner's duly authorized agent. Upon any transfer, exchange or assignment as provided in this Section, the transferor shall reimburse the City for all of the reasonable out-of-pocket costs incurred by the City in connection with the administration of such transfer, exchange or assignment.

Section 2.7 Execution, Authentication and Delivery of the TIF Notes. Each of the TIF Notes, including any TIF Notes issued in exchange or as substitution for the TIF Notes initially delivered, shall be signed by the manual or facsimile signature of the Mayor and the Finance Officer of the City, attested by the manual or facsimile signature of the City Register, and shall have the official seal of the City affixed thereto or imprinted thereon. If any officer whose signature appears on any TIF Note ceases to be such officer before the delivery of such TIF Note, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such person had remained in office until delivery. Any TIF Note may be signed by such persons who at the actual time of the execution of such TIF Note are the proper officers to sign such TIF Note although at the date of such TIF Note such persons may not have been such officers.

The Mayor, Finance Officer and City Register are hereby authorized and directed to prepare and execute the TIF Notes as hereinbefore specified, and when duly executed, to deliver the TIF Notes to the Finance Officer for authentication.

The TIF Notes shall have endorsed thereon a certificate of authentication substantially in the form set forth in **Schedule A of Exhibit B** hereto, which shall be manually executed by an authorized signatory of the Finance Officer, but it shall not be necessary that the same signatory sign the certificate of authentication on all of the TIF Notes that may be issued hereunder at any one time. No TIF Note shall be entitled to any security or benefit under this Ordinance or be valid or obligatory for any purpose until the certificate of authentication has been duly executed by the Finance Officer. Such executed certificate of authentication upon any TIF Note shall be conclusive evidence that such TIF Note has been duly authenticated and delivered under this Ordinance.

The TIF Notes shall be initially executed and authenticated by the City upon the last to occur of the following: (i)

acceptance or deemed acceptance of the Certificate of Substantial Completion; (ii) approval of a Certificate of Reimbursable Redevelopment Project Costs; (iii) receipt of an opinion of Bond Counsel regarding the taxable nature of the TIF Notes; (iv) the full payment of all advances required to be paid under Section 2.2 of the Redevelopment Agreement; and (v) receipt of such other documentation as the City shall reasonably require of Developer and any Original Purchaser, in order for the City to obtain an opinion of Bond Counsel as required by this Section 5.1 of the Redevelopment Agreement.

Upon the Developer's satisfaction of the foregoing conditions and upon approval of each Certificate of Reimbursable Redevelopment Project Costs, the Finance Officer shall either: (i) at the request of the City upon instructions of the Developer, endorse an outstanding TIF Note on Schedule A thereto to evidence an increase in the aggregate principal amount equal to such Reimbursable Redevelopment Project Costs, or (ii) at the request of the City upon instructions of the Developer issue a new TIF Note in a principal amount equal to such Reimbursable Redevelopment Project Costs, or any combination thereof. Each date of endorsement of each such TIF Note shall be the date of acceptance by the City of each Certificate of Reimbursable Redevelopment Project Costs except that the initial endorsement of each TIF Note shall be dated the Issuance Date of such TIF Note. Thereupon, pursuant to Section 2.2(h), the TIF Notes shall either be held or delivered to or upon the order of the party submitting the Certificate of Reimbursable Redevelopment Project Costs relating to such Notes. Upon acceptance by the City of such a Certificate of Reimbursable Redevelopment Project Costs in accordance with the Redevelopment Agreement and upon execution and authentication of the TIF Notes as required by this Ordinance, the Developer shall be deemed to have advanced funds to the City in an amount equal to the purchase price of the TIF Notes, which shall be one hundred percent (100%) of the face amount of the TIF Notes, and, upon the issuance of an endorsement of the TIF Notes as provided in the preceding paragraph, the City shall be deemed to have reimbursed the Developer in full for such Reimbursable Redevelopment Project Costs.

Section 2.8 Mutilated, Lost and Stolen TIF Notes. If any mutilated TIF Note is surrendered to the Finance Officer or the Finance Officer receives evidence to his/her satisfaction of the destruction, loss or theft of any TIF Note and there is delivered to the Finance Officer such security or indemnity as may be required by it to save the City and the Finance Officer harmless, then, in the absence of notice to the Finance Officer that such TIF Note has been acquired by a bona fide purchaser, the City shall execute and the Finance Officer shall register and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen TIF Note, a new TIF Note with the same Maturity Date and of like tenor and principal amount. Upon the issuance of any new TIF Note under this Section, the City and the Finance Officer may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses connected therewith. If any such mutilated, destroyed, lost or stolen TIF Note has become or is about to become due and payable, the Finance Officer may, in its discretion, pay such TIF Note instead of issuing a new TIF Note.

Section 2.9 Cancellation, Discharge and Abatement of TIF Notes. All TIF Notes that have been paid or redeemed or that otherwise have been surrendered to the Finance Officer, either at or before the Maturity Date, shall be canceled and destroyed by the Finance Officer in accordance with existing security regulations upon the payment or redemption of such TIF Note and the surrender thereof to the Finance Officer. The Finance Officer shall execute a certificate in duplicate describing the TIF Notes so cancelled and destroyed, and shall file an executed counterpart of such certificate with the City.

NOTWITHSTANDING ANY PROVISION HEREIN TO THE CONTRARY, THE TIF NOTES ARE SUBJECT TO CANCELLATION AND DISCHARGE BY THE CITY IN WHOLE OR IN PART WITHOUT PENALTY UNDER THE CONDITIONS SET FORTH IN THE REDEVELOPMENT AGREEMENT.

ARTICLE III. REDEMPTION AND PAYMENT OF PRINCIPAL AND INTEREST

Section 3.1 Optional Redemption. The TIF Notes are subject to optional redemption by the City in whole at any time or in part on any Payment Date at a redemption price of 100% of the principal amount of the TIF Note to be redeemed, plus accrued interest thereon to the date fixed for redemption. The TIF Notes shall be called by the City for optional redemption pursuant to this Section without the necessity of any action by the City other than as provided in **Section 4.3** of this Ordinance. If only a partial redemption is to occur, then each TIF Note from within a Series shall be redeemed in the order of maturity designated by the City, and within any maturity the TIF Notes shall be redeemed in Authorized Denominations by the City in such manner as it may determine. In the event of an optional redemption of the Notes, unless waived by any Registered Owner of Notes to be redeemed, official notice of any redemption shall be given by the Finance Officer on behalf of the City by mailing a copy of an official redemption notice by first class mail, postage prepaid, at least thirty (30) days (five days if all of the Notes are owned by the Developer) and not more than sixty (60) days prior to the date fixed for redemption, to each Registered Owner of the Notes to be redeemed at the address shown on the Note Register.

All official notices of optional redemption shall be dated and shall contain the following information: (a) the redemption date; (b) the redemption price; (c) if less than all outstanding Notes are to be redeemed, the identification number and maturity date(s)

(and, in the case of partial redemption of any Notes, the respective principal amounts) of the Notes to be redeemed; (d) a statement that on the redemption date the redemption price will become due and payable upon each Note or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the redemption date; and (e) the place where such Notes are to be surrendered for payment of the redemption price, which shall be the office of the Finance Officer. The failure of any Registered Owner to receive notice given as heretofore provided or an immaterial defect therein shall not invalidate any redemption.

Section 3.2 Special Mandatory Redemption. All TIF Notes are subject to special mandatory redemption by the City on each Payment Date, at a redemption price equal to 100% of the principal amount being redeemed, together with accrued interest thereon to the date fixed for redemption, which amount of principal being redeemed shall be an amount equal to Available Revenues then on deposit in the applicable account of the Special Allocation Fund and which will not be required for the payment of interest on such Payment Date.

In the event of a special mandatory redemption of any Notes with a Registered Owner other than Developer or a Related Entity, unless waived by such Registered Owner of Notes to be redeemed, official notice of any redemption shall be given by the Finance Officer on behalf of the City by mailing a copy of an official redemption notice by first class mail, postage prepaid, at least thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption, to each Registered Owner other than Developer or a Related Entity of the Notes to be redeemed at the address shown on the Note Register.

Section 3.3 Selection of Notes to be Redeemed. TIF Notes shall be redeemed only in Authorized Denominations. When less than all of the outstanding TIF Notes are to be redeemed and paid prior to maturity, such TIF Notes or portions of TIF Notes from within the same Series to be redeemed shall be selected in Authorized Denominations by the Finance Officer in such equitable manner as it may determine. In the case of a partial redemption of TIF Notes from within the same Series when TIF Notes of denominations greater than the minimum Authorized Denomination are then outstanding, then for all purposes in connection with such redemption each Authorized Denomination unit of face value shall be treated as though it was a separate TIF Note of the denomination of the minimum Authorized Denomination.

Section 3.4 Notice and Effect of Call for Redemption. In the event of any optional or special mandatory redemption of the Notes, unless waived by any Registered Owner of Notes to be redeemed, official notice of any redemption shall be given by the Finance Officer on behalf of the City by mailing a copy of an official redemption notice by first class mail to each Registered Owner of the Notes to be redeemed at the address shown on the Note Register.

All official notices of redemption shall be dated and shall contain the following information:

- (a) the redemption date;
- (b) the redemption price;
- (c) if less than all outstanding Notes are to be redeemed, the identification (and, in the case of partial redemption of any Notes, the respective principal amounts) of the Notes to be redeemed;
- (d) a statement that on the redemption date the redemption price will become due and payable upon each Note or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the redemption date; and
- (e) the place where such Notes are to be surrendered for payment of the redemption price, which shall be the office of the Finance Officer.

The failure of any Registered Owner to receive notice given as heretofore provided or an immaterial defect therein shall not invalidate any redemption. All Notes that have been redeemed shall be cancelled and destroyed by the Finance Officer as provided herein and shall not be reissued.

ARTICLE IV. FUNDS AND REVENUES

Section 4.1 Creation of Funds and Accounts. There are hereby created or ratified and ordered to be established in the treasury of the City the Special Allocation Fund into which all TIF Revenues shall be deposited, and within it the following separate funds and accounts:

- (a) a PILOTS Account;

- (b) an EATS Account;
- (c) a Revenue Fund and, within it, (i) a PILOTS Account; and (ii) an EATS Account, into which all Available Revenues shall be deposited;
- (d) a Debt Service Fund, and, within it, (i) a Series A Account; and (ii) a Series B Account;
- (e) a Debt Service Reserve Fund, if established on the Issuance Date; and
- (f) a Project Fund.

Section 4.2 Administration of Funds and Accounts. The Special Allocation Fund and the funds and accounts established therein shall be maintained in the treasury of the City and administered by the City solely for the purposes and in the manner as provided in the Act, this Ordinance, the Approving Ordinance, and the Authorizing Ordinance so long as any TIF Notes remain outstanding hereunder.

Section 4.3 Revenue Fund.

(a) On or before the date that is five (5) days prior to each Payment Date while the TIF Notes remain outstanding, the City shall transfer and deposit:

- (i) Those Available Revenues attributable to PILOTS into the PILOTS Account of the Revenue Fund; and
- (ii) Those Available Revenues attributable to EATS into the EATS Account of the Revenue Fund.

(b) Available Revenues in the Revenue Fund shall be applied, first from the EATS Account and second from the PILOTS Account for the purposes and in the amounts as follows:

First, to payment of arbitrage rebate, if any, owed with respect to the TIF Notes under Section 148 of the Internal Revenue Code of 1986, as amended, including any costs of calculating arbitrage rebate;

Second, to the Finance Officer of the City and the St. Louis Development Corporation (which monies shall be paid one half to the Finance Officer and one half to the St. Louis Development Corporation), 0.2% of the Notes outstanding on each Payment Date, plus any accumulated deficiency from previous years, plus an amount sufficient to pay all or any portion of the fees and expenses incurred by the City pursuant to Section 7.15 of the Agreement that have not otherwise been reimbursed to the City through the issuance of TIF Notes;

Third, to Series A Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the past due interest owing as a result of prior deficiencies of moneys to pay interest due on any Series A TIF Notes on each Payment Date;

Fourth, to the Series A Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the accrued interest becoming due and payable on any Series A TIF Notes on each Payment Date;

Fifth, to the Series A Account of the Debt Service Fund, an amount sufficient to pay the interest on the Series A TIF Notes on the next succeeding Payment Date;

Sixth, for transfer to the Debt Service Reserve Fund, if established, such amount as may be required to restore any deficiency in the Debt Service Reserve Fund if the amount on deposit in the Debt Service Reserve Fund is less than the Debt Service Reserve Requirement;

Seventh, to the Series A Account of the Debt Service Fund, an amount sufficient to pay the principal of any Series A TIF Notes that are subject to redemption pursuant to the Note Ordinance on each Payment Date;

Eighth, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the past due interest owing as a result of prior deficiencies of moneys to pay interest due on the Series B Note on each Payment Date;

Ninth, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the accrued interest becoming due and payable on any Series B Note on each Payment Date;

Tenth, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay the interest on the Series B Notes on the next succeeding Payment Date;

Eleventh, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay the principal of any Series B Note that is subject to redemption pursuant to this Note Ordinance on each Payment Date; and

Twelfth, all other remaining money in the PILOTS Account and the EATS Account of the Special Allocation Fund shall annually be declared as surplus and distributed in the manner provided in the TIF Act, as applicable.

If monies available in the Special Allocation Fund are insufficient to reimburse the City as provided above on any Payment Date, then the unpaid portion shall be carried forward to the next Payment Date, with interest thereon at the same rate as the Series A Notes.

(c) Upon the payment in full of the principal of and interest on all TIF Notes (or provision has been made for the payment thereof as specified in the Note Ordinance), payment in full of the fees and expenses of the Finance Officer and the St. Louis Development Corporation, and payment in full of any other amounts required to be paid under this Ordinance, all amounts remaining on deposit in the Revenue Fund shall be declared as surplus and distributed in the manner provided in the Act.

Section 4.4 Debt Service Fund.

(a) All amounts paid and credited to the Debt Service Fund shall be expended solely for (i) the payment of the principal of and interest on the TIF Notes as the same mature and become due or upon the redemption thereof, said TIF Notes all being subject to special mandatory redemption thereof, or (ii) to purchase Notes for cancellation prior to maturity.

(b) The City hereby authorizes and directs the Finance Officer to withdraw sufficient moneys from the Debt Service Fund to pay the principal of and interest on the TIF Notes as the same become due and payable, and to make said moneys so withdrawn available for the purpose of paying said principal of and interest on the TIF Notes.

(c) After payment in full of the principal of and interest on the TIF Notes (or provision has been made for the payment thereof as specified in this Ordinance), payment of the fees and expenses of the Finance Officer, and payment of any other amounts required to be paid under this Ordinance, all amounts remaining in the Debt Service Fund shall be declared as surplus and distributed in the manner provided in the Act.

Section 4.5 Project Fund. Upon acceptance by the City of a Certificate of Reimbursable Redevelopment Project Costs and the issuance or endorsement of a TIF Note pursuant to **Section 2.7** of this Ordinance, the Developer shall be deemed to have advanced funds necessary to purchase such TIF Note and the City shall be deemed to have deposited such funds in the Project Fund and shall be deemed to have reimbursed the Developer or paid for in full for such costs from the amounts deemed to be on deposit in the Project Fund.

Section 4.6 Debt Service Reserve Fund. Except as herein otherwise provided, funds on deposit in the Debt Service Reserve Fund shall be used and applied by the Finance Officer solely to prevent a default in the event moneys on deposit in the Debt Service Fund shall be insufficient to pay the principal of and interest on the Series A Notes as the same become due. The Finance Officer may disburse and expend moneys from the Debt Service Reserve Fund whether or not the amount therein equals the Debt Service Reserve Fund Requirement. Moneys on deposit in the Debt Service Reserve Fund may be used to pay Series A Notes called for redemption or to purchase Series A Notes in the open market, prior to the Maturity Date, provided all Notes at the time outstanding are called for redemption or purchased and sufficient funds are available therefore. Moneys on deposit in the Debt Service Reserve Fund shall be used to pay and retire the Series A Notes last becoming due, unless such Notes and all interest thereon are otherwise paid.

So long as the sum on deposit in the Debt Service Reserve Fund shall aggregate an amount equal to the Debt Service Reserve Fund Requirement, investment earnings on funds on deposit in the Debt Service Reserve Fund shall be deposited into the Series A Account of the Debt Service Fund; provided, however, that if no Series A Notes are then outstanding, such investment earnings shall be deposited into the Series B Account of the Debt Service Fund. If the sum on deposit in the Debt Service Reserve Fund shall be less than the Debt Service Reserve Fund Requirement, investment earnings on funds in the Debt Service Reserve Fund shall remain therein and be applied to reducing such deficiency.

So long as the sum on deposit in the Debt Service Reserve Fund shall aggregate an amount equal to the Debt Service Reserve Fund Requirement on each Payment Date, no further deposits to said Debt Service Reserve Fund shall be required. Investments and moneys in the Debt Service Reserve Fund shall be valued at the market value thereof, exclusive of accrued interest,

by the Finance Officer on and the amount on deposit therein determined accordingly.

After payment in full of the principal of, premium, if any, and interest on the Notes (or provision has been made for the payment thereof as specified in the Ordinance), the fees, charges and expenses of the Finance Officer and any Paying Agent and any other amounts required to be paid under the Ordinance or any other instrument entered into with respect to the Notes, all amounts remaining in the Debt Service Reserve Fund shall be paid to the City.

Section 4.7 Nonpresentment of Notes. If any TIF Note is not presented for payment when the principal thereof becomes due at stated maturity or prior redemption date, if funds sufficient to pay such TIF Note have been made available to the Finance Officer, all liability of the City to the Registered Owner thereof for the payment of such TIF Note shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Finance Officer to hold such funds, without liability for interest thereon, for the benefit of the Registered Owner of such TIF Note, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Ordinance or on, or with respect to, said TIF Note. If any TIF Note is not presented for payment within five (5) years following the date when such TIF Note becomes due at maturity, the Finance Officer shall repay to the City the funds theretofore held by it for payment of such TIF Note, and such TIF Note shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the City, and the Registered Owner thereof shall be entitled to look only to the City for payment, and then only to the extent of the amount so repaid to it by the Finance Officer, and the City shall not be liable for any interest thereon and shall not be regarded as a Finance Officer of such money.

ARTICLE V. REMEDIES

Section 5.1 Remedies. The provisions of this Ordinance, including the covenants and agreements herein contained, shall constitute a contract between the City and the Owner. The Owner shall have the right:

- (a) by mandamus or other suit, action or proceedings at law or in equity to enforce the rights of the Owner against the City and its officers, agents and employees, and to require and compel duties and obligations required by the provisions of this Ordinance or by the constitution and laws of the State of Missouri;
- (b) by suit, action or other proceedings in equity or at law to require the City, its officers, agents and employees to account as if they were the trustees of an express trust; and
- (c) by suit, action or other proceedings in equity or at law to enjoin any acts or things which may be unlawful or in violation of the rights of the Owner.

Section 5.2 Limitation on Rights of Owner. The Owner secured hereby shall not have any right in any manner whatever by its action to affect, disturb or prejudice the security granted and provided for herein, or to enforce any right hereunder, except in the manner herein provided.

Section 5.3 Remedies Cumulative. No remedy conferred herein upon the Owner is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred herein. No waiver of any default or breach of duty or contract by the Owner shall extend to or affect any subsequent default or breach of duty or contract or shall impair any rights or remedies thereon. No delay or omission of the Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein. Every substantive right and every remedy conferred upon the Owner by this Ordinance may be enforced and exercised from time to time and as often as may be deemed expedient. If any suit, action or proceedings taken by the Owner on account of any default or to enforce any right or exercise any remedy has been discontinued or abandoned for any reason, or has been determined adversely to the Owner, then, and in every such case, the City and the Owner shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Owner shall continue as if no such suit, action or other proceedings had been brought or taken.

ARTICLE VI. DEPOSIT AND INVESTMENT OF MONEYS

Section 6.1 Deposits of Moneys. All moneys deposited with or paid to the Finance Officer for the account of the various funds established under this Ordinance shall be held by the Finance Officer in trust and shall be applied only in accordance with this Ordinance. The Finance Officer shall not be under any liability for interest on any moneys received hereunder except as otherwise provided herein.

Section 6.2 Investment of Moneys. Moneys held in any fund or account referred to in this Ordinance shall be invested by the City as set forth in Section 95.530 Revised Statutes of Missouri of Missouri, as amended. All earnings on any investments held in any fund shall accrue to and become a part of such fund or account, except the Debt Service Reserve Fund as provided in Section 4.6 herein.

ARTICLE VII. MISCELLANEOUS PROVISIONS

Section 7.1 Covenant to Request Appropriations. The City agrees that it shall comply with its Charter, Article XVI, Section 3 for each fiscal year that the TIF Notes are outstanding and the City official(s) shall request an appropriation of all moneys on deposit in the Special Allocation Fund for transfer to the Finance Officer for deposit at the times and in the manner provided in **Section 4.3** of this Ordinance.

Section 7.2 Tax Matters. Neither the City nor the Developer shall use or permit the use of any proceeds of the Tax Exempt TIF Note to acquire any securities or obligations, and shall not take or permit to be taken any other action or actions, which would cause the Tax Exempt TIF Note to be an "arbitrage bond" within the meaning of Section 148(a) of the Code, or "federally guaranteed" within the meaning of Section 149(b) of the Code. The City (to the extent within its power or discretion) and the Developer shall not use or permit the use of any proceeds of the Tax Exempt TIF Note, and shall not take or permit to be taken any other action or actions, which would result in the Tax Exempt TIF Note being treated as other than an obligation described in Section 103(a) of the Code. The City (to the extent within its power or discretion) and the Developer shall not use any portion of the proceeds of the Tax Exempt TIF Note, including any investment income earned on such proceeds, in any manner that would cause the Tax Exempt TIF Note to be a "private activity bond" within the meaning of Section 141(a) of the Code. The officers of the City, including the Mayor, the Finance Officer and the City Register, shall be, and they hereby are, authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Section.

Section 7.3 Payments Due on Saturdays, Sundays and Holidays. In any case where the Payment Date is a Saturday, a Sunday or a legal holiday or other day that is not a business day, then payment of principal or interest need not be made on such date but may be made on the next succeeding business day with the same force and effect as if made on the Payment Date, and no interest shall accrue for the period after such date.

Section 7.4 Notices, Consents and Other Instruments. Any notice, consent, request, direction, approval, objection or other instrument required by this Ordinance to be signed and executed by the Owner of the TIF Notes may be in any number of concurrent writings of similar tenor and may be signed or executed by such Owner in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of the TIF Note, if made in the following manner, shall be sufficient for any of the purposes of the Ordinance, and shall be conclusive in favor of the City with regard to any action taken, suffered or omitted under any such instrument, namely:

(a) The fact and date of the execution by any person of any such instrument may be proved by a certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such instrument acknowledged before such officer the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of ownership of the TIF Note, the amount or amounts and other identification of the TIF Note, and the date of holding the same shall be proved by the registration books of the City.

Section 7.5 Execution of Documents; Further Authority. The City is hereby authorized to enter into and the Mayor and the Finance Officer of the City are hereby authorized and directed to execute and deliver, for and on behalf of and as the act and deed of the City, the TIF Notes and such other documents, certificates and instruments as may be necessary or desirable to carry out and comply with the intent of this Ordinance. The officers of the City, including without limitation the Mayor, the Finance Officer and the Register, are hereby authorized and directed to execute, and the City Register is hereby authorized and directed where appropriate to attest, all certificates, documents or other instruments, and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Ordinance and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instrument and other documents herein approved, authorized and confirmed which they determine to be in the City's best interest, and the execution or taking of such action shall be conclusive evidence of such determination.

Section 7.6 Severability. If any section or other part of this Ordinance, whether large or small, is for any reason held invalid, the invalidity thereof shall not affect the validity of the other provisions of this Ordinance.

Section 7.7 Governing Law. This Ordinance shall be governed exclusively by and constructed in accordance with

the applicable internal laws of the State of Missouri.

Section 7.8 Private Sale. The Board of Aldermen of the City hereby declares that it is in the City’s best interest to sell the TIF Notes at private sale because a public sale of the TIF Notes would cause additional expense to the City and because the condition of the current financial markets makes such a public sale not feasible or the best course of action for the City.

Section 7.9 Termination. After adoption of this Ordinance by the Board of Aldermen, this Ordinance shall become effective on the 30th day after its approval by the Mayor or adoption over his veto; provided that if, within ninety (90) days after the effective date of the Authorizing Ordinance, the Developer has not (i) executed the Redevelopment Agreement pertaining to the Redevelopment Project and (ii) paid all fees due to the City in accordance with the terms of the Redevelopment Agreement, the provisions of this Ordinance shall be deemed null and void and of no effect and all rights conferred by this Ordinance on Developer, shall terminate, provided further, however, that prior to any such termination the Developer may seek an extension of time in which to execute the Redevelopment Agreement, which extension may be granted in the sole discretion of the Board of Estimate and Apportionment of the City of St. Louis.

This TIF Note is one of an authorized series of fully registered Notes of the City designated "City of St. Louis, Missouri, [Taxable][Tax-Exempt] Tax Increment Revenue Notes (Magnolia-Thurman Redevelopment Project), Series 20___-A/B," issued in an aggregate principal amount of not to exceed \$406,000 plus Issuance Costs (the "TIF Notes" or "Notes"). The TIF Notes are being issued for the purpose of paying a portion of the Redevelopment Project Costs in connection with the Redevelopment Plan, under the authority of and in full compliance with the Constitution and laws of the State of Missouri, including particularly the Real Property Tax Increment Allocation Redevelopment Act, Sections 99.800 to 99.865, of the Revised Statutes of Missouri, as amended (the "Act"), and pursuant to the Note Ordinance.

The TIF Notes and the interest thereon are and shall be special, limited obligations of the City payable solely from and secured as to the payment of principal and interest, by the Available Revenues and other moneys pledged thereto and held by the Finance Officer as provided herein. "Available Revenues" means all monies on deposit from time to time (including investment earnings thereon) in (a) the PILOTS Account; and (b) subject to annual appropriation, the EATS Account that have been appropriated to the repayment of TIF Notes, excluding (i) any amount paid under protest until the protest is withdrawn or resolved against the taxpayer or (ii) any sum received by the City which is the subject of a suit or other claim communicated to the City which suit or claim challenges the collection of such sum.

The monies on deposit in the EATS Account of the Special Allocation Fund are those amounts subject to annual appropriation by the Board of Aldermen, equal to fifty percent (50%) of the total additional revenues from taxes, penalties and interest which are imposed by the City or other taxing districts (as that term is defined in Section 99.805(16) of the Act) and which are generated by economic activities within the Redevelopment Area over the amount of such taxes generated by economic activities within the Redevelopment Area in the calendar year ending December 31, 2007 (subject to annual appropriation by the City as provided in the Act), while tax increment financing remains in effect, but excluding personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, licenses, fees or special assessments other than payments in lieu of taxes and penalties and interest thereon, taxes levied pursuant to Section 70.500 of the Revised Statutes of Missouri, as
