The term "Redeveloper(s)" as used in this Section shall include heirs, successors in interest, and assigns.

SECTION FOURTEEN. The Redeveloper(s) may seek ten (10) year real estate tax abatement pursuant to Sections 99.700 - 99.715, RSMo, as amended, upon application as provided therein. If property in the Area is sold by the LCRA to an urban redevelopment corporation formed pursuant to Chapter 353 of the Missouri Statutes, or if any such urban redevelopment corporation shall own property within the Area, then for a period of up to the first ten (10) years after the date such urban redevelopment corporation shall acquire title to property in the Area, taxes on that property shall be based upon the assessment of land, exclusive of any improvements thereon, during the calendar year prior to the calendar year during which such urban redevelopment corporation shall have acquired title to that property. All payments in lieu of taxes shall be a lien upon the real property and, when paid to the Collector of Revenue of the City shall be distributed as all other property taxes. These partial tax relief and payment in lieu of taxes provisions, during up to said ten (10) year period, shall inure to the benefit of all successors in interest in the property of the urban redevelopment corporation, so long as such successors shall continue to use such property as provided in the Plan and in any agreement with the LCRA. In no event shall such benefits extend beyond ten (10) years after any urban redevelopment corporation shall have acquired title to the property.

SECTION FIFTEEN. Any proposed modification which will substantially change the Plan must be approved by this Board in the same manner as the Plan was first approved. Modifications which will substantially change the Plan include, but are not necessarily limited to, modifications on the use of eminent domain, to the length of tax abatement, to the boundaries of the Area, or to other items which alter the nature or intent of the Plan.

A. EXISTING CONDITIONS AND FINDINGS OF BLIGHT

1. DELINEATION OF BOUNDARIES

The 3958 Botanical Ave. Redevelopment Area ("Area") encompasses approximately .07 acres in the Shaw neighborhood of the City of St. Louis ("City") and is located on the south side of Botanical Ave. between 39th St. and Lawrence St.

The legal description of the Area is attached and labeled Exhibit "A". The boundaries of the Area are delineated on Exhibits "B", "C" and "D" ("Project Area Plan").

2. GENERAL CONDITION OF THE AREA

The Area comprises a portion of City Block 4915. The Area is in fair condition. The parcel by parcel physical conditions within the Area are shown on Exhibit "B" ("Project Area Plan-Existing Uses and Conditions") and enumerated in Exhibit "F" "Blighting Report".

Unemployment figures, computed by the Missouri Economic Research and Information Center, Missouri Department of Economic Development, indicate a 11% unemployment rate for the City for the month of May, 2010. It is estimated that this rate is applicable to residents of the neighborhoods surrounding the Area.

There are currently no jobs within the Area.

3. PRESENT LAND USE OF THE AREA

Existing land uses within the Area include an unoccupied two-family building.

The land uses within the Area, including the location of public and private uses, streets and other rights-of-way, is shown on Exhibit "B".

4. PRESENT LAND USE AND DENSITY OF SURROUNDING PROPERTIES

The properties surrounding the Area are used primarily for residential purposes.

Residential density for the surrounding neighborhoods is approximately 21.59 persons per acre.

5. CURRENT ZONING

The Area is currently zoned "B" Two Family Residential District pursuant to the Zoning Code of the City, which is incorporated in this Blighting Study and Redevelopment Plan ("Plan") by reference.

6. FINDING OF BLIGHT

None of the property within the Area is occupied and the Area is in the conditions described in Exhibit "F". The existence of deteriorated property constitutes an economic or social liability to the City and presents a hazard to the health and well-being of its citizens. The preponderance of properties in the Area has been determined to be blighted within the meaning of Section 99.300-99.715 et seq., RSMo, as amended (the "Land Clearance for Redevelopment Authority Law") as evidenced by the Blighting Report attached hereto, labeled Exhibit "F" and incorporated herein by this reference.

B. PROPOSED DEVELOPMENT AND REGULATIONS

1. DEVELOPMENT OBJECTIVES

The primary objectives of this Plan are to eliminate blight within the Area and to facilitate the redevelopment of the Area into productive residential uses.

2. PROPOSED LAND USE OF THE AREA

The proposed land uses for the Area are residential uses permitted in zones designated "B" Two Family Residential District by the City of St. Louis Zoning Code. Redeveloper(s) authorized by the Land Clearance for Redevelopment Authority of the City of St. Louis ("LCRA") to redevelop property in the Area (hereafter referred to as "Redeveloper(s)") shall be permitted to use the property within the Area for only the above proposed uses.

Exhibit "C" (Proposed Land Use) shows the proposed uses for the Area. The General Plan of the City which includes the "Strategic Land Use Plan" (as amended 2009) designates it as a Neighborhood Preservation Area (NPA).

3. PROPOSED ZONING

The proposed zoning for the Area is "B" Two Family Residential District. All land coverage and building intensities shall be governed thereby.

4. RELATIONSHIP TO LOCAL OBJECTIVES

The proposed land uses, zoning, public facilities and utility plans are appropriate and consistent with local objectives as defined by the General Plan of the City which includes the "Strategic Land Use Plan" (as amended 2009). Any specific proposal to the LCRA for redevelopment of the Area or any portion of the Area shall contain, among other things, adequate provisions for traffic, vehicular parking, safety from fire, adequate provisions for light and air, sound design and arrangement, and improved employment opportunities.

5. PROPOSED EMPLOYMENT FOR THE AREA

No new jobs will be created in this Area because the proposed redevelopment is residential.

6. CIRCULATION

The Project Area Plan-Proposed Land Uses Plan (Exhibit "C") indicates the proposed circulation system for the Area. The layouts, levels and grades of all public rights-of-way may remain unchanged.

Rights-of-way changes will be subject to the review and approval of the City Department of Streets, and all vacations of rights-of-way are subject to approval by City ordinance.

7. BUILDING AND SITE REGULATIONS

The Area shall be subject to all applicable federal, state and local laws, ordinances, regulations and codes, including but not limited to, the City Building Code, Zoning District Regulations, and stipulations of the Planning and Urban Design Agency ("PDA") of the City. The population densities, land coverage, and building intensities of redevelopment shall be governed by the Zoning Code. No changes in the building codes or ordinances are required.

The Redeveloper(s) shall redevelop the Area in accordance with this Plan and the Redevelopment Agreement (if any) ("Agreement"), and shall maintain all structures, equipment, paved areas, and landscaped areas controlled by the Redeveloper(s) in good and safe order both inside and outside, structurally and otherwise, including necessary and proper painting. Failure to meet these requirements may result in suspension of tax abatement.

A. EXISTING CONDITIONS AND FINDINGS OF BLIGHT

1. DELINEATION OF BOUNDARIES

The 7004 Lansdowne Avenue Redevelopment Area ("Area") encompasses approximately 0.21 acres in the Lindenwood Park neighborhood of the City of St. Louis ("City") and is located on the southwest corner of Lansdowne Ave. and Macklind Ave. with Sutherland Ave. to the north and Plainview St. to the south.

The legal description of the Area is attached and labeled Exhibit "A". The boundaries of the Area are delineated on Exhibits "B", "C" and "D" ("Project Area Plan").

2. GENERAL CONDITION OF THE AREA

The Area comprises one parcel of City Block 5942. The Area is in fair condition. The parcel by parcel physical conditions within the Area are shown on Exhibit "B" ("Project Area Plan-Existing Uses and Conditions") and enumerated in Exhibit "F" "Blighting Report".

Unemployment figures, computed by the Missouri Economic Research and Information Center, Missouri Department of Economic Development, indicate a 12.2% unemployment rate for the City for the month of June, 2010. It is estimated that this rate is applicable to residents of the neighborhoods surrounding the Area.

There are currently 7 jobs within the Area.

3. PRESENT LAND USE OF THE AREA

Existing land uses within the Area include an occupied commercial building.

The land uses within the Area, including the location of public and private uses, streets and other rights-of-way, is shown on Exhibit "B".

6. FINDING OF BLIGHT

All of the property within the Area is occupied and the Area is in the conditions described in Exhibit "F". The existence of deteriorated property constitutes an economic or social liability to the City and presents a hazard to the health and well-being of its citizens. The preponderance of properties in the Area has been determined to be blighted within the meaning of Section 99.300 et seq. RSMo, as amended (the "Land Clearance for Redevelopment Authority Law") as evidenced by the Blighting Report attached hereto, labeled Exhibit "F" and incorporated herein by this reference.

B. PROPOSED REDEVELOPMENT AND REGULATIONS1. REDEVELOPMENT OBJECTIVES

The primary objectives of this Plan are to eliminate blight within the Area and to facilitate the redevelopment of the Area into productive commercial uses.

2. PROPOSED LAND USE OF THE AREA

The proposed land uses for the Area are Neighborhood Commercial uses permitted in zones designated "F" Neighborhood Commercial District by the City of St. Louis Zoning Code. Redeveloper(s) authorized by the Land Clearance for Redevelopment Authority of the City of St. Louis ("LCRA") to redevelop property in the Area (hereafter referred to as "Redeveloper(s)") shall not be permitted to use the property within the Area for any of the following:

pawn shops, adult bookstores, X-rated movie houses, massage parlors or health spas, auto and truck dealers (new or used), pinball arcades, pool halls, secondhand or junk shops, tattoo parlors, truck or other equipment rentals requiring outside storage, blood donor facilities, free standing package liquor stores, check cashing centers, any use (except for financial institutions or pharmacies) that utilizes a sales or service window or facility for customers who are in cars, or restaurants that sell products to customers who are in cars or who consume the sold products in cars parked on the restaurant premises, or sell products through a sales window to customers who are in cars or to pedestrians outside the building for immediate consumption by the customer either on or off the premises, automobile service or stations.

Exhibit "C" (Project Area Plan-Proposed Land Use) shows the proposed uses for the Area. The General Plan for the City, which includes the "Strategic Land Use Plan" (as amended 2009) designates the Area as a Neighborhood Preservation Area (NPA).

3. PROPOSED ZONING

The zoning for the Area may remain "F" Neighborhood Commercial District. All land coverage and building intensities shall be governed thereby.

4. RELATIONSHIP TO LOCAL OBJECTIVES

The proposed land uses, zoning, public facilities and utility plans are appropriate and consistent with local objectives as defined by the General Plan of the City which includes the "Strategic Land Use Plan" (as amended 2009). Any specific proposal to the LCRA for redevelopment of the Area or any portion of the Area shall contain, among other things, adequate provisions for traffic, vehicular parking, safety from fire, light and air, sound design and arrangement, and improved employment opportunities.

5. PROPOSED EMPLOYMENT FOR THE AREA

Approximately 3 to 5 new permanent full time equivalent jobs are expected to be created if the Area is redeveloped in accordance with this Plan. The exact number of jobs created will depend upon the specific nature of the proposed redevelopment.

6. CIRCULATION

The Project Area Plan-Proposed Land Use Plan (Exhibit "C") indicates the proposed circulation system for the Area. The layouts, levels and grades of all public rights-of-way may remain unchanged.

Rights-of-way changes will be subject to the review and approval of the City Department of Streets, and all vacations of rights-of-way are subject to approval by City ordinance.

The Redeveloper(s) shall redevelop the Area in accordance with this Plan and the redevelopment agreement ("Agreement") (if any), and shall maintain all structures, equipment, paved areas, and landscaped areas controlled by the Redeveloper(s) in good and safe order both inside and outside, structurally and otherwise, including necessary and proper painting. Failure to meet this requirement may result in suspension of tax abatement.

**ORDINANCE #68780
Board Bill No. 174**

An Ordinance designating a portion of the City of St. Louis, Missouri as a redevelopment area known as the 4249 Michigan Redevelopment Area pursuant to the Real Property Tax Increment Allocation Redevelopment Act; approving a redevelopment plan and a redevelopment project with respect thereto; adopting tax increment financing within the redevelopment area; making findings with respect thereto; establishing the 4249 Michigan Special Allocation Fund; authorizing certain actions by City officials; and containing a severability clause.

WHEREAS, the City of St. Louis, Missouri (the "City"), is a body corporate and a political subdivision of the State of Missouri, duly created, organized and existing under and by virtue of its charter, the Constitution and laws of the State of Missouri; and

WHEREAS, on December 20, 1991, pursuant to Ordinance No. 62477, the Board of Aldermen of the City created the Tax Increment Financing Commission of the City of St. Louis, Missouri (the "TIF Commission"); and

WHEREAS, the TIF Commission is duly constituted according to the Real Property Tax Increment Allocation Redevelopment Act, Sections 99.800 to 99.865 of the Revised Statutes of Missouri (2000), as amended (the "TIF Act"), and is authorized to hold public hearings with respect to proposed redevelopment areas and redevelopment plans and to make recommendations thereon to the City; and

WHEREAS, staff and consultants of the City prepared a plan for redevelopment titled the "4249 Michigan TIF Redevelopment Plan" dated July 30, 2010 (the "Redevelopment Plan") for an area containing one parcel located in City Block 2654 and commonly known as 4249 Michigan Avenue in St. Louis (the "Redevelopment Area" or "Area"), which Redevelopment Area is more fully described in the Redevelopment Plan, attached hereto and incorporated herein as **Exhibit A**; and

WHEREAS, the Redevelopment Plan proposes to redevelop the Redevelopment Area by rehabilitation and redevelopment of the building in the Redevelopment Area into residential space, as set forth in the Redevelopment Plan (the "Redevelopment Project," or "TIF Project"); and

WHEREAS, on September 15, 2010, after all proper notice was given, the TIF Commission held a public hearing in conformance with the TIF Act and received comments from all interested persons and taxing districts relative to the Redevelopment Area, the Redevelopment Plan, and the Redevelopment Project; and

WHEREAS, on September 15, 2010, the TIF Commission found that completion of the Redevelopment Project would provide a substantial and significant public benefit through the elimination of blighting conditions, the creation of new jobs in the City, increased property values and tax revenues, stabilization of the Redevelopment Area, facilitation of the economic stability of the City as a whole, and further found that without the assistance of tax increment financing in accordance with the TIF Act, the Redevelopment Project is not financially feasible and would not otherwise be completed; and

WHEREAS, on September 15, 2010, the TIF Commission voted to recommend that the Board of Aldermen adopt an ordinance in the form required by the Act (i) adopting tax increment financing within the Redevelopment Area, (ii) approving the Redevelopment Plan, (iii) designating the Redevelopment Area as a “redevelopment area” as provided in the Act, (iv) approving the Redevelopment Project as described within the Redevelopment Plan, and (v) approving the issuance of one or more tax increment financing revenue notes in the amount as specified in the Redevelopment Plan; and

WHEREAS, the Board of Alderman hereby recognizes that redevelopment of the Redevelopment Area in accordance with the Redevelopment Plan is of economic significance to the City, and will (i) serve to eliminate the conditions that cause the Redevelopment Area to be blighted, (ii) assist physical, economic, and social development of the community, (iii) encourage a sense of community identity, safety and civic pride, (iv) eliminate substandard buildings, and (v) eliminate impediments to land disposition and development, and therefore, the Redevelopment Project, through tax increment financing, will serve to benefit the general welfare of the City; and

WHEREAS, Chariton TIF, Inc. (the “Developer”), has demonstrated that the Redevelopment Project would not reasonably be anticipated to be developed without the adoption of tax increment financing and, therefore, redevelopment of the Redevelopment Area in accordance with the Redevelopment Plan is not feasible and would not otherwise be completed; and

WHEREAS, the Board of Aldermen has received the recommendations of the TIF Commission regarding the Redevelopment Area and the Redevelopment Plan and finds that it is desirable and in the best interests of the City to designate the Redevelopment Area as a “redevelopment area” as provided in the TIF Act, adopt the Redevelopment Plan and Redevelopment Project in order to encourage and facilitate the redevelopment of the Redevelopment Area; and

WHEREAS, the Redevelopment Area qualifies for the use of tax increment financing to alleviate the conditions that qualify it as a “blighted area” as provided in the TIF Act and as set forth herein; and

WHEREAS, the property constituting the Redevelopment Area is underutilized and vacant, thus discouraging investment and encouraging crime and vagrancy, and the Redevelopment Area represents a social and economic liability to the City; and

WHEREAS, it is necessary and desirable and in the best interest of the City to approve the Redevelopment Project to allow the rehabilitation of the building in the Redevelopment Area into residential space; and

WHEREAS, it is necessary and desirable and in the best interest of the City to adopt tax increment allocation financing within the Redevelopment Area and to establish a special allocation fund for the Redevelopment Area in order to provide for the promotion of the general welfare through redevelopment of the Redevelopment Area in accordance with the Redevelopment Plan which redevelopment includes, but is not limited to, assistance in the physical, economic, and social development of the City of St. Louis, providing for a stabilized population and plan for the optimal growth of the City of St. Louis, encouragement of a sense of community identity, safety and civic pride, and the elimination of impediments to land disposition and development in the City of St. Louis.

A. This finding includes, the Redevelopment Plan sets forth, and the Board of Aldermen hereby finds and adopts by reference: (i) a detailed description of the factors that qualify the Redevelopment Area as a “blighted area” and (ii) an affidavit, signed by the Developer and submitted with the Redevelopment Plan, attesting that the provisions of Section 99.810.1(1) of the TIF Act have been met, which description and affidavit are incorporated herein as if set forth herein.

B. The Redevelopment Plan conforms to the comprehensive plan for the development of the City as a whole.

C. In accordance with the TIF Act, the Redevelopment Plan states the estimated dates of completion of the Redevelopment Project and retirement of the financial obligations issued to pay for certain redevelopment project costs and these dates are twenty three (23) years or less from the date of approval of the Redevelopment Project.

D. A plan has been developed for relocation assistance for businesses and residences as set forth in Ordinance No.

62481 adopted December 20, 1991.

E. A cost-benefit analysis showing the economic impact of the Redevelopment Plan on each taxing district which is at least partially within the boundaries of the Redevelopment Area is on file with the St. Louis Development Corporation, which cost-benefit analysis shows the impact on the economy if the Redevelopment Project is not built, and if the Redevelopment Project is built pursuant to the Redevelopment Plan as well as a fiscal impact study on every affected political subdivision and sufficient information for the TIF Commission to evaluate whether the Redevelopment Project is financially feasible.

F. Redevelopment of the Redevelopment Area in accordance with the Redevelopment Plan is not financially feasible without the assistance of tax increment financing and would not otherwise be completed.

G. The Redevelopment Plan does not include the initial development or redevelopment of any "gambling establishment" as that term is defined in Section 99.805(6) of the TIF Act.

H. The Redevelopment Area includes only those parcels of real property and improvements thereon directly and substantially benefitted by the proposed Redevelopment Project.

SECTION TWO. The Redevelopment Area described in the Redevelopment Plan is hereby designated as a "redevelopment area" as defined in Section 99.805(11) of the TIF Act.

SECTION THREE. The Redevelopment Plan as reviewed and recommended by the TIF Commission on September 15, 2010, including amendments thereto, if any, and the Redevelopment Project described in the Redevelopment Plan are hereby adopted and approved. A copy of the Redevelopment Plan is attached hereto as **Exhibit A** and incorporated herein by reference.

SECTION FOUR. There is hereby created and ordered to be established within the treasury of the City a separate fund to be known as the "4249 Michigan Special Allocation Fund." To the extent permitted by law and except as otherwise provided in the Redevelopment Plan, the City hereby pledges funds in the 4249 Michigan Special Allocation Fund for the payment of redevelopment project costs and obligations incurred in the payment thereof.

SECTION FIVE. Tax increment allocation financing is hereby adopted within the Redevelopment Area. After the total equalized assessed valuation of the taxable real property in the Redevelopment Area exceeds the certified total initial equalized assessed valuation of the taxable real property in the Redevelopment Area, the ad valorem taxes, and payments in lieu of taxes, if any, arising from the levies upon taxable real property in the Redevelopment Area by taxing districts and tax rates determined in the manner provided in Section 99.855.2 of the TIF Act each year after the effective date of this Ordinance until redevelopment costs have been paid shall be divided as follows:

A. That portion of taxes, penalties and interest levied upon each taxable lot, block, tract, or parcel of real property which is attributable to the initial equalized assessed value of each such taxable lot, block, tract, or parcel of real property in the area selected for the Redevelopment Project shall be allocated to and, when collected, shall be paid by the City Collector to the respective affected taxing districts in the manner required by law in the absence of the adoption of tax increment allocation financing;

B. Payments in lieu of taxes attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract, or parcel of real property in the area selected for the Redevelopment Project and any applicable penalty and interest over and above the initial equalized assessed value of each such unit of property in the area selected for the Redevelopment Project shall be allocated to and, when collected, shall be paid to the City Treasurer, who shall deposit such payments in lieu of taxes into the 4249 Michigan Special Allocation Fund for the purpose of paying redevelopment costs and obligations incurred in the payment thereof. Payments in lieu of taxes which are due and owing shall constitute a lien against the real estate of the Redevelopment Project from which they are derived and shall be collected in the same manner as the real property tax, including the assessment of penalties and interest where applicable.

SECTION SIX. In addition to the payments in lieu of taxes described in Section Five of this Ordinance, fifty percent (50%) of the total additional revenue from taxes, penalties and interest which are imposed by the City or other taxing districts, and which are generated by economic activities within the area of the Redevelopment Project over the amount of such taxes generated by economic activities within the area of the Redevelopment Project in the calendar year prior to the adoption of the Redevelopment Project by ordinance, while tax increment financing remains in effect, but excluding personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to Section 70.500 of the Revised Statutes of Missouri (2000) as amended, or taxes levied for the purpose of public transportation pursuant to Section 94.660 of the Revised Statutes of Missouri (2000) as amended, licenses, fees or special assessments other than payments in lieu of taxes and penalties and interest thereon, shall be allocated to, and paid by the collecting officer to the City Treasurer or other designated

financial officer of the City, who shall deposit such funds in a separate segregated account within the 4249 Michigan Special Allocation Fund.

SECTION SEVEN. The Comptroller of the City is hereby authorized to enter into agreements or contracts with other taxing districts as necessary to ensure the allocation and collection of the taxes and payments in lieu of taxes described in Sections Five and Six of this Ordinance and the deposit of the said taxes or payments in lieu of taxes into the 4249 Michigan Special Allocation Fund for the payment of redevelopment project costs and obligations incurred in the payment thereof, all in accordance with the TIF Act.

SECTION EIGHT. The City Register is hereby directed to submit a certified copy of this Ordinance to the City Assessor, who is directed to determine the total equalized assessed value of all taxable real property within the Redevelopment Area as of the date of this Ordinance, by adding together the most recently ascertained equalized assessed value of each taxable lot, block, tract or parcel of real property within the Redevelopment Area, and shall certify such amount as the total initial equalized assessed value of the taxable real property within the Redevelopment Area.

SECTION NINE. The Mayor and Comptroller of the City or their designated representatives are hereby authorized and directed to take any and all actions as may be necessary and appropriate in order to carry out the matters herein authorized, with no further action of the Board of Aldermen necessary to authorize such action by the Mayor and the Comptroller or their designated representatives.

SECTION TEN. The Mayor and the Comptroller or their designated representatives, with the advice and concurrence of the City Counselor and after approval by the Board of Estimate and Apportionment, are hereby further authorized and directed to make any changes to the documents, agreements and instruments approved and authorized by this Ordinance as may be consistent with the intent of this Ordinance and necessary and appropriate in order to carry out the matters herein authorized, with no such further action of the Board of Aldermen necessary to authorize such changes by the Mayor and the Comptroller or their designated representatives.

SECTION ELEVEN. It is hereby declared to be the intention of the Board of Aldermen that each and every part, section and subsection of this Ordinance shall be separate and severable from each and every other part, section and subsection hereof and that the Board of Aldermen intends to adopt each said part, section and subsection separately and independently of any other part, section and subsection. In the event that any part, section or subsection of this Ordinance shall be determined to be or to have been unlawful or unconstitutional, the remaining parts, sections and subsections shall be and remain in full force and effect, unless the court making such finding shall determine that the valid portions standing alone are incomplete and are incapable of being executed in accord with the legislative intent.

SECTION TWELVE. After adoption of this Ordinance by the Board of Aldermen, this Ordinance shall become effective on the 30th day after its approval by the Mayor or adoption over his veto; *provided that* if, within ninety (90) days after the effective date of an ordinance authorizing the City to enter into a redevelopment agreement pertaining to the Redevelopment Project, the Developer or its affiliate or designee, has not (i) executed such redevelopment agreement and (ii) paid all fees due to the City in accordance with the terms of the redevelopment agreement, the provisions of this Ordinance shall be deemed null and void and of no effect and all rights conferred by this Ordinance on Developer, shall terminate, *provided further*, however, that prior to any such termination the Developer may seek an extension of time in which to execute the Redevelopment Agreement, which extension may be granted in the sole discretion of the Board of Estimate and Apportionment of the City of St. Louis.

- I. INTRODUCTION**

The following is a plan prepared for redevelopment of certain real property in the City of St. Louis (the "City") consisting of one parcel in City Block 2654 located at 4249 Michigan Avenue (the "Redevelopment Area" or "Area"). The Area currently contains a multi-family residential building (the "Building"). A legal description and map of the Redevelopment Area are attached

hereto as **Appendix 1** and incorporated herein by this reference.

The Redevelopment Area qualifies as a blighted area under Missouri's Real Property Tax Increment Allocation Redevelopment Act, Section 99.800-99.865 of the Revised Statutes of Missouri (2000) (the "TIF Act"). This Redevelopment Plan contemplates the redevelopment of the Area into residential uses (the "Redevelopment Project" or "Project").

This Redevelopment Plan proposes that the City initially authorize and issue one or more Tax Increment Financing Notes ("TIF Notes") in an amount up to Three Hundred Sixty-Seven Thousand Six Hundred Forty and No/100 Dollars (\$367,640.00) plus issuance costs to fund a portion of the costs of the Redevelopment Project. The TIF Notes issued shall be reimbursed from the revenue stream of Payments In Lieu of Taxes ("PILOTS") and Economic Activity Taxes ("EATS"), if any, generated by the Project over a twenty-three year period. One hundred percent of PILOTS within the Redevelopment Area and fifty percent of EATS will be allocated to retire the TIF Notes. The City may issue TIF Note(s) or other TIF obligations to the developer of the Project ("Developer") or a third party to evidence the City's obligation to reimburse the Developer for a portion of the costs of the Redevelopment Project. Such TIF Note(s) will be paid from revenues on deposit in the 4249 Michigan Special Allocation Fund, in accordance with and pursuant to the TIF Act. Upon receipt by the City of a written request by Developer and evidence that the Developer has met certain criteria agreed upon by the City and Developer in a Redevelopment Agreement, the City shall cause one of its agencies to immediately proceed to issue tax increment financing bonds ("TIF Bonds") to repay the TIF Note.

II. OVERVIEW OF TAX INCREMENT FINANCING

In order to promote the redevelopment of a declining area or to induce new activity in an area that has been lacking in growth and development, the State of Missouri has provided statutory tools to counties and municipalities to assist private and initiate public, investment. One such tool is the TIF Act.

The TIF Act allows cities and counties to (1) identify and designate redevelopment areas that qualify as Blighted Areas, Conservation Areas, or Economic Development Areas as each are defined in the TIF Act; (2) adopt a redevelopment plan that designates the redevelopment area and states the objectives to be attained and the program to be undertaken; (3) approve a redevelopment project(s) for implementation of the redevelopment plan; and (4) utilize the tools set forth in the TIF Act to assist in reducing or eliminating those conditions that cause the area to qualify as a redevelopment area. Generally, the TIF Act allows municipalities to foster economic and physical improvements in a redevelopment or project area and to enhance the tax base of all taxing districts that levy taxes in such area. Within redevelopment areas, municipalities may use the power of eminent domain to provide necessary property acquisition for the implementation of a redevelopment plan and redevelopment project.

The concept of tax increment financing is outlined as follows: implementation of a redevelopment project within the redevelopment area will produce increased real estate assessments attributable to the redevelopment within the area. The area then generates PILOTS on the increased assessed value of the improved property. The project also generates new EATS resulting from operations within the redevelopment or project area. The TIF Act authorizes the capture of certain PILOTS and EATS in the redevelopment or project area over and above such levels within that area in the year of approval of the redevelopment project (with respect to PILOTS) and in the year prior to the approval of the redevelopment project (with respect to EATS). New development is made possible within the redevelopment area through the municipality's use of incremental revenues to finance certain costs of developing or redeveloping the area.

The municipality segregates these incremental revenues into a special account, the "special allocation fund," during the period of time in which the incremental revenues are dedicated to the purposes identified in the redevelopment plan. The municipality is further authorized to pledge additional net new revenues from the project to the purposes identified in the redevelopment plan. Taxing districts also benefit from the increase in certain other taxes resulting from the increased economic activity in the redevelopment or project area. These taxes resulting from development of the redevelopment project are not deposited in the special allocation fund pursuant to the provisions of the TIF Act.

III. REDEVELOPMENT PLAN INCLUDING NECESSARY FINDINGS

1. Legal Description of the Redevelopment Area

A legal description and map of the Redevelopment Area are included herein as **Appendix 1**. The Area includes all real property located at 4249 Michigan Avenue in the City of St. Louis.

2. Redevelopment Plan Objectives

The current Equalized Assessed Value of all property in the Redevelopment Area is attached as **Appendix 5**.

7. Estimated Equalized Assessed Value after Redevelopment

The total estimated Equalized Assessed Value of all property subject to PILOTS in the Redevelopment Area after redevelopment and completion of the Redevelopment Project Area is approximately \$487,365.

8. Acquisition

The use of eminent domain is not contemplated within the Area to complete the Redevelopment Project.

9. Blighted Area

As described in greater detail in the *Analysis of Conditions Representing a Blighted Area for the 4249 Michigan Redevelopment Area* attached hereto as **Appendix 3** and incorporated herein by this reference, the Redevelopment Area as a whole is a blighted area, and has not been subject to growth and development through investment by private enterprise and will not reasonably be expected to be developed without the adoption of tax increment financing. The Developer has executed an affidavit attesting to the existence of these conditions, which affidavit is included herein as **Appendix 6**.

The cost of redevelopment precludes private enterprise from developing the Redevelopment Area to its highest and best use without public assistance. The cost of curing the existing conditions of blight and rehabilitation of improvements as contemplated in this Redevelopment Plan is not economically viable if fully borne by the Developer.

10. Conforms with the Comprehensive Plan of the City

The Redevelopment Plan conforms to the development of the City as set forth in the "Strategic Land Use Plan" (2005). The Area is designated as a "Neighborhood Preservation Area." The Redevelopment Project for this TIF matches the goals set for this designation.

11. Plan for Relocation Assistance

The relocation of residents or businesses is not anticipated to be necessary within the Redevelopment Area with respect to the Redevelopment Project; however, to the extent any relocation is necessary, this Plan will follow the regulations established by the City of St. Louis for relocation according to Ordinance 62481.

12. Cost Benefit Analysis

A cost benefit analysis showing the fiscal impact of the Project on each taxing district impacted by this Redevelopment Plan and sufficient information to determine the financial feasibility of the Project is on file with the St. Louis Development Corporation, 1015 Locust Street, Suite 1200, St. Louis, MO 63101.

Additionally, certain taxing districts will benefit from the additional real and personal property taxes and economic activity taxes which will be paid and not contributed to the TIF. The TIF Act allows for the collection of only 50% of the EATS for payment of project costs. The other 50% are distributed to the appropriate taxing authorities.

13. Does Not Include Gambling Establishment

The Redevelopment Plan does not include the initial development or redevelopment of any gambling establishment.

14. Reports to DED

As required by the TIF Act, the City shall report to the Department of Economic Development regarding the Redevelopment Area.

15. Historical Land Use of Property within the Redevelopment Area

Located in the Mount Pleasant Neighborhood of South St. Louis City, the Building was constructed in 1971 by the Franciscan Tertiary Province of Missouri, Inc. (A non-profit corporation formed by the Third Order of Saint Francis, lead by Fr. Mark Hegener). The nonprofit partnered with HUD to construct the affordable senior housing nearby St. Anthony of Padua Church. The

Building was constructed utilizing modernist style components with a brick and concrete façade and covered walkway. The 11-story building has 122 apartments, including 80 studio units and 42 one bedroom units. The first floor consists of common areas, including a kitchen and dining area, as well as utility and service rooms. The Building has slowly deteriorated over time due to age and periods of deferred maintenance. Since 2006, the Area has been the subject of 37 Citizens Service Bureau complaints relating to a range of issues from safety and health concerns, mechanical issues, overcrowding, graffiti, and infestations. Currently, the property is only about 66% occupied and in need of extensive rehabilitation of common areas and vacant units and the modernization of elevators.

IV. FINANCING PLAN

1. Eligible Redevelopment Project Costs

The TIF Act provides for the use of tax increment revenues generated by a designated redevelopment area to pay all reasonable or necessary costs incurred, estimated to be incurred, or incidental to a redevelopment plan or redevelopment project within a designated TIF redevelopment area. A municipality may pledge all or any part of the funds in and to be deposited in the special allocation fund established for a redevelopment project area to the payment of redevelopment project costs and obligations within the redevelopment area, including the retention of funds for the payment of future redevelopment costs.

The estimated Redevelopment Project Costs to be incurred in connection with the TIF Project are approximately \$2,394,283, excluding developer fees, and are set forth in Appendix 2. More specifically, the TIF Act allows the City and/or its designated developer(s) to incur redevelopment costs associated with implementation of an approved Redevelopment Plan and approved Redevelopment Project. These costs include all reasonable or necessary costs incurred, and any costs incidental to a Redevelopment Project. Thus, this Redevelopment Plan anticipates that a portion of the sources of funds used to pay the Project Costs will come from the TIF revenues (as described in Section 3 of this Article IV); such Project Costs, in accordance with the TIF Act, may include, but are not limited to:

- Costs of studies, surveys, plans and specifications;
- Professional service costs including, but not limited to, architectural, engineering, legal, marketing, financial, planning or special services;
- Property assembly costs including, but not limited to, acquisition of land and other real or personal property rights, or interests therein;
- Costs of rehabilitation, reconstruction, or repair or remodeling of existing buildings and fixtures;
- Costs of construction new structures as permitted by the TIF Act, of public works or other improvements;
- Financing costs including, but not limited to, all necessary and incidental expenses related to the issuance of obligations, and which may include the payment of interest on any obligation issued under the provisions of this Redevelopment Plan accruing during the estimated period of construction of any Redevelopment Project for which such obligations are issued and for not more than eighteen months thereafter, and including reasonable reserves related thereto; and
- All or a portion of a taxing district's capital costs resulting from the Redevelopment Project necessarily incurred or to be incurred in furtherance of the objectives of the Redevelopment Plan and Project, to the extent the City, by written agreement, accepts and approves such costs.

The costs shown on **Appendix 2** represent the total approximate costs of the project regardless of the source of funding. This table does not include all custom finishes over and above Developer-supplied finishes, which are unknown at this time. Typical plan implementation and financing costs are based on the experience of the Developer. It should be noted that these costs are based on the knowledge of the Project at this time and that the actual redevelopment cost items for implementing the Redevelopment Plan and the Redevelopment Project may vary from these estimates.

The following table illustrates the anticipated categories costs that will be funded in part by TIF, assuming the funding of up to \$2,394,283 in Redevelopment Project Costs.

CATEGORY	
	Acquisition Costs
	Demolition Costs (includes, but is not limited to, demolition of existing buildings and structures or parts thereof).
	Site Preparation and Improvements Costs (includes, but is not limited to, site work, street and sidewalk improvements, utility work, resetting of curbs, landscaping and lighting in the right of way).
	Financing Costs (includes, but is not limited to, loan fees, construction period interest, disbursing fees, construction monitoring and inspection fees, lender's legal fees, loan appraisals, flood certificates, title, recording, disbursing costs, tax credit investor fees and any and all other costs incurred by the Developer in connection with obtaining financing for and a tax credit investor in the Redevelopment Project).
	Environmental Testing, Remediation and/or Abatement Costs (includes, but is not limited to, the testing for and removal and disposal of toxic or hazardous substances or materials).
	Professional Service Costs (includes, but is not limited to, architectural, engineering, surveying, legal, marketing, advertising, financial, planning, or special services).
	TIF Costs & Issuance Costs incurred by the Developer.
	Rehabilitation, renovation or reconstruction of existing buildings and structures and construction of common improvements to the Redevelopment Area and construction of new structures as permitted by the TIF Act.
\$2,394,2830	TOTAL

It is not the intent of **Appendix 2**, the table provided above, or this Redevelopment Plan to restrict the City or the Developer to the cost amounts, categories or allocations as outlined. During the life of the Redevelopment Area, Plan, and Project, other costs may be incurred or adjustments may be made within and among the line items specified in **Appendix 2** and additional categories may be added to the extent allowed by the TIF Act, if necessary and reasonable to accomplish the program objectives of the Redevelopment Plan.

2. Anticipated Sources of Funding to Pay Redevelopment Project Costs

There are three (3) principal sources of potential funds that are anticipated to be used to pay the costs of implementation of the Redevelopment Plan and the Redevelopment Project previously described. These sources are:

- Owner equity;
- Private financing;
- Funds available through the issuance of TIF notes, bonds, loans, or other certificates of indebtedness (herein collectively referred to as "TIF Note(s)").

The anticipated type and term of the sources of funds are set forth in **Appendix 2**. It is not the intent of **Appendix 2** or this Redevelopment Plan to restrict the City or the Developer to the sources or source amounts as outlined. During the life of the Redevelopment Agreement, Plan, and Project, other sources may be found or adjustments may be made within or in addition to the sources specified in **Appendix 2**.

3. TIF Note Funding

This Redevelopment Plan proposes that the City initially authorize and issue one or more TIF Notes in an amount up to Three Hundred Sixty-Seven Thousand Six Hundred Forty and No/100 Dollars (\$367,640.00) plus issuance costs to fund a portion of the Redevelopment Project Costs associated with completion of the Redevelopment Project, with a term of retirement for all such issues not more than 23 years. The TIF Notes or other financial obligations will be issued only to finance the Redevelopment Project and Redevelopment Project Costs as outlined in **Appendix 2**, which are eligible costs as specified in Section 99.805(11) of the TIF Act, including any costs of issuing the TIF Notes or other financial obligations.

The TIF Notes may be issued in one or more series and may include notes, temporary notes, or other financial obligations to be redeemed by TIF Notes upon completion of the Redevelopment Project. In addition, these TIF Notes or other financial obligations may be privately placed. It is the City's intent to pay for the principal and interest on these TIF Notes or other financial obligations, in any year, solely with money legally available for such purpose within the 4249 Michigan Special Allocation Fund.

The 4249 Michigan Special Allocation Fund will contain at least two accounts as provided for and in accordance with the TIF Act:

1. The "PILOTS Account" will contain all payments in lieu of taxes derived from all taxable lots, blocks, tracts, and parcels of real property (or any interest therein) within the Redevelopment Area as contemplated by this Redevelopment Plan and in accordance with the TIF Act; and
2. The "Economic Activity Taxes ("EATS") Account" will contain fifty percent (50%) of the total funds from taxes imposed by the City which are generated by the operations and activities within the Redevelopment Area, excluding licenses, fees or special assessments, and excluding personal property taxes and payments to the PILOTS Account, in accordance with the TIF Act.

Funds on deposit in the PILOTS Account and EATS Account, if any, will be pledged to the payment of the Redevelopment Project Costs. Such payment obligations shall not constitute debts or liabilities of the City, the State of Missouri, or any political subdivision thereof within the meaning of any constitutional or statutory debt limitation or restriction and neither the City nor the State of Missouri shall be liable thereon except from such accounts.

4. Evidence of Commitment to Finance Redevelopment Project Costs

Appendix 7 contains a preliminary commitment letter providing evidence of a commitment to provide financing of Redevelopment Project Costs associated with the Redevelopment Project.

TIF ELIGIBILITY

The 4249 Michigan Redevelopment Area (the "Redevelopment Area" or "Area") established in the 4249 Michigan Redevelopment

Plan (the "TIF Redevelopment Plan") is a blighted area based on the fact that it exhibits the factors set forth in Section 99.805(1) of the Revised Statutes of Missouri (the "TIF Act").

As defined, a "blighted area" is:

An area which, by reason of the predominance of defective or inadequate street layout, unsanitary or unsafe conditions, deterioration of site improvements, improper subdivision or obsolete platting, or the existence of conditions which endanger life or property by fire and other causes, or any combination of such factors, retards the provision of housing accommodations or constitutes an economic or social liability or a menace to the public health, safety, morals, or welfare in its present condition and use.

Blighting factors and conditions present in the Redevelopment Area include:

- 1) Deterioration of Site Improvements:
 - a. Building exterior;
 - b. Building interior.
- 2) Unsanitary and unsafe conditions resulting from:
 - a. Deteriorated site improvements;
 - b. Improperly functioning elevators and systems;
 - c. Excessive vacancy.
- 3) Existence of Conditions which Endanger Lives or Property by Fire or Other Causes:
 - a. Deteriorating physical components;

These factors and conditions constitute:

- 1) A Menace to the Public Health, Safety, Morals or Welfare
- 2) An Economic or Social Liability:
 - a. Deferred maintenance;
 - b. Uncompetitive position;
 - c. Unsafe conditions.

The factors listed above will persist and continue to decline until the redevelopment of the Area is undertaken.

A map illustrating the boundaries of the area is attached hereto as Exhibit 1, along with photographs of conditions in the Area attached hereto as Exhibit 2.

DATA COLLECTION METHODS

This study has been designed and conducted to comply with the specific requirements of Section 99.805(1) RSMo. The study and the requisite fieldwork were performed in July 2010. Observations and conclusions are based upon on-site inspections of the Redevelopment Area and familiarity with the local market.

In determining whether the proposed Redevelopment Area meets the eligibility requirements for Tax Increment Financing per the TIF Act, a number of sources of information were utilized; including, but not limited to, the following:

- A. Survey of the condition and use of the Redevelopment Area;

- B. Public documents and records relating to the history and/or condition of the Area;
- C. Analysis of existing uses; and
- D. A review of the Phase I Environmental Assessment conducted by Environmental Operations, Inc. for the Area, dated April 20, 2010.

OVERVIEW OF THE REDEVELOPMENT AREA

The Redevelopment Area consists of one parcel in City Block 2654 located at 4249 Michigan Avenue as shown on Appendix 1 to the TIF Redevelopment Plan. The Area contains one building located at 4249 Michigan Avenue (the "Building").

DISCUSSION OF BLIGHT IN THE REDEVELOPMENT AREA

1) Deterioration of Site Improvements:

In general, deterioration refers to any physical deficiencies or disrepair in buildings or site improvements requiring treatment or repair. Deterioration may be evident in basically sound buildings containing minor defects, such as a lack of painting, loose or missing roof tiles, floor or ceiling plates, or holes and cracks over limited areas. Deterioration that is not easily curable, however, and that cannot be accomplished in the course of normal maintenance, includes buildings with defects in the primary and secondary building components. Primary building components include the foundation, exterior walls, floors, roofs, wiring, plumbing, etc. Secondary building components include the doors, windows, frames, fire escapes, gutters, downspouts, fascia materials, etc.

The Building suffers from deterioration of exterior and interior building components. Approximately one third of the Building is currently vacant and has steadily deteriorated. Primary components of the Building including wiring, plumbing, and elevators are either in need of repair or require significant updates. The site visit revealed a number of apartments within the Building to be in poor condition with extensive rehabilitation necessary to correct the deteriorated conditions. Some of these apartments are completely uninhabitable due to their deteriorated state. In these units, the cabinets, kitchen sinks, stoves, heating and cooling units, and carpets require complete replacement. In addition, the Building's common areas are outdated, deteriorated and in need of rehabilitation. The floor tiles and carpet throughout the Building require complete replacement.

The Area suffers from deterioration of site conditions. They cannot be corrected through normal maintenance but require rehabilitation, or replacement in order to be brought to an acceptable and marketable physical state.

2) Unsanitary or Unsafe Conditions:

In addition to the general physical deterioration of site improvements stated above, the Area contains unsanitary or unsafe conditions. The Area has had 37 Citizens Service Bureau complaints since 2006 relating to a range of issues from safety and health concerns, mechanical issues, overcrowding, graffiti, and roach infestations. It is clear that the Area has been subject to periods of deferred maintenance over the years.

During the site visit, it was noted that the elevators are severely outdated and have problems functioning correctly. As the residents in the Building are all elderly and/or have a physical disability, this is a safety concern on a daily basis that would be magnified should there ever be a fire or other emergency in the Building. This situation, combined with the underutilization and the deteriorated conditions within the Building, along with the improperly functioning elevators, represents an unsanitary or unsafe condition due to increased likelihood of fire and personal safety concerns within the Area.

These unsanitary and unsafe conditions prevent the full utilization of the Area and increase the cost of rehabilitation.

3) Existence of Conditions which Endanger Lives or Property by Fire or Other Causes:

The deteriorating condition of the Area has resulted in conditions that are unsafe and present a danger to property and personal safety. As previously mentioned, the Building requires extensive repairs to its primary components. The lack of maintenance, deteriorated conditions, and improperly functioning elevators pose a potential danger to lives or property by fire in the Area and a condition which endangers lives or property by fire or other causes. In addition, the Building is partially vacant, causing security and safety issues. The deteriorated conditions and underutilization of the Area likely

encourages vandalism and crime, as reported in the numerous complaints to the Citizens Service Bureau over the past four years.

The blighting factors and conditions as outlined above constitute the following:

1) Menace to the Public Health, Safety, Morals, or Welfare:

As discussed above, the Area exhibits factors that constitute a menace to the public health, safety, morals, or welfare in its present condition and use. The deteriorated condition and excessive vacancy in the Area has the potential to negatively impact surrounding residences and businesses through encouraging vandalism, and crime. The deteriorating, unsanitary, and unsafe conditions described above represent a menace to the public health and safety; the economic liability of the deteriorated structure also represents a menace to the public welfare.

2) Economic or Social Liability:

Due to the predominance of blighting factors discussed above, the Area in its current condition is a liability to the social welfare and economic independence of the City. As noted above, the Area suffers from a lack of investment. Deterioration of the Area has contributed to the lack of physical maintenance and underutilization of the Area. The significant costs necessary to bring the Area to a fully marketable residential development is a condition that is a major economic barrier to any future use for the Area. To overcome the underutilization of the Area, the conditions that contribute to economic and social liability must be remediated in order to allow for growth of existing uses in the Area.

The Area in its current condition hampers the economic vitality and independence of the City by failing to generate sufficient tax revenue and discouraging reinvestment in, or maintenance of, the Area. The Area's physical condition, combined with the underutilization of the Area, diminishes its potential to generate property taxes for the City up to its full potential. Without the redevelopment of the Area, its physical condition will continue to deteriorate and its economic efficiency will suffer.

The physical condition of and resulting lack of reinvestment in the Area have resulted in economic underutilization. The economic underutilization of the property contributes to the eligibility of the Redevelopment Area. The redevelopment of the site will foster much needed economic activity and contribute to the growth of the City.

Re: Proposed 4249 Michigan TIF project, St. Louis, Missouri

Dear Benjamin,

The purpose of this letter is to evidence Sun Security Bank's preliminary commitment to provide financing for your proposed project involving the redevelopment of certain real property into residential uses in the 4249 Michigan TIF in the City of St. Louis, Missouri (the "Project").

This correspondence is intended as a preliminary expression of the Bank's interest in this Project, and the potential funding of this Project is subject to several contingencies, including the review of customary due diligence, the issuance of the necessary tax increment financing by the City of St. Louis, and the review and approval of the Bank's Loan Committee, acting in its sole subjective discretion.

As we have discussed, financing of the Project would not be feasible without the assistance of tax increment financing. Therefore, please be advised that we are excited to provide financing for the Project should the City of St. Louis issue the necessary tax increment financing.

Should you have any questions, please do not hesitate to call.

Sincerely,

Craig Schreuer
Executive Vice President

REDEVELOPMENT AGREEMENT

THIS REDEVELOPMENT AGREEMENT (this “Agreement”) is made and entered into as of this _____ day of _____, 2010, by and between the **CITY OF ST. LOUIS, MISSOURI** (the “City”), a city and political subdivision duly organized and existing under its charter and the Constitution and laws of the State of Missouri, and **CHARITON TIF, INC.** (the “Developer”), a corporation duly incorporated and existing under the laws of the State of Missouri. (All capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in **Article I** of this Agreement.)

RECITALS

A. Pursuant to Ordinance No. 62477, adopted and approved on December 20, 1991, the Board of Aldermen duly formed the Tax Increment Financing Commission of the City of St. Louis, Missouri (the “TIF Commission”), in accordance with the Real Property Tax Increment Allocation Redevelopment Act, Sections 99.800 through 99.865 of the Revised Statutes of Missouri, (2000) (the “TIF Act”), and empowered the TIF Commission to transact business and exercise its powers as authorized by the TIF Act.

B. The City published a notice on August 13, 2010 and August 20, 2010 in the St. Louis Daily Record, a newspaper

of general circulation within the City, soliciting proposals for the redevelopment of the Redevelopment Area (as hereinafter defined), and made such requests for proposals available for potential developers of the Redevelopment Area.

C. The Developer's affiliate submitted its development proposal dated July 7, 2010 (as may be amended from time to time, the "Redevelopment Proposal") to the TIF Commission for redevelopment of the Redevelopment Area.

D. On September 15, 2010, following a public hearing held on that date, in accordance with the TIF Act, the TIF Commission adopted a resolution approving the Redevelopment Plan titled "4249 Michigan TIF Redevelopment Plan" dated July 30, 2010, (as may be amended from time to time, the "Redevelopment Plan"), the Redevelopment Project described in the Redevelopment Plan (the "Redevelopment Project") and the Redevelopment Area, and recommending that the Board of Aldermen: (1) adopt tax increment financing with respect to the Redevelopment Area by passage of an ordinance complying with the terms of Section 99.845 of the Act; and (2) adopt an ordinance in the form required by the Act (a) approving the Redevelopment Plan, (b) designating the Redevelopment Area as a "redevelopment area" as provided in the Act, (c) approving the Redevelopment Project, and (d) approving the issuance of one or more TIF Notes in the amount up to that specified in the Redevelopment Plan.

E. On October 22, 2010, after due consideration of the TIF Commission's recommendations, the Mayor signed Ordinance No. [] [Board Bill No. []] designating the Redevelopment Area as a "redevelopment area" as provided in the TIF Act, approving the Redevelopment Plan, approving the Redevelopment Project described in the Redevelopment Plan, adopting tax increment allocation financing within the Redevelopment Area and establishing the Special Allocation Fund.

F. On November ____, 2010, the Mayor signed Ordinance No. [] [Board Bill No. []] affirming adoption of the Redevelopment Area, Redevelopment Plan and Redevelopment Project, designating the Developer as developer of the Redevelopment Area, and authorizing the City to enter into this Agreement with Developer.

G. On November ____, 2010, the Mayor signed Ordinance No. [] [Board Bill No. []] authorizing the issuance of TIF Notes as evidence of the City's obligation to pay certain Redevelopment Project Costs incurred in furtherance of the Redevelopment Plan and the Redevelopment Project and pledging TIF Revenues to the payment of the TIF Notes.

H. The Board of Aldermen hereby determines that the acceptance of the Redevelopment Proposal and the fulfillment generally of this Agreement are in the best interests of the City, and the health, safety and welfare of its residents, and in accord with the public purposes specified in the Redevelopment Plan.

I. Pursuant to provisions of the TIF Act and Ordinance Nos. [], [], and [] [Board Bill Nos. [], [] and []], the City is authorized to enter into this Agreement, to issue TIF Notes as evidence of the City's obligation to pay certain Redevelopment Project Costs incurred in furtherance of the Redevelopment Plan and the Redevelopment Project, and to pledge TIF Revenues to the payment of the TIF Notes.

J. The City acknowledges and agrees that Developer is not performing the Work as a direct service to the City. Rather, the City has agreed to issue TIF Notes and pledge TIF Revenues to the payment of the TIF Notes because the City will recognize indirect benefits, as set forth in the Approving Ordinance, which improve and benefit the general welfare of the community as a result of Developer's completion of the Redevelopment Project. Consequently, the City has agreed to pay for certain Redevelopment Project Costs as set forth in this Agreement, and in consideration therefor Developer has agreed to subject itself and the Property to the terms and conditions set forth below.

The Developer shall provide to the City (a) itemized invoices, receipts or other information evidencing such costs; and (b) a Certificate of

Reimbursable Redevelopment Project Costs constituting certification by the Developer that such cost is eligible for payment under the TIF Act. If the City determines that any cost identified as a Reimbursable Redevelopment Project Cost is not a "redevelopment project cost" under Section 99.805(15) of the TIF Act, the City shall so notify the Developer in writing within the thirty (30) day period referenced in this **Section 4.2**, identifying the ineligible cost and the basis for determining the cost to be ineligible, whereupon the Developer shall have the right to identify and substitute other Redevelopment Project Costs as Reimbursable Redevelopment Project Costs with a supplemental application for payment and the thirty (30) day period shall begin anew. 4.3 Cost Savings and Excess Profits. Within one hundred eighty (180) days after the submission of the Certificate of Substantial Completion by Developer in accordance with **Section 3.8** of this Agreement, Developer also shall furnish to the City for the City's review and approval, (a) a statement of Verified Total Project Costs, with evidence of billings and payments for each expenditure, including itemized invoices, receipts, and pay applications or other evidence of payment as appropriate for the type of cost; and (b) a statement of each and every Post Completion Funding Source for the Redevelopment Project. If the Redevelopment Project includes a for-sale condominium component, the statements required by this **Section 4.3** shall not be submitted until a minimum of 80% of the condominium units included in the Redevelopment Project have been sold, and such statements shall be submitted within sixty (60) days following such sale of 80% of such condominium units.

Developer shall not include developer fees, project management, construction management or consultant fees for any service typically performed by the Developer in the Verified Total Project Costs. With respect to any other costs for any services provided by the Developer or any entity related to Developer, the amount of such costs shall not exceed the amount set forth in the Redevelopment Plan for such services, or, if the cost for such service is not explicitly set forth in the Redevelopment Plan as an individual line item, an amount determined by the City as acceptable. Moreover, if any of the owners, officers, principals or members of the construction contractor for the Redevelopment Project are the same as any owner, officer, principal or member of Developer or general partner in the owner of the development, amounts allowed for aggregate contractor fees shall not exceed eighteen percent (18%) of construction costs as provided for in the Missouri Housing Development Commission's 2005 Qualified Allocation Plan for the Low Income Housing Tax Credit Program, and Developer shall include documentation, including detailed invoices and receipts for payment, for each and every item of costs traceable to third parties with no relationship to Developer, in addition to summary pay applications submitted to Developer by the construction contractor. The City shall determine whether particular costs are general requirements and includable in the contractor's fee allowance or are construction costs to which the aggregate contractor's fee allowance shall be applied, using the Cost Certification Guide promulgated by the Missouri Housing Development Commission as a guide for such determinations. The City shall complete its review of the statements and other documentation provided by the Developer pursuant to this Section and shall notify Developer if such documentation is acceptable and complete within forty-five (45) days of receipt by the City. Should the City notify Developer that the documentation submitted by the Developer is not acceptable or is not complete, the City shall specify which items of documentation are missing or unacceptable and the manner in which Developer may remedy such deficiencies, and Developer may make supplemental submissions to address such deficiencies, provided, however, that such supplemental submissions shall not include any materials with respect to costs incurred or other events that have taken place subsequent to the date the original submission was made. If requested by the City, Developer shall also submit an affidavit as to the accuracy of the statements as to the costs, the relationship of any payee to the Developer, the accuracy of the statements as to the amounts and types of tax credits received or other funding sources received, and the veracity of any other aspect of the statements of Verified Total Project Costs or Post-Completion Funding Sources. The City shall review any supplemental materials provided by the Developer within forty-five (45) days of receipt and shall notify Developer if such documentation is acceptable and complete within forty-five (45) days of receipt by the City. Developer shall respond to any notification by the City pursuant to this section within sixty (60) days of receipt of such notification. Once the City has issued any such notification, the City shall not be required to make the calculations specified in the following paragraph until the City has received all documentation deemed necessary by the City in order to make such calculations, provided, however, that if Developer fails to respond to any notification within such sixty (60) day period, the City shall have the right to finalize the calculations specified in the following paragraph based on the information and documentation then available to the City and the Developer shall accept the results of such finalized calculations for purposes of the discharge of TIF notes as specified in the following paragraph. Either the City or the Developer may waive or extend the time periods for notification and response set forth herein.

To the extent that, in the City's determination, the sum of Post Completion Funding Sources as identified by the City

exceeds the sum of: (x) Verified Total Project Costs, plus (y) four percent (4%) of the Acquisition Costs, plus (z) fifteen percent (15%) of all Verified Total Project Costs other than Acquisition Costs, then Developer hereby agrees that the maximum amount of Reimbursable Redevelopment Project Costs for which the City will pay as provided for in **Section 4.1** of this Agreement and the maximum amount of any TIF Notes which shall be issued by the City in accordance with **Section 5.2** of this Agreement shall be reduced by an amount in the aggregate equal to seventy-five percent (75%) of the total amount of such excess, as calculated by the City in accordance herewith. Developer agrees that the City may discharge any TIF Notes already issued at the time of such calculation in an amount in the aggregate equal to seventy-five percent (75%) of the total excess.

4.4. City's Obligations Limited to Special Allocation Fund and Bond Proceeds. Notwithstanding any other term or provision of this Agreement, TIF Notes issued by the City to the Developer for Reimbursable Redevelopment Project Costs are payable only from the Special Allocation Fund and from Bond Proceeds, if any, and from no other source. The City has not pledged its full faith and credit relative to the City's obligation to issue the TIF Obligations or to pay any Reimbursable Redevelopment Project Costs. The TIF Obligations shall be special, limited obligations of the City, and shall not constitute debt to the City within any constitutional or statutory meaning of the word "debt."

The TIF Notes shall be in the form attached to the Note Ordinance as **Exhibit B**, provided that if the Note Ordinance is repealed or otherwise amended to amend such form of TIF Note, the TIF Notes shall not be amended for the purposes of this Agreement without the written consent of Developer.

5.2.1. Terms. Each TIF Note shall bear interest at a fixed rate per annum determined on the date that is not less than ten (10) and not more than sixty (60) business days prior to the scheduled closing date for issuance of the TIF Notes (the "Pricing Date") based on the municipal yield curve for general obligation bonds (the "MMD") compiled by Municipal Market Data Line ® (or its successors) and published by Thomson Financial, an operating unit of The Thomson Corporation (or its successors) using the MMD yield published as of the Issuance Date for general obligation bonds rated "AAA" that mature in the same year as the TIF Notes, (i) plus four percent (4%) if the interest on such TIF Note, in the opinion of Bond Counsel, is not exempt from Federal income taxation (the "Taxable Rate"), or (ii) plus two percent (2%) if the interest on such TIF Note, in the opinion of Bond Counsel, is exempt from Federal income taxation (the "Tax Exempt Rate"); provided, in no event shall the interest rate on the TIF Notes exceed ten percent (10%) per annum. All TIF Notes shall have a stated maturity of the Maturity Date. Interest shall be computed on the basis of a 360-day year of twelve 30-day months. The TIF Notes shall bear interest from their registration date or from the most recent Payment Date to which interest has been paid or duly provided for.

5.2.2. Procedures for Issuance of TIF Notes. Within a reasonable period of time not to exceed ninety (90) days of Developer's satisfaction of the conditions of **Section 5.1** of this Agreement the City shall issue a TIF Note to an Original Purchaser evidencing payment of Reimbursable Redevelopment Project Costs. Notwithstanding anything contained in this Agreement to the contrary, upon the acceptance by the City of a Certificate of Reimbursable Redevelopment Project Costs and the issuance by the City of a TIF Note as provided in this **Section 5.2.2**, the Developer shall be deemed to have advanced funds necessary to purchase such TIF Notes and the City shall be deemed to have deposited such funds in the Project Fund and shall be deemed to have paid the Developer in full for such costs from the amounts deemed to be on deposit in the Project Fund from time to time.

5.2.3. Special Mandatory Redemption of TIF Notes. All TIF Notes are subject to special mandatory redemption by the City, in whole at any time or in part on each March 1 and September 1 (each, a "Payment Date") occurring after the acceptance by the City of the Certificate of Substantial Completion at a redemption price equal to 100% of the principal amount being redeemed, together with the accrued interest thereon to the date fixed for redemption.

5.3. Issuance of TIF Bonds.

5.3.1. The City may, in its sole and absolute discretion, issue, cause to be issued, TIF Bonds at any time in an amount sufficient to refund all or a portion of the outstanding TIF Notes.

5.3.2. Upon receipt of a written request by Developer and upon the City's underwriter's recommendation in favor of issuing TIF Bonds and recommendation of the principal amount thereof based on the criteria set forth below, the City shall use its best efforts to cause the Authority to issue TIF Bonds as described in this Section. The aggregate gross cash proceeds from the sale of the TIF Bonds before payment of Issuance Costs, together with any interest accrued thereon ("Bond Proceeds") of such TIF Bonds will be finally determined by the City after receiving the underwriter's recommendation based on the criteria set forth below. The City shall not be obligated to cause the Authority to issue such TIF Bonds unless the underwriter determines that all of the following criteria are satisfied as of the date of issuance of such bonds, unless such criteria are waived by the City's underwriter. Developer shall not have any liability for any costs associated with the issuance of TIF Bonds but shall bear its own costs and expenses, including any attorneys' fees and expenses, that Developer may incur in complying with this Section. Notwithstanding anything in this Section to the contrary, Developer shall be liable for all costs incurred by the City or the Authority in the event the Developer has requested the issuance of bonds and the City's underwriter has determined that such bonds cannot be issued at such time.

5.3.2.1. Criteria for Issuance. The underwriter's recommendation for issuance of TIF Bonds and the principal amount thereof shall be based on the following criteria:

- (i) Acceptance by the City of the Certificate of Substantial Completion;
- (ii) Review of projections of TIF Revenues available for debt service as proposed by an independent qualified consultant. Such projections must show that (A) if all available TIF Revenues were to be applied to the immediate repayment of the TIF Bonds, the TIF Bonds would reasonably be anticipated to be retired within twenty-three (23) years from the effective date of the Approving Ordinance, and (B) based on a maturity date twenty-three (23) years from the effective date of the Approving Ordinance, the TIF Bonds are reasonably likely to achieve debt service coverage ratio reasonably acceptable to the City's underwriter;
- (iii) Developer's documentation of stabilization of the Redevelopment Project for a minimum period of two (2) years after substantial completion as evidenced in a report to the City prepared by a qualified independent consultant to be paid for by the City, which report also sets forth TIF revenue projections for the Redevelopment Project in connection with the issuance of the TIF Bonds;
- (iv) The aggregate net projected debt service on the TIF Bonds (taking into account the principal portion of the TIF Bonds that are issued to establish a reserve fund and to pay Issuance Costs, and including any reserve fund earnings) will be lower than the net average annual debt service on the outstanding TIF Notes, unless the Developer voluntarily elects to defer or forgive principal of and/or interest on the TIF Notes in an amount necessary to make the aggregate net projected debt service on the TIF Bonds lower than the net average annual debt service on the outstanding TIF Notes; and
- (v) The TIF Bonds can be sold at an aggregate net interest cost which is less than the aggregate net interest cost of the TIF Notes to be redeemed.

5.4. Application of TIF Bond Proceeds. Proceeds of any TIF Bonds shall be applied:

5.4.1. To the payment of costs relating to the issuance of the TIF Bonds;

5.4.2. To the payment of outstanding principal of and interest on the TIF Notes to be refunded;

5.4.3. To the payment of capitalized interest on the TIF Bonds; and

5.4.4. To the establishment of a debt service reserve fund for the TIF Bonds in a reasonable amount of the principal amount of TIF Bonds to be issued, as to be determined by the City's underwriter.

5.5. Cooperation in the Issuance of TIF Obligations. Developer covenants to cooperate and take all reasonable actions necessary to assist the City and its Bond Counsel, the Authority, underwriters and financial advisors in the preparation of offering statements, private placement memorandum or other disclosure documents and all other documents necessary to market and sell the TIF Obligations, including disclosure of tenants of the Redevelopment Area and the non-financial terms of the leases between Developer and such tenants. Developer will not be required to disclose to the general public or any investor any proprietary or confidential information, including financial information, pertaining to Developer, but upon the execution of a confidentiality agreement acceptable to Developer, Developer will provide such information to the City's financial advisors, underwriters and their counsel to enable such parties to satisfy their due diligence obligations. Developer shall make such compliance obligation a covenant running with the land, enforceable as if any subsequent transferee thereof were originally a party to and bound by this Agreement, provided, that Developer shall satisfy this and any other obligation under this Agreement to make any provision a covenant running with the land by recording this Agreement in the Office of the Recorder of Deeds of the City of St. Louis.

5.6. Subordinate Notes. TIF Notes may be issued in two series, with one series subordinate to TIF Notes of the other series issued hereunder (the "Subordinate Notes"), such that no payment of principal or interest on any such Subordinate Notes may be made while any TIF Notes are outstanding. All such Subordinate Notes shall be payable as to principal and interest according to the terms set forth in **Sections 5.2 and 6.3** of this Agreement.

If the amount of TIF Bonds issued pursuant to this Agreement is insufficient to refund all of the outstanding TIF Notes, the TIF Notes remaining outstanding shall be redeemed by the issuance of Subordinate Notes. Each Subordinate Note shall have the same maturity and have the same outstanding principal amount and the same interest rate as the TIF Note it redeems. All such Subordinate Notes shall be payable as to principal and interest according to the terms set forth in **Sections 5.4 and 6.3** of this Agreement.

5.7. City to Select Underwriter and Financial Advisor; Term and Interest Rate. The City shall have the right to select the designated underwriter (and such financial advisors and consultants as the underwriter and the City deem necessary for the issuance of the TIF Bonds) and underwriter's counsel. The final maturity of the TIF Bonds shall not exceed the maximum term permissible under the TIF Act. The TIF Bonds shall bear interest at such rates, shall be subject to redemption and shall have such terms as the City shall determine in its sole discretion.

ARTICLE VI. SPECIAL ALLOCATION FUND; COLLECTION AND USE OF TIF REVENUES

6.1. Creation of Special Allocation Fund. The City agrees to cause its Comptroller or other financial officer to maintain the Special Allocation Fund, including a "PILOTs Account," an "EATs Account," and such further accounts or sub-accounts as are required by this Agreement or as the Comptroller may deem appropriate in connection with the administration of the Special Allocation Fund pursuant to this Agreement. Subject to the requirements of the TIF Act and, with respect to Economic Activity Taxes, subject to annual appropriation by the Board of Aldermen, the City will promptly upon receipt thereof deposit all Payments in Lieu of Taxes into the PILOTs Account and all Economic Activity Taxes into the EATs Account.

6.2. Certification of Base for PILOTS and EATS.

6.2.1. Upon the reasonable written request of the City, Developer shall use its best efforts to provide or cause to be provided to the Comptroller or its authorized representative any documents necessary for the City to calculate the base for PILOTs and EATs including, but not limited to: (i) the address and locator number of all parcels of real property located within the Redevelopment Area; and (ii) information related to payment of utility taxes by any businesses, owners or other occupants of the Redevelopment Area in the calendar year ending December 31, 2009.

6.2.2. Within ninety (90) days after execution of the Redevelopment Agreement, the City shall provide to the Developer (i) a certificate of the City Assessor's calculation of the total initial equalized assessed valuation of the taxable real property within the Redevelopment Area based upon the most recently ascertained equalized assessed valuation of each taxable lot, block, tract, or parcel of real property within the Redevelopment Area; and (ii) a certification of the amount of revenue from taxes, penalties and interest which are imposed by the City and other taxing districts and which are generated by economic activities within the Redevelopment Area for the calendar year ending December 31, 2009, but excluding those personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to Section 70.500 of the Revised Statutes of Missouri, taxes levied for the purpose of public transportation, or licenses, fees or special assessments identified as excluded in Section 99.845.3 of the TIF Act.

6.3. Application of Available Revenues. The City hereby agrees for the term of this Agreement to apply the Available Revenues and any taxes, fees or assessments subsequently enacted and imposed in substitution therefor and allocable to

the Special Allocation Fund under the TIF Act or this Agreement to the repayment of TIF Notes issued under Article V of this Agreement as provided in the Note Ordinance and this Agreement.

Upon the payment in full of the principal of and interest on all TIF Notes (or provision has been made for the payment thereof as specified in the Note Ordinance), payment in full of the fees and expenses of the Comptroller and the SLDC, and payment in full of any other amounts required to be paid under the Note Ordinance, all amounts remaining on deposit in the Revenue Fund shall be declared as surplus and distributed in the manner provided in the Act.

If monies available in Special Allocation Fund are insufficient to pay the City or the Developer as provided above on any Payment Date, then the unpaid portion shall be carried forward to the next Payment Date, with interest thereon.

The City agrees that it will comply with the Charter of The City of St. Louis, Article XVI, Section 3 for each fiscal year that TIF Obligations are outstanding and the City will request an appropriation of all Available Revenues on deposit in the Special Allocation Fund for application to the payment of the principal of (including, but not limited to, payment of a premium, if any) and interest on the TIF Obligations.

6.4. Cooperation in Determining TIF Revenues. The City and the Developer agree to cooperate and take all reasonable actions necessary to cause the TIF Revenues to be paid into the Special Allocation Fund, including, but not limited to, the City's enforcement and collection of all such payments through all reasonable and ordinary legal means of enforcement.

6.5. Obligation to Report TIF Revenues. The Developer shall cause any purchaser or transferee of real property located within the Property, and any lessee or other user of real property located within the Property required to pay TIF Revenues shall use all reasonable efforts to timely fulfill such obligations as are required by **Section 6.4** of this Agreement, including completing and submitting to the City the forms attached hereto as **Exhibit I**. So long as any of the TIF Obligations are outstanding, the Developer shall cause such obligations to be covenants running with the land, which covenants shall be enforceable as if such purchaser, transferee, lessee or other user of such real property were originally a party to and bound by this Agreement.

6.6. Notice to City of Transfer. The Developer agrees to notify the City in writing of any sale, transfer or other disposition of the Property or any interest therein as permitted by **Section 7.3.2** of this Agreement at least fifteen (15) days prior to such sale, transfer or other disposition. Said notice shall specify the name and address of the person so acquiring any or all of the Property or any interest therein and shall identify the Property to be sold, transferred or otherwise disposed, whether by voluntary transfer or otherwise. Notwithstanding the foregoing, Developer shall not be required to notify the City of the lease or transfer of a residential unit, commercial unit or parking space in the ordinary course of business except as may be required by **Section 4.3**.

ARTICLE VII. GENERAL PROVISIONS

7.1. Developer's Right of Termination. At any time prior to the delivery of a Certificate of Substantial Completion, the Developer may, by giving written notice to the City, abandon the Redevelopment Project and terminate this Agreement and the Developer's obligations hereunder if the Developer determines, in its sole discretion, that the Redevelopment Project is no longer economically feasible. Upon such termination, the City shall have no obligation to pay the Developer for any amounts advanced under this Agreement or costs otherwise incurred in connection with the Redevelopment Project.

7.2. City's Right of Termination. The City may terminate this Agreement if (i) the Developer fails to submit to the MBE/WBE Compliance Officer a copy of Developer's MBE/WBE Subcontractor's List and its MBE/WBE Utilization Statement within three hundred sixty (360) days of the date of this Agreement; provided, however, that termination under this **Section 7.2(i)** may be waived in the sole discretion of the MBE/WBE Compliance Officer; or (ii) the Developer fails to submit its Certificate of Substantial Completion, acceptable to the City, in accordance with **Section 3.8** of this Agreement and the schedule set forth in **Section 3.4** of this Agreement. Upon such termination, the City shall have no obligation to issue a TIF Note or to pay the Developer for any amounts advanced under this Agreement or costs otherwise incurred in connection with the Redevelopment Project.

7.3. Successors and Assigns.

7.3.1. Binding Effect. This Agreement shall be binding on and shall inure to the benefit of the parties named herein and their respective heirs, administrators, executors, personal representatives, successors and assigns.

7.3.2. Assignment or Sale. Without limiting the generality of the foregoing, all or any part of the Property or any interest therein may be sold, transferred, encumbered, leased, or otherwise disposed of at any time, and the rights of the Developer named herein or any successors in interest under this Agreement or any part hereof may be assigned at

any time before, during or after redevelopment of the Redevelopment Project, whereupon the party disposing of its interest in the Property or assigning its interest under this Agreement shall be thereafter released from further obligation under this Agreement (although any such Property so disposed of or to which such interest pertains shall remain subject to the terms and conditions of this Agreement), provided, however, that until substantial completion of the Redevelopment Project, the fee title to the Property shall not be sold, transferred or otherwise disposed of (to anyone other than Barton Place, LLC or a Related Entity) and the rights, duties and obligations of the Developer under this Agreement shall not be assigned in whole or in part without the prior written approval of the City, which approval shall not be unreasonably withheld or delayed upon a reasonable demonstration by the Developer of the proposed transferee's or assignee's experience and financial capability to undertake and complete such portions of the Work and perform the Developer's obligations under this Agreement, all in accordance with this Agreement. Notwithstanding anything herein to the contrary, the City hereby approves, and no prior consent shall be required in connection with: (a) the right of the Developer to encumber or collaterally assign its interest in the Property or any portion thereof or its rights, duties and obligations under this Agreement to secure loans, advances or extensions of credit to finance or from time to time refinance all or any part of the Redevelopment Project Costs, or the right of the holder of any such encumbrance or transferee of any such collateral assignment (or trustee or agent on its behalf) to transfer such interest by foreclosure or transfer in lieu of foreclosure under such encumbrance or collateral assignment; and (b) the right of Developer to transfer the Property or to assign the Developer's rights, duties and obligations under this Agreement to Barton Place, LLC, or any Related Entity; (c) the right of the Developer to sell, lease or transfer a residential unit, commercial unit or parking space in the ordinary course of business; provided that in each such event (i) the Developer named herein shall remain liable hereunder for the substantial completion of the Redevelopment Project, subject, however, to Developer's right of termination pursuant to **Section 7.1** of this Agreement, and shall be released from such liability hereunder only upon substantial completion of the Redevelopment Project and (ii) the Developer provides to the City fifteen (15) days' advance written notice of the proposed assignment or transfer other than of the sale or lease of a residential unit, commercial unit or parking space in the ordinary course of business which shall require no notice except as may be required by **Section 4.3**.

7.3.3. Assignment or Sale to Exempt Organization. Prior to any sale, transfer or other disposition of all or any portion of the Property or any interest therein to an organization exempt from payment of ad valorem property taxes, such organization shall be required to agree not to apply for an exemption from payment of such property taxes for a period ending on the earlier of the date that all TIF Obligations are paid in full or twenty-three (23) years from the effective date of the Approving Ordinance. The Developer shall make this requirement a covenant running with the land, enforceable for such period as if such purchaser or other transferee or possessor thereof were originally a party to and bound by this Agreement.

7.4. Remedies. Except as otherwise provided in this Agreement and subject to the Developer's and the City's respective rights of termination, in the event of any default in or breach of any term or conditions of this Agreement by either party, or any successor, the defaulting or breaching party (or successor) shall, upon written notice from the other party specifying such default or breach, proceed immediately to cure or remedy such default or breach, and shall, in any event, within thirty (30) days after receipt of notice, cure or remedy such default or breach. In the event that the defaulting or breaching party (or successor) diligently and in good faith commences to cure or remedy such default or breach but is unable to cure or remedy such default or breach within thirty (30) days after receipt of notice, the defaulting or breaching party (or successor) shall, prior to the end of such thirty (30) days, provide notice to the other party that it has in good faith commenced to cure or remedy such default or breach, whereupon the defaulting or breaching party (or successor) shall have an additional thirty (30) days to cure or remedy such default or breach. In case such cure or remedy is not taken or not diligently pursued, or the default or breach shall not be cured or remedied prior to the end of the additional thirty (30) day period, the aggrieved party may institute such proceedings as may be necessary or desirable in its opinion to cure and remedy such default or breach, including without limitation proceedings to compel specific performance by the defaulting or breaching party.

7.5. Force Majeure. Neither the City nor the Developer nor any successor in interest shall be considered in breach or default of their respective obligations under this Agreement, and times for performance of obligations hereunder shall be extended in the event of any delay caused by force majeure (except as expressly limited in **Section 3.4**), including without limitation damage or destruction by fire or casualty; strike; lockout; civil disorder; war; restrictive government regulations; lack of issuance of any permits and/or legal authorization by the governmental entity necessary for the Developer to proceed with construction of the Work or any portion thereof; shortage or delay in shipment of material or fuel; acts of God; unusually adverse weather or wet soil conditions; or other like causes beyond the parties' reasonable control, including without limitation any litigation, court order or judgment resulting from any litigation affecting the validity of the Redevelopment Plan, the Redevelopment Project or the TIF Obligations or this Agreement; provided that (i) such event of force majeure shall not be deemed to exist as to any matter initiated or sustained by the Developer in bad faith, and (ii) the Developer notifies the City in writing within thirty (30) days of the commencement of such claimed event of force majeure.

7.6. Notices. All notices, demands, consents, approvals, certificates and other communications required by this Agreement to be given by either party hereunder shall be in writing and shall be hand delivered or sent by United States first class mail, postage prepaid, addressed to the appropriate party at its address set forth below, or at such other address as such party shall have last designated by notice to the other. Notices, demands, consents, approvals, certificates and other communications shall be deemed given when delivered or three days after mailing; provided, however, that if any such notice or other communication shall also be sent by telecopy or fax machine, such notice shall be deemed given at the time and on the date of machine transmittal if the sending party receives a written send verification on its machines and forwards a copy thereof with its mailed or courier delivered notice or communication.

7.7. Conflict of Interest. No member of the Board of Aldermen, the TIF Commission, or any branch of the City's government who has any power of review or approval of any of the Developer's undertakings, or of the City's contracting for goods or services for the Redevelopment Area, shall participate in any decisions relating thereto which affect that member's personal interests or the interests of any corporation or partnership in which that member is directly or indirectly interested. Any person having such interest shall immediately, upon knowledge of such possible conflict, disclose, in writing, to the Board of Aldermen the nature of such interest and seek a determination by the Board of Aldermen with respect to such interest and, in the meantime, shall not participate in any actions or discussions relating to the activities herein proscribed.

7.8. Damage or Destruction of Redevelopment Project. In the event of total destruction or damage to the Redevelopment Project by fire or other casualty, during construction or thereafter during the term of this Agreement so long as any TIF Notes are outstanding and the Developer or a Related Entity owns the Property, the Developer shall determine and advise the City in writing within one year of such destruction or damage whether to restore, reconstruct and repair any such destruction or damage so that the Redevelopment Project will be completed or rebuilt in accordance with the Redevelopment Plan and this Agreement. Should the Developer determine not to restore, reconstruct and repair, all unaccrued liability of the City for any payments of principal or of interest on the TIF Notes shall immediately terminate and the Developer shall promptly surrender the TIF Notes to the City for cancellation. In the event of such total destruction or damage during the term of this Agreement and after any TIF Bonds are issued or the issuance of a TIF Note to a purchaser other than the Developer or a Related Entity, the Developer shall, at the City's option after consultation with the Developer, tender to the City that portion of the insurance proceeds, if any, to which Developer is entitled, after satisfaction of any terms or obligations of any deed of trust, promissory note or financing agreement entered into by the Developer for the financing of all or any part of the Redevelopment Project, from any fire or casualty insurance policy in an amount equal to the outstanding principal amount of the TIF Bonds or TIF Notes, plus accrued interest thereon to be deposited into the Special Allocation Fund.

7.9. Inspection. The City may conduct such periodic inspections of the Work as may be generally provided in the building code of the City. In addition, the Developer shall allow other authorized representatives of the City reasonable access to the Work site from time to time upon advance notice prior to the completion of the Work for inspection thereof. The Developer shall not unreasonably deny the City and its officers, employees, agents and independent contractors the right to inspect, upon request, all architectural, engineering, demolition, construction and other contracts and documents pertaining to the construction of the Work as the City determines is reasonable and necessary to verify the Developer's compliance with the terms of this Agreement.

7.10. Choice of Law. This Agreement shall be taken and deemed to have been fully executed, made by the parties in, and governed by the laws of State of Missouri for all purposes and intents.

7.11. Entire Agreement; Amendment. The parties agree that this Agreement constitutes the entire agreement between the parties and that no other agreements or representations other than those contained in this Agreement have been made by the parties. This Agreement shall be amended only in writing and effective when signed by the authorized agents of the parties.

7.12. Counterparts. This Agreement may be executed in multiple counterparts, each of which shall constitute one and the same instrument.

7.13. Severability. In the event any term or provision of this Agreement is held to be unenforceable by a court of competent jurisdiction, the remainder shall continue in full force and effect, to the extent the remainder can be given effect without the invalid provision.

7.14. Representatives Not Personally Liable. No elected or appointed official, agent, employee or representative of the City shall be personally liable to the Developer in the event of any default or breach by any party under this Agreement, or for any amount which may become due to any party or on any obligations under the terms of this Agreement.

7.15. Attorney's Fees. In any dispute arising out of or relating to this Agreement, including any action to enforce this Agreement against a defaulting or breaching party pursuant to **Section 7.4**, the prevailing party shall recover from the non-prevailing party the prevailing party's attorney's fees, in addition to any other damages to which it is entitled.

7.16. Actions Contesting the Validity and Enforceability of the Redevelopment Plan. In the event a third party brings an action against the City or the City's officials, agents, attorneys, employees or representatives contesting the validity or legality of the Redevelopment Area, the Redevelopment Plan, the TIF Obligations, or the ordinance approving this Agreement, Developer may, at its option, join the City in defense of such claim or action. The parties expressly agree that, so long as no conflicts of interest exist between them with regard to the handling of such litigation, the same attorney or attorneys may simultaneously represent the City and the Developer in any such proceeding. The Developer shall be responsible for all reasonable and necessary costs and expenses incurred by the City and by the Developer in connection with the defense of such claim or action, provided that if the City does not approve a settlement or compromise to which the Developer would agree, the Developer shall not be responsible for any costs or expenses incurred thereafter in the defense of such claim or action. All cost of any such defense, whether incurred by the City or the Developer, shall be deemed to be Reimbursable Redevelopment Project Costs and reimbursable from any amounts in the Special Allocation Fund, subject to Article IV of this Agreement.

7.17. Release and Indemnification. The indemnifications and covenants contained in this Section shall survive termination or expiration of this Agreement.

7.17.1. The City and its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable to the Developer for damages or otherwise in the event that all or any part of the TIF Act, or any ordinance adopted in connection with either the TIF Act, this Agreement or the Redevelopment Plan, is declared invalid or unconstitutional in whole or in part by the final (as to which all rights of appeal have expired or have been exhausted) judgment of any court of competent jurisdiction, and by reason thereof either the City is prevented from performing any of the covenants and agreements herein or the Developer is prevented from enjoying the rights and privileges hereof.

7.17.2. The Developer releases from and covenants and agrees that the City and its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable for, and agrees to indemnify and hold harmless the City, its governing body members, officers, agents, attorneys, employees and independent contractors against any and all claims, demands, liabilities and costs, including reasonable attorneys' fees, costs and expenses, arising from damage or injury, actual or claimed (excluding consequential and punitive damages), to persons or property occurring or allegedly occurring as a result of any negligent or malicious acts or omissions of the Developer, its governing body members, officers, agents, attorneys, employees and independent contractors, in connection with its or their activities conducted pursuant to this Agreement.

7.17.3. The City and its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable for any damage or injury to the persons or property of the Developer or its officers, agents, employees, independent contractors or any other persons who may be about the Property or the Work except for matters arising out of the gross negligence or willful misconduct of the City and its governing body members, officers, agents, attorneys, employees and independent contractors.

7.17.4. All covenants, stipulations, promises, agreements and obligations of the City contained herein shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the City and not of any of its governing body members, officers, agents, attorneys, employees or independent contractors in their individual capacities.

7.17.5. No governing body members, officers, agents, attorneys, employees or independent contractors of the City shall be personally liable to the Developer (i) in the event of a default or breach by any party under this Agreement or (ii) for any amount or any TIF Notes which may become due to any party under the terms of this Agreement.

7.17.6. The Developer releases from and covenants and agrees that the City, its governing body members, officers, agents, attorneys, employees and independent contractors shall not be liable for, and agrees to indemnify and hold the City, its governing body members, officers, agents, attorneys, employees and independent contractors, harmless from and against any and all third party suits, interest, claims and cost of reasonable attorneys fees incurred by any of them, resulting from, arising out of, or in any way connected with: (i) the enforcement of this Agreement, the validity of the TIF Obligations or the enforcement or validity of any other agreement or obligation made in connection therewith and their approvals (excluding opinions of counsel and of the City's financial advisors whenever such claim is based on such party's own negligence); (ii) the negligence or willful misconduct of the Developer or its officers, agents, employees or independent contractors in connection with the design, management, development, redevelopment and construction of the

Work, or (iii) the compliance by the Developer with all applicable state, federal and local environmental laws, regulations and ordinances as applicable to the Property, to the extent such condition existed prior to the acquisition thereof by the Developer. The foregoing release and indemnification shall not apply in the case of such liability arising directly out of the negligence or malicious acts or omissions of the City or its governing body members, officers, agents, attorneys, employees and independent contractors in connection with its or their activities conducted pursuant to this Agreement or which arises out of matters undertaken by the City following termination of this Agreement as to the Redevelopment Project or any particular portion thereof.

7.18. Survival. Notwithstanding the expiration or termination or breach of this Agreement by either party, the agreements contained in **Section 2.2, clauses (iii)-(v), Article VI, Sections 7.10, 7.11, 7.12, 7.13, 7.14, 7.15, 7.16, 7.17 and Article VIII** of this Agreement shall, except as otherwise expressly set forth herein, survive such early expiration or early termination of this Agreement by either party.

Section 2.1 **Authorization of TIF Notes.** There are hereby authorized and directed to be issued by the City to the Original Purchaser one or more series of the TIF Notes in an aggregate principal amount not to exceed \$367,640 plus Issuance Costs. The TIF Notes shall be in substantially the form of **Exhibit B**, attached hereto and incorporated herein by reference.

Section 2.2. **Description of TIF Notes.**

(a) **Title of TIF Notes.** There may be issued one series of one or more Series A TIF Notes in an aggregate principal amount not to exceed \$367,640 plus Issuance Costs authorized hereunder and one series of one or more Series B TIF Notes in an aggregate principal amount not to exceed \$367,640 plus Issuance Costs less the aggregate principal amount of Series A TIF Notes. The Series A TIF Notes shall be designated “[Taxable]/[Tax-Exempt] Tax Increment Revenue Notes (4249 Michigan Redevelopment Project), Series 20__-A”. The Series B TIF Notes shall be designated “[Taxable]/[Tax-Exempt] Tax Increment Revenue Notes (4249 Michigan Redevelopment Project), Series 20__-B”. The TIF Notes may have such further appropriate particular designation added to or incorporated in such title for the TIF Notes of any particular series as the City may determine.

(b) **Form of TIF Notes.** The TIF Notes shall be substantially in the form set forth in **Exhibit B**, attached hereto and incorporated herein by reference, with such appropriate variations, omissions and insertions as are permitted or required by this Ordinance, and may have endorsed thereon such legends or text as may be necessary or appropriate to conform to any applicable rules and regulations of any governmental authority or any usage or requirement of law with respect thereto.

(c) Terms of TIF Notes. The TIF Notes shall mature (subject to redemption and payment prior to maturity as provided in Article III hereof), on the date that is twenty-three (23) years after the effective date of the Approving Ordinance, which is _____. Each TIF Note shall bear interest at the greater of 7.5% per annum or the highest fixed rate per annum determined on the date that is not less than ten (10) and not more than sixty (60) business days prior to the scheduled closing date for issuance of the TIF Notes (the "Pricing Date") based on the municipal yield curve for general obligation bonds (the "MMD") compiled by Municipal Market Data Line ® (or its successors) and published by Thomson Financial, an operating unit of The Thomson Corporation (or its successors) using the MMD yield published as of the Issuance Date for general obligation bonds rated "AAA" that mature in the same year as the TIF Notes, (i) plus four percent (4%) if the interest on such TIF Note, in the opinion of Bond Counsel, is not exempt from Federal income taxation (the "Taxable Rate"), or (ii) plus two percent (2%) if the interest on such TIF Note, in the opinion of Bond Counsel, is exempt from Federal income taxation (the "Tax Exempt Rate"); provided, in no event shall the interest rate on the TIF Notes exceed ten percent (10%) per annum. All TIF Notes shall have a stated maturity of the Maturity Date. Interest shall be computed on the basis of a 360-day year of twelve 30-day months. The TIF Notes shall bear interest from their registration date or from the most recent Payment Date to which interest has been paid or duly provided for.

(d) Denominations. The TIF Notes shall be issuable as fully registered TIF Notes in Authorized Denominations.

(e) Numbering. Unless the City directs otherwise, each series of TIF Notes shall be numbered from R-1 upward.

(f) Dating. The TIF Notes shall be dated as provided in **Section 2.7**, as evidenced by the Finance Officer's signature on Schedule A to each TIF Note.

(g) Evidence of Principal Payments. The payment of principal of the TIF Notes on each Payment Date shall be noted on the TIF Notes on Schedule A thereto. The original Schedule A to the TIF Note shall be held by the Finance Officer in trust, unless otherwise directed in writing by the Owners thereof. If such Schedule A is held by the Finance Officer, the Finance Officer shall, on each Payment Date, send a revised copy of Schedule A via facsimile to the Owner. Absent manifest error, the amounts shown on Schedule A held by the Finance Officer shall be conclusive evidence of the principal amount paid on the TIF Notes.

(h) Sale of TIF Notes. When TIF Notes have been executed and authenticated as required by this Ordinance, the Finance Officer shall hold the TIF Notes in trust or, if directed in writing by the Owners thereof, deliver the TIF Notes to or upon the order of the Owners thereof, as provided in paragraph (g) above, but only upon payment to the City of a purchase price equal to one hundred percent (100%) of the face amount of the TIF Notes, which payment shall be deemed to have occurred under the circumstances described in **Section 4.5** of this Ordinance.

Section 2.3 Finance Officer to Serve as Paying Agent and Registrar. The Finance Officer or the authorized representative thereof is hereby designated as the paying agent for the payment of principal of and interest on the TIF Notes and the bond registrar with respect to the registration, transfer and exchange of the TIF Notes and for allocating and holding funds as provided herein.

Section 2.4 Security for TIF Notes. The Series A TIF Notes shall be equally and ratably secured by Available Revenues. The Series B TIF Notes shall be equally and ratably secured by the Available Revenues on a subordinate basis to the Series A Notes. The TIF Notes shall be special, limited obligations of the City payable solely from and secured as to the payment of principal and interest by a pledge of the Available Revenues. The taxing power of the City is not pledged to the payment of the TIF Notes either as to principal or interest. The TIF Notes shall not be or constitute a general obligation of the City, nor shall they constitute an indebtedness of the City within the meaning of any constitutional, statutory or charter provision, limitation or restriction. TIF Notes may be issued in two series, with one series subordinate to TIF Notes of the other series issued hereunder (the "Subordinate Notes"), such that no payment of principal or interest on any such Subordinate Notes may be made while any TIF Notes are outstanding. THE OBLIGATIONS OF THE CITY WITH RESPECT TO THE TIF NOTES SHALL TERMINATE ON THE FIRST TO OCCUR OF THE FULL PAYMENT AND DISCHARGE OF THE TIF NOTES OR THE MATURITY DATE (WHETHER OR NOT THE PRINCIPAL AMOUNT OR INTEREST HAS BEEN PAID IN FULL).

Section 2.5 Method and Place of Payment of TIF Notes. The principal of and interest on the TIF Notes shall be payable in any coin or currency which, on the respective dates of payment thereof, is legal tender for the payment of debts due the United States of America. Payment shall be made by the Finance Officer as provided in this Note Ordinance and as set forth in **Exhibit B**. Principal and interest shall be payable by check or draft at the office of the Finance Officer or by wire transfer to the person in whose name such TIF Note is registered on the Register on each Payment Date.

Section 2.6 Registration, Transfer and Assignment. So long as the TIF Notes remain outstanding, the City shall cause to be kept at the office of the Finance Officer books for the registration, transfer and exchange of the TIF Notes as herein provided. The TIF Notes when issued shall be registered in the name of the Original Purchaser thereof on the Register.

TIF Notes and beneficial interest therein may only be purchased by an Original Purchaser and transferred or assigned to the Developer, a Related Entity, a Qualified Institutional Buyer or Project Lender upon the execution by each proposed purchaser, transferee or assignee of a letter in substantially the form of **Exhibit C**, attached hereto and incorporated herein by reference, stating that such Original Purchaser, transferee or assignee (i) is an Approved Investor and (ii) has sufficient knowledge and experience in business and financial matters in general, and investments such as the TIF Notes in particular, to enable the Original Purchaser, transferee or assignee to evaluate the risks involved in an investment in the TIF Notes. The TIF Notes may be transferred and exchanged only upon the records of the City. Upon surrender of a TIF Note to the Finance Officer, the Finance Officer shall transfer or exchange the TIF Notes for a new TIF Note or TIF Notes, which shall be (i) in the form of fully registered Notes without coupons in minimum denominations of One Thousand Dollars (\$1,000), except with respect to the TIF Notes issued upon acceptance by the City of the final Certificate of Reimbursable Redevelopment Project Costs, which TIF Notes may be issued in any denomination, subject to the limitation on the aggregate principal amount, and (ii) of the same Maturity Date and in the same aggregate principal amount outstanding as the TIF Note which was presented for transfer or exchange. The TIF Notes presented for transfer or exchange shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in a form and with guarantee of signature satisfactory to the Finance Officer, duly executed by the Owner thereof or by the Owner's duly authorized agent. Upon any transfer, exchange or assignment as provided in this Section, the transferor shall reimburse the City for all of the reasonable out-of-pocket costs incurred by the City in connection with the administration of such transfer, exchange or assignment.

Section 2.7 Execution, Authentication and Delivery of the TIF Notes. Each of the TIF Notes, including any TIF Notes issued in exchange or as substitution for the TIF Notes initially delivered, shall be signed by the manual or facsimile signature of the Mayor and the Finance Officer of the City, attested by the manual or facsimile signature of the City Register, and shall have the official seal of the City affixed thereto or imprinted thereon. If any officer whose signature appears on any TIF Note ceases to be such officer before the delivery of such TIF Note, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such person had remained in office until delivery. Any TIF Note may be signed by such persons who at the actual time of the execution of such TIF Note are the proper officers to sign such TIF Note although at the date of such TIF Note such persons may not have been such officers.

The Mayor, Finance Officer and City Register are hereby authorized and directed to prepare and execute the TIF Notes as hereinbefore specified, and when duly executed, to deliver the TIF Notes to the Finance Officer for authentication.

The TIF Notes shall have endorsed thereon a certificate of authentication substantially in the form set forth in **Schedule A of Exhibit B** hereto, which shall be manually executed by an authorized signatory of the Finance Officer, but it shall not be necessary that the same signatory sign the certificate of authentication on all of the TIF Notes that may be issued hereunder at any one time. No TIF Note shall be entitled to any security or benefit under this Ordinance or be valid or obligatory for any purpose until the certificate of authentication has been duly executed by the Finance Officer. Such executed certificate of authentication upon any TIF Note shall be conclusive evidence that such TIF Note has been duly authenticated and delivered under this Ordinance.

The TIF Notes shall be initially executed and authenticated by the City upon the last to occur of the following: (i) acceptance or deemed acceptance of the Certificate of Substantial Completion; (ii) approval of a Certificate of Reimbursable Redevelopment Project Costs; (iii) receipt of an opinion of Bond Counsel regarding the taxable nature of the TIF Notes; (iv) the full payment of all advances required to be paid under Section 2.2 of the Redevelopment Agreement; and (v) receipt of such other documentation as the City shall reasonably require of Developer and any Original Purchaser, in order for the City to obtain an opinion of Bond Counsel as required by this Section 5.1 of the Redevelopment Agreement.

Upon the Developer's satisfaction of the foregoing conditions and upon approval of each Certificate of Reimbursable Redevelopment Project Costs, the Finance Officer shall either: (i) at the request of the City upon instructions of the Developer, endorse an outstanding TIF Note on Schedule A thereto to evidence an increase in the aggregate principal amount equal to such Reimbursable Redevelopment Project Costs, or (ii) at the request of the City upon instructions of the Developer issue a new TIF Note in a principal amount equal to such Reimbursable Redevelopment Project Costs, or any combination thereof. Each date of endorsement of each such TIF Note shall be the date of acceptance by the City of each Certificate of Reimbursable Redevelopment Project Costs except that the initial endorsement of each TIF Note shall be dated the Issuance Date of such TIF Note. Thereupon, pursuant to Section 2.2(h), the TIF Notes shall either be held or delivered to or upon the order of the party submitting the Certificate of Reimbursable Redevelopment Project Costs relating to such Notes. Upon acceptance by the City of such a Certificate of Reimbursable Redevelopment Project Costs in accordance with the Redevelopment Agreement and upon execution and authentication of the TIF Notes as required by this Ordinance, the Developer shall be deemed to have advanced funds to the City in an amount equal to the purchase price of the TIF Notes, which shall be one hundred percent (100%) of the face amount of the TIF Notes, and, upon

the issuance of an endorsement of the TIF Notes as provided in the preceding paragraph, the City shall be deemed to have reimbursed the Developer in full for such Reimbursable Redevelopment Project Costs.

Section 2.8 Mutilated, Lost and Stolen TIF Notes. If any mutilated TIF Note is surrendered to the Finance Officer or the Finance Officer receives evidence to his/her satisfaction of the destruction, loss or theft of any TIF Note and there is delivered to the Finance Officer such security or indemnity as may be required by it to save the City and the Finance Officer harmless, then, in the absence of notice to the Finance Officer that such TIF Note has been acquired by a bona fide purchaser, the City shall execute and the Finance Officer shall register and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen TIF Note, a new TIF Note with the same Maturity Date and of like tenor and principal amount. Upon the issuance of any new TIF Note under this Section, the City and the Finance Officer may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses connected therewith. If any such mutilated, destroyed, lost or stolen TIF Note has become or is about to become due and payable, the Finance Officer may, in its discretion, pay such TIF Note instead of issuing a new TIF Note.

Section 2.9 Cancellation, Discharge and Abatement of TIF Notes. All TIF Notes that have been paid or redeemed or that otherwise have been surrendered to the Finance Officer, either at or before the Maturity Date, shall be canceled and destroyed by the Finance Officer in accordance with existing security regulations upon the payment or redemption of such TIF Note and the surrender thereof to the Finance Officer. The Finance Officer shall execute a certificate in duplicate describing the TIF Notes so cancelled and destroyed, and shall file an executed counterpart of such certificate with the City.

NOTWITHSTANDING ANY PROVISION HEREIN TO THE CONTRARY, THE TIF NOTES ARE SUBJECT TO CANCELLATION AND DISCHARGE BY THE CITY IN WHOLE OR IN PART WITHOUT PENALTY UNDER THE CONDITIONS SET FORTH IN THE REDEVELOPMENT AGREEMENT.

ARTICLE III. REDEMPTION AND PAYMENT OF PRINCIPAL AND INTEREST

Section 3.1 Optional Redemption. The TIF Notes are subject to optional redemption by the City in whole at any time or in part on any Payment Date at a redemption price of 100% of the principal amount of the TIF Note to be redeemed, plus accrued interest thereon to the date fixed for redemption. The TIF Notes shall be called by the City for optional redemption pursuant to this Section without the necessity of any action by the City other than as provided in **Section 4.3** of this Ordinance. If only a partial redemption is to occur, then each TIF Note from within a Series shall be redeemed in the order of maturity designated by the City, and within any maturity the TIF Notes shall be redeemed in Authorized Denominations by the City in such manner as it may determine. In the event of an optional redemption of the Notes, unless waived by any Registered Owner of Notes to be redeemed, official notice of any redemption shall be given by the Finance Officer on behalf of the City by mailing a copy of an official redemption notice by first class mail, postage prepaid, at least thirty (30) days (five days if all of the Notes are owned by the Developer) and not more than sixty (60) days prior to the date fixed for redemption, to each Registered Owner of the Notes to be redeemed at the address shown on the Note Register.

All official notices of optional redemption shall be dated and shall contain the following information: (a) the redemption date; (b) the redemption price; (c) if less than all outstanding Notes are to be redeemed, the identification number and maturity date(s) (and, in the case of partial redemption of any Notes, the respective principal amounts) of the Notes to be redeemed; (d) a statement that on the redemption date the redemption price will become due and payable upon each Note or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the redemption date; and (e) the place where such Notes are to be surrendered for payment of the redemption price, which shall be the office of the Finance Officer. The failure of any Registered Owner to receive notice given as heretofore provided or an immaterial defect therein shall not invalidate any redemption.

Section 3.2 Special Mandatory Redemption. All TIF Notes are subject to special mandatory redemption by the City on each Payment Date, at a redemption price equal to 100% of the principal amount being redeemed, together with accrued interest thereon to the date fixed for redemption, which amount of principal being redeemed shall be an amount equal to Available Revenues then on deposit in the applicable account of the Special Allocation Fund and which will not be required for the payment of interest on such Payment Date.

In the event of a special mandatory redemption of any Notes with a Registered Owner other than Developer or a Related Entity, unless waived by such Registered Owner of Notes to be redeemed, official notice of any redemption shall be given by the Finance Officer on behalf of the City by mailing a copy of an official redemption notice by first class mail, postage prepaid, at least thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption, to each Registered Owner other than Developer or a Related Entity of the Notes to be redeemed at the address shown on the Note Register.

Section 3.3 Selection of Notes to be Redeemed. TIF Notes shall be redeemed only in Authorized Denominations. When less than all of the outstanding TIF Notes are to be redeemed and paid prior to maturity, such TIF Notes or portions of TIF Notes from within the same Series to be redeemed shall be selected in Authorized Denominations by the Finance Officer in such equitable manner as it may determine. In the case of a partial redemption of TIF Notes from within the same Series when TIF Notes of denominations greater than the minimum Authorized Denomination are then outstanding, then for all purposes in connection with such redemption each Authorized Denomination unit of face value shall be treated as though it was a separate TIF Note of the denomination of the minimum Authorized Denomination.

Section 3.4 Notice and Effect of Call for Redemption. In the event of any optional or special mandatory redemption of the Notes, unless waived by any Registered Owner of Notes to be redeemed, official notice of any redemption shall be given by the Finance Officer on behalf of the City by mailing a copy of an official redemption notice by first class mail to each Registered Owner of the Notes to be redeemed at the address shown on the Note Register.

All official notices of redemption shall be dated and shall contain the following information:

- (a) the redemption date;
- (b) the redemption price;
- (c) if less than all outstanding Notes are to be redeemed, the identification (and, in the case of partial redemption of any Notes, the respective principal amounts) of the Notes to be redeemed;
- (d) a statement that on the redemption date the redemption price will become due and payable upon each Note or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the redemption date; and
- (e) the place where such Notes are to be surrendered for payment of the redemption price, which shall be the office of the Finance Officer.

The failure of any Registered Owner to receive notice given as heretofore provided or an immaterial defect therein shall not invalidate any redemption. All Notes that have been redeemed shall be cancelled and destroyed by the Finance Officer as provided herein and shall not be reissued.

ARTICLE IV. FUNDS AND REVENUES

4.1 Creation of Funds and Accounts. There are hereby created or ratified and ordered to be established in the treasury of the City the Special Allocation Fund into which all TIF Revenues shall be deposited, and within it the following separate funds and accounts:

- (a) PILOTS Account;
- (b) an EATS Account;
- (c) a Revenue Fund and, within it, (i) a PILOTS Account; and (ii) an EATS Account, into which all Available Revenues shall be deposited;
- (d) a Debt Service Fund, and, within it, (i) a Series A Account; and (ii) a Series B Account; and
- (e) a Debt Service Reserve Fund, if established on the Issuance Date; and
- (f) a Project Fund.

Section 4.2 Administration of Funds and Accounts. The Special Allocation Fund and the funds and accounts established therein shall be maintained in the treasury of the City and administered by the City solely for the purposes and in the manner as provided in the Act, this Ordinance, the Approving Ordinance, and the Authorizing Ordinance so long as any TIF Notes remain outstanding hereunder.

Section 4.3 Revenue Fund.

(a) On or before the date that is five (5) days prior to each Payment Date while the TIF Notes remain outstanding, the City shall transfer and deposit:

(i) Those Available Revenues attributable to PILOTS into the PILOTS Account of the Revenue Fund; and

(ii) Those Available Revenues attributable to EATS into the EATS Account of the Revenue Fund.

(b) Available Revenues in the Revenue Fund shall be applied, first from the EATS Account and second from the PILOTS Account for the purposes and in the amounts as follows:

First, to payment of arbitrage rebate, if any, owed with respect to the TIF Notes under Section 148 of the Internal Revenue Code of 1986, as amended, including any costs of calculating arbitrage rebate;

Second, to the Finance Officer of the City and the St. Louis Development Corporation (which monies shall be paid one half to the Finance Officer and one half to the St. Louis Development Corporation), 0.2% of the Notes outstanding on each Payment Date, plus any accumulated deficiency from previous years, plus an amount sufficient to pay all or any portion of the fees and expenses incurred by the City pursuant to Section 7.15 of the Agreement that have not otherwise been reimbursed to the City through the issuance of TIF Notes;

Third, to Series A Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the past due interest owing as a result of prior deficiencies of moneys to pay interest due on any Series A TIF Notes on each Payment Date;

Fourth, to the Series A Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the accrued interest becoming due and payable on any Series A TIF Notes on each Payment Date;

Fifth, to the Series A Account of the Debt Service Fund, an amount sufficient to pay the interest on the Series A TIF Notes on the next succeeding Payment Date;

Sixth, for transfer to the Debt Service Reserve Fund, if established, such amount as may be required to restore any deficiency in the Debt Service Reserve Fund if the amount on deposit in the Debt Service Reserve Fund is less than the Debt Service Reserve Requirement;

Seventh, to the Series A Account of the Debt Service Fund, an amount sufficient to pay the principal of any Series A TIF Notes that are subject to redemption pursuant to the Note Ordinance on each Payment Date;

Eighth, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the past due interest owing as a result of prior deficiencies of moneys to pay interest due on the Series B Note on each Payment Date;

Ninth, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay all or any portion of the accrued interest becoming due and payable on any Series B Note on each Payment Date;

Tenth, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay the interest on the Series B Notes on the next succeeding Payment Date;

Eleventh, if no Series A Notes are outstanding, to the Series B Account of the Debt Service Fund, an amount sufficient to pay the principal of any Series B Note that is subject to redemption pursuant to this Note Ordinance on each Payment Date; and

Twelfth, all other remaining money in the PILOTS Account and the EATS Account of the Special Allocation Fund shall annually be declared as surplus and distributed in the manner provided in the TIF Act, as applicable.

If monies available in the Special Allocation Fund are insufficient to reimburse the City as provided above on any Payment Date, then the unpaid portion shall be carried forward to the next Payment Date, with interest thereon at the same rate as the Series A Notes.

(c) Upon the payment in full of the principal of and interest on all TIF Notes (or provision has been made for the payment thereof as specified in the Note Ordinance), payment in full of the fees and expenses of the Finance Officer and the St. Louis

Development Corporation, and payment in full of any other amounts required to be paid under this Ordinance, all amounts remaining on deposit in the Revenue Fund shall be declared as surplus and distributed in the manner provided in the Act.

Section 4.4 Debt Service Fund.

(a) All amounts paid and credited to the Debt Service Fund shall be expended solely for (i) the payment of the principal of and interest on the TIF Notes as the same mature and become due or upon the redemption thereof, said TIF Notes all being subject to special mandatory redemption thereof, or (ii) to purchase Notes for cancellation prior to maturity.

(b) The City hereby authorizes and directs the Finance Officer to withdraw sufficient moneys from the Debt Service Fund to pay the principal of and interest on the TIF Notes as the same become due and payable, and to make said moneys so withdrawn available for the purpose of paying said principal of and interest on the TIF Notes.

(c) After payment in full of the principal of and interest on the TIF Notes (or provision has been made for the payment thereof as specified in this Ordinance), payment of the fees and expenses of the Finance Officer, and payment of any other amounts required to be paid under this Ordinance, all amounts remaining in the Debt Service Fund shall be declared as surplus and distributed in the manner provided in the Act.

Section 4.5 Project Fund. Upon acceptance by the City of a Certificate of Reimbursable Redevelopment Project Costs and the issuance or endorsement of a TIF Note pursuant to **Section 2.7** of this Ordinance, the Developer shall be deemed to have advanced funds necessary to purchase such TIF Note and the City shall be deemed to have deposited such funds in the Project Fund and shall be deemed to have reimbursed the Developer or paid for in full for such costs from the amounts deemed to be on deposit in the Project Fund.

Section 4.6 Debt Service Reserve Fund. Except as herein otherwise provided, funds on deposit in the Debt Service Reserve Fund shall be used and applied by the Finance Officer solely to prevent a default in the event moneys on deposit in the Debt Service Fund shall be insufficient to pay the principal of and interest on the Series A Notes as the same become due. The Finance Officer may disburse and expend moneys from the Debt Service Reserve Fund whether or not the amount therein equals the Debt Service Reserve Fund Requirement. Moneys on deposit in the Debt Service Reserve Fund may be used to pay Series A Notes called for redemption or to purchase Series A Notes in the open market, prior to the Maturity Date, provided all Notes at the time outstanding are called for redemption or purchased and sufficient funds are available therefore. Moneys on deposit in the Debt Service Reserve Fund shall be used to pay and retire the Series A Notes last becoming due, unless such Notes and all interest thereon are otherwise paid.

So long as the sum on deposit in the Debt Service Reserve Fund shall aggregate an amount equal to the Debt Service Reserve Fund Requirement, investment earnings on funds on deposit in the Debt Service Reserve Fund shall be deposited into the Series A Account of the Debt Service Fund; provided, however, that if no Series A Notes are then outstanding, such investment earnings shall be deposited into the Series B Account of the Debt Service Fund. If the sum on deposit in the Debt Service Reserve Fund shall be less than the Debt Service Reserve Fund Requirement, investment earnings on funds in the Debt Service Reserve Fund shall remain therein and be applied to reducing such deficiency.

So long as the sum on deposit in the Debt Service Reserve Fund shall aggregate an amount equal to the Debt Service Reserve Fund Requirement on each Payment Date, no further deposits to said Debt Service Reserve Fund shall be required. Investments and moneys in the Debt Service Reserve Fund shall be valued at the market value thereof, exclusive of accrued interest, by the Finance Officer on and the amount on deposit therein determined accordingly.

After payment in full of the principal of, premium, if any, and interest on the Notes (or provision has been made for the payment thereof as specified in the Ordinance), the fees, charges and expenses of the Finance Officer and any Paying Agent and any other amounts required to be paid under the Ordinance or any other instrument entered into with respect to the Notes, all amounts remaining in the Debt Service Reserve Fund shall be paid to the City.

Section 4.7 Nonpresentment of Notes. If any TIF Note is not presented for payment when the principal thereof becomes due at stated maturity or prior redemption date, if funds sufficient to pay such TIF Note have been made available to the Finance Officer, all liability of the City to the Registered Owner thereof for the payment of such TIF Note shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Finance Officer to hold such funds, without liability for interest thereon, for the benefit of the Registered Owner of such TIF Note, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Ordinance or on, or with respect to, said TIF Note. If any TIF Note is not presented for payment within five (5) years following the date when such TIF Note becomes due at maturity, the Finance Officer shall repay to the City the funds theretofore held by it for payment of such TIF Note, and such TIF Note shall, subject to the defense

of any applicable statute of limitation, thereafter be an unsecured obligation of the City, and the Registered Owner thereof shall be entitled to look only to the City for payment, and then only to the extent of the amount so repaid to it by the Finance Officer, and the City shall not be liable for any interest thereon and shall not be regarded as a Finance Officer of such money.

ARTICLE V. REMEDIES

Section 5.1 Remedies. The provisions of this Ordinance, including the covenants and agreements herein contained, shall constitute a contract between the City and the Owner. The Owner shall have the right:

(a) by mandamus or other suit, action or proceedings at law or in equity to enforce the rights of the Owner against the City and its officers, agents and employees, and to require and compel duties and obligations required by the provisions of this Ordinance or by the constitution and laws of the State of Missouri;

Every substantive right and every remedy conferred upon the Owner by this Ordinance may be enforced and exercised from time to time and as often as may be deemed expedient. If any suit, action or proceedings taken by the Owner on account of any default or to enforce any right or exercise any remedy has been discontinued or abandoned for any reason, or has been determined adversely to the Owner, then, and in every such case, the City and the Owner shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Owner shall continue as if no such suit, action or other proceedings had been brought or taken.

Section 7.2 Tax Matters. Neither the City nor the Developer shall use or permit the use of any proceeds of the Tax Exempt TIF Note to acquire any securities or obligations, and shall not take or permit to be taken any other action or actions, which

would cause the Tax Exempt TIF Note to be an “arbitrage bond” within the meaning of Section 148(a) of the Code, or “federally guaranteed” within the meaning of Section 149(b) of the Code. The City (to the extent within its power or discretion) and the Developer shall not use or permit the use of any proceeds of the Tax Exempt TIF Note, and shall not take or permit to be taken any other action or actions, which would result in the Tax Exempt TIF Note being treated as other than an obligation described in Section 103(a) of the Code. The City (to the extent within its power or discretion) and the Developer shall not use any portion of the proceeds of the Tax Exempt TIF Note, including any investment income earned on such proceeds, in any manner that would cause the Tax Exempt TIF Note to be a “private activity bond” within the meaning of Section 141(a) of the Code. Section 7.4 Notices, Consents and Other Instruments. Any notice, consent, request, direction, approval, objection or other instrument required by this Ordinance to be signed and executed by the Owner of the TIF Notes may be in any number of concurrent writings of similar tenor and may be signed or executed by such Owner in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of the TIF Note, if made in the following manner, shall be sufficient for any of the purposes of the Ordinance, and shall be conclusive in favor of the City with regard to any action taken, suffered or omitted under any such instrument, namely:

(a) The fact and date of the execution by any person of any such instrument may be proved by a certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such instrument acknowledged before such officer the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of ownership of the TIF Note, the amount or amounts and other identification of the TIF Note, and the date of holding the same shall be proved by the registration books of the City.

Section 7.5 Execution of Documents; Further Authority. The City is hereby authorized to enter into and the Mayor and the Finance Officer of the City are hereby authorized and directed to execute and deliver, for and on behalf of and as the act and deed of the City, the TIF Notes and such other documents, certificates and instruments as may be necessary or desirable to carry out and comply with the intent of this Ordinance. The officers of the City, including without limitation the Mayor, the Finance Officer and the Register, are hereby authorized and directed to execute, and the City Register is hereby authorized and directed where appropriate to attest, all certificates, documents or other instruments, and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Ordinance and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instrument and other documents herein approved, authorized and confirmed which they determine to be in the City’s best interest, and the execution or taking of such action shall be conclusive evidence of such determination.

Section 7.6 Severability. If any section or other part of this Ordinance, whether large or small, is for any reason held invalid, the invalidity thereof shall not affect the validity of the other provisions of this Ordinance.

Section 7.7 Governing Law. This Ordinance shall be governed exclusively by and constructed in accordance with the applicable internal laws of the State of Missouri.

Section 7.8 Private Sale. The Board of Aldermen of the City hereby declares that it is in the City’s best interest to sell the TIF Notes at private sale because a public sale of the TIF Notes would cause additional expense to the City and because the condition of the current financial markets makes such a public sale not feasible or the best course of action for the City.

Section 7.9 Termination. After adoption of this Ordinance by the Board of Aldermen, this Ordinance shall become effective on the 30th day after its approval by the Mayor or adoption over his veto; provided that if, within ninety (90) days after the effective date of the Authorizing Ordinance, the Developer has not (i) executed the Redevelopment Agreement pertaining to the Redevelopment Project and (ii) paid all fees due to the City in accordance with the terms of the Redevelopment Agreement, the provisions of this Ordinance shall be deemed null and void and of no effect and all rights conferred by this Ordinance on Developer, shall terminate, provided further, however, that prior to any such termination the Developer may seek an extension of time in which to execute the Redevelopment Agreement, which extension may be granted in the sole discretion of the Board of Estimate and Apportionment of the City of St. Louis.

This TIF Note is one of an authorized series of fully registered Notes of the City designated "City of St. Louis, Missouri, [Taxable][Tax-Exempt] Tax Increment Revenue Notes (4249 Michigan Redevelopment Project), Series 20___-A/B," issued in an aggregate principal amount of not to exceed \$367,640 plus Issuance Costs (the "TIF Notes" or "Notes"). **ORDINANCE #68785
Board Bill No. 157**

An ordinance prohibiting the issuance of any package liquor license for any non-licensed premises within the boundaries of the Twenty-Second Ward Liquor Control District, as established herein, for a period of three years from the effective date hereof; containing exceptions and allowing, during the moratorium period, for the transfer of existing licenses, under certain circumstances; and containing an emergency clause.

BE IT ORDAINED BY THE CITY OF ST. LOUIS AS FOLLOWS:**SECTION ONE. LEGISLATIVE FINDINGS.**

The existence of alcoholic beverage establishments appears to contribute directly to numerous peace, health, safety and general welfare problems including loitering, littering, drug trafficking, prostitution, public drunkenness, defacement and damaging of structures, pedestrian obstructions, as well as traffic circulation, parking and noise problems on public streets and neighborhood lots. The existence of such problems creates serious impacts on the health, safety and welfare of residents of single- and multiple-family within the district, including fear for the safety of children, elderly residents and of visitors to the district. The problems also contribute to the deterioration of the neighborhood and concomitant devaluation of property and destruction of community values and quality of life. The number of establishments selling alcoholic beverages and the associated problems discourage more desirable and needed commercial uses in the area. In order to preserve the residential character and the neighborhood-serving commercial uses of the area, there shall be a moratorium on the issuance of new liquor licenses within the area beginning at the intersection of the centerlines of Page Blvd. and Hamilton Ave., proceeding along the centerlines in a generally clockwise direction south to Etzel Ave., west to the city limits, northeast along the city limits to Interstate 70, southeast to N. Kingshighway Blvd., south to Natural Bridge Ave., west to Union Blvd., south to Lexington Ave., west on Lexington Ave. and continuing on a straight line to Arlington Ave., south to Dr. Martin Luther King Dr., west to Belt Ave., south to Page Blvd., west to Etzel Ave., southwest to Montclair Ave., north to Page Blvd., west to the point of the beginning. Such area shall be known as the Twenty-second Ward Liquor Control Area.

SECTION TWO. The Excise Commissioner is hereby prohibited, for a period of three years, beginning as of the effective date of this Ordinance, from approving the issuance of a package liquor license for any premises which is located within the boundaries of the Twenty-Second Ward Liquor Control District established in Section One of this ordinance.

SECTION THREE. Notwithstanding the provisions of Section Two of this Ordinance, the Excise Commissioner shall have authority to:

- (1) Approve transfer of an existing license to another premises within the petition circle of the currently licensed premises, pursuant to the provisions of subsection (B) of section 14.06.330 of Ordinance 68536; and
- (2) Approve the renewal of an existing license under the provisions of Section 14.08.090 of Ordinance 68536; and
- (3) Approve the issuance of a new 5% license (Beer License); and
- (4) Approve the issuance of a package liquor license to premises which were previously licensed within the previous three (3) years from the effective date of this ordinance.

SECTION FOUR. EMERGENCY CLAUSE.

This being an ordinance for the preservation of public peace, health and safety, it is hereby declared to be an emergency measure within the meaning of Sections 19 and 20 of Article IV of the Charter of the City of St. Louis and therefore this ordinance shall become effective immediately upon its passage and approval by the Mayor.
